

## **ANNOUNCEMENT**

I wish to announce to the House that I have received the decision of the Supreme Court in respect of the Bill titled "Homoeopathy" which has been challenged in the Supreme Court in terms of Article 121(1) of the Constitution.

The Supreme Court has decided to reject the petition since the petitioners have failed to file the petition within the time period stipulated in Article 121(1) of the Constitution and decided not to proceed to make a "determination".

I order that the decision of the Supreme Court be printed in the Official Report of today's proceedings.
