

ANNOUNCEMENT

C

A laptop computer each have been provided to the tables of all Hon. Members of Parliament under the e-Chamber project.

Intention of this Project is to assist the Hon. Members of Parliament to attend to their functions in Parliament, especially in the Parliament Chamber, further effectively and efficiently.

Hon. Members of Parliament can log into this system using the Username and Password already provided to them.

These computers have been installed in a KIOSK system, and will facilitate to obtain all data necessary for the efficient functioning including internet and e-mail facilities, through the Wi-Fi network facility available in the Parliament Chamber.

Hon. Members of Parliament can obtain the following services through this Project -

- Legislative Information -
 - o Details of Bills and Petitions etc., introduced by the MP
 - o Questions asked and replies given to such questions etc.
 - o Questions given notice of with scheduled dates to ask such questions
- Personal data -
 - o Salary particulars and attendance details etc.
- Information re. Business of the Day -
 - o Order Paper of Parliament, Business of the Day, Order Book and Addendum
 - o Presentation of Committee Reports, other Government Reports and Gazettes etc.
 - o Meetings of Committees scheduled for the day with times
- Archival data -
 - o Hansards, Reports of Committees presented etc.
- In addition to these, Internet and e-mail facilities and many other information can be obtained from the seat of the Hon. Members of Parliament in the Parliament Chamber.

An Instruction Sheet is already placed on the tables of all Hon. Members of Parliament. Further details, if necessary, can be obtained by calling the Help Desk Coordinator of the Information Systems and Management Department, on telephone extension number 6581.

Also, further training on the use of the system can be arranged by the Information Systems and Management Department, if required. I earnestly request you all, to use these computers given by Parliament with utmost care as a personal property, and to extend your fullest cooperation to provide these services for many years.

I also trust that the facilities provided under this Project will help you to perform your Parliamentary duties more easily and effectively.
