	grounds for the annulment of the award and forfeiture of the Bid Security. In that event the Purchaser may award the Contract to the next lowest evaluated Bidder, whose offer is substantially responsive and is determined by the Purchaser to be qualified to perform the Contract satisfactorily.
23. Signing of Contract	23.1 Within Seven (7) days after notification, the Purchaser shall complete the Agreement, and inform the successful Bidder to sign it. 23.2 Within Seven (7) days of receipt of such information, the successful Bidder shall sign the Agreement.
24. Execution of the Contract	24.1 Officials of the Parliament of Sri Lanka will be detailed to supervise the execution of the contract and the Supplier and/ or his duly appointed Agents shall extend all co-operation to such officials. 24.2 The Supplier or his duly appointed Agents shall ensure that his employees carry out whatever instructions that may be given by officials of the Parliament of Sri Lanka, on matters concerning the contract.
25. Completion of the Project	25.1 The successful Bidder shall complete the project within 45 calendar days from the date of Purchase Order / Awarding Letter.
26.Acceptable Standards of Goods	26.1 All goods supplied under this contract shall comply with standards and certificates stated under section 3.1 of this ITB and existing sashes.
27. Warranty and Corrective Action on Unsatisfactory supply	27.1 The Suppliers should warrant that the goods delivered /work completed are in accordance with the highest quality and / or standards. (See section 26 above) At any time during or after supplying such goods, if the Parliament found that such goods had not been supplied in accordance with the highest quality and / or standards, the Supplier shall after receipt of notice from the Parliament promptly perform or arrange for the corrective action.
28. Maintenance and Service Agreement	28.1 The supplier shall sign the maintenance and service agreement for the firewall system after one year's /three years' service period.
29. Penalty for Delay	29.1 1% penalty will be imposed per week on the total invoice value of the Successful bidder who fails to install and commissioning of the firewall system on due date, unless on a valid reason acceptable to the Secretary–General of Parliament. Failure to deliver same within the extended time limit would result in cancellation of the order.
30. Payment	30.1 Payment will be made within one month period from the date of submission of the original invoice. The VAT will be paid only after examination of the VAT Clearance Certificate issued by the Department of Inland Revenue. 30.2 Payment will be processed on successful completion and handing over of the project in line with the Instructions to Bidders (ITB) of Contract, Schedule of Requirements, Terms and Conditions of the contract and on submission of the original invoice.
