P.10/2024

Hon. Heshu Withanage Ankumbura Arachchi,— Developing sports in estate sector,— That this Parliament resolves that a Sports development programme should be launched in order to get the youth contribution of the estate sector for the sports development of the country, as they have displayed their skills locally and internationally, and they do not have any sports facilities in their estate schools as well as the estate areas where they live.

P.16/2024

Hon. Chaminda Wijesiri,— Formulating a programme to streamline the appointments made to the Sri Lanka Foreign Service,— That this Parliament resolves that the government prepare a programme to make all appointments to the foreign service, which is tasked with uplifting Sri Lanka's image before the international community, based on the results of competitive examinations and on merit in order to prevent political appointments made to the foreign service, which have led to the deterioration in the quality of the service leading to failure to achieve its desired objectives.

P.17/2024

Hon. Chaminda Wijesiri,— Formulating a proper procurement methodology for purchasing goods and services to depots of the Sri Lanka Transport Board,—This Parliament resolves that the government formulate a proper procurement methodology for purchasing goods and services to depots of the Sri Lanka Transport Board with a view to preventing corruption as the absence of such a methodology is the main cause of the corruption rampant in the Sri Lanka Transport Board.

P.20/2024

Hon. Chaminda Wijesiri,— Preparing the subjects falling under the provincial councils in a scientific methodology,— That this Parliament resolves that the government should prepare an appropriate programme to allocate the subjects coming under the purview of the provincial councils according to a proper methodology based on a scientific basis to avoid the situation that has arisen since the subjects coming under the purview of the provincial councils have been currently allocated in a way that has no scientific basis, and that various problems have arisen because of this.

P.21/2024

Hon. Chaminda Wijesiri, — Developing a proper methodology to strengthen the Sri Lanka Transport Board, — That this Parliament resolves that the Government should develop a proper methodology to prevent fraud and corruption that occur during the procurement of goods and services by the Sri Lanka Transport Board, since strengthening the public transport service in Sri Lanka is an essential matter.

P.22/2024

Ministry of Muslim Religious and Cultural Affairs, whereas the Department of Muslim Religious and Cultural Affairs does not currently have a fund that is required in matters relating to education, culture, occupation and inter-ethnic cooperation and in matters related to livelihood of the Muslim community living in Sri Lanka, whereas a fund called “Baithulmal” has been established many years ago for these needs in Muslim countries of the world and countries where Muslim minorities live, and whereas the necessary financial provisions can be obtained from those living in this country and those living in foreign countries, if this fund is established in Sri Lanka.

P. 58/2025

Hon. (Mrs.) Hiruni Wijesinghe, Attorney at Law,— Appointment of a trained student counsellor to every school for the educational development, vocational development and personal social development of school children,— That this Parliament resolves that the Government should take necessary steps to appoint a trained student counsellor to every school for the sake of educational development, vocational development, and personal social development of school children, whereas various psychological disturbances are currently observed among many school children and these conditions indirectly affect their physical and social well-being, and whereas teachers are appointed as student counsellors and the service expected from them has not been effectively delivered in some instances despite their being appointed as such due to their role of school teachers impinging, and whereas the necessity for a student counsellor has emerged in every school.

P. 59/2025

Hon. (Mrs.) Rohini Kumari Wijerathna,— Formulation of a pension scheme for the Sri Lankans working abroad, who are styled as “*Rata Viruwan*” (Migrant Heroes),— That this Parliament resolves that the Government should formulate a pension scheme by establishing a pension fund using a certain percentage of the money received from the Sri Lankan labour force working overseas as foreign exchange, whereas the contribution of them is very significant in revitalizing the national economy of Sri Lanka, and whereas the said employees have to undergo various difficulties by being unable to engage in a job after returning to Sri Lanka while living with their children after working abroad for many years due to the economic crisis.

P. 61/2025

Hon. Ruwanthilaka Jayakody,—Formulation of a system to prevent the sale of unhealthy food to children in school canteens within the school system of Sri Lanka,— That this Parliament resolves that the government should introduce and implement restrictions on the types of food and beverages permitted for sale in school canteens, in order to control the diabetes condition among school children in Sri Lanka, whereas specialist doctors have pointed out that diabetes is now widely diagnosed among school children in Sri Lanka, and whereas the types of food consumed, as well as dietary habits and eating patterns, are major causes of diabetes, and whereas food items containing high amounts of sugar and flour, which contribute to diabetes, along with foods such as fried rice, *kottu*, and instant noodles, are being sold in large quantities to schoolchildren through school canteens within the Sri Lankan school system.

P. 62/2025

Hon. Ruwanthilaka Jayakody,— Making Rail freight transport more efficient,— That this Parliament resolves that a proper methodology be formulated by the government for the transport of goods and fuel by train whenever possible whereas the main purpose of starting the railway service in Sri Lanka had been the transport of goods, and whereas the railway service has now deviated from that objective, and whereas rail freight is a less expensive method, and whereas its benefits are directly accrued to the people of the country.

P. 63/2025

Hon. Ruwanthilaka Jayakody, — Minimizing the injustice caused to farmers in selling their agricultural produce,— That this Parliament resolves that the Government should take immediate measures to change the processes in which both the farmer and the consumer suffer injustices at the same time and to serve justice to the farmer and to the consumer whereas the farmers of this country experience grave injustices in selling their agricultural produce as the wholesale dealers as well as the retail sellers set a very low price for their produce and whereas the consumers have to pay very high prices in buying the said agricultural products.

P. 64/2025

Hon. Ruwanthilaka Jayakody,— Designing a regulatory framework for pre-school education,— That this Parliament resolves that a unified system for regulating pre-school education in Sri Lanka, should be established through a single institution, recognizing that the pre-school education is of vital importance and a crucial factor among all the educational opportunities, currently available in the country.

P. 65/2025

Hon. Ruwanthilaka Jayakody,— Facilitating the producers of export goods,— That this Parliament resolves that the necessary steps be taken to facilitate the young entrepreneurs involved in the export sector, who play a key role in generating foreign exchange, whereas producers of agricultural and other goods targeting exports lack adequate facilities, expertise, and access pathways for export market.

Hon. Ruwanthilaka Jayakody,— Introduction of Literature as a subject in the Advanced Level Science, Commerce and Technology streams,— That this Parliament resolves that Literature should be introduced as an additional subject in the Advanced Level Science, Commerce and Technology streams in schools in Sri Lanka in order to enhance the skill of literary appreciation of the students pursuing such streams for Advanced Level.

P. 67/2025

Hon. Ruwanthilaka Jayakody,— Provision of care to inpatients at hospitals,—That this Parliament resolves that the Government should formulate a system whereby patients receiving inpatient treatment at hospitals are provided care by caregivers employed by the hospital, whereas nursing officers in charge of the ward inform that a custodian should accompany a patient receiving inpatient treatment at a hospital day and night, and whereas, in the absence of such a custodian, private caregivers have to be hired on a fee-paying basis, and whereas such caregivers charge approximately Rs. 3,500 per day, which is unaffordable if the patient is required to stay in the hospital for several days.

P. 68/2025

Hon. Ruwanthilaka Jayakody,— Granting permanent title deeds to permit holders of lands,— That this Parliament resolves that a proper system of granting permanent title deeds to the people of this country be developed whereas a significant number of the people only have permits or deeds such as Swarnabhoomi for their lands.

P. 70/2025

Hon. Rajeevan Jeyachandramoorthy,— Promoting tourism services and economic development in Jaffna,—That this Parliament resolves that Jaffna and Northern Sri Lanka be recognized as key tourism hubs and steps should be taken to support the creation of a centralized tourism platform in Jaffna to connect travelers from across the country and abroad with local hotels, restaurants, and service providers, promoting authentic travel experiences, by encouraging and facilitating the establishment of tourism service businesses that empower local operators and promote cultural heritage, supporting policies and investments that enhance infrastructure, digital connectivity, and marketing to boost tourist arrivals and satisfaction in Northern Sri Lanka, promoting public-private partnerships to foster sustainable tourism development and economic growth in the Jaffna region, and by monitoring the impact of such initiatives on local employment and business opportunities, aiming for sustainable economic benefits within 12 to 18 months, whereas promoting tourism services and economic development could strengthen the local tourism economy, create jobs, and showcase Jaffna as a vibrant cultural destination.

P. 71/2025

Hon. Rajeevan Jeyachandramoorthy,— Establishment of a permanent Special Economic Zone in Jaffna and the Northern Province to create sustainable youth employment,—That this Parliament resolves that a permanent Special Economic Zone (SEZ) be established in Jaffna and the Northern Province, alongside other strategic locations nationwide, whereas the establishment of a permanent Special Economic Zone could stimulate economic growth, attract both local and foreign investment, and generate sustainable employment opportunities for the youth, and whereas by developing such zones, the government can promote industrial expansion, enhance skills development, and encourage entrepreneurship, thereby addressing unemployment and fostering the long-term socio-economic advancement of Jaffna and the Northern Province, and the country as a whole.

P. 72/2025

Hon. Kanthasamy Prabu,— Promoting self-sufficiency in milk production,— That this Parliament resolves that a National Dairy Development Policy be implemented by the Government to achieve self-sufficiency in milk production, by improving breed access and veterinary services, expanding fodder cultivation, strengthening farmer training and infrastructure, providing incentives to dairy farmers, promoting public-private partnerships, and encouraging research in dairy development, and a mechanism be devised for the

relevant Ministries to coordinate with provincial councils and farmer groups, and the relevant Committee of Parliament to monitor implementation and recommend further action, whereas country currently relies on dairy imports, leading to significant foreign exchange loss, and farmers face issues such as limited access to good breeds, veterinary care, fodder, and infrastructure, and whereas addressing these challenges would enhance food security, create rural jobs, and reduce dependency on imports.

P. 73/2025

Hon. Ravi Karunanayake,— Sri Lankans be afforded better opportunities for health,— That this Parliament resolves that all Sri Lankans be afforded better health opportunities means of which employees of the private sector must be provided with free facilities through Employees' Provident Fund and Employees' Trust Fund and in the case of Public Servants or non-employees, by the Government through the President's Fund with full cost, whereas majority of the population are subject to open heart surgeries.

P. 74/2025

Hon. Chaminda Wijesiri,—Establishment of Bus Priority Lanes Expeditiously in the Morning and Late Afternoon Hours on Working Days of the Week in Main Towns,—This Parliament resolves that a bus priority lane system be implemented in the morning and late afternoon hours as a remedy for the severe road congestion that prevails in the morning and afternoon hours in major towns.

P. 75/2025

Hon. Hector Appuhamy,— Renewal of the Bilateral Agreement of Driving Licenses between Italy and Sri Lanka,— That this Parliament resolves that steps should be taken to renew the bilateral agreement of driving licenses between Italy and Sri Lanka, as it provides great benefits to Sri Lankans.

P. 76/2025

Hon. Ravindra Bandara,— Introduction of a Smart Grid and Smart Meters,— That this Parliament resolves that measures be taken to convert the national electricity grid into a Smart Grid and to introduce Smart Meters, in view of the fact that the electricity generated, particularly through rooftop solar panels, cannot currently be distinguished at the system control center, despite the importance of promoting solar energy as a renewable energy source.

P. 77/2025

Hon. Ravindra Bandara,— Banning harmful artificial flavoring agents used to flavor food,— That this Parliament resolves that the use of harmful flavoring agents be banned after conducting a proper study through a recognized institution, since it is reported that artificial flavoring agents used in local restaurants and hotels to flavor food items such as rice, kottu and noodles contribute to various non-communicable diseases.

P. 78/2025

Hon. M.S. Uthumalebbe, — Expanding the railway line from Batticaloa to Pottuvil or the railway line from Matara to Kalmunai,— That this Parliament resolves that steps should be taken to expand the railway line from Batticaloa to Pottuvil or the railway line from Matara to Kalmunai since a large number of people in the Batticaloa, Ampara and Moneragala Districts will benefit from the expansion of the railway line from Batticaloa to Pottuvil and the expansion of the railway line from Matara to Kalmunai.

P. 79/2025

Hon. (Mrs.) Hiruni Wijesinghe, Attorney at Law,— Favourable control and suppression of the proliferation of common water hyacinth,— That this Parliament resolves that it is opportune that the government formulate relevant project proposals for a sustainable solution through the favorable control and suppression of the common water hyacinth plant, whereas it is an invasive plant known by its scientific name *Eichhornia crassipes (Mart.) Solms*, has encroached upon farmlands and wetlands exhibiting an accelerated propagation rate that displaces indigenous flora and destabilizes the ecological balance, whereas consequent sediment accumulation has impeded water transport courses and flow of water, exacerbated flood risks, degraded the quality of water needed for daily use and disrupted hydropower generation, whereas its suppression through the use of chemical herbicides poses a health risk to people using that water, and whereas the breeding of maggots and the spread of diseases such as filariasis and dengue occur in these areas.

P. 80/2025

Hon. Imran Maharroof,— Establishment of a Commission to Investigate the Unilateral and Forced Cremation of the Remains of Deceased Muslims During the COVID-19 Pandemic,— That this Parliament resolves that a Commission be established to investigate the number of bodies of Muslims that were unilaterally and forcibly cremated contrary to the guidelines of the World Health Organization during the COVID-19 Pandemic, to investigate the names and addresses of the victims who were so cremated, to inquire into the background that led to the forced cremation of the said dead bodies, to assess the mental state of the relatives of the victims who were so cremated, and to investigate steps to be taken against politicians and government officials who acted contrary to the said guidelines in support of such cremations.

P. 81/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Formulation of a system to stop the ripening of fruits using chemicals,— That this Parliament resolves that a formal system be developed to stop the practice of ripening fruits using chemicals, which is being carried out by unscrupulous businessmen with the aim of making profits while destroying the future of the country, whereas unripe fruits are artificially caused to ripen using chemicals and are sold in the Sri Lankan fruit market instead of naturally ripened fruits, whereas imported fruits are also sold after being artificially ripened using chemicals, and whereas these fruits are mostly consumed by children.

P.82/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Formulation of a methodology to consider the Key Performance Indicators as criteria for the appointment of heads of institutions,— That this Parliament resolves that a methodology be integrated to the public service to consider the Key Performance Indicator (KPI) of public sector officials as a criterion alongside their seniority when appointing heads of government ministries and departments, and that recommendations be obtained for the appointment of heads of institutions accordingly.

P. 83/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Taking the Key Performance Indicator into consideration in assigning positions to the Members of Parliament and the Ministers,— That this Parliament resolves that the Key Performance Indicator (KPI) of the Members of Parliament and the Ministers be reviewed annually and a system for assigning positions to them be developed taking the said indicator into consideration.

P. 84/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Safeguarding the independence of persons who have held positions commencing from the Chief Justice down to lower ranks in the judiciary when they are appointed to other positions, — That this Parliament resolves that persons who have held positions commencing from the Chief Justice down to the lower ranks in the judiciary, should not be appointed to positions in the public service, corporate boards, commissions, tribunals or the foreign service (such as ambassadors) for a period of at least three years from the date on which they ceased to hold those positions in order to protect their independence.

P. 86/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Prohibition of political parties from crediting the salaries, allowances and vehicle permits, etc. of public representatives to their party funds,— That this Parliament resolves that the political parties shall not be permitted to credit the salaries, allowances and vehicle permits, etc. of public representatives to their party funds whereas the practice of political parties crediting the monthly salaries, allowances and vehicle permits, etc. of elected public representatives of their party, to party funds is detrimental to the independence of such representatives, and whereas such action poses a serious challenge to democracy.

P. 87/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Establishment of a Rehabilitation Centre in each District for Drug Addicts,— That this Parliament resolves that at least one rehabilitation centre be established in each district with all facilities, whereas a rapid increase in the number of users of drugs such as heroin is observed at present, whereas the fact that addicts are not limited to one area, but are spread throughout the country and are promoting the drug use has led to this increase, and whereas the fact that rehabilitation centers for drug addicts are found only in a few locations across the country poses a serious problem in controlling the growth of the number of drug users.

P. 88/2025

Hon. Susantha Kumara Nawarathna,— Formulation of a National Policy and Methodology for the Wildlife Management in Sri Lanka,— That this Parliament resolves that a practical and modern policy and methodology be formulated and implemented, whereas Sri Lanka is internationally recognized as a country with high biodiversity, whereas due to deforestation, human encroachment, illegal wildlife trade, and escalating human-wildlife conflicts, both these wildlife as well as human lives are lost in large numbers annually, whereas the formulation of a National Wildlife Management Policy through new policies and plans is a sustainable development objective, and whereas this would result in protection of animal habitats, reduction of human-wildlife conflicts, and improvement of the economic status and social life of the farming communities.

P. 89/2025

Hon. Susantha Kumara Nawarathna,— More productive use of agricultural lands in Sri Lanka,— That this Parliament resolves that lands be used in a more productive manner to increase agricultural production by 30% over the next few years, thereby increasing farmers' incomes, expanding commercial agriculture, and establishing a baseline database containing information on land type, crop suitability, water and cultivation by exploring all agricultural lands, with the goal of ensuring national food security and improving the living standards of farmers, whereas the agricultural sector is a prominent entity in Sri Lanka's economy, whereas only about 40% of agricultural lands are used in the production process annually, and the remaining lands are not used due to improper planning, lack of water resources, lack of technical knowledge and lack of innovation, and whereas a large amount of money is spent annually on importing food due to the low level of production.

P. 90/2025

Hon. Rajeevan Jeyachandramoorthy,— Improving the sea transport facilities for residents of the offshore islands in the Jaffna District,— That this Parliament resolves that the Government should take immediate action to provide modern, safe, fast and reliable sea transportation for the residents of the offshore islands, particularly Neduntheevu, Nainatheevu, Eluvaithivu and Analaitivu in the Jaffna District, whereas the residents of these islands have been deprived of adequate sea transport facilities for several decades, whereas, as a result, they are compelled to spend several hours travelling by sea, whereas patients, pregnant women, the elderly, school staff and employees of non-governmental organisations face severe difficulties and risks while undertaking these journeys, and whereas it is acknowledged that "The development of villages is the development of the Nation".

P. 91/2025

Hon. Rajeevan Jeyachandramoorthy,— Commencing the Talaimannar - Rameswaram ferry service,— That this Parliament resolves that the Government should take immediate actions to commence the Talaimannar-Rameswaram ferry service, whereas it would increase tourist arrivals particularly from India, and whereas it enables the public to travel to Tamil Nadu at a lower cost and purchase essential goods at affordable prices subject to the prevailing laws and regulations, thereby improving their livelihoods.

P. 93/2025

Hon. Shanakiyan Rajaputhiran Rasamanickam,— Establishment of a special Development Fund dedicated to reduce regional disparities in development,— That this Parliament resolves that the Government of Sri Lanka should take steps to; establish a National Development Fund for lagging regions such as Northern Province, Eastern Province, Monaragala District, and Nuwara Eliya District, to mobilize contributions from government, bilateral and multilateral partners, private investors, and philanthropic donors, with a target size of USD 250 million over a 10+2 year programme tenure; deploy the Fund strategically to revive rural livelihoods through agriculture, fisheries, and cottage industries, to develop infrastructure for promoting employment and women's socio-economic empowerment, to activate idle assets and support SMEs and cooperatives, to invest in renewable energy and other commercially viable ventures, to initiate capacity building and educating women and youth; facilitate the establishment of a Technical Assistance Facility (TAF) to build local capacity, close viability gaps in investments, and ensure effective and transparent utilization of funds; ensure gender inclusivity across all investment areas, with measurable targets to promote women's participation in economic activities and decision-making; mandate relevant Ministries, Provincial Councils, and local authorities to coordinate with the Fund to ensure equitable regional coverage, accountability, and sustainability in project implementation, by considering the establishment of the Fund an urgent national measure towards inclusive growth, reconciliation, and sustainable development of Sri Lanka, whereas these lagging regions are continuing to face severe economic deprivation due to the effects of the protracted civil conflict and historical neglect over the past decades; whereas the present economic crisis has further aggravated these disparities, placing disproportionate burdens on the livelihoods of the people in these lagging regions; and whereas it is necessary to establish a dedicated national initiative to address these concerns, with the objective of promoting equitable growth, sustainable development, and gender empowerment in economically deprived areas.

P. 94/2025

Hon. Hector Appuhamy,— Developing a programme to protect the mangrove ecosystem,— That this Parliament resolves that a programme should be developed to protect the mangrove ecosystem which is extremely important for environmental balance and the fishing industry.

P. 95/2025

Hon. Nalin Bandara Jayamaha, — Regularization of the procedure for issuing permits for private buses,— That this Parliament resolves that an appropriate programme be developed to prevent corruption in the process of issuing permits for private buses carried out by the Provincial Road Passenger Transport Authority whereas the said procedure has become extremely corrupt.

P. 97/2025

Hon. Ajith P. Perera,— Providing an incentive to family units to increase the number of births in Sri Lanka,— That this Parliament resolves that the government should take necessary measures to introduce an attractive incentive for family units with a view of increasing the number of births in Sri Lanka whereas it has been observed that the annual

number of births in Sri Lanka has been continuously declining since 2018, whereas the youth population of Sri Lanka will definitely decline in the future as a result, and whereas such a decline in the youth population will have a severely detrimental impact on the economic development process of the country.

P. 98/2025

Hon. Ajith P. Perera, — Promoting the 'Sooryabala Sangramaya' Project, — That this Parliament resolves that the 'Sooryabala Sangramaya' (Battle for Solar Energy) Project should be further promoted and protected as a method of reducing the price of a unit of electricity and a strategy of protecting the environment, whereas solar energy has been identified as a profitable and environmentally friendly energy source out of the energy sources in Sri Lanka, and whereas over 2000 MW of electricity generated from solar energy has been already added to the national grid under the 'Sooryabala Sangramaya' Project which was launched on 06.09.2016.

P. 99/2025

Hon. Ajith P. Perera,— Promotion of the 'Kalutara Coastal Zone' as a Special Economic Zone,— That this Parliament resolves that the 'Kalutara Coastal Zone,' which includes the new land created due to the shifting of the Kalu River estuary and the Calido beach, should be promoted and developed as a Special Economic Zone, both for the purpose of developing a tourist zone based around the Kalutara town and as a strategy for the protection of the Kalu River estuary and the coast.

P. 100/2025

Hon. Ajith P. Perera,— Expediting the Construction of the 'Millaniya Export Processing Zone',— That this Parliament resolves that the government should consider the construction of the 'Millaniya Export Processing Zone' a priority project and take the necessary steps accordingly, whereas a total of 240 acres of land have already been acquired for the construction of the said Export Processing Zone in the Kalutara district, whereas the government has already spent nearly one billion rupees to provide expressway access, piped water, and electricity for the project, and whereas the land selected for the Export Processing Zone has already been identified by the Board of Investment of Sri Lanka as suitable for the proposed project.

P. 101/2025

Hon. Ajith P. Perera,— Promotion of Providing Secondary Education in English,— That this Parliament resolves that English medium education should be implemented in all secondary schools in Sri Lanka and that the government should prioritize adequate investment for the initiative, whereas 'English' has been recognized as the Link Language of Sri Lanka in terms of Article 18(3) of the Constitution, whereas 'English', as an international language, is a crucial means of acquiring knowledge for citizens, whereas it is essential for all Sri Lankans to achieve proficiency in English as the link language to live together in one country, regardless of linguistic or ethnic differences, whereas the system of providing secondary education in English within the Central College system of Sri Lanka which emerged under the concept of free education and in a number of other schools has been successful, and whereas education in English is extremely important for Sri Lankan citizens to access international employment opportunities.

P. 102/2025

Hon. Ravindra Bandara,— Establishment of a Faculty of Engineering for Uva Wellassa University,— That this Parliament resolves that an Engineering Faculty be established for Uva Wellassa University, taking into account the growing needs of the construction, mechanical, industrial, and information technology sectors in Sri Lanka, as well as global requirements, whereas considering that Uva Wellassa University is an institution that supplies graduates with modern technical skills who fulfill the requirements of both the domestic and foreign job markets.

P. 103/2025

Hon. Rohana Bandara,— Designing a programme to improve swimming skills,— That this Parliament resolves that a programme be established to promote the exceptional swimming skills possessed by our ancestors, who developed a highly advanced irrigation civilization, among the current generation whereas the number of individuals drowning in water has been observed to be steadily increasing in recent times.

P. 106/2026

Hon. (Dr.) M.L.A.M. Hizbullah,— Establishment of a Faculty of Medicine for South Eastern University of Sri Lanka,— That this Parliament resolves that a Medical Faculty be established for the South Eastern University of Sri Lanka, taking into account the growing needs of the medical sectors in Sri Lanka, as well as global requirements, whereas considering that South Eastern University of Sri Lanka is an institution that supplies graduates with modern technical skills who fulfil requirements of both the domestic and foreign job markets.

P. 108/2026

Hon. (Dr.) Harsha de Silva,— Protection of the Diyagama Forest,— That this Parliament resolves that, urgent action should be taken to immediately halt all clearance and development activities within the Diyagama Forest, to gazette it as a protected area under the Fauna and Flora Protection Act (FFPA), to place it under the jurisdiction of the Department of Wildlife Conservation, and to ensure the strongest possible legal protection against future encroachment and unsustainable development; whereas the Diyagama Forest is one of the last remaining urban lowland rainforest near Colombo and the closest rainforest fragment to the city; whereas it plays a vital role as a natural flood buffer by regulating water flow through its wetlands and streams that feed the Bolgoda River, thereby protecting surrounding communities from flooding; whereas this forest is home to over 220 species of flora and fauna, including endangered species such as the Red Slender Loris, Purple-faced Langur, and Fishing Cat; whereas it constitutes a critical biodiversity hotspot serving as a last refuge for approximately 12.6% endemic flora and 11.58% endemic fauna, many of which are increasingly threatened by urban expansion; whereas the Diyagama Forest is internationally recognized for its Loris population, attracting foreign visitors and presenting strong potential for sustainable eco-tourism; whereas the protection of this forest is essential for safeguarding biodiversity, climate resilience, and community safety; and whereas the loss of the Diyagama Forest would be irreversible, making its immediate conservation imperative for future generations and in fulfillment of Sri Lanka's national and international conservation commitments.

P. 109/2026

Hon. Dayasiri Jayasekara, Attorney at Law,— Establishment of a Truth Commission,— That this Parliament resolves that a Truth Commission be established to strengthen the process of investigating the loss of life, disappearances, and other destruction caused by the war in the North and East which spanned over twenty-six years, and to identify the future steps that can be taken toward establishing national unity.

P. 110/2026

Hon. Dayasiri Jayasekara, Attorney at Law,— Introducing a legal mechanism to restrict the use of social media for children under the age of 15,— That this Parliament resolves that steps be taken to introduce a legal mechanism to restrict the use of social media for children under the age of 15, whereas issues such as increased mental pressure and stress, decline in educational performance, cyberbullying, and exposure to indecent and unsafe content among children are rising due to excessive social media use; and whereas developed countries such as Australia, France, and Denmark have already introduced laws to restrict social media use for children; and whereas it is necessary to protect the mental health, safety, and educational development of children by implementing measures such as setting the minimum age for opening social media accounts at 15 years, making age verification methods mandatory for social media companies, imposing fines and taking legal action against entities that violate the law, and taking appropriate measures regarding children who access social media using the accounts of adults; .

P. 112/2026

Hon. Shanakiyan Rajaputhiran Rasamanickam,— Repeal of the Prevention of Terrorism Act,— That this Parliament resolves that, the Government of Sri Lanka should take immediate steps to repeal the Prevention of Terrorism Act, No. 48 of 1979 (PTA) in its entirety, without introducing any replacement legislation containing similar provisions, whereas the PTA has been used for over 40 years to enable prolonged arbitrary detention, to extract false confessions through torture, and to target minority communities and civil society groups and whereas a state of emergency may be declared when absolutely necessary, and terrorism-related offences are already prosecutable under the Penal Code, and whereas there is no justification for a permanent counter-terrorism law with sweeping powers.

P. 113/2026

Hon. Sujeewa Dissanayake,— Abolishing the additional six percent pension deduction from the salaries of Pirivena Teachers,— That this Parliament resolves that necessary measures be taken, to abolish the deduction of an additional six percent from the salaries for the pension of Pirivena Teachers, who play a key role in Pirivena education with effect from 1 April 2026, whereas the traditional Pirivena education system, in parallel with the modern school system, holds a prominent place in the country's education sector and whereas the privileges and recognition afforded to the modern school education system, its teachers, and students are not equally extended to the Pirivena education system and its teachers and lay and monastic students.

P. 114/2026

Hon. Ravi Karunanayake,— Protection of the World Environment,— That this Parliament resolves that, Sri Lanka must pay more attention to the protection of the world environment and specially take action to prevent global warming.

P. 115/2026

Hon. Ravi Karunanayake,— Repayment of funds of the depositors who are duped,— That this Parliament resolves that, the government must take steps to pay the depositors who have been duped with the funds that have been deposited in registered finance companies, and the Central Bank of Sri Lanka who is the custodian of these companies should be diligent, whereas there are many depositors who have been duped with the funds that have been deposited in these companies.

P. 116/2026

Hon. Chaminda Wijesiri,— Formulation of a programme to reduce the congestion in the Out-patient Departments of the government hospital system,— That this Parliament resolves that, irrespective of our country's position on the World Health Index, a programme should be formulated to control the severe congestion prevailing in the Out-patient Departments of government hospitals.

P. 117/2026

Hon. Nalin Bandara Jayamaha,— Formulating a programme to promote apiculture (beekeeping) in areas where human-elephant conflict is prevalent,— That this Parliament resolves that a pilot project, modelled on successful initiatives implemented in countries such as Kenya, be established for the promotion of apiculture (beekeeping) as a measure to mitigate human-elephant conflict in affected areas, whereas statistical reports indicate that Sri Lanka is among the countries most severely affected by human-elephant conflict, whereas such conflict results in the substantial loss of both human and elephant lives annually, and whereas it causes significant destruction to physical resources, including property.

P.119/2026

Hon. Rajeevan Jeyachandramoorthy,— Establishment of proper accommodation facilities or housing schemes for the benefit of teachers and public officers belonging to the Jaffna District who are serving in other districts of the Northern Province,— That this Parliament resolves that, in order to provide a permanent solution to the transport and accommodation difficulties faced by public officers and teachers, who belong to the Jaffna District and serve under challenging conditions in the districts of Kilinochchi, Mullaitivu, Mannar and Vavuniya, and to ensure the efficient delivery of their services, the Government should implement proper accommodation facilities or housing schemes equipped with all necessary amenities at central or otherwise suitable locations in the respective districts.

P.120/2026

Hon. Rajeevan Jeyachandramoorthy,— Establishment of an Ocean University in the Mullaitivu District for the efficient utilization of marine resources and the enhancement of marine-related industries in Sri Lanka,— That this Parliament resolves that a fully-fledged Ocean University with all necessary facilities be established in the Mullaitivu District in

order to modernize the livelihoods of the fishing community in the Mullaitivu District, which possesses high marine potential in the Northern Province, and to provide higher education opportunities for youth in the fields of marine engineering, oceanography, and aquatic resource management, whereas the economy of the country can be strengthened through the development of the human resources required for the scientific and technical management of the deep-sea and coastal marine resources surrounding Sri Lanka.

P.121/2026

Hon. Rajeevan Jeyachandramoorthy,— Expansion of seawater desalination plants as a permanent solution to the severe scarcity of drinking water in island areas and coastal villages in the Jaffna District,— That this Parliament resolves that the Government should give priority to the expansion of seawater desalination plants by increasing the capacity of existing desalination facilities in areas such as Nagadeepaya and by expediting the water supply project for distribution of water through pipelines across Kurikadduvan, in order to ensure the provision of safe drinking water, which is a basic human necessity, to the people residing in these areas, whereas groundwater sources in many parts of the Jaffna District are becoming brackish, and whereas the residents of islands such as Velanai and Nagadeepaya continue to face severe difficulties in accessing drinking water.

P. 122/2026

Hon. Rajeevan Jeyachandramoorthy, — Establishment of a special task force for the control of the rapidly spreading drug menace among the youth in the Northern Province and establishment of fully fledged rehabilitation centres,— That this Parliament resolves that, the government should take steps to establish a Special Task Force to increase special raids in coordination with the security forces to suppress the drug distribution network, and to establish fully fledged government rehabilitation and counselling centres within the Northern Province to rehabilitate the youth who have fallen victim to drugs, whereas the recently escalating drug trafficking and drug menace in the Northern Province is causing the breakdown of the social fabric and adversely affecting the future of schoolchildren.

P.123/2026

Hon. Rajeevan Jeyachandramoorthy,— Creating employment opportunities for unemployed graduates by establishing export-oriented industries based on palmyrah and coconut in the Northern Province,— That this Parliament resolves that the Government should formulate plans to establish export-oriented industries at district level with the participation of Government and private sector to manufacture value-added products utilizing modern technology from palmyrah and coconut which are abundant in the Northern Province rather than using them merely as raw materials; thereby securing the livelihoods of unemployed youth and graduates in those areas.

P. 124/2026

Hon. Rajeevan Jeyachandramoorthy,— Release of public lands held by the security forces in the Northern Province and granting permission to use those lands for agricultural and fishing activities,— That this Parliament resolves that the Government should take steps to expeditiously release the remaining unreleased public lands in a manner that does not pose a threat to national security, and to grant permission to utilize those lands for

(27)

agricultural and fishing activities in order to restore the livelihoods of the public, whereas the lands of the people have not been completely released thus far during the post-war resettlement process, and whereas they have lost the opportunities to engage in their traditional agricultural activities and the fishing industry.

P. 125/2026

Hon. Nanda Bandara,— Food crop cultivation in mountainous areas,— That this Parliament resolves that steps should be taken to cultivate food crops such as jackfruit, mango, breadnut (Kosdel) and wild mango (Etamba) in the said landslide-hit mountainous areas for the food of these animals, for the preservation of environmental balance and also for the prevention of soil erosion, whereas the mountainous areas in the districts of Kegalle, Kandy, Matale and Badulla were extensively subjected to landslides due to the ‘Cyclone Ditwah’ which severely affected Sri Lanka in the month of November 2025; and whereas crop damages are currently caused by wild animals such as the toque macaque, monkey and giant squirrel in many districts of Sri Lanka.

P. 126/2026

Hon. T.K. Jayasundara,— Developing the Kitul Industry,— That this Parliament resolves that an appropriate mechanism be developed to integrate this industry with the emerging tourism industry, to develop new approaches for the economic development of the ordinary rural masses using modern technology, and to ensure the long-term protection of the Kitul industry, whereas declaring of the Kitul tapping technology of Sri Lanka as a World Heritage by UNESCO has earned special admiration of the world for our country, and since thousands of traditional industrialists are already engaged in the Kitul industry in the Galle, Matara, Kalutara, Kandy, Matale, Nuwara Eliya, Ratnapura, Kegalle, Badulla, Gampaha and other districts and thousands of persons engaged in traditional Kitul industry are running this industry with great difficulty.
