- (i) whether the government has taken a policy decision to extend the retirement age of the Judges of the Supreme Court from 65 years to 67 years, and that of the Judges of the Court of Appeal from 63 years to 65 years;
- (ii) if so, whether the Cabinet of Ministers has granted approval in principle to draft a Constitutional Amendment Bill for that purpose;
- (iii) whether the Minister or the Secretary to the Ministry has instructed the Legal Draftsman's Department to prepare such a draft bill; and
- (iv) of the grounds on which the extension of the retirement age of superior court judges is justified?

(b) If not, why?

17.

P. 36/2025

Hon. Ravi Karunanayake,— Enabling the Right to Vote,— That this Parliament resolves that every individual above the age of eighteen shall be allowed to vote as there is a greater number of registered voters that have been deprived of voting and if an individual does not vote after the name appears on the register they should be fined which helps to create a more participatory democratic process.

18.

P. 41/2025

Hon. Heshan Withanage Ankumbura Arachchi, Attorney at Law,— Preparation of a programme to amend the constitution including the constitution of Sri Lanka Cricket,— That this Parliament resolves that the Government should take measures to amend the constitution including the constitution of Sri Lanka Cricket as there has been a great deal of discussion in society regarding the Sri Lanka Cricket at present, and the Sri Lanka Cricket has become an institution where irregularities are common due to the power of a certain group of societies in its elections and such situation needs to be prevented.

19.

P. 44/2025

Hon. Chaminda Wijesiri,— Implementing the recommendations given in the Audit Report 2023 pertaining to the Sri Lanka Ports Authority,— That this Parliament resolves that a proper course of action be formulated by the government to implement the recommendations given in the National Audit Report pertaining to the Sri Lanka Ports Authority, which is like the heart of the Sri Lankan economy, as important recommendations have been given in the Report concerned.

20.

P. 45/2025

Hon. Chaminda Wijesiri,—Using the money of local government institutions for public services in a proper manner,— That this Parliament resolves that a proper course of action be formulated by the government to prevent the state of affairs, whereas facts have been unveiled to the effect that many local government institutions deposit their money in fixed deposits with the objective of earning a profit instead of using such money for purposes such as providing public and health services as well as common amenities and improving public thoroughfares.

21.

P. 48/2025

Hon. Nalin Bandara Jayamaha,—Bringing Industries related to Petroleum, Fuel and Water under the regulation of the Public Utilities Commission of Sri Lanka,— That this Parliament resolves that, whereas industries related to electricity, petroleum, fuel and water should be regulated, industries related to petroleum and water have not been subjected to regulation for more than 21 years because the Acts relevant to the supervision of the Ceylon Petroleum Corporation and the National Water Supply and Drainage Board have not been amended and therefore, necessary legal procedures be implemented to change this state of affairs.

22.

P. 49/2025

Hon. Nalin Bandara Jayamaha,— Formulation of a programme to regulate the process of issuing licenses for filling stations,— That this Parliament resolves that, as the process of issuing filling station licenses in Sri Lanka is highly irregular, a regulatory programme be formulated to streamline the process of issuing filling station licenses.

26.

P. 56/2025

Hon. Upul Kithsiri,— Designation of the Udawalawe Area as a Tourist Zone,—That this Parliament resolves that the Government should take necessary measures to declare the Udawalawe area, encompassing the Udawalawe region in the Ratnapura District and the Sevanagala region in the Monaragala District, as a designated tourist zone, in view of the inability to experience the versatility of the area in the case of both local and foreign tourists due to the absence of a proper mechanism in place, despite the presence of significant tourist attractions such as the Udawalawe National Park, Udawalawe Elephant Transit Home, Sankapala Rajamaha Viharaya, Udawalawe Reservoir, Sevanagala Sugar Factory, Sevanagala Sugarcane Research Institute, Udawalawe Freshwater Fisheries Center, and Waulpana Limestone Cave.

27.

P. 57/2025

Hon. (Dr.) M. L. A. M. Hizbullah,— Establishment of a fund called “Sri Lanka Baithulmal Fund”,— That this parliament resolves that Government should take the necessary steps to establish a fund to be called the “Sri Lanka Baithulmal Fund” under the Ministry of Muslim Religious and Cultural Affairs, whereas the Department of

Muslim Religious and Cultural Affairs does not currently have a fund that is required in matters relating to education, culture, occupation and inter-ethnic cooperation and in matters related to livelihood of the Muslim community living in Sri Lanka, whereas a fund called “Baithulmal” has been established many years ago for these needs in Muslim countries of the world and countries where Muslim minorities live, and whereas the necessary financial provisions can be obtained from those living in this country and those living in foreign countries, if this fund is established in Sri Lanka.

28.

P. 62/2025

Hon. Ruwanthilaka Jayakody,— Making Rail freight transport more efficient,— That this Parliament resolves that a proper methodology be formulated by the government for the transport of goods and fuel by train whenever possible whereas the main purpose of starting the railway service in Sri Lanka had been the transport of goods, and whereas the railway service has now deviated from that objective, and whereas rail freight is a less expensive method, and whereas its benefits are directly accrued to the people of the country.

29.

P. 63/2025

Hon. Ruwanthilaka Jayakody, — Minimizing the injustice caused to farmers in selling their agricultural produce,— That this Parliament resolves that the Government should take immediate measures to change the processes in which both the farmer and the consumer suffer injustices at the same time and to serve justice to the farmer and to the consumer whereas the farmers of this country experience grave injustices in selling their agricultural produce as the wholesale dealers as well as the retail sellers set a very low price for their produce and whereas the consumers have to pay very high prices in buying the said agricultural products.

30.

P. 64/2025

Hon. Ruwanthilaka Jayakody,— Designing a regulatory framework for pre-school education,— That this Parliament resolves that a unified system for regulating pre-school education in Sri Lanka, should be established through a single institution, recognizing that the pre-school education is of vital importance and a crucial factor among all the educational opportunities, currently available in the country.

31.

P. 65/2025

Hon. Ruwanthilaka Jayakody,— Facilitating the producers of export goods,— That this Parliament resolves that the necessary steps be taken to facilitate the young entrepreneurs involved in the export sector, who play a key role in generating foreign exchange, whereas producers of agricultural and other goods targeting exports lack adequate facilities, expertise, and access pathways for export market.

32.

P. 66/2025

Hon. Ruwanthilaka Jayakody,— Introduction of Literature as a subject in the Advanced Level Science, Commerce and Technology streams,— That this Parliament resolves that Literature should be introduced as an additional subject in the Advanced Level Science, Commerce and Technology streams in schools in Sri Lanka in order to enhance the skill of literary appreciation of the students pursuing such streams for Advanced Level.

33.

P. 67/2025

Hon. Ruwanthilaka Jayakody,— Provision of care to inpatients at hospitals,—That this Parliament resolves that the Government should formulate a system whereby patients receiving inpatient treatment at hospitals are provided care by caregivers employed by the hospital, whereas nursing officers in charge of the ward inform that a custodian should accompany a patient receiving inpatient treatment at a hospital day and night, and whereas, in the absence of such a custodian, private caregivers have to be hired on a fee-paying basis, and whereas such caregivers charge approximately Rs. 3,500 per day, which is unaffordable if the patient is required to stay in the hospital for several days.

34.

P. 68/2025

Hon. Ruwanthilaka Jayakody,— Granting permanent title deeds to permit holders of lands,— That this Parliament resolves that a proper system of granting permanent title deeds to the people of this country be developed whereas a significant number of the people only have permits or deeds such as Swarnabhoomi for their lands.

35.

P. 71/2025

Hon. Rajeevan Jeyachandramoorthy,— Establishment of a permanent Special Economic Zone in Jaffna and the Northern Province to create sustainable youth employment,—That this Parliament resolves that a permanent Special Economic Zone (SEZ) be established in Jaffna and the Northern Province, alongside other strategic locations nationwide, whereas the establishment of a permanent Special Economic Zone could stimulate economic growth, attract both local and foreign investment, and generate sustainable employment opportunities for the youth, and whereas by developing such zones, the government can promote industrial expansion, enhance skills development, and encourage entrepreneurship, thereby addressing unemployment and fostering the long-term socio-economic advancement of Jaffna and the Northern Province, and the country as a whole.

36.

P. 72/2025

Hon. Kanthasamy Prabu,— Promoting self-sufficiency in milk production,— That this Parliament resolves that a National Dairy Development Policy be implemented by the Government to achieve self-sufficiency in milk production, by improving breed access and veterinary services, expanding fodder cultivation, strengthening farmer training and infrastructure, providing incentives to dairy farmers, promoting public-private partnerships,

and encouraging research in dairy development, and a mechanism be devised for the relevant Ministries to coordinate with provincial councils and farmer groups, and the relevant Committee of Parliament to monitor implementation and recommend further action, whereas country currently relies on dairy imports, leading to significant foreign exchange loss, and farmers face issues such as limited access to good breeds, veterinary care, fodder, and infrastructure, and whereas addressing these challenges would enhance food security, create rural jobs, and reduce dependency on imports.

37.

P. 73/2025

Hon. Ravi Karunanayake,— Sri Lankans be afforded better opportunities for health,— That this Parliament resolves that all Sri Lankans be afforded better health opportunities means of which employees of the private sector must be provided with free facilities through Employees' Provident Fund and Employees' Trust Fund and in the case of Public Servants or non-employees, by the Government through the President's Fund with full cost, whereas majority of the population are subject to open heart surgeries.

38.

P. 74/2025

Hon. Chaminda Wijesiri,—Establishment of Bus Priority Lanes Expeditiously in the Morning and Late Afternoon Hours on Working Days of the Week in Main Towns,—This Parliament resolves that a bus priority lane system be implemented in the morning and late afternoon hours as a remedy for the severe road congestion that prevails in the morning and afternoon hours in major towns.

39.

P. 75/2025

Hon. Hector Appuhamy,— Renewal of the Bilateral Agreement of Driving Licenses between Italy and Sri Lanka,— That this Parliament resolves that steps should be taken to renew the bilateral agreement of driving licenses between Italy and Sri Lanka, as it provides great benefits to Sri Lankans.

40.

P. 76/2025

Hon. Ravindra Bandara,— Introduction of a Smart Grid and Smart Meters,— That this Parliament resolves that measures be taken to convert the national electricity grid into a Smart Grid and to introduce Smart Meters, in view of the fact that the electricity generated, particularly through rooftop solar panels, cannot currently be distinguished at the system control center, despite the importance of promoting solar energy as a renewable energy source.

41.

P. 77/2025

Hon. Ravindra Bandara,— Banning harmful artificial flavoring agents used to flavor food,— That this Parliament resolves that the use of harmful flavoring agents be banned after conducting a proper study through a recognized institution, since it is reported that artificial flavoring agents used in local restaurants and hotels to flavor food items such as rice, kottu and noodles contribute to various non-communicable diseases.

42.

P. 78/2025

Hon. M.S. Uthumalebbe, — Expanding the railway line from Batticaloa to Pottuvil or the railway line from Matara to Kalmunai,— That this Parliament resolves that steps should be taken to expand the railway line from Batticaloa to Pottuvil or the railway line from Matara to Kalmunai since a large number of people in the Batticaloa, Ampara and Moneragala Districts will benefit from the expansion of the railway line from Batticaloa to Pottuvil and the expansion of the railway line from Matara to Kalmunai.

43.

P. 79/2025

Hon. (Mrs.) Hiruni Wijesinghe, Attorney at Law,— Favourable control and suppression of the proliferation of common water hyacinth,— That this Parliament resolves that it is opportune that the government formulate relevant project proposals for a sustainable solution through the favorable control and suppression of the common water hyacinth plant, whereas it is an invasive plant known by its scientific name *Eichhornia crassipes* (Mart.) Solms, has encroached upon farmlands and wetlands exhibiting an accelerated propagation rate that displaces indigenous flora and destabilizes the ecological balance, whereas consequent sediment accumulation has impeded water transport courses and flow of water, exacerbated flood risks, degraded the quality of water needed for daily use and disrupted hydropower generation, whereas its suppression through the use of chemical herbicides poses a health risk to people using that water, and whereas the breeding of maggots and the spread of diseases such as filariasis and dengue occur in these areas.

44.

P. 80/2025

Hon. Imran Maharoof,— Establishment of a Commission to Investigate the Unilateral and Forced Cremation of the Remains of Deceased Muslims During the COVID-19 Pandemic,— That this Parliament resolves that a Commission be established to investigate the number of bodies of Muslims that were unilaterally and forcibly cremated contrary to the guidelines of the World Health Organization during the COVID-19 Pandemic, to investigate the names and addresses of the victims who were so cremated, to inquire into the background that led to the forced cremation of the said dead bodies, to assess the mental state of the relatives of the victims who were so cremated, and to investigate steps to be taken against politicians and government officials who acted contrary to the said guidelines in support of such cremations.

45.

P. 81/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Formulation of a system to stop the ripening of fruits using chemicals,— That this Parliament resolves that a formal system be developed to stop the practice of ripening fruits using chemicals, which is being carried out by unscrupulous businessmen with the aim of making profits while destroying the future of the country, whereas unripe fruits are artificially caused to ripen using chemicals and are

sold in the Sri Lankan fruit market instead of naturally ripened fruits, whereas imported fruits are also sold after being artificially ripened using chemicals, and whereas these fruits are mostly consumed by children.

46.

P.82/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Formulation of a methodology to consider the Key Performance Indicators as criteria for the appointment of heads of institutions,— That this Parliament resolves that a methodology be integrated to the public service to consider the Key Performance Indicator (KPI) of public sector officials as a criterion alongside their seniority when appointing heads of government ministries and departments, and that recommendations be obtained for the appointment of heads of institutions accordingly.

47.

P. 83/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Taking the Key Performance Indicator into consideration in assigning positions to the Members of Parliament and the Ministers,— That this Parliament resolves that the Key Performance Indicator (KPI) of the Members of Parliament and the Ministers be reviewed annually and a system for assigning positions to them be developed taking the said indicator into consideration.

48.

P. 84/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Safeguarding the independence of persons who have held positions commencing from the Chief Justice down to lower ranks in the judiciary when they are appointed to other positions, — That this Parliament resolves that persons who have held positions commencing from the Chief Justice down to the lower ranks in the judiciary, should not be appointed to positions in the public service, corporate boards, commissions, tribunals or the foreign service (such as ambassadors) for a period of at least three years from the date on which they ceased to hold those positions in order to protect their independence.

49.

P. 86/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Prohibition of political parties from crediting the salaries, allowances and vehicle permits, etc. of public representatives to their party funds,— That this Parliament resolves that the political parties shall not be permitted to credit the salaries, allowances and vehicle permits, etc. of public representatives to their party funds whereas the practice of political parties crediting the monthly salaries, allowances and vehicle permits, etc. of elected public representatives of their party, to party funds is detrimental to the independence of such representatives, and whereas such action poses a serious challenge to democracy.

50.

P. 87/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Establishment of a Rehabilitation Centre in each District for Drug Addicts,— That this Parliament resolves that at least one

rehabilitation centre be established in each district with all facilities, whereas a rapid increase in the number of users of drugs such as heroin is observed at present, whereas the fact that addicts are not limited to one area, but are spread throughout the country and are promoting the drug use has led to this increase, and whereas the fact that rehabilitation centers for drug addicts are found only in a few locations across the country poses a serious problem in controlling the growth of the number of drug users.

51.

P. 88/2025

Hon. Susantha Kumara Nawarathna,— Formulation of a National Policy and Methodology for the Wildlife Management in Sri Lanka,— That this Parliament resolves that a practical and modern policy and methodology be formulated and implemented, whereas Sri Lanka is internationally recognized as a country with high biodiversity, whereas due to deforestation, human encroachment, illegal wildlife trade, and escalating human-wildlife conflicts, both these wildlife as well as human lives are lost in large numbers annually, whereas the formulation of a National Wildlife Management Policy through new policies and plans is a sustainable development objective, and whereas this would result in protection of animal habitats, reduction of human-wildlife conflicts, and improvement of the economic status and social life of the farming communities.

52.

P. 89/2025

Hon. Susantha Kumara Nawarathna,— More productive use of agricultural lands in Sri Lanka,— That this Parliament resolves that lands be used in a more productive manner to increase agricultural production by 30% over the next few years, thereby increasing farmers' incomes, expanding commercial agriculture, and establishing a baseline database containing information on land type, crop suitability, water and cultivation by exploring all agricultural lands, with the goal of ensuring national food security and improving the living standards of farmers, whereas the agricultural sector is a prominent entity in Sri Lanka's economy, whereas only about 40% of agricultural lands are used in the production process annually, and the remaining lands are not used due to improper planning, lack of water resources, lack of technical knowledge and lack of innovation, and whereas a large amount of money is spent annually on importing food due to the low level of production.

53.

P. 90/2025

Hon. Rajeevan Jeyachandramoorthy,— Improving the sea transport facilities for residents of the offshore islands in the Jaffna District,— That this Parliament resolves that the Government should take immediate action to provide modern, safe, fast and reliable sea transportation for the residents of the offshore islands, particularly Neduntheevu, Nainatheevu, Eluvaithivu and Analaitivu in the Jaffna District, whereas the residents of these islands have been deprived of adequate sea transport facilities for several decades, whereas, as a result, they are compelled to spend several hours travelling by sea, whereas patients, pregnant women, the elderly, school staff and employees of non-governmental organisations face severe difficulties and risks while

undertaking these journeys, and whereas it is acknowledged that “The development of villages is the development of the Nation”.

54.

P. 91/2025

Hon. Rajeevan Jeyachandramoorthy,— Commencing the Talaimannar - Rameswaram ferry service,— That this Parliament resolves that the Government should take immediate actions to commence the Talaimannar-Rameswaram ferry service, whereas it would increase tourist arrivals particularly from India, and whereas it enables the public to travel to Tamil Nadu at a lower cost and purchase essential goods at affordable prices subject to the prevailing laws and regulations, thereby improving their livelihoods.

55.

P. 93/2025

Hon. Shanakiyan Rajaputhiran Rasamanickam,— Establishment of a special Development Fund dedicated to reduce regional disparities in development,— That this Parliament resolves that the Government of Sri Lanka should take steps to; establish a National Development Fund for lagging regions such as Northern Province, Eastern Province, Monaragala District, and Nuwara Eliya District, to mobilize contributions from government, bilateral and multilateral partners, private investors, and philanthropic donors, with a target size of USD 250 million over a 10+2 year programme tenure; deploy the Fund strategically to revive rural livelihoods through agriculture, fisheries, and cottage industries, to develop infrastructure for promoting employment and women's socio-economic empowerment, to activate idle assets and support SMEs and cooperatives, to invest in renewable energy and other commercially viable ventures, to initiate capacity building and educating women and youth; facilitate the establishment of a Technical Assistance Facility (TAF) to build local capacity, close viability gaps in investments, and ensure effective and transparent utilization of funds; ensure gender inclusivity across all investment areas, with measurable targets to promote women's participation in economic activities and decision-making; mandate relevant Ministries, Provincial Councils, and local authorities to coordinate with the Fund to ensure equitable regional coverage, accountability, and sustainability in project implementation, by considering the establishment of the Fund an urgent national measure towards inclusive growth, reconciliation, and sustainable development of Sri Lanka, whereas these lagging regions are continuing to face severe economic deprivation due to the effects of the protracted civil conflict and historical neglect over the past decades; whereas the present economic crisis has further aggravated these disparities, placing disproportionate burdens on the livelihoods of the people in these lagging regions; and whereas it is necessary to establish a dedicated national initiative to address these concerns, with the objective of promoting equitable growth, sustainable development, and gender empowerment in economically deprived areas.

56.

P. 94/2025

Hon. Hector Appuhamy,— Developing a programme to protect the mangrove ecosystem,— That this Parliament resolves that a programme should be developed to protect the mangrove ecosystem which is extremely important for environmental balance and the fishing industry.

57.

P. 95/2025

Hon. Nalin Bandara Jayamaha,— Regularization of the procedure for issuing permits for private buses,— That this Parliament resolves that an appropriate programme be developed to prevent corruption in the process of issuing permits for private buses carried out by the Provincial Road Passenger Transport Authority whereas the said procedure has become extremely corrupt.

58.

P. 97/2025

Hon. Ajith P. Perera,— Providing an incentive to family units to increase the number of births in Sri Lanka,— That this Parliament resolves that the government should take necessary measures to introduce an attractive incentive for family units with a view of increasing the number of births in Sri Lanka whereas it has been observed that the annual number of births in Sri Lanka has been continuously declining since 2018, whereas the youth population of Sri Lanka will definitely decline in the future as a result, and whereas such a decline in the youth population will have a severely detrimental impact on the economic development process of the country.

59.

P. 98/2025

Hon. Ajith P. Perera, — Promoting the 'Sooryabala Sangramaya' Project,— That this Parliament resolves that the 'Sooryabala Sangramaya' (Battle for Solar Energy) Project should be further promoted and protected as a method of reducing the price of a unit of electricity and a strategy of protecting the environment, whereas solar energy has been identified as a profitable and environmentally friendly energy source out of the energy sources in Sri Lanka, and whereas over 2000 MW of electricity generated from solar energy has been already added to the national grid under the 'Sooryabala Sangramaya' Project which was launched on 06.09.2016.

60.

P. 99/2025

Hon. Ajith P. Perera,— Promotion of the 'Kalutara Coastal Zone' as a Special Economic Zone,— That this Parliament resolves that the 'Kalutara Coastal Zone,' which includes the new land created due to the shifting of the Kalu River estuary and the Calido beach, should be promoted and developed as a Special Economic Zone, both for the purpose of developing a tourist zone based around the Kalutara town and as a strategy for the protection of the Kalu River estuary and the coast.

61.

P. 100/2025

Hon. Ajith P. Perera,— Expediting the Construction of the ‘Millaniya Export Processing Zone’,— That this Parliament resolves that the government should consider the construction of the ‘Millaniya Export Processing Zone’ a priority project and take the necessary steps accordingly, whereas a total of 240 acres of land have already been acquired for the construction of the said Export Processing Zone in the Kalutara district, whereas the government has already spent nearly one billion rupees to provide expressway access, piped water, and electricity for the project, and whereas the land selected for the Export Processing Zone has already been identified by the Board of Investment of Sri Lanka as suitable for the proposed project.

62.

P. 101/2025

Hon. Ajith P. Perera,— Promotion of Providing Secondary Education in English,— That this Parliament resolves that English medium education should be implemented in all secondary schools in Sri Lanka and that the government should prioritize adequate investment for the initiative, whereas ‘English’ has been recognized as the Link Language of Sri Lanka in terms of Article 18(3) of the Constitution, whereas ‘English’, as an international language, is a crucial means of acquiring knowledge for citizens, whereas it is essential for all Sri Lankans to achieve proficiency in English as the link language to live together in one country, regardless of linguistic or ethnic differences, whereas the system of providing secondary education in English within the Central College system of Sri Lanka which emerged under the concept of free education and in a number of other schools has been successful, and whereas education in English is extremely important for Sri Lankan citizens to access international employment opportunities.

63.

Hon. (Dr.) Harsha de Silva,— Protection of the Diyagama Forest,— That this Parliament resolves that, urgent action should be taken to immediately halt all clearance and development activities within the Diyagama Forest, to gazette it as a protected area under the Fauna and Flora Protection Act (FFPA), to place it under the jurisdiction of the Department of Wildlife Conservation, and to ensure the strongest possible legal protection against future encroachment and unsustainable development; whereas the Diyagama Forest is one of the last remaining urban lowland rainforest near Colombo and the closest rainforest fragment to the city; whereas it plays a vital role as a natural flood buffer by regulating water flow through its wetlands and streams that feed the Bolgoda River, thereby protecting surrounding communities from flooding; whereas this forest is home to over 220 species of flora and fauna, including endangered species such as the Red Slender Loris, Purple-faced Langur, and Fishing Cat; whereas it constitutes a critical biodiversity hotspot serving as a last refuge for approximately 12.6% endemic flora and 11.58% endemic fauna, many of which are increasingly threatened by urban expansion; whereas the Diyagama Forest is internationally recognized for its Loris population, attracting foreign visitors and presenting strong potential for sustainable eco-tourism; whereas the protection of this forest is essential for safeguarding biodiversity, climate resilience, and community safety; and whereas the loss of the Diyagama Forest would be irreversible, making its immediate conservation imperative for future generations and in fulfillment of Sri Lanka's national and international conservation commitments.
