AT THE COMMENCEMENT OF PUBLIC BUSINESS

Notice of Motions

The Leader of the House of Parliament,— Business of the Parliament,— That the proceedings on Item Nos. 1, 2, 3, 4 and 5 appearing on the Order Paper be exempted at this day's sitting from the provisions of Standing Order 24(2) of the Parliament.

NOTICE OF MOTIONS AND ORDERS OF THE DAY

1.

P. 108/2026

Hon. (Dr.) Harsha de Silva,— Protection of the Diyagama Forest,— That this Parliament resolves that, urgent action should be taken to immediately halt all clearance and development activities within the Diyagama Forest, to gazette it as a protected area under the Fauna and Flora Protection Act (FFPA), to place it under the jurisdiction of the Department of Wildlife Conservation, and to ensure the strongest possible legal protection against future encroachment and unsustainable development; whereas the Diyagama Forest is one of the last remaining urban lowland rainforest near Colombo and the closest rainforest fragment to the city; whereas it plays a vital role as a natural flood buffer by regulating water flow through its wetlands and streams that feed the Bolgoda River, thereby protecting surrounding communities from flooding; whereas this forest is home to over 220 species of flora and fauna, including endangered species such as the Red Slender Loris, Purple-faced Langur, and Fishing Cat; whereas it constitutes a critical biodiversity hotspot serving as a last refuge for approximately 12.6% endemic flora and 11.58% endemic fauna, many of which are increasingly threatened by urban expansion; whereas the Diyagama Forest is internationally recognized for its Loris population, attracting foreign visitors and presenting strong potential for sustainable eco-tourism; whereas the protection of this forest is essential for safeguarding biodiversity, climate resilience, and community safety; and whereas the loss of the Diyagama Forest would be irreversible, making its immediate conservation imperative for future generations and in fulfillment of Sri Lanka's national and international conservation commitments.

2.

P. 132/2026

Hon. Amirthanathan Adaikkalanathan,— Appointment of a Presidential Commission of Inquiry to seek the truth about the ethnic violence that occurred during the 'Black July' of 1983, to assess the damages and to make recommendations to prevent the recurrence of such ethnic violence,— That this Parliament resolves that a Presidential Commission of Inquiry should be appointed to seek the truth about the said violent acts, to assess the damages caused and to make recommendations to prevent the recurrence of such ethnic violence whereas the 'Black July' of 1983 and the massacres at the Welikada Prison, ethnic conflicts, and violent acts have left a severe scar on the national integration, social structure, and economy of the country; and whereas thousands of people were killed, tens of thousands were displaced and made refugees; and whereas valuable property including homes and

business places were set on fire and completely destroyed during the said conflicts and violent acts; and whereas the perpetrators of these conflicts and violent acts have not been identified despite the lapse of over forty years since this event took place; and whereas a comprehensive and independent investigation into the human rights violations and damages to property has not been conducted to date; and whereas it is essential to ensure that such ethnic conflicts and violent acts do not recur in this country and to build sustainable harmony and reconciliation among all communities of the country.

3.

P. 133/2026

Hon. Lasith Bhashana Gamage,— Formulation of a systematic methodology for the planting, scientific management, and maintenance of trees within road reserves,— That this Parliament resolves that, a systematic methodology be formulated to precisely determine the boundaries of road reserves in a manner that preserves environmental aesthetics, to maintain the tree canopy through the institutional training of relevant personnel, and to mitigate hazards and disasters through the proper management of trees within road reserves, whereas trees within the road reserves perform a vital function by providing shade to pedestrians, enhancing environmental aesthetics and green canopy cover, absorbing pollutant gases emitted by vehicles, and serving as bio corridors in urban areas, and whereas trees within the road reserves of Sri Lanka are not managed in a professional manner by arborists, and whereas an unsystematic practice is currently followed by employees of entities such as electricity service providers, the Road Development Authority (RDA), Provincial Road Development Authorities (PRDA), local authorities, and Sri Lanka Telecom, whereby branches of trees obstructing power lines and road signage are merely lopped and cleared.

4.

P. 52/2025

Hon. 16.

P. 36/2025

Hon. Ravi Karunanayake,— Enabling the Right to Vote,— That this Parliament resolves that every individual above the age of eighteen shall be allowed to vote as there is a greater number of registered voters that have been deprived of voting and if an individual does not vote after the name appears on the register they should be fined which helps to create a more participatory democratic process.

17.

P. 41/2025

Hon. Hesha Withanage Ankumbura Arachchi, Attorney at Law,— Preparation of a programme to amend the composition including the constitution of Sri Lanka Cricket,— That this Parliament resolves that the Government should take measures to amend the composition including the constitution of Sri Lanka Cricket as there has been a great

deal of discussion in society regarding the Sri Lanka Cricket at present, and the Sri Lanka Cricket has become an institution where irregularities are common due to the power of a certain group of societies in its elections and such situation needs to be prevented.

18.

P. 44/2025

Hizbullah,— Establishment of a fund called “Sri Lanka Baithulmal Fund”,— That this parliament resolves that Government should take the necessary steps to establish a fund to be called the “Sri Lanka Baithulmal Fund” under the Ministry of Muslim Religious and Cultural Affairs, whereas the Department of Muslim Religious and Cultural Affairs does not currently have a fund that is required in matters relating to education, culture, occupation and inter-ethnic cooperation and in matters related to livelihood of the Muslim community living in Sri Lanka, whereas a fund called “Baithulmal” has been established many years ago for these needs in Muslim countries of the world and countries where Muslim minorities live, and whereas the necessary financial provisions can be obtained from those living in this country and those living in foreign countries, if this fund is established in Sri Lanka.

25.

P. 62/2025

Hon. Ruwanthilaka Jayakody,— Making Rail freight transport more efficient,— That this Parliament resolves that a proper methodology be formulated by the government for the transport of goods and fuel by train whenever possible whereas the main purpose of starting the railway service in Sri Lanka had been the transport of goods, and whereas the railway service has now deviated from that objective, and whereas rail freight is a less expensive method, and whereas its benefits are directly accrued to the people of the country.

26.

P. 63/2025

Hon. Ruwanthilaka Jayakody, — Minimizing the injustice caused to farmers in selling their agricultural produce,— That this Parliament resolves that the Government should take immediate measures to change the processes in which both the farmer and the consumer suffer injustices at the same time and to serve justice to the farmer and to the consumer whereas the farmers of this country experience grave injustices in selling their agricultural produce as the wholesale dealers as well as the retail sellers set a very low price for their produce and whereas the consumers have to pay very high prices in buying the said agricultural products.

27.

P. 64/2025

Hon. Ruwanthilaka Jayakody,— Designing a regulatory framework for pre-school education,— That this Parliament resolves that a unified system for regulating pre-school education in Sri Lanka, should be established through a single institution, recognizing that the pre-school education is of vital importance and a crucial factor among all the educational opportunities, currently available in the country.

36.

P. 76/2025

Hon. Ravindra Bandara,— Introduction of a Smart Grid and Smart Meters,— That this Parliament resolves that measures be taken to convert the national electricity grid into a Smart Grid and to introduce Smart Meters, in view of the fact that the electricity generated, particularly through rooftop solar panels, cannot currently be distinguished at the system control center, despite the importance of promoting solar energy as a renewable energy source.

37.

P. 77/2025

Hon. Ravindra Bandara,— Banning harmful artificial flavoring agents used to flavor food,— That this Parliament resolves that the use of harmful flavoring agents be banned after conducting a proper study through a recognized institution, since it is reported that artificial flavoring agents used in local restaurants and hotels to flavor food items such as rice, kottu and noodles contribute to various non-communicable diseases.

38.

P. 79/2025

Hon. (Mrs.) Hiruni Wijesinghe, Attorney at Law,— Favourable control and suppression of the proliferation of common water hyacinth,— That this Parliament resolves that it is opportune that the government formulate relevant project proposals for a sustainable solution through the favorable control and suppression of the common water hyacinth plant, whereas it is an invasive plant known by its scientific name *Eichhornia crassipes* (Mart.) *Solms*, has encroached upon farmlands and wetlands exhibiting an accelerated propagation

rate that displaces indigenous flora and destabilizes the ecological balance, whereas consequent sediment accumulation has impeded water transport courses and flow of water, exacerbated flood risks, degraded the quality of water needed for daily use and disrupted hydropower generation, whereas its suppression through the use of chemical herbicides poses a health risk to people using that water, and whereas the breeding of maggots and the spread of diseases such as filariasis and dengue occur in these areas.

39.

P.82/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Formulation of a methodology to consider the Key Performance Indicators as criteria for the appointment of heads of institutions,— That this Parliament resolves that a methodology be integrated to the public service to consider the Key Performance Indicator (KPI) of public sector officials as a criterion alongside their seniority when appointing heads of government ministries and departments, and that recommendations be obtained for the appointment of heads of institutions accordingly.

40.

P. 83/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Taking the Key Performance Indicator into consideration in assigning positions to the Members of Parliament and the Ministers,— That this Parliament resolves that the Key Performance Indicator (KPI) of the Members of Parliament and the Ministers be reviewed annually and a system for assigning positions to them be developed taking the said indicator into consideration.

41.

P. 84/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Safeguarding the independence of persons who have held positions commencing from the Chief Justice down to lower ranks in the judiciary when they are appointed to other positions,— That this Parliament resolves that persons who have held positions commencing from the Chief Justice down to the lower ranks in the judiciary, should not be appointed to positions in the public service, corporate boards, commissions, tribunals or the foreign service (such as ambassadors) for a period of at least three years from the date on which they ceased to hold those positions in order to protect their independence.

42.

P. 86/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Prohibition of political parties from crediting the salaries, allowances and vehicle permits, etc. of public representatives to their party funds,— That this Parliament resolves that the political parties shall not be permitted to credit the salaries, allowances and vehicle permits, etc. of public representatives to their party funds whereas the practice of political parties crediting the monthly salaries, allowances and vehicle permits, etc. of elected public representatives of their party, to party funds is detrimental to the independence of such representatives, and whereas such action poses a serious challenge to democracy.

43.

P. 87/2025

Hon. Dayasiri Jayasekara, Attorney at Law,— Establishment of a Rehabilitation Centre in each District for Drug Addicts,— That this Parliament resolves that at least one rehabilitation centre be established in each district with all facilities, whereas a rapid increase in the number of users of drugs such as heroin is observed at present, whereas the fact that addicts are not limited to one area, but are spread throughout the country and are promoting the drug use has led to this increase, and whereas the fact that rehabilitation centers for drug addicts are found only in a few locations across the country poses a serious problem in controlling the growth of the number of drug users.

P. 89/2025

Hon. Susantha Kumara Nawarathna,— More productive use of agricultural lands in Sri Lanka,— That this Parliament resolves that lands be used in a more productive manner to increase agricultural production by 30% over the next few years, thereby increasing farmers' incomes, expanding commercial agriculture, and establishing a baseline database containing information on land type, crop suitability, water and cultivation by exploring all agricultural lands, with the goal of ensuring national food security and improving the living standards of farmers, whereas the agricultural sector is a prominent entity in Sri Lanka's economy, whereas only about 40% of agricultural lands are used in the production process annually, and the remaining lands are not used due to improper planning, lack of water resources, lack of technical knowledge and lack of innovation, and whereas a large amount of money is spent annually on importing food due to the low level of production.

45.

P. 90/2025

Hon. Rajeevan Jeyachandramoorthy,— Improving the sea transport facilities for residents of the offshore islands in the Jaffna District,— That this Parliament resolves that the Government should take immediate action to provide modern, safe, fast and reliable sea transportation for the residents of the offshore islands, particularly Neduntheevu, Nainatheevu, Eluvaithivu and Analaitivu in the Jaffna District, whereas the residents of these islands have been deprived of adequate sea transport facilities for several decades, whereas, as a result, they are compelled to spend several hours travelling by sea, whereas patients, pregnant women, the elderly, school staff and employees of non-governmental organisations face severe difficulties and risks while undertaking these journeys, and whereas it is acknowledged that "The development of villages is the development of the Nation".

46.

P. 91/2025

Hon. Rajeevan Jeyachandramoorthy,— Commencing the Talaimannar - Rameswaram ferry service,— That this Parliament resolves that the Government should take immediate actions to commence the Talaimannar-Rameswaram ferry service, whereas it would increase tourist arrivals particularly from India, and whereas it enables the public to travel to Tamil Nadu at a lower cost and purchase essential goods at affordable prices subject to the prevailing laws and regulations, thereby improving their livelihoods.

47.

P. 95/2025

Hon. Nalin Bandara Jayamaha,— Regularization of the procedure for issuing permits for private buses,— That this Parliament resolves that an appropriate programme be developed to prevent corruption in the process of issuing permits for private buses carried out by the Provincial Road Passenger Transport Authority whereas the said procedure has become extremely corrupt.

48.

P. 98/2025

Hon. Ajith P. Perera, — Promoting the 'Sooryabala Sangramaya' Project,— That this Parliament resolves that the 'Sooryabala Sangramaya' (Battle for Solar Energy) Project should be further promoted and protected as a method of reducing the price of a unit of electricity and a strategy of protecting the environment, whereas solar energy has been identified as a profitable and environmentally friendly energy source out of the energy sources in Sri Lanka, and whereas over 2000 MW of electricity generated from solar energy has been already added to the national grid under the 'Sooryabala Sangramaya' Project which was launched on 06.09.2016.

49.

P. 99/2025

Hon. Ajith P. Perera,— Promotion of the 'Kalutara Coastal Zone' as a Special Economic Zone,— That this Parliament resolves that the 'Kalutara Coastal Zone,' which includes the new land created due to the shifting of the Kalu River estuary and the Calido beach, should be promoted and developed as a Special Economic Zone, both for the purpose of developing a tourist zone based around the Kalutara town and as a strategy for the protection of the Kalu River estuary and the coast.

50.

P. 100/2025

Hon. Ajith P. Perera,— Expediting the Construction of the 'Millaniya Export Processing Zone',— That this Parliament resolves that the government should consider the construction of the 'Millaniya Export Processing Zone' a priority project and take the necessary steps accordingly, whereas a total of 240 acres of land have already been acquired for the construction of the said Export Processing Zone in the Kalutara district, whereas the government has already spent nearly one billion rupees to provide expressway access, piped water, and electricity for the project, and whereas the land selected for the Export Processing Zone has already been identified by the Board of Investment of Sri Lanka as suitable for the proposed project.

51.

P. 101/2025

Hon. Ajith P. Perera,— Promotion of Providing Secondary Education in English,— That this Parliament resolves that English medium education should be implemented in all secondary schools in Sri Lanka and that the government should prioritize adequate investment for the initiative, whereas 'English' has been recognized as the Link Language of Sri Lanka in terms of Article 18(3) of the Constitution, whereas 'English', as an international language, is a crucial means of acquiring knowledge for citizens, whereas it is essential for

all Sri Lankans to achieve proficiency in English as the link language to live together in one country, regardless of linguistic or ethnic differences, whereas the system of providing secondary education in English within the Central College system of Sri Lanka which emerged under the concept of free education and in a number of other schools has been successful, and whereas education in English is extremely important for Sri Lankan citizens to access international employment opportunities.

52.

P. 102/2025

Hon. Ravindra Bandara,— Establishment of a Faculty of Engineering for Uva Wellassa University,— That this Parliament resolves that an Engineering Faculty be established for Uva Wellassa University, taking into account the growing needs of the construction, mechanical, industrial, and information technology sectors in Sri Lanka, as well as global requirements, whereas considering that Uva Wellassa University is an institution that supplies graduates with modern technical skills who fulfill the requirements of both the domestic and foreign job markets.

53.

P. 103/2025

Hon. Rohana Bandara,— Designing a programme to improve swimming skills,— That this Parliament resolves that a programme be established to promote the exceptional swimming skills possessed by our ancestors, who developed a highly advanced irrigation civilization, among the current generation whereas the number of individuals drowning in water has been observed to be steadily increasing in recent times.

54.

P. 109/2026

Hon. Dayasiri Jayasekara, Attorney at Law,— Establishment of a Truth Commission,— That this Parliament resolves that a Truth Commission be established to strengthen the process of investigating the loss of life, disappearances, and other destruction caused by the war in the North and East which spanned over twenty-six years, and to identify the future steps that can be taken toward establishing national unity.

55.

P. 110/2026

Hon. Dayasiri Jayasekara, Attorney at Law,— Introducing a legal mechanism to restrict the use of social media for children under the age of 15,— That this Parliament resolves that steps be taken to introduce a legal mechanism to restrict the use of social media for children under the age of 15, whereas issues such as increased mental pressure and stress, decline in educational performance, cyberbullying, and exposure to indecent and unsafe content among children are rising due to excessive social media use; and whereas developed countries such as Australia, France, and Denmark have already introduced laws to restrict social media use for children; and whereas it is necessary to protect the mental health, safety, and educational development of children by implementing measures such as setting the minimum age for opening social media accounts at 15 years, making age verification methods mandatory for social media companies, imposing fines and taking legal action against entities that violate the law, and taking appropriate measures regarding children who access social media using the accounts of adults.

56.

P. 112/2026

Hon. Shanakiyan Rajaputhiran Rasamanickam,— Repeal of the Prevention of Terrorism Act,— That this Parliament resolves that, the Government of Sri Lanka should take immediate steps to repeal the Prevention of Terrorism Act, No. 48 of 1979 (PTA) in its entirety, without introducing any replacement legislation containing similar provisions, whereas the PTA has been used for over 40 years to enable prolonged arbitrary detention, to extract false confessions through torture, and to target minority communities and civil society groups and whereas a state of emergency may be declared when absolutely necessary, and terrorism-related offences are already prosecutable under the Penal Code, and whereas there is no justification for a permanent counter-terrorism law with sweeping powers.

57.

P. 114/2026

Hon. Ravi Karunanayake,— Protection of the World Environment,— That this Parliament resolves that, Sri Lanka must pay more attention to the protection of the world environment and specially take action to prevent global warming.

58.

P. 115/2026

Hon. Ravi Karunanayake,— Repayment of funds of the depositors who are duped,— That this Parliament resolves that, the government must take steps to pay the depositors who have been duped with the funds that have been deposited in registered finance companies, and the Central Bank of Sri Lanka who is the custodian of these companies should be diligent, whereas there are many depositors who have been duped with the funds that have been deposited in these companies.

59.

P. 116/2026

Hon. Chaminda Wijesiri,— Formulation of a programme to reduce the congestion in the Out-patient Departments of the government hospital system,— That this Parliament resolves that, irrespective of our country's position on the World Health Index, a programme should be formulated to control the severe congestion prevailing in the Out-patient Departments of government hospitals.

60.

P. 117/2026

Hon. Nalin Bandara Jayamaha,— Formulating a programme to promote apiculture (beekeeping) in areas where human-elephant conflict is prevalent,— That this Parliament resolves that a pilot project, modelled on successful initiatives implemented in countries such as Kenya, be established for the promotion of apiculture (beekeeping) as a measure to mitigate human-elephant conflict in affected areas, whereas statistical reports indicate that Sri Lanka is among the countries most severely affected by human-elephant conflict, whereas such conflict results in the substantial loss of both human and elephant lives annually, and whereas it causes significant destruction to physical resources, including property.

61.

P.119/2026

Hon. Rajeevan Jeyachandramoorthy,— Establishment of proper accommodation facilities or housing schemes for the benefit of teachers and public officers belonging to the Jaffna District who are serving in other districts of the Northern Province,— That this Parliament resolves that, in order to provide a permanent solution to the transport and accommodation difficulties faced by public officers and teachers, who belong to the Jaffna District and serve under challenging conditions in the districts of Kilinochchi, Mullaitivu, Mannar and Vavuniya, and to ensure the efficient delivery of their services, the Government should implement proper accommodation facilities or housing schemes equipped with all necessary amenities at central or otherwise suitable locations in the respective districts.

62.

P.120/2026

Hon. Rajeevan Jeyachandramoorthy,— Establishment of an Ocean University in the Mullaitivu District for the efficient utilization of marine resources and the enhancement of marine-related industries in Sri Lanka,— That this Parliament resolves that a fully-fledged Ocean University with all necessary facilities be established in the Mullaitivu District in order to modernize the livelihoods of the fishing community in the Mullaitivu District, which possesses high marine potential in the Northern Province, and to provide higher education opportunities for youth in the fields of marine engineering, oceanography, and aquatic resource management, whereas the economy of the country can be strengthened through the development of the human resources required for the scientific and technical management of the deep-sea and coastal marine resources surrounding Sri Lanka.

63.

P.121/2026

Hon. Rajeevan Jeyachandramoorthy,— Expansion of seawater desalination plants as a permanent solution to the severe scarcity of drinking water in island areas and coastal villages in the Jaffna District,— That this Parliament resolves that the Government should give priority to the expansion of seawater desalination plants by increasing the capacity of existing desalination facilities in areas such as Nagadeepaya and by expediting the water supply project for distribution of water through pipelines across Kurikadduvan, in order to ensure the provision of safe drinking water, which is a basic human necessity, to the people residing in these areas, whereas groundwater sources in many parts of the Jaffna District are becoming brackish, and whereas the residents of islands such as Velanai and Nagadeepaya continue to face severe difficulties in accessing drinking water.

64.

P. 122/2026

Hon. Rajeevan Jeyachandramoorthy, — Establishment of a special task force for the control of the rapidly spreading drug menace among the youth in the Northern Province and establishment of fully fledged rehabilitation centres,— That this Parliament resolves that, the government should take steps to establish a Special Task Force to

increase special raids in coordination with the security forces to suppress the drug distribution network, and to establish fully fledged government rehabilitation and counselling centres within the Northern Province to rehabilitate the youth who have fallen victim to drugs, whereas the recently escalating drug trafficking and drug menace in the Northern Province is causing the breakdown of the social fabric and adversely affecting the future of schoolchildren.

65.

P.123/2026

Hon. Rajeevan Jeyachandramoorthy,— Creating employment opportunities for unemployed graduates by establishing export-oriented industries based on palmyrah and coconut in the Northern Province,— That this Parliament resolves that the Government should formulate plans to establish export-oriented industries at district level with the participation of Government and private sector to manufacture value-added products utilizing modern technology from palmyrah and coconut which are abundant in the Northern Province rather than using them merely as raw materials; thereby securing the livelihoods of unemployed youth and graduates in those areas.

66.

P. 124/2026

Hon. Rajeevan Jeyachandramoorthy,— Release of public lands held by the security forces in the Northern Province and granting permission to use those lands for agricultural and fishing activities,— That this Parliament resolves that the Government should take steps to expeditiously release the remaining unreleased public lands in a manner that does not pose a threat to national security, and to grant permission to utilize those lands for agricultural and fishing activities in order to restore the livelihoods of the public, whereas the lands of the people have not been completely released thus far during the post-war resettlement process, and whereas they have lost the opportunities to engage in their traditional agricultural activities and the fishing industry.

67.

P. 128/2026

Hon. Rajeevan Jeyachandramoorthy,— Providing solutions to the shortage of teachers and to the issues relating to digital education in schools in the Vanni and island areas of Jaffna in the Northern Province,— That this Parliament resolves that steps be taken to fill the teacher vacancies existing for the subjects of Mathematics, Science and English in schools in the Vanni and island areas of Jaffna by making recruitments at district level, to provide modern computer laboratories and proper internet facilities to develop the information technology literacy of the students in those areas, and to implement special scholarship schemes to provide additional educational opportunities to students from families below the poverty line.

68.

P. 129/2026

Hon. T.K. Jayasundara,— Promotion of Traditional Industries in Sri Lanka,— That this Parliament resolves that, in view of the significant contribution that traditional industries utilizing the stems, pseudo-stems and leaves of plants such as bamboo, cane, reed and palm can make to the industrial and tourism sectors of Sri Lanka, and in line with the current

revival of those sectors, the government should take steps to establish an appropriate institutional mechanism to provide the necessary technical assistance for the promotion of such traditional industries, expand markets for their products, grant official recognition to such industries, promote the cultivation of the raw materials required for the development of large-scale industries, encourage entrepreneurs to engage in such industries, ensure greater value for the labour and skills of the artisans engaged therein, and formulate a programme to safeguard their lives on retirement.

69.

P. 130/2026

Hon. Chithral Fernando, Attorney at Law,— Formulation of a programme to increase train services on the Puttalam Railway Line,— That this Parliament resolves that, in view of the increase in fuel prices consequent to the prevailing situation in the Middle East region, and the growing reliance on public transportation among the large number of commuters traveling daily on the Puttalam railway line for employment and business purposes, a programme be formulated to increase train services between Puttalam and Colombo to provide an adequate service to the passenger community.

70.

P. 131/2026

Hon. Dayasiri Jayasekara, Attorney-at-Law,— Implementation of a programme to install Solar Charging Points in public places and state institutions,— That this Parliament resolves that a programme be implemented to install Solar Charging Points in public places and within the premises of state institutions, in order to provide relief to users of electric motorcycles and vehicles, and to facilitate the charging of batteries for those traveling long distances by electric motorcycles and vehicles, whereas the use of fully electric motorcycles and vehicles has now become popular among the public, and whereas it represents a crucial step towards minimizing environmental pollution, and whereas it serves as a solution to current high fuel consumption as well as a reasonable remedy for the high fuel costs, and whereas electricity consumption is likely to increase due to the usage of electric motorcycles and vehicles, and whereas citizens using these vehicles face a high likelihood of experiencing severe hardship in the event of power outages.

71.

P. 134/2026

Hon. Dayasiri Jayasekara, Attorney-at-Law,— Establishment of a Commission to study the civil insurrection that occurred during the period 1988/90 and the measures to be taken to prevent the recurrence of such a situation,—That this Parliament resolves that a Commission should be established to undertake a comprehensive study of the economic value of the destruction caused during the civil insurrection centred around the Janatha Vimukthi Peramuna that occurred in Sri Lanka during the period 1988/90, the youth uprising underlying the events that gave rise to such a situation, the political ideologies associated therewith, and the measures to be taken to prevent the recurrence of such a situation.

2356/2026

Hon. Mayilvaganam Jegatheeswaran,— To ask the Minister of Environment,— (1)

- (a) Will he inform this House —
 - (i) whether the Ministry has information regarding the coastal areas and villages that have been/are being subjected to coastal erosion in the Mannar and Mullaitivu districts; and
 - (ii) if so, of the areas, the number of families and individuals, the number of fishing families and the houses, that have been affected, as well as the damage caused to public infrastructure including lands and fishing harbours in each of the aforesaid districts, separately, with a breakdown by Divisional Secretariat Divisions, and Grama Niladhari Divisions?

(30)

(b) Will he state whether —

- (i) the areas that are highly susceptible to future coastal erosion in the above districts have been scientifically identified;
- (ii) coastal protection walls have been constructed and coastal conservation, natural protection, or other projects have been implemented to prevent erosion in the aforesaid areas; and
- (iii) officials or coordinating committees have been appointed to provide prompt solutions to the complaints made by affected people?

(c) If not, why?
