P.82/2021

Hon. (Dr.) Kavinda Heshan Jayawardena,— Acquiring the Batticaloa Campus (Pvt) Limited, which has been established in the Eastern Province and to be declared open shortly, to the government,— That this Parliament resolves the Batticaloa Campus (Pvt) Limited should be acquired by the government and it should take measures to provide opportunity for children belonging to all ethnicities and follow different religions to pursue their higher education as this institution has not obtained approval from the University of Grants Commission whereas courses related to Sharia law can produce extremists while establishing universities dedicated to a certain ethnicity or religion can pave the way for separatism and in its final report the Sectoral Oversight Committee on Education and Human Resource Development has also recommended that this illegal institution should be acquired by the government and expedited legal measures should be taken against all persons who are guilty.

P.83/2021

Hon. Mayantha Dissanayaka,— Preventing human-elephant conflict and damages being caused to crops by wild elephants in the Mahiyanganaya electorate of Badulla district,— That this Parliament resolves the government should take measures to provide a permanent solution to the human-elephant conflict or to set up an electric fence as crops cultivated by farmers amidst various difficulties are being destroyed from the invasions of wild elephants experienced in several Mahaweli villages including Agalaoya, Millannawa, Viranagama situated in Mahiyanganaya electorate of Badulla district and due to unfortunate loss of lives.

P.84/2021

Hon. Mayantha Dissanayake,— Providing Dhamma School Education to all the Children,— That this Parliament resolves that an appropriate programme be implemented by the government to make the Dhamma school education compulsory by discontinuing tuition classes on the days on which the Dhamma schools are held, since there is a probability for the emergence of a society which is full of misconducts and crimes, instead of a civilized society due to not directing children to Dhamma school education, to provide physical resources to the Dhamma Schools in the remote areas and to ensure the welfare of the Dhamma School teachers.

P. 85/2021

Hon. Mayantha Dissanayake,— Protection of the living standards of the employees in jobs related to three wheelers and motor bikes,— That this Parliament resolves that a proper methodology be formed by the government expeditiously to ensure safe living standards and job security of the self –employees who are employed in direct and indirect jobs related to three wheelers and motor bikes in Sri Lanka, considering the immense difficulties encountered by them owing to the high interest rates charged for the concessionary loans which were granted to them due to the Covid - 19 pandemic situation.

P. 86/2021

Hon. Rohana Dissanayake,— Establishing a Centre for Buying and Selling Vegetables,— That this Parliament resolves that the government should take steps to get the land situated on the right after Yelakkaraya Junction along the Matale – Kurunegala Road, which is situated in the Yatawatta Divisional Secretariat Division, acquired by the Urban Development Authority and a centre for collecting and selling vegetables should be started there as Yatawatta Divisional Secretariat Division is an agricultural area in which tomato and vegetables are widely cultivated and as no proper arrangement is in place yet to collect the produce and sell it wholesale.

P. 87/2021

Hon. Rohana Dissanayake,— Eliminating the Human–Elephant conflict,— That this Parliament resolves that, as Matale District, too, is a district where the lives of wild elephants and lives and property of people are damaged due to the human-elephant conflict, and as this issue has not been resolved despite the construction of electric fences as a solution, the government should make arrangements to separate the areas that are specifically identified as wildlife parks and to catch all the wild elephants and to release them to those parks, to construct embankments instead of electric fences around those parks and to construct roads, plant trees and construct tourist centres on those embankments, to remove the electric fences constructed in other areas of the country, and to build tanks in the aforesaid parks and to supply irrigation water to those tanks.

P.88/2021

Hon. Rohana Dissanayake,— Preventing the release of cattle to lands coming under the Department of Forest Conservation and Department of Wildlife,— That this Parliament resolves that, whereas many issues have erupted between the farmers and the Wildlife officers due to the release of cattle to the reserved lands belonging to the Department of Wildlife and the Department of Forest Conservation, and whereas there is a possibility to induce these farmers who are constantly affected by the issue of wild elephants, towards cattle farming by allocating a separate section of these lands without removing the bigger trees which are remaining there and by providing irrigation water to the farmers, having constructed tanks in these allocated lands, and whereas there is no negative impact on the eco system out of this move, and whereas there is a possibility of preventing the annual outflow of a substantial amount of wealth to foreign countries as a result of promoting the local dairy production, steps be expeditiously implemented by the government to acquire a substantial economic progress in the country through the dairy production.

P. 89/2021

Hon. Rohana Dissanayake,— Avoidance of the damages caused by monkeys,—That this Parliament resolves that a proper programme be formed and implemented by the government swiftly to release monkeys to islands in the middle of the reservoirs like Moragahakanda and to islands in the coastal line, to name such locations as Money parks, to sterilize and release the monkeys who are caught, to formulate a programme through the Environmental Organizations to provide the vegetables and fruits removed from the economic centres such as Dambulla and Manning markets to the aforesaid Monkey Parks, and to formulate an appropriate programme to enable these locations to be visited by visitors and to utilize the funds raised thus for the maintenance purposes of the parks, as a solution to the national requirement of preventing the harmful impacts caused by the stray monkeys such as destroying the vegetable, fruit and coconut cultivations, destroying houses and property, destroying the nests and burrows of animals including squirrels and parrots and eating eggs, eating the tender leaves of cultivations like bread fruit leading to a decline in the harvest.
