NOTICE OF MOTIONS AND ORDERS OF THE DAY

P.1/2024

Hon. Buddhika Pathirana,— Minimizing the damage caused to bio-diversity by invasive plants and animals,— That this Parliament resolves that the Government should make interventions to identify and name the invasive plants and animals that can cause damage to bio-diversity in Sri Lanka and to prohibit breeding and importing of such plants and animals in order to protect the environment in Sri Lanka and that appropriate action should be taken promptly to formulate necessary laws in that regard.

P.2/2024

Hon. Buddhika Pathirana,— Formulating the research theses of the students of universities and other tertiary education institutions with a focus on the development work undertaken by the relevant ministries,— That this Parliament resolves that a formal procedure be formulated by the government to make use of the research theses

(3)

written by the students of the universities and the other tertiary education institutions to achieve the long-term, medium-term and short-term objectives of the relevant ministries when the future development processes are undertaken as it is of utmost importance to draft the research theses of the students of universities and other tertiary education institutions functioning in Sri Lanka at present related to their courses of study, with a focus on the economic, social and cultural developments in Sri Lanka, and whereas an officer responsible for each ministry at ministry level is required to be appointed to coordinate between the thesis supervisor and the ministry concerned.

P.3/2024

Hon. Buddhika Pathirana,— Taking the initiative to protect the Buddhist places of worship worldwide,— That this Parliament resolves that an appropriate programme be formulated by the government enabling Sri Lanka to initiate advocating the Buddhist leaders and organizations around the world with a view to establishing a strong organization to tighten the security of the Buddhist temples worshipped by the Buddhists living around the world to lobby on behalf of Buddhists at the international level.

P.4/2024

Hon. Buddhika Pathirana,— Expanding the Maintenance Boards for Elders island wide,— That this Parliament resolves that the necessary steps be taken by the government enabling the expansion of Maintenance Boards for Elders functioning under the National Council and Secretariat for Elders of the Ministry of Health to the provincial, district and divisional secretariat levels with the objective of facilitating the elders, who spend the last stage of life, to lodge complaints regarding various injustices faced by them due to the discrimination caused by their family members and certain organizations.

P.5/2024

Hon. Buddhika Pathirana,— Combining the knowledge on Sri Lankan food culture with the teaching process,— That this Parliament resolves that an appropriate programme be implemented by the government to make the food culture of Sri Lanka known among local and foreign people and elevate the Sri Lankan identity by endowing the future generations with the Sri Lanka food culture pedagogy through pedagogical methodologies as food art of Sri Lanka is comprised of a number aspects including the art of flavors and mixation, art of cooking food, art of coloring and the art of food carving.

P.6/2024

Hon. Buddhika Pathirana,— Suppressing the drug rackets carried out through online marketing,— That this Parliament resolves that a proper programme be formulated and implemented by the government whereas substandard pharmaceuticals, medical equipment and beauty culture products are hugely sold online at present and this makes a huge threat to the safety of the lives of the people of our country.

P.7/2024

Hon. Buddhika Pathirana,— Making the society aware of the value of school children,— That this Parliament resolves that a national level programme be formulated and implemented by the government in regard to the manner in which children should be protected in the face of social challenges for the future betterment of the society and the country, having explained the value of children in a simple manner through sociological and psychological methodologies to the persons such as parents, teachers, sports coaches, school van drivers that always associate with school children.

P.8/2024

Hon. Buddhika Pathirana,— Strengthening the economy of elderly communities through a loan scheme,— That this Parliament resolves that the government should make a suitable arrangement to implement a loan scheme through the banking system for those who are above 60 years of age, whereas the contribution of the elderly community over 60 years can be obtained to enhance the development in the entire Sri Lankan economy by strengthening their livelihood, and whereas they are discriminated against in the society as that elderly community is not granted loan facilities through the banking system.

P.9/2024

Hon. Buddhika Pathirana,— Launching a book on the history of Sri Lanka,— That this Parliament resolves that suitable steps be taken by the government to launch a book on the history of Sri Lanka on the sponsorship of the government under a proficient board of editors upon studying archeology, literature, folklore and Roman, Greek and Persian history from the human evolution.

P.10/2024

Hon. Hesha Withanage,— The need for preventing religious extremism,— That this Parliament resolves that the government should prepare an expeditious program to prevent the attempts made to surface and promote religious extremism and to rehabilitate those who have already become victims of it, since having extremist views in any field in any country can be immensely harmful, whereas there has been a serious discourse in society regarding religious extremism following the Easter Sunday attack taken place.

P.11/2024

Hon. Hesha Withanage,— Continuing the construction work of Ruwanpura Expressway,— That this Parliament resolves that the government should take necessary measures to carry out the construction work of Ruwanpura Expressway continuously at least in phases since not only the people living in Ratnapura district but also in Badulla and Hambanthota districts will be benefitted from the construction of the Expressway as it would help gain immense benefits despite the economic difficulties the country is currently experiencing.

P.12/2024

Hon. Hesha Withanage,— Extending the Kelani Valley railway line up to Ratnapura,— That this Parliament resolves that the government should take measures to extend the Kelani Valley railway line up to Ratnapura since it is considered as one of the railway lines that generate a higher income for the Sri Lanka Railways Department, whereas people living in a number of districts, including Ratnapura, Hambanthota and Badulla will be benefitted from extending the Kelani Valley railway line up to Ratnapura.

P.13/2024

Hon. Hesha Withanage,— Uplifting the collapsed financial institutions,— That this Parliament resolves that a programme be formulated by the Government with immediate effect to uplift the financial institutions of the country, whereas several such institutions have collapsed throughout the past period and whereas the depositors of the said institutions encounter a number of common issues in spite of the fact that a significant impact is made by these financial institutions towards the economic development and on the financial market of a country.

P.14/2024

Hon. Hesha Withanage,— Increase of the local canned fish production,— That this Parliament resolves that action be taken by the Government to initiate a programme with immediate effect to develop the local canned fish industry, whereas a substantial amount of money is annually spent on the importation of canned fish required by the country amidst Sri Lanka being a country surrounded by the sea.

P.15/2024

Hon. Hesha Withanage,— Repairing the disposable vehicles in Local Authorities,— That this Parliament resolves that the Government should prepare an accelerated programme to repair the disposable vehicles that are piled up in Local Authorities, which is a common scene, whereas a large amount of money can be saved by repairing those vehicles without purchasing new vehicles.

P.16/2024

Hon. Hesha Withanage,— Ensuring welfare for migrant workers,— That this Parliament resolves that steps be taken expeditiously to launch a programme ensuring welfare for the families of migrant workers who contribute most of the foreign exchange to Sri Lanka.

P.17/2024

Hon. Hesha Withanage,— Developing the bee honey industry,— That this Parliament resolves that an expedited programme should be implemented by the government to develop the local bee honey industry as bee honey is of very high medicinal value and in great demand in the local and international market.

P.18/2024

Hon. Dullas Alahapperuma,— Filling all public sector job vacancies on the basis of Z-score obtained by students in the G.C.E (Advance Level) Examination,— That this Parliament resolves that the Government should take necessary measures to take into account the Z-score obtained in the G.C.E (Advance Level) Examination by the

students when filling vacancies at all government departments, corporations, authorities, boards and provincial councils affiliated institutions, whereas the policies adopted by the former and existing governments in recruitment to the public service on the basis of political allegiance or preferences have seriously damaged the independence of the public service, and due to the fact that it is necessary to make the highly politicized public service completely independent, as giving jobs only on the basis of educational qualification will ensure justice and fairness to the talented and qualified youth, and eradicate youth unrest, and as the vacancies arising in the district would be given to the residents of the respective district will assure the economic security of the employees and create the opportunity to get a highly efficient service to the public sector.

P.19/2024

Hon. Dullas Alahapperuma,— Compilation of the Constitution of Sri Lanka in “Braille” and “Audio” mode,— That this Parliament resolves that necessary actions be taken by the Government to compile the Constitution of Sri Lanka in “Braille” and “Audio” mode for hearing and visually impaired community to gain knowledge and understanding of the fundamental law of the country, whereas the Constitution is the fundamental law and the basic model of the state in any country, whereas almost two million citizens out of nearly twenty two million Sri Lankan citizens are from the disabled community, and whereas almost six hundred thousand citizens from among the disabled community are hearing and visually impaired citizens as well .

P.20/2024

Hon. Dullas Alahapperuma,— Computing the Z-score, the index used to select the university admissions on National Merits and School Basis at 50% each,— That this Parliament resolves that steps be taken by the government to categorize all three thousand forty two schools (3042) within the school system in which A/L stream is available computing the Z-score for university entrance admissions based on National Merits and school basis distinctively at 50% each in place of the district and remote district basis, whereas the number of university admissions eligible for all faculties except for art faculties among the students who have passed the A/L examination is based on the Z-score as the accepted index, accordingly, whereas 40% of the Z-score is based on national merits, 55% is based on district basis and 5% is based on the remote district basis and whereas it is unfair and unjustifiable to consider or substitute the same cut-off mark for all schools in each district.

P.21/2024

Hon. Dullas Alahapperuma,— Mentioning only the initials of the family name along with the first name or the National Identity Card number when calling out the name of a person publicly,— That this Parliament resolves that the government should take necessary measures to mention only the initials of the family name along with the first name or the National Identity Card number when calling out the name of a person

publicly abolishing the law, the custom or the tradition that is rejected by the present generation and which cannot be applicable to the modern world whereas many persons are left embarrassed when their first names are called out loud along with the family name during a court hearing or when a voter is asked to cast the vote during an election or when an undergraduate's name is announced during a convocation whereas in the Sri Lankan society family names are mainly based on the duties vested to each person in the feudal society and the positions their ancestors had served the king therefore indicating the caste relevant to each profession.

P.22/2024

Hon. Dullas Alahapperuma,— Converting all Colleges of Education in Sri Lanka into University Faculties,— That this Parliament resolves that necessary action be taken by the Government to enforce the Cabinet decision regarding which the proposal was presented and approval obtained by me on 13th February 2020 as the Minister of Education to convert the currently functioning nineteen Colleges of Education into University Faculties to be suitable for awarding a four-year degree course with a three-year theoretical course and one-year school-based training, whereas it is necessary to make all the teachers in the school system into trained graduate teachers by the year 2023 in order to upgrade the education in Sri Lanka to the advanced international level, and whereas the majority of teachers are currently awarded a higher diploma at the end of a three-year theoretical and practical course.

P.23/2024

Hon. Dullas Alahapperuma,— Giving at least 5% representation to citizens with disabilities in the election of representatives to all public representative bodies,— That this Parliament resolves that the Government should amend the relevant Acts and Laws so that citizens with disabilities have at least 5% representation in the preparation of nominations for electing representatives to all public representative bodies, whereas the disabled community in this country has exceeded 8% of the total population as per the last census conducted in Sri Lanka, whereas the space is very little for the disabled community to be elected to public representative bodies from the local government where the rural administration takes place to the Parliament where national policies are formulated and whereas the policies related to the disabled citizens of this country have not been made and are not made in accordance with the concepts of developed countries.

P. 24/2024

Hon. Dullas Alahapperuma,— Providing opportunities for sportsmen and sportswomen who represent a national sports team or claim a national level record to read for any degree course related to the field of sports,— That this Parliament resolves that the government should prepare the necessary legal and higher educational structure for sportsmen and sportswomen who represent any national sports team in Sri Lanka or claim a national level record to pursue any degree course related to the field of sports, not based on their basic educational qualification or the Z-score.

P.25/2024

Hon. Dullas Alahapperuma,— Speedy implementation of the Nilwala River Development Project,— That this Parliament resolves that the government should implement speedily the preliminary plans of the Nilwala river development project with a focus on diverting the Uruboku Oya and Kirama Ara to Hambantota district in the arid zone, creating the Batuwita reservoir, Athuraliya reservoir, Kadawedduwa reservoir and Dediyaigala reservoir of the lower basin and reconstructing the abandoned bunds after making fresh studies on the safe zone and unsafe zone, all of which have a direct bearing on the districts of Matara and Hambantota, and whereas the daily lives and the economy of the people living in the Matara district and the Nilwala basin are faced with a severe crisis owing to the failure of the completion of the Nilwala River Development Scheme which was initiated in the 1980's.

P.30/2024

Hon. Velu Kumar,— Developing sports in estate sector,— That this Parliament resolves that a Sports development program should be launched in order to get the youth contribution of the estate sector for the sports development of the country, as they have displayed their skills locally and internationally, and they do not have any sports facilities in their estate schools as well as the estate areas where they live.

P.31/2024

Hon. Velu kumar,— Developing cricket in up country estate areas,— That this Parliament resolves that a special program should be implemented to provide necessary training facilities to the areas whether many talented players are residing, in order to get the contribution of the talented cricket players in estate areas, as Sri Lanka is a country which had earned international recognition in Cricket and the performance of the Sri Lankan Cricket team was very unsatisfactory in the recent past.

P.32/2024

Hon. Velu Kumar,— Improvement of Traditional Arts of Up Country People into a Commercial Activity,— That this Parliament resolves that the government should establish a suitable centre in order to facilitate the protection of Traditional Arts and improve them as commercial activity as up country people of Indian Origin of Estate Sector is a community representing Sri Lanka, and Traditional arts such as Nadagam, Kohombakale dance, kavadi dance and traditional stick dance are seen within this community.

P.33/2024

Hon. Velu Kumar,— Setting up a Standard and a Regulatory System for Child Day Care Centers,— That this Parliament resolves that the government should take appropriate steps to set up a proper standard and a regulatory system with regard to Day Care Centers for the safety and the welfare of the children who decide the future of the country, as private parties run Day Care Centers in different areas of the country and no proper standard, methodology and a regulatory system in regard to such centers that are run by estate Companies.

P.34/2024

Hon. Velu Kumar,— Improving the process of forest cultivation in the Central Province,— That this Parliament resolves that the Government should initiate necessary measures to stop cultivating the pine trees completely and launch the natural afforestation system as an alternative whereas most of the water catchment areas in Sri Lanka are located in the central hills, especially in the Kandy and Matale districts have severely been affected by pine cultivation.

P.35/2024

Hon. Velu Kumar,— Providing drinking water supply to the Estate community of the upcountry,— That this Parliament resolves that necessary measures be taken for the inclusion of plantation areas in the Government programme for the provision of potable water, having paid attention to the need for the implementation of drinking water supply programme carried out in other areas since the people of the plantation sector in the upcountry fulfill their drinking water requirement from natural water springs, rivers, canals and wells as a result of the poor implementation of plans for the supply of drinking water, whereas these people have to face various health problems owing to a situation where they are unable to find water suitable for drinking due to increasing population and environment pollution caused by excessive use of agrochemicals, and whereas a scarcity of water has occurred due to the diversion of water in plantation areas to other parts of the country.

P.36/2024

Hon. Velu Kumar,— Acquisition of estate roads to the Government,— That this Parliament resolves that necessary steps be taken to acquire the estate roads to be under the Local Government and Provincial Council roads as the ownership, as management and administration of estates that have a significant place in the plantation sector of Sri Lanka are subjected to changes at different times whereas the dwellings of the plantation workers are located in the middle of the estates far away from the main road and whereas the estate roads used by these people are in highly dilapidated condition with no development.

P.37/2024

Hon. Velu Kumar,— Declaring the Day of the Martyrs of the Hill Country Trade Union,— That this Parliament resolves that the Hill Country Trade Union Martyrs Day be declared in order to commemorate the first worker and all the martyrs who laid down their lives in the pursuit of non-violent struggle for the rights and welfare of the plantation workers and that the day shall be set on the 10th of January as it aligns with the sacrifice of the first Hill Country martyr, “Mulloya Govinthan”, who had been shot dead by a white national in the face of their opposition to the struggle, during the first trade union struggle for salary hikes of plantation workers in Sri Lanka unfolded from December 1939 to January 1940, and whereas through democratic means, the Hill Country plantation workers have fervently fought for and secured their rights and as a testament to their struggles, the Hill Country people of Indian origin have long demanded that these martyrs who selflessly laid down their lives in the pursuit of democracy be commemorated on a designated day, and the Hill Country plantation workers stand as a community in Sri Lanka’s history, having made significant contributions to its economic growth.

Hon. Velu Kumar,— Regularization of the Postal Service of Sri Lanka in the Plantation Sector,— That this Parliament resolves that necessary measures be initiated by the Government to regularize the postal services for the plantation community, who have been integral to the nation for nearly two centuries, whereas marking two centuries since the establishment of settlements by plantation communities in Sri Lanka, it is noteworthy that this community has faced with various difficulties due to the deprivation of the convenience of door step mail delivery, and whereas Sri Lanka's postal service has a history spanning two centuries which commenced in 1798 and subsequently came under regularization by the English in 1882, and whereas after independence, the Postal Service of Sri Lanka has emerged as one of the pivotal government service run by the Postal Department.
