

**UNIVERSITY OF COLOMBO
SRI LANKA**

**ANNUAL REPORT
2020**

OUR VISION

To be a center of global excellence in education, research and stakeholder engagement to enrich human potential for the betterment of society

OUR MISSION

To discover and disseminate knowledge; enhance innovation; and promote a culture of broad inquiry throughout and beyond the university through engagement and collaboration with industry and community

Vice Chancellor's Message

It is with great pleasure, I present the Annual Report of the University of Colombo for the year 2020. I am pleased to say that the University was ranked 1st among Sri Lankan universities during July 2020 in the Webometrics Rankings as well as SCIMAGO Institutions Ranking for the year 2020. The Times Higher Education World University Rankings placed the University of Colombo within the 1001+ universities among 1400 universities in 92 countries. Additionally, the university was ranked within 601+ universities among 775 universities in clinical, pre-clinical and health subject category.

During the mid-March 2020, Sri Lanka faced the first wave of COVID19 pandemic, Staff-student networking commenced on 14th March 2020 through small WhatsApp groups, similar to 2019 following the Easter Bombings. COVID19 brought into focus on unprecedented needs of modern-day university students; particularly lack of economic opportunities by rural mobility from city life. Gender-based problems were increasingly reported. The Student welfare operationalized a needs assessment ensuring confidentiality. A “student distress fund” was established. The Staff and university donated along with alumni and also sustained the existing bursaries.

The University was catalyzed into digital transformation. Online meetings, becoming paperless and digital management systems, resulted in improved efficiency, transparency and flexibility. Recognizing the benefits of remote working, adopting healthy practices, promoting innovation to address Covid-19, staff development in digital literacy skills for re-structuring teaching, learning and assessment were executed concurrently. Challenges with uploading material in the vernacular were recognized. The significance of online literacy and its role in pedagogy were appreciated.

Several International Conferences were also organized by the Faculties/ Institutes during the year 2020 in order to disseminate research findings of the academics.

Our student community has shown themselves the most responsive and responsible assembly that has blossomed as the true icons of the “made in UoC” products we all envision. I am truly proud of their achievements in studies, online relaxation, the performing arts and in community service alike, achieved with discipline and dignity.

We have been able to elevate the status of the University by promoting research, improving research profile and industry collaboration. I acknowledge the commitment of all in the University for their involvement and contribution.

I take this opportunity to express my gratitude to the Council, the Senate, the Registrar, the Bursar and all the members of staff of the University for making 2020 a very productive year, despite many challenges faced with.

Chandrika N Wijeyaratne
Vice Chancellor
University of Colombo

Figure 02

Academic Performance

The University of Colombo with a proud history of 150 years continues in its endeavour to meet the challenges of maintaining its position as a “Metropolitan University, Modern and International in Outlook and Character.” The location of the University affords the student population all the advantages of a “Metropolitan University,” with easy access to international information/resource centres, libraries, theatres, sports complexes etc. Its central location within the City of Colombo provides easy access to a wide range of cultural, entertainment and business facilities. Backed by its long and proud history, together with a solid academic and administrative infrastructure which has stood the test of time, the University has progressed towards its goals in accordance with the Performance Improvement Strategic Plan (PISP) by embracing modern and innovative approaches to teaching, research and service to the community. The University of Colombo has a multi-cultural, multi-ethnic, multi- religious student and staff population fostering social harmony, cultural diversity, equal opportunity and unity. The faculties, campus, institutes and school of the university functioned very smoothly in a conducive environment for teaching, learning and research without any interruption during the year under review.

2.5 FACULTY OF MANAGEMENT & FINANCE

Vision Statement

Inspired by historical links to the first University College of the country and inherited intellectual traditions, the University of Colombo strives to be a world class institution promoting human development through synergizing knowledge, education, research, and creativity, and entrepreneurship upholding.

Mission Statement

Leading through high quality research, learning, training and consultancy in the field of management, business, and entrepreneurship within a creative and collaborative environment towards developing managerial competencies for betterment of the society.

JOURNALS AND CONFERENCE

Colombo Business Journal

The Colombo Business Journal published semi-annually by the Faculty is now in its ninth volume. Over the years it has published research work in the areas of business and management, produced not only by Sri Lankan scholars but also international scholars from Pakistan, Japan, Bangladesh, Bhutan and Nigeria.

Moreover, the journal is published online on an open-access basis on the website of the journal (<https://mgmt.cmb.ac.lk/cbj/>). Since December 2017, it has been also available on the website of Sri Lanka Journals Online (SLJOL: <https://cbj.sljol.info/>) which is a part of an international collaboration hosted by the International Network for the Availability of Scientific Publication (INASP). In February 2018, the journal received a two-star rating (out of a possible three) in the Journal Publishing Practices and Standards (JPPS) framework, which is an assessment framework introduced for Southern Journals by INASP. Of the 81 Sri Lankan Journals on SLJOL, the Colombo Business Journal is one of 19 to have received a two-star rating to date and is the only Sri Lankan journal in the discipline of business and management with a two-star rating.

International Research Conference on Management & Finance (IRCMF - 2019)

The Faculty organizes an International Research Conference on Management and Finance annually. The 15th International Research Conference on Management & Finance (IRCMF - 2020) was held successfully on 27th November 2019 via the virtual platform for the first time with the participation of local and foreign academics, researchers and students. The keynote speech was delivered by Professor, Premachandra Athukorala, Professor of Economics, Arndt-Corden Department of Economics, Crawford School of Public Policy, Australian National University, Australia, on the subject of "Global Production Sharing and Trade Patterns: Implications for Trade and Investment Policy".

About 26 local and international research papers were received in the areas of Accounting, Finance, Human Resource Management, Management, and Marketing. After a comprehensive process of reviewing, finally, 16 research works were selected to include in the conference proceedings. The authors of those research papers presented their research work on the day of conference under three tracks viz (i) Accounting (ii) Finance (iii) Management, Marketing and Human Resource Management.

The Doctoral Colloquium adjoined to the IRCMF offered the opportunity to prospective PhD candidates to showcase their research ideas and to gather important insights from a distinguished panel of academics. In this year's colloquium, there were 14 presenters for research proposal presentations which ranging across the fields of Accounting, Finance Human Resource Management, General Management and Marketing Management.

2.9 FACULTY OF NURSING

The Faculty of Nursing in the University of Colombo is the first and the only Faculty is dedicated for producing graduate nurses. It was established in 2017 by the order published in *Gazette Extraordinary* No. 2002/32 of January 18, 2017 to address a long felt need in Sri Lanka to strengthen and upgrade the nursing education. The Faculty of Nursing offers a four-year Bachelor's Degree in Nursing (BScN) to those who enroll in the faculty (Sri Lanka Qualification Framework Level 6). There are two entry pathways to the faculty, where 70% of the students are selected from the GCE A/L Biological Science stream and 30% are recruited through the lateral entry pathway for nurses with a diploma level education. Overall aim of the Faculty of Nursing is to enhance Sri Lanka's capacity to produce graduate nurses who are capable of catering for both national and international health care needs with advanced knowledge and skills based on a sound theoretical and practical foundation.

Our Vision

Strive to be a center of excellence of national and international repute, building synergies among nursing education, research and practice related to safe and quality health care.

Our Mission

To provide graduates with excellence in nursing who devote for the thoughtful innovations in national and international healthcare services with competence and compassion.

2.14 CENTRE FOR CONTEMPORARY INDIAN STUDIES (CCIS)

The Centre for Contemporary Indian Studies (CCIS) is a multidisciplinary research centre which promotes activities connected with developing knowledge in Sri Lanka on contemporary studies in India and strengthening Indo-Lanka relationship through an institutionalized network between the two countries. It was established in 2012 under a Memorandum of Understanding (MOU) between the High Commission of India in Sri Lanka and the University of Colombo. It is funded by the Government of India. The Centre functions under the Faculty of Graduate Studies (FGS) for academic and administrative matters and it is also linked with other faculties through its Advisory Board and Management Board. India and Sri Lanka are connected through social, religious, linguistic, cultural, economic and strategic ties that date back several centuries. However, less importance has been placed on the study of contemporary developments and changes in India.

By realizing that such research and study undertaken at Sri Lanka's seat of higher learning will play an important role in guiding and strengthening the social and economic development of the country and existing bonds of friendship between India and Sri Lanka, the Centre for Contemporary Indian Studies serves to deepen the understanding of contemporary India in Sri Lanka.

2.15 Centre for the Study of Human Rights (CSHR)**Vision**

To create a nation with a rights consciousness in which the dignity and rights of all people are respected.

Mission

To be a centre of excellence for human rights education and research using a multidisciplinary approach

Centre for the Study of Human Rights (CSHR), was established in 1991 in response to the extensive human rights violations in Sri Lanka at the crucial of time period. It was set up as a non-profit organisation within the Faculty of Law, University of Colombo, with the objective of making the public aware of their rights and remedies for the violation of rights. The CSHR has been a pioneer of human rights education for more than 28 years with its mandate of Human Rights Education, research and capacity building. The CSHR continues to believe in the primary goal of Human Rights Education as a vital component in building a Human Rights culture throughout the society; where the principles of peace, respect for diversity, and economic and social justice are maintained. This goal is pursued through the content and methods employed in the educational programmes of the CSHR.

This view places the importance not only on the content of the programmes, but also on ways that education seeks to build up attitudes and behaviour patterns which reflect a culture of Human Rights. The CSHR offers Advanced training programmes, Certificate Courses, Diploma programmes, Higher Diploma, Postgraduate programme and Masters under the CSHR Education Programmes. In terms of Research, the CSHR carries out practically applicable research in relation to rights and also conducts research for other Government and Non-Government Organizations.

CSHR also works towards strengthening the capacity of those in Government and Non-Government sectors with the aim of protecting and promoting their rights as well as making them aware of rights of their stakeholders. Over the years, the CSHR reached out to many groups such as secondary school students, rural and plantation communities, the university community, armed forces, police and prison officers, quazis, media personnel, prison inmates and the general public among others. The CSHR also facilitates capacity building programmes in disseminating human rights knowledge and knowledge services through its Resource Centre rich in a wide range of human rights resources. The beneficiaries include students, academics, researchers and the general public. The Membership of the resource centre is free of charge for all the registered students of the CSHR. The CSHR also focuses on Institutional Development facilitating the capacity building of the staff to improve their knowledge, skills and capacities towards in order to disseminate programmes to the CSHR's partners effectively and efficiently. One of the spotlight events of this years' calendar is the launch of the Rights Case Law Database which was part of the "Advance Transitional Justice and Rule of Law in Sri Lanka" a Project carried out in collaboration with the International Bridges to Justice. The database is vital and a much needed legal resource for legal rights which advocates the access to the primary source of law in order to maintain the highest level of representation for their clients and to protect the rights of the accused. The goal of the CSHR is to create a nation with rights consciousness in which the dignity and rights of all people are respected.

2.17 National Education Research and Evaluation Centre (NEREC)

The National Education Research and Evaluation Center (NEREC) was established in 2000 with the objective of providing research based findings for policy formulation. Thus, by virtue of its establishment, NEREC is committed to initiate and carry out research and evaluation studies pertaining to educational policy and student achievement in Sri Lanka. For more than a decade, NEREC has conducted national assessments of achievement of students completing various grades in consultation with the Ministry of Education (MoE) and the World Bank. The services of NEREC are available for both government and non-governmental organizations by way of seminars, workshops, capacity development training sessions and research, related to education and evaluation. Thus, NEREC is committed to create a vibrant research community dedicated to educational research. During the year 2020, NEREC conducted a research study on National Assessment of Learning Outcomes of the Subjects of Mathematics and English Language for Grade 8 Students in Sri Lanka.

Vision

To improve education and training at national and regional level by undertaking research, evaluation, development, dissemination activities and provide education information services.

Mission

To establish an energetic, forward looking, educational research, evaluation, testing and training institution that has a national and regional profile.

2.18 STAFF DEVELOPMENT CENTRE (SDC)

Introduction, with Vision & Mission

The Staff Development Centre (SDC), University of Colombo has successfully completed its twenty third year since its inception. The Staff Development Centre of the University of Colombo was established in 1997 as the first SDC in the national university system in Sri Lanka, due to a need to commence and establish planned staff development in Sri Lankan universities.

The Mission of the SDC is "to enhance the quality of academic work undertaken by staff and students within the system of higher education in Sri Lanka, in general, and within the University of Colombo, in particular". In order to achieve this objective, the SDC facilitates to make university teaching/learning more effective, more relevant, student oriented and of internationally high standard. It also facilitates to develop skills and competencies necessary for more effective and efficient performance of all the members of staff of the University including academic and non-academic staff. The SDC carries out training programmes and workshops that assist in career development of university staff, within the available financial and human resource limitations.

Objectives and Expected Activities of SDC¹

1. To provide support and assistance to academic staff in developing and enhancing the various skills needed to fulfil academic tasks like preparation and reform of curriculum, teaching and research.
2. To provide support and assistance to non-academic staff in developing and enhancing the skills needed to fulfil various academic support services and activities.
3. To provide support and assistance to academic staff already in academic and administrative positions (Heads of Departments, Deans of Faculties, Directors of Institutes and School, Rector etc.) or aspiring to take up such positions to acquire the skills and competencies required in the performance of academic administration.
4. To provide support to individuals and groups in the evaluation and review of teaching departments and the other academic units, courses and programmes, and faculties.
5. To collaborate with individuals and groups throughout the University on projects which aim to enhance the quality of teaching and learning in the University.
6. To provide with teacher's objective student feedback services on request.
7. To contribute to the policies and general procedures within the University related to teaching and learning.
8. To contribute to the wider field of research and scholarship related to higher education.

9. To undertake publications in the areas of university staff development in general, and teaching and learning in particular, to be used within the University of Colombo and other institutions of higher learning.
10. To develop linkages among domestic and foreign university staff development organizations with similar objectives.
11. To raise funds through domestic and foreign sources, with the approval of the University Council, to carry out its activities, if resources placed at its disposal by the University are found inadequate.
12. To build up a resource and information centre in subjects related to university course structures, curriculum changes, methodology of university teaching and learning and research.

Currently, the SDC is successfully continuing its contribution to develop the university education in an array of well-focused and diversified training programmes targeting all academic, non-academic and other supportive staff members of the university.

The main regular course aimed at the academic staff is CTHE (Certificate of Teaching in Higher Education) which is accredited by Staff and Educational Development Association (UK) as well as by the University Grants Commission in Sri Lanka. Other SDC course on training university teachers is the short course in Making Teaching Effective (MaTE-2020). This was offered for the most junior academic staff members of the university. Further to conducting a Certificate course on Disability Awareness & Sensitisation for Academics and Non-Academics in collaboration with the Centre for Disability Research, Education and Practice (CEDREP), and the Faculty of Arts and the Staff Development Centre (SDC), The SDC of University of Colombo is making its significant contribution to enhance and improve the capacity of academic and non-academic staff of not only University of Colombo but also the other universities/institutes in Sri Lanka. During 2020, the SDC could successfully train over 100 university staff members in different staff categories from several universities in Sri Lanka, including the applicants from private universities with state university staff.

The SDC operates from its office complex located in the University of Colombo.

Management Information Data Base of the SDC - use in the UGC Review of Faculties

The SDC maintains a data-base of its training activities and on details of the trained staff. This data-base has been found to be invaluable to meet the Quality Standards that the UGC calls upon faculties, departments and universities to meet through the required regular Programme Reviews of the UGC. Accordingly, the SDC provided information (from 2012 to 2019, in this instance) to enable faculties and departments of the University of Colombo to prepare for their Programme Reviews. This data forms an essential component to meet Criterion 7.9 of the Programme Review which is to supply evidence to support that "The Faculty/Institute ensures that staff involved in assessing the students who are competent to undertake their roles and responsibilities and have no conflict of interest".

2.19 SOCIAL POLICY ANALYSIS AND RESEARCH CENTRE (SPARC)

The Social Policy Analysis and Research Centre (SPARC) of the Faculty of Arts, University of Colombo, provides a focal point within the Sri Lankan university system for integrating research, training, policy analysis and advocacy on critical areas of social development in Sri Lanka. The Centre facilitates in collaboration with university academics from different disciplinary backgrounds within the university as well as institutions outside the university system, including the governmental and non-governmental agencies.

The establishment of the Centre was approved at the 273rd meeting of the Senate of University of Colombo, followed by a formal inauguration held on the 10th of June 2005 at the Sri Lanka Foundation Institute (SLFI), Colombo.

Objectives

- To facilitate independent research within Sri Lankan Universities on social development related issues.
- To facilitate interdisciplinary exchange between scholars from different backgrounds.
- To provide training and improve the quality of social science education.
- To strengthen local expertise within universities in poverty reduction and social policy formulation.
- To identify the opportunities for social policy reforms in Sri Lanka.

The Centre conducts its research in a selected number of focal areas where it can draw on sufficient expertise and knowledge from within the university. These focal areas are reviewed from time to time, keeping with new experience gained within the university and emerging critical issues that require the expert's attention.

2.23 CENTRE FOR QUALITY ASSURANCE UNIT (CQA)

The CE for Quality Assurance (CQA) of the University of Colombo, formerly known as the Internal Quality Assurance Unit (IQAU), is responsible for monitoring and coordination of the Quality Assurance (QA) activities of the University. The CQA is placed directly under the Vice Chancellor and managed by a Director who is a senior academic staff member of the university. The administrative and financial functions of the CQA are overseen by the 'CQA Standing Committee of the Senate', comprising of deans, directors, and academic coordinators of Internal Quality Assurance cells from all faculties/institutes and the Sri Palee Campus of the university as well as some senior administrative officers. The CQA Standing Committee meets monthly on a fixed university calendar date and is chaired by the Vice Chancellor. Its progress and activities are reported monthly at the Senate of the University of Colombo. The director CQA is also a member of the UGC Standing Committee on Quality Assurance and represents the University of Colombo.

Vision:

Strive to be a centre of excellence of regional and international repute, building synergies between knowledge, education, research and entrepreneurship.

Mission:

To be the benchmark setter for ensuring and improving the quality of university teaching, learning, assessment, research, and academic governance with transparency, accountability, and reflexivity for transformative education.

Objectives:

- Improving the quality of university teaching, learning and assessment mechanisms.
- Strengthening the effective monitoring and quality control of university teaching, learning and assessment Mechanisms.
- Enriching supportive functions for academic governance (Accountability, Justice & Transparency).
- Instilling a unique culture of quality throughout the university.

h. Any other Details/ Performance Relevant to this Report

The highlights of Quality Assurance Activities carried out within the year 2020.

- The 'Internal Quality Assurance Unit', of the University of Colombo was established as mandated by the University Grants Commission Circular 4/2015. The change of name to 'Center for Quality Assurance' was implemented as per the UGC Circular 09/2019 in February 2020.
- Discussions were carried out among the parties responsible for data collection and submission process for the international ranking bodies such as the Times Higher Education Ranking system, to raise awareness on the importance of collecting more relevant data and reducing omissions of data.
- Director of the Quality Assurance Council (QAC) of UGC, Prof. Nilanthi De Silva visited the university for a special meeting with the Standing Committee of the Senate of the Center for Quality Assurance. Further sub-meetings were held with representatives from Faculties/institutes which had recently completed their Programme Reviews during the 2017 and 2018, namely the Faculties of Arts, Education, Law, Management and Finance and the Sri Palee Campus. Special emphasis was made on the implementation of the action plans developed to address the recommendations of the programme review reports.
- The Director CQA was a member of a three member sub-committee that prepared a new version of the work norms document for the University of Colombo, which is expected to contribute to the development of the suggested 'staff performance appraisal system' for academic staff. The draft document had been disseminated among the Deans/Directors of all the Faculties and the Institutes for their comments.
- Prof. Thilak Gamage of the University of Ruhuna was invited for delivering a presentation on their staff performance appraisal system at the September Senate meeting.
- Improvements were made to the student feedback collection process at both the undergraduate and the postgraduate levels. The Faculties/institutes were advised to administer a generic version of the Dundee Ready Education, Environment Measure (DREEM) Survey, which was developed by an appointed committee, to ensure university wide consistency in feedback collection on the educational environment. An institution wide survey of the student feedback mechanisms was carried out in June 2020 and its results analysed and discussed at the Standing Committee of the Senate of the Center for Quality Assurance in August 2020. Accordingly, sub-committees were appointed to produce generic formats for obtaining student feedback at both undergraduate and postgraduate levels, to standardize the institution-wide processes.
- The Director/CQA had contributed to the special programme on Student Engagement in Quality Assurance organized by the QAC of the UGC and the British Council Sri Lanka in collaboration with the University of West of Scotland. Efforts had been made to raise awareness on the matter among through the Standing Committee of the Senate of the Center for Quality Assurance.
- A sub-committee was appointed to work towards developing a University-wide QA policy. It will be developed in alignment with the implementation plan for the UGC Strategic Plan 2019 – 2023, provided by the QAC, and it would also include component on student engagement in QA.

- Preparations are underway for the upcoming Institutional Review (IR) of the University of Colombo scheduled to be held in the latter part of 2021. An Institutional Review Preparation Committee was established in March 2020 with the inclusion of all the members of the CQA Standing Committee of the Senate as well as the senior administrative and financial officers of the university. Steps were taken to conduct a status assessment of the implementation of 2016 IR recommendations and establish an electronic institutional repository of documentary evidence necessary for the upcoming IR.
- Initiated a platform for improvement of the contribution of the UoC towards the achievement of Sustainable Development Goals (SDGs), with the aim of progressing towards developing university wide KPIs, and achieving SDGs while improving the Impact Rankings of Times Higher Education University Rankings. An initial survey on awareness of academics on SDGs was carried out and its results presented and discussed at the September meeting of the CQA Standing Committee of the Senate.

Subsequent meeting was held to institute the platform under the International Office of UoC (IOUC), while being supported by the members of the CQA Standing Committee of the Senate. This was done in response to the interest expressed by the Resident Coordinator of United Nations Sri Lanka, HE Hanna Singer for the United Nations Development Programme (UNDP) to work collaboratively with UoC to further the contribution made by UoC to the SDGs.

- The Director CQA has engaged with administrative and financial staff of the university to raise their awareness of QA programme and practices and their relevance to their own work.
- The Director CQA conducted a ZOOM based session for the senior academics of the Indigenous Institute of Medicine (IIM) to improve the QA aspects of their proposal to convert the institute to a faculty. Another training session for the entire staff of the IIM is planned. The Director CQA also carried out a session on introducing the QA programme to the current batch of academics undergoing the CTHE course conducted by the Staff Development Center of the University of Colombo.

2.25 CENTRE FOR ENVIRONMENTAL INITIATIVE (CEI)

Vision

Achieve environmental protection and sustainable green development in the University of Colombo

Mission

1. Adoption of green initiatives and become a green university
2. Establishment of a proper solid waste management system in the university
3. Protecting the campus environment and making the campus premises more environmentally friendly
4. Creating environmental awareness among university community and outside the university (Schools) and supporting others in green activities

Introduction:

The Center for Environmental initiatives of University of Colombo was established in 2017 to engage in environmental activities in the university. In achieving the above goals, the CEI has planned to organize a number of programs with the support of many public and private authorities/organizations to create environmental awareness among the university community.

The CEI is placed directly under the purview of the Vice Chancellor and is managed by a Director. The Environmental officer works under the supervision of the Director/CEI.

Highlights of the activities for 2020

a. Conducting green talks to increase awareness on current environmental concerns

Online awareness sessions with the participation of expertise in the fields were conducted to make the university community more aware and enthusiastic on environmental issues.

b. Awareness sessions for cleaning staff on waste management

Awareness on the practices to minimize waste generation, waste segregation and collecting of recyclable waste at the University.

c. Functioning of the waste storage center of the University of Colombo

Waste storage center for recyclable waste at the University of Colombo was used to store the recyclables at the university. Collected recyclable waste was supplied to recyclers and an income was generated from the waste material, making it a great success as a waste-to-value project. The waste storage center has been functioning under the supervision of Center for Environmental Initiatives, in collaboration with the Curator's office and the General Administration.

Total earnings for the year 2020 from the waste storage center

Company name	Details	Earnings
Cleantech Private Limited	plastic and paper waste (OCC,POC,PVC, Plastic, ABS plastic)	20,806.00
Cleantech Private Limited	Plastic paper and metal and e-waste	7394.40
Eco Spindle Private Limited	PET bottles	3350.00

Note: Due to the COVID-19 Pandemic situation prevailed in the country, all the planned activities including the Environmental Day event and Green Talks, etc., were held online. Therefore, no expenditure incurred, as planned.

2.26 THE UNIVERSITY BUSINESS LINKAGE (UBL) CELL

Universities are at the frontier of knowledge, research, innovation, and cutting-edge technology. One of the key strengths of the University of Colombo (UOC) is the dedicated, diverse, and mature team of researchers who engage in cutting-edge research. Therefore, the UOC endeavours to create a research and innovation-driven academic culture and envisions that research results should be turned into useful products and services for public use and benefits of people by enhancing their quality of life. To achieve the above-mentioned objective, it is imperative that the research outcomes of the University be transferred to industries and businesses. Against this backdrop, the establishment of the University Business Linkage (UBL) Cell is a necessary step in the implementation of the UGC Circular 10/2016 in the University of Colombo with the support of the Accelerating Higher Education Expansion and Development (AHEAD) Project. The UBL Cell functions as the Technology Transfer Office (TTO) of the University of Colombo. The UBL-UOC facilitates the protection, management, and commercialization of University innovation and assists in bringing research results to the marketplace for the benefit of the public.

Vision

To become a leader in promoting technology transfer and commercialization by creating a living and breathing innovation ecosystem in the University of Colombo

Mission

To facilitate the transfer of university created technologies into new products and services for public use and benefits and contribute to the national development by linking the intellectual capital of university academia and entrepreneurial excellence of the business community

Objectives

- Popularize and promote the University Business Linkage (UBL) among academic staff and students.
- Protect, manage and commercialize intellectual property rights resulting from university research and innovation.
- Facilitate the translation of university research into new products and services for public use and benefit.
- Bring the fruits of university research and creativity to the public.
- Support augmentation of student projects to cater to the needs of the industrial landscape.
- Provide necessary support for university researchers to protect intellectual property rights through national and international filing and registration.
- Guide university academia and students to establish new ventures such as start-up businesses.
- Support intellectual asset management of the university
- Enhance university-industry collaborations and partnerships by connecting the business community with university resources.
- Encourage the university to play an active role in technology-based economic development and job creation
- Generate new revenue streams for the university through licensing.

2.27 CAREER GUIDANCE UNIT (CGU)/UNIVERSITY OF COLOMBO

Vision

Providing and training the University of Colombo undergraduates to embark on an optimal career and develop the necessary transferable skills including attitude, motivation and skills necessary to become efficient members of the workforce.

Objectives

The Career Guidance Unit (CGU) was created with the following objectives:

- To develop relations between University and Employment Sector in a mutually beneficial way.
- To help undergraduates to choose and proceed on an optimal career path, based on the students ability, desire and available opportunities.
- To help undergraduates obtain an orientation to the employment sector and develop Transferable Skills such as effective communication skills, Leadership skills, Teamwork skills, and management skills so that they will become productive and efficient members of the work force.
- To liaise with private and public sector organizations to find out the existing job opportunities, bring them to the notice of graduates and direct the most suitable applicants
To the organization.

2.28 Centre for Gender Equality (CEGE)

The Center for Gender Equality (CGE) of University of Colombo is dedicated to promote harmony, cooperation and mutual respect between men and women in the university; academic and non-academic staff and the students.

After a period of silence, CEG resumed activities again in the year 2020 from August 2020 with the appointment of an Acting Director in July 2020. As the activities of the CGE is carried out through a steering committee consisting of members representing each faculty, the steering committee was appointed by the end of September, after which the CGE conducted its first steering committee meeting for 2020 headed by the vice chancellor where the objectives and possible future activities were discussed. Subsequently, the steering committee met regularly to discuss matters related to CEG. Accordingly, the following activities were carried out in 2020.

- A separate webpage for the CGE was developed with relevant information and resources being made available (<https://cmb.ac.lk/cge/>)
- 'University of Colombo Policy Against Sexual Harassment and Procedural Steps for Enforcement' was given for translation to Tamil, Sinhala and Brail
- The action plan for 2021 was developed
- Committee of Inquiry on Sexual Harassment (CISH) as prescribed by 'University of Colombo Policy Against Sexual Harassment' was the appointed.

2.29 Centre for Combating Tobacco (CCT)

Centre for Combating Tobacco (CCT) is the Sri Lankan tobacco observatory established at the Faculty of Medicine University of Colombo under the Article 5.3 of the Framework Convention on Tobacco Control (FCTC). The aim of the CCT is to monitor the tobacco industry activities related to implementation of Article 5.3 in Sri Lanka and the region. Framework Convention on Tobacco Control (FCTC) is a treaty, an agreement under international law, adopted in May 2003 by the 56th World Health Assembly of the World Health Organization (WHO). FCTC entered into force from February 2005, and is legally binding 181 ratifying countries as of 2019. FCTC Article 5.3 requires Parties to protect their public health policies from commercial and other vested interests of the tobacco industry.

CCT functions as a centre of the Faculty of Medicine, University of Colombo (UCFM). The implementation partners of the CCT include: Alcohol and Drug Information Centre (ADIC), National Authority on Tobacco and Alcohol (NATA) Sri Lanka, the Expert Committee on Tobacco, Alcohol and Illicit Drugs of the Sri Lanka Medical Association (SLMA) and the World Health Organization(WHO) Country office for Sri Lanka. The project was powered by Framework Convention on Tobacco Control (FCTC) Secretariat and the International Union Against Tuberculosis and Lung Disease while technical assistance was provided by the Tobacco Control Research Group, University of Bath and the Centre for Tobacco Control Research and Education, University of California San Francisco.

9. A Future Projection Report, based on Sustainable Development

The University of Colombo is planning to organize various activities to safeguard the environment and mitigate any negative impact on the environment. The University of Colombo is planning to be a green University by the end of the year 2021. To achieve this target, the University of Colombo has taken several initiatives towards that direction. 'Going for paperless Office using online tools', 'Poluthene-free environment', 'Establishing Green Buildings', 'Solar Energy Harvesting', 'Rain Water Harvesting', and 'Sustainable Energy Dialogue', are a few of the initiatives embarked by the university in the recent past. The University of Colombo established, the Center for Environmental initiatives (CEI) of University of Colombo with the target of achieving environmental protection and sustainable green development. The goals of the Center for Environmental Initiatives are as follows:

- Adoption of green initiatives and becoming a green university.
- Establishment of a proper solid waste management system for the university
- Protecting the campus environment and making the campus premises more environmentally friendly
- Creating environmental awareness among university community and outside the university (Schools) and supporting others in green activities.

In achieving the above goals, the University is planning to organize a number of programs with the support of many public and private authorities/organizations to create environmental awareness among the University community.

During the discussions held in 2019, the University has decided to conduct a few pilot projects to harvest solar energy at the University of Colombo premises. As a result, a solar panel was fixed in the East Wing of the Faculty of Management & Finance in 2020.

Further, the University academics have done various researches in relation to sustainable development & environment and disaster impact assessment analysis and the outcomes of these research will be presented at the Annual Research Symposium Sessions.

To promote environmental sustainability is one of the objectives of the University of Colombo Strategic Plan 2021-2025 and under the objective, the University will work to introduce and practice sustainable environmental initiatives. The University is also planning to take necessary action to promote green sustainable initiatives and to conserve water and energy.

Law goes Green 2020

Celebrating its 7th consecutive year, Law Goes Green 2020 brought together the different stakeholders to spark academic discussion 'Green Conversations', on the theme 'An academic, legal and activist approach to environmental protection in Sri Lanka: Challenges and way forward'. The panel discussion was held on 10th July 2020 where it served as a step towards understanding different perspectives and interests of stakeholders in order to get a broader understanding of environmental protection. The resource persons for the workshop were senior environmentalist, Mr. Jagath Gunawardana, Executive Director of Centre for Environmental Justice and senior scientist, Mr. Hemantha Vithange, senior attorney-at-law Mr. Ravindranath Dabare and environmental law academic and researcher Ms. Asanka Edirisinghe. More than 200 final year undergraduates from all three mediums participated in this workshop while strictly following all safety and health regulations provided by the government due to the Pandemic.

(e) to grant confer degrees, diplomas and other academic distinctions to and on persons who have pursued approved courses of study in the university or in any recognized institution and who have passed the examinations of the University prescribed by By-laws;

1.5 Going Concern

The University has made an assessment of the University and its ability to continue as a going concern and is satisfied that it has the resources to continue its entity for the foreseeable future. Furthermore, the Council is not aware of any material uncertainties that may cast significant doubt upon the University's ability to continue as a going concern. Based on this the Financial Statements have been prepared on the going concern basis.

1.6 Basis of Preparation of Financial Statements

1.6.1 Statement of Compliance

The Financial Statements of the University of Colombo have been prepared under the historical cost convention in conformity with Sri Lanka Public Sector Accounting Standards issued by the Institute of Chartered Accountants of Sri Lanka.

These Financial Statements comprise the Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flows, Statement of Changes in Equity and Notes to the Financial Statements.

The principal accounting policies applied in the preparation of the Financial Statements are set out below. These policies have been consistently applied to all periods presented in the Financial Statements unless otherwise stated.

The Financial Statements were not incorporated with the financial status of the university students' societies and Colombo Science & Technology Cell.

1.6.2 Basis of Measurement

The Financial Statements have been prepared on accrual basis and under the historical cost basis, except where appropriate disclosures are made with regard to fair value under relevant notes.

1.6.3 Comparative Information

Comparative information including quantitative, narrative and descriptive information is disclosed in respect of the previous period for all amounts reported in the Financial Statements, in order to enhance the understanding of the Financial Statements of the current period and to improve comparability.

1.6.4 Materiality and Aggregation

Each material class of similar items have been presented separately in the Financial Statements. Items of dissimilar nature or function have been presented separately unless they are immaterial.

1.6.5 Offsetting

Assets and liabilities, and revenue and expenses have not been offset unless required or permitted by the Sri Lanka Public Sector Accounting Standards.

1.6.6 Events after the date of the Statement of Financial Position

All material events after the reporting date have been considered and where appropriate adjustments or disclosure wherever necessary have been made in the Financial Statements.

1.6.7 Functional & Presentation Currency

Items included in the Financial Statements of the University are measured using the currency of the primary economic environment in which the University operated (the functional currency). These Financial Statements are prepared and presented in 'Sri Lankan Rupees' (Rs.), which is the functional and presentation currency of the University.

1.6.8 Transactions of Foreign Currency

All foreign exchange transactions are converted to Sri Lankan Rupees, which is the reporting currency, at the rates of exchange prevailing at the time the transactions were effected.

1.6.9 Rounding

The amounts in financial statements have been rounded-off to the nearest rupee, unless otherwise indicated as permitted by the Sri Lanka Public Sector Accounting Standards.

1.6.10 Significant Accounting Estimates and Judgments

The preparation and presentation of Financial Statements, in conformity with Sri Lanka Public Sector Accounting Standards, require management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenditure. Actual results may differ from these estimates and judgments used.

Information about significant areas of estimates, uncertainty and critical judgments in applying accounting policies that have the most significant effects on the amounts recognized in the Financial Statements are as follows:

(a) Defined Retirement Benefit Plan

The cost of the retirement benefit plan of employees is determined using Projected Unit Credit (PUC) method. Such method involves use of assumptions concerning the rate of interest, rate of salary increase and retirement age. Due to the long-term nature of the plan, such estimates are subject to significant uncertainty.

(b) Changes in Accounting Estimates and Judgments

Any changes in accounting estimates and critical judgments are disclosed in the relevant notes to the Financial Statements.

(a) Basis of Recognition and Measurement

Property, Plant and Equipment are recognized if it is probable that futureeconomic benefits associated with the item will flow to the entity and the cost of theitem can be reliably measured.

All property, plant and equipment are stated initially at cost and subsequently measured at cost less accumulated depreciation and any impairment losses. Repair and maintenance costs are recognized in the Statement of Financial Performance as incurred. The carrying value of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that carrying value may not be recoverable.

(b) Initial Recognition

Equipment costing less than Rs.2,500 per individual item is typically written-off in the year of purchase.All other Equipment is capitalized on the basis of nature. Equipment is capitalized if it istangible, has a life of more than one year. The life of an asset is dependent on its category within 8categories, ranging from 4 to 20 years.

(c) Subsequent Expenditure on Existing Property, Plant and Equipment

Expenditure incurred on tangible fixed assets is charged to the Statement of Financial Performance in the period it is incurred, unless it meets one of the following criteria, in which it is capitalized and is depreciated on the relevant basis.

1. Market value of fixed assets has subsequently increased.
2. Asset capacity increase.
3. Sustainable improvement in the quality of output or reduction in operating cost.
4. Significant extension of the asset life beyond that has already been confirmed by repair and maintenance.

(d) Revaluation Model

After initial recognition, below classes of Property Plant and Equipment whose fairvalue can be measured reliably has been carried at revalued amounts, being fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Land & Buildings, Motor Vehicles, Office equipment, Lab & Teaching Equipment, Furniture & Fittings, Sports Goods.

(e) Buildings belongs to other Institutions

Buildings of the Institute of Biochemistry Molecular Biology and Biotechnology, University of Colombo School of Computing, National Institute of Library & Information Sciences located in the University land.

(f) Depreciation

Depreciation is recognized in the Statement of Financial Performance on a Straight-Line Method over the estimated useful life of Property, Plant and Equipment items from the date that they were made available for use. Lands are not depreciated. The estimated useful life periods are as follows.

Description	Estimated useful life period
1. Buildings	20 years
2. Furniture & Equipment	10 years
3. Laboratory and Teaching Equipment	5 years
4. Fixtures & Fitting	10 years
5. Library Books, Periodicals & Cloaks	5 years
6. Motor Vehicles	5 years
7. Software Package	5 years
8. Sports Goods	4 years

Depreciation is provided from the date of purchase and up to the date of disposal, based on the period used.

(g) Lease – Finance Lease

Leases in terms of which the University assumes substantially all the risks and rewards of ownership are classified as finance leases. On initial recognition, the leased assets under property, plant and equipment, is measured at an amount equal to the lower of its fair value and the present value of minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.

Minimum lease payments under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate interest on the remaining balance of the liability.

During the year university paid Rs.2.6 Million as lease rental.

(h) Maintenance of Premises

The University has a maintenance plan which is reviewed periodically and forms the basis of the on-going maintenance of the assets. The cost of maintenance is charged to the Statement of Performance.

2.2.2 Capital Works in Progress

Capital work-in-progress is stated at cost, less any impairment losses. These are expenses of a capital nature, directly incurred in the construction of property, plant and equipment awaiting capitalization. Capital work-in-progress would be transferred to the relevant asset category in property, plant and equipment, when it is available for use i.e. when it is in the location and conditions necessary for it to be capable of operating in the manner intended by the University. Financial costs are not capitalized at part of additions to the fixed assets.

Construction of the Seventeen Storied Building for the Faculty of Medicine

As per Cabinet paper No. 18/2071/824/026.

The Bank of Ceylon has approved a term loan facility of Rs.4,541,698,546 to the Contractor, Sanken Constructions (Pvt) Ltd. against a security of a stand by letter of credit issued by the People's Bank and the Letter of Comfort issued by the General Treasury to the People's Bank.

Terms and Conditions of the Term Loan are as follows.

1. **Interest rate :** AWPLR + 2% p.a. (Interest rate) will be reset Bi-annually based on prevailing AWPLR.
2. **Period :** Fifteen years inclusive of a grace period of 3 years starting from 26-08-2019.
3. **Repayment :** Interest to be serviced Bi-annually inclusive of the grace period and Capital Bi-annually after the grace period.
The Ministry of Education should ensure to receive the Budgetary allocation from the Ministry of Finance for the purpose of repaying the interest and capital Bi-annually on due date.
4. **Disbursement of Term Loan :** On issuance of Interim Payment Certificate with related invoices by the Contractor (Sanken Constructions (Pvt) Ltd.) certified by the Consultant (State Engineering Corporation) to the Vice Chancellor of the University of Colombo.

Rs.837.5 Million was paid to the MS. Sanken Constructions (Pvt) Ltd. during the year 2020 as per Interim Payment Certificates issued by the Consultant. People's Bank charged Rs.152.27 Million as interest to the utilized loan amounted to Rs.2,092.9 Million as at 31-12-2020 and funds allocated to the Ministry of Higher Education for this payment.

2.2.3 Intangible Assets

Computer Software

Acquired computer software licenses are capitalized on the basis of the costs incurred to acquire and bring to use. These costs are amortized over their estimated useful life of five (5) years.

Costs associated with maintaining computer software programmes are recognized as an expense as incurred. Costs that are directly associated with the production of identifiable and unique software products controlled by the University are recognized as intangible assets when the following criteria are met:

1. technically feasibility to complete the software product so that it will be available for use and the Management to complete the software product for use.
2. ability to use the software product;
3. ability to demonstrate how the software product will generate probable future economic benefits;

4. adequate technical, financial and other resources to complete the development and to use the software product are available; and
5. the expenditure attributable to the software product during its development can be reliably measured.

Directly attributable costs that are capitalized as part of the software product include the software development employee costs and an appropriate portion of relevant overheads.

Cost recognized as intangible assets are amortized over their estimated useful lives, which do not exceed five (5) years. Costs relating to development of software are carried in capital work-in-progress until the software is ready for use.

2.3 Liabilities & Provisions

2.3.1 Current Liabilities

Liabilities classified as Current Liabilities in the Statement of Financial Position are those that fall due for payment within one year from the date of the Statement of Financial Position. All known liabilities have been accounted for in preparing the Financial Statements.

2.3.2 Creditors and Accrued Expenses

Creditors and Accrued expenses are measured at fair value and are subsequently measured at amortized cost using effective interest rate.

2.3.3 Deferred Income

Deferred income results when invoices relating to Self Financing Activities (Study programmes) are raised at the commencement of the study programme where the study programme delivery takes place over a period of several months. Deferred income is recognized in the Statement of Financial Performance to the extent of study programme delivery taken place and the balance attributable to the remaining course period is recognized as a liability on the Statement of Financial Position until income is recognized.

2.3.4 Provision for Retirement Benefits

Employee Benefits

(a) Employee Defined Benefit Plan – Gratuity

Defined benefit plan is a post-employment benefit plan, other than a defined contribution plan. The defined benefit is calculated by an independent actuary using Projected Unit Credit (PUC) method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows, using interest rates that are denominated in the currency in which the benefits will be paid and that have terms to maturity approximating to the terms of the related liability. The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions about discount rate, future salary increments and mortality rates. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.

All assumptions are reviewed at each reporting date. Accordingly, the employee benefit liability is based on the actuarial valuation as of 31st December 2020. The University accounting policy for gratuity is to recognize actuarial gains and losses in the period in which they occur in full in the statement of other Financial Performance.

Retirement Benefit Obligation

Actuarial and Management Consultant (Pvt) Ltd, qualified actuaries has done actuarial valuation on the defined benefit plan – Gratuity as at 31-12-2020. The assumptions used in determining the cost of retirement benefits are as follows.

Staff Turnover

Academic staff	1% p.a.
Non Academic staff	0.50% p.a.

Rate of discount 10% p.a.

Rate of salary increased

Academic staff	7% p.a.
Non Academic staff	5% p.a.

Retirement age

Academic Staff	65 yrs
Non Academic staff	60 yrs

Defined Obligations

In order to illustrate the significance of the discount rate and salary escalation rate assumed in the valuation as at 31 December 2020, conducted a sensitivity analysis for all employees assuming the following discount rates and salary escalation rate.

Variable changed (while all other assumptions remain unchanged)	Present Value of Defined Benefit Obligation Rs.
One Percentage Point Increase (+1%) in discount Rate	1,395,809,084
One Percentage Point Decrease (-1%) in discount Rate	1,660,640,298
One Percentage Point Increase (+1%) in Salary Escalation Rate	1,660,938,795
One Percentage Point Decrease (-1%) in Salary Escalation Rate	1,393,489,952

Current Service Cost

Academic Staff Rs.68,033,107

Non Academic Staff Rs.23,150,084

Rs.91,183,191

(b) Defined Contribution Plans – Employees’ Provident Fund and Employees’ Trust Fund

Employees are eligible for Employees’ Provident Fund Contributions and Employees’ Trust Fund Contributions in line with respective statutes and regulations. These are recognized as an expense in the Statement of Financial Performance as incurred. The University contributes 7%, 8% and 3% of gross emoluments of the employees’ salaries to University Provident Fund, University Pension Fund and Employees’ Trust Fund respectively.

2.3.5 Contingent Liabilities

No provision has been made in the accounts with regard to liabilities arising out of litigation. The total estimated amount of liabilities as at 31st December 2020 is Rs.600 Million.

2.4 Accounting for the Receipt and Utilization of Funds, Grants and Reserves.

The University received various grants for specific development activities, student activities, endowment etc. Funds, grants and reserves have been classified as unrestricted funds, restricted funds and endowment funds.

2.4.1 Unrestricted Funds

Unrestricted funds are those that are available for use by the University at the discretion of the Council and funds that are designated for a specific purpose by the Council in furtherance of the general objectives of the University. Allocations made by the University for the credit of the designated funds are charged to the Statement of Financial Performance. Surplus funds are transferred from restricted funds to unrestricted funds in terms of the relevant donor agreements or with the subsequent approval of the donor.

Contributions and donations received from the general public are recognized in the Statement of Financial Performance at the time of receipt, where there are no terms of references.

Designated Funds/ Reserves

Unrestricted funds designated by the University to a specific purpose are identified as designated funds. The University has accounted the following funds as designated funds/ Reserves/ Ledger Accounts and the purpose of such funds are elaborated as follows.

Funds

1. University of Colombo Development Fund
2. Vice Chancellor's Fund
3. Faculty Development Fund
4. Department Development Fund
5. Health Insurance Fund
6. Library Development Fund
7. Administration Fund

2.4.2 Restricted Funds

Where grants/donations are received for use in an identified project or activity, such funds are held in a restricted fund account and transferred to the Statement of Financial Performance to match with expenses incurred in respect of that identified project. Unutilized funds are held in their respective fund accounts and included under accumulated fund and reserves in the Statement of Financial Position until such time as they are required.

Where approved grant expenditure exceeds the income received and there is certainty that the balance will be received, such amounts are recognized through receivables in the Statement of Financial Position.

2.4.3 Endowment Funds

Where assets are received as an endowment, which are not exhausted, only the income earned from such assets may be recognized and used as income.

Investment income and other gains realized from funds available under each of the above categories are allocated to the appropriate funds, unless the relevant Agreement or Memorandum of Understanding provides otherwise. Purposes of the funds are awarding subject prizes and merit prizes for the best performance of each specified examinations.

2.5 Equity

2.5.1 Capital Grant

Government Grant is recognized at their fair value where there is reasonable assurance that the grant will be received, and all affecting conditions will be complied with.

Donated tangible fixed assets, except for non-depreciable fixed assets donated for use by the University are valued and taken to Donation Account and the deficit taken to the relevant fixed asset category. Donated non-depreciable assets are taken to income or expenditure.

2.5.2 Recurrent Grant

Recurrent grants are recognized in the Statement of Financial Performance on cash basis. Cost of rehabilitation of Fixed Assets and Capital Grants for construction and new work recognized either as work in progress or Capital Assets where necessary.

2.5.3 Designated Specific Funds

Surplus on income over expenditure of the activities are generally accounted under Designated General funds in the University, Statement of Financial Position. Designated General Funds include funds set aside for specific or committed purpose such as planned operational activities of faculties, departments and self-financing activities of the University.

2.6 Statement of Financial Performance

2.6.1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the University and the revenue can be reliably measured, regardless of when the payments are made. The following specific recognition criteria also be met before revenue is recognized.

1. Income from courses

Income from fee levying courses are recognized as income based on periodic basis

2. Income from Seminars/Workshops

Seminars, Workshops, activities are recognized upon conducting the event.

3. Non-endowment Donations

Non-endowment donations are recognized in the financial year they are received.

4. Interest Income

Interest income is recognized on accrued basis

5. Gains /losses from sale of property, plant and equipment

Net gains and losses on the disposal of property, plant and equipment are recognized in the Statement of Financial Performance after deducting from the proceeds on disposal, the carrying value of the item disposed of any related selling expenses. In the case of any revalued asset, any balance remaining in the revaluation reserve account is transferred to the Statement of Financial Performance.

6. Other Income

Any other income not specified under above categories is recognized on accrual basis.

2.6.2 Restricted Contribution/ Income

Restricted contributions are provided based on agreements, contracts or other understanding, where the conditions for receipt of the funds are linked to a performance of a service or other process. The university earns the contribution through compliance with the conditions that have been laid down and meeting the envisaged obligations. Income is not recognized in the Statement of Financial Performance, until there is reasonable assurance that the contribution will be received and the conditions stipulated for its receipt have been complied with and the relevant expenses that it is expected to compensate has been incurred and charged to the Statement of Financial Performance. Receipt of the funds does not by itself provide conclusive evidence that the conditions attached to the contribution have been or will be fulfilled. Until the conditions have been fulfilled, the contribution is regarded as part of restricted funds.

On receiving any restricted contributions, the contribution is recognized in the Statement of Financial Position. Thereafter, on a systematic basis, an amount equivalent to that which has been spent on agreed

“restricted” activities during the period, is taken to income. Unutilized funds are carried forward as such in the Statement of Financial Position.

2.6.3 Publishing Service

University of Colombo Press started its operations in February 2020. Income is recognized when,

- i. the specific criteria relating to each of the relevant sales channels have been met.
- ii. in the case of books, income is recognized upon delivery of goods to the customer.

2.7 Recognition of Expenses

2.7.1. Expenses in carrying all activities of the University are recognized on accrued basis and charged to the Statement of Financial Performance during the period in which they are incurred.

2.7.2 All expenses incurred in respect of undergraduate education have been charged to the government recurrent grant.

2.7.3 All expenditure incurred in the acquisition, or improvement of assets of a permanent nature in order to carry on or increase the learning capacity of the students has been treated as capital expenditure.

2.7.4 Expenses are recognized in the Statement of Financial Performance on the basis of direct association between cost incurred in the running of the University and in maintaining the capital assets in a state of efficiency have been charged to revenue in arriving at the surplus/deficit for the year.

(a) Project Expenses

Expenses in carrying out the projects and other activities of the university are recognized in the Statement of Financial Performance during the period in which they are incurred and the basis for identifying project expenses are mainly on locations of the project, staff allocated to the project and projected activities of the project according to the project proposal.

Expenses are recognized in the Statement of Financial Performance income on the basis of direct association between the cost incurred and the earning of specific items of income.

(b) Operational Expenses

All expenditure incurred in the running of the university and in maintaining the capital assets in a state of efficiency has been charged against income in arriving at the surplus for the year.

Expenditure on examinations, seminars and courses are recognized in the Statement of Financial Performance on the accruals basis.

Mahapola, Bursary and Scholarships

Mahapola Higher Education Scholarship Trust Fund has transferred students Mahapola Scholarship installment directly to students' bank accounts from April 2019. Mahapola Trust Fund and UGC spent Rs158.9 and Rs.152.7 Million during the year as MahapolaScholarship respectively.

(c) Finance Expense

Finance expense is recognized on accrual basis when it is paid or creates liabilities.

2.8 Statement of Cash Flows

The cash flow statement has been prepared by using the Indirect Method in accordance with the SLPSAS where by gross cash receipts and gross cash payments of operating activities, finance activities and investing activities have been recognized. Cash and cash equivalents comprise short term, highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of change in value.

2.9 Commitments and Contingencies

All risks are accounted for in determining the amounts of all known liabilities. Contingent liabilities are possible obligations whose existence will be confirmed only by uncertain future events or present obligations where the transfer of economic benefit is not probable or cannot be reliably measured. Contingent liabilities are not recognized in the Statement of Financial Position but are disclosed unless they are remote.

2.10 Events after the Reporting Period

The materiality of events occurring after the reporting period has been considered and appropriate adjustments, wherever necessary, have been made in the Financial Statements.

2.11 Accelerating Higher Education Expansion and Development (AHEAD) Project

The Government of Sri Lanka (GoSL) and the World Bank have agreed to support the higher education sector through a World Bank Funded Accelerating Higher Education Expansion and Development (AHEAD) operation.

The implementing agency of AHEAD project is the Ministry of Education (MOE). The University Grants Commission (UGC) will coordinate the activities of the universities. There will be an Operations Monitoring and Support Team (OMST) which will coordinate and support all AHEAD activities between the MOE, UGC, and the Universities. The project related activities at the university level are coordinated by the Operations Technical Secretariat (OTS) office attached to each university.

University capitalized Rs.400.5 Million during the year 2020 under AHEAD Project.

Vice Chancellor,

University Of Colombo.

Report on the Auditor General on the Financial Statements and other legal and monitoring requirements of University Of Colombo for the year ended 31st December 2020 in terms of section 12 of the National Audit Act, No. 19 of 2018.

1. Financial Statements

1.1 Qualified Opinion

The audit of Financial Statements of the University Of Colombo for the year ended 31st December 2020 comprising the Statement of Financial Position as at 31st December 2020 and the Statement of Financial Performance and Statement of Changes in Equity and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory notes were carried out under my direction in pursuance of provisions laid down by section 20 of the Ordinance of University of Colombo No. 1 of 1980 vested upon by subsection 107 (5) and section 108 (1) of the Universities Act No. 16 of 1978 which should be read in conjugation with Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka and section 12 of the of the National Audit Act, No. 19 of 2018. My report will be tabled in the parliament in due course in terms of Article 154 (6) of the Constitution.

In my opinion, except of the matters described in the paragraph on “Basis for Qualified Opinion” of this report the financial statements give a true and fair view of the financial position of the University Of Colombo as at 31 December 2020 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2 Basis for Qualified Opinion

- a) As per paragraph 54 of the no.07 in Sri Lanka Public Audit Standards, revaluation increases and decreases relating to assets within a class of property, plant and equipment must not be offset in respect of assets in different classes. Yet, the revaluation deficit of office equipment of Sri Palee Campus totaling to Rs. 5,437,395 had been offset to the revaluation surplus of laboratory and teaching equipment. Consequently, revaluation revenue and annual surplus have been understated and overstated in the Financial Statements by the same amount.
- b) In contrary with the provisions of the paragraph 55 of the no.07 in Sri Lanka Public Auditing Standards, an amount of Rs. 42,248,667 in asset evaluation revenue has been adjusted to the revenue of the Statement of Financial Performance under Amortization of Capital Grants and thereby, the annual surplus and revaluation revenue have been overstated and understated in the Financial Statements by the same amount.

- c) No action had been taken to re- review property, plant, equipment and intangible assets that have already been totally depreciated yet still in use totalling to Rs. 80,706,090 and to state them in the Financial Statements as per no.3 of Sri Lanka Public Auditing Standards.
- d) Though the depreciation percentage of the sports equipment is 25% as per the depreciation policy on property, plant and equipment, depreciation has been calculated in 17 instances in contrary to the above provisions, thus making an under provision of Rs. 1,299,182 in depreciation of the year under review. Accordingly, the surplus of the year under review and the net value of sports equipment had been overstated by the said amount.

I conducted my audit in accordance with Sri Lanka Auditing Standards. My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate enough to provide a basis for my qualified opinion.

1.3. Other Information in the Annual Report of the university -2020

Other information refers to the information obtained by me before the date of this report that are included in the annual report of the university -2020,yet not available in my audit report. The management is responsible for this other information.

My opinion of the Financial Statements does not cover this other information and I do not confirm or express an opinion regarding that.

My responsibility regarding the auditing of the Financial Statements is to reading the above recognized other information and to consider whether other information quantitatively contradict with my knowledge obtained through the Financial Statements, auditing or in any other means. I have nothing to report in this regard.

1.4 Responsibility of Management and Controlling Parties for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for determining the internal controls which are necessary to enable the preparation of Financial Statements that are free from material misstatements whether due to fraud or error.

It is the responsibility of the management to decide on the going concern ability of the university in preparation of Financial Statements. It is also a responsibility of the management to keep accounts on a going concern basis and disclosure of the facts in relation to the going concern of the university except in case the management intends to liquidate the university or it is intended to cease operation in the absence of any other option.

The controlling parties of the university are responsible for the financial reporting system.

According to the subsection 16 (1) of the National Audit Act, No. 19 of 2018, university shall maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared in respect of the university.

1.5. Responsibility of the Auditor in the audit of Financial Statements

My objective is to provide a fair assurance on the Financial Statements that they are free from material misstatements as a whole whether due to fraud or error and to issue the Auditor's Report comprising my opinion. Although fair assurance is a high quality assurance, it does not confirm that it would always expose quantitative misstatements when the audit is done in accordance with Sri Lanka Auditing Standards. It is expected that individual or collective impact of fraud or error may result in quantitative misstatements and it may have an effect on the decisions taken by the users based on these financial statements.

This audit has been carried out by me with professional judgement and professional scepticism. Also,

- Obtaining sufficient and appropriate audit evidence to avoid risks caused by fraud or error by designing appropriate audit procedures that are appropriate in the circumstances in recognizing and evaluating possible misstatements that may occur in Financial Statements due to fraud or error is the basis of my opinion. Fraud will have a higher impact than that of material misstatements and collusion, preparation of fake documents, intentional avoidance and avoidance of internal controls may result in fraud.
- The auditor considered internal controls relevant to the university in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the institution.
- The audit included evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as the suitability of the related disclosures made by the management.

- The relevance of using the going concern basis for accounting purpose was determined based on the audit evidence obtained on whether there is a sufficient contingency on the going concern of the university due to events or circumstances. In case I conclude that there is a sufficient contingency, my audit report should attend to the related disclosures in the Financial Statements and my opinion must be modified in case the disclosures are not sufficient enough. However, going concern may end due to future events or circumstances.
- Presentation, structure and content of the Financial Statements with disclosures was assessed and underlying transactions and events were evaluated for whether they were included in the Financial Statements in an appropriate and reasonable manner.

The controlling parties are made aware of the important audit findings, major internal control weaknesses and other facts recognized in the audit.

2 Report on other Legal and Monitoring Requirements

- Special provisions are included regarding the following requirements in the National Audit Act, No. 19 of 2018.
 - I have obtained all the information and explanations required for the audit according to the requirements of section 12 (a) of National Audit Act, No. 19 of 2018, except for the impact of matters described in the paragraph “Basis for Qualified Opinion” of this report. As seen in my investigation the university had maintained proper financial reports.
 - According to the requirements of section 6 (I) (d) (iii) of National Audit Act, No. 19 of 2018, the Financial Statements presented by the university are in consistent with the preceding year.
 - According to the requirements of section 6 (I) (d) (iv) of National Audit Act, No. 19 of 2018, the recommendations made by me in previous year have been included in the presented Financial Statements.
 - According to of the procedures followed, evidence obtained and within the restriction of the quantitative matters, nothing caught my attention that was sufficient to make the following statements.
 - 2.2.1 According to the requirements of section 12 (d) of National Audit Act, No. 19 of 2018, any member of the council of the university has any direct or indirect interest in any contract entered into by the university that is outside the normal business arrangement.
 - 2.2.2 According to the requirements of section 12 (f) of National Audit Act, No. 19 of 2018 ,the auditee entity has not complied with any applicable written law or other general or special directions issued by the governing body of the auditee entity.

2.2.3 According to the requirements of section 12 (g) of National Audit Act, No. 19 of 2018, the university has not performed according to its powers, functions and duties.

2.2.4 According to the requirements of section 12 (h) of National Audit Act, No. 19 of 2018, the resources of the auditee entity had been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws.

2.3. Other Observations

- a) Thirty five funds established by different faculties of the university in which the total aggregated to Rs. 96,941,682 as per 31st December 2020 they had not been utilized to achieve the relevant goals within the year under review. Eleven funds established by the Science faculty of the university to offer scholarships, in which the total aggregated to Rs. 1,162,177, had not been utilized to offer scholarships within a time period ranging from 2 to 25 years.
- b) No action had been taken to recover the loan balances aggregating to Rs. 1,351,164 that had been borrowed by 61 officers, in spite of the time lapse of 01- 32 years.
- c) Eighteen members of the academic staff who obtained study leave with full wages to complete their postgraduate degrees had reported back to work without obtaining the required qualifications. A total of Rs. 78,241,772 was due from them for breaching the agreements. An amount of Rs. 20,212,040 was due from twelve members of the academic staff who had not reported back to work in spite of the time lapse of 02- 18 years. No action had been taken to recover either of these amounts as at 31st December of the year under review.
- d) No action had been taken to fill the 33 existing vacancies in 12 positions of the approved cadre of the university. Eleven officers had been recruited for 08 posts that does not come under the approved cadre on contract basis, whose service ranged from 05 months to 04 years.

1. Financial Statements

1.3 Qualified Opinion

The audit of Financial Statements of the University Of Colombo for the year ended 31st December 2020 comprising the Statement of Financial Position as at 31st December 2020 and the Statement of Financial Performance and Statement of Changes in Equity and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory notes were carried out under my direction in pursuance of provisions laid down by section 20 of the Ordinance of University of Colombo No. 1 of 1980 vested upon by subsection 107 (5) and section 108 (1) of the Universities Act No. 16 of 1978 which should be read in conjugation with Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka and section 12 of the of the National Audit Act, No. 19 of 2018. My report will be tabled in the parliament in due course in terms of Article 154 (6) of the Constitution.

In my opinion, except of the matters described in the paragraph on “Basis for Qualified Opinion” of this report the financial statements give a true and fair view of the financial position of the University Of Colombo as at 31 December 2020 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2	Basis for Qualified Opinion -----	Current Status -----
(a)	As per paragraph 54 of the no.07 in Sri Lanka Public Audit Standards, revaluation increases and decreases relating to assets within a class of property, plant and equipment must not be offset in respect of assets in different classes. Yet, the revaluation deficit of office equipment of Sri Palee Campus totaling to Rs. 5,437,395 had been offset to the revaluation surplus of laboratory and teaching equipment. Consequently, revaluation revenue and annual surplus have been understated and overstated in the Financial Statements by the same amount.	These errors will be rectified in the year 2021.
(b)	In contrary with the provisions of the paragraph 55 of the no.07 in Sri Lanka Public Auditing Standards, an amount of Rs. 42,248,667 in asset evaluation revenue has been adjusted to the revenue of the Statement of Financial Performance under Amortization of Capital Grants and thereby, the annual surplus and revaluation revenue have been overstated and understated in the Financial Statements by the same amount.	Action will be taken to re-review the lifetime of the assets and to rectify this in the year 2021
(c)	No action had been taken to re- review property, plant, equipment and intangible assets that have already been totally depreciated yet still in use totalling to Rs. 80,706,090 and to state them in the Financial Statements as per no.3 of Sri Lanka Public Auditing Standards.	Will be done for the already totally depreciated assets in the year 2021
(d)	Though the depreciation percentage of the sports equipment is 25% as per the depreciation policy on property, plant and equipment, depreciation has been calculated in 17 instances in contrary to the above provisions, thus making an under provision of Rs. 1,299,182 in depreciation of the year under review. Accordingly, the surplus of the year under review and the net value of sports equipment had been overstated by the said amount.	These errors will be rectified in the year 2021.

	I conducted my audit in accordance with Sri Lanka Auditing Standards. My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate enough to provide a basis for my qualified opinion.
1.3	<u>Other Information in the Annual Report of the university</u> Other information refers to the information obtained by me before the date of this report that are included in the annual report of the university -2020,yet not available in my audit report. The management is responsible for this other information. My opinion of the Financial Statements does not cover this other information and I do not confirm or express an opinion regarding that. My responsibility regarding the auditing of the Financial Statements is to reading the above recognized other information and to consider whether other information quantitatively contradict with my knowledge obtained through the Financial Statements, auditing or in any other means. I have nothing to report in this regard.
1.4	Responsibility of Management and Controlling Parties for the Financial Statements ----- Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for determining the internal controls which are necessary to enable the preparation of Financial Statements that are free from material misstatements whether due to fraud or error. It is the responsibility of the management to decide on the going concern ability of the university in preparation of Financial Statements. It is also a responsibility of the management to keep accounts on a going concern basis and disclosure of the facts in relation to the going concern of the university except in case the management intends to liquidate the university or it is intended to cease operation in the absence of any other option. The controlling parties of the university are responsible for the financial reporting system. According to the subsection 16 (1) of the National Audit Act, No. 19 of 2018, university shall maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared in respect of the university.

1.5	Responsibility of the Auditor in the audit of Financial Statements My objective is to provide a fair assurance on the Financial Statements that they are free from material misstatements as a whole whether due to fraud or error and to issue the Auditor's Report comprising my opinion. Although fair assurance is a high quality assurance, it does not confirm that it would always expose quantitative misstatements when the audit is done in accordance with Sri Lanka Auditing Standards. It is expected that individual or collective impact of fraud or error may result in quantitative misstatements and it may have an effect on the decisions taken by the users based on these financial statements. This audit has been carried out by me with professional judgement and professional scepticism. Also, • Obtaining sufficient and appropriate audit evidence to avoid risks caused by fraud or error by designing appropriate audit procedures that are appropriate in the circumstances in recognizing and evaluating possible misstatements that may occur in Financial Statements due to fraud or error is the basis of my opinion. Fraud will have a higher impact than that of material misstatements and collusion, preparation of fake documents, intentional avoidance and avoidance of internal controls may result in fraud. • The auditor considered internal controls relevant to the university in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the institution. • The audit included evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as the suitability of the related disclosures made by the management. • The relevance of using the going concern basis for accounting purpose was determined based on the audit evidence obtained on whether there is a sufficient contingency on the going concern of the university due to events or circumstances. In case I conclude that there is a sufficient contingency, my audit report should attend to the related disclosures in the Financial Statements and my opinion must be modified in case the disclosures are not sufficient enough. However, going concern may end due to future events or circumstances. • Presentation, structure and content of the Financial Statements with disclosures was assessed and underlying transactions and events were evaluated for whether they were included in the Financial Statements in an appropriate and reasonable manner. The controlling parties are made aware of the important audit findings, major internal control weaknesses and other facts recognized in the audit.

		8. Ms. H.M.J.C. Herath Faculty of Education However, these lecturers have been informed to complete their PhD degree expeditiously and their progress is being monitored. Also, taking a decision regarding these lecturers was referred to the Council at its 577th council meeting held on 10.02.2021. The Council has decided to send reminding letters to the relevant lecturers and also to refer this matter to a committee comprising three members appointed by the University Grants Commission. Accordingly, necessary action will be taken in the future. Among the lecturers that breached the agreement, Ms.S.R.S.D.K. Weerawansa had signed a bond for 3 years. The value of the agreement is Rs. 2,658,116.82. Yet, she has obtained study leave for only a year and after that she has served the university. Later, she has obtained a study leave of six months from 2018.09.10 to 10.03.2019 to complete her PhD degree. Then she has signed a bond with the university again. There, the value of the bond was re-calculated including salary, allowances and other scholarship funds related to the previous year in which she was on study leave. Re-calculated value of the bond amount is Rs. 2,665,131.17. Therefore, I kindly inform you that the value of her previous bond of Rs. 2,658,116.82 should be removed from this audit report. In answering the letter to inquire about the progress of her PhD degree, she has informed that her PhD thesis has been completed and submitted. Mr. G.M.I. Aponso has signed a bond worthy of Rs. 3,354,585.00 with the university for three (03) years (2010.05.10 - 2013.05.09). Yet, he too has obtained a study leave of one year and has resumed the duty. Later, he has obtained a study leave from 29.02.2012 to 28.04.2013 to complete his PhD degree and resumed duty again without completing his PhD degree. Later, in 2018 he has obtained study leave for a year from 23.04.2018 to 22.04.2019 to complete his PhD degree. There, the value of the bond was re-calculated including salary, allowances and other scholarship funds related to the previous year in which he was on study leave. Re-calculated value of

		the bond amount is Rs. 6,759,030.68. Therefore, I kindly inform you that the value of her previous bond of Rs. 3,354,585.00 should be removed from this audit report. In addition, the matter regarding recovery of the bond of Ms. H.M.J.C. Herath was referred to the Legislative sub Committee at its 28th meeting held on 11.03.2019. Based on the recommendations of the Legislative sub Committee, the Council at its 551st meeting held on 10.04.2019 has recommended to refer this matter to the Department of Attorney General to ask for consultation of the Attorney General. Accordingly, this has been sent to the Department of Attorney General in writing. It is further informed that she is still in service of the university. Further, the following three lecturers were released from paying the bond, since their agreement does not contain any reference to the fact that the course should be successfully completed. This decision was taken by the Council of the university at its 551st meeting held on 10.04.2019, based on the recommendations of the Legislative sub Committee made at its meeting held on 11.03.2019. These lecturers are still in service of the university 1. Mr. D. M. Karunadasa-Faculty of Arts 2. Ms. S N Rajendran - Faculty of Education 3. Ms. M D M Abeyrathne Faculty of Law However, although aforesaid Mr. D. M. Karunadasa had been granted an amount of Rs. 603,000 by NCAS Institute to complete his post graduate degree, only Rs. 201,000 had been utilized by him. Since completion of the post graduate degree is mandatory for the lecturers, the UGC has allocated him a grant upto the maximum of Rs.700, 000.00. Yet, he had withdrawn only Rs. 645,930. Therefore I would like to inform that the amount mentioned should be amended to include the actual amount of money that has been obtained from his bonds (Rs. 1,010,942.89 and 1,947,736.69) by him. Although Ms. S.N Rajendran has been given study leave for 3 years from 01.04.2012
--	--	---

to 31.12. 2015, she has resumed duty at the university since 31.03.2014. She has signed a bond of Rs. 6,547,600.00 for this three years' duration.

The scholaeship amount of Rs. 3,350,300.00 allocated for her was included in it. She had withdrawn only Rs. 251,000.00 out of that. Therefore, I would like to inform you that this should be recalculated including her bond, salary and wages obtained and the actual scholarship fund obtained.

Lecturers that have not resumed work after moving overseas

Out of the 15 lecturers mentioned in the audit query, the following two lecturers have already paid the total value of their bonds. Only the interest is to be recovered yet. That interest has been mentioned as the bond value of them. It should be accordingly rectified as the due interest amount.

However, that amount could not be charged as they have refused to pay the amount. They have been informed of this matter for several times. Although a letter has been sent to the Ministry of Education to obtain its approval to inform the relevant embassies of these lecturers, a reply is yet to be received. In addition, action will be taken to refer this matter to the UGC as well.

Name of the Lecturer	Faculty	Bond Value	Paid Amount (As at 31.12.2020)	Due Balance (Interest)
Mr. K.N. Jayasinghe	Management	Rs.5,324,101.18	Rs.6,109,367.92	Rs.740,033.43

Dr. T.M.K.P Thennakoon	Management	497,701.04	1,146,661.22	31,869.21

Also legal action has been taken to recover the bond amount of 6 lecturers. Among them, cases related to 4 lecturers have been finished and all the cases were decided in favour of the university

1. Ms. R.E. Casichetty

Although the bond value of this lecturer was Rs.2,845,989.88, it has been re calculated. The re calculated value is Rs.3,090,743.82. Accordingly, an amount of Rs. 522,866.31 has been recovered and legal action has been taken by the university to recover the balance of Rs.2,537,877.51. Also, currently the case has been in favour of the university and it has been decided to recover the relevant bond value from the second and third defendants. Accordingly, they have been informed several times by the university. But it has not been paid. Therefore, sending letters dated 30.08.2019, 20.12.2019 and 06.02.2021, the university has made a request to the the Department of Attorney General to inform the university about the future course of action.

		Mr. S.T.Nandasara – Consultant Dr. S.T.Nandasara who joined the Permanent Research and Academic Staff at the University of Colombo on 31 January 1980 retired from the service of the University on 31.01.2018 after completing 38 years of satisfactory service. He is an expert on electronic media and research and expansion of computer science in the local context. His service was obtained by the University of Colombo School of Computing from 01.02.2018, annually extending the service of him. Dr. Nandasara is an expert with over 4 years of field experience in the field of Electronic Media and Computer Science, as well as extensive experience in staff training in Asia Pacific, Africa and the Middle East. As a Course Coordinator in Electronic Media and Research Science, Dr. Nandasara used his expertise and his experience of serving the above countries to train students and to pass on his knowledge to the undergraduate and postgraduate students at the University of Colombo. In addition the number of research papers he has written on engineering computer science is also very high. The engineering computer concepts he introduced have received special attention in countries such as Japan and Singapore. In view of the above, Dr. Nandasara assisted in all the activities to implement the basic concept proposal for the University of Colombo Printing Press initiated by the University from the preparation of specifications for the printing press machinery required from the construction of the printing press building, the study and analysis of the tender papers obtained, and the instructions required for them. Accordingly, Dr. Nandasara was appointed by the Council on 01.02.2020 as the Consultant to the Press of the University of Colombo on the recommendation of the Board of Management and granted extension of service for five months. Duties such as preparing estimates and ordering all the stationery required for the printing press i.e. ordering paper and toner etc. are being carried out by him since 01.02.2020 to date.
