Introduction

The Sri Lanka Judges' institute was established by an Act of parliament titled "Sri Lanka Judges' Institute Act No; 46 of 1985" to provide for the establishment of a Judges' Institute and for matters connected therewith or incidental thereto.

Objectives of the Sri Lanka Judges' Institute

The objectives of establishing the Sri Lanka Judges' Institute are as follows:

1. To provide facilities for the exchange of views and ideas on judicial and legal matters by judicial officers;
2. To organize and hold meetings, conferences, lectures, workshops and seminars with a view to improving the professional expertise of judicial officers and advancing their knowledge and skills;
3. To formulate and conduct training and research courses in various aspects of the administration of justice;
4. To provide library facilities and other educational material for judicial officers.

History of the Sri Lanka Judges' Institute

Sri Lanka Judges' Institute holds the rare distinction of being the only judicial institution in Sri Lanka in providing judicial education and training for Sri Lankan Judicial officers and enhancing their professional standards.

Before the Judges' Institute was established, the only training the judicial officers had, before they assumed their judicial duties, was a few weeks of court observation sitting with the presiding judge. It was strongly felt that judges who administer justice must have the training not only before they commence their judicial career, but that the training is a continuous process throughout their judicial career. It was then realized that an in-depth and a regular training institute for judicial officers should be designed and set up where judicial officers of all ranks would get judicial training on regular basis.

The idea of a Judges' Institute was first mooted by Mr. P.B. Herath, then Secretary, Ministry of Justice who having seen such an institute in France had written an article to the Newsletter of the Bar Association of Sri Lanka in 1982. But, as is usual, nothing was done about it and it was a voice in the wilderness. Mr. P.B. Herath who was the first to think of the Judges' Institute as Secretary, Justice was a steady source of encouragement to the Institute and became a very strong ally of the Institute.

Together they mooted the forming of a Judges' Institute for the provision of in-service continued legal education for Judges and Justice J.F.A. Soza was appointed the Director of the Sri Lanka Judges' Institute on 02 May, 1984. The question of funding had already been discussed with Mr. John Guyer, the Resident Representative of Asia Foundation. The first thing to be done was to find premises to house the new Institute. After looking at various alternatives, the Annex of Sri Lanka Foundation was taken on rent for one year. Steps were taken to furnish it. This was all done through the munificence of Asia Foundation. Some Seminars were held thereafter but only ad hoc programs could be put through as approval of the Government had to be obtained. A Cabinet Paper was prepared, but it was not clear whether the Government's approval was available.

Some excellent addresses were delivered and the discourses were of a very high standard. A Guest Speaker at this Seminar was Judge Clifford Wallace, Asia Foundation's Senior Advisor on Legal

Systems and Judicial Administration and a distinguished Judge of the 9th circuit of United States Court of Appeals.

The nascent Judges' Institute had its birth pangs. It was fortunate that Dr. A.R.B. Amerasinghe an outstanding intellect and a man of vision was there to espouse its cause. His name has to be written large in the genesis of the Judges' Institute as efforts resulted in the eventual establishment of the Sri Lanka Judges' Institute by an Act of parliament titled "Sri Lanka Judges' Institute Act No.46 of 1985 which was certified on 20th November, 1985. Justice Soza was formally appointed the Director with effect from 1st January, 1986. Since then the judges' institute has by organizing Seminars, Workshops, and Practice Notes and with an on-going advisory Service served the judges in every possible way. In 1990, Justice Soza was fortunate to be given the assistance of Justice K. Viknarajah, who joined as Deputy Director and Mr. P. Neville A. de Silva who joined the institute as its secretary on retirement from the Chief Justice's Secretariat.

The Judges' Institute is run by a Board of Management headed by the Chief Justice as Chairman ex-officio, and two appointed members, generally the two most senior Judges of the Supreme Court. The Administration and management of the Judges' Institute was vested in the Board of Management.

The first Chairman of the Board of Management of the Judges' Institute was Chief Justice S. Sharvananda who was a keen supporter of the Institute. He was followed by Chief Justice Parinda Ranasinghe. He had himself been a member of the Judiciary and he threw himself wholeheartedly into the affairs of the Institute. He participated in all its seminars and activities. He held discussions with Lawyers and Surveyors at the seminars and set up Monitoring Committees with a view to establishing cordial relations between bench and bar. The Institute will always remember him.

Thereafter Justice H.D. Tambiah became the chairman of the board of management having been appointed the Chief Justice who by that time had already served as a member of the Board of Management and made an important contribution in the progress of the institute. Mr. A.S. Wijethunga who as the then Secretary of the Judicial Service Commission also played a key role in the pioneering efforts of the institute to get on its feet. He was then the president of the Court of Appeal and still evinced an abiding interest in the institute. His successor Mr. Lal Peris and his assistant Mr. S. Withanachchi also maintained an unflinching interest in the institute. They have bestowed a solicitous concern for the welfare of the institute and they were a tower of strength to the institute.

Judges' Institute expresses our gratitude to Asia Foundation earlier headed by Mr. John Guyer and thereafter by Mr. Nick Langton to whose support the Institute owes its very existence. Our Institute, we are proud to say, is one of the prime concerns of the Foundation and a beneficiary of its largesse. The Institute was thereafter located in the premises of the Supreme Court at Hulftsdorp and the expenses of the maintenance were borne by the State. The Institute has drawn on the expertise and experience of Senior Judges of the appellate Courts on judicial matters and Senior Officials of the Ministry of Justice on Administrative matters in formulating Training programs for trial court Judges. In November 1990 Dr. Paul M.Li, Executive Director, California Centre for Judicial Education and Research, visited Sri Lanka and formulated a project to enable the Sri Lanka Judges' Institute to provide, on a three-year pilot basis, a comprehensive educational training system for the judiciary as follows:

1. A six-month, professional education program for new members of the Sri Lanka Judiciary, with later continuing education to update and enhance their judicial knowledge and skills;
2. Separate one-month, in-service orientation programs for judges newly elevated to District Courts and High Courts;
3. Annual in-service continuing education conferences for, respectively, Magistrates, District Court Judges, High Court Judges, and Appellate Court Judges, to assist them in keeping up-to-date on new legal developments, meeting common and individual court problems, and standardizing local court practices and procedures.
4. Periodic one-week, advance judicial studies programs on such important judicial subjects as court management, communication skills, courtroom fairness to women and minorities, judicial fact finding and decision-making and jurisprudence and the humanities and in handling specialized court duty assignments involving matters of family law, juvenile law, criminal law, civil law, probate and mental health law, land and partition law, and human rights law;
5. The initiation of comprehensive set of everyday working tools (bench books, checklists with spoken words and written forms, manuals, and other reference materials) for the judiciary, including audio and video taped educational materials (with basic library

- facilities for Judges in the Courts);
6. An effective judicial faculty development program for Judge-teachers;
 7. On-going research and development programs for improving court operations and overcoming court delay, and for enhancing the ethical conduct and public accountability of judges;
 8. The design and possible rental or future construction of a training facility, with appropriate classrooms, offices, audio-visual equipment and other resources, to implement the above judicial education system.

The purpose of this project was to promote quality justice and strengthen the rule of law as for the fair, speedy and effective administration of justice. It is an imperative that the members of the judiciary be properly equipped for their roles and responsibilities. This required not only proper training for judges at the time of assuming office, but also continuing education throughout their tenure of office. The quality of justice will depend on how good the judges are. Laws alone are not enough. The justice administered will be only as good as the Judges who administer it. Countries all over the world committed to the rule of law have realized this and have training and education programs for the Judges.

During this period, the Institute was accommodated in the premises of the Supreme Court in Room No. 1308. The Board of Management of the Sri Lanka Judges' Institute appointed Justice K. Viknarajah, retired Judge of the Court of Appeal as the Deputy Director who along with Justice J.F.A. Soza conducted in-service training for judicial officers. After Justice K. Viknarajah left the Institute, Justice S.J.D. de S. Wijeyeratne, retired Judge of the Court of Appeal assumed duties as the Deputy Director in 1986. Thereafter Justice P.H.K. Kulathilake, retired Judge of the Court of Appeal was appointed as the Deputy Director in 2002, who with his immense knowledge and experience as a member of the Attorney-General's Department, a High Court Judge and a Judge of the Court of Appeal was an asset to the Judges' Institute and a mentor to judicial officers.

After the retirement of Chief Justice G.P.S. de Silva, Justice Sarath N. Silva was appointed as the Chief Justice in 2000. Chief Justice Sarath N. Silva was a tower of strength to the Judges' Institute. He permitted his official Bungalow at Wijerama Mawatha to be used as the Judges' Institute and made the funds of the Legal and Judicial Reforms Project available for conducting training for

judicial officers.

Chief Justice Sarath N. Silva initiated long term judicial training by initiating foreign scholarships for judicial officers with the support of the Legal and Judicial Reforms project of the Ministry of Justice, Law Reforms and National Integration in association with the World Bank. One of the objectives of this Project was to establish a modern judicial system capable of efficiently and competently adjudicating disputes. The integral part of the project was to fund, training for the judiciary and to develop comprehensive training program for both new and in-service judges, with special focus on commercial law. To this end, the project funded the total costs of studying for a LLM program for 3 members of the Judiciary per year including tuition, travel, accommodation and reasonable costs of subsistence.

Chief Justice Sarath N. Silva also initiated computer training for judicial officers and the court staff at the Institute which was located at that time in his official Bungalow at Wijerama Mawatha. During his period the construction of a new building to the Ministry of Justice was made and the Institute was allotted the 5th floor and a part of the 4th floor was allotted as the Judges' Residences. The Institute is grateful to Chief Justice Sarath N. Silva for supporting the Institute and throwing himself wholeheartedly into the affairs of the Institute during his tenure of office from 2000 to 2009. The Institute always remembers him.

Justice J.F.A. Soza who was the founder Director and served the Institute as its Director for more than 21 years retired in 2008 having rendered a yeoman service to the Judges' Institute and Judicial officers. Justice J.F.A. Soza continues to be our inspiration and he will be in our memories for ever.

After the retirement of Justice Soza, Justice Nissanka Udalgama, retired Judge of the Supreme Court was appointed as the Director in 2008 and Justice Udalgama functioned as the Director till 2011. During his period, Justice Nissanka Udalgama initiated the first web site of the Sri Lanka Judges' Institute. Justice J.F.A. Soza, Justice Udalgama and Justice P.H.K. Kulatilake were instrumental in publishing more than 10 Course materials on criminal, civil, commercial matters, Case Management and Alternative Dispute Resolution for judicial officers with the assistance of Judges of the Supreme Court, Court of Appeal and High Court. Justice Nissanka Udalgama! We salute you for all you did to the Institute.

After the retirement of Chief Justice Sarath Silva, Justice Asoka Silva was appointed the Chief Justice in 2009. During his period, Justice P.H.K. Kulatilake was appointed the Additional Director

in 2009 and in 2011 he was appointed as Co- Director with Justice T.B. Weerasuriya, retired Judge of the Supreme Court. Justice T.B. Weerasuriya and Justice Kulatilake served the Institute with distinction and trained both civil and criminal judges with their immense experience and knowledge as judges of the Superior Courts. The Institute takes this opportunity to pay tribute to both of them for rendering a yeoman service to the Institute and the Judiciary. We always remember them as our great mentors.

Chief Justice Asoka Silva concentrated more on judicial education and training. Chief Justice Asoka Silva restructured training programs and training contents with the assistance of the Institute. Several workshops were conducted for High Court Judges and Judicial Officers. Chief Justice Asoka Silva himself participated in several such seminars and supported all activities of the Institute. During this period several training modules were published and Chief Justice Asoka Silva obtained the services of both in-service judges and retired judges as resource persons for judicial training. Chief Justice Asoka Silva instructed the Institute to invite High Court Judges to train trainee judges.

Also during this period the Judges' Institute was located in the New Building of the Ministry of Justice and the Institute is grateful to Mr. Suhada Gamlath, the then Secretary to the Ministry of Justice for taking steps to establish a Judges' Institute with a new auditorium, a computer lab, a library and Judges' Residences. The Institute will remember you for your efforts to provide the judicial officers with a new Judges' Institute. The Institute is indebted to the UNDP for donating all equipment required for the computer lab, auditorium and the library and providing furniture for the Judges' Residences.

During this period the Accountant of the Judicial Service Commission was appointed as the Acting Accountant of the Judges' Institute on an acting basis. Also a Court Registrar and three Management Assistants were

In April 2013, the Institute got a section of the New Building of the Ministry of Justice to be used as its office and the Institute is thankful to Chief Justice Mohan Peiris for taking initiative in this regard. The Institute is also indebted to the Secretary, Ministry of Justice Mrs. Kamalini de Silva for providing the building of the Ministry of Justice to be used as the Office of the Institute. FUNDS OF THE INSTITUTE

The institute has its own fund which is administrated by the Board of Management of the institute. The institute is mainly financed from the treasury grants channeled through the Ministry of Justice both for its capital and recurrent expenditure. The ministry of justice/treasury places the ceiling for this expenditure and the institute has to operate within these ceilings.

In terms of the provisions of the Sri Lanka Judges' Institute Act No.46 of 1985, the institute has authority to accept donations, gifts and grants from any source approved by the president and all such donations, gifts and grants received by the institute from any source shall be paid in to the fund. All expenses incurred in the administration and management of the institute (including the payment of remuneration) shall be paid out of the fund of the institute.

The treasury has granted through the Ministry of Justice Rs. 2 million capital expenditure and Rs. 8.9 million as the recurrent expenditure for the year 2019.

TRAINING PROGRAMS

Since the establishment of the Judges' Institute in 1985, a number of training courses and events have been held in the institute. However, with the expansion of the institute in 2013, the programs of the institute are intended to cater to High Court Judges, District Judges, Magistrates and Presidents of Labor Tribunals, Judges of Kathie Courts (Quazis), and Court Management Assistants. In order to achieve the aforesaid objectives, the Judges Institute is committed to ensuring a high standard of judicial performance through programs designed with the focus on judicial education, capacity enhancement (including skills development), attitudinal change and social commitment. It is also committed to further developing and adopting improved judicial administration and management through education and research. The programs of the institute are intended to cater to original court judges and presidents of Labor Tribunals who come within the purview of the judicial service.

Training requirements vary depending on the training modules and types of training participants, although there are common training programs relevant to all participants. A training program can be mandatory, voluntary or optional depending on the type of training and the experience of the judicial officer or his acquired knowledge at earlier training sessions. It also covers the question of who has the authority control the training and how training programs are financed, target groups and the time of training.

In Sri Lanka, all judicial officers are required to take part in mandatory in-service training as a means of improving the professional expertise of judicial officers and advancing their knowledge throughout their judicial careers. They are required to attend in-service training programs conducted by the judges' institute on each Saturday in the Judges' Institute of Sri Lanka and in case of any inability: they are required to inform the authorities of their inability to attend mandatory in-service training sessions.

In the case of newly recruited trainee judicial officers, introductory and preliminary training programs are conducted on a day to day basis and such training programs are mandatory. They do not have any option of not attending training sessions conducted by the judges' institute. The other type of training requirement arises in the case of a decision taken by the Judicial Service Commission to attach an in-service judicial officer to the judges' institute for further training.

Nature of Training

1. Mandatory Training

The existing continuing mandatory judicial training for in-service and trainee judicial officers would continue and optional and voluntary training programs would be enhanced for in-service judicial officers as indicated above. However, new approaches for judicial training would be introduced taken into consideration the needs of the judicial officers and the changes taking place in other jurisdiction which now concentrate on technology based face to face distance learning and technology based self – learning judicial training.

2. Optional Training

The need for support courses in other jurisdiction such as English writing for judicial work, personality development, computer training, health development are regarded as optional courses depending on the standard and the requirements of judicial officers. Support courses such as the Mentoring Program are optional program for in-service judicial officers.

3. Training Period

In Sri Lanka, judicial officers are drawn from lawyers who have completed the initial mandatory period of practice as an attorney-at-law either in the private bar or official bar unlike in other countries where a significant proportion of judges are drawn from academia where self-development or training is well-established. The Sri Lanka experience shows that the judicial training has been confined to usually six months, compared to civil law jurisdiction where an extended period of initial training is given, followed by an evaluation system. It has been proposed in this module that the training should be extended to a period of one year with mandatory presentations, research works and presentation of a thesis.

4. Training Authorities

Judicial training at present is delivered by the Sri Lanka Judges' Institute. However, the Board of Management of the Judges' Institute grants permission to conduct some specialized training programs by Governmental agencies or Universities when such programs are relevant and useful for

judicial officers. In the case of foreign training, such training sessions are conducted either by a foreign university, judicial academy or specialized training institution.

5. Judicial Trainers

At present, training programs are conducted mainly by the Judges of the Sri Lankan Supreme Court and Court of Appeal. However, senior members of the Attorney General's Department also conduct certain types of training programs. Eminent jurists and academics are also invited to conduct judicial training programs taking into consideration of their knowledge, experience and their specialty relevant to judicial officers. As far as trainee judicial officers are concentrate their courses would be mainly conducted by the Judges of the Court of Appeal, High Court Judges, both in-service and retired and senior members of the Attorney-General's Department. For practical training such as identification parades, inquests and recording statements, senior Magistrates would also be invited to conduct such practical training and moot court sessions. Furthermore, support courses such as computer courses, electronic courses filing, mental development, forensic science courses would be conducted by outside trainers who are the experts in their respective support courses.

Aims and Objectives of the Coursers

1. To understand the prestige of judicial office and role of judges in the administration of justice;
2. To understand the importance of a code of ethics for judicial officers in the administration of justice to minimize erosion of public confidence in their judicial and extra judicial activities;

The new training manual however, introduces a mentoring training program by which two eminent resource persons who is either retired Supreme Court judge or Court of Appeal judges, advise judicial officers, high Court Judges and Presidents of Labor Tribunals. The mentors (consultants) deal with the following functions;

1. Criminal law and evidence – Original and appeals-mentor(Consultant) retired judge of the A Supreme Court or Court of Appeal
2. Civil Law and Labor Law – Original and appeals- 1 mentor (Consultant) - retired judge of the Supreme Court or Court of Appeal.

Director,
Sri Lanka Judges' Institute.

Report of the Auditor General in terms of Section 12 of the National Audit Act, No. 19 of 2018 on the financial statements and other legal and regulatory requirements for the year ending at 31st December, 2019 of the Sri Lanka Judges' Institute.

1. Financial statements

1.1 Observed opinion

The Sri Lanka Judges' Institute's financial status statement ending at 31st December, 2019, financial performance statement for the year ending at 31st December, 2019, net asset change statement and notes pertaining to cash flow statement and financial statements for the year ending at 31st December, 2019, financial statement summarizing important accounting policies for the year ending at 31st December, 2019, were audited under my direction in accordance with the provisions laid down in the National Audit Act, No. 19 of 2018 and the Finance Act, No. 38 of 1971 read together with the Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka. As the financial statement of the Sri Lanka Judges' Institute for the year ending at 31st December, 2019 had not been submitted on the due date, my report on transactions of activities in terms of Article 154 (6) of the Constitution was tabled in Parliament on 03rd August, 2021.

I am of the opinion that, save and except for the effect of the facts described in the section incorporating the basis for observed opinion in my report, financial status at 31st December, 2019 and financial performance and cash flow for the year ending at 31st December, 2019 of the the Sri Lanka Judges' Institute truly and fairly reflect compliance with the Sri Lanka Public Accounting Standards.

1.2 The basis for the observed opinion

- (a) Accounting method followed to account capital grants was not disclosed in the financial statements.
- (b) Despite the capital grants in a sum of Rs. 1,291,309 received for capacity development programmes for the year under review was expended for the relevant purposes, such provisions was added to the capital grant reserve in the financial status statement instead of entering same in the financial performance statement.
- (c) Property plant and equipment in a total sum of Rs. 58,712,764 indicated in the financial statement during the year under review were not submitted for auditing along with documents/schedules supported by individual balances with dates of acquisition and therefore, the accuracy of computing of depreciation value of the property plant and equipment in a sum of Rs.12,983,495 and as well as the depreciation adjustments for the previous year as had been accounted could not be checked at the auditing.

I conducted the audit in accordance with the Sri Lanka Audit Standards. (SLAS) My accountability under these audit standards is further elaborated in the section entitled Auditor accountability in respect of financial statement auditing incorporated in this report. I believe that the audit evidence I have obtained are sufficient and appropriate to provide a basis for my observed opinion.

1.3 Responsibilities of the management and controlling parties in the financial statements

It is the responsibility of the management to prepare and fairly present these financial statements in accordance with the accounting standards of the public sector in Sri Lanka and to determine the internal controls required to enable the preparation of financial statements without quantitative misrepresentations due to fraud or errors.

In preparing financial statements, it is the responsibility of the management to determine the capacity to maintain the continuity of the institute. The management also has a responsibility to keep accounts and disclose matters relevant to the continued existence of the institute, unless it intends to liquidate the institute or discontinue operations when there is no other option.

Responsibilities related to the financial reporting process of the institute are borne by the controlling parties.

Sub-section 16 (1) of the National Audit Act, No. 19 of 2018 provides for the proper maintenance of books and records on its own income, expenditure, assets and liabilities so as to ensure the preparation of annual and periodical financial statements of the institute.

1.4 Responsibilities of the Auditor in relation to the financial statement auditing

As a whole, my intention is to issue an auditor's report incorporating my opinion providing a fair proof that the financial statements are without quantitative misrepresentations due to, frauds and errors. Despite the fair certification is a high level of guarantee, when auditing is carried out in accordance with the Sri Lanka Audit Standards, it is not always a guarantee that it will detect quantitative misrepresentations at all material times. Frauds and errors, individual or collective, can lead to quantitative misrepresentations which are expected to affect the economic decisions made by users based on these financial statements.

I conducted the audit in accordance with the Sri Lanka Audit Standards with professional judgment and professional scepticism. Furthermore,

- When identifying and assessing the risks of quantitative misrepresentations in financial statements due to fraud or errors, it is the basis of my opinion that it requires obtaining adequate and appropriate audit evidence to overcome the risks posed by frauds or errors by way of planning appropriate audit procedures as the case may be. The impact of fraud is far greater than the impact of quantitative misrepresentations and corruption, forgery, deliberate evasion of internal controls can lead to a fraud.
- Although an understanding of the internal governance of the institute was gained in order to plan an appropriate audit procedures, it is not intend express an opinion on the effectiveness of internal control.
- The fairness of the accounting policies and accounting estimates used and the appropriateness of the relevant disclosures made by management were evaluated.
- The relevance of using the institute's continuity basis for accounting was determined based on the audit evidence obtained as to whether there was quantitative uncertainty about the firm's continuity due to events or circumstances. If there is sufficient uncertainty, the audit report should focus on the disclosures made in the financial statements, and if those disclosures are not sufficient, my opinion should be distorted. However, continued existence may end on future events or circumstances.
- The presentation, structure and content of the financial statements including disclosures were evaluated and it was evaluated that the transactions and events

on which they were based are included in the financial statements in an appropriate and fair manner.

The governing parties were made awareness on the important audit findings, key internal governance weaknesses and other issues identified during my audit.

2. Report on other legal and regulatory requirements

2.1 The National Audit Act, No. 19 of 2018 contains special provisions regarding the following requirements.

2.1.1 In accordance with the requirements of section 12 (a) of the National Audit Act, No. 19 of 2018, I obtained all information and clarification required for the audit subject to the observations described in the paragraph pertaining to the basis for the observed opinion and as appeared in my inquiry, proper financial reporting has been maintained by the institute.

2.1.2 That the financial statements of the institute correspond with the previous year as per the requirement mentioned in Section 6 (1) (d) (iii) of the National Audit Act, No. 19 of 2018.

2.1.3 The recommendations made by me during the last year as per the requirement mentioned in Section 6 (1) (d) (iv) of the National Audit Act, No. 19 of 2018 are included in the financial statements submitted.
