Postgraduate Institute of Medicine

Professor Senaka Rajapakse

Director

PGIM

Vision

To be an internationally recognized centre of distinction for producing specialists and other professionals of high caliber to meet health needs of the country, region and contribute to world health.

Professor Chandanie Wanigatunge

Deputy Director

PGIM

Mission

To plan and develop, implement, monitor and evaluate postgraduate academic programmes required to produce specialists and other professionals of the highest quality, competence and dedication who provide optimum and humane health care to the people of Sri Lanka, the region and the world.

S. Anusha

Deputy Registrar

PGIM

Message from the Director

It is a pleasure for me to present the Annual Report of the PGIM for the year 2023.

The PGIM remains the country's sole institute responsible for specialist training of medical and dental practitioners. Our 23 Boards of Study, 33 Specialty Boards and 04 Interim Specialty Boards conduct 141 programmes of study leading to MD and MSc degrees, PG Diplomas, PG Certificates, and Board Certification of specialists. Currently, there are 4377 Postgraduate trainees, including 894 new entrants, enrolled for these programmes. In 2023, we conducted 123 examinations, awarded 481 MD and 105MSc degrees, 238 PG Diplomas, 60 PG Certificates, and Board Certified 275 specialists.

General guidelines and regulations are updated at the beginning of each year, incorporating all new decisions approved by the Senate of the University of Colombo. Regular updating of existing prospectuses, and the development of new training programmes continues, with emphasis on developing shorter programmes (Master level) for non-specialist-grade doctors. The PGIM offers training programmes and fellowship programmes to overseas doctors, and in 2023 several Maldivian doctors have joined our programmes to obtain highly specialised training.

A new 'Academic Centre' at Rodney Street was completed and became operational in August 2019. Furniture and office equipment for the building were purchased utilizing our generated funds, and in 2023 a state-of-the-art laboratory was made operational.

The PGIM faced a unique set of challenges because of COVID19. Despite the lockdown and restrictions imposed by the pandemic, the PGIM managed to maintain a high level of functionality, by converting most activities to the online mode, and by moving towards an eco-friendly paperless office. The trend of having virtual meetings has continued, resulting in greater participation and engagement of trainers. The PGIM continues to implement health and safety measures in keeping with national guidelines, ensuring the safety of staff, trainers and trainees. The restriction on new recruitments and replacements for staff who have retired or resigned remains an obstacle. The PGIM has also commenced a 'Learning Enhancement, Adaptability and Productivity (LEAP) Project, aimed at achieving even higher standards of teaching and learning. The PGIM functions entirely on generated funds, placing no direct burden on the Treasury. The PGIM obtained a true and fair Audit Report for 2022.

I take this opportunity to thank members of the Board of Management, Boards of Study, Specialty Boards, examination boards, trainers and examiners for their contributions to the PGIM this year. I wish to especially commend our administrative, academic, clerical and other support staff for their commitment and diligence.

Professor Senaka Rajapakse
Director/PGIM

HISTORICAL BACKGROUND

Medical education in Sri Lanka commenced in 1870 with the establishment of the Ceylon Medical College, which became the Faculty of Medicine in 1942 when the University of Ceylon was established. No postgraduate medical examinations were conducted by the University of Ceylon until 1952 when examinations for the degrees of MD and MOG commenced, followed by the degree of MS the next year.

At that time, there was no structured or organized postgraduate training. Postgraduate medical training was obtained in the United Kingdom and qualifications such as MRCP, FRCS, FFARCS, MRCOG, FRCR, MRCPATH, MRCPsych, FDSRCS etc. awarded by the professional colleges in the UK were recognized for consultant appointments by the Ministry of Health and universities. In 1973, the Advisory Committee on Postgraduate Medical Education recommended to the Government that a supervised in-service training period of 3 years followed by an examination should replace training abroad. Accordingly, the Institute of Postgraduate Medicine (IPGM) was established in 1976 under provisions of the University of Ceylon Act No. 1 of 1972, and was attached to the University of Colombo. It was formally inaugurated on the 2nd of March 1976 by Dr. Halfdan Mahler, Director General of the WHO. Professor K.N. Seneviratne was appointed as its first Director.

However, the newly set-up IPGM was at a disadvantage as examinations of the UK professional Colleges continued to be conducted in Colombo, and local doctors preferred these to IPGM examinations. A review of the work of the institute became necessary. The government decided to stop the UK professional colleges from conducting foreign postgraduate medical examinations in Sri Lanka and to grant full recognition and preference to postgraduate medical degrees of the institute with effect from the 1st of January, 1980.

In order to achieve the objectives of the institute, it was re-established in 1979 under the provisions of the Universities Act No. 16 of 1978, and renamed the Postgraduate Institute of Medicine (PGIM). Dr. S.A. Cabraal was appointed as its first Director. Accordingly, PGIM Ordinance No: 1 of 1980 made under the provisions of the Universities Act referred to above came into force on the 10th of April, 1980. Boards of Study for various specialties were re-organized and courses of instruction and examinations were arranged for different specialties. They were Anaesthesiology, Community Medicine, Dental Surgery, Family Medicine and General Practice, Medicine, Obstetrics & Gynaecology, Ophthalmology, Pathology, Paediatrics, Psychiatry, Radiology and Surgery. In 1985, four more Boards of Study, Forensic Medicine, Microbiology, Otolaryngology, and Clinical Oncology were established. Professor R.G. Panabokke was appointed Director in 1990. Boards of Study in Medical Administration and Dermatology were established in 1994 and the Board of Study in Venereology in 2001. Dr. J.B. Peiris was appointed Director in 1995, followed by Professor Lalitha Mendis in 2002, Professor Rezvi Sheriff in 2006, Professor Jayantha Jayawardana in 2012, Professor H. Janaka de Silva in 2014 and Professor Senaka Rajapakse in 2020. The post of Deputy Director was established in 2011, and this post has been held by Professor Jayantha Jayawardana, followed by Professor Prashantha Wijesinghe, Professor Chrishantha Abeysena, Professor Senaka Rajapakse and Professor Chandanie Wanigatunge. Amendments to the 1980 Ordinance took effect on the 1st of July 2014 and 23rd of February 2018. Several new Boards of Study and Specialty Boards were established under the amended Ordinance.

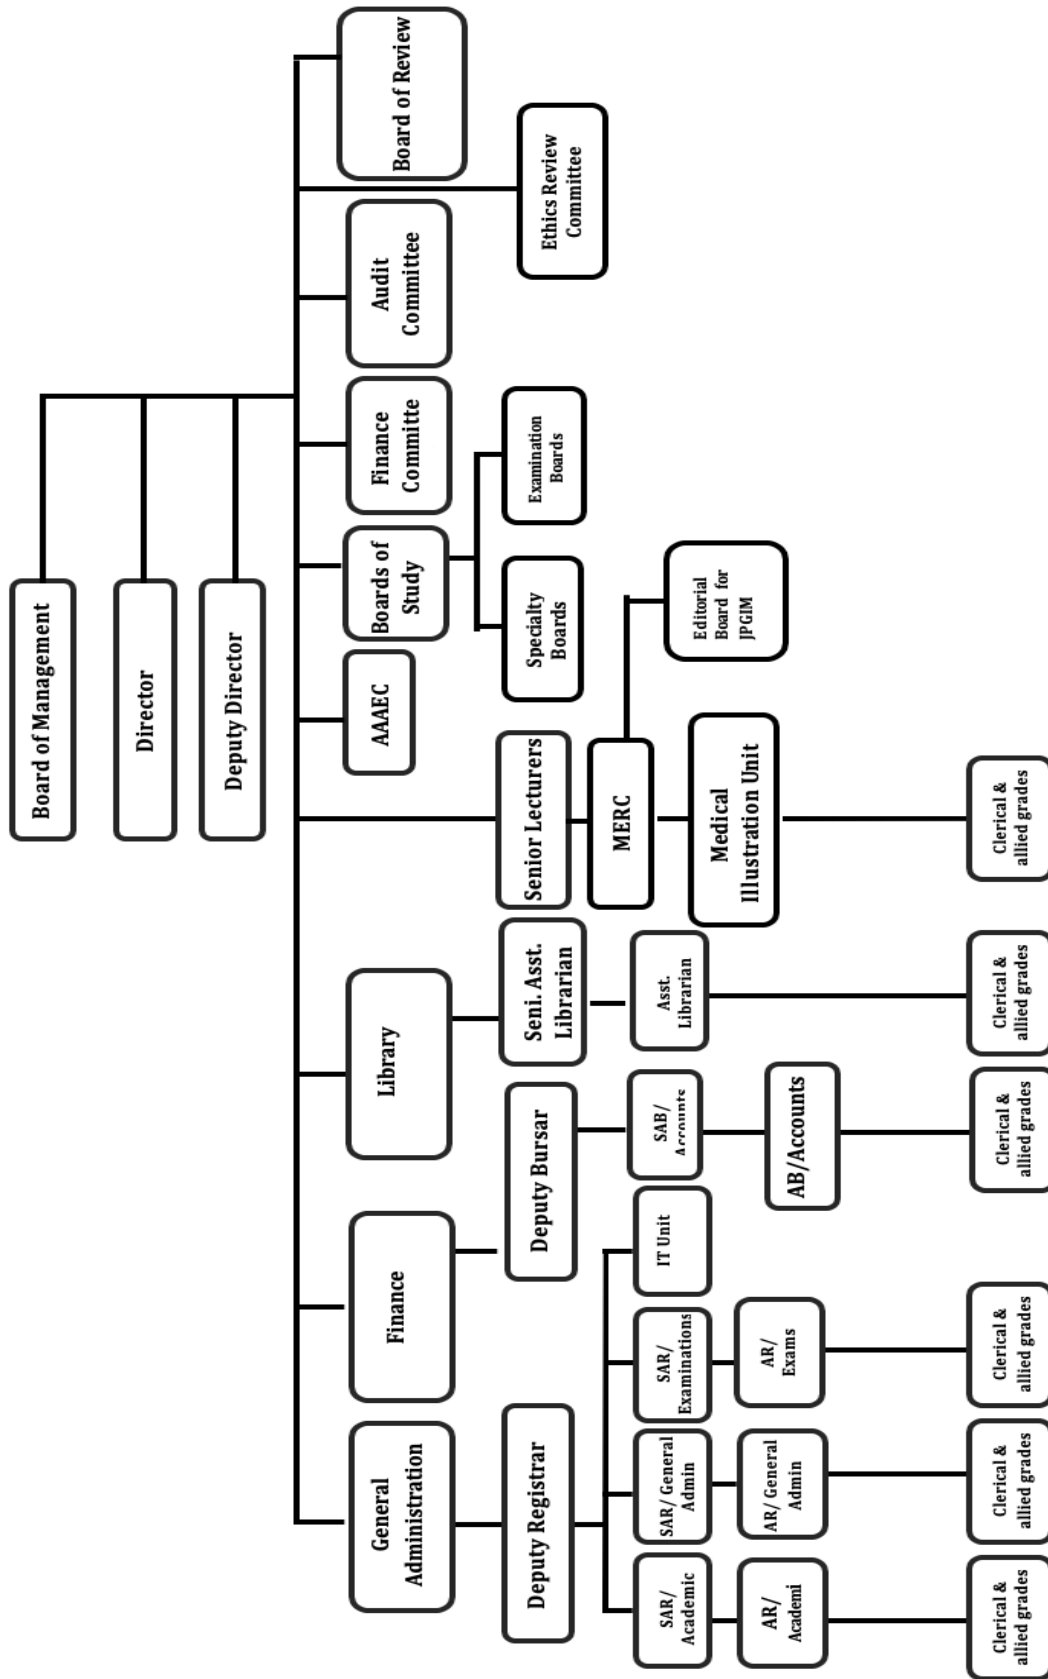

Goals

- Expand the adoption of information, communication technology (ICT) and simulation in providing postgraduate training
- Diversify the academic programmes to meet the emerging national health care needs
- Play a key role in formulating medical education and related policies of the country and its implementation
- Internationalise the academic programmes in view of gaining regional and global recognition towards becoming a centre of excellence
- Provide leadership in establishing a formal programme for Continuous Professional Development (CPD) among medical/dental doctors in Sri Lanka

Objectives

- Produce human resources for health of high quality and sufficient quantity to meet the national demand.
- Maintain and improve skills and competencies of health personnel through continuing education.
- Innovate and design methodology that will facilitate in continuing education of medical personnel.
- Inculcate constructive attitudes and promote the habit of self-learning among the medical personnel.
- Promote the use of available resources and appropriate technology with regard to postgraduate education.
- Inculcate the concept of using a health care team approach in solving health problems.
- Evaluate medical education programmes in order to obtain information with regard to flaws and pointers for improvement.
- Arrange in-service programmes where preventive and curative care and nursing care are well integrated.
- Develop educational links with foreign institutions for mutual benefit in order to maintain high standards of postgraduate medical education in Sri Lanka. To be a financially and administratively independent institute, internationally recognized centre of excellence, producing specialists of high professional standards to meet the health needs of the country and contribute to regional and world health in a responsive manner.

Organization Structure

1. Board of Management

Board of Management is the chief executive body and governing authority.

Professor SD Jayaratne (Chairperson), UGC Appointed Member

Professor Senaka Rajapakse, Director/PGIM

Professor Chandanie Wanigatunge, Deputy Director/PGIM

Mr. K R Uduwawala, Nominee of the Secretary/Ministry of Education

Dr. P G Maheepala, Secretary/Ministry of Health

Ms. Visakha Amarasekera, Nominee of the Secretary/ Ministry of Finance

Dr. Asela Gunawardena, Director General of Health Services

Dr. P W C Panapitiya, Deputy Director General of Health Services

Professor Vajira H.W. Dissanayake, Nominee/Faculty of Medicine, University of Colombo

Professor Vasanthi Pinto, Nominee/Faculty of Medicine, University of Peradeniya

Professor T. P. Weerathna, Nominee/Faculty of Medicine, University of Ruhuna,

Professor M.G. Sathiadass, Nominee/Faculty of Medicine, University of Jaffna

Professor R.C. Fernandopulle, Nominee/Faculty of Medical Sciences, University of Sri Jayawardenapura

Professor M N. Chandratilake, Nominee/Faculty of Medicine, University of Kelaniya

Professor M. Umakanth, Nominee/Faculty of Health Care Sciences, Eastern University of SL

Professor S.H. Siribaddana, Nominee/Faculty of Medical & Allied Sciences, Rajarata University of SL

Professor F.R. Fernando, Nominee/Faculty of Medicine, University of Moratuwa

Professor A.M. Attygalla, Nominee/Faculty of Dental Sciences, University of Peradeniya

Professor S.G. Yasawardene, Nominee/Faculty of Dental Sciences, University of Sri J'pura

Professor H. Janaka de Silva, UGC Appointed Member

Professor Jayantha Jayawardena, UGC Appointed Member

Professor Nandadeva Samarasekera, UGC Appointed Member

Dr. Harsha Cabral, UGC Appointed Member

Professor Arjuna de Silva, UGC Appointed Member

Dr (Mrs.) Malkanthi Galhena, UGC Appointed Member

Professor S. Karunaratne, Council nominee

Ms. Padmini Ranaweera, Council nominee

Dr. Ranjan Dias, Co-opted Member

13. Details of Infrastructure Facilities made in 2023

Infrastructure Details	Expenditure	Physical Progress
1. Waterproofing Floor of the water tank in the North wing building.	Rs.413,796.25	Complete
2. Repairing Balcony on the 4 th Floor of the North wing Building.	Rs.310,564.50	Complete
3. Supplying, fabricating & fixing a coater for fire Access of the Academic Center.	Rs.718,615.15	Complete
4. Supplying & Fixing zine Aluminum cutters & pipes of the PGIM main premises.	Rs.461,250.00	Complete
5. Renovation of the outer washroom in the Main Building.	Rs.449,916.70	Complete
6. Renovation of wall cupboard in Board room No: 01 of the Main Building.	Rs.245,650.00	Complete
7. Repaving and painting chicken-plated AC units servicing the Balcony Area in the South wing Building.	Rs.324,000.00	Complete

8. Renovation of manholes, removing & paving interlocal in main premises.	Rs. 399,000.00	Complete
9. Renovation of washroom near canteen area.	Rs. 445,154.75	Complete
10. Removing Damaged tiles & Re-laying on the 5 th floor Examination Branch.	Rs. 177,200.00	Complete
11. Supply and fix a new aluminum door for the washroom near the security hut.	Rs. 50,000.00	Complete
12. Installation of blinds in the 2 nd floor IT Laboratory and Laboratory complex of the PGIM North wing building.	Rs. 342,500.00	Complete
13. Stainless steel Name Board for Academic Center.	Rs. 498,000.00	Complete

14. Any other details

14.1 Academic Activities

14.1.1. Registration

The PGIM conducted 141 postgraduate courses during the year 2023 leading to MD & Board Certification, Masters, Postgraduate Diploma and Certificates under the direct guidance of 23 Boards of Study, 33 Specialty Boards and 4 Interim Specialty Boards.

A total of 4377 Postgraduate trainees including 894 new entrants were enrolled to undergo training programmes leading to degrees of MD and Board Certification, Masters, Postgraduate Diploma and Certificates of them 3523 trainees were undergoing training programmes locally and while 854 were training in overseas recognized training centres."

14.1.2. Academic Emphasis

The academic emphasis in the year 2023 was also centered on introducing of new training programmes and the revision of curricula and prospectuses to enhance the quality of the exiting training programmes bench marking with the internationally accepted curricula and incorporating the latest techniques.

Series of workshops were held during this year too for trainers and examiners and relevant topics in order to equip them with new techniques, examination formats to enhance the quality, maintain the accepted standards of training programmes and examination from based on the recommendations of

the reports of External Examiners of MD Examination from the Centres of Excellence in the United Kingdom, Australia, Singapore, India, USA, Canada, Norway, New Zealand.

14.1.3. General Regulations and Guidelines for postgraduate trainees

The document on General Regulation and Guidelines for postgraduate trainees published in 2022 was amended incorporating the subsequent decisions taken by the Board of Management/Senate during the year 2022 in order to make effective from January 2023.

14.1.4. General Regulations and Guidelines for Trainers/Examiners and Supervisors

The document on General Regulation and Guidelines for Trainers /Examiners and Supervisors published in 2022 was revised incorporating subsequent decisions taken by the Board of Management/Senate during the year 2022 in order to make effect from January 2023.

Prepared by IT Unit/PGIM

Note:

(a): Those who are in Overseas training as at 31/12/2023 within 2 yrs period

(b): Those who have returned in 2023 and not Board Certified

(c): Board Certified in 2023

2024-01-10

14.1.5. Medical Education Resource Centre (MERC)

The year 2023 was another successful year for the Medical Education Resource Center (MERC), where it was in the forefront of many an activity conducted by the PGIM.

ACADEMIC ACTIVITIES

Academic Courses coordinated by MERC

Board of Study in Multidisciplinary Studies

1. Pg Certificate in Medical Education, Master of Medical Education and MD in Medical Education:

The Postgraduate Certificate in Medical Education is a ten months part time course which leads to the Master of Medical Education course.

Fourteen candidates joined the PG Certificate in Medical Education Training in 2023. Fifteen Trainees of the 2022 batch passed the Pg Certificate in Medical Education exam in 2023.

Three trainees joined the Master of Medical Education Programme in 2023. Three candidates of the 2022 batch completed their academic activities in 2023.

One trainee completed her Post MD local training in 2023 and other trainee continue his Post MD Local training.

2. MSc in Medical Toxicology:

No new batch was started for the year 2023. Among the previous batch two candidates passed the second year case book assessment in 2023

Workshops for Trainees conducted by MERC 2023:

1. Research Methodology workshops

- i. 20th, 21st, 22nd, 23rd, 24th & 24th March 2023 – 60 Participants
- ii. 7th, 14th, 21st 28th, June, 5th & 12th July 2023 – 25 Participants
- iii. 16th, 17th, 18th, 19th, 20th & 21st October 2023 – 34 Participants

2. Workshop on Professionalism & Ethics in Medical Practice Strand for MD trainees

- i. 10th, 11th, 24th, & 25th February 2023 – 175 Participants
- ii. 19th, 20th, 26th & 27th May 2023 – 164 Participants
- iii. 18th, 19th, 25th & 26th August 2023 – 84 Participants
- iv. 17th, 18th, 24th & 25th November 2023 – 165 Participants

Other trainees workshops

1. Postgraduate Study Day in Urogynaecology for Obstetrics and Gynaecology Trainees – 9th January 2023 – 28 Participants
2. Workshop on Medico-Legal Aspects of Human Trafficking – 19th January 2023 – 26 Participants.
3. Workshop on Promoting Research & Publication for Forensic Medicine trainees – 11th February 2023 – 31 Participants

4. Workshop on Safeguarding Course for Stage I Pre-MD Trainees in Paediatrics – 13th February 2023 – 26 Participants
5. Postgraduate Study Day in Overseas Training for Obstetrics and Gynaecology Trainees – 17th February 2023 - 25 Participants
6. Workshop on Communication Skills for MD Paediatrics Trainees – 21st February 2023 – 33 Participants
7. Workshop on Communication Skills for MD Paediatrics Trainees – 27th February 2023 – 46 Participants
8. Workshop on Psycho-Legal Aspects of Management of Drug Dependence & Child Protection – 23rd March 2023 – 71 Participants
9. Research Day Workshop for MD Radiology Trainees – 24th March 2023 – 28 Participants
10. Workshop on communication and consultation for MD Family Medicine trainees – 18th April 2023 – 17 Participants
11. Communication Skill training workshop for MD Trainees in Pediatrics – 3rd May 2023 – 42 Participants
12. Communication Skill training workshop for MD Trainees in Pediatrics – 9th May 2023 – 32 Participants
13. Study day on colposcopy for Obstetrics and Gynaecology Trainees – 18th May 2023 - 31 Participants
14. Postgraduate Study Day for Obstetrics and Gynaecology Trainees – 1st June 2023 - 30 Participants
15. Workshop on Laboratory Management in Forensic Anthropology for Specialists & Postgraduate Trainees in Forensic Medicine – 16th June 2023 – 21 Participants
16. Workshop on Child Protection for Stage 1 Pre-MD trainees in Paediatrics – 12th June 2023 – 20 Participants
17. Workshop on Fetal Heart Screening for Obstetricians and Radiologists for Obstetrics and Gynaecology Trainees – 18th June 2023 – 31 Participants
18. Communication skills Study day for Obstetrics and Gynaecology Trainees – 28th June 2023 – 25 Participants
19. Child protection safeguarding workshop for Paediatrics trainees – 12th July 2023 – 37 Participants
20. Communication skills workshop for DCH trainees – 14th July 2023 – 16 Participants
21. Postgraduate Study Day for Obstetrics and Gynaecology Trainees – 17th & 24th July 2023 - 25 Participants
22. Study day on Contraception for Obstetrics & Gynaecology trainees - 25 Participants
23. Workshop on Research Methodology for MD Medicine Trainees – 15th September 2023 – 20 Participants
24. Training session by Dr Susan Ward, Vice President - Education RCOG – 12th October 2023 – 75 Participants
25. Workshop in Clinical Epidemiology – 18th & 19th October 2023 – 60 Participants
26. Portfolio Workshop for Trainers in MD Radiology – 20th October 2023 – 20 Participants
27. Research Workshop for Forensic Medicine trainees – 27th October 2023 – 20 Participants
28. MD Orthodontics Academic Programmes

Workshops for Trainers conducted by MERC

The following workshops were conducted in 2023. In addition, on the request of the boards of study, extra workshops were arranged.

1. Training of Trainer Programme of the PGIM
 - i. 1st & 15th February 2023 - 37 Participants
 - ii. 14th & 21st June 2023 – 59 Participants
 - iii. 16th & 23rd August 2023 – 65 Participants
 - iv. 1st & 8th November 2023 – 68 Participants
2. Examiner Training Programme
 - i. 29th March & 4th April 2023 – 57 Participants
 - ii. 15th & 22nd September 2023 – 37 Participants
 - iii. 6th & 13th December 2023 – 29 Participants

Other trainers workshops

1. MD Psychiatry - Curriculum revision workshop for members of BOS Psychiatry – 27th & 28th April 2023 – 25 Participants
2. Trainer - Training Programme for Military Medicine Trainers – 16th June 2023 - 17 Participants

Journal of Postgraduate Institute of Medicine (JPGIM)

MERC coordinates the administrative and editorial functions for the JPGIM. The 10th volume Issue 1 & Issue 2 of the JPGIM was published in 2023.

Annual Research Symposium of the PGIM

The Annual Research Symposium of the PGIM 2023 was held on 1st December 2023 as a Psychological event. The session was attended by around 165 postgraduate trainees and trainers. Out of around 56 abstracts submitted for the sessions, 42 were selected as either oral or poster presentations. Authors of selected abstracts were invited to submit the full papers to the PGIM Journal. Dr Nirmitha Lalindi de Silva, Consultant Medical Parasitologist and Lecturer, Department of Parasitology, Faculty of Medicine, University of Ruhuna was the orator of the 2023 oration.

Ethics Review Committee (ERC/PGIM)

ERC/ PGIM evaluated 164 applications from Paediatrics, Oncology, Radiology, Medical Administration, Respiratory Medicine, Anaesthesiology, Medicine, Biomedical Informatics, Family Medicine, Community Medicine, Obstetrics and Gynecology, Venereology, Health Sector Disaster Management, Sports & Exercise Medicine, Pathology, ENT Surgery, Surgery, Dental Surgery, Emergency Medicine, Paediatrics, Microbiology, Haematology trainees in 2023. The secretarial administrative support for the ERC/PGIM is given by MERC.

14.2. Evaluation and Examinations Activities

14.2.1. Examination

PGIM conducted 123 numbers of examinations including 49 MD, 07 MSc, 15 PG Diploma, 03 PG Certificate and 45 selections examinations in year 2023. 1804 numbers of candidates sat for the qualifying examinations held in 2023 and 805 of candidates were successful. In addition to the local examiners all the MD examinations were evaluated by external examiners as well (**Table 03**).

14.2.2. Foreign Training

PG trainees underwent mandatory overseas training in recognized training centers as detailed in **Table 04**

14.2.3. Board Certification

PGIM awarded 275 of Board certifications in year 2023 from different specialties. Therefore the total numbers of PGIM Board Certified consultants have increased up to 5041 (**Table 05**).

Table 03

External Examiners - 2023

Examination	External Examiner	Country
MD (Anaesthesiology) Final March	Dr. Hasanthi Goonaratne	UK
MD (Anaesthesiology) Final August	Dr. Jim Brunning	UK
Selection MD (Anaesthesiology) March	Dr. Ritoo Kapoor, Dr. Bobby Krishnachetty,	UK UK
Selection MD (Anaesthesiology) August	Dr. Fiona Cameron Dr. Dasgupta Kausik	UK UK
MD (Community Medicine)/ MD (Community Dentistry)	Prof Bobby Joseph	India

14.3. Library

14.3.1 Orientation Programme on PGIM Library Resources and Services for PGIM Trainees
Based on the decision made at the University of Colombo, Senate Meeting No. 463rd (30.06.2021) the concept note on ‘Orientation Programme on PGIM Library Resources and Services’ by the Library of the PGIM was approved and the Orientation programme on PGIM library resources and services is a mandatory programme for all postgraduate trainees who enter the PGIM training programmes, especially for trainees who undertake research as part of their training.

A total number of 221 PG trainees participated in the Orientation preprogram on PGIM library resources and services and an e certificate was awarded to all participants in 2023. Coordination and resource persons were Mrs. M.P.P Dilhani/SAL and Mrs. Chandima Wadasinghe/SAL.

No	Programme Date	No of Participants	Specialties

The Oration on “Navigating Reputed Medical Databases: A Comprehensive Guide to Conducting an Effective Literature Review” delivered by Mrs. M.P.P Dilhani in the Research and Publication workshop held on 19th August 2023 at the Neurotrauma Auditorium, National Hospital of Sri Lanka organized by The Sri Lanka Orthopedic Association.

The Oration on "Unlocking Medical Databases: Maximizing Literature Reviews for Research Success" delivered by Mrs. M.P.P Dilhani and the Technical assistance provided by Mrs. Chandima Wadasinghe and Mr. P.A.C Dias at the Senate Hall, medical faculty University of Sri Jayawardenapura, held on 03rd November 2023.

14.3.2 Clinical Key Database

The subscription to ClinicalKey Database for the 3 consecutive years was completed in May 2022, and the PGIM decided to purchase the ClinicalKey database for the next three consecutive years (2022-2025) since its medical resources and remote access facility were very useful for the academic requirements of PG trainees, trainers, and examiners. The PGIM annually conducts more than 119 postgraduate degree programmes and 139 postgraduate examinations in medicine, and there is a great need to provide access to medical journals and textbooks through the library of the PGIM. The policy of the PGIM is to purchase only e-resources unless they are available in digital form. The PGIM purchased the Clinical key from M/S Elsevier at the rate of US \$ 233,449 for the 3 consecutive years from 2022 to 2025 subject to reviewing the performance annually. Year 1 (2022-2023) payment settled on 2nd March 2023. This task was coordinated by supervised by Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe with top management and the Finance division/PGIM.

Pricing work file for ClinicalKey package as follows.

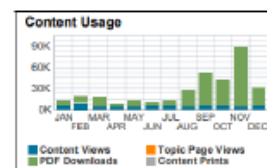

Year	List Price (US \$)	Discount Price (US \$)
Year 1 (2022-2023)	\$ 77,755	\$ 74,052
Year 2 (2023-2024)	\$ 81,642	\$ 77,755
Year 3(2024 2025)	\$ 85,724	\$ 81,642
Total	\$ 245,121	\$ 233,449

14.3.3 Stock Verification Procedure in the University Libraries – UGC circular 01/2022

The PGIM library is currently conducting stock verification following UGC Circular 01/2022, involving the main board and four sub-committees. The library staff has compiled reports on the main collection, E-resources, special collections, perished materials, and written-off materials to obtain approval from the sub-committees. All documents were submitted to the main committee in January 2024 for the preparation of the final report under the supervision of Mrs. M.P.P. Dilhani, Senior Assistant Librarian, PGIM, and Mrs. Chandima Wadasinghe, Senior Assistant Librarian, PGIM

14.3.4 Library Books Valuation

The PGIM library is currently conducting a valuation of library books in collaboration with the Finance branch/PGIM.

14.3.5 Maintenance and upgrading of the KOHA Library Management System

PGIM Library has been using an older version of the Koha software since 2012. Koha is an open-source software library automation package (ILS), and its new version was released in 2023. Upgrading to the latest version of Koha is essential to improve the efficiency of entering bibliographic data for library materials and to provide a new user-friendly platform for PG trainers, trainers, academics, and examiners. Therefore, the TEC and DPC recommended the Maintenance and upgrading of the KOHA Library Management System. Mrs. M.P.P. Dilhani, Senior Assistant Librarian, PGIM, coordinating this activity.

14.3.6 Workshop conducted by the Library PGIM

14.3.6 (i) Workshop on PGIM Library Resources and Services, Clinicalkey Database, and Mendeley Reference Management Software

The PGIM Library organized a one-day workshop focusing on PGIM Library resources and services, ClinicalKey database, and Mendeley reference management software on the 22nd of June 2023. The workshop was specifically designed for all members of the Board of Studies of the PGIM and the trainers of the PGIM and participated 49 trainers. Mrs. M.P.P. Dilhani, Senior Assistant Librarian, PGIM, and Mrs. Chandima Wadasinghe, Senior Assistant Librarian, PGIM, served as the coordinators for the workshop. The Resource Persons for the program were Mr. Durga Ranganath/ Manager, Elsevier, India, Mr. R. Subramaniam, Sales Manager, Elsevier, India and Mrs. M.P.P. Dilhani, Senior Assistant Librarian, PGIM.

14.3.6 (ii) Conducted a webinar on the Clinicalkey Database for PGIM trainees on 13th October 2023

The Resource Person for the program was Mr. Durga Ranganath/ Manager, Elsevier, India.

14.3.6(iii) Checking plagiarism by using Turnitin - iThenticate software

PGIM collaborated with the University of Colombo to acquire Turnitin Plagiarism Detection Software. The university had discontinued the purchase of plagiarism detection software, creating challenges in checking theses, dissertations, case books, and other reports submitted by PG trainees due to the unavailability of the Turnitin facility. As a solution, PGIM obtained a Turnitin/iThenticate subscription on April 20, 2023, at a cost of US \$7,062 for one year. This task was managed by Mrs. M.P.P. Dilhani and Mrs. Chandima Wadasinghe.

14.3.6 (iv) PGIM Academic Staff and Subject Clerks Training on Turnitin - iThenticate software:

Administrator Training: 1. Log in to Turnitin iThenticate as an Administrator 2. Set account features and settings for your institution 3. Use account statistics to monitor usage 4. Add & Manage the Users. 5. Access help guides and support. 20th April 2023 Resource person: Sachin Gurwe/ Training and Implementation/ Consultant/ India Coordinated by Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe

Turnitin Webinar Invitation: Ensuring Research Integrity with iThenticate 22nd Wednesday, November 2023 -Resource person: Sachin Gurwe/ Training and Implementation/ Consultant/ India. Coordinated by Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe.

Turnitin Invitation: iThenticate User Awareness Session 12th July, 2023. Coordinated by Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe

Turnitin Invitation: iThenticate User Awareness Session 11th Wednesday October, 2023. Coordinated by Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe

14.3.7 Plagiarism Checking (General)

A total number of 1390 Theses, Dissertations, Case books, Research proposals, and Assignments forwarded by PG trainees were checked for plagiarism by using Turnitin – iThenticate Software since April 2023.

14.3.9. Digitization of Theses and Dissertations

A total number of 56 Dissertations and Theses were digitized under the supervision of Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe

14.3.10 Reading softcopies of theses and dissertations on the intranet

PGIM library created a URL link for full-text accessibility of theses and dissertations in readable mode through the intranet. (The downloading and circulating facility of the dissertation is a violation of copyright.) This was introduced and implemented by Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe.

14.3.11 Library Online Catalogue

Total numbers of 311 and 50 e-books (bibliographic data) were entered into Koha online library catalogue.

14.3.12 Past Question Papers of PGIM Examinations

The total number of 43 Past Question Papers of examinations conducted by the PGIM during the year 2023 was added to the PGIM Library Digital Repository. <http://librepository.pgim.cmb.ac.lk/handle/1/2146>

14.3.13 HINARI login request -2023

A total number of 353 PG Trainers and Trainees have been sent login access to HINARI in 2023.

14.3.14 Article Request Services

A total number of 546 article requests were made by postgraduate medical trainees, trainers, and consultants during the year 2023. More than 415 articles were forwarded to the recipients.

14.3.15 Binding

A total number of 192 PGIM materials and library materials (Books, Journals, case books, Theses and dissertations, Annual Reports) were bound during the year 2023.

Binding type	No completed Books
Full binding	Library Collection = 127 Administration Division = 38
Half binding	Library Collection 27
Total	192

14.3.16 Library Committee Meeting

The library committee meeting was held on 24th August 2023. The meeting was chaired by Prof. Kamani Samarasinghe, Senior Lecturer / PGIM, and Secretary of the Committee Mrs. Chandima Wadasinghe/SAL/PGIM.

14.3.17 Library Publication (e-publications)

14.3.17.1 Annotated Bibliography of Dissertations and Theses presented to PGIM by Postgraduate Trainees

Mrs. M.P.P Dilhani and Mrs. Chandima Wadasinghe compiled the publication on the Annotated Bibliography of Dissertations and Theses presented to PGIM by Postgraduate Trainees (1982-2012), and it is available on the PGIM Library website. <https://drive.google.com/file/d/1fiPhFOMZXSsTM99v2X5aFjzMK9KzXn1v/view>

14.3.18 Library in Action Newsletter

Compiled the Library in Action Newsletter 2022 edited by Mrs. M.P.P Dilhani /SAL/PGIM and Mrs. Chandima Wadasinghe/SAL/PGIM.

https://library.pgim.cmb.ac.lk/wp-content/uploads/2024/01/Newsletter_Library-_2022_edited-11.01.2024-1.pdf

14.3.19 Compiled Portfolio Index

Compiled the MSc Human Nutrition Portfolio Index by Mrs. WDIP Dissanayake, Senior Staff Assistant, PGIM, and WMNM Wanigasekara, Library Information Assistant, PGIM.

14.3.20 Library Tutorial

The library tutorial Searching Medical Literature by Mrs. M.P P Dilhani has been uploaded to the PGIM library website <https://library.pgim.cmb.ac.lk/2023/11/22/health-and-medical-literature-searching/>

14.5 Significant Accounting Policies for the Year Ended 31st December 2023

14.5.1 Reporting entity

Legal and Domicile Form

The PGIM is the only institute in Sri Lanka that is responsible for the specialist training of medical doctors. It is a national institute that is attached to the University of Colombo and established under the PGIM Ordinance No.01 of 1980 and domiciled at No.160, Prof. Nandadasa Kodagoda Mawatha, Colombo 07. It is internationally recognized and several of its training programmes have 'equivalence' recognition by the Royal Colleges of the UK.

Principal Activities & Nature of Operation

The PGIM works in close collaboration with the Ministry of Higher Education and Training, the Ministry of Health, Faculties of Medicine of the Universities and Professional Colleges. The Secretaries Ministry of Health and Ministry of Higher Education, the Director General / Medical Services, Deans of all Faculties of Medicine and seven nominees by the University Grants Commission among distinguished professional in the country consist of the Board of Management.

Vision

To be an internationally recognized center of distinction for producing specialists and other professionals of high caliber to meet health needs of the country, region and contribute to world health.

Mission

To plan and develop, implement, monitor and evaluate postgraduate academic programmes required to produce specialists and other professionals of the highest quality, competence and dedication who provide optimum and humane health care to the people of Sri Lanka, the region, and the world.

Date of authorization for issue

The Financial Statements of the Postgraduate Institute of Medicine University of Colombo were authorized for issue by the Bord of Management dated on 03rd February 2024.

Financial Period

The financial period of the institute represents from 01st January 2023 to 31st December 2023.

14.5.2 Summary of Significant Accounting Policies

14.5. 2 (i) Statement of compliance

The Financial Statements of the Institute have been prepared and presented in accordance with Sri Lanka Public Sector Accounting Standards (SLPSAS's). However, Sri Lanka Accounting Standards also have been used in the areas where no Public Sector Accounting Standards are available. These Financial Statements comprise the Statement of Financial Position, Statement of Financial Performance, Statement of Cash flows, Statement of Changes in equity and Notes to the Financial Statements.

14.5.2 (ii) Basis of measurement

The Financial Statements of the Institute have been prepared on an accrual basis and apply consistently. No adjustments have been made for inflation factors. The financial transaction is recorded on historical cost convention except subsequent recognition of the assets on revaluation basis, reported in 2.12 and retirement benefit obligation reported in 7.3 of Summary of significant accounting policies to the financial statements.

14.5.2(iii) Comparative information

All accounting policies adopted by the institute are applied consistently with those of the previous year, where necessary comparative figures have been adjusted to conform to the changes in presentation of the current year's figures.

14.5.2 (iv) Materiality and aggregation

Each material class of similar items is presented separately in the financial statements. Items of dissimilar nature or function are presented separately unless they are immaterial.

14.5.2 (v) Offsetting

Assets and liabilities, revenue and expenses have not been offset unless required or permitted by SLPSAS.

14.5.2 (vi) Going concern

The PGIM has assessed the ability to continue as a going concern. The Board of Management of the Institute has a reasonable expectation that the Institute has adequate resources to continue in operational existence for the foreseeable future. The Institute does not foresee a need for liquidation or cessation of operations, considering all available information about the future. Accordingly, the PGIM continues to adopt the going concern basis in preparing the financial statements.

14.5.2 (vii) Events after the reporting period

Event After the reporting date are those events, both favorable and unfavorable, that occur between the reporting date and the date when the Financial Statement is authorized for issue. Two types of events can be identified.

- a. Those events provide evidence of conditions that existed at the reporting (adjusting events after reporting date)
- b. Those are indicative of the condition that arose after the reporting date (non adjusting events after reporting date)

All material events after the reporting date have been considered and where appropriate adjustments or disclosures have been made in the Financial Statements.

14.5.2 (viii) Functional & presentation currency

Items included in the financial statements of the PGIM are measured using the currency of the primary economic environment in which the PGIM operates (the functional currency). These financial statements are prepared and presented in 'Sri Lankan Rupees' (Rs.), which is the PGIM's functional and presentation currency.

14.5.2 (ix) Transaction of foreign currencies and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are measured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognized in the income statement.

14.5.2 (x) Rounding

The amounts in financial statements have been rounded-off to the nearest rupee, except otherwise indicated as permitted by the Sri Lanka Public Sector Accounting Standards.

14.5.2 (xi) Budgetary Controls

The annual budget of the PGIM has been prepared in line with the financial regulations and guidelines issued by the Treasury and University Grants Commission (UGC). Since the actual budgetary allocation from the General Treasury has not been received during the year of 2023 PGIM had to restrict its expenses through an internally generated fund.

Budgets cover the fiscal period of 1st of January 2023 to 31st December 2023. Statements of comparison of budgets and actual amounts have been attached to the schedule.

14.5.2 (xii) Property, Plant & Equipment (PPE)

The PGIM's Property Plant & Equipment (PPE) includes Land, Buildings, Furniture & Fittings, Office Equipment, Computer & Network Equipment, Laboratory and Teaching Equipment, Library Books and Periodicals, Cloaks and Garlands, Motor Vehicles, and Electricity Distribution.

a) Basis of recognition

Property, Plant and Equipment are recognized if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be reliably measured.

i) Initial recognition

Property, Plant & Equipment are initially recognized at cost including the cost of purchase with any incidental expenses incurred in bringing the assets to its working conditions, for its intended use. Subsequent to initial Recognition and PPE are measured at cost less accumulated depreciation and accumulated impairment losses.

ii) Subsequent expenditure on existing Property, Plant & Equipment

Expenditure incurred on tangible PPE is charged to the Statement of Financial Performance in the period it is incurred, unless it meets one of the following criteria, in which case it is capitalized and depreciated over the relevant useful lifetime.

- Increase in the capacity of the asset.
- Substantial improvement in the quality of output or reduction in operating cost.
- Significant extension of the life of the asset beyond that confirmed by repair and maintenance.
- The market value of PPE has subsequently increased.
 - Expenditure incurred on repairs or maintenance of property, plant and equipment in order to restore or maintain the future economic benefits expected from originally assessed standard of performance, is recognized as an expense when incurred.

iii) Measurement after recognition

Cost model

After recognition all the PPE the classes of Land, Buildings, Furniture & Fittings, Office Equipment, Computer and Network Equipment, Laboratory and Teaching Equipment, Motor Vehicles, Library Books & Periodicals, Cloaks & Garlands, Electricity Distribution are carried at its cost less accumulated Depreciation.

Revaluation model

After initial recognition below classes of PPE whose fair value can be measured reliably has been carried at revalued amounts, which is fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. The PGIM policy is to revalue the below assets through Committee appointed by the Board of management of PGIM.

- Land & Buildings
- Motor Vehicles
- Furniture and Fittings
- Office Equipment
- Laboratory and Teaching Equipment
- Library Books and Periodicals
- Cloaks and Garlands
- Electrical Distributions

The carrying value of PPE and intangible assets are reviewed at each reporting date to determine whether there is any indication of impairment if any such indications exist, then the assets recoverable amount is estimated. An impairment loss is recognized if the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognized in the statement of financial performance.

iv) Intangible assets

Computer software and online journals and E- books have been recognized as intangible assets when it is probable that future economic benefits that are attributable to the assets will flow the enterprise and the cost of the asset can be measured reliably. Intangible assets acquired are stated at cost less accumulated amortization and accumulated impairment losses. These costs are amortized over their estimated useful lives. Useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

v) Buildings rented out for outside parties.

The Postgraduate Institute of Medicine, University of Colombo has leased out spaces located at the Academic Centre, a newly constructed building to professional colleges viz Sri Lanka College of Internal Medicine (SLCIM), Sri Lanka Society of Gastroenterology (SLCGE) and College of Pathologists (COP). Since this arrangement enabled the PGIM and the relevant professional bodies to mutually benefit and additionally the PGIM had reduced the cost spent on utilities. These properties are not classified as investment properties since these properties are not held either to earn rentals or capital appreciation. Accordingly, these properties are also classified as PPE in the statements of financial position.

vi) Library Books and Cloaks

The costs of library books and cloaks are written off on a straight-line basis over a period of five years.

b) Depreciation

Depreciation is recognized in the statement of Financial Performance on the straight-line basis on each component of an item of PPE other than freehold land.

Depreciation of an asset begins when it is available for use and ceases at the earlier date that the asset is classified as held for sale and the date that the asset is de-recognized.

The estimated useful life periods are as follows.

Assets Category	Estimated useful life
Buildings	20 years
Furniture & Fittings	10 years
Office Equipment	10 years
Laboratory and Teaching Equipment	05 years
Computers and Network Equipment	05 years
Motor Vehicles	05 years
Library Books	05 years
Cloaks and Garlands	05years
Computer Software	05 years
E-Books	Validity of the Key

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period, assets carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and gain / (loss) is recognized in the statements of comprehensive income.

c) Derecognition

The carrying amount of PPE is derecognized at the disposal or when no future economic benefits or service potential is expected from its use or disposal. The gain or loss arising from the derecognition shall be included in surplus or deficit when the item is derecognized.

14.5.3 Current assets

Current Assets classified in Statement of Financial Position are those which are expected to be realized in, or consumption in, in the Institute's normal operating cycle, expected to be realized within twelve months after the reporting date or cash or a cash equivalent.

14.5.3 (i) Inventories

Inventories which are for consumption and not for resale are stated at cost and determined on First in First out (FIFO) basis.

14.5.3 (ii) Advances to staff and receivables

Advances to staff and receivable comprise, Salary advance, festival advance and special advance.

14.5.3 (iii) Cash & Cash Equivalents

Cash and cash equivalents are defined as cash in hand, demand deposits, fixed deposit, Treasury bill and short term highly liquid investments readily convertible to known amounts of cash and subject to insignificant risk of change in value. For the purpose of cash flow statement, cash & cash equivalent includes cash in hand and deposits in banks. The cash flow statement is prepared based on the indirect method.

14.5.4 Revenue Recognition – Treasury and Other Grants

The Government grant for recurrent expenditure, income of research grant and projects, grants received for acquisition of assets and donations have been recognized as revenue when they are received, and other revenue are recognized on accrual basis.

14.5.4.1 Accounting for government grants

Grant Received from the treasury and the other agencies have been recorded and accounted in accordance with Sri Lanka Public Sector Accounting Standards (SLPSAS11) Revenue from Non exchange transactions (Taxes and Transfers).

a. Recurrent grant

Recurrent grants are recognized in the Statement of Financial Performance on a cash basis. In addition to that grants received and spent for rehabilitation of PPE, research and human capital development also recognize as recurrent grant in the statement of financial performance.

b. Capital grants and Donations

Capital Grants and Donations received by the way of treasury and other lending agencies to purchase Property Plant and Equipment have presented in the Financial Statements in accordance with the Sri Lanka Public Sector Accounting Standards (SLPSAS 11) Revenue from non-exchange transactions (Taxes and Transfers). The fair value of the assets received as donation has been accounted as revenue in the year of received.

14.5.4.2 Internally Generated Revenue

Income from fee levying courses such as tuition fee, examination fee, workshop fee, registration fee and revenue from other activities are recognized on accrual basis over the period of the course and degree programs.

14.5.4.3 Investment Income

Interest Income related to PGIM fixed deposits are accounted on an accrual basis. Interest Income of the fixed deposits is accrued using an effective interest rate method. In addition to the interest received from fixed deposits, interest income consists of interest received from loan and advances and money market investment income.

14.5.4.4 Cancelled Cheques

Cancelled cheques which were not presented for payments over the period of the last three years will be recognized as the income of the current period.

14.5.4.5 Supervision and evaluation fee

Cash received as Supervision fee will be recognized as income on cash basis and respective expenses will be recognized when the payments has been made.

14.5.5 Restricted Fund

14.5.5.1 Endowment fund

Endowment funds include restricted donations received by the PGIM. Investment returns generated from endowment funds are used in accordance with the various purposes established by the donors.

14.5.5.2 Development Fund

Development fund of the PGIM has been established to address the general capacity building requirements of the staff. Funds have been allocated from the generated income of the institute and utilization of the funds are based on the Board of Management approval for the purpose.

14.5.5.3 Research and publication Fund

Research and publication fund of the PGIM established for the purpose of inculcating and promote research among PGIM trainees and academic staff of the Institute. Funds are utilized with the agreement of the donor agencies and the Board of Management approval.

14.5.6 Employee benefits

14.5.6.1 Defined contribution plans

Employees are eligible for University Provident Fund (UPF) Contributions, Employees' Trust Fund (ETF) and University Pension Fund. Contributions are in line with the respective statutes and regulations. The Institute pays fixed contributions on basic emoluments plus Cost-of-Living allowances, academic allowances and monthly compensation allowances of employees to the University Provident Fund, Employees' Trust Fund, University Pension Fund and will have no legal or constructive obligation to pay further amounts. This obligation falls within the scope of the defined contribution plan, SLPSAS 19 on employment benefit. Obligation for contribution to define contribution plan are recognized in the Statement of Financial Performances as the related service is provided.

14.5.6.2 Defined benefit plans

Defined benefit plans are post-employment plans other than defined contribution plans. The Institute is liable to pay gratuity in terms of the Payment of Gratuity Act No. 12 of 1983.

14.5.7 Liabilities and provisions

14.5.7.1 Current liabilities

Current Liabilities are stated at their book value.

14.5.7.2 Provisions

Provisions are recognized when the Institute has present obligations (legal and constructive) as a result of a past event, where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

14.5.7.3 Defined benefit obligations

In accordance with the Gratuity Act No. 12 of 1983, a liability arises for a defined benefit obligation to employees. Such defined benefit obligation is a post-employment benefit obligation falling within the scope of Sri Lanka Public Sector Accounting SLPSAS 19 Employee Benefit. The liability recognized in the Statement of Financial Position is the present value of the defined benefit obligation at the reporting date. The calculation is performed annually by a qualified actuary using the projected unit credit method (PUC). Remeasurement of the defined benefit

liability, which comprises actuarial gains and losses, are recognized immediately in the statement of financial performance. The institute recognizes the increase in defined benefit liability attributed to the services provided by employees during the year (current service cost) in profit or loss together with interest expenses. The discount rate has been derived considering the yield of government bonds.

The actuarial valuation involves making assumptions about discount rates, expected rates of return on assets, future salary increases and mortality rates, due to the long term nature of the obligation, such estimates are subject to significant uncertainty.

14.5.8 Significant Accounting Estimates and Judgement and Assumptions

The preparation and presentation of financial statements in conformity with SLPSASs, requires management to make judgements, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Uncertainty about these assumptions and estimates could result in outcomes that require material adjustments to the carrying amount of assets or liabilities affected in future periods.

Estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

14.5.8.1 Changes in Accounting Policies and Estimates

PGIM recognized the effects of changes in accounting policy retrospectively. However, the effects of the changes in accounting policies are applied prospectively if the retrospective application is impractical.

14.5.8.2 Contingent liabilities and contingent assets

Contingent assets and liabilities have been accounted in accordance with SLPSAS8. Accordingly, a contingent liability is a possible obligation that arises from past events whose existence will be continued by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the program or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.

A contingent liability also arises in extremely rare cases where there is a liability that cannot be measured reliably. The uncertainty does not recognize a contingent liability but disclose its existence in the financial statement.

A contingent asset is a possible asset that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the University. The University does not recognize contingent assets but discloses its existence where inflow of economic benefits are probable but not virtually certain.

14.5.9 Taxes

14.5.9.1 Income Tax

PGIM is not liable to pay income tax on its income of the ordinary course of the business as Universities are considered as an exempt organization as per the Inland Revenue act no.24 of 2017 and amendments there to.

14.5.9.2 Advance Personal Income Tax (APIT)/Advance Income Tax

The Institute deducts Advance Personal Income Tax (APIT) as per the primary income and secondary income and remit the deducted amount to the Department of Inland Revenue.

14.5.9.3 Stamp Duty

Stamp Duty is deducted on payments as per the Stamp Duty Act and remit the deducted values to the Department of Inland Revenue.

The PGIM adheres to the changes in tax laws in the country and tax is charged accordingly.

14.5.9.4 Social Security Contribution Levy (SSCL)

Social Security Contribution Levy (SSCL) has been imposed with effect from October 01, 2022, by the Social Security Contribution Levy Act, No. 25 of 2022. Every registered person shall account for the levy on an accrual basis.

Therefore, the PGIM has registered and pay SSCL on service provided at the rate 2.5% on the 100% of turnover from 01st October 2023.

14.5.10 Expenditure Recognition

Expenses in carrying out the projects and other activities of the Institute are recognized in the statement of financial performance during the period in which they are incurred. Other expenses incurred in administering and running the Institute and in restoring and maintaining the property, plant, and equipment to perform at expected levels are accounted for on an accrual basis and charged to the statement of financial performance. All expenditure incurred in the acquisition, or improvement of assets of a permanent nature in order to carry on or increase the learning capacity of the students has been treated as capital expenditure.

14.5.10.1 Operational Expense

All expenditure incurred on the running of the institute and on maintaining the capital assets in a state of efficiency has been charged against income arriving at the surplus for the year. Expenditure on examinations, seminars and courses are recognized in the statement of Financial Performance on an accrual basis.

14.5.10.2 Finance Expense

Finance expenses are recognized on an accrual basis when it is paid or creates liabilities.

14.5.10.3 Project Expenses

Expenses on carrying out the projects and other activities of the institute are recognized in the statement of Financial Performance during the period in which they are incurred and the basis for identifying project expenses is mainly on the locations of the project and staff allocated to the project and projected activities of the project according to the project proposal.

Expenses are recognized in the statement of Financial Performance on the basis of a direct association between the cost incurred and the earnings of specific items of income.

14.5.11 Statement of Cash Flows

The cash flow statement has been prepared by using the indirect method in accordance with the SLPSAS 2 whereby gross cash receipts and gross cash payments of operating activities, finance activities and investing activities have been recognized. Cash and cash equivalents comprise short-term, highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

CASH FLOW STATEMENT FOR THE YEAR ENDED 31ST DECEMBER 2023

Disclosure 05

The Land value of Rs.573,720,000/= (five hundred seventy three million seven hundred twenty thousand) on which the PGIM Main premises is located (No: 160, Professor Nandadasa Kodagoda Mawatha, Colombo 07) has not been included to the books of accounts as an asset due to the following reasons.

1. The land has not been legally vested on the name of the Postgraduate Institute of Medicine up to now.
2. Although approval of the Cabinet of Ministers has been obtained for the ownership of the land on the name of the PGIM, the deed of transfer is awaited.

Due procedures have been followed by the PGIM with the Department of Land Commissioner General to obtain the deed of transfer.

15 Report on Future expectations based on Sustainable Development

The Postgraduate Institute of Medicine endeavours at developing the Specialist Doctor's Service, to pave the way for Sri Lanka towards Sustainable Development through the generation of a society that is in good health.

The PGIM uses the opportunity given by making use of the resources provided in the most effective and efficient manner and working in collaboration with its stakeholders to improve quality education. Further, the PGIM has taken appropriate steps to do its best to preserve and maintain the available resources, minimize the wear-and-tear, and eliminate wastage so that the available resources would be used by its clients/state holders in the future.

Accordingly, our major objectives are set at improving the Specialist Doctor's Service in a qualitative manner and providing quality Specialist Doctor's services in a convenient and effective manner to every Citizen of the country (Rural and Urban both).

In this connection, the University Grants Commission, the Ministry of Higher Education, Technology and Innovation and the Ministry of Health work hand in hand with our Institution. There are two landmarks that our Institution regulates in order to reach Sustainable Development Goals.

One landmark is the increase of the number of Specialist Doctors through provision of a quality Medical Education. To achieve this landmark, the PGIM has created certain standards to ensure quality education. In this regard, the PGIM has established different committees to scrutinize postgraduate programmes and curricula to match national and global health demands.

The second landmark is to increase the health and life expectancy of the people of this country by prioritizing the improvement of the specialist Doctor's Service and accordingly introducing new Medical programs that are recognized as necessary, for example, Elderly Medicine programs, Human Nutrition programs, Child health programs. Additionally, the PGIM has revised curricula of different postgraduate programmes to include many health and life expectancy aspects.

The Country would easily reach its goal of Sustainable Development through the provision of facilities for every citizen of the country to obtain the services of specialized Doctors and the provision of a qualitative Post Graduate Medical Education to doctors with the aim of increasing the level of health of all the citizens and upgrading the health facilities of children as well as men and women of all ages in order to increase their healthy lifespan. Postgraduate medical education in which doctors develop competencies under supervision after completion of their basic medical qualification, and it is the final preparation step for certification and/or licensure of doctors.

The Postgraduate Institute of Medicine is the only institution currently responsible for conducting postgraduate Diploma, Masters and MD programs. The subject boards include relevant experts from all the universities. The MD program includes a minimum of one year of foreign training in a recognized centre in the UK, Australia, New Zealand, Singapore or India. The PGIM offers specialization in all major disciplines and most subspecialties. The Ministry of

Health is responsible for providing cadre positions in all specialties. The number of specialists in most disciplines is inadequate to fill even the existing vacancies. To fill all the vacancies, the PGIM offers courses to medical doctors and thereby produce specialist doctors in the country.

Necessary steps have been taken to collect data that required to fulfill the need for specialist Doctors of the country through the following methods.

1. Obtain details regarding the number of doctors who serve as Specialist Doctors in Urban as well as Rural Hospitals.
2. Obtain information from the Medical faculties of all the State Universities.
3. Further, taking steps to identify particular diseases based on the gender and other health related requirements of the general public and train Specialist Doctors accordingly. For example: - Gynecology, Elderly Medicine.
4. Obtaining information through Military Hospitals and Police Hospitals.
5. Obtaining information via Private Hospitals.
6. Gathering information from Ministry of Health and Directors of Hospitals

To achieve the above, infra structure of all hospitals including rural areas also to be equally enhanced, so that the specialist doctors could provide excellent services to all citizen of the country

Further this institution has been rendering an excellent service under the prime goals of Sustainable Development i.e. health and wellbeing, green concept etc. In this connection the PGIM has established a Health Centre and a day care centre for the staff of the PGIM to improve the health and wellbeing of the PGIM community. The Health Centre provide services for the staff and their family members to receive treatment. If employees don't get preventative care and yearly check-ups, more employees will be out for long periods of time with serious illnesses. The state of being comfortable, healthy, or happy will improve the quality of the work. PGIM has taken steps to achieve access to adequate and equitable sanitation and hygiene for all and paying special attention to the needs of women who need extra assistance to maintain their work life balance. A day care centre was established at the PGIM to care children under 12 years during the working hours of female staff without the hassle of finding day care homes for children outside. This arrangement is made for working mothers to obtain care of their children for free of charge and in return this increase the efficiency of staff.

Additionally, awareness programs have been conducted to inculcate the PGIM community on energy conservation, new technological applications such as Microsoft Teams, environmentally friendly behavioural changes, and healthy eating practices.

The PGIM has taken green initiatives to make a Green PGIM. These green sustainable initiatives will promote to conserve water and energy and a clean environment. Introduction of the green concept within the institute was established in 2020 in order to make it fully sustainable by formulating the notion in written form. A green committee was also established to execute the plan. The committee has been functioning on different environmental aspects since last year. The PGIM's green concept, comprises a defined purpose, vision, mission, and a set of principles. The PGIM has replaced CFL bulbs of the main campus with LED bulbs and only LED bulbs were installed in the recently built Academic Center at Rodney Street, which could be considered a smart building. Moreover, the PGIM has shifted to inverter A/Cs, master switches, and low-power energy-efficient equipment. Also, the shared usage of office

equipment such as copiers and scanners is encouraged. The most progressive step among the green initiatives is becoming a paperless institute. It is compulsory to do all correspondence and submissions via electronic mails except for theses, fulfill all internal transactions through Microsoft Teams, and conduct every board meeting and lecture online. This approach has reduced ~65%-70% of the paper usage. Hand dryers have been installed in the smart building, eliminating paper waste generated due to single-use paper towels. Double-sided printing has been encouraged. Also, since about two years ago, the PGIM community has utilized glass utensils and biodegradable cups. The lunch sheets are not allowed in the cafeteria; instead, everyone had been requested to bring a container. Waste segregation is done into separate bins as per the CMC standards.

Although, we faced unique set of challenges as a result of the economic crisis during the year, we were able to continue the practice of implementing certain green concepts as we have shifted to a paperless office with online functionality. As such the PGIM was able to continue functioning effectively implementing green concepts.

The green initiatives were further expanded in 2023 and the PGIM has strictly monitored the implementation of the above green approaches in 2023. We have distributed pedestal fans to staff in view of using the fans when staff number is less in a branch instead of using Air conditioners to reduce the electricity usage. Further, we have provided statistics to the University of Colombo on carbon footprint usage (i.e., total greenhouse gas emissions) in order to obtain UI Green Metric award.

The Director,
Post Graduate Institute of Medical Sciences

Report of the Auditor General on the Financial Statements and Other Legal and Compliance Requirements of the Postgraduate Institute of Medical Sciences affiliated to the University of Colombo for the year ended 31st December 2023 in terms of the section 12 of the National Audit Act No: 19 of 2018.

1. Financial Statements

1.1 Qualified opinion

The audit of the financial statements of the Post Graduate Institute of Medical Sciences affiliated to the University of Colombo for the year ended 31 December 2023 comprising the statement of financial position as at 31 December 2023 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction under Section 20 of the Postgraduate Institutes of Medicine Regulation No. 01 of 1980 and University Regulations enacted under sub-section 107(5) and section 18 of the Universities Act No. 16 of 1978 to be read in conjunction with Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka and Section 108(1) of the University Act, in accordance with provisions of the National Audit Act No. 19 of 2018 and the Provisions of the Finance Act No.38 of 1971. In pursuance of provisions in Article 154(6) of the Constitution, my report will be tabled in the Parliament in due course.

Except for the effect of the matters described in the basis for my qualified opinion section of my report, my opinion is that the financial statements of the entity reflect a true and fair view

of the financial position as at 31 December 2023 and its financial performance and cash flows for the year ended is in accordance with Sri Lanka Public Sector Accounting Standards.

1.2 Basis for qualified opinion

(a) Although it was stated that financial statements are prepared on an accrual basis under accounting policy 2.5 issued with the institutional financial statements, reciprocal accounting policy had been followed in the preparation of financial statements as a result of mentioning that monitoring and evaluation fee income and expenses are recognized on a cash basis under accounting policy 4.5.

Accordingly, as on 31 December 2022, the payable monitoring and evaluation fees amounting to Rs.7,856,088 had been adjusted to the Recurring Accumulated Fund in the statement of changes in equity of the year under review as previous year's adjustments.

(b) Out of the revenue of Rs. 250,881,975 received for degree courses, the income received for degree courses with a duration of more than a year had not been identified separately and the total income had been accounted as a revenue for the year.

(c) In the year under review, Board of Study Payments amounting to Rs.22,359,873 were shown as a separate item under other recurring expenses under a new classification, but the comparative values were not classified and disclosed as per paragraph 55 of Sri Lanka Public Sector Accounting Standards 01.

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

1.3 Other information included in the Annual Report of the Institution

The other information means the information included in the 2023 Annual Report but does not include the financial statements and my auditor's report thereon, which is expected to be made available to me after the date of this auditor's report. Management is responsible for the other information.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

When I read the 2023 Annual Report of the Institution, if I conclude that there are material misstatements therein. I am required to communicate that matter to those charged with governance for correction. If further material uncorrected misstatements are existed those will be included in my report to Parliament in pursuance of provisions in Article 154(6) of the Constitution that will be tabled in due course

1.4 Responsibilities of Management and those charged with governance for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards, and for such internal control as Management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the institution's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the institution or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the institution's financial reporting process.

As per Section 16(1) of the National Audit Act, No. 19 of 2018, the Institution is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared of the Institution.

1.5 Auditor's responsibilities for the audit of the financial statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgement and maintain professional skepticism throughout the audit. I also,

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the institution's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Institution to cease to continue as a going concern

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

2. Report on other legal and regulatory requirements

2.1 National Audit Act, No. 19 of 2018 includes specific provisions for following requirements

2.1.1 Except for the effect of the matters described in the Basis for Qualified Opinion section of my report, I have obtained all the information and explanation that required for the audit and as far as appears from my examination, proper accounting records have been kept by the Institution as per the requirement of Section 12 (a) of the National Audit Act, No. 19 of 2018

2.1.2 The financial statements presented is consistent with the preceding year as per the requirement of Section 6 (1) (d) (iii) of the National Audit Act, No. 19 of 2018

2.1.3 The financial statements presented includes all the recommendations made by me in the previous year as per the requirement of Section 6 (1) (d) (iv) of the National Audit Act, No. 19 of 2018.

2.2 Based on the procedures performed and evidence obtained were limited to matters that are material, nothing has come to my attention.

2.2.1 To state that any member of the governing body of the institution has any direct or indirect interest in any contract entered into by the institution which are out of the normal course of business as per the requirement of Section 12 (d) of the National Audit Act, No. 19 of 2018.

2.2.2 To state that the institution has not complied with any applicable written law, general and special directions issued by the governing body of the institution as per the requirement of Section 12 (f) of the National Audit Act, No. 19 of 2018.

Reference to Rules / Directive.

Obsevation

(a) Section 11(a) of the Finance Act No. 38 of 1971

In the year under review, without obtaining the prior approval of the concerned Minister and the Finance Minister, Rs. 115,000,000 had been invested in fixed deposits.

(b) Financial Regulation 371 (5)

Although the advances received should be settled within 10 days after the completion of the given work, the amount given on 19 occasions from 2021 to 2023 was Rs.1,155,800 and it had not been settled by 28 February 2024.

(c) Paragraph 5 of the circular letter

No.BD/HRD/26/214/19/2023

dated 18 January 2023 addressed

by the Secretary to the Treasury

of the Secretary to the Ministry of Education

Actions were not taken to take

the revenue sum of Rs.10,826,505

recovered from a lecturer who has

breached the bond.

2.2.3 To state that the institution has not performed according to its powers, functions and duties as per the requirement of Section 12 (g) of the National Audit Act, No. 19 of 2018

2.2.4 To state that the resources of the institution had not been procured and utilized economically, efficiently and effectively within the time frames and in compliance with

the applicable laws as per the requirement of Section 12 (h) of the National Audit Act, No. 19 of 2018.

2.3 Other matters

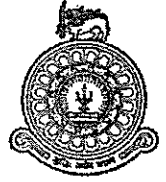

- (a) Actions had not been taken to settle the miscellaneous creditor balance of Rs. 14,659,744 existing from a period of 3 years to 8 years, and retained deposit balance of Rs. 38,313.816 existing from a period of 3 years to 7 years, and other deposits of Rs. 496,703 that is old from 2 years to 9 years during the year under review.
- (b) It was unable to be recovered sum of Rs. 2,597,375 due from the Ministry of Health for the years 2015, 2016 and 2017 and the outstanding course fees of Rs. 88,000 existing from the year 2020 during the year under review.
- (c) From the year 2021, existing balance sum of Rs.3,768,988 in the PGIM Development Fund had not been utilized for the intended purpose even at the end of the year under review.

My No: PGIM/AB/C/Investments/2023

24th April 2024

Director General
Department of Public Enterprises
General Treasury
Colombo 01

Through :- Secretary, Ministry of Education

The Chairman, University Grants Commission

Dear Sir

Investment of Funds

I would like to bring your attention that the Postgraduate Institute of Medicine (PGIM) has to cover up both recurrent and capital expenditure using its own generated funds due to non-availability of government grants since 2022 and there is a significant drop in the registration of trainees for postgraduate courses and sitting for the examinations while comparing the previous years and this directly affects to the reduction of main income of the PGIM.

Therefore, the Board of Management of the PGIM has given approval to invest generated income in fixed deposits in state banks for earning highest interest to meet the requirement of capital and recurrent expenditure during the year of 2023.

I would like to inform you that we have invested Rs.115 million in fixed deposits at state banks throughout the year 2023. The forms of obtaining approval for investments and relevant board approvals are attached under the Annex 01-03.

Annex 01- Form & Board Approval for investing Rs.50 Mn at Bank of Ceylon

Annex 02- Form & Board Approval for investing Rs.25 Mn at Bank of Ceylon

Annex 03- Form & Board Approval for investing Rs.40 Mn at National Savings Bank

In view of the above, I kindly request your approval for the investments amounting of Rs.115Mn.

Your prompt action will be highly appreciated.

Thank you.

UNIVERSITY GRANTS COMMISSION

Finance Circular Letter No. 05/2023

04th July 2023

Vice-Chancellors of Universities
Rectors of Campuses
Directors of Institutes

Solving Issues that have been arisen in the University System

The University Grants Commission at its 1101st meeting held on 11.05.2023 decided to inform the decisions taken at the Cabinet Meeting held on 03.04.2023, to the Universities and Higher Educational Institutions for implementation.

The decisions of the Cabinet meeting held on 03.04.2023 are as follows;

1. To grant the up and down airfare for the postgraduate degree or sabbatical leave subject to the limit of Rs.750,000/-
2. To pay airfare also to academic staff members who go abroad for postgraduate studies on scholarships offered by foreign universities or other organizations subject to the above restriction.
3. To bear the total cost of implementation of the above decisions 1 and 2 by the bond violation fund.
4. Not to make arrangements for financing above 1 and 2 through the funds earned by the universities in case of insufficient provisions under the Bond Violation Fund.
5. Do not issue internal circular instructions by the University Grants Commission on financial matters without obtaining prior concurrence of the General Treasury.

AR/Academic,

There is an audit query on receivable course fees and details attached.

Until 2023, we have received it and please inform me about the updates of this by today to answer the audit query.

Best Regards

Senior Assistant Bursar

Dear Ms,

Further to the above email.

The SLMC of the respective trainee should be corrected as 30264. As reported by the subject clerk, the receivable of this trainee (Dr.NAA Weerasinghe. SLMC 30264), the receivable was erroneously calculated as Rs.88,000/- (44,000/- X 2) which should be corrected as Rs.102,000/- (Rs.51,000 X 2). However the trainee has made following payments during the year 2021;

SLMC	NIC/Passport	Name	Paid For	Amount	Transaction ID	Payment Status	Date Paid
30624	843211291V	N A A Weerasinghe	(Post) MD Critical Care Medicine-June 2019	63700	PGIM120443CE	Success	2/4/2021 20:07
30624	843211291V	N A A Weerasinghe	(Post) MD Critical Care Medicine-Oct 2019-2nd Yr	61200	PGIM120444CE	Success	2/4/2021 20:11

The report from the payment system is attached herewith for your reference.
