Organizational Structure of Ayurveda Medical Council

Performance of the Ayurveda Medical Council - 2013

01. Financial Formulation:-

A Provision of Rupees five Million (Rs.5,000,000/-) has been granted to the Ayurveda Medical Council for the year 2013.

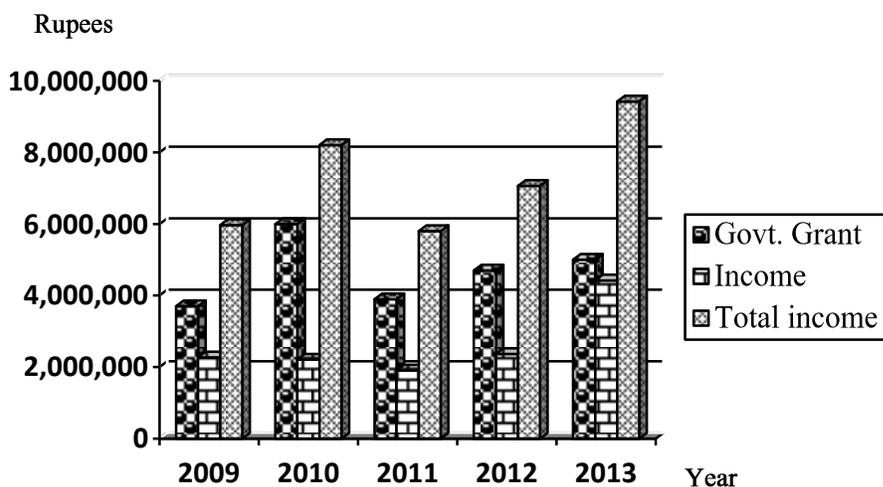

During the year 2013 the Ayurveda Medical Council received an income of Rs.4,423,074/- and the expenditure was Rs.8,423,873/-. A report regarding the performance of Ayurveda Medical Council of 2013 has been given in the income and Expenditure Account and the Balance sheet provides the financial position of the Council as at 31.12.2013. In addition, the Cash Flow Report provides an illustration of inflow and out flow of the Council's money in 2013.

Table 1.1

Annual Income, Expenditure & Government Grant

Item	2009	2010	2011	2012	2013
Govt. Grant	3,700,000	6,000,000	3,900,000	4,700,000	5,000,000
Income	2,269,278	2,205,626	1,900,665	2,361,369	4,423,774
total income	5,969,278	8,205,626	5,800,665	7,061,369	9,423,774

The Government grant and income of the Ayurveda Medical Council for the years 2009 to 2013 are as indicated in table 1.2 below

02. Policy Formulation:-

In 2013, two sub committees and programs functioned in the Ayurveda Medical Council as follows;

- Examination Management Board – Standing Sub Committee.
- Committee on Punitive Measures - Standing Sub Committee

Examination Management Board

The Written Examination for registration of the Traditional Ayurveda Practitioners was held on 05th and 06th of October 2013 at Anula Vidyalaya, Nugegoda under the overall supervision of the examination Control Board.

Table 2.1

Written examination for registering the Traditional Ayurveda Practitioners - 2009- 2013

Item	2009	2010	2011	2012	2013
The number of candidates qualified written examination	275	402	319	231	373
The number of candidates who attended	199	296	193	151	293
The number of candidates pass for the written examination	43	110	53	51	The result could not be released.
The number of candidates under pass for the written examination	13	49	61	40	The result could not be released.
Pass Candidates as % of total present candidates	21.61%	37.16%	27.46%	33.77%	The result could not be released

Committee on Punitive Measures :- Standing Sub Committee

The Committee for punitive measure a standing committee established in terms of the sections 10, 18 and 82 of the Ayurveda Act No.31 of 1961 complying with the Ayurveda (Disciplinary) Regulations. The statutory measures to be followed in this connection have been published on 04.01.1973, but this is a process of legal investigation, and more responsible than an ordinary disciplinary inquiry.

This committee had two meetings in 2013. During these meetings decisions were taken to suspend the registration of Mr. A.R.Ilukkumbura Registered under registration No. 1913 (D.S.A.M.S.) for three months from 2013.07.10 because pleaded guilty at kandy magistrate court issuing western medicines and thereafter to be kept under probation for 3 months in respect of issuing false Medical Certificates. Since Mr. R.N.D.S. Weeramanthree holding registration No. 5570 did not appear before the committee and therefore it was decided to go for a exparte decision. The decision submitted through the A.G.A. kesbewa.

Sub committee for determining the additional qualification of registered Ayurveda practitioners.

In terms of section 62 of the Ayurveda Act No. 31 of 1961, any registered Ayurveda practitioner. has powers to include in the Register of Ayurveda practitioner any qualification relating to his profession which he has received after the registration, as an additional qualification, on its being accepted by the council. Accordingly, this additional qualification gives him the legal entitlement to have a certificate issued by the council for such additional qualification and to display the same along with his name and also to use that additional qualification for his professional activities. As to the decision of the Ayurveda Council and according to the provisions of the section, the registration of additional qualification has already commenced and relevant parties have been made aware of this. During 2013 the council has given approval for the inclusion of additional qualification of 03 practitioners and 03 out of them have been issued with certificates.

Table 3.1

Item	2009	2010	2011	2012	2013
Number of Certificates issued with including additional qualifications	16	05	09	04	03

03. Investigations

Ayurveda medical council has set up a public Investigation Unit to inquire into and institute legal actions regarding the professional misconducts of persons who pretend to be registered or unregistered Ayurveda practitioners. The prime objective of this unit is to investigate the irregularities professional misconducts and unethical activities of the Ayurvedic medical practices. These activities are investigated by the council under two

categories such as press complaints and public complaints. Preliminary investigations have been completed in respect of 14 complaints during the year 2013.

We have prepared complaints from the following Departments - 2013

04. Special Medical Board.

Conducting of relevant special Medical Boards in respect of the issuance of Ayurveda medical certificates in parallel to the Medical Boards which are conducted by the Director General of the Medical Services in view of the 4th paragraph of the chapter xxvi of the Establishment Code regarding the issuance of medical certificates by the Ayurveda Medical Practitioners for the members of the government and private sector. To examine those complaints common 142 paper is to be completed and sent to the Ayurveda Medical Council. In 2013 four such special medical boards have been held.

Item	2009	2010	2011	2012	2013
Number of Special Medical Boards held	16	05	05	03	04

05. Registration of Ayurveda Practitioners under section 55(1) and 55(2) of the Act

The Ayurveda Medical Council registers Ayurveda Practitioners on following Basic Principles.

- Registration of government recognized Ayurveda Medical Graduates, those who hold diplomas and certificated practitioners, according to their educational qualifications.
- Registration of qualified traditional Ayurveda practitioners on the result of an interview and on recommendations, according to the Constitution adopted by the Ayurveda Medical Council.

At the interview the applicants would be graded depending on the mark they scored and those who failed at the interview will be subjected to a period of evaluation as

three month, six month and one year considering to value of their marks and called for a interview once again.

By the of 2013 the number of medical practitioners registered with Ayurveda Medical council was 21061. During the year it was possible to register 348 Ayurveda Medical practitioners under following categories.

Table 5.01

The Chairmen
Ayurvedic Medical Council

Report of the Auditor General on the Financial Statements of the Ayurvedic Medical Council for the year ended 31 December 2013 in terms of Section 14(2)(c) of the Finance Act, No. 38 of 1971

The audit of financial statements of the Ayurvedic Medical Council for the year ended 31 December 2013 comprising the financial position as at 31 December 2013 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 13(1) of the Finance Act, No. 38 of 1971 and Sections 11-21 of the Ayurveda Act, No. 31 of 1961. My comments and observations which I consider should be published with the Annual Report of the Council in terms of Section 14(2)(c) of the Finance Act, appear in this report. A detailed report in terms of Section 13(7)(a) of the Finance Act was issued to the Chairman of the Council on 08 April 2014.

1.2 Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Standards of Supreme Audit Institutions (ISSAI 1000-1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

oaggov@slt.net.lk

www.auditorgeneral.gov.lk

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the Council's preparation and fair presentation of financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose, of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. Sub-sections (3) and (4) of the Section 13 of the Finance Act, No.38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the Audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

1.4 **Basis for Qualified Opinion**

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

2. **Financial Statements**

2.1 **Qualified Opinion**

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the Ayurvedic Medical Council as at 31 December 2013 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

2.2 Non- compliance with Laws, Rules, Regulations and Management Decisions

The following instances of non- compliances were observed.

Reference to Laws, Rules, Regulation, etc.	Non-compliance
(a) Section 11(1) (e) of Part III of the Ayurvedic Act, No.31 of 1961	Even though 3 members selected out of the registered Ayurvedic practioners should be included in the composition of the Council, no registered Ayurvedic practioners had been appointed to the Medical Council. This had been pointed out in the audit reports for preceding years as well.
(b) Ayurvedic Medical Council Paper No.14/13/08(3) dated 05 July 2005	The renewal of registration by charging a fee from the registered practioners once in 5 years with effect from 01 January 2006 had not been carried out even by the end of the year under review.
(c) Establishments Code of the Democratic Socialist Republic of Sri Lanka. Section 36 of Chapter XII	No-pay leave abroad for 3 years had been approved for an officer without recovering the distress loan of Rs.132,200 and the festival advance of Rs.1000 from the officer.
(d) Financial Regulations of the Democratic Socialist Republic of Sri Lanka. Financial Regulation 169	The originals of 25 uncleared Money Orders amounting to Rs.8,745 were not available in the Office.
(e) Letter No.DMS/E3/38/4/241/1-(vol)1 dated 04 June 2013 of the Director General of the Ministry of Finance and Planning.	Even though the approval had been granted to pay incentives at a monthly maximum limit of Rs.1800 per officer of the staff of the Medical Council, incentives totaling Rs.112,300 had been paid to 11 officers during the year under review in excess of this limit. Provision for the payment of incentives had not been made in the Annual Budget.

3. Financial Review

3.1 Financial Results

The operations of the Council for the year under review had resulted in a surplus of Rs.1,575,270 as against the deficit of Rs.96,820 for the preceding year. The increase in the total income by Rs,2,362,405 or 33 per cent as compared with the preceding year had been the reason for the increase of financial results.

4. Operating Review

4.1 Performance

The following observations are made.

- (a) As there is no methodology to ensure whether the practioners who have not renewed their registration are alive at present, it cannot be ruled out in audit that deceivers can practice in the medical profession and issue medical certificates by using the credibility of an Ayurvedic practioners and using their registration numbers etc.
- (b) As the following sub – committees were not functioning from 2008 to the year 2013, the expected objectives from those committees had not been achieved
 - (i) Sub-committees on the revision of Syllabus for the registration of traditional practioners.
 - (ii) Sub-committees on conservation of traditional cauterization treatment almost in disure.
 - (iii) Sub-committees on conservation of veterinary science.
 - (iv) Sub-committees on the establishment of a data base relevant to indigenous traditional knowledge
 - (v) Professional development committee on indigenous arthopaedic medicine.

(c) Particulars of registered practioners in the year under review and the previous 2 years are given below.

Number of Registered practioners			
	As at 31 December 2013	As at 31 December 2012	As at 31 December 2011
<u>Holistic</u>			
Graduates	2,190	2,109	1,974
Diploma holders	5,156	5,024	4,929
Traditional	5,385	5,340	5,295
<u>Traditional Special</u>			
Snake Poisons	3,494	3,469	3,442
Orthopaedic	2,229	2,182	2,138
Ophthalmogy	627	626	625
Dermatology	536	529	528
Ulcers/ wounds	364	360	355
Rabies	181	180	180
Burns	82	80	78
Psychiatry	151	149	144
Cauterization	07	07	07
others	658	658	658
Total	21,060	20,713	20,353

The number of ophthalmogy, dermatology, ulcers/wounds, burns, rabies and psychiatry traditional Specialist practioners had increased by only 17 in the year 2013 as compared with the year 2012. Cauterisation and other traditional special practioners had not been registered since the year 2010.

(d) Registration of practioners for the cash 5 years is given below.

practioners	2013	2012	2011	2010	2009
Graduates	137	135	162	161	190
Diploma Holders	76	95	89	91	72
Traditional	45	45	30	75	48
Traditional Special	90	85	68	148	165
Total	348	360	349	475	475

The following observations are made in this regard.

- (i) As compared with the year 2009 registration of traditional special and graduate practioners had decreased whereas it had decreased by 45 percent and 28 percent respectively in the year 2013 as compared with the year 2009.
- (ii) Although the registration of Diplomate practioners had gradually increased from 2009 to 2012, it had again dropped in the year 2013.
- (e) Eventhough elephant practioners had not been registered during the year under review it was stated as 5 on the Performance Report.
- (f) Four “Helaweda Ruwanara” programmes had been conducted in the previous year and only two had been conducted in the year under review.

4.2 Operating Inefficiencies

The following observations are made.

- (a) Even though 10,000 medical certificate books had been printed at a cost of Rs.480,000 on 26 December 2013, the balance of books as at 31 December 2013 was 10,236. According to the following data the issue of books from 2011 to 2013 had been at a low level and books had been printed irrespective of the requirements.

Year	Number Medical Certificate Books issued
2011	1,181
2012	1,256
2013	840

- (b) An advance of Rs.54,000 had been obtained on 23 December 2013 for the payment of attendance allowance for the Medical Council meeting held on 23 December 2013. Instead of refunding Rs.14,400 relating to 4 members who did not attend the meeting, only Rs.10,800 had been refunded at the time of advance settlement.

4.3 Idle and Underutilized Assets

The Refrigerator purchased in the year 1998 for Rs.40,780 had been idle even by 24 January 2014.

4.4 Personnel Administration

Cadre position of the Medical Council as at 31 December 2013 is given below.

Post	Approved Cadre	Actual Cadre	Annual Salary	Overtime	Total Amount
			Rs.	Rs.	Rs.
Registrar	01	01	129,992	-	129,992
Labour Assistant	09	09	2,771,777	251,470	3,023,247
Office Labourer	02	02	376,696	21,674	398,370
	12	12	3,278,465	273,143	3,551,609

Although there are no vacancies in the cadre it was observed that officers had worked overtime.

5. Accountability and Good Governance

5.1 Corporate Plan

The Corporate Plan had not been updated for the year under review.

5.2 Action Plan

Seventeen activities to be fulfilled according to the Action Plan for the year under review had not been implemented.

5.3 Internal Audit

An Internal Audit Division had not been operated by the Council in the year under review in terms of Circular No. DMA/2009 (1) dated 09 June 2009 of the Department of Management Audit.

5.4 Audit Committee

An Audit Committee had not been established for the year under review in terms of Public Enterprises Circular No. 55 of 14 December 2010.

5.5 Budgetary Control

Considerable variances were observed between the actual expenditure of the year under review and the budgeted expenditure and as such the budget had not been made use of as an effective instrument of management control.

6. Systems and Control

Weaknesses in systems and controls observed during the course of audit were brought to the attention of the Chairman of the Aurvedic Medical Council, from time to time. Special attention is needed in respect of the following areas of control.

- (a) Payment of Overtime
- (b) Attendance
- (c) Leave
- (d) Hire of Motor Vehicles

W.P.C. Wickramaratne
Acting Auditor General

Report of the Auditor General on the Financial Statements of the Ayurveda Medical Council for the year ended 31st December 2013 in terms of section 14(2) (C) the Finance Act number 38 of 1971.

This refers to the report of the Auditor General bearing number HM/C/AMC/1/13/20 dated 2014.08.12 addressed to me on the above topic.

My comments and explanations on the facts included in this report in terms of section 13(8) of the Finance Act are reported below.

2.2 Non compliance with Laws, rules, regulations and management decisions

(a) Ayurveda Act Article ii(i) e of section iii of the Ayurveda Act number 31 of 1961

I have admitted that the points highlighted by the Audit are correct. The officers have been provided with the instructions required to undertake this task subsequent to the renewal of the registration after circumventing the aforesaid shortcomings.

(b) Ayurveda Medical Council Paper number 14/13/08(3) of 05th July 2005

This has been submitted to the Department of Legal Draftsman and the revised code of ethics has been approved and received by now. It was decided in the 27th meeting of the 17th Ayurveda Medical Council which was held on 2014.02.10 that the future work should be proceeded subsequent to gazette these revised code of ethics.

(C) Establishment Code of the Republic of Sri Lanka

i .Section 32 of chapter xii of the Establishment Code

The relevant officer had been made aware of this arrears and a letter has been submitted by him stating that the particular loan will be settled before the end of the year 2014. The relevant officers were instructed to take action to recover this loan amount as soon as possible.

(d) Code of Financial Regulations of the Republic of Sri Lanka

i. Financial Regulation Number 165

It is informed that an accounts book is maintained to include all the income received and the expenditures made and action will be taken to maintain a separate register regarding cash in hand as well.

(e) Letter bearing number DMS/E3/38/4?241/1-(vol)1 dated 04th July 2013 issued by the Director General of the Ministry of Finance and Planning.

It is stated that approval has been granted for the payment of incentives for the staff as per the committee decision taken after forwarding the matter on 14.06.2013 to the Ayurveda Medical Council which consisted of a representative from the General Treasury.

3. Financial Review

3.1 Financial Results

It is informed that the income and expenditure have been increased due to the amendment of the charges obtained and payments made by the Ayurveda Medical Council with effect from 01.04.2013.

4.Operational Review

4.1 Performance

(a) I accept this situation. Revised Code of Ethics have been forwarded to the Department of Legal Draftsman as per the decision taken at the meeting of the Ayurveda Medical Council which was held on 03.04.2012 and it has been amended and received by the Medical Council. Accordingly, as a result of the revision of the code of ethics, the legal obstacles have been cleared in respect of the renewal of registration of all the Ayurveda practitioners every 05 years on payment of ¼ of the registration fees obtained as per the Ayurveda Medical Council Paper number 14/13/08(03) dated 15th July 2005 and along with the renewal of registration the number of the registered medical practitioners can be corrected in future and details can be properly updated.

(b) i. Subcommittee on the revision of the syllabus for the Registration of Traditional Ayurvedic Medical Practitioners.

Instructions were provided to deal with the future proceedings after forwarding the matter to the Medical Council as this committee is not functioning at the moment.

ii. Subcommittee on the conservation of the methods of Traditional medical treatments for burns and scalds which is at the verge of non existence

The details on this Medical System which are in possession of the Ayurveda Medical Council have been submitted to the Ministry of Indigenous Medicine.

iii. Subcommittee on the conservation of the Veterinary Medical system

Required arrangements are being made under this medical system to register veterinary practitioners regarding deceases of tuskers and cattle .

iv. Establishment of Data Bases committee with relevance to traditional indigenous methods of medical treatment for fractures and dislocations (indigenous orthopedic Medical system)

Instructions were provided to deal with the future proceedings after forwarding it to the Medical Council as this committee is not functional at the moment.

v. Vocational Development Sub Committee on Indigenous Orthopedic Medical system

As per the request made by the Medical Council, we have provided the National Institute on Traditional Medicine with the details we have gathered in this field and the required arrangements are being made by the said institution for the conservation of knowledge possessed by the orthopedic practitioners.

(C) I accept the facts pointed out in the audit. A gradual decline is reflected in the applications for registration in each specialized sections. I inform that the required arrangements are to be made in future after drawing the attention of the Ayurveda Medical Council in this regard.

(d) i ,ii,

Graduate medical practitioners and the practitioners who pass out from the Wickramarachchi Institute, Gampaha, Institute of Indigenous Medicine, Rajagirirya and the University of Jaffna are registered in the Ayurveda Medical Council. Diploma holders are the applicants who pass the examinations conducted by the Ayurveda Department and as the applicants who pass from the said institutions change each year, the Ayurveda Medical Council is not vested with the ability to change the said situation.

But , the applicants who apply as traditional physicians and specialized physicians do directly forward their applications to the Ayurveda Medical council and the qualified applicants have to face written and oral examinations under relevant medical fields and the registration in the Ayurveda Medical Council is allowed for the applicants who pass the above examinations.

An increase in the number of applicants registered each year cannot be expected under this methodology and that depends on the number of applications forwarded.

(e) Accepted. Although interviews have been conducted for veterinary practitioners treating tuskers in the year under review, it is expected to carry out the relevant registrations with effect from the year 2014.

(f) This programmer has been pointed out in the audit and arrangements are underway to conduct this programmer island wide with effect from the year 2015, after having obtained sufficient allocations for the purpose.

4.2 Operational Deficiencies

- (a) Although 236 old medical certificate books remained, it was decided to print 10000 medical certificate books to be sold in the mobile programmers which were planned to be monthly organized by the former registrar .It was not possible to conduct this programmer due to the sudden transfer of the Registrar.
- (b) As pointed out in the audit, instructions were provided to redeposit any balance remaining after the payment of membership fees of the Council, and to formally maintain such accounts after proper computing and after issuing a proper receipt.

4.3 Non performing underutilized assets

The depreciated value of this refrigerator which has been purchased in the year 1998, was Rs.980.73 as at the date of the audit. But this refrigerator is properly functional and is useful when serving the refreshments when committees, meetings and interviews are conducted in the Ayurveda Medical Council. It is further informed that proper steps can be taken regarding this refrigerator as the situation requires, if it becomes defunct in future.

4.4 Staff Administration

It is informed that there is no dearth or excess of staff as per the approved recruitment procedure.

5. Accountability and Good Governance

5.1 Corporate Plan

Ayurveda Medical Council has been enlightened in this regard and a committee has been appointed in the Medical Council meeting 18/02 which was held on 11.07.2014 and it is informed that action will be taken to properly update the corporate plan from next year onwards.

5.2 Action Plan

It is informed that action will be taken with a view to empowering the legal framework(requirements) of the Ayurveda Medical Council and as per the legal provisional plans of the Ayurveda Act.

5.3 Internal Audit

5.4 Audit Committees

An internal Audit Committee has been appointed on 25.06.2012 and accordingly the audits were carried out for the years 2012 and 2013. But, in the Audit and Management committee meeting held in the auditorium of the Ministry of Indigenous Medicine on 30.01.2014, it was decided that it is appropriate to get the participation of the Ayurveda Medical Council to the Audit committee conducted by the Ayurveda Department. Accordingly, the required arrangements are being made at the moment.

5.5 Budgetary Control

Action was taken to provide the required measures and instructions to rectify this in future.

6. Systems and Control

Required instructions have been provided to take proper action focusing on the relevant fields as pointed out by the audit.

PSKR Weerakoon
