

Our Vision

**To be the Foremost and the
Most Excellent Buddhist
University in the World.**

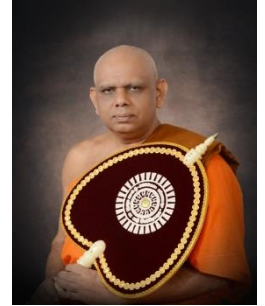

Statement of the Mission

(The Noble Eightfold Path may exist forever)

**Bestowing the World with Versatile Buddhist
Missionaries and Scholars capable of
promoting and fostering in Sri Lanka as well
as in Foreign Countries the Philosophy of
Life, which is perspicuous by the Dhamma of
the Lord-Buddha and well disciplined with
the influence of the Buddhist Doctrine, Pali
Language and the Wisdom achieved on the
related Subjects and perfected with different
Skills.**

The Message of the Venerable Mahopadyaya Thero

The Buddhist and Pali University of Sri Lanka which is operated by the Parliamentary Acts No.74 of 1981 and No. 37 of 1995 has a long and a proud history of 35 years. This University has reached a position that is in par with National Universities with the sponsorship of all the Governments came to power during the period of 35 years and with the guidance of Venerable Mahopadyaya Theros who were serving in this period and with the dedication of the Academic, Non-academic Staffs serving in the University. Over 5000 students had registered with the University during the previous year to follow various courses in the range of Degree Programmes to Post Graduate Degrees. Many foreign affiliated institutions function affiliated with this University and a large number of foreign students in addition to the Sri Lankan students get registered with this University annually for the Degree Courses offered by this University. The internal studentship is offered by considering the residential facilities available as all the students register annually for the First Degrees are provided with residential facilities.

The University that is currently being operated under the purview of the Ministry of City Planning, Water Supply and Higher Education is globally recognized and functions as a member of the Association of Commonwealth Universities (ACU), the International Association of Theravada Buddhist Universities (IATBU) and Associate Member of the Committee of Vice-Chancellors and Directors (CVCD). The Academic and Research activities of the Internal Students of the Buddhist and Pali University of Sri Lanka are performed in the premises located at Gurulugomi Mawatha, Pitipana, Homagama while Post Graduate Degrees and External Examinations are conducted at the Post Graduate and External Examination Unit situated in Bauddhaloka Mawatha Colombo 07. The foremost objective of this University in terms of the Act is to produce versatile disciplinarians and scholars who are appropriate to engage in local and international missionary service for publicizing Pali and Buddhism and to promote the study of Buddhist Philosophy.

Academic as well as research activities of the Buddhist and Pali University are performed by 10 Departments of Study, which are under the purview of the two Faculties namely Buddhist Studies and Language Studies. The Academic as well as Non-academic Staffs of the University are comprised of 179 members and I am happy to declare that the presence of Senior Professors, Professors, Senior Lecturers and holders of Doctorate Degrees in the Academic Staff has contributed to uplift the quality of the Academic and research activities of the university. The Buddhist and Pali University of Sri Lanka which is perfected with the said human resources as well as with the physical resources such as fully equipped library facilities, lecture hall facilities with very sophisticated accessories and residential facilities has a very conducive environment to carry out studies and researches.

The shortage in physical resources obstructs increasing the enrolment of internal students annually and to expand the studies. I hope to make necessary arrangements to overcome this obstacle. Further, I am willing to establish a Post Graduate institution for the University to expand Post graduate studies as well as research activities.

Courses have been designed for the accomplishment of the objectives of broadening the wisdom in subjects as well as of producing scholars with knowledge and discipline which suit the modern world through the practical usage. It is our utmost duty to function towards building a better world through bestowing scholars equipped with knowledge and discipline to meet the global requirements in concurrence with enriching the Buddhist and Pali University with human and physical resources. I greatly appreciate the cooperation of the Government and commitment and dedication extended by the Academic Staff, Officers and the Staff and the great effort exerted by our students in the realization of the said objectives.

Introduction

The Buddhist and Pali University of Sri Lanka which had been established by the Parliamentary Act No. 74 of 1981 of the Democratic Socialist Republic of Sri Lanka was inaugurate open at No.214, Bauddhaloka Mawatha, Colombo 07 on the 22nd April 1982. The major Objectives in the establishment of this University are to publizise the Buddhist Doctrine, to promote the Buddhist and Pali Studies in Sri Lanka as well as in foreign countries and to facilitate researches in the respective fields.

The above Act has been amended by the Buddhist and Pali University of Sri Lanka (Amendment) Act No. 37 of 1995. With the enforcement of the said Amendments, the local affiliated Institutions were invalidated and the Buddhist and Pali University of Sri Lanka has undergone the process of re-structuring to comply with the structure found in the other National Universities of Sri Lanka and it has been established in Homagama in the Month of June 1997. The Post-graduate and External Examination Unit of the University was established at the premises located at Bauddhaloka Mawatha, Colombo 7. The Academic Premises with hostels was established at Pitipana, Homagama and the Administrative Centre (Head Office) was established at No. 37, Moragahahena Road, Pitipana on 12.08.2010. The required initiatives had been taken to transform the Buddhist and Pali University of Sri Lanka in to an internationally recognized University that is well equipped with the necessary resources. The University has obtained the membership of the Association of Commonwealth Universities and it is an Associate Member of the Committee of Vice Chancellors and Directors (C.V.C.D.) of the University System of the Country.

Objectives of the University

The Objectives of the University that was restructured in terms of the Buddhist and Pali University of Sri Lanka (Amendment) Act No. 37 of 1995 are mentioned below.

- I. Training of Scholars on the Buddhism and on the rules of discipline for the priesthood for publicizing the Religion of Buddhism in Sri Lanka as well as in foreign countries and for fostering the Buddhist missionary activities;
- II. Promoting the Education of Pali Language, Buddhist Culture and Buddhist Philosophy in Sri Lanka as well as in foreign countries and uplifting such educational activities to suit the current trends in the World;
- III.
 - (a) Training of Pupil Monks and male lay students for teaching the Buddhism and Pali Language in Piriven, Schools and similar Institutions;
 - (b) Provision of facilities required for the maintenance and the improvement of the moral conduct and mental discipline of Pupil Monks and all the male lay students; and
 - (c) Any other matter related to the above matters or incidental thereto.

Notes to be read as a part of the Financial Statements for the Year ended on 31st December 2018

1) Accounting Policies

1.1.1 Reporting Entity

The Buddhist and Pali University of Sri Lanka has been established under the Ministry of Higher Education and is mainly operated with the Provisions of the Government.

The Buddhist and Pali University of Sri Lanka has been established by the Act No.74 of 1981 and the Act has been amended by the Act (Amendment) No. 37 of 1995. The major premises of Studies of the University is situated in Pitipana North, Gurulugomi Mawatha, Homagama while its Administration building is located at No. 37 of Moragahahena Road, Pitipana, Homagama. Post Graduate and External Examination Unit of the University is situated at No.214 of Bauddhaloka Mawatha, Colombo 07.

The University where local lay and clergy students as well as foreign clergy students are following Degree Courses is comprised of two Faculties, namely, Faculty of Buddhist Studies and Faculty of Language Studies.

Students are consistently encouraged by the University to follow the Post Graduate Degrees and to conduct Researches.

1.1.2 Objectives of the University

The Objectives of the University in terms of the Section 3 of the Buddhist and Pali University of Sri Lanka Act No. 74 of 1981 amended by the Buddhist and Pali University of Sri Lanka (Amendment) Act No. 37 of 1995.

- I. Training of Scholars on the Buddhism and on the rules of discipline for the priesthood for publicizing the Religion of Buddhism in Sri Lanka as well as in foreign countries and for fostering the Buddhist missionary activities;
- II. Promoting the Education of Pali Language, Buddhist Culture and Buddhist Philosophy in Sri Lanka as well as in foreign countries and uplifting such educational activities to suit the current trends in the World;
- III.
 - (a) Buddhism and Pali Language in Piriven, Schools and similar Institutions;
 - (b) Provision of facilities required for the maintenance and the improvement of the moral conduct and mental discipline of Pupil Monks and all the male lay students; and
 - (c) Any other matter related to the above matters or incidental thereto.

1.1.3 Granting Approval for the issuance of the responsibility for the Financial Statements

The Administrative Council holds the responsibility of the Financial Statements and the Administrative Council granted the approval on 26th February 2019 to issue Financial Statements of the Buddhist and Pali university of Sri Lanka for the year ended 31st December 2018.

1.1.4 Basis of Preparation

(a) Statement of Conformity

The Final Financial Statements have been prepared as per the Sri Lanka Public Sector Accounting Standards (SLPSAS) and the Financial Act No. 38 of 1971, the Financial Regulations and the Establishments Code have been made applicable in relevant instances.

In addition, the following Circulars which were issued by the following institutions have been made applicable to the University by the Administrative Council of the University from time to time have also been used for book keeping.

- * Public Administration Circulars that are issued by the Ministry of Public Administration and Management and Public Financial Regulations.
- * Circulars issued by the University Grants Commission (UGC).
- * Circulars on the Public Enterprise Policies issued by the General Treasury.

(b) Basis of Accounting

Financial Statements have been prepared using the Accrual Basis and Historic Cost Basis, excluding the occasions where the basis is specifically indicated.

(c) The Currency used in the preparation of the Financial Statements

Values have been estimated in Rupees and Cents used in Sri Lanka in the preparation of Final Accounts and action has been taken to round off the Financial Statements to the final Rupee.

(d) Going Concern

The Management has a reasonable expectation that the Fund has adequate resources to continue in operational existence for the foreseeable future in an estimate done by the Management on the going concern of the Fund. Accordingly, the Management continues to adopt the going concern basis in preparing the financial statements of the Buddhist and Pali University.

(e) Comparative Information

Information related to the previous Accounting period has also been revealed along with the information of the Current year with the objective of providing a higher understanding in the utilization of Financial Statements and to improve the ability of making comparisons.

The Financial Functioning Statement has been forwarded as a summary and detailed information have been submitted by Notes.

(f) Materiality and Aggregation

Every materially similar item class has been submitted as separate notes in the Financial Statements, unless the items are not material or in dissimilar nature.

(g) Judgements and estimates on Accounts

The preparation of the financial statements of the Buddhist and Pali university of Sri Lanka requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and successive disclosures as well as the disclosure of contingent liabilities. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future.

The estimates and underlying assumption are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Information about judgements for the Accounting Policies which are considered as the basis for the items with a significant effects recognized in the financial statements has been submitted.

1.1.5 Revenue Recognition

Revenue is recognized when there is a potential to flow the economic benefits to the University during the reporting period and such benefits are reliably measurable.

1.1.6 Property, Plant and Equipment and Valuation of Them

1.1.6.1 Recognition of Assets

An asset is recognized in the balance sheet when it is probable that the future economic benefits will flow to the University and the asset has a cost or value that can be measured reliably.

(a) Assets such as Property, Plant and Equipment are recorded at Value after Cost less Accumulated Depreciation.

(b) These assets are stated including the cost for purchasing these assets or the cost for construction and including the basic expenses incurred for that purpose.

1.1.6.2 Depreciation of Assets

- (a) i. As per the Circular No. 649 of the University Grants Commission, Fixed Assets have been depreciated by adopting the straight line Method and the net value of the fixed assets has been indicated in the Statement of Financial Position. The useful lives of the assets depreciated and the depreciation ratio has been estimated as mentioned below.

1. Buildings	05% (20 Years)
2. Furniture and Fixtures	10% (10 Years)
3. Office Equipment	20% (05 Years)
4. Library Books and Magazines	20% (05 Years)
5. Motor Vehicles	20% (05 Years)
6. Cloaks	20% (05 Years)

- ii. In adjusting for depreciation related to the revalued assets, such adjustments have been made timely considering the period related to purchasing /construction and disposal of assets.
- iii. Library books, periodicals and magazines are received to the University as donations throughout the year and depreciations is not made in the year as it is practically difficult to depreciate them according to the period that those books are allowed to be used by readers.

1.1.6.3 Revaluation of Assets

The Revaluation surplus is transferred to revaluation reserve Account after stating the revalued assets as non-current assets.

1.1.6.4 Vehicles provided by the General Treasury and the Ministry

Action will be taken to write off the balance of the Government Capital Provisions Account in relation to the Vehicles transferred up to the year 2015 from the General Treasury and the Ministry.

Year	Value Rs.
2012	7,096,666.68
2013	6,726,666.67
2014	6,820,000.00
2015	7,399,500.00
2016	7,925,497.99
2017	3,253,833.33
2018	2,411,333.33
2019	2,318,000.00
2020	<u>1,738,500.00</u>
Total	<u>45,690,000.00</u>

1.1.6 Work in Progress

After the completion of the construction of assets and after the assets are made usable, they are transferred to the type of assets related to property, plant and equipment.

The accumulated cost at the end of the year 2018 of the projects that are in progress and commenced in the year 2017 is mentioned below.

- a. Construction of the Official Quarters I of the Sub-warden – Rs.5,710,351
- b. Construction of the Official Quarters II of the Sub-warden – Rs.2,951,655
- c. Construction of a Language Competencies Development Studies Centre with an Examination Hall – Rs. 45,061,927
- d. Construction of a Hostel for Foreign Students – Rs. 379,333
- e. Construction of a Five storeyed Building in the Colombo Premises – Rs. 548,902

1.1.7 Skills Development

- (a) The Capital Expenditure incurred for students on Skills Development will be written off from books within 3 years.
- (b) The Capital Expenditure incurred for Non-academic and Academic Staffs on Skills Development will be written off from books within 4 years.

1.1.8 Valuation of Stocks

- (a) The Stock of Office Consumables has been valued at Cost and First in First out (FIFO) is used as the Stock Valuation Equation.
- (b) The Stock of Publications to be sold has been accounted on the less value between the two values namely, Cost or Net Realization Value.

1.1.9 Investments

Scholarships and Gift funds received by the university are being maintained in Fixed Deposits and in one Savings Account on the approval of the Administrative Council of the University. Scholarships are awarded annually based on the interest accrued in relation to the savings.

A Fixed Deposit of Rs. 200,000 has been initiated on behalf of the Scholarship and gift fund of the Year 2018.

The amount of money allocated for the Medical Assistance Funds will be deposited in Fixed Deposit Accounts and the interest earned from it annually will be credited to the Medical Assistance Funds.

A Fixed Deposit of Rs. 1,500,000 has been initiated on behalf of the Medical Assistance Fund during the Year 2018.

The Chinese Mission who participated in the Convocation offered an amount of Rs. (\$ 15,000) for the establishment of a Language Proficiency Development Fund in the year 2018. A trimonthly Fixed Deposit worth Rs.2,527,500 has been initiated using the amount.

The surplus funds of the Post Graduate and External Examination Unit has been invested in the year 2018 as mentioned below.

Fixed Deposits – Rs. 22,000,000.00

A Fixed Deposit of Rs. 5,000,000 has been initiated on behalf of the Mahopadyaya Fund during the Year 2018.

1.1.10 Liabilities and Allocations

- (a) As per the Sri Lanka Public Sector Accounting Standards No .19, the allocation of retirement gratuity as at 31.12.2018 has been computed based on the Actuarial Valuation. Accordingly, the University has adopted the Projected Unit Credit Method for the computation of the Fair Value of Gratuity Responsibility.
- (b) A sum of Rs.9,380,019 of the Central Engineering Consultancy Bureau (CECB) has been retained for Construction activities of the University and action has been taken to settle the amount on the instructions of the Attorney General's Department and with the concurrence of the Institution.

1.1.11 Contingent Liabilities

The details regarding the cases filed against the University by the employees of the Buddhist and Pali University and external parties are mentioned below. It is not possible to come into a definite conclusion regarding the value of the financial liabilities since final judgments in relation to these cases have not yet been received by the University.

	Case No.	Particulars regarding the Case	The Present Situation
01	SC Appeal/86/2009	Presented by challenging the judgement of the case SC / SPL (LA) 75/2009. A request made for the reinstatement in the Post of Clerk.	The case is scheduled to be heard on 17.09.2019.

1.2.1 Paying Taxes

The University has been exempted from paying the income tax by the Inland Revenue Act No.24 of 2017.

1.2.2 Cash Flow Statement

The Cash flow Statement has been prepared adopting the indirect Method.

Money and Money Equivalents

Money and money equivalents includes Cash in hand and short term deposits in Banks, which are of high liquidity.

1.2.3 Events after the Reporting Date

Any event, which affects materially to the information presented by the Financial Statements has not taken place after the balance sheet date.

1.2.4 Provisions and Allocations

A Provision shall be recognized when the Fund has a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Related-party Transactions

The transactions conducted with the members of the Administrative Council of the Buddhist and Pali University of Sri Lanka are transactions conducted within the general administrative functions of the University. The transactions conducted during the year 2018 are indicated below.

Related Party Transactions for the Year 2018

The Fifth International Conference of the International Association of Theravada Buddhist Universities – 2018

The Fifth International Conference of the International Association of Theravada Buddhist Universities was conducted on the two days viz, 27th and 28th November 2018 in Sri Lanka. His Excellency the President, Maithripala Sirisena participated in this Conference as the Chief Guest and Venerable Aseen Gnaneessara Thero, Assistant Sangaraja of Myanmar and the President of the International Association of Theravada Buddhist Universities also participated in the Conference. The Buddhist and Pali University of Sri Lanka and the Bhiksu University of Sri Lanka were the Co-organizers of the Conference under the supervision of the Ministry of Higher Education. Scholars of India, Bangladesh, China, Malaysia, Singapore, Thailand, Myanmar and Nepal along with Sri Lanka joined to present research papers in Sinhala, Pali and English.

In addition to that, approximately 150 foreign invitees as well as 350 local invitees were participated in the Conference conducted for the two days. Senior Professor, Venerable Gallele Sumanasiri Thero, the Mahopadyaya of the Buddhist and Pali University of Sri Lanka was elected to the Post of Vice President of the aforementioned Association. Academic compendiums with research articles of scholars were also launched at this Conference.

Future Prospects based on Sustainable Development

A tree planting programme has been initiated at the premises of the University in the year 2018 and it was proposed to plant about 100 perennial plants in the premises of the University in the year 2019 and 50% of trees out of the proposed number of perennial trees have already been planted. Action is being taken to build a conducive environment by improving tree planting activities annually. Potted flower plants, flower rows and flower beds are being established in the field at the University premises and these flower rows and flower beds will be increased annually. Action will be taken to plant annual plants as well as perennial plants to make the environment of the University more conducive.

Arrangements have been made to plant a protective tree layer around the boundary of the University and this will be environmentally favourable for improving the floral community of the University.

It is scheduled to annually replace electric street lamps with street lamps powered by solar power in several phases of the Project.

Further, it is anticipated to produce compost fertilizer by composting garbage collected inside the university premises and manufactured compost fertilizer can be annually utilized to meet the carbonic fertilizer requirement of the University.

It is anticipated to collect and dispose waste according to a proper methodology apart from burning polythene and waste at the University premises. At present, papers from newspapers and magazines and papers disposed from studies are disposed by adopting a proper methodology.

Resource management has been implemented by the University through taking action to recycle condemned goods and equipment in order utilize them again and again and arrangements have been made to provide goods that cannot be used by the University to other public institutions.

At present, action has already been taken to produce 25% of the electricity requirement of the study premises of the University using solar power and it is possible to increase the capacity of solar power generation if necessary provisions are allocated for that purpose. .

A pre study is being conducted in the University to build a waste water treatment plant inside the University and action has already been taken to treat the waste water collected at the hostel premises and to release clean water to the environment.

Arrangements are being made to plant fruit and vegetable trees within the premises of the University and thereby, to attract animals and birds to such trees and to increase the physical feelings of the community of the University and to build a proper and a clean environment within the University.

Maximum utilization of resources as well as efficient and effective utilization of scarce resources and minimize the waste of resources and damage of resources.

Landscape horticultural activities are being carried out in compliance with soil conservation methodologies.

Safe and Environmentally friendly natural chemicals for controlling termites rather than *using* Termite Control Pesticides for the official quarters of academic and non-academic staffs constructed within the hostel premises of the University. The buildings to be constructed in the future will be built in a way that it is possible to get the maximum possible natural light inside the building and thereby, it is possible to minimize the use of electricity for getting light for the building.

Proposals have been submitted to construct rain water tanks to collect rain water and thereby, it has been scheduled to minimize the consumption of refined water for cultivation activities and to increase the consumption of rain water for cultivation.

Likely, action has been taken to construct tube wells to increase the consumption of ground water and thereby, to minimize the consumption of refined water provided by Water Supply and Drainage Board.

Venerable Mahopadyaya Thero,
The Buddhist and Pali University of Sri Lanka.

Report of the Auditor General on the Financial Statements and Other Legal and Regulatory Requirements of the Buddhist and Pali University of Sri Lanka for the year ended 31 December 2018 in terms of Section 12 of the National Audit Act, No. 19 of 2018

1. Financial Statements

1.1 Opinion

The audit of the financial statements of the Buddhist and Pali University of Sri Lanka for the year ended 31 December 2018 comprising the statement of financial position as at 31 December 2018 and the statement of financial performance, statement of changes in net assets and cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Provisions of the National Audit Act No. 19 of 2018 and Finance Act No.38 of 1971. My report in pursuance of provisions in Article 154 (6) of the Constitution will be tabled in Parliament in due course.

In my opinion, the financial position of the Buddhist and Pali University of Sri Lanka as at 31 December 2018, and its financial performance and its cash flows for the year then ended give a true and fair view in accordance with the Sri Lanka Public Sector Accounting Standards.

1.2 Basis for Qualified Opinion

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

1.3 Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the University's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the University or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the University's financial reporting process.

As per Sub-section 16 (1) of the National Audit Act No. 19 of 2018, the University is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared of the Institute.

1.4 Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to

those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the University's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the University to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

communicate with those charged with governance regarding, among other matters, significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

2. Report on Other Legal and Regulatory Requirements

National Audit Act, No. 19 of 2018 includes specific provisions for following requirements.

- Except for the effect of the matters described in the Basis for Qualified Opinion paragraph, I have obtained all the information and explanation that required for the audit and as far as appears from my examination, proper accounting records have been kept by the University as per the requirement of Section 12 (a) of the National Audit Act, No. 19 of 2018.

- The financial statements presented is consistent with the preceding year as per the requirement of section 6 (1) (d) (iii) of the National Audit Act, No. 19 of 2018.
- The financial statements presented includes all the recommendations made by me in the previous year as per the requirement of section 6 (1) (d) (iv) of the National Audit Act, No. 19 of 2018.

Based on the procedures performed and evidence obtained were limited to matters that are material, nothing has come to my attention;

- 2.1 to state that any member of the governing body of the University has any direct or indirect interest in any contract entered into by the University which are out of the normal cause of business as per the requirement of section 12 (d) of the National Audit Act, No. 19 of 2018.
- 2.2 to state that the University has not complied with any applicable written law, general and special directions issued by the governing body of the University as per the requirement of section 12 (f) of the National Audit Act, No. 19 of 2018.

Reference to Laws, Description Rules/ Direction

(a) The Financial
Regulations of the
Democratic socialist
Republic of Sri Lanka

Financial Regulations
371 (2) (b)

- (i) Ad hoc advances can be issued only to Staff grade officers. Nevertheless, 66 occasions where advances had been issued to non-staff grade officers could be observed and even though an Officer who had obtained ad hoc advances should settle the advance amount immediately after finalizing the relevant function and or within 10 days after the finalization of the function, 20 advances amounting to Rs. 711,112 had been delayed for a period of 11-42 days. Further, 14 advances totalling to Rs. 840,500 had not been settled until 10 December 2018.
- (ii) When advances received for carrying out various functions of the University are used for the prescribed functions, advances in the range of 40 to 100 per cent had been saved and resettled in 6 occasions as advances had not been issued according to an estimate prepared by identifying the amounts properly.

- b) 2.8.1 (a) of the Procurement Guidelines 2006 In the conduct of meetings of the Procurement Committee, Works Engineer, 02 Assistant Registrars and Assistant Bursar had participated as members of the Procurement Committee in addition to the three members of the Procurement Committee and one of them had functioned as the Secretary of the Procurement Committee. In terms of 2.8.1 (a) of the Procurement Guidelines, a member of the Technical Evaluation Committee is not allowed to represent the Procurement Committee. Nevertheless, the Works Engineer mentioned above had functioned as the Chairman of the Technical Evaluation Committee and the Assistant Bursar and the Assistant Registrar had functioned as the members of the Technical Evaluation Committee.
- (c) Sub Section 26.1 of Paragraph III of the Establishments Code for the University Grants Commission and Higher Education Institutions Even though it has been informed that outsourcing Visiting Lecturers from the institutions extraneous to the Higher educational institutions should be discouraged, 42 Visiting Lecturers had been employed in addition to the 55 Approved cadre of Lecturers of the Buddhist and Pali University of Sri Lanka and a sum of Rs. 4,900,123 had been paid as allowances for them during the year under review.
- 2.3 The University had functioned without complying with the Powers, functions and duties as per the requirement mentioned in Section 12 (c) of the National Audit Act No. 19 of 2018.
- 2.4 Non procurement and non-utilization of the resources of the University economically, efficiently and effectively during the time periods and in compliance with the relevant rules and regulations apart from the following observations as per the requirement stipulated in the Section 12 (h) of the National Audit Act No. 19 of 2018.
- (a) Even though the Buddhist and Pali University has been allowed to provide hostel facilities even under rent and lease basis as per the Section 4 (XV) of the Buddhist and Pali University of Sri Lanka Act, arrangements had been made to limit the number of students enrolled to the University only considering the space available in the hostels owned by the University. In accordance with the information on the enrolments of internal students for 5 years from the year 2014 up to the year under review, the percentage of number of students not enrolled out of the number of Students applied is 57.6 per cent, 76.8 per cent, 64.5 per cent, 51.3 per cent and 58.7 per cent. Accordingly, the maximum number of students for whom education at the University could be provided by utilizing the resources of the University to its maximum level had not been determined and an adequate attention had not been paid by the Management on the social and economic benefits that can be derived through increasing the number of students by utilizing the resources in its maximum level.

- (b) Even though Rs. 3 million had been allocated in the year 2017 for the establishment of a solar power system of 25 kilowatts in the Common Amenities Building of the Studies premises of the University, later it was decided that the capacity of the solar power system should be 50 kilowatts. However, a system of 58 kilowatts had been established and finalized by December 2017 and an amount of Rs. 7,827, 540 exclusive of Vat tax had been paid to the relevant Company. Accordingly, the capacity of this Project had been altered in two instances on the discretion of the Works Engineer. However, the objective of reducing the expenditure on electricity as expected from the establishment of this System could not be achieved.
- (c) A Senior Assistant Registrar whose service had been terminated on 20 March 2013 as per a decision taken at the 363th meeting of the Governing Board of the University had filed a case In the Labour Tribunal and the case had been settled after the compromise reached by the two parties to pay an amount of Rs. 1,534,217 to the Officer on 27 April 2016 and to award a letter of retirement considering the Officer had retired on the date of completion of 60 years of age. In reaching this compromise, the office equipment worth Rs. 173,694 carried out by this Officer had not been taken in to consideration.
- (d) Even though one chief security officer and 15 junior security officers had to be deployed on the shift rotation basis for 11 places related to hostels in the faculty premises according to the relevant Agreement and a sum of Rs. 11,048,029 had been incurred for the security service of the University in the year under review, only 9 junior security officers had been deployed in the service for 11 relevant places of the premises of the faculty.
- (e) A sum of Rs. 1,059,035 had been incurred in the year under review for the construction of a garage for parking the bus of the University and a sum of Rs. 168,000 had to be paid as additional work in relation to the contract and Rs. 75,966 for variations owing to the weaknesses in Engineering estimates.
- (f) Arrangements had not been made to settle the retained amounts comprised of Rs. 1,103,069 to be paid in the year 2015 and an amount of Rs. 717,896 to be paid in the year 2016 to the Electro Metal Pressings Ltd. even in the year under review and adequate measures had not been taken to release or to credit to the government revenue the retained money totalling Rs. 2,784,347 retained in the years 2015 and 2016 for contracts of 7 institutions including a sum of Rs. 2,508,385 payable to the State Engineering Corporation of Sri Lanka for the year 2016.

- (g) Even though sums of Rs. 548,902 and Rs. 379,334 had been paid in the previous year to Consultancy Institutions for designing plans on engineering estimates of Rs. Rs. 307.5 million for the construction of a five storied building in the Colombo premises where the External Examinations Division is located and on engineering estimates of Rs. 219 million for the construction of a hostel for foreign students in Homagama Premises and for the task of preparing tender documents required for the selection of a contractor under the construction procurement system, the relevant constructions and not been initiated even at the end of the year under review.

3. Other Observations

- (a) The approved academic Cadre of the University as at 31 December in the year under review was 212 and posts related to 35 officers out of the approved cadre remained vacant. Accordingly, 11 Posts of Lecturer, one Post of Librarian out of the approved academic cadre of 67 Posts and one Post each of Deputy Registrar, Senior Assistant Registrar and Assistant Bursar out of 14 approved Administrative Posts remained vacant.
- (b) A Senior Assistant Librarian in another University who was on his sabbatical leave had been recruited on contractual basis and had paid a sum of Rs. 674,343 from April 2017 to March 2018 while action is being taken to recruit a qualified person for the Post of Librarian of the University which remained vacant from 30 March 2015. The relevant Post remained vacant even by the end of the year under review.
- (c) Every Government institution should function as per the 2030 Agenda for Sustainable Development adopted by the United Nations Sustainable Development Summit. The University had been made aware of the way of functioning in relation to carrying out functions that come under the purview of the University. However, it could be observed that the process of designing plans and pre-preparedness for the accomplishment of the targeted objectives was very sluggish due to not coordinating with the other institutions in the preparedness to achieve sustainable developmental goals.
- (d) Even though the estimated operational expenditure of the year under review was Rs .313.6 million, the actual expenditure was Rs. 397.8 and as a result, the actual expenditure which exceeded the estimate had increased by 27 per cent.

The actual expenditure for 05 Objects was Rs. 110.4 and the estimated expenditure was Rs. 66.8 million and the variation between the estimated expenditure and the actual expenditure in relation to the 05 objects was in a range of 19 per cent to 225 per cent.

- (e) In considering the conferment of external and internal degrees in the University, the External Examination Division had conferred 228 Bachelor of Arts (General) Degrees and 88 Post graduate Degrees in the previous year and the number of Bachelor of Arts (General) Degrees and Post graduate Degrees that were conferred in the year under review had dropped to 72 and 51 respectively. The Internal Examination Division had conferred 89 Bachelor of Arts (General) Degrees and Post graduate Degrees in the previous year and the number of Bachelor of Arts (General) Degrees and Post graduate Degrees that were conferred in the year under review had dropped up to 55. Further, it could be observed that the performance level of conferring internal Degrees is comparatively low as the conferment of External Degrees and Internal Degrees within the last 5 years was 1859 and 353 respectively.
- (f) The total recurrent expenditure incurred on 536 internal students for the studies during the year under review was Rs. 376,873,904 and the total recurrent expenditure for 438 students during the previous year was Rs. 282,381,892. Accordingly, it could be observed that the Cost per One Student in the year under review had increased by 9 per cent when it is compared with that of in the previous year as the Cost per student in the year under review and the previous year was Rs. 703,123 and Rs.644,708 respectively.

W.P.C. Wickramaratne
Auditor General

Report of the Auditor General on the Financial Statements and Other Legal and Regulatory Requirements of the Postgraduate Institute of Pali and Buddhist Studies for the year ended 31 December 2018 in terms of Section 12 of the National Audit Act, No. 19 of 2018

Audit Paragraph		Reply
2.2 Functioned without complying with a certain written law applicable to or to other general or special Provisions issued by the Governing Board apart from the following observations as per the requirement stipulated in Section 12 (e) of the National Audit Act No. 19 of 2018.		
References to Laws, Rules and Regulations	Particulars	
(a) The Financial Regulations of the Democratic socialist Republic of Sri Lanka		
Financial Regulations 371 (2) (b)	(i) Ad hoc advances can be issued only to Staff grade officers. Nevertheless, 66 occasions where advances had been issued to non-staff grade officers could be observed and even though an Officer who had obtained ad hoc advances should settle the advance amount	Advances are issued to Staff grade officers as well as to non-staff grade officers under certain practical circumstances, for carrying out general duties of the University. I accept that certain delays had taken place in the settlement of advances and the delays in settling advances had been minimized when compared with the previous years. In the future, action will be taken to minimize these delays further. It is further informed that all the advances had been settled by 31 December.

	immediately after finalizing the relevant function and or within 10 days after the finalization of the function, 20 advances amounting to Rs. 711,112 had been delayed for a period of 11-42 days. Further, 14 advances totaling to Rs. 840,500 had not been settled until 10 December 2018.	
	(ii) In the utilization of advances received for carrying out various functions of the University are used for the prescribed function, a percentage of advances in the range of 40 to 100 per cent had been saved and resettled in 6 occasions as advances had not been issued according to an estimate prepared by identifying the amounts properly.	Full utilization of the total advances received is not occurred due to the absence of the members at the meetings of the Governing Boards and the other Sub-Committees and interviews in certain occasions. Likely, the total advance received had been re-settled due to the cancellation of the meetings of the relevant Sub-committees in certain instances on a date closer to the prescribed date.

(b) 2.8.1 (a) of the Procurement Guidelines 2006	In the conduct of meetings of the Procurement Committee, Works Engineer, 02 Assistant Registrars and Assistant Bursar had been made participate as on members of the Procurement Committee in addition to the three members of the Procurement Committee and one of them had functioned as the Secretary of the Procurement Committee. In terms of 2.8.1 (a) of the Procurement Guidelines, a member of the Technical Evaluation Committee is not allowed to represent the Procurement Committee. Nevertheless, the Works Engineer mentioned above had functioned as the Chairman of the Technical Evaluation Committee and the Assistant Bursar and the Assistant Registrar had functioned as the members of the Technical Evaluation Committee.	The Works Engineer and Assistant Registrar are the members of the aforementioned Technical Committee and the officers had participated in relevant occasions only for making clarifications for the Report of the Technical Evaluation Committee as requested by the Institutional Procurement Committee.
(c) Sub Section 26.1 of Paragraph III of the Establishments Code for the	Even though it is informed that outsourcing of Visiting Lecturers from the institutions extraneous to the Higher educational institutions should be discouraged	I admit the Matter. The services of the Visiting Lecturers had to be outsourced owing to the following reasons. ➤ For covering the relevant lectures during the period that the lecturers are on study leave and on sabbatical leave.

University Grants Commission and Higher education Institutions	42 Visiting Lecturers had been employed in addition to the 55 Approved cadre of Lecturers of the Buddhist and Pali University of Sri Lanka and a sum of Rs. 4,900,123 had been paid as allowances for them during the year under review.	➤ The services of the Lecturers who are experts in certain Subjects had to be outsourced with the objective of obtaining the expertise in the subject. I would like to point out that this situation reached a higher value during the first semester in the year 2018 and the value had decreased in a substantial level during the Second Semester due to the new recruitments made to the Academic Staff.
2.3	The University had functioned without complying with the Powers, functions and duties as per the requirement mentioned in Section 12 (c) of the National Audit Act No. 19 of 2018.	
2.4	Non procurement and non-utilization of the resources of the University economically, efficiently and effectively during the time periods and in compliance with the relevant rules and regulations apart from the following observations as per the requirement stipulated in the Section 12 (h) of the National Audit Act No. 19 of 1918.	
(a)	Even though The Buddhist and Pali University has been allowed to provide hostel facilities even under the hire and rental basis as per the Section 4 (Xv) of the Buddhist and Pali University of Sri Lanka, arrangements had been made to limit the number of students enrolled to the University	Currently, paper advertisements and documents for obtaining a hostel on hire basis had been prepared and submitted for obtaining the approval of the Departmental Procurement Committee. The number of qualified students applied for enrolments in the year 2019 was lower and as a result, the number of students enrolled was lower compared to the number applied for enrolment. Thereby, it was not required to hire buildings on hire basis as the

only considering the space available in the hostels of the University. In accordance with the information on the enrolments of internal students for 5 years from the year 2014 up to the year under review, the percentage of number of students not enrolled out of the number of Students applied is 57.6 per cent, 76.8 per cent, 64.5 per cent, 51.3 per cent and 58.7 per cent. Accordingly, the maximum number of students for whom education at the University could be provided by utilizing the resources of the University to its maximum level had not been determined and an adequate attention had not been paid by the Management on the social and economic benefits that can be derived through increasing the number of students by utilizing the resources in its maximum level.

hostel facilities of the University were adequate for the number of students enrolled.

Recruitments are made up to the number of students that can be enrolled to the University after classifying the applications of the G.C.E. (A. Level) students according to the highest Z score to the lowest Z score qualified to be enrolled to the University out of students applied for entering the University in accordance with the Scheme of Recruitment.

Year of the A. Level	Academic Year	Number applied for enrolments	Number Qualified	Number not Qualified	Number Recruited
2013	2015/2016	474	417	57	110
2014	2016/2017	366	345	21	130
2015	2017/2018	287	249	38	140
2016	2018/2019	332	329	3	140

Arrangements are being made to increase the number of students. Accordingly, action has been taken to recruit the maximum number of qualified students.

(b) Even though Rs. 3 million had been allocated in the year 2017 for the establishment of a solar power system of 25 kilowatts in the utility building of the Studies premises of the University, later it was decided that the capacity of the solar power system should be 5 kilowatts. However, a system of 58 kilowatts had been established and finalized by December 2017 and an amount of Rs. 7,827, 540 exclusive of Vat tax had been paid to the relevant Company. Accordingly, the capacity of this Project had

Even though a Solar power system with the capacity of 58 kW DC had been established in the Public Amenities Building, it was a system with 50 kW AC. Since the construction activities of the Language Proficiency Development Centre had been commenced in the year 2018, the number of electricity units had been increased when compared with the number units of electricity in the year 2017. The solar power system generates electricity with the capacity of 50 kW AC and the Ceylon Electricity Board had paid a sum of Rs. 65,097 to the University for the additional production of electricity.

The Works Engineer had been informed to prepare a report indicating the

been altered in two instances on the discretion of the Works Engineer. However, the objective of reducing the expenditure on electricity as expected from the establishment of this System could not be achieved.	level of accomplishing the electricity requirement of the University and the capacity of electricity provided so far to the Ceylon Electricity Board and to submit a Report to the auditor General with a certification as to whether the number of units of electricity produced so far from this system is the same number of units of electricity anticipated to be produced from the system.
(c) A Senior Assistant Registrar whose service had been terminated on 20 March 2013 as per a decision taken at the 363 th meeting of the Governing Board of the University had filed a case in the Labour Tribunal and the case had been settled after the compromise reached by the two parties to pay an amount of Rs. 1,534,217 to the Officer on 27 April 2016 and to award a letter of retirement considering the Officer had retired on the date of completion of 60 years of age. In reaching this compromise, the office equipment worth Rs. 173,694 carried out by this Officer had not been taken in to consideration.	According to the Reports of the university, the Provident Fund has been properly computed and relevant deductions had been made duly. 07 attempts had been made to pay the Provident Fund and he had refused to accept the payment by giving various reasons. It has been scheduled to take a decision by referring the situation to the Governing Board of the University.
(d) Even though one chief security officer and 15 junior security officers had to be deployed on the shift rotation basis for 11 places related to hostels in the faculty premises according to the relevant Agreement and a sum of Rs. 11,048,029 had been incurred for the security service of the University in the year under review, only 9 junior security officers had been deployed in the service for 11 relevant places of the premises of the faculty.	Three officers of the three premises are closely supervising the security condition currently to avoid this situation and the relevant Institution has been made aware on the situation with the issuance of a warning. Further, salaries would be deducted for the days of leave according to the Agreement.

(e) A sum of Rs. 1,059,035 had been incurred in the year under review for the construction of a garage for parking the bus of the University and a sum of Rs. 168,000 had to be paid as additional work in relation to the contract and Rs. 75,966 for variations owing to the weaknesses in Engineering estimates.	Even though estimates had been prepared in relation to the place proposed at the initial stage for the construction of the garage, it could be found that the soil of the relevant land is not suitable for the construction. As a result, the construction work of the garage had to be made in an area above 02 metres on the same land. Therefore, a cost more than the estimated amount had to be incurred for functions such as land preparation and soil cutting.
(f) Arrangements had not been made to settle the retained amounts comprised of Rs. 1,103,069 to be paid in the year 2015 and an amount of Rs. 717,896 to be paid in the year 2016 to the Electro Metal Pressings Ltd. even in the year under review and adequate measures had not been taken to release or to credit to the government revenue the retained money totalling Rs. 2,784,347 retained in the years 2015 and 2016 for contracts of 7 institutions including a sum of Rs. 2,508,385 payable to the State Engineering Corporation of Sri Lanka for the year 2016.	Retained amount had not been settled on the due date as the activities related to the release of the retained amounts had been delayed by the contracting institutions. Since the variation exceeds the limit of 15% than the approved estimated amount related to the academic and non-academic official quarters to be finalized by Electro Metal Pressings (Pvt) Ltd., necessary action was being taken to submit the estimate to the Secretary of the Ministry and to obtain the approval as per the Procurement Guidelines and therefore, it was not possible to settle the retained amounts by 31.12.2018. The approval of the Ministry related to this matter has already been granted and action is being taken for settling the amount during the Year 2019.
(g) Even though sums of Rs. 548,902 and Rs. 379,334 had been paid in the previous year to Consultancy Institutions for designing plans on engineering estimates of Rs. Rs. 307.5 million for the construction of a five storied building in the Colombo premises where the External	These Projects could not be commenced as General Treasury Provisions had not been allocated for the year 2018. Provisions had been allocated for the year 2019 and the relevant procurement activities are in the final stage.

Examinations Division is located and on engineering estimates of Rs. 219 million for the construction of a hostel for foreign students in Homagama Premises and for the task of preparing tender documents required for the selection of a contractor under the construction procurement system, the relevant constructions and not been initiated even at the end of the year under review.	
3. Other Observations	
(a) The approved academic Cadre of the University as at 31 December in the year under review was 212 and posts related to 35 officers out of the approved cadre remained vacant. Accordingly, 11 Posts of Lecturer, one Post of Librarian out of the approved academic cadre of 67 Posts and one Post each of Deputy Registrar, Senior Assistant Registrar and Assistant Bursar out of 14 approved Administrative Posts remained vacant.	Approved Academic Staff is 67. Seven Posts out of the Cadre are Posts of Professor. Applications were called for the 07 Posts through the publication of paper advertisements and recruitments have not yet been made as applications had not been forwarded by qualified persons. One of the Post of Lecturer is for teaching the subject of Buddhist Psychology and Counselling of the Department of Buddhist Philosophy. It is not possible to fill the Post as a case has been filed regarding the Post under No. 46/2019 in the Court of Appeal. Arrangements are being made to recruit qualified persons for the Posts of the non-academic Staff. Relevant action are being taken to fill vacancies of the Posts of Assistant Bursar and Senior Assistant Registrar.

(b) A Senior Assistant Librarian in another University who was on his sabbatical leave had been recruited on contractual basis and had paid a sum of Rs. 674,343 from April 2017 to March 2018 while action is being taken to recruit a qualified person for the Post of Librarian of the University which remained vacant from 30 March 2015. The relevant Post remained vacant even by the end of the year under review.	In the evaluation of applications of the applicants who have fulfilled basic qualifications as per the Paper Advertisement published on 31.03.2015 and 11.03.2016 in terms of the Circulars for selecting and for recruiting a qualified person for the Post of Librarian, which remains vacant, it was revealed that adequate marks had not been scored by any Applicant. Therefore, applications were called by publishing paper advertisements again on 08.12.2016 as per the instructions of the Governing Board of the University. Among the applicants, there were two applicants who have fulfilled qualifications and when their self-evaluating Reports were evaluated, they also had not scored marks sufficient to be appointed to the Post. As per the decision taken at the 389th meeting of the Governing Board of the University, applications were called for the Post of Librarian by publishing paper advertisements in newspapers on the dates 15.04.2018 and 16.04.2018. One applicant among the applications received had fulfilled qualifications as per the University Grants Commission Circular No. 921. The parts 2 and 3.1 of the application had been evaluated and accordingly, the applicant had not scored the required marks for being recruited to the Post of Librarian.
(c) Every Government institution should function as per the 2030 <i>Agenda for Sustainable Development</i> adopted by the <i>United Nations Sustainable Development Summit</i>. The University had been made aware of the way of functioning in relation to carrying out functions that come under the purview of the University. However, it could be observed that the process of	The Paper of the Governing Board of the University had been submitted in relation to the appointment of a Committee as per the recommendations issued at the 117th Meeting of the Audit and Management Committee for the successful accomplishment of the future functions in this regard. The University has already functioned as mentioned below to accomplish the sustainable developmental goals.

designing plans and pre-preparedness for the accomplishment of the targeted objectives was very sluggish due to not coordinating with the other institutions in the preparedness to achieve sustainable developmental goals.	All the qualitative and quantitative factors are being considered in the accomplishment of objectives of the University compared with the accomplishment of the Sustainable Developmental Goals and coordinating activities are being performed with the external parties as and when required. Mainly, the Quality Assurance Unit of the University and the two Faculties always take necessary action in collaboration with the other Universities in the level of Department of Study for the improvement of the qualitiveness of the Degrees. Likely, the Quality Assurance Unit of the University and the two Faculties take relevant action to improve the qualitiveness in the fundamental educational qualifications in collaboration with Pirivena. ➤ Conducts Seminars jointly with the Piriven Branch of the Ministry of Education as an assistance given to prepare children for the English question Paper of the Piriven Education Final Examination. Further, Programmes for improving the English Education are implemented by selecting Piriven Educational Institutions in the various parts of the island. ➤ The Buddhism Diploma Course is being conducted for teachers in Dhamma Schools in 18 Districts in collaboration with the Department of Buddhist Affairs. Syllabuses are being designed for “Daham Sarasaviya”, Higher Diploma Course in Buddhism. Accordingly, opportunities will be offered for students who follow and get through the Higher Diploma Course to follow the Bachelor of Arts Degree Programme from the following year.

(d) Even though the estimated operational expenditure of the year under review was Rs. 313.6 million, the actual expenditure was Rs. 397.8 and as a result, the actual expenditure which exceeded the estimate had increased by 27 per cent. The actual expenditure for 05 Objects was Rs. 110.4 and the estimated expenditure was Rs. 66.8 million and the variation between the estimated expenditure and the actual expenditure in relation to the 05 objects was in a range of 19 per cent to 225 per cent.	Even though the Estimate for Recurrent Provisions of Rs. 339 million for the year 2018 had been submitted for obtaining the approval, Provisions worth Rs. 280 million had been approved initially by the General Treasury. The estimates were revised again as per the approval and additional Provisions adequate for the payment of increases in salaries had only been provided.
(e) In considering the conferment of external and internal degrees in the University, the External Examination Division had conferred 228 Bachelor of Arts (General) Degrees and 88 Post graduate Degrees in the previous year and the number of Bachelor of Arts (General) Degrees and Post graduate Degrees that were conferred in the year under review had dropped to 72 and 51 respectively. The Internal Examination Division had conferred 89 Bachelor of Arts (General) Degrees and Post graduate Degrees in the previous year and the number of Bachelor of Arts (General) Degrees and Post graduate Degrees that were conferred in the year under	External Examination Division – 228 Bachelor of Arts (General) Degrees and 78 Post Graduate Degrees had been conferred in the previous year and 72 Bachelor of Arts (General) Degrees had been conferred in the year under review and there is a variation to be seen due to the increased motivation of students to follow the two-year Course for obtaining Post Graduate Degrees. The students who had enrolled before the year 2012 had passed the Degrees after re-sitting the repeat Examinations. Therefore, new students had not sat for Degree Examinations. New Students had been enrolled in the year 2016 and it is scheduled to release their results in the year 2019.

review had dropped up to 55. Further, it could be observed that the performance level of conferring internal Degrees is comparatively low as the conferment of External Degrees and Internal Degrees within the last 5 years was 1859 and 353 respectively.	Enrolment of Students for Bachelor of Arts (General) Degrees (External) for the years 2013, 2014 and 2015 had been suspended temporarily as per the Circular issued by the University Grants Commission. Thereby, the number of Graduates in the Year 2018 had decreased. Internal Examination Division – The overall Graduates who had been conferred Degrees in the year 2018 was 102. Fifty five (55) had been conferred Degrees in the First Semester and 47 had been conferred Degrees in the Second Semester. The number of Graduates in the year 2018 had been mentioned as 55 as the results of the Second Semester had not been released at the time of preparing the Annual Report for the year 2018.
(f) The total recurrent expenditure incurred on 536 internal students for the studies during the year under review was Rs. 376,873,904 and the total recurrent expenditure for 438 students during the previous year was Rs. 282,381,892. Accordingly, it could be observed that the Cost per One Student in the year under review had increased by 9 per cent when it is compared with that of in the previous year as the Cost per student in the year under review and the previous year was Rs. 703,123 and Rs.644,708 respectively.	The total recurrent expenditure incurred on 536 internal students for the studies during the year under review was Rs. 318,255,738 and the total recurrent expenditure for 438 students during the previous year was Rs. 283,470,299. The Cost per One Student in the year under review and in the previous year were Rs. 593,761 and Rs. 647,192 respectively. Accordingly, the Cost per one student in the year under review had decreased by 8%.
