1. INTRODUCTION

General Sir John Kotelawala Defence Academy was established under the Sir John Kotelawala Defence Academy Act No. 68 of 1981 and its scope of operation has been enhanced by several subsequent amendments. The Academy was elevated to university status by the Sir John Kotelawala Defence Academy (Amendment) Act No. 27 of 1988 and subsequently renamed as “General Sir John Kotelawala Defence University” in terms of the (Amendment) Act No. 50 of 2007.

This Annual Report covers the activities and performances of the University during the period 01st January 2015 to 31st December 2015. The Annual Report and Annual Accounts of General Sir John Kotelawala Defence University are presented herein in compliance with Section 14 (1) of the Finance Act, No: 38 of 1971.

2. VISION, MISSION AND OBJECTIVES OF THE UNIVERSITY

2.1 Vision

To be a university nationally and internationally known for its unique ability to engage both undergraduate and graduate students in distinctive and interdisciplinary defence-related higher education that best serves the tri-services, the state sector, and society at large.

2.2 Mission

To ensure a high-quality, learner-centred educational experience through undergraduate, graduate and professional programmes along with high quality research across many disciplines in the field of Defence, in both residential and non-residential settings in the campus.

2.3 Objectives

- a. To provide facilities to introduce officer cadets to the profession of arms and guide them to develop their knowledge and skills in the profession of arms, prior to being commissioned in the Armed Forces.
- b. To provide facilities for and instructions in academic studies for officer cadets, officers, public servants and any other persons in preparation for the first degree in such subjects that are relevant to their professions or employment.
- c. To foster a spirit of comradeship and goodwill amongst officer cadets to develop a sense of amity and unity amongst the officer corps of the Armed Forces for the purpose of facilitation of joint operations during the course of their service in the said forces.
- d. To provide courses of study on continuous professional development for officers of the Armed Forces and other persons to make them qualified for the award of postgraduate degrees, diplomas and other certificates offered by the University.
- e. To discharge such other functions including research and development as the University may consider necessary for the achievement of its objectives.

3. VICE-CHANCELLOR'S REVIEW

General Sir John Kotelawala Defence University (KDU) is a leading university with a global approach and is the only university offering graduate courses in defence studies in the South Asian region. Being a member of the Association of Commonwealth Universities (United Kingdom) General Sir John Kotelawala Defence University maintains world class standards for educating and grooming officer cadets to successfully meet the challenges of modern defence management. We are proud to contribute to the making of outstanding Army, Navy and Air Force officers dedicated **‘For the Motherland Forever’**.

KDU offers both postgraduate and undergraduate courses in various disciplines. The conferment of degrees is the most significant event in the University Calendar. The Convocation of KDU – 2015 was held at the BMICH on 30th October 2015 and it was presided by H.E. the President Maithripala Sirisena. At this Convocation, degrees were conferred upon 450 graduands.

16 officers were awarded the Bachelor of Medicine and Bachelor of Surgery (MBBS) degree, 148 officers were awarded bachelors degrees, Master of Science Degree in Management for 14 officers, Master of Business Administration Degree in Logistics Management for 06 officers, Master of Business Administration Degree in E-Governance for 09 officers, Bachelor of Science Degree in Management for 10 officers, Bachelor of Military Studies (SLMA) Degree for 45 officers, Bachelor of Aviation Studies (SLAFA) Degree for 53 officers, Master of Defence and Strategic Studies (DSCSC) Degree for 56 officers, Postgraduate Diploma in Logistics Management for 14 officers and Postgraduate Diploma in Defence Management (SLAFA & NMA) for 57 officers.

The Seventh International Research Conference of KDU was held on the 21st and 22nd of August 2015.

It is hoped that the results of the introduction of various management strategies, staff development activities and other progressive measures implemented by the University will reflect in the performance of the University in the years to come.

Behind all these achievements were the efforts of a committed and hardworking group of staff, officer cadets and well-wishers whose individual and collective accomplishments are reflected throughout this report. Their efforts during the period under review has provided a solid foundation for the continued growth and success of General Sir John Kotelawala Defence University.

4. BOARD OF MANAGEMENT – KDU

The Management and Administration of the University is governed by the Board of Management that consists of the following members appointed by His Excellency the President of the Democratic Socialist Republic of Sri Lanka.

Chairman	
Secretary, Ministry of Defence	Mr Gotabaya Rajapaksa RWP RSP psc (up to 09.01.2015) Mr BMUD Basnayaka (from 11.01.2015 to 08.09.2015) Mr Karunasena Hettiarachchi MSc (Eng) Belgium BSc (Eng) (Hons) (from 09.09.2015)
Members	
Chief of Defence Staff	General J Jayasuriya VSV USP ndu psc MSc (DS) (upto 30.05.2015) Air Chief Marchal KA Gunatilleke RWP and bar, RSP, VSV, USP, MSc (Def Studies) in Mgt, MSc (Def & Strat Stu),ndc, psc qfi (from 01.06.2015)
Commander of the Army	Lieutenant General RMD Rathnayake WWV RWP RSP USP ndu psc (upto 21.02.2015) Lieutenant General AWJC De Silva RWP VSV USP ndu psc (from 22.02.2015)
Commander of the Navy	Vice Admiral SMAJ Perera RWP VSV USP ndc psc MSc(DC) MSc (D&SS) (upto 10.07.2015) Vice Admiral RC Wijegunaratne WV RWP & Bar RSP VSV USP ndc psn MPhil (D&SS) BSc(Hons) (WS) (from 11.07.2015)

6.1 Faculty of Defence Studies

6.2 Faculty of Graduate Studies

Doctor of Philosophy
Master of Philosophy
MSc Management
MSc Military Sciences & Technology
MBA E-Governance
MBA Logistics Management
Master of Law (LLM)
BSc Management

6.3 Faculty of Medicine

Bachelor of Medicine and Bachelor of Surgery (MBBS)

6.4 Faculty of Engineering

BSc Hons (Aeronautical Engineering)
BSc Hons (Aircraft Maintenance Engineering)
BSc Hons (Bio Medical Engineering)
BSc Hons (Civil Engineering)
BSc Hons (Electrical & Electronic Engineering)
BSc Hons (Electronics & Telecommunication)
BSc Hons (Marine Engineering)
BSc Hons (Mechanical Engineering)
BSc Hons (Mechatronic Engineering)

6.5 Faculty of Computing

BSc Hons (Computer Sciences)
BSc Hons (Computer Engineering)
BSc Hons (Software Engineering)

6.6 Faculty of Law

Bachelor of Laws (LLB)

6.7 Faculty of Management, Social Sciences & Humanities

BSc Logistics Management
BSc Management & Technical Sciences
BSc Social Sciences

6.8 Faculty of Allied Health Sciences

BSc Hons (Medical Laboratory Sciences)
BSc Hons (Nursing)
B Pharm
BSc Hons (Physiotherapy)
BSc Hons (Radiography)

6.9 Faculty of Built Environment and Spatial Science

Bachelor of Architecture
BSc Hons (Built Environment)
BSc Built Environment
BSc Hons (Surveying Sciences)
BSc Surveying Sciences
BSc Hons (Quantity Surveying)
BSc Quantity Surveying

6.10 Faculty of Computing

BSc Hons (Information Technology)
BSc Hons (Information Systems)

7. FACULTY OF DEFENCE & STRATEGIC STUDIES

Introduction

The Faculty of Defence & Strategic Studies functions under the purview of the Deputy Vice Chancellor (Defence and Administration).

Defence and Strategic Studies is a key area of Education at KDU and the responsibilities therein are entrusted to the Faculty of Defence & Strategic Studies (FDSS) functioning under the purview of the Deputy Vice Chancellor (Defence & Administration) of the University. The FDSS consists of two departments, the Department of Defence Studies and the Department of Strategic Studies, which are responsible for carrying out multifaceted academic & military training activities to ensure high quality military education and training for Officer Cadets as well as for tri- service and other relevant personnel in related fields.

Department of Defence Studies

The Department of Defence Studies (DDS) is responsible for discipline, military training and all administrative affairs of Officer Cadets, and in addition, the department is also responsible for administrative activities of Day Scholars reading for KDU Degrees.

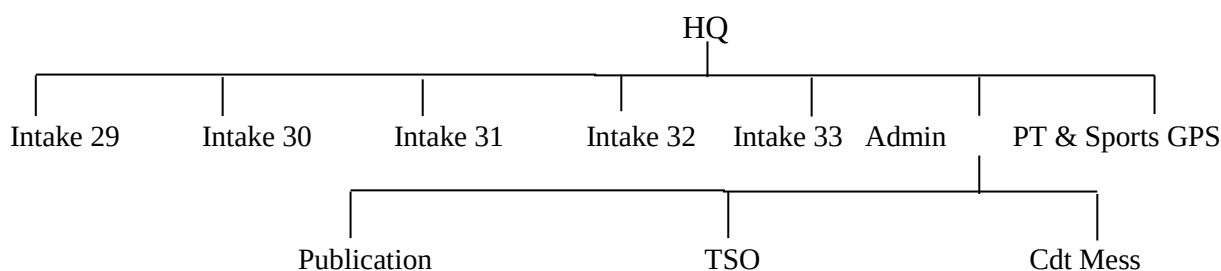

Department of Defence Studies comprises of Six (06) Squadrons namely Gamunu, Gajaba, Vijayaba, Mahasen, Parakum & Walagamba; and each Squadron is formed with Officer Cadets of different intakes and each intake is divided into several troops for command and control. While a Squadron Commander holds the overall responsibility of an entire Squadron, Troop Commanders are responsible for the supervision of Troops assigned to them.

Department of Strategic Studies

Department of Strategic Studies (DSS) is a new wing added to the Faculty of Strategic Studies. It envisions developing a Strategic community that will better serve national interests of Sri Lanka. DSS specifically focuses attention on the field of Strategic Studies as an interdisciplinary academic subject area concerning military strategy, geo-politics and on traditional and non traditional security with their relevance to national and international security. Hence, the Department embarks upon dissemination of knowledge and conducting research on topics related to those subject areas. Research outcomes are aimed at supporting the policy and strategic decision making process in the country, and in this endeavor, the department will affiliate, associate and interact with numerous other academic and policy making institutions and think tanks at regional as well as global levels.

Organization of the Faculty of Defence Studies

Although the approved organization is catered for six Officer Cadet Intakes, from August to December of each year, the Faculty of Defence Studies has to maintain five Intakes of Officer Cadets. The actual organization of the Faculty of Defence Studies as at 31 December 2015 was as follows.

a. Changes of key appointments (Military / Academic)

The following changes to key appointments took place in the Faculty of Defence Studies during the year 2015.

Name	Position	Date of assuming Duties
Lt Col HLC Liyanage RSP psc	Course Coordinator	20/07/2015

i. Achievements in Sports Activities

Considering the importance of physical and mental fitness, strength and capability in service life, all officer cadets were encouraged to take part continuously in sports and drill as conducted during this year. It was made mandatory for Officer Cadets to actively participate in, at least one team sport while being in the University. The Officer Cadets and Day Scholars were encouraged to take part in the following games providing all facilities required for the same.

Athletics, Angampora, Badminton, Basketball, Boxing, Cricket, Chess, Hockey, Karate, Netball, Power Training, Rowing, Indoor Rowing, Rugby, Soccer, Squash, Swimming, Table Tennis, Tennis, Volleyball, Weight Lifting, Water Polo

The Sports Officer was in-charge of organizing the above games. The matches were played against other universities and clubs in order to have a close

interaction and to give the Officer Cadets and Day Scholars an exposure to other universities and outside organizations.

Achievements in sports during the year 2015 are as indicated below:

i. Athletics

Athletics provides athletes with several benefits including the acquisition of valuable life skills that will benefit them throughout their life. These skills are more beneficial than the games themselves, and their impact can be powerful and transcending. Some of these skills include effort, hard work, team work, time management and self discipline.

Through these aspects KDU Athletes showed utmost team spirit, exceptional talent and remarkable performances during the year 2015. KDU Athletes exhibited outstanding performances during the annual athletics meet by establishing 09 new KDU records in both track and field events. Athletes were able to excel with outstanding performances during the other athletic meets which were organized by the Colombo district Athletics Association, Ceylonese Track and Field Club and ACE Athletic Club in the year 2015 and secured 21 gold medals, 13 silver medals and 6 bronze medals in both track and field event.

Colombo District Athletic Championships – 2015

The Athletic team of General Sir John Kotelawala Defence University took part in Colombo District Athletic Championship 2015 held at the Mahinda Rajapakse International Stadium, Diyagama on 24 and 25 January 2015. Athletic Championship was organized by the Colombo District Athletic Association and KDU has competed on open category with island wide sports clubs representing, Maisoor Athletic Club INDIA, Colombo sports club and Negombo sports club. Seven athletes of KDU showed their excellence in both track and field events and kept the University flag flying high. The achievements of athletes are as given below.

Angampora

Angampora is a form of martial art from Sri Lanka that combines Combat Techniques, Self-Defense, Sports, Exercise and Meditation. A key component of Angampora is the namesake Angam, which incorporates hand-to-hand fighting, and “Illangam”, involving the use of Indigenous Weapons, such as, the “Eethunukaduwa”, staves, knives as well as swords. Another component known as “Mayaangam”, which uses spells and for combat, is also said to have existed.

“The main aims of Angampora were to protect the race, religion and the country – that’s why they mastered it. It was not to fight with enemies in the street.”

“Angampora” the form of martial art of Sri Lanka was introduced to the General Sir John Kotelawala Defence University for training cadets and Day Scholars with the guidance of the Dean Faculty of Defence and Strategic Studies Col MGWWMCB Wickramasinghe RWP RSP and the Officer-In - Charge of Angampora is SqnLdr WAPM Wickramaarachchi. A commencing

seminar of Angampora was held at Kotelawala Defence University on 08 July 2015 and more than 200 Officer Cadets and Day Scholars were present at that seminar. Further, a colourful demonstration was presented by the team of Angampora on the same day. The people who attended that seminar showed keenness. were interested. At present more than 60 Officer Cadets and Day Scholars are practising on every Wednesday and Friday from 1630hrs to 1800hrs. and within the short period of time they are engaged.

Badminton

Rowing

The history of Rowing as a sport has one of the oldest traditions in the world. What began as a method of transport and warfare eventually became a sport, and the interest for this sport has increased massively in Sri Lanka during the past years. General Sir John Kotelawala Defence University being a prominent university even in the field of sport of Sri Lanka has achieved greatness in the sport Rowing. The Rowing crew of KDU has performed exceptionally well in the Army Inter Regiment Indoor Rowing meets, KDU/BLRC Indoor Rowing Championships and National Indoor/Outdoor Rowing Championships held during the last three years.

The year 2015 was a golden year for KDU Rowing. The crew won 04 Gold, 05 Silver and 05 Bronze medals at the National Indoor Rowing Championship 2015 in the first quarter organized collectively by KDU and BLRC. Later the crew was also able to secure the Gold medal in the over 18 women's Double Scull (2X) event at the National Water Rowing Championship 2015 which was held at Diyawannawa. L/O/C EAS Dilhani and F/J/L/O/C Bandana Shah from Nepal won the Gold competing against well-established teams, such as, the Army, Navy and Air Force, teams of Universities and other club teams, leaving its mark in gold in the KDU sports history.

Furthermore, it has to be noted that the team has shown its talents not only in Sri Lanka, the crew participated in the varsity boat race Malaysia 2013, and reached the finals in the women's coxless fours event.

Rowing Club

The Rowing club was established to improve the skills and Indoor Rowing skills among Cadets. In its short history, the University rowers have already achieved much. The time was able to become the overall runners-up in initial National Indoor Rowing meets. The Rowing crew of KDU has performed exceptionally well in the Army Inter Regiment Indoor Rowing meets, KDU/BLRC Indoor Rowing Championships and National Indoor/Outdoor Rowing Championships held during the last three years.

The KDU was able to secure the following Trophies at the National Indoor Rowing Championship – 2015. Presently the KDU Rowing club is equipped with all types of boats, with the intention of improving the skills of the KDU rowers, the club has taken the service of the one and only International Rowing judge available in Sri Lanka.

1. Age 19-20 Male overall Championship
2. Age 19-20 Female overall Championship
3. Age 21-22 Male overall Championship

The Rowing team was able to secure the Gold medal in the over 18 women's Double Scull (2X) event at the National Rowing Championship of Sri Lanka which was held at the Diyawanna Lake for the 30th consecutive year. This was

a historical moment for KDU sports since this was the first time the KDU Rowing team won a Gold medal in a Nation Water Rowing event.

Rugby

American Rugby Football Tournament

The Kotalawela Defence University Rugby Team holds a prominent place among the Sports in KDU. On June 27 & 28 KDU Rugby Team participated in EFLI American Football Tournament which was held at the CR & FC Grounds. Three KDU teams competed against 13 teams including 2 foreign teams from Pakistan. The results are as follows.

MATCH	RESULTS	SCORE
KDU VS Jaffna Warriors	KDU WON	18 – 01
KDU VS University of Sargoda	KDU WON	27 – 07
KDU VS IIT Panthers	KDU WON	32 - 00

Semi Finals

MATCH	RESULTS	SCORE
KDU VS BMS	KDU WON	10 – 08

In this tournament KDU was selected to cup finals. After the final match half time score was 7 all. Full time scores were deadlocked at 13 all, and the game then went into 3 minutes extra time and in the 2nd minute of the extra time NIBM touched down, which gave them the victory by 19 points to 13. Hence KDU became Cup Runners - up of the tournament.

KDU LEADERS' TROPHY RUGBY 7S TOURNAMENT

The Leaders' Trophy Rugby 7s' tournament organized by General Sir John Kotelawala Defence University was concluded on 15 September 2015 at the University Rugby Stadium. 16 teams participated in the tournament. The participated teams are as follows.

- KDU 'A' 'B' & 'C' teams
- Sri Lanka Military Academy 'A' & 'B' teams
- CFPS Institute (Centre for Professional Studies)
- IIT Institute (Informatics Institute of Technology)
- NSBM (National School of Business Management)
- University of Colombo 'A', 'B' & 'C' teams
- University of Sri Jayewardenepura
- Naval and Maritime Academy
- Cinec Maritime Campus
- BMS Institute

The tournament was really competitive, as it was conducted under 7's format.

After the progress of the tournament for the Bowl Finals Sri Lanka Military Academy 'A' team and General Sir John Kotelawala Defence University 'C' teams competed and finally the Sri Lanka Military Academy became victorious, and for the Plate Finals, University of Colombo 'A' team and General Sir John Kotelawala Defence University 'B' teams were selected and ultimately University of Colombo emerged victorious. For the final big game for the Cup Championship finals, General Sir John Kotelawala Defence University 'A' team and IIT Institute competed. At the end, General Sir John Kotelawala Defence University became the Champions of the tournament and the result is as follows.

TEAMS	SCORE	REMARKS
KDU vs IIT	17-5	KDU WON

- Try scorers for KDU were S/U/O AGS Silva ,S/U/O MKM Wimala and O/C KALS Kodikara.
- S/U/O SAAAK Athukorala became the best player of the tournament

Soccer

The Soccer team of General Sir John Kotelawala Defence University plays a prominent role in sports. Not only with local undergraduates, it is an eminent sport among foreign undergraduates of KDU as well. The KDU Soccer team was placed the 2nd runner up of Dehiwala- Mount Lavinia Football league 2014/15 competing with 12 club teams in April 2015. The KDU Soccer team remained unbeaten in Dehiwala- Mount Lavinia Football league 2015/16 too. The achievements are as follows.

MATCH	RESULTS	SCORE
KDU Vs Moratuwa Soccer Club	KDU won	2 - 0
KDU Vs Young Stars Soccer Club	KDU won	3 - 0
KDU Vs Over 40 Team	KDU won	3 - 0
KDU Vs Piliyandala Soccer Club	KDU won	2 - 0
KDU Vs Rathmalana United	KDU won	1 -0

Leaders' Trophy Soccer Tournament 2015

Leaders' Trophy Soccer Championship is one of the foremost events in the event calendar of KDU. The KDU Soccer team organized Leaders' Trophy 2015 for the 5th consecutive year hand in hand with 12 Private and Public Universities and the team was crowned as runner up of this year's tournament.

Universities participated were as follows:

- University of Jaffna
- University of Sri Jayewardenepura
- University of Colombo
- Sri Lanka Institute of Information Technology
- SAITEM Campus
- South Eastern University
- University of Ruhuna
- Eastern University
- General Sir John Kotelawala Defence University

The names of the Officer Cadets and Day Scholars who have played for the KDU Soccer team are mentioned below:

Swimming

The Swimming team of General Sir John Kotelawala Defence University was able to organize a glamorous and competitive Inter Squadron Swimming Championship as a full day sporting event in 2015.

The swimmers performed better than in the previous year, which was the most important outcome that KDU expected from the team. The previous year swimmers could break only 3 KDU records while this year they managed to increase the count up to 5.

List of new KDU Records Established during the event:

Men

KDU NO	RANK	NAME	EVENT	PERFORMANCE
4500	O/Cdt	JKG Godage	66m Breast Stroke	55.34 Sec
4500	O/Cdt	JKG Godage	33 m Breast Stroke	24.14 Sec

Water Polo

Water Polo is a team water sport which consists of swimming, using a special form of treading water, throwing, catching, and shooting the ball. All this must be done using a single hand. Each team consists of 6 field players and a goalkeeper. Except for the goalkeeper, players participate in both offensive and defensive roles.

Water Polo is a newly introduced sport to KDU, but we are proud to state that now we have a splendid and strong water polo team with 25 members in KDU. In this year, they performed well against Royal Collage - Colombo, S. Thomas' College Mount Lavinia etc.

KDU water polo team receives an appreciable patronage from KDU and are provided with new water polo outfits, tools and specially a good coach. With this courtesy, now they are confident and strong enough to compete at the national and international levels.

i. Club Activities

Every Wednesday all O/Cdts and Day Scholars participate in Club Activities. The Club Activities are as follows.

- a. Art & Culture Club

| b. | Term End Vacation | - | 14.06.2015–22.06.2015 |
| c. | Year End Vacation | - | 11.12.2015–31.12.2015 |

8. FACULTY OF GRADUATE STUDIES (FGS)

Introduction

The **Faculty of Graduates Studies** of **General Sir John Kotelawala Defence University** was established as the MSc Section in 2001 to provide an opportunity for the tri services and police officers to obtain a Master of Science (Defence Studies) Degree in Management. The first MSc (Defence Studies) Degree in Management programme was commenced on 22 March 2001, and the Bachelor of Science (Defence Studies) Degree in Management Programme was commenced on 10 July 2003. These courses were designed by a forum of senior academics and professionals from reputed universities in Sri Lanka to ensure a high academic standard and to enable participants to complete the degree in two years while in service. Further, these courses cover important functional and peripheral areas of management.

The **MSc Section** was later renamed as **Staff Development and Career Advancement Division** in 2004, **Institute of Postgraduate Studies (IPGS)** in 2007 and finally as **Faculty of Graduate Studies (FGS)** in 2012 respectively.

General

The Faculty of Graduate Studies (FGS) ensures personal and professional growth of participants through interactive sessions, experimental learning and independent research projects.

The Faculty has been continually engaged in conducting many part time postgraduate / undergraduate degree programmes and a number of diploma / certificate programmes for officers and other ranks of the tri services, Police and private sector personnel.

Parallel to the above, the Faculty of Graduate Studies runs several computer diploma and certificate courses which also cater to tri-service personel and it has a Computer Training Center (CTC) of its own with the lecturing assistance from the Center for IT Support & Development Service (CITS & DS) of KDU.

Staff

During the year 2015, FGS had the following staff

- | | | | |
|------|------------------|---|--|
| i. | Dean | - | Brig W P A K Thilakarathna psc |
| ii. | Senior Professor | - | Mrs Swarna Piyasiri
From 15.09.2015 to 31.12.2015 |
| iii. | Staff Officers | - | Maj W P K Senarath |
| | | - | Lcdr N A C C Munasinghe
From 01.01.2015 to 07.09.2015 |
| | | - | Lcdr H P M Hewawasam |

			From 05.09.2015 to 31.12.2015
		-	Maj D J P Dikkumbura
iv.	Assistant Registrar	-	Mr N E G S Nambuwasam From 08.05.2015 to 31.12.2015
v.	Assistant Bursar	-	Mrs G D A Wickramasekara
vi.	SNCO in Charge CTC	-	Sgt Sarath M G J S

a. Changes of Key Appointments (Military / Academic)

During the year under review, several new appointments were made as follows.

- i. Appointed Staff Officer II - LCdr H P M Hewawasamon 5th September 2015.
- ii. Relinquished Staff Officer II - LCdr NACC Munasinghe on 7th September 2015.

b. New recruitments

Academic

Under mentioned Senior Professor was attached to FGS from 15th September 2015.
Senior Professor –Mrs Swarna Piyasiri

Non- Academic

Mr N E G S Nambuwasam - Assistant Registrar

c. Infrastructure Development / New Projects

New FGS building worth of LKR 750 million was ceremonially opened on 4th August 2015 by HE the President Maithreepala Sirisena.

9. FACULTY OF MEDICINE (FOM)

Introduction

Established in 2009, the Faculty of Medicine at KDU has been rapidly growing into prominence in the field of medical education in Sri Lanka, and it has filled a lacuna of a national military medical institution of higher education in Sri Lanka. The faculty trains and graduates military medical cadets as well as foreign civil medical students, and it converts them, in the process, to be versatile medical practitioners capable of displaying skills in a variety of circumstances ranging from rural medicine to practicing in modern hospitals with state-of-the-art technology.

The MBBS degree programme is conducted by experienced academic staff in the faculty and medical professionals in the country, majority of whom are Consultants attached to Ministry of Health (extended faculty). The details of the teachers at the FOM and extended faculty can be accessed at the KDU website. (www.kdu.ac.lk). Expertise from regional and global medical practices is tapped through consultation of renowned international institutions and professionals in the field to continue upgrading of the quality of the degree programme. The Faculty of Medicine, KDU is also recognized as a postgraduate training institute by the *Postgraduate Institute of Medicine, Colombo*. Today, the programme has earned international recognition and the faculty provides a limited number of opportunities for foreign students from the region to train for the MBBS degree at the KDU.

a. Changes of Key Appointments (Military / Academic)

c. Infrastructure Developments / New Projects

The FOM administrative building and the second block which consists of lecture theatres and tutorial rooms were completed and have been utilized since January 2013. The Students Laboratories, Research Laboratories and Clinical Skills Laboratory are functioning. The Research Laboratory is fully functioning with modern research equipment.

Further, the FOM building currently has the following Lecture theatres and Tute rooms for use, and they are being used by various faculties to conduct lectures.

Floor	Type of lecture theatre	No. of rooms	Name of the room	Capacity	Faculty which used in 2015
Second Floor	Lecture Theatre	05	2FLTR 01	50	FOM
			2FLTR 02	50	FOE
			2FLTR 03	50	FOE
			2FLTR 04	50	FOM
			2FLTR 05	50	FOM
	Tute Rooms	03	2FTR 01	25	FOM
			2FTR 02	25	FOM
			2FTR 03	25	FOM
Third	Lecture Theatre	03	3FLT 01	100	FOM

Floor			3FLT 02	100	FOE
			3FLT 03/EX. HALL	75	FOE
Fourth Floor	Lecture Theatre	03	LL1	120	FOL
			LL2	120	FOL
			LL3	120	FOL
	Mini Theatre	01		180	FOL
Fifth Floor	Lecture Theatre	02	MB 5	30	FOC
			MB 4	30	FOC/FOE/FMSH

An examination hall has been established with 75 desks and 75 chairs for the use of examinations in FOM.

The construction of the FOM library has been concluded, and the Library was established in the Faculty building.

The space for the multidisciplinary museum has been acquired by the FOE and now it is in the process of establishing. The specimens are being mounted by the Department of Pathology and Forensic Medicine.

Most of the members of the Faculty staff are involved in the development of the University Teaching Hospital as the members of Steering Committees, Technical Evaluation Committees etc. The University Hospital gained rapid progress in its construction process in the year 2015 after the change of the Consultants for the project from DG5 to CECB. The following are the major remarks:

- Completed the Cadet Mess Building.
- Completed the Budget Hotel Complex.
- Staff accommodation building is being constructed.
- Mechanical, Electrical & Plumbing work of the main hospital building has been started and is in progress.
- Major equipment tender procedures have been started and they are in progress.

New Projects

Details of Research Projects

Srl. No.	Name of the Staff Member	Title of the Research Project
01	Dr CL Goonasekara	<u>BSc Undergraduate Project :</u> Snake venom neutralization activity of a herbal preparation used in indigenous medicine.
		<u>MPhil Project:</u> Effect of pre-existing immunity to JEV on the severity of dengue disease. Funded by Competitive NSF research grants 2015
		<u>PhD Projects:</u> • Development of vaccine candidates with a broadly reactive neutralizing immune response against dengue. Funded by Competitive NSF research grants 2014 Ongoing from 2014.
		• Identification of chemical fractions of

		<i>Tragiainvolucrata</i> L. and the effect on hyperglycaemic subjects. Funded by UGC research grants 2014 ongoing from 2014
02	Snr Prof SR de AlwisSeneviratne	Supervising Research for postgraduate degrees. Two PhDs, three MDs
03	Dr PR Ruwanpura	Conducting two research projects on ‘Assessment of heart weight of Sri Lankans’ and ‘Aging bruises’
04	Col (Dr) PTR Makuloluwa	MSc in Sport Science & Exercise (2015) awarded to Ms ADP Perera by the Faculty of Medicine, University of Peradeniya Dissertation: Physical Fitness Characteristics and Performance among Professional Rowers in the Sri Lanka Army.
05	Snr Prof MHR Sheriff	Research Supervisors for the research project that leads to MSc – Batalanda.
06	Dr RANK Wijesinghe	- Supervisor for research proposal entitled “The effect of obesity on cardiac rehabilitation in patient who have undergone coronary artery bypass graft surgery at National Hospital of Sri Lanka”. <u>PhD Projects:</u> “Development of highly immunogenic live attenuated tetravalent dengue vaccine”. “A randomized, double-blind, placebo-controlled, community based, parallel groups, superiority efficacy clinical trial of adjunctive extra virgin coconut oil therapy in people with mild Neuro-Cognitive Disorder and Major Neuro- Cognitive Disorder due to Alzheimer’s disease.
07	Dr Nipun de Silva	- Principal investigator for the research titled “Changes in the blood picture in patient with leptospirosis compared to dengue fever and sepsis. - Research Supervision “Factors associated with complications of amputated lower limbs of Sri Lankan soldiers in Army Hospital.
08	Snr Prof ND Warnasuriya	- Supervision of research projects “Knowledge, Attitudes, Practices regarding child care arrangements and breast feeding among the female staff at the KDU”. - Research Supervisor for a Research Project – Defence Services Command & Staff College, Batalanda. - Research Supervisor for research projects by

		students of FOM, FAHS, FDS (syndicate).
09	Lt Col (Dr) MDAS Gunatilleke	• Supervision of research project • “Knowledge, Attitudes. Practices regarding child care arrangements and breast feeding among the female staff at the KDU”. • Research projects by students at FAHS.
10	Dr GDI Rodrigo	• A study on new born thermal control at the Homagama Base Hospital. • Research projects leading to MSc – Defence services Command & Staff College. • Research projects by students at FAHS.

d. Staff Development Activities

Sr. No	Name of the Staff Member	Activity Involved
01	Dr CL Goonasekara	• Key note address on ‘Scientific Evidence for the Efficacy of Traditional Medicine’, of Session IV (Pharmaceutical Validations) of the Ayurveda Expo 2015 Symposium, held at the BMIC, Sri Lanka on 5th July 2015. • Resource person in Science Day Program organized by Committee for Promoting Science of SLAAS, held at Anuradhapura, Monaragala and Ampara in 2015. • Resource person in Young Researchers Forum of KDU in 2015.
02	Dr KAE Fernando	• Participated in the workshop on “Learning blocks that students experience and how these can be removed by the SCL for OBE in HE” – SDC /UOC. • Selected to follow the CTHE Programme – SDC/KDU
03	Dr Gayani Senanayake	Selected to follow the CTHE Programme – SDC/KDU
04	Dr LS Kathriarachchi	• Completed the Post Graduate Certificate Course in Medical Education conducted by the PGIM, UOC in November 2015 • Continuing the Post Graduate Diploma in Medical Physiology conducted by the PGIM, UOC. • Registered for PhD in Neurophysiology at FGS/USJP from October 2015.
05	Dr PV Logenthiran	Registered for the Post Graduate Certificate Course

		in Medical Education conducted by the PGIM, UOC in November 2015.
06	Prof BMR Fernandopulle	- Formulating objectives for final year module of the BPharm Course. Invited Lectures: - Workshop to Finalize Adverse Event Reporting Formats. - FERCSL Workshop on GCP for Clinical Trials. - Ethics workshop on herbal medicines conducted by the Faculty of Medicine Colombo - Chaired a session the 128th Anniversary International Medical Congress 2015 – “Connect, communicate, collaborate for improved and healthcare”. - Delivered the commencement lecture at the University of Ruhuna, Faculty of Medicine Karapitiya.
07	Dr GK Jayatilake	- Completed the overseas component of post MD training, Board Certified as Consultant Anaesthetist with special training in Intensive care w.e.f 17.08.2014 - Selected to follow the CTHE Programme – SDC/KDU - Invited speaker at Faculty of Pain Medicine Annual Academic Sessions – 26th November 2015
08	Senior Prof SR De Alwis Seneviratne	- Resource person for the workshop organized by the medical education committee on changing medical education curriculum experiences of other faculties. - Acted as a facilitator for the workshop organized by the SDC on small group teaching and learning
09	Senior Prof Nandani De Silva	- Participated in Lectures and workshops in Medical Education - Conducted Lectures for Staff Development Centre for FAHS on Distance Learning and ICT and Design and Delivery of Online courses. - Lecture on Design and Delivery of Online Courses for staff of FOM organized by the Medical Education Unit. - Conducted a workshop on small group learning organized by the Staff Development Centre for FAHS.
10	Lt Col (Dr) A Balasuriya	- Participated in regular staff development activities; CTHE, Department of Medical Education activities, guest lectures etc. - Prepared Two booklets for Teaching Learning and submitted for approval from the Faculty Board

11	Dr PR Ruwanpura	Participated in regular staff development activities; teacher training, guest lectures etc.
12	Dr IHS Kumarasinghe	- Participated in the Ethics workshop on herbal medicines conducted by the Faculty of Medicine Colombo - Selected to follow the CTHE Programme – SDC/KDU
13	Snr Prof ND Warnasuriya	<u>Invited Lectures:</u> - Keynote Address: The Role of the University in Society: Changing Paradigms. Proceedings of the Annual Academic Sessions 2015, Open University of Sri Lanka. - Convocation Speech: Rajarata University of Sri Lanka, May 2015 - Address as Chief Guest: Induction of the President, College of Psychiatrists of Sri Lanka – February 2015 - Lecture to Academic staff – FAHS, KDU on “Giving a Lecture”. - Bernad Soysa Oration, Sri Lanka Association for Advancement of Science (SLAAS); “Bernad Soysa: Case History of a Professional Politician” on 25.08.2015 - Conducted a one day workshop on “Quality Assurance for Staff Development Centre”- Sabaragamuwa University of Sri Lanka on 16.09.2015. - Keynote speaker: Felicitation ceremony for Prof MW Wickramarachchi, Dpt. of Accounting Alumni Association, USJP on 15.10.2015. - Address as the Chief Guest – Musaeus College Prize Giving on 16.10.2015 - Panelist – CVCD conference 2015; Panel discussion on “Current Trends in Higher Education” on 13.11.2015 - Panelist – Panel discussion on Economics of wellbeing, at book launch: “Beyond apologies: Economics of wellbeing.” Organization of Professional Associations (OPA) on 30.11.2015 - Lecture on “On being a Good Clinical Teacher” to the Clinical Society, SJGH - Lecture on “Paediatric Core Curriculum” to the Research Forum, FOM, KDU.
14	Prof. MAJ Jayawardane	Participated in training programmes and workshops conducted by professional bodies and PGIM, UOC.

15	Dr RN Ellawala	• Course Director and Resource Person for the 6th workshop National Trauma Management Course (NTMC) in August 2015 at KDU. • Course Director and Resource Person for the 7th workshop National Trauma Management Course (NTMC) in August 2015 at CSSL. • Conducted a lecture for the Disaster Management Course, PGIM.
16	Col (Dr) PTR Makuloluwa	• Participation at the Annual Scientific Sessions 2015, College of Anaesthesiologists & Intensivists of Sri Lanka 31st January & 1st February 2015 (Colombo) – 10 CPD points, RCoA -UK • Participation at the Seminar on Recent Advances in Medical Education, conducted by the FOM – KDU 2nd March 2015 • Participation at the workshop on ‘Intensive Course on Ultrasound Guided Peripheral Nerve Blocks with Hands on training, 8th & 9th June 2015 (Colombo) – 10 CPD points, RCoA – UK • Followed the Postgraduate Diploma in Research Methodology & Allied Aspects (2014/2015) conducted by FGS – KDU
17	Surg Cdr NRP Perera	• Guest Speaker – Faculty of Critical Care Medicine, COAISL – Annual Academic Sessions 05th September 2015 – NHSL, Title: Interactive Session on Case Scenarios • Guest Speaker – Faculty of Pain Medicine, COAISL - Annual Academic Sessions 21st November 2015 - NHSL, Title: Assessment of Acute Pain: An Update
18	Dr WDD De Silva	• Participation in the Annual Scientific Sessions 2015, College of Surgeons of Sri Lanka 19th to 23rd August 2015 (Colombo) • Participation in the Seminar on Recent Advances in Medical Education. 2nd & 23rd March 2015

19	Dr AN Senanayake	• Participation in the Seminar on recent advances in medical education conducted by the faculty of Medicine KDU - 2nd and 23rd March 2015 • Participated in the National trauma management trainer's course 8th November 2015 conducted by International Association for Trauma Surgery and Intensive care
20	Dr KDW Wijenayake	• International Colorectal Disease Symposium conducted by Digestive Disease Institute of Cleveland clinic at Marriott Harbor Beach at Fort Lauderdale, Florida, USA from 10th to 15th February 2015. • Advanced transanal surgery course and hands-on workshop and wet lab training by Cleveland clinic Digestive Disease institute at Marriott Harbor Beach, Fort Lauderdale, Florida, USA from 16th to 18th February 2015. • Training on Laser surgery for ano-rectal conditions at Healing Hands clinic in Pune, India on 17th and 18th of April 2015. • Participated in United European Gastroenterology week at Fira- Barcelona, Barcelona, Spain from 24th to 28th October 2015 • St Mark's Hospital & Academic Institute-International Congress – Frontiers in Colorectal & Intestinal Diseases at St Mark's Hospital, Harrow, London, UK from 24th to 27th November 2015 • Attended the following postgraduate teaching activities. Resource person for 3rd International workshop in basic laparoscopic surgical skills and suturing for postgraduate trainees and surgeons conducted at NHSL on 13th and 14th November 2015
21	Ms MKOK De Silva	• Completed a certificate course in Cognitive Behaviour Therapy and a certificate course in Eye Movement Desensitization Therapy (EMDR). • Received the completion certificate of Certificate Course in Teaching in Higher Education (CTHE). • Attended a workshop on helping victims of sexual harassment. • Attended in workshops conducted by Medical Education Unit of Faculty of Medicine, KDU.

22	Dr RMCR Gamage	• Participated in a workshop on psychotherapy for borderline personality disorder by Dr.Sathya Rao, Consultant Psychiatrist, Eastern Health, Victoria, Australia. • Attended workshops conducted by Medical Education Unit of Faculty of Medicine, KDU.
23	Dr NFJ Fernando	• Attended workshops conducted by Medical Education Unit of Faculty of Medicine, KDU.
24	Snr Prof MHR Sheriff	• Panellist for panel discussion on New direction in Chronic Kidney Disease of unknown etiology in Sri Lanka on 2/12/2015 • Chief guest for the 35th Annual Islamic Day of DS Senanayake college on 22/10/2015 • Participated as a speaker for the Good Intern & Communication skills programme organized by Ministry of Health & Government Medical Officers Association on 07th October 2015. • Participated expert Research team on KDU at the International conference of Sabaragamuwa University of Sri Lanka 2015 on 09/11/2015. • Contributed as a resource person in the 48th Annual Academic Sessions of Ceylon College of Physicians. • Participated as a Chief Guest in 74th Annual Academic Sessions of the Galle Medical Association 2015. • Chairperson of the 8th International symposium of Sindg institute of Urology & Transplantation. • Participated the World Congress of Nephrology in South Africa. • Member of the adhoc committee of CKDu appointed by the University Grant Commission. • Chair- Technical session of Workshop by Presidential Task Force for prevention & research on CKDu. • Participated as a guest speaker in 10th Biennial Pakistan Society of Nephrology conference at Islamabad. • Participated as a guest speaker in Turkish school in Pakistan.
25	Dr RANK Wijesinghe	• Participated as a resource person at the International Symposium on Traditional Medicine “Ayurveda Expo 2015” held on 4th& 5th July 2015 at BMICH, Colombo.

e. Involvement in Training Matters / Achievements/ Publications

i. Department of Pre-Clinical Sciences

Dr KMN Kumarasinghe

Involvement in training matters:

- Main resource person for the Certificate Course on Practical Skills in Molecular Biology Techniques conducted by IRD Sri Lanka.

•

Awards received:

- President's award for Scientific Publications for year 2015

Publications:

- Effect of Sri Lankan traditional medicine and Ayurveda on SandhigataVata (osteoarthritis of knee joint) AYU 06/2015; 35(4):411-415. DOI: 10.4103/0974-8520.159007
- CX3CR1 is dysregulated in blood and brain from schizophrenia patients Schizophrenia Research (Impact Factor: 3.92). 08/2015; 168(1). DOI: 10.1016/j.schres.2015.08.010
- Modelling a Honeybee using Spiking Neural Network to Simulate Nectar Reporting Behaviour, International Journal of Computer Applications, Foundation of Computer Science (FCS), NY, USA, Volume 130 - Number 8, Year of Publication: 2015

Dr KAE Fernando

Publications:

- Scientific poster on "A classification of Idiopathic Macular Holes useful in a busy clinic", APVRS 2015 in Sydney, Australia

Prof P Hettiarachchi

Involvement in training matters:

- M D Ophthalmology Part I – conducting lectures (PGIM Course) held at the auditorium of National Eye Hospital Colombo.
- M D Ophthalmology Part I – Examiner Post graduate Institute of Medicine University of Colombo
- M D Part I Surgery - Examiner Post graduate Institute of Medicine University of Colombo
- Post graduate Diploma in Physiology - conducting lectures in the Post Graduate Institute of Medicine University of Colombo
- Post graduate Diploma in Physiology - Examiner for the Post Graduate Institute of Medicine University of Colombo
- Supervision of Post graduate students reading for post graduate degrees M Phil and Ph D

Publications:

- K.A. Sriyani, S.Wasalathanthri, P. Hettiarachchi, N.Gunawardena Health related quality of life of patients with diabetic leg and foot ulcers..8th International Research Conference on Inculcating Professionalism for National Ddevelopment, General Sir John Defence University, Sri Lanka 27th & 28th August 2015.

- Sundarapperuma T, Hettiarachchi P, Wasalathanthri S, Sivayogan S. Qualitative study on perception of health care workers regarding postpartum dietary practices of mothers with a history of gestational diabetes mellitus. International Conference on Maternal and child Nutrition. Colombo, Sri Lanka, 18th November 2015

Awards received:

- Received University of Sri Jayewadenepura research awards for publication in peer reviewed journal

Prof. SW Wimalasekara

Involvement in training matters:

- Training workshops on Screening for respiratory disease by spirometry organized and conducted in collaboration with the International Primary Care Respiratory Group - 7 workshops conducted in Colombo, Moratuwa, Negombo, Galle, Anuradhapura, Jaffna – in 2015.
- Post graduate Diploma in Physiology - conducting lectures in the Post graduate Institute of Medicine University of Colombo.
- Post graduate Diploma in Physiology - Examiner for the Post graduate Institute of Medicine University of Colombo.
- BSc Nursing Open University of Sri Lanka - conducting lectures and involved in examinations
- BSc Nursing Kaatsu International University - conducting lectures and involved in examinations.
- Supervision of Post graduate students reading for post graduate degrees M Phil and PhD.

Awards received:

- Received University of Sri Jayewardenepura research awards for publication in peer reviewed journal

Prof J Welihinda

Involvement in Training Matters:

- Examiner of PhD thesis, Faculty of Graduate Studies, University of Sri Jayewardenepura.
- Visiting Professor in Biochemistry, SAIM, Malabe.
- Examiner for Biochemistry, Graduateship programme, College of Chemical Sciences, Institute of Chemistry, Rajagiriya.
- Visiting lecturer for Biochemistry, Graduateship programme, College of Chemical Sciences, Institute of Chemistry, Rajagiriya.
- Delivered lectures in Biochemistry on invitation, College of Obstetrics and Gynaecology.

Dr CL Goonasekara

Grants received:

- Awardee of NSF Competitive Research Grant (2015)-Principal Investigator- Rs. 3,325,000.00

Publications:

ii. DEPARTMENT OF PARA CLINICAL SCIENCES

Prof. BMR Fernandopulle

Involvement in training matters:

PGIM

- Examiner at the OSCE for the PG Diploma in Family Medicine.
- Examiner for the selection exam for emergency medicine
- Member of the MCQ Core Group Meeting in Emergency Medicine.
- Member of the MCQ Core Group for Ophthalmology
- Member of the Specialty Board in Clinical Pharmacology, Postgraduate Institute of Medicine, University of Medicine.
- Lecturer at MD in Clinical Haematology.

Other universities

- External evaluator for promotions to Post of Associate Professor/ Professor on Merit in the Department of Pharmacology University of Sri Jayewardenepura from Dr (Mrs) CA Wanithunga and Dr AKE Goonetilleke.

Awards

Received NRC Merit Award for Scientific Publication-2011

Dr. GK Jayathilake

Involvement in training matters:

- Appointed training programme coordinator of Senior Registrar training in Anaesthesiology – Post graduate Institute of Medicine – October 2015.
- Member of faculty for CPR training – Courses conducted by Resuscitation Council of Sri Lanka College of Anaesthesiologists and Intensivists.
- Examiner for practice examinations for pharmacology component of MD part 1b and part 1a examinations in anaesthesiology.

Snr. Prof. SR de Alwis Seneviratne

Involvement in training matters:

- Evaluated two MPhil /PhD research proposals for the Faculty of Graduate Studies of the KDU
- Postgraduate at Post Graduate Institute of Medicine (PGIM), University of Colombo –
 - Lectures for: the MSc (Community Medicine and Community Dentistry), MD (Community Medicine and Community Dentistry); MSc (Human Nutrition)

- Supervising 3 MD (Community Medicine) research students
- Supervising one MD registrar in Community Medicine at KDU (appointed under) me by the PGIM
- Examiner for portfolio of the human nutrition course
- Examine for the MSc (Community Medicine and Community Dentistry) theory and MSc Community Medicine dissertation and MD (Community Medicine) thesis examinations
- University of Colombo
- Supervising two PhDs research students
- Examiner for the Masters in Public Administration for the Faculty of Graduate Studies
- Participated in selected undergraduate teaching sessions and examinations for the MBBS programmes of the Faculty of Medicine, University of Colombo
- Examiner for MBBS programmes of the Faculty of Medicine, University of Colombo

Snr Prof Nandani de Silva

Involvement in training matters:

- MD Family Medicine special examination, PGIM in Feb. and March 2015
- MCGP Board meetings and Lectures
- HETC project – Co-author for chapter 6 and Editor for Manual for Institutional Review of Universities and Higher Education Institutions
- HETC project – Co-author for Programme Review Manual for Universities and Higher Education Institutions
- HETC project – Reviewer Training workshops on Quality Assurance
- HETC Project - Programme Review Manual Stakeholder Workshops 16-17 October
- International Research Conference, KDU in August. Review of abstracts and editing of Proceedings
- International Research Conference, Chairing of Technical Sessions of the FAHS
- Served on the Editorial Board of Silhouette for the Convocation
- Served on panels for PhD and MPhil degrees at the FGS
- Reviewed two PhD / MPhil proposals
- Examiner and moderator for Community Health Nursing Paper and OSCE, FAHS
- Lecture and SGD on Ethics in Community Health Nursing Practice at FAHS
- Director for CME online course on “Old Age Psychiatry” for doctors through OUSL
- Member of Internal Quality Assurance Unit (IQAU) and many activities including review of Physiotherapy curriculum to improve the curricula of the FAHS
- Medical student lectures, seminars, clinical attachment and examinations at the FOM, KDU
- Social Paediatrics viva at Sri Jayawardenepura hospital
- Serving on Senate sub-committees
- Supervision of research projects of students
- Judging of syndicate presentations

Awards received:

- President's award for Scientific Publications for year 2015

Lt Col (Dr) A Balasuriya

Involvement in training matters:

- Contributed to IRC, KDU as reviewer of abstracts, judge of presentations and in other ways
- Participated as visiting lecturer, examiner for undergraduate MBBS courses in other medical faculties and in postgraduate training of diploma, master and doctoral level at the PGIM, Colombo

Awards received:

- Received NASTA Award – 2014. **National Award** for Science and Technology Achievements under category 'excellence in multidisciplinary team efforts in the application of science and technology'

Publications:

Lt Col (Dr) MDAS Gunatilake

Involvement in training matters:

- Visiting Lecturer - PGIM
- Resource Person - Workshop on Basic care in Emergency Medicine course (BCEC) held for health Professionals – Conducted by KDU.
- Visiting Lecturer - Faculty of Allied Health Science

Development of Teaching Materials

- Bank of teaching and evaluation material including MCQs, OSCEs, patient oriented tutorials, slide based teaching were developed.

Dr GDI Rodrigo

Involvement in training matters:

- Conducted two training sessions on “Essential Newborn Care” for interns, nurses and midwives of Homagama Base Hospital
- Examiner at - ERPM examination
- Final MBBS Examination University of Sri Jayawardenapura
- Visiting lecturer / Examiner / Moderator/ Research supervisor for Departments of Physiotherapy, and Nursing and Faculty Allied Health Sciences KDU.

Development of Teaching Materials

- Bank of teaching and evaluation material including MCQs, OSCEs, patient oriented tutorials, slide based teaching were developed.

Dr NFJ Fernando

Involvement in training matters:

- Conducted visiting lectures
- University of Colombo Institute of Human Resource Advancement.
- Sri Lanka Foundation
- Psychology in mental-health nursing programmes of Faculty of Allied Health Sciences, KDU
- involved in teaching for post-graduate trainees in psychiatry
- Conducted a workshop for National Authority on Tobacco and Alcohol and
- Conducted a lecture on recognising and supporting students in distress at staff development centre for KDU academic staff.

Publications:

Compiled a Handbook named “How to help students in distress”.

Mrs MKOK De Silva

Involvement in training matters:

- Conducted visiting lectures
- Psychology in the Management Module of Staff and Defence Services College
- Psychology in the Basic Psychology Programme and Ethics in the Basic Science Programme of Faculty of Allied Health Sciences, KDU
- Educational Psychology and Abnormal Psychology in the BA/BSc Psychology programme offered by American National College.

Awards received:

- Award for the Best Performance in the Certificate Course in Teaching in Higher Education (CTHE) for year 2012/2013.
- International Affiliate status in American Psychological Association.

Publications:

- Compiled a Handbook named “How to help students in distress”.

Dr RMCR Gamage

Involvement in training matters:

Teaching for post-graduate trainees in psychiatry, teaching in sister training programmes and in-service programmes for health staff.

Publications:

Compiled a Handbook named “How to help students in distress”.

f. Visits / Tours

Srl. No	Name of the Staff Member	Details of the Tour
01	Prof SW Wimalasekara	• Inter-medical Faculty Physiology Quiz, 2015 at Faculty of Medicine University of Jaffna June 2015 • 5 students of the quiz team and 20 cheer group students participated
		• Inter Medical School Physiology Quiz, 2015 Kuala Lumpur Malaysia, - at Faculty of Medicine University of Malaya, Malaysia • 5 students of the quiz team and 1 academic staff member participated. • Prof S W Wimalasekera served as a member of the panel of judges at the quiz
02	Dr LS Kaththiriarachchi	• Inter-medical Faculty Physiology Quiz, 2015 at Faculty of Medicine University of Jaffna June 2015

		• 5 students of the quiz team and 20 cheer group students participated
03	Snr Prof SR de Alwis Seneviratne	• Participated in 31st International Congress on Occupational Health on "Global Harmony for Occupational Health: Bridge the World" May 31 to June 5, 2015 in Seoul. • Participated in the 5th Meeting of the Network of WHO Collaborating Centre on Occupational Health, In Jeju Island, South Korea from 28th -30th May 2015. • WHO Temporary Advisor for the Regional Workshop on, "Protecting human health from climate change", 15-17 July 2015. WHO Regional Office , New Delhi , India

04	Dr RANK Wijesinghe	Committee member of Sri Lanka Society of Critical care and Emergency Medicine
05	Lt Col (Dr) MDAS Gunatilake	• Life Member - Sri Lanka Medical Association • Member- Perinatal Society of Sri Lanka • Life Member -Sri Lanka College of Paediatrics & Child Health • Resource person - Advanced Paediatric Life Support (APLS) • Past President - Sri Lankan Society of Clinical • Care And Emergency Medicine (SSCEM) • Co-ordination Officer - Furniture committee UH- KDU
06	Dr GDI Rodrigo	• Life Member- Sri Lanka Medical Association • Life Member - Perinatal Society of Sri Lanka • Life Member - Sri Lanka College Of Paediatrics & Child Health • Working group member - Developing common competency framework for undergraduate medical curriculum to strengthen primary care services, Ministry of Health
07	Dr CL Goonasekara	Chairperson – International Research Conference 2015
08	Lt Col (Dr) PH Premaratne	Co- Secretary – International Research

		Conference 2015
09	Dr WDD De Silva	- Appointed as member of the Editorial Board of the Sri Lanka Journal of Surgery - Editor of 'Suture' News Bulletin of the College of Surgeons of Sri Lanka
10	Dr KDW Wijenayake	- Elected as the Assistant secretary of the College of Surgeons of Sri Lanka on 17th January 2015. - Organizer - Annual Scientific Congress of College of Surgeons of Sri Lanka from 19th to 22nd of August 2015.
11	Dr AN Senanayake	Faculty Coordinator – International Research Conference 2015
12	Ms MKOK De Silva	Appointed as a member of Ethical Review Committee, Faculty of Medicine, University of Colombo.
13	Dr DH Jayasena	Faculty Coordinator – International Research Conference 2015

10. FACULTY OF ENGINEERING (FOE)

Introduction

The Faculty of Engineering of the University consists of six departments; Department of Aeronautical Engineering, Department of Civil Engineering, Department of Electrical, Electronic and Telecommunication Engineering, Department of Marine Engineering, Department of Mechanical Engineering and Department of Mathematics. The faculty offers Bachelor of Science (B.Sc.) Eng degrees of the duration of four and half years for service cadets and four years for day scholars in different disciplines. At present the Engineering degree programmes have a combined intake of both officer cadets and civilian students. KDU has been engaged in offering degrees to foreign students of the SAARC region and it is now open for all friendly countries on fee levying basis. In Year 2013, the Faculty commenced offers three new degree programmes: BSc Eng in Mechatronic Engineering, BSc Eng in Biomedical Engineering and BSc Eng in Aircraft Maintenance Engineering.

The role played by the Faculty of Engineering to produce academically qualified officers to the Tri-Services is quite significant. Not only the Faculty conducts all academic programmes, but it also involves itself in every intellectual pursuit of the young officer cadets while introducing innovative changes into co-curricular and extra-curricular activities of the University.

The academic programme conducted at the KDU has been maintained at a very high standard to be on a par with other reputed Universities. In order to conduct the academic programme independently, KDU has its own qualified academic staff and also has the privilege of having the services of visiting lecturers/instructors from the Universities of Moratuwa, Colombo, Sri Jayawardenapura, Kelaniya as well as from the Three Services and the Industry.

a. Changes in key Appointments (Military / Academic)

- Dr TL Weerawardane, Senior Lecturer Gr.I in Department of Electrical & Telecommunication Engineering was appointed as a Dean – Faculty of Engineering with effect from 01.05.2015 to 31.10.2016.
- Mr RMPS Bandara completed his three year period as HOD and Mrs PPSS Pussepitiya, Senior Lecturer was appointed as the HOD with effect from 21.01.2015.
- Mr RMPS Bandara was reappointed as Acting HOD with effect from 10.10.2015 until Mrs PPSS Pussepitiya resumes duties after her maternity leave.
- Appointment of Cdr (L) MDCPK Gunethilake as a Senior Lecturer Gr II and HOD (El,En&T) on 02nd March 2015 ending the tenure of Capt (L) SU Dampage as HOD (El, En & T).
- Flt Lt WTS Rodrigo, Senior Lecturer Gr. II in Aeronautical Engineering was appointed as a Senior Lecturer with effect from 01.12.2015.

- Ms KADD Kuruppu was appointed as a Lecturer (probationary) with effect from 08.06.2015.

b. New Recruitments (Military / Academic)

Name	Designation	Date of Assume Duties
Department of Marine Engineering		
CDR (E) HDAK Amarawardhana	HoD (Marine Engineering)	05.02.2015
LCDR (E) SMJCA Samaranayake	Lecturer (Probationary)	29.12.2015
LT (E) WAMI Fernando	Lecturer (Probationary)	21.04.2015
MCA DKG Karunarathna	Instructor	01.12.2015
LME (TM) HBCR Dasanayaka	Welder	23.01.2015
LME PDP Suriyapperuma	Office Assistant	17.04.2015
ME (TM) AGNPM Suraweera	Leatherman	03.06.2015
ME HMSK Herath	Lab Assistant	19.09.2015
PTE LMSB Ranasinghe	Welder	03.12.2015
Department of Aeronautical Engineering		
F/Sgt Rathnayaka MA	Technical Officer	15.07.2015
Department of E,E & T Engineering		
Ms SK Wijayasekara	Lecturer (Probationary)	01.04.2015
Maj AMC Priyashantha	Lecturer (Probationary)	31.03.2015
Ms HMAI Herath	Lecturer (Probationary)	14.04.2015
Department of Civil Engineering		
Dr NK Gunasekara	Senior Lecturer - Grade II	23.11.2015
Mr PP Rajamanthri	Technical Officer Gr.II- Segment 'B'	01.12.2015
Mr RekshithaWijewardana	Technical Officer Gr.II- Segment 'B'	07.12.2015
Department of Mechanical Engineering		
Mr EJKP Sirisena	Senior Lecturer Gr.I	24.11.2015 (Having completed sabbatical leave)
Mr KDPR Jayathilaka	Lecturer (Probationary)	23.11.2015

Mrs IGD Ivanthika	Management Assistant	29.07.2015
Mr BU Kodithuwakku	Technical Officer	01.12.2015
Mr JAY Lakmal	Labourer	05.02.2015

c. Infrastructure Development / New projects

- The New Engineering Faculty building of General Sir John Kotelawala Defence University was declared open by Mr BMUD Basnayake, the Secretary Ministry of Defence on 06th April 2015.
- All laboratories were reorganized and equipment was upgraded to carry out practical sessions in a more efficient manner.
- Following new laboratories were planned in the proposed faculty building and in the existing *Suranimala* building and construction work are underway.
 - CNC Laboratory
 - Mechatronics Laboratory
 - Metrology Laboratory
 - Automobile Laboratory
- The Civil Engineering laboratories were further developed in year 2015.
New lab equipment was added to the Soil Mechanics, Fluid Mechanics, Material Testing and Environmental Engineering laboratories etc.

Engineering Training Workshop

Training facilities of engineering training workshop were enhanced by acquiring space and restructuring work space as follows.

- Procured 02 workman lockers to workshop.
- Existing lighting system of the workshop was replaced with LED bulbs considering saving power.
- Existing name board of the workshop was replaced with digitally printed colour board with better standard.
- Workshop was colour washed and were displayed safety posters/instructions on boards in the workshop.
- Drew safety demarcation lines in the workshop floor.

Marine Engineering Laboratory

Infrastructure facilities of Marine Engineering laboratory was improved with following.

- A working model of Hydraulic Steering Systems onboard Fast Gun Boats in SLN was obtained from SLN Dockyard, Trincomalee and installed at the

laboratory. The model is used for practical/ demonstration for undergraduates.

- 02 Nos of display boards fixed with new and old Zinc Anodes were installed at the laboratory.
- Laboratory was colour washed.

Administrative Office of the Marine Engineering Department

- A staff member was recruited to the department office work as Office Assistant.
- The Quality Management System of the department was assessed and approved in accordance with the requirements of ISO 9001:2008/ SLS ISO 9001:2008 by Sri Lanka Standards Institution and the certificate of conformity was awarded on 27th January 2015.
- First surveillance audit of ISO 9001:2008 Quality Management System of the Department was conducted by the auditor from Sri Lanka Standards Institution on 18th December 2015.

d. Staff Development Activities

- All Staff members of the Faculty participated in the one day workshop on “Accreditation of KDU engineering degree programmes through OBE” which was conducted by Faculty of Engineering on 16th November 2015.
- In addition, staff members participated in several guest lectures/workshops arranged by the Staff Development Center and other faculties.
- Dr TL Weerawardane, Dean, Faculty of Engineering participated workshop on “Learning blocks that students experience and how these can be removed by the SCL for OBE approach in Higher Education” which was conducted by University of Colombo on 18th & 21st September 2015.
- Mr WSP Fernando, Lecturer (Probationary) and Lt HA Wickramasooriya, Instructor followed the Certificate of Teaching in Higher Education (CTHE) course conducted by the Staff Development Centre of KDU.
- Mr RMPS Bandara attended the 14th Building Simulation Conference 2015 (BS 2015) in Hyderabad, India from 6th to 10th December 2015.
- Dr WCDK Fernando presented a lecture at the Staff Development Centre, KDU on 9th June 2015.
- Dr WCDK Fernando, Participated for workshop at the Staff Development Centre, University of Colombo on 03rd March, 18th and 21st of September 2015.
- Certificate course on Teaching in Higher Education was successfully completed on 30th September 2015 by Ms. SR Masakorala and Ms. RP Kumanayake.

- All Staff members of the Department participated in the one day workshop on “Outcome Based Education” which was conducted by Faculty of Engineering on 16th November 2015.
- In addition, staff members participated in several lectures/ workshops arranged by the Staff Development Center and other faculties.
- Mr SLMD Rangajeeva (Senior Lecturer) and Flt Lt NK Abeywardane (Lecturer-Probationary) followed the Certificate of Teaching in Higher Education Course conducted by the Staff Development Centre at KDU.
- Lieutenant Commander UMSG Silva (Lecturer-Probationary) has completed Certificate in Teaching Higher Education programme conducted by KDU Staff Development Centre.
- 02 academic staff members in the Department participated in ISO 9001:2008 Internal Audit work shop for two days.
- Staff members attended for guest lecturers arranged by KDU time to time as appropriate.

e. Involvement in training matters / achievements

- Organized and carried out the *KDU Open Day* program in 3rd October 2015.
- Organized the final year undergraduate project exhibition in 16th December 2015.
- Offered the BSc in Mechanical Engineering program for Intake 32
- Offered the BSc in Mechatronic Engineering program for Intake 32
- Offered common subjects for all other Engineering programs of KDU
- Offered two modules on *Applied Thermodynamics* and *Engineering Mechanics* for the program on *Advanced Diploma in Ship System Maintenance* for the Royal Navy of Oman.
- Organized and carried out the *KDU Open Day* program in October 2015.
- Organized the final year undergraduate project exhibition in December 2015.
- Dr WN Premadasa attended ICGE 2015 conference on 10th, 11th of August 2015.
- Dr TMWRMB Samarakoon attended Peradeniya University International Research Sessions (iPURSE) on 05th and 06th November 2015.
- Dr WCDK Fernando presented a paper in National Energy Symposium on 20th November 2015.
- Workshop on Solid-Works and CATiA softwares was organized by the Department and the session was conducted by Senior Consultant from Dassault Systems - India in order to educate the KDU lecturers on solid work software facility on 25 August 2015.
- First Advance Diploma in Ship System Maintenance (Marine Engineering) course for 12 Royal Navy of Oman technicians commenced 25th July 2015.

- Conducted lectures, practical, demonstrations and individual/ group assignments for Engineering and MTS cadets in relevant subjects.
- Separate set of practical arranged for Inshore Patrol Craft.
- Practical for workshop technology increased to enhance students' skill development.
- Coordination of Industrial Training for Intake 30 Marine Engineering cadets at Colombo Dockyard PLC for 06 month periods.
- Intake 29 Marine Engineering cadets visited towing tank, machine workshop and labs of University of Peradeniya.
- Actively participated in Open Day activities.

f. Visits/Tours arranged

- 01 Tour/visit organized to Armament Repair and overhaul Bay GEW of SLAF Base Katunayake for Intake 29 cadets on 25 April 2015.
- 01 Tour/visit organized to Sri Lankan Air Lines at Katunayake for Intake 29 day scholars on 25 April 2015.
- 02 Tours/visits organized to No 08 Sqn of SLAF Base Ratmalana for the Intake 29 Aeronautical Engineering stream cadets and day scholars in April month..
- 02 Tours/visits organized to ASW of SLAF Base Ratmalana, 02 Tours/visits organized to No 08 Sqn of SLAF Base Ratmalana and 02 Tours/visits organized to AEW of SLAF Base Katunayake for the Intake 30 Aeronautical Engineering stream cadets and day scholars from March to May.
- 01 Tour/visit organized to AEW of SLAF Base Katunayake and 01 Tour/visit organized to AFM of SLAF Base Ratmalana for the Intake 30 Aircraft Maintenance Engineering stream cadets and day scholars from March to April.
- 01 Tour/visit organized to No 02 Sqn of SLAF Base Katunayake, 01 Tour/visit organized to No 08 Sqn of SLAF Base Ratmalana, 01 Tour/visit organized to Helitours of SLAF Base Ratmalana, 01 Tour/visit organized to ASW of SLAF Base Ratmalana, and 01 Tour/visit organized to AFM of SLAF Base Ratmalana for the Intake 31 Aircraft Maintenance Engineering stream cadets and day scholars from March to May.
- 01 Tour/visit organized to No 02 Sqn of SLAF Base Katunayake, 01 Tour/visit organized to No 08 Sqn of SLAF Base Ratmalana, 01 Tour/visit organized to ASW of SLAF Base Ratmalana, and 01 Tour/visit organized to AFM of SLAF Base Ratmalana for the Intake 31 Aircraft Maintenance Engineering stream cadets and day scholars from March to May.

- Undergraduates of EE/ET programmes of Intake 29 visited Lakvijaya Power Plant at Norochchola and Nikini Automation (Pvt) Ltd at Nugegoda as part of their degree programme.
- Intake 30 Civil Engineering students visited Defence Headquarters complex project, Akuregoda during their **Industrial visit** on 13th February 2015.
- The Department organized a **Survey camp** from 25th February 2015 to 08th March 2015 for all Intake 30 Civil Engineering students at Southern Campus site, Sooriyawewa.
- Intake 30 Civil Engineering students visited Kandana Water Treatment Plant during their **Industrial visit** on 28th April 2015.
- Intake 30 Civil Engineering students visited Department of Meteorology during their **Industrial visit** on 12th May 2015.
- Intake 30 Civil Engineering students conducted their **Industrial Training** at the following places (Group wise) from 22nd June 2015 to 18th December 2015.
 - Central Engineering Consultancy Bureau
 - Civil & Structural Engineering Consultants (Pvt) Ltd
 - Sanken Construction (Pvt) Ltd
 - Maga Engineering (Pvt) Ltd
 - Sierra Construction (Pvt) Ltd
 - Road Development Authority
- Intake 29 Civil Engineering students visited Victoria and Randenigala Power Plants and Dam during their **Industrial visit** on 17th September 2015.
- The Department organized a stall for the KDU **Open Day** on 03rd October 2015.
- Mechanical Engineering undergraduates of Intake 29 visited Nikini Automation Systems (Pvt.) Ltd. on 16.09.2015.
- Engineering undergraduates of Intake 30 visited the following places during their industrial visit:
 - Chief Mechanical Engineer's Workshops, Sri Lanka Railway, Ratmalana on 12.02.2015.
 - Coal Power Plant, Norochcholai on 13.02.2015.

g. Welfare Activities

Staff members of the Department participated in the annual get-together organized by the Faculty of Engineering held at Uswetakeiyawa on 27th October 2015.

h. Special Events / Functions

Mrs. PN Karuananayake presented research paper on “An Analysis of Speed drop in ADSL line in Sri Lanka” at the International Research Conference of KDU.

International Research Conference -2015

- “Airplane performance modelling through CFD Results Assessment of a complete 3-D Wing-“body combination”, International Journal for Advance Research in Engineering and Technology (ISSN 2320-6802), in VOL.3, Issue X, Oct 2015
Abayadeera SV, Weerasinghe WMUT, Piyarathna HUGT, Abeygoonawardene JI, Rangajeeva SLMD, Bandara RMPS.
- “Validation of OpenFOAM as computational Fluid Dynamics Software”, 8th International Research Conference – KDU 2015.
Millewa HD, Senathilaka PM, Dayarathne WPAC, Samarasinghe SA, Rangajeeva SLMD.
- “Aerodynamics Analysis of F-16 Aircraft”, 8th International Research Conference – KDU 2015.
Peiris HAM, Nirmal PVS, Bandara HMMHS, Mahindaratne DM, Rangajeeva SLMD, Bandara RMPS
- “An ecofriendly flame retardant Nano composite: The new frontier for aircraft interior applications”, 8th International Research Conference – KDU 2015.
- Kuruppu KADD, De Silva RM, De Siva KMN
 - Skype conferences were held to discuss the matters pertaining to possible collaboration between General Sir John Kotelawala Defence University and Australian Maritime College on the subject areas of BSc in Marine Engineering, BSc in Naval Architecture, MSc courses and Research projects. Further actions on this regard are in progress.
 - Department assisted Heat load calculations, TEC evaluations for Air Conditioning requirements at KDU.
 - Coordinating Club House project at Kandawala lake.
 - Coordinating with IFE Elevators Lanka (Pvt) Ltd for the construction of Lift Laboratory at Engineering Faculty building.
 - Repairing of Cadillac 1 SRI 1 car (KDU Car) is in progress with the assistance of Sri Lanka Navy. Car engine was procured from United States of America and a test drive was carried out after twenty two years since the date car brought back to KDU.

i. Financial Matters

- Department purchased equipment and machinery worth of nearly two hundred and sixty six thousands rupees within the year 2015.

- Rs. 9,540.00 worth items were demanded through petty cash for the Marine Engineering Department's Bio Gas project work, engineering workshop refurbishment.

- Expenditure of the Department is as follow.
- Petty cash expenses - Rs. 6,676.00
- Expenditure of the Dean's office is as follows.
 - i. Petty cash expenses – Rs. 29,579.00
 - ii. Lab Practical – Rs.163,807.73
 - iii. Visiting Payments Year 2015 – 1st Semester – 2,285,000.00
2nd Semester – 1,603,875.50

j. Corporate Social Responsibility Programme (CSR)

Documentation for acquiring recognition of the Institution of Engineers, Sri Lanka (IESL) for the BSc in Mechanical Engineering program has been revised based on the reviewer recommendations, and resubmitted to the IESL.

k. Any other information

Research Publications :

- i. Following papers were published by the Departmental academic staff:
 - Peiris HAM, Nirmal PVS, Bandara HMMHS, Mahindaratne DM, Rangajeewa SLMD & **Bandara RMPS**, Aerodynamics analysis of F-16 aircraft, Abstract of papers of the 8th International Research Conference of KDU, 27-28 August, 2015.
 - **Bandara RMPS**, Attalage RA & Vignarajah M, *Prediction of energy performance of an office building through combined energy simulation and computational fluid dynamics*, Proceedings of the 109th Annual Sessions of the Institution of Engineers, Sri Lanka, 20-21 October, 2015.
 - Abayadeera SV, Weerasinghe WMUT, Wedage NK, Piyaarachne HUGT, Abeygoonewardene JI, Rangajeewa SLMD & **Bandara RMPS**, *Airplane performance modelling through CFD results: Assessment of a complete 3-D wing-body combination*, International Journal for Advance Research in Engineering and Technology, Volume 3, Issue X, October 2015.
 - **Bandara RMPS** & Attalage RA, *Application of the coupled energy simulation and computational fluid dynamics approach for predicting energy performance of buildings*, Abstract of papers of the iPURSE Conference of the University of Peradeniya, 5 – 6 November, 2015.
 - **Bandara RMPS**, Attalage RA & Fernando WCDK, *Making realistic predictions on building energy performance through coupled energy*

simulation and computational fluid dynamics, Proceedings of the National Energy Symposium, 20 November, 2015.

- **Abeygunasekara S**, *An overview of the socio – economic impact of improper handling and transportation of vegetables in Sri Lanka*, International Research Symposium on Engineering Advancements 2015 (RSEA 2015) SAIM, Malabe, Sri Lanka, April 2015.

ii. Student Projects:

Following undergraduate projects were completed by Intake 29 Mechanical Engineering students:

Project Name	Supervisor/s
Development of a downdraft biomass gasifier	Mr S Abeygunasekara
Design and fabrication of an aquatic weed collecting machine	Mr RMPS Bandara & Lt HA Wickramasooriya
Design and fabrication of an automated paddy transplanter	Mr WSP Fernando & Mr Kanchana Wijesinghe
Safety attachment for Bristol fiber extracting machine	Mr S Abeygunasekara
Design and fabrication of a wheel holding machine	Maj UER Munasinghe

iii. Industrial Training :

Engineering Undergraduates of Intake 30 specializing in Mechanical Engineering and Mechatronic Engineering underwent Industrial Training at the following organizations from 22nd June to 18th December 2015.

- Chief Mechanical Engineer's Workshops, Sri Lanka Railway, Ratmalana
- Diesel & Motor Engineering PLC (Siyambalape, Colombo, Peliyagoda)
- Holcim Lanka Ltd., Puttalam
- Toyota Lanka (Pvt.) Ltd., (Ratmalana, Wattala)
- National Engineering Research and Development Centre, Ekala
- MAS Holdings PLC (Mawathagama, Koggala, Panadura and Ratmalana)
- Body line (pvt.) Ltd., Horana
- Ansell Lanka, Malwana
- Kobelco (Pvt.) Ltd., Colombo 05.
- Ceylon Cold Stores, Ranala
- Hitech Solution Pvt. Ltd., Biyagama
- Ceylon Tobacco Company, Colombo 15
- Sri Lanka Airlines, Katunayaka
- Nikini Automation (Pvt.) Ltd., Colombo 05
- Ideal Motors (pvt.) Ltd., Ratmalana
- Lanka Tiles Ltd., Meepe

- Lanka Wall Tile PLC.
- Senok Combined Ltd. Wilimbula
- Techmast Automation (Pvt.) Ltd., Kadawatha

iv. Dr WN Premadasa was appointed as the project coordinator for the construction of the new Engineering Faculty Building of KDU.

v. Dr WCDK Fernando participated in updating the “Haritha Lanka” programme.

vi. All academic members participated in the Curriculum Development workshop organized by Faculty of Engineering on 29th September and 16th November 2015.

viii. Research at KDU started identifying current vulnerability hotspots of Kirindi Oya irrigation project to extreme weather events collaborating with University of Moratuwa as well by Dr NK Gunasekara.

B.Sc. Engineering (Civil Engineering) Degree Programme
Intake 29– Semester 8 - Individual Research Project

Student No.	Name	Research Title
3887	DTL Dissanayake	Construction waste management in Colombo district
3892	HMRS Herath	The impact of rainwater on Asphalt concrete pavement
3896	MMCM Kumara	A study of achieving sustainability of high- rise buildings through efficient management of water resources
3899	HD Ranasinghe	Indoor Thermal Comfort with different plaster types
3909	ASM Abhasekara	Role of the bentonite clay in piling and introduce alternative local product for bentonite
3914	BHPD Leelarathna	Is the attention paid by the construction contractors to reduce the noise pollution sufficient?
3918	TPA Peiris	Analysing and predicting the risk of landslide failure at Bandarawela,Badderawa
3923	AWMTL Wijekoon	“Effect to the strength of concrete made by using grade 30 crushed concrete as coarse aggregate”
3941	WPTM Wijesingha	Interaction of soil with the surfaces of concrete, steel and timber piles.
3942	RAP Sandaruwan	Species for green roofs and green walls in Colombo

3945	PS Ratnayake	Analyse of rock socketing determining methods for bored piles in Colombo
3936	PGM Gunarathna	Modelling the self-cleaning properties of Titanium Dioxide (TiO ₂) composite concrete
4038	M Nadheem	Use of quarry dust as an alternative to sea sand and river sand in Maldives
ENG/CE/12/00 13	VGP Sirisena	Usage of quarry dust and lime mixture as a stabilization agent for fine soils
ENG/CE/12/00 23	DWDB Amarawardana	Providing Extra filtration to the soakage pit effluent before percolation & Extending the useful life of soakage pit using coarse sand & gravel filtration
ENG/CE/12/00 25	MR Gammanpila	Risk Management in the construction industry
ENG/CE/12/00 26	NN Paulusz	Traffic impact at Dehiwala fly over on level of service of the intersection
ENG/CE/12/00 27	LV Madurasinghe	Mathematical model to analysis the maximum dimensions of a slab which is required to hold partition load
ENG/CE/12/00 34	WMKS Wanasinghe	Experimental investigation on uses of lime and bottom ash effects on compaction of commonly used backfilling materials used in Sri Lanka
ENG/CE/12/00 41	HDSR Premathilake	Mechanical behavior of soft sub-grade solid with partial replacement of fly ash & lime
ENG/CE/12/00 42	ND Dolage	Design of low cost filter system suitable for the removal of Turbidity of surface water in Sri Lanka.
ENG/CE/12/00 50	AVGG Wijesinghe	Rain water harvesting in Urban areas of Sri Lanka
F/ENG/CE/12/ 0170	KG Kavikeshawa	Cost analysis of incremental launching method in roadway bridge Structures
ENG/CE/12/00 05	GKP John	Mathematics of Architecture A study of the philosophy of emerging architecture
ENG/CE/12/00 12	HRH Gunarathne	Rechecking the standards of the wooden bridge

O/8506	KAS Suresh	Reducing the volume of municipal solid waste in Karadiyana dump site by using compaction method.
O/68571	GGASP Ganegoda	Analysis of vehicle emission from in- use vehicles
O/68539	WASS Weerasinghe	Study of Stabilized mud block as a construction material
O/8947	Lt DLDK Sameera CES	Turning plastic wastes in to usable fuels
C/68872	SPGC Fernando	Karadiyana landfill leachate treatment using horizontal subsurface flow constructed wetlands

**BSc Engineering (Civil Engineering) Degree Programme
Intake 29– Semester 8 - Comprehensive Design Project**

- Modeling of a waste water treatment plant
- Experimental vibration analysis for a 3D scaled model for a three story building structure
- Proposed waste water cooling system for the Engineering Faculty Building in Kotelawala Defence University

New Projects / Improvements:

- Procurement action for some of the urgent electrical electronic equipment was initiated to improve the laboratories practicals.
- Long pending defects pertaining to the 24/7 Research laboratory were attended and completed by the contractor.
- All the laboratories were re-arranged in accordance with higher standard for the Open Day programme.
- Electrical matters of several construction projects such as Club House, Engineering Faculty Building etc were undertaken by the Department staff members.

Ongoing and Proposed New Projects

- Purchasing action for Full Mission Marine Engine Room Simulator is in progress.
- Acquiring of A 522 main engine and associated systems from SLN in progress.
- Proposal for construction of new 3 storied Marine Engineering Training Centre was made and preliminary work is in progress.
- Books/manuals in the field of marine engineering purchased and balance projected to year 2016 funds.

11. FACULTY OF LAW (FOL)

Introduction

The Faculty of Law was established in 2011 with the objective of providing legal education to the Officer Cadets enabling them to become legal officers in the Tri-Forces of Sri Lanka. Presently, the Faculty accommodates over 400 students. There are Officer Cadets and Day-Scholars.

The Faculty confers the Bachelor of Laws degree and other postgraduate degrees. The objective of the programme is to train Officer Cadets and non-military students to be academically and professionally qualified in the legal fields.

The Faculty of Law consists of two departments, namely Department of Civil Law and Department of Military Law. Furthermore, the Faculty of Law conducts the following annual workshops; Workshop on International Law with the Moragoda International Law Trust and Workshop on International Humanitarian Law with the International Committee and the Red Cross (ICRC). The Faculty also conducts Moot Courts for its undergraduates, enabling them to gain experience in presenting their stance on a legal issue against an opposing party.

Apart from teaching, the Faculty provides the following Services; Legal Aid Centre: IT Centre provides assistance to disadvantaged, underprivileged, and marginalized people to seek access to justice by providing free legal advice and counselling, facilitating mediation and providing legal representation to resolve their legal problems. Legal Consultancy Service provides individuals and corporate entities with a variety of legal services, from consultation, advice for finding creative solutions, to litigation for complex legal questions. It also provides efficient, innovative, practical and cost effective solutions to its clients with the aim of ensuring the receipt of consistently high quality legal advice specifically catered to the environment in which the clients operate.

12. FACULTY OF MANAGEMENT, SOCIAL SCIENCES AND HUMANITIES

Introduction

The Faculty of Management, Social Sciences & Humanities (FMSH) consists of three academic Departments, namely the Department of Management and Finance, the Department of Social Sciences and the Department of Languages, which conduct degree programmes and other study programmes relevant to the Faculty in the fields of Management, Social Sciences, Humanities and Languages.

The Faculty has a mission compatible with that of the University, i.e. to work as a team towards achieving the mission of the University by acquiring, creating and disseminating knowledge in the fields of Management, Social Sciences and Humanities with a scientific and technological flavour for producing human resources of international standards.

Departments under the wing of FMSH

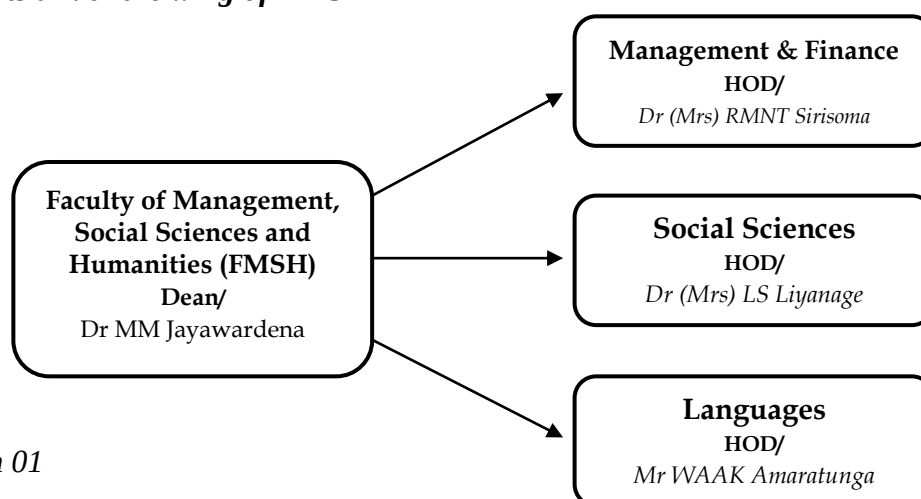

Illustration 01

The FMSH consists of 40 faculty members in three distinctive departments as shown above. Each department has its own responsibility of awarding the degrees assigned to their own discipline and specialization.

International Research Conference

Dr MM Jayawardena served as a member of the Central Organizing Committee and Mrs DD Lokuge (Snr. Lec. - Gr. II) and Ms HMAGK Ekanayake (Lec.- Prob.) served as the faculty coordinators.

Health Camp

Health Camp was organized by Intake 31 Social Sciences students and was successfully held on 7th of December 2015. The activity commenced successfully with the participation of more than 350 non academic staff members and their family members. 20 medical doctors, 15 specialist doctors, physiotherapists and nursing and pharmacy students from the FAHS extended their support as resource persons. Further, Sethsarana Aurvedic Care, Link Sudantha and Apeksha Fertility Care provided free service throughout the day. Health education sessions were conducted in the evening with a number of internal and external resource persons.

KDU – Open Day

All staff members rendered their service in making the Faculty and Departments stalls of the Open Day a success.

Second Year Syndicates organized by me FDS

Intake 31 students' syndicates organized by the FDS were held from 19th August 2015 to 08th October 2015. During this period the Dean and the faculty members immensely supported students on their research progression and presentation skills. Especially all syndicates were under the supervision of two academic sponsors, English language sponsor and another Military Officer level sponsor and most of the academic sponsors were appointed from the FMSH.

Annual General Convocation – 2015

79 students graduated from intake 29 and it was held at the newly renovated BMICH as one of the first few sessions.

Following member of students obtained degrees upon the completion of their studies as officer cadets at KDU.

Bachelor of Science in Management & Technical Sciences	:25
Bachelor of Science in Logistics Management	:30
Bachelor of Science in Social Sciences	:24

However, as the youngest state university in Sri Lanka, KDU was proud to produce the highest number of military undergraduates in this General Convocation 2015 from the FMSH.

Esplendido 2015

The Talent show 'Esplendido 2015' was organized by Intake 31 Logistics Management students and was successfully held at BMICH auditorium on 18 October 2015.

KDU Young Entrepreneurs 2015

The exhibition 'KDU Young Entrepreneurs 2015' was organized by Intake 31 Logistics Management and Management & Technical Sciences students.

Disaster Mitigation Poster Exhibition

The Disaster Mitigation Poster Exhibition was organized by Intake 32 Logistics Management and Management & Technical Sciences students.

Logistics Eve 2015

The ‘Logistics Eve 2015’ organized by Intake 30 Logistics Management students were held on 7th May 2015.

Challenges & Opportunities in International Trade – Ports and the Way Forward

A workshop on ‘Challenges & Opportunities in International Trade – Ports and the Way Forward’ was organized by the Department for the industry.

WiLAT Walk

Logistics Management students of Intake 32 participated in the Women in Logistics and Transport (WiLAT) walk on 5th September 2015.

Fostering Resilience and Working with Stress: A Counseling Workshop for Professionals

The counseling workshop organized by Department of Social Sciences was held on 10th & 11th of March 2015. The purpose of the workshop was to increase awareness among professionals on occupational stress and stress handling mechanisms in order to increase their motivation and productivity. The workshop was successfully completed with the participation of more than 70 executives representing various government and private sector organizations and 08 eminent resource persons. The resource persons, through their expertise, motivated the participants to become smart successful individuals, professionals and social beings while helping their peers and subordinates to get benefited in their roles in their respective organizations.

Not Applicable

j. Corporate Social Responsibility Programme (CSR)

Ms RMNP Rajapakse of the Department of Languages conducted English classes for grade 10 and 11 students of Kandawala Navody School, Ratmalana and Ms CJ Kothalawala and Ms TD Kothalawala conducted sessions for novice monks of the Samudrasanna temple at Mt. Lavinia, where they are being trained to take up the future challenge of spreading Buddha Dhamma for the benefit of the international community.

Both these CSR programmes were conducted under the auspices of the Vice Chancellor, Major General MP Peiris.

k. Any other information

Corporate Partnership with CILT

The Department of Management & Finance enrolled corporate partnership with the professional institute- Chartered Institute of Logistics and Transport (CILT).

MoU between KDU and York University

Initiated and coordinated by the Department of Social Sciences, a MoU was signed between KDU and York University with the aim of enabling the two universities to work together to foster and support a socially engaged intellectual environment that contributes concretely and substantively to the identification of, and response to, the social, political, economic, cultural and environment challenges and opportunities in Sri Lanka. As the first step, MSc programme is designed on Disaster Risk Reduction and Development which is scheduled to be commenced in 2016.

KDU Coffee Table Book

Mr. WAAK Amaratunga, Maj. JPWK Abeyawickrama, and Ms. TD Kotelawala of the Department of Languages being in the Editorial Board made a major contribution to publish the first ever KDU Coffee Table Book.

13. FACULTY OF ALLIED HEALTH SCIENCES (FAHS)

Introduction

The Faculty of Allied Health Sciences (FAHS) is a new addition to the wings of KDU. In establishing the FAHS, the main focus of KDU was on the improvement of health outcomes and to transform healthcare delivery in Sri Lanka. The FAHS had its first intake of civil students admitted in January 2013 to its undergraduate course programmes in Nursing, Physiotherapy, Pharmacy, Medical Laboratory Sciences and Radiography. Very soon the course programmes offered will be expanded to cover all the disciplines in health sciences both at undergraduate and postgraduate levels. The students at FAHS will have the opportunity to learn through a variety of work placements under the guidance of local as well as overseas academia in an exciting environment. Already the FAHS is open for overseas students to ensure its international outlook on global issues of healthcare. Our aim is to be the best and to produce the most capable graduates who are fully committed and ready to meet challenges of modern healthcare environment. As a faculty we make every attempt to equip the graduates for launching their future careers in any part of the world.

a. Changes of key appointments (Military/Academic)

Name	Position	Date of Assuming duties
Snr Prof MV Weerasooriya	Dean – FAHS	03/11/2015

Head of the Departments

HOD – Basic Sciences – Snr Prof RN Pathirana (Further extended from 01/10/2015)

HOD – Medical Laboratory Sciences-Dr JMKB Jayasekara (From 03/03/2015)

Acting HOD – Pharmacy - Mr NRM Nelumdeniya (From 01/08/2015)

Acting HOD – Physiotherapy & Occupational Therapy – Mr S Sukirthan (Further extended from 11/08/2015)

Acting HOD – Nursing & Midwifery – Mr RDN Karunathilaka (From 03/03/2015)

Acting HOD – Radiography & Radiotherapy – Ms DDN Wimalarathna (From 04/09/2015)

Departmental Coordinators

Medical Laboratory Sciences - Dr DU Kottahachchi (From 19/05/2015)

Pharmacy – Ms BLC Samanmali (From 11/08/2015)

Physiotherapy & Occupational Therapy – Mr SADCS Senevirathna (From 11/07/2015)

Nursing & Midwifery – Ms SDPL Weerawardhana (From 19/05/2015)

Radiography & Radiotherapy – Mr P Sathyathas (From 10/11/2015)

Clinical Coordinator - Nursing & Midwifery – Mr HMP Herath (From 03/03/2015)

Subject Coordinators

Anatomy - Dr KDKP Kumari (Further extended from 10/11/2015)
 Basic Statistics & Research Methodology-Dr KDKP Kumari (From 11/08/2015)
 Biochemistry – Dr AK Chandana (From 03/03/2015)
 Physiology – Dr AMDS Karunarathna (Further extended from 15/09/2015)
 Pathology – Dr GU Jayaweera (Further extended from 03/03/2015)
 Microbiology – Mr ARN Silva (From 09/11/2015)
 Sociology – Mr ARN Silva (From 10/11/2015)
 Psychology - Mr WGC Kumara (From 09/11/2015)

Military

Staff Officer II – Maj KGD Chamantha (From 05/09/2015)

b. New Recruitments (Military/Academic)

Name	Position	Date of assuming duties
Academic		
Academic Staff		
Snr Prof MV Weerasooriya	Dean	03-11-2015
Dr (Ms) KDKP Kumari	Lecturer (Unconfirmed)	05-05-2015
Ms MDC Silva	Lecturer (Probationary)	01-01-2015
Ms NA Sanjeevani	Lecturer (Probationary)	05-05-2015
Ms LHMIM Herath	Lecturer (Probationary)	05-05-2015
Mr P Sathyathas	Lecturer (Probationary)	05-05-2015
Ms P Cinthuja	Lecturer (Probationary)	06-05-2015
Academic Supportive Staff		
Mr R Thudugala	Temporary Demonstrator	02-02-2015
Ms WMDR Fernando	Temporary Demonstrator	02-02-2015
Ms JADO Jayakodi	Temporary Demonstrator	02-03-2015
Ms WMCR Wijekoon	Temporary Demonstrator	02-03-2015
Ms WWRWMBKK Weerasooriya	Temporary Demonstrator	02-03-2015
Ms PLBC Liyanage	Temporary Demonstrator	17-03-2015
Ms MMN Perera	Temporary Demonstrator	05-05-2015
Mr KRM Chandrathilaka	Temporary Demonstrator	01-12-2015
Ms RNN Gamage	Temporary Demonstrator	01-12-2015
Mr GLS Galgamuwa	Temporary Demonstrator	01-12-2015
Ms DMAMKS Andradi	Temporary Demonstrator	01-12-2015
Ms KWJC Kariyawasam	Temporary Demonstrator	01-12-2015
Dr (Ms) KB Hasanthi	Temporary Demonstrator	01-12-2015
Ms ES Naotunna	Temporary Demonstrator	03-12-2015
Military		
Maj KGD Chamantha	Staff Officer II	05-09-2015

c. Infrastructure developments/New projects

Details to include - location, cost involved, expected date of completion, outcome.

- Two laboratories under the Department of Pharmacy (Pharmaceutical Chemistry Skills Laboratory and Pharmaceutics Skills Laboratory) have been completed with the laboratory furniture and gas supply. Quotations were called for purchasing the equipment.
- Development of the Skills Laboratory - Dept. of Nursing & Midwifery.

Location	Items	Qty	Cost involved	Expected date of completion
Nursing Skills Lab (03rd floor)	Bed head panels with provisions for gas flow meters/ suction units & power sockets, Supply & Installation / Maintenance of Medical Air system (Except Electrical Supply)	14	6,274,435.00	2015
	vat 12%		291,604.20	
	Total Cost		6,566,039.20	

- Development of Radiography Skills Laboratory – Under this development programme tenders were called at the Tender Board for an X-ray machine and the Committee decided to purchase of a Computer Radiography (CR) X-ray Machine (Toshiba & Konica Manolta) from Local Distributer Mediequipment (pvt) Ltd.

Lead Glass was fixed in Skills Laboratory for Radiation Protection purposes. Five Electronic Dosimeters (to measure radiation) were purchased for educational and research purposes of students and the academic staff.

- Skills Laboratory under the Department of Physiotherapy & Occupational Therapy has been completed and equipment for the laboratory have been purchased. Further, quotations were recalled for purchasing the equipments. Gymnasium related equipment were listed submitted and now under processing.

d. Staff Development Activities

- The Following academic staff have completed the CTHE Programme conducted by the Staff Development Centre (SDC), KDU
 - ✓ Dr AMDS Karunarathna
 - ✓ Mr SP Senanyake
 - ✓ Ms AM Abeysekara
 - ✓ Ms HPM Dabare
 - ✓ Ms DDN Wimalarathna
 - ✓ Ms HSMSK Wijesiri
 - ✓ Ms MPKW Abhayasinghe

Other staff development activities are listed below.

	Activity	Conducted By	Members attended	Date of the activity
1	Certificate course in “Basic Life Support”	College of Anesthesiologists	Ms KGG Priyangika Ms SDPL Weerawardhana	24 th February 2015
2	Workshop on “Chromatography Techniques and their Applications”	University of Colombo	Ms BLC Samanmali Ms NA Sanjeevani	26 th February 2015
3	Seminar on “Recent Advances on Medical Education”	FOM,KDU	Ms MPKW Abhayasinghe Ms D Vidanage	02 nd March 2015
4	Workshop on “Fostering Resilience & Working with Stress”	FMSH,KDU	Ms MPKW Abhayasinghe Dr Kanchana Bandara Mr WM Ediri Arachchi	19 th March 2015
5	Curriculum Revision for the BSc in Nursing Programme	University of Jaffna	Ms MPKW Abhayasinghe	10 th and 11 th June 2015
6	Workshop on “Primary Trauma Care”	North Colombo Teaching Hospital, Sri Lanka	Mr WGC Kumara Ms KGG Priyangika	07 th & 08 th July 2015
7	Workshop on “Writing a High Impact Research Article organized by the National Sciences & Technology Commission”	Hector Kobbakaduwa Agrarian Research Training Institute	Dr KDKP Kumari	09 th & 10 th July 2015

8	National Workshop on “Scientific data handling ,analysis & interpretation”	PGIS, University of Peradeniya	Mr P Sathyathas	14 th July 2015
9	Workshop on “Issues related to Ethics Review of Protocols – FERCSL 2015”	Forum for Ethics Review Committees in Sri Lanka, Conducted by the Sri Lanka Medical Association	Dr KDKP Kumari	24 th July 2015
10	Workshop on “Bibliometric & Scientific Analysis for Research Management”	University of Kelaniya	Ms MPKW Abhayasinghe	27 th & 28 th July 2015
11	Workshop on “Turnitin Software”	Library, KDU	Ms AM Abeysekara	04 th August 2015
12	Training course on “Breast Feeding Counselling”	De Soyza Maternity Hospital	Ms MN Priyadarshanie	03 rd to 07 th August 2015
13	Pre Conference Workshop on Initial Trauma Care for Nurses (ITCN)	Department of Nursing and Midwifery, FAHS, KDU	All the academic staff of Department of Nursing	08 th August 2015
14	Workshop on “Clinical Application of PNF”	Singapore General Hospital, Postgraduate Allied Health Institute	Mr S Sukirthan	14 th August to 16 th August 2015
15	Workshop on “Basic Medical Education”	FAHS,KDU	All the Academic staff of Department of Nursing Mr ARN Silva	25 th August 2015
16	Workshop on “Spectrophotometer”	FOM, KDU	Mr ARN Silva	26 th August 2015
17	Workshop on “FAST HUG”	College of Anesthesiologists	Ms MPKW Abhayasinghe, Ms PL Weerawardhna Ms D Vidanage Mr. WGC Kumara	12 th September 2015

18	Workshop on “Learning blocks that students experience and how these can be removed by the SCL for OBE approach in Higher Education”	University of Colombo, Sri Lanka	Ms P Cinthuja	18 th September 2015
19	National Workshop on “Drug Discovery analysis and Quality Control”	University of Peradeniya	Ms NA Sanjeeewani	29 th September 2015
20	Principles and Practical Aspects of Clinical Nutrition for Nurses	The College of Anesthesiologists, Sri Lanka.	Ms RDUP Sugathapala Ms MN Priyadarshanie Ms KGG Priyangika Ms SDPL Weerawardhana Ms NP Edirisinghe	30 th October 2015
21	Short course on Mathematical Modeling in Biology-2015	Faculty of Science, University of Colombo	Mr RMUKGMS Bandara	13 th November 2015
22	Short Course in Computer Based Data Analysis	University of Sri Jayewardenepura	Dr KDKP Kumari Dr AMDS Karunaratne Dr GU Jayaweera	From November 2015 for 04 months
23	Workshop on “Bio Medical Imaging & Instrumentation”	Faculty of Engineering, University of Peradeniya	Ms DDN Wimalarathna Mr P Sathyathas Mr R Tudugala Mr RMUKGMS Bandara	17 th December 2015

Research Matters:

The following research papers were published by the FAHS staff members;

- **Ratnasooriya, W.D.**, Jayakody, J.R.A.C. and **Pathirana, R.** (2015) *In vitro* antirheumatoid arthritic activity of Sri Lanka Orthodox black tea (*Camellia sinensis L*) International Journal of Pharmacy Practice and Pharmaceutical Science. 2: 93-98
- **Silva, A.R.N.**, Dissanayake, D.M.R. K., **Ranaweera, C.B.**, **Pathirana, R.** and **Ratnasooriya, W.D.** (2015) Evaluation of *in vitro* antibacterial activity of some Sri Lankan medicinal plants. International Journal of Pharmaceutical Research and Allied Sciences. 4: 54-57
- **Ranaweera, C.B.**, Abeysekara, W.P.K, **Silva, A.R.N.**, **Chandana, A.K.**, **Pathirana, R.** and **Ratnasooriya, W.D.** (2015) *In vitro* antioxidant activity of methanolic extract of leaves of *Indigofera indica* and stems of *Spermum saveolens* grown in Sri Lanka. International Journal of Institutional Pharmacy and Life Sciences. 5: 128-138
- **Ranaweera, C.B.**, Abeysekara, W.P.K., **Pathirana, R.** and **Ratnasooriya, W.D.** (2015) Lack of *in vitro* antihyaluronidase activity of methenolic stem bark extract of *Stereospermum suereolens*. Journal of Pharmaceutical Negative Results 6: 40-43
- Fernando, W.H.A.L., Weerasekara, K.R., Jayakody, R.J.A.C. and **Ratnasooriya, W.D.** (2015) Diuretic activity of Gohshuradi Guggulu (a multi-herbal formulation) in rats. International Journal of Pharmaceutical Research and Allied Sciences 4: 8-10
- **Ratnasooriya, WD**, Abeysekara, W.P.K. and Ratnasooriya, C.D.T. (2015). *In vitro* pancreatic, cholesterol esterase and cholesterol micellization inhibitory activity of Sri Lanka low grown Orthodox Orange Pekoe grade black tea (*Camellia sinensis L*).**J Coastal Life Med 2015;3** 570-574.
- **Ratnasooriya, WD**, Abesekara, W.P.K., and **Pathirana, R.**, (2015). *In vitro* erythrocyte membrane stabilizing activity of Sri Lankan low grown orthodox Orange Pekoe grade Black Tea (*Camellia sinensis L.*). **Int. J. Pharmacy Practice Pharmaceutit.**(in press for December 2015).
- Abeysekara, WPKM, Premakumara, G.A.S. and **Ratnasooriya, W.D.** (2015). Glycemic regulatory properties of stem bark and leaf of Ceylon Cinnamon (*Cinnamomumzeylanicum*Blume) *in vitro*. **8th International Research Conference, General Sir John Kotelawala Defence University.** Pp 157.

- Ediriweera, E.R.H.S.S and **Ratnasooriya, W.D.** (2015). Little known culinary and medicinal uses of Sidaran (*Citrus medica*). **3rd National Symposium on Traditional Medicine, Institute of Indigenous Medicine.** Pp 82.
- **Ediri Arachchi WM., Chandrasena WMDTM., Tudugala R** and Jayasinghe RD.(2015) “Evaluation of Rejected Intra- Oral periapical (IOPA) Radiographs taken by Radiographers, student Radiographers and Dental students of Dental Teaching Hospital, Peradeniya, Sri Lanka” 20th Asia-Australia Conference of Radiological Technologist (AACRT), Singapore Pp 14
- **Niroshani HS., Ediri Arachchi WM., Tudugala R** and Jayasinghe RD(2015), UJMAL. Knowledge of quality assurance and quality control in mammography among radiographers of mammography in Sri Lanka International Journal of Medical and Health Sciences vo 1:2, No 12, 2015.
- **LHMIM Herath., LU Chandrsiri., SA Senavirathne, S** and Rosairo (2015): Entrance surface Dose Assessment for Postero- Anterior Erect Chest X-ray Examinations of Adult Patients in a Selected Teaching Hospital in Sri Lanka. Allied Health Sciences Pp 22.
- **Wimalarathna DDN** and Wimalarathna DPS (2015), Performance Appraisal System for Allion Technologies Pvt.Ltd 8th International Research Committee, Pp 125.
- **Tudugala R., Sathyathas P** and Jayasuthan M (2015), “Learning Experience of Radiography & Radiotherapy Graduates in MSc in Research Conference, Pp 76-78, 2015.
- **P Sathyathas, R Tudugala,** T Takahashi and M Joshida (2015): Evaluation of fatty acid and glucose metabolism in myocardium of heart using dual radiopharmaceutical approach, KDU international conference, 27th – 28th August, 2015, Pp 217.
- **P Sathyathas.,** and H.M.I.S.W Herath (2015): Evaluation of the radiation dose during the multiphase abdominopelvic scan of multidetector computed tomography (MDCT) in different types protocol, Peradeniya university international research session, Srilanka, vol 19, 5th – 6th November 2015, pp 233.
- **ADP Perera** – participated and presented a paper at Asia Pacific Conference of Exercise and Sport Science (APCESS), Manav Rachna University, Delhi, India on 13th to 17th October 2015.

e. Involvement in Training Matters / Achievements

- Senior Professor RN Pathirana –Presidential Award for Scientific Publications Further, Prof Pathirana was appointed as a member of the Council of University of Ruhuna. He has served as a Visiting Professor to Pharmacy and MLS degree programmes FOM, University of Ruhuna.
- Senior Professor WD Ratnasooriya - Presidential Award for Scientific Publications
- Ms AM Abeysekara- Completed MSc in Applied Organic Chemistry, (Faculty of Science- University of Colombo she was awarded Prof LMV Tilekeratne Gold Medal for the best performance in Master of Science in Applied Organic Chemistry.
- Mr NRM Nelumdeniya – Completed Postgraduate Diploma in Toxicology, Faculty of Medicine, University of Colombo.
- Dr GU Jayaweera – Completed Postgraduate Certificate in Medical Education, PGIM, WOC.
- Ms ADP Perera – Completed Medical Education Certificate Course in Postgraduate Institute of Medicine, University of Colombo.

f. Visits/tours Arranged

- Institutional Visit to Naval Hospital Complex, Welisara was taken place on 17th June 2015. The following members participated in it.
 - Snr Prof N Warnasuriya (FOM, KDU)
 - Col PTR Makuloluwa (Former Dean, FAHS)
 - Lt Cdr S Jeewakarathna (DR, KDU)
 - Dr SSP Warnakulasuriya (Snr Lecturer in Nursing, USJP)
 - Ms MPKW Abhayasinghe (Former A/HOD , Dept. of Nursing & Midwifery)
- Community Field Visits to M.O.H in areas Dehiwala, Ratmalana and Piliyandala for BSc Nursing Undergraduates of FAHS from 02nd September to 16th October as a completion of clinical training. 80 Nursing students of Intake 30 participated.

g. Welfare Activities

Not Applicable

h. Special Events / Functions

IRC – KDU ‘ 15

Held on 27th & 28th August 2015 at KDU

FAHS Plenary Sessions at IRC – KDU '15

Theme: **Professionalism in Allied Health Sciences for a Healthier Nation.**

Chairperson: **Professor Narada Warnasuriya (Senior Professor, FOM – KDU)**

Session 1 – Training in Communication, Teamwork and Leadership in Multi Professional Healthcare Setting.

Dr Gominda Ponnampuruma, Senior Lecturer, Medical Education Development & Research Centre (MEDARC), Faculty of Medicine, University of Colombo

Session 2 – Creating a Culture of Evidence Based Clinical Practice.

Professor Stephen Chapman, Deputy Head of School of Pharmacy/ Head of Medicine Optimisation & Enterprise, University of Keele, UK

Session 3 – Professional Approach to Radiation Protection.

Mr VG Wimalasena, Principal, Sri Lanka School of Radiography

Session 4 – How ‘Real’ Professionalism Can Change a Nation.

Mr Kusal Goonawardhena, Elite Athlete Sports Physiotherapists, Elite Academy Sports Medicine, Melbourne University, Australia

Poster Presentations

Nine Posters were presented.

Best Poster:

“Reject Analysis of Intra-Oral Periapical (IOPA) Radiographs of Department of Radiology, Dental Teaching Hospital, Peradeniya, Sri Lanka”

(By WM Ediri Arachchi, WMDTM Chandrasena, R Thudugala and RD Jayasinghe)

FAHS Technical Sessions at IRC – KDU '15

Session 1 on Basic Sciences

Chairperson: Professor BMR Fernandopulle (Head Pharmacology, FOM, KDU)

Session II on Nursing

Chairperson: Professor Jayantha Jayawardena (Professor of Obstetrics and Gynaecology, FOM, KDU)

Session III on Physiotherapy

Chairperson: Professor Nandani De Silva (Senior Professor of Family Medicine, FOM, KDU)

Session IV on Radiography

Chairperson: Professor Lal Chandrasena (Director/ General Manager, Nawaloka Hospital PLC, Colombo, Sri Lanka)

Pre Conference Workshops

- Basics of Medical Education
- Initial Trauma Care for Nurses (ITCN)
- Clinical Pharmacy
- Low Back Pain – Assessment & Management

Overnight Pirith Ceremony & Morning Alms-giving of FAHS, Werahera -
Held on 18th & 19th September 2015

- **Open Day – KDU ‘15**

Held on 03rd October 2015 from 0800 to 1700 hrs at KDU, Ratmalana.

The FAHS was selected as the Best Exhibition area of Open Day, KDU -2015

- Oath Ceremony of BSc Nursing undergraduates - Intake 30
Held 09th March 2015 of FAHS, Werahera.

i. Financial matters.

Not Applicable

j. Any Corporate Social Responsibility (CSR) Programmes

- Alms giving at Leprosy Hospital, Handala
conducted by students of Intake 31 of BPharm Degree programme on 18th October 2015
- Medical Camp -Suwathi Diviyakata
conducted by academic staff of Department of Pharmacy and Intake 30 students on 07th December 2015.
- Health Education Session for Mothers attending Antenatal Clinic at Army Hospital, Narahenpita Conducted by Academic staff of Department of Nursing & Midwifery. The session is continuing every 03rd Tuesday of the month from 0900hrs to 1200hrs
- A Relaxation Session - Organized by Ms MPKW Abhayasinghe, Mr WM Ediri Arachchi, Dr AWMKK Bandara
Resource Person: Mr P Jayathilaka –Counsellor and a Psychotherapist
Held on 19th March 2015.
- World Radiography Day, 2015 at Getamanna Dakuna Vidyalaya.
Celebrated by Students of Department of Radiography & Radiotherapy.
In this event they renovated the ICT laboratory, and donated sport equipments and stationaries to the same school.

- Donated necessary books for Kandawala Navodya Maha Vidyalaya, Ratmalana.
by students of Intake 32 (Department of Radiography & Radiotherapy)
- Offered a donation for the Thalassemia Unit, Kurunegala Teaching Hospital by students of Intake 33 (Department of Physiotherapy)

k. Any Other Information

4 year Curricula of BSc Medical Laboratory Sciences, BSc Physiotherapy, BSc Radiography, BSc Radiotherapy, BSc Nursing & BPharm were reviewed and revised by subject experts and submitted for the Senate approval.

14. FACULTY OF BUILT ENVIRONMENT AND SPATIAL SCIENCES

Indroduction

The Faculty of Built Environment and Spatial Sciences (FBESS) is the newest addition to the KDU and the first faculty of Southern Campus, KDU as well. FBESS commenced its degree programmes from January 2015.

The term —built environment~ refers to human-made surrounding that provides setting for human activity, ranging in scale from building and parks or green space to neighborhoods and cities that can often include their supporting infrastructure, such as water supply, or energy network. spatial science is typically concerned with the measurement, management, analysis and display of spatial information describing the Earth, its physical feature and the built environment. Capturing accurate data ensures that ideas translate into deliverable outcomes. The main focus of the faculty is to be globally acclaimed center of excellence in Built Environment and Spatial Sciences.

The Faculty consists of three departments namely, Department of Architecture, Department of Quantity Surveying and Department of Spatial Sciences. Those Department conduct seven degree programmes for Officer cadets, Day Scholars and foreign students as well. Further, all those degree programmes have been designed to meet both local and international professional qualifications.

a. Changes of Key Appointment (Academic Staff)

- Archt. NMRAT Nawaratne was appointed as the Head of the Department for Department of Architecture on 16.09.2015.
- Dr AR Rupasinghe was appointed Head of the Department for Department of Spatial Sciences on 16.09.2015.
- Mr SPM Lokuge was appointed as the Acting Head of the Department for Department of Quantity Surveying on 20.06.2015.

b. New Recruitment (Academic)

Department of Spatial Sciences

No	Name	Position	Date of assuming duties
01	Ms RGUI Meththananda	Lecturer(Probationary)	2015.05.19
02	Mrs NSC Niriella	Instructor Gr II	2015.05.19

Department of Quantity Surveying

No	Name	Position	Date of assuming duties
01	Mr SPM Lokuge	Lecturer(Probationary)	2015.05.19
02	Mr DR Senarathne	Lecturer(Probationary)	2015.06.26

Department of Architecture

No	Name	Position	Date of assuming duties
01	Archt. Malithi Rajapaksha	Lecturer(Probationary)	2015.02.02
02	Ms Thushini Mendis	Instructor Gr II	2015.02.02

c. Infrastructure Developments/ New Projects

Not Applicable

d. Staff Development Activities

Ms RA Malithi Rajapaksha took part in lecturers pertaining to completion of SLIA part III.

e. Involvement in Training Matters / Achievements

Department of Architecture

- A workshop was conducted by Prof Harsha Munasinghe about curriculum development, research and preparation and lesson plan and subject modules, from 20th May 2015 to 30th May 2015.
- Archt. Niluka Lakmali was selected to follow CTHE programme conducted by SDC, KDU.
- A guest lecture was conducted by prof Richard Hyde on “New paradigms in Global Architecture” on 26th February 2015.
- A guest Lecture was conducted by prof. Richard Hyde on introduction to “Climatology” on 27th February 2015.

Department of Spatial Sciences

- Mr GP Gunasinghe (Lecturer-Probationary) completed the CTHE Programme.
- Mrs KA Dinusha completed the MSc Degree.

f. Visit/tours arranged

Department of Architecture

- Students of Intake 32 participated in the National Conference and Annual Exhibition of SLIA held from 18th to 21st February 2015 at BMICH.
- Students of Intake 32 participated in study tours to Bandagiriya, Anuradhapura and Galle.

Department of Spatial Sciences

- Surveying field visit at the institute of Surveying and Mapping Diyathalawa and Piduruthalagala triangulation point on 2015 October 15 and 16.

g. Welfare activities

Not Applicable

h. Special Events/Functions

- KDU Open day was held on 03.10.2015
- KDU Southern Campus was ceremonially opened on 05.05.2015

i. Financial matters

Not Applicable

j. Any Corporate Social Responsibility (CSR) Programmes

Not Applicable

k. Any other information

Arch. Nuwan Premarathne, Arch. Anjana Nawarathne and Arch. Niluka Lakmali were appointed to render Architectural Consultancy in Quality control and Technical Evolution Cell-University Hospital, KDU with effect from 20th February 2015.

15. FACULTY OF COMPUTING

Introduction

The Faculty of Computing (FOC) which is formulated in Sothern Campus of KDU consists of four departments, namely the Department of Computer Science, the Department of Computer Engineering, the Department of Computational Mathematics and the Department of Information Technology. These departments cater for theoretical foundations of the field of computing, engineering of computer hardware and software, mathematical and statistical requirements, and technological and social aspects of computing.

These names of the degrees are well established and long standings by showing potential to accommodate recognized future expansions in the field of computing. Accordingly, BSc in Computer Science degree will be offered by Department of Computer Science allowing rooms for new degrees such as BSc in Artificial Intelligence. BSc in Computer Engineering and BSc in Software Engineering will be offered by the department of Computer Engineering. BSc in Information Technology and BSc in Information Systems come under the perview of the Department of Information Technology. Also Department of Computational Mathematics will serve the mathematical requirements of the faculty. Initially the Department of IT and Department of Computer Science has been established having room to establish the other two departments in the near future.

The degree programs of FOC have been receiving a prominent place in the world. Today this emphasis on computing degrees has heightened due to the significant role played by the armed forces and the civilians by contributing to rapid technological progress and productivity growth in a knowledge economy.

The most important point is that the degree programs are opening up not only for officer cadets but also for civilian students both local and foreign as a competitive solution responding to local and global demand of the world.

Today, FOC in Sothern Campus of KDU is fast moving towards self sufficiently in resources. The faculty has an energetic in-house staff of very high caliber with sound academic achievements. Their commitment and dedication to work has enabled the faculty to establish and maintain the quality of the degree programs with national and international standards. Also the FOC is equipped with essential laboratory facilities, lecture theatres and luxury accommodation.

Further, we look forward to establishing international skills, collaborations and affiliations in order to globalize our efforts and to contribute the field of computing in a more sustainable manner.

a. Changes of Key Appointments (Military / Academic)

- i. Mr ADAI Gunasekara was appointed Head of Department for the Department of Computer Science.
- ii. Mr PPNV Kumara was appointed Head of Department for the Department of Information Technology

b. New Recruitments (Military / Academic)

NAME	POSITION	DATE OF ASSUMING DUTIES
Mr B Hettige	Lecturer (Probationary)	02/03/2015
Maj RMM Pradeep	Lecturer (Probationary)	23/03/2015
Ms CP Waduge	Lecturer (Probationary)	02/02/2015
Mr GIF De Silva	Instructor (Grade II)	26/01/2015
Ms HMBU Herath	Instructor (Grade II)	05/05/2015
Ms WJ Samaraweera	Instructor (Grade II)	01/06/2016

c. Infrastructure Developments / New Projects

S /NO	ITEM	DESCRIPTION	LOCATION
01	Increasing Staff	Expanding the number of staff to align with faculty requirements	KDU Ratmalana & Suriyawewa

d. Staff Development Activities

- (1) Three staff members successfully completed the Certificate in Teaching in Higher Education (CTHE) course – Batch 2.
- (2) Two staff members were selected for Certificate in Teaching in Higher Education (CTHE) course offered by KDU – Batch 3.

e. Involvement in Training matters / achievements

- (1) 4 student groups and all academic staff papers were selected for 8th International Research Conference of KDU.
- (2) Best Poster & Best Paper of computing were won at KDU IRC by the Faculty of Computing Students.
- (3) Won the 3rd place for the best faculty area at annual Open day of KDU.
- (4) Successfully attached all students of intake 29 (1st Batch) to leading IT companies for internships.

f. Visits / Tours Arranged

- Five staff members participated in an International Research Conference in Thailand.

- 15 student Research papers were selected for an International Conference held at Bangkok, Thailand.

g. Welfare Activities

- Intake 31 IT Students participated and won the Woman's Championship of the Annual Cricket Tournament organized by Faculty of Law.

h. Special Events / Functions

- Organized FICB Meeting for Curriculum Development of BSc (Hons) in CE, SE Degree Programmes.
- ICT curriculum was taken as a role model by the UGC for ACM/IEEE application process of state universities.
- BSc in ICT Degree was renamed as BSc in IT.

i. Financial matters

Not Applicable

j. Any Corporate Social Responsibility (CSR) Programme - Not Applicable

k. Any other information

(i) Curriculum Development / Academic Progress

- Preparing, moderating, and marking of IQ papers for selection of cadets for KDU.
- Preparing, moderating, marking of IQ papers for selection of candidates of external degree courses (B. Sc and M. Sc)
- Taking part in technical evaluation boards of KDU.
- Conducting peer evaluation sessions.
- Supervising syndicate presentations.
- Preparation of the syllabus and lecture notes for the IT diploma in Faculty of Graduate Studies (FGS).
- Preparation of the syllabus and lecture notes for B.Sc. in ICT and CS degree programmes.

(ii) Future Plans

- Expanding the number of staff to align with faculty requirements
- Implementing a Voice over IP (VoIP) solution to KDU.

16. OFFICE OF THE DEAN OF RESEARCH & DEVELOPMENT

a. Changes of key appointments (Military/Academic):

Dean of Research and Development

b. New recruitments (Military/Academic):

Name	Position	Date of assuming duties
Snr Prof AS Karunananda	Dean of Research and Development	02/01/2013
Ms HKM Jayalath	Management Assistant Grade 3	01/06/2015

c. Infrastructure developments/New Projects,

Details include-Location, cost involved, expected date of completion, outcome.

- Involved in establishing Faculty of Computing at Sothern Campus
- Involved in a project to develop a automated molecular docking system
- Involved in design and development of KDU Research Data Base
- Involved in design and development of Nature-CARE database
- Launched a Mind Simulator as a product from KDU

d. Staff/Research development activities:

- Involved in biweekly Research Evenings
- Resource Persons for CTHE programme
- Revising by-laws for MPhil/PhD programmes offered by KDU
- Conducting several workshops on Zotero for staff at KDU
- Establishing Simulation Incubator in Faculty of Computing
- Introducing Award Ceremony for KDU
- Preparation of guidelines for the Research Allowance
- Forming FOC-Open source
- Forming FOC-Code Fest
- Forming FOC-Design Fest
- Forming FOC-Journal Reading
- Mentoring FOC young staff in postgraduate studies

e. Involvement in training matters/achievements.

- Conducting lectures for MSc in E-Governance programme
- Participation in the progress review sessions of MPhil/PhD candidates
- Conducting lectures on Research Methodology for MPhil/PhD candidates
- Conducting lectures on Research Methodologies for MSc in Logistics Management

- Conducting lectures on Research Methodology at Naval Academy at Trincomalee
- Conducting lectures on Research Methodology for Staff College
- Conducting lectures on Research Methodology for undergraduates

f. Visits/tours arranged:

Details include-Location, date of visit, purpose, number of students participated

11-15 May, 2015 – Participated in International Conference on Complex Systems- 2015, New forest UK for presenting a research paper.

g. Welfare activities

Not applicable

h. Special events/Functions. Not applicable

i. Financial Matters.

Not applicable

j. Any Corporate Social Responsibility (CSR) Programme

Not applicable

k. Any other information

- Introducing BSc (Hons) Computer Engineering degree in FOC
- Introducing BSc (Hons) Software Engineering degree in FOC
- Revising BSc (Hons) Computer Science degree
- Benchmarking FOC computing degrees with ACM/IEEE international standards
- Conducting lectures for BSc in Computer Science Degree Programme
- Conducting lectures for BSc in Information Technology programme
- Advising the Web team for rising KDU in Webometrics ranking

17. LIBRARY

Introduction

General Sir John Kotelawala Defence University Library is an integral part of the professional development of all its users, and it supports the University to achieve its vision. KDU Library network consists of the Main Library, Southern Campus Library and Faculty libraries of FOM and FAHS. In addition, KDU is planning to establish a Faculty library for FOL and a reference Library for FOE in the future.

KDU Library has shown a significant development during the year 2015 and the following figures and details demonstrate the areas of development.

a. Changes of key appointments

Not Applicable

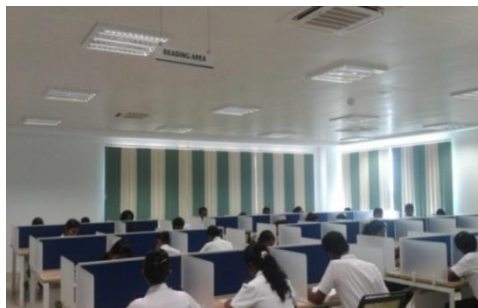

b. New recruitments

Library	Name	Position	Date of assuming duties
Main Library	Mr V Alagaratnam	Assistant Librarian	2015.03.30
	Mr UABS Ubeysinghe	Assistant Registrar - Library services	2015.04.20
	Ms DDC Subhashini	Management Assistant - Library services	2015.01.12
	Mrs DDEO Dissanayaka	Management Assistant - Library services	2015.01.16
FAHS	Mrs PRDNK Perera	Management Assistant - Library services	2015.01.27
	Mr EASJayarathna	Management Assistant - Library services	2015.02.12
	Mr RKAT Dushan	Library Attendant	2015.02.05
	Mr SLRK Fernando	Office labourer	2015.02.05
FOM	Ms MDS Marasinghe	Management Assistant - Library services	2015.02.12
	Mr HRN Renushan	Management Assistant - Library services	2015.02.16
	Mr SHO Jayasanka	Library Attendant	2015.02.05
	Mr GWDI Madushan	Office labourer	2015.02.05
SOUTHERN CAMPUS	Mr RMDP Rathnayaka (Resigned on 17/10/2015)	Assistant Librarian - Southern Campus	2015.04.21
	Mrs Pearl K Wijesekara	Assistant Librarian - Southern Campus	2015.10.21
	Ms WPIM Warnasuriya	Management Assistant	2015.10.06

c. Infrastructure Developments/New Projects

Infrastructure Developments

FAHS Library

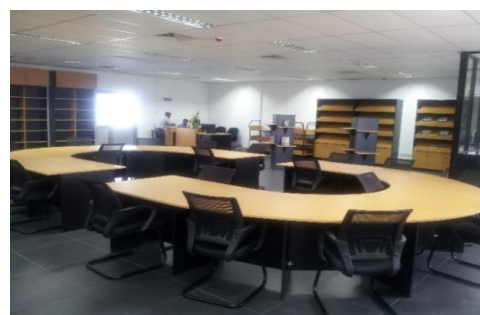

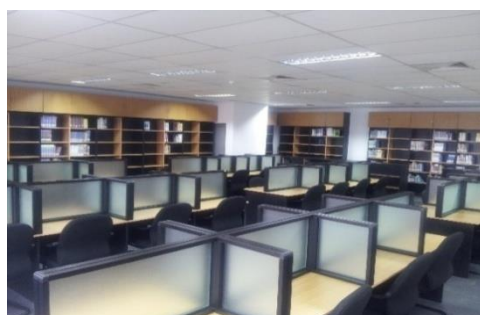

FAHS Library was officially opened for the users on 18th February 2015, and it has a collection for the subjects of Nursing, Physiotherapy, Pharmacology, Medical Laboratory Sciences, Radiography, and Basic Sciences. This Library has a total collection of 983 books. The library caters to more than 500 users in the faculty.

Southern Campus Library

Southern Campus Library was officially opened on 21st July 2015. The library has a total collection of 510 books. It mainly covers the subjects of Spatial Sciences and Architecture.

FOM Library

FOM Library started functioning since 04th January 2016. Medical related subjects are covered by the Library collection. FOM Library has a total collection of 1340 books and a seating capacity for 80 students.

Renovation of Main Library

Project proposal for renovation of the Main Library was approved by the DVC (Defence & Administration). It was proposed to allocate the entire 2nd floor area of the academic building for the main library. But due to limited space for lecture hall facilities for academic programmes, the renovation project was not implemented. Therefore, KDU library had to obtain approval of DVC (Defence/ Administration) for its second project proposal on the same matter, which was to expand the library office with sufficient space. The proposal consists of purchasing new furniture and office equipment, colour washing the whole library area, fixing new partitions and fulfilling other basic requirements. The project work started during the vacation of December 2015.

New Projects

New Library Management System (LMS)

The existing Library Management System (LMS) does not support linking branch libraries and also it is not very user-friendly. Hence initial steps were already taken to shift the web based new LMS using KOHA open source software to KDU Library network which would facilitate interlinking all the branch libraries. The new LMS provides better service and facilities to the users and also it is an easy management system for the Library staff. This project is planned to be completed during the year 2016.

Security System for the Main Library

Identifying the importance of having a security system with the expansion of the user population, initial steps have been taken to implement a security system using tattle tapes. This project is planned to be completed within the 1st semester of the year 2016.

Digital Library

KDU library has taken initial steps to build a digital collection by using Dspace software for non-printed materials available at the library in order to provide easy access to its users. Initially, collections of past question papers, abstracts of theses/ dissertations compiled by KDU students and photos of special KDU events will be created as a digital library.

d. Staff Development Activities

Workshops and Training Sessions organized by KDU Library Network

- i. A training session was conducted on Turnitin Antiplagiarism software for academic staff members on 19th February 2015.
- ii. A training session was conducted on Turnitin Antiplagiarism software for academic staff members on 4th August 2015.
- iii. A workshop was conducted on Acquisition and Cataloguing of the KOHA library management system (LMS) for all staff of KDU Library network on 17th December 2015.
- iv. A workshop was conducted on Cataloguing rules for all staff of KDU Library network on 31st December 2015.

e. Involvement in training matters/achievements

Involvement in training matters

- i. Ms TC Ranawella - Actg, Librarian
 - Conducting Visiting Lectures in COLA course and Diploma in Library Science conducted by Sri Lanka Library Association.
 - Resource Person of CTHE Programme, KDU.
- ii. Ms UD Hiruni Kanchana, Assistant Librarian - FAHS,
 - Coordinator of COLA Course, Sri Lanka Library Association.
 - Conducting visiting lectures in Diploma in Library Science, Sri Lanka Library Association.
 - Resource Person- Workshop on Information Technology Applications for Librarians- National Institute of Library & Information Science.
- iii. Mr V Alagaratnam, Assistant Librarian - Main Library
 - Conducting visiting lectures in Aesthetics and Art Criticism at Eastern University of Sri Lanka.

Achievements

- i. Ms TC Ranawella was appointed as a member of advisory committee of International Conference of University Librarians' Association -2016.
- ii. Ms MP Rajapaksha, Assistant Librarian - FOM, successfully completed the CTHE program conducted by Staff Development Centre, KDU.

f. Visits/tours arranged

KDU library organized a visit to Colombo International Book fair on 22nd September 2015. Nominated academic staff members from each faculty of KDU participated in the book fair, and they selected books for the library.

g. Welfare Activities

KDU library has organized an informal gathering at Hotel Randiya on 19th June 2015 in order to build up good rapport among the library staff members working at the main library as well as at faculty libraries especially, among the newly recruited library staff members.

h. Special events/ Functions

A book exhibition was held at the Academic Building of KDU on 23rd October 2015, which was organized by KDU library network in order to celebrate the reading month and to improve reading habit among students of KDU. Vice-Chancellor of KDU was the Chief Guest and he declared open the exhibition.

i. Financial Matters

Main Library				FAHS library		
Description		Amount (Rs)	Deposited to	Description	Amount (Rs)	Deposited to
Library fines	Over dues	170928.00	Accounts Branch	Over dues	14255.00	Accounts Branch

j. Corporate Social Responsibility (CSR) Programme

KDU Library network organized a book donation and Library development programme at Kandawala Navodya Maha Vidyalaya as a CSR activity on 02nd December 2015. There were different parties behind the success of this Library development programme. KDU staff members, KDU students, Book suppliers of the KDU, National Library and Documentation Services Board and Asia Foundation made their valuable contribution in this Library development programme by donating books and steel cupboards and by providing financial assistance. Vice-Chancellor of KDU was the Chief Guest of the event.

k. **Other Information** **Collection Development**

Library books

Considering the requirements of the KDU Library network, Rs. 14 million was been approved to purchase library books for the year 2015, and over Rs. 9.2 million (for 1261 books) was expended for purchasing books. In addition, KDU Library network was able to acquire another 585 books as donations. Over Rs. 17 million worth books were requested to be purchased for the year 2016.

Subscriptions for Journals and Databases

Printed Journals

KDU Library network has recently subscribed for the Journal of "Leadership and Governance in Higher Education" and "Gaveshana" magazine. Subscription was renewed for the existing journals and magazines.

E - Resources

The following table demonstrates the budget utilized for the e-resources in the year 2015.

Database / Software	Subscription period	Subscription Fee	Remarks
---------------------	---------------------	------------------	---------

LexisNexis Database	December 2015 to December 2015	USD 5000.04	Subscribed
HINARI	January 2015 to January 2016	USD 1500	Renewed
TURNITIN	December 01 st 2015 to November 30 th 2016	USD 4809	Renewed

Library Services Reader Services

During the year 2015, new memberships have been issued to the different user categories by the Main Library and FAHS library as shown below.

USER CATEGORY		NO OF USERS REGISTERED AT MAIN LIBRARY	NO OF USERS REGISTERED AT FAHS LIBRARY
Undergraduate students	Officer Cadets	154	65
	Day Scholars	486	
	Officers	13	
Post Graduate Students	PhD	04

	Administrative Staff	01	06
	Staff	22	
	Other Staff		
Total		948	89

Inter Library Loan Service

Providing opportunities to borrow books and journals which are not available in KDU library collection from other University libraries such as Colombo, Sri Jayewardenepura and Moratuwa Universities.

Reference Facilities in Other University Libraries

Providing opportunities to refer other University library collections such as Colombo, Sri Jayewardenepura and Moratuwa Universities.

Document Delivery Service

- i. Provided research articles in both full text and abstract to library users of KDU with the cooperation of other Universities and Research Institutions.
- ii. At the same time KDU library provided full text articles by downloading from databases subscribed by KDU library to other libraries according to their requests.

Guest Lectures

Module	Name of the Lecturer	Date
National Unity & Reconciliation	Prof Shantha K Hennayake, Deputy Vice-Chancellor, University of Peradeniya	05.01.2015
Sustainability through Diversity: Options in the Energy Sector	Senior Prof HY Ranjith Perera, The Faculty of Engineering University of Moratuwa	18.02.2015
ශ්‍රී ලංකාවේ ඉතිහාසය, උරුමය, සම්ප්‍රදාය සහ ජන විකාශනය	පුරාවිද්‍යා චක්‍රවර්ති ඵල්ලාවල මේධානන්දනිමි	18.03.2015

18.3 Examination Division

Introduction

Examination Division was headed by Deputy Registrar and there were 09 subordinate staff in the division including 3 labourers. During the year 2015 the Examination Division of KDU conducted selection tests of all undergraduates and postgraduate students of the University. In addition to the above examinations end semester examinations & supplementary (Repeat) examinations of Faculties of Engineering (FOE), Faculty of Law (FOL), Faculty of Management, Social Sciences and Humanities (FMSH), Faculty of Computing (FOC), Faculty of Graduate Studies (FGS) were conducted. Examinations of Faculty of Medicine (FOM), Faculty of Allied Health Science (FAHS) & Faculty of Built Environment and Spatial Science (FBESS) were conducted by the respective ARs of the faculties under the guidance and supervision of the examination division. Board of Examination (BOE) meetings were conducted throughout the year for all faculties accordingly. Further the BOEs of accredited military academies were also conducted. Detailed degree certificates / Academic transcripts of graduates and semester result sheets of undergraduates were issued during the year on the requests made by graduates and undergraduates.

a. Changes of key appointments (Military/Academic)

Not Applicable

b. New recruitments (Military/Academic)

Not Applicable

c. Infrastructure developments/New projects

Details include-Location, cost involved, expected date of completion, outcome. Nil

Examination division was shifted to the 2nd floor of the academic building (former FGS offices) in- order to provide adequate space for the Division.

d. Staff Development Activities

Deputy Registrar / Examinations was given an overseas training on Advanced Management at AIT - Thailand: from 23rd November 2015 to 29th November 2015.

e. Involvement in training matters / achievements

Deputy Registrar attended as a resource person at SDC to conduct a workshop on examination by-laws & evaluations of KDU for academia.

f. Visits/tours arranged

Not Applicable

g. Welfare activities

Staff of the Examination Division attended the welfare activities organized by the University.

h. Special events/functions - Not Applicable

Convocation

General Convocation of KDU was held on 30.10.2015 at BMICH with the participation of His Excellency Maithreepala Sirisena, President of the Democratic Socialist Republic of Sri Lanka 450 candidates of KDU and its accredited military academies were conferred with the following Bachelor's Degrees, Postgraduate Diplomas and Masters Degrees.

The summary of the total graduate & postgraduate degree holders of KDU and accredited Military Academies is given below.

Total Degree holders of the year 2015:

Degree Programme	2014	2015
Bachelor's degree	193	272
Postgraduate Diplomas	16	73
Masters Degrees	53	104
PHD	-	01
Total	262	450

The breakdown of the total graduate and postgraduate degree holders for the year 2015 is as follows:

Graduate degree holders of KDU.

	Academic Stream	2014	2015	%
1	Bachelor of Medicine and Bachelor of Surgery (MBBS)	25	16	09%
2	Bachelor of Science in Engineering	57	51	29%
3	Bachelor of Laws	-	18	10%
4	Bachelor of Science in Management & Technical Sciences	25	25	15%
5	Bachelor of Science in Logistics Management	22	30	17%
6	Bachelor of Science in Social Sciences	13	24	14%
7	Bachelor of Science in Management	24	10	06%
	Total	142	174	100%

Postgraduate degree holders of KDU

	Academic Stream	2014	2015	%
1	Master of Science (Defence Studies) in Management & Master of Science in Management	04	14	28%
2	Master of Business Administration in Logistics Management	-	06	12%
3	Master of Business Administration in E-Governance	-	09	18%
4	Master of Laws	-	19	38%
5	Postgraduate Diploma (Defence studies) in Management	-	01	2%
6	Postgraduate Diploma in Logistics Management	-	01	2%
	Total	04	50	100%

Graduate degree holders of the accredited military Academies

	<i>Institution</i>	<i>Academic Stream</i>	2014	2015	%
1	Sri Lanka Military Academy- Diyathalawa (SLMA)	BSc in Military Studies	22	45	46%

20. CENTRE FOR IT SUPPORT AND DEVELOPMENT SERVICES

Introduction

Centre for IT Support and Development Services is established to provide necessary IT support and other necessary developments to cater to the entire university including directorates and non-academic sections. This directorate is mainly providing services related to software development, network administration, network and hardware maintenance, web developments, Internet and Wi-Fi services and other educational supportive services to the university.

a. Changes of key appointments (Military / Academic) - Not Applicable

b. New Recuqirments (Millitary / Academic)

KDU IT Centre has forecasted a rapid IT development during year 2015 and accordingly following personnel were recruited in 2015.

Name	Position	Date of Assuming duties
Mr DGS Amaranath	Software Engineer	2015/10/01
Mr Mahinda Wijesinghe	Network Administrator	2015/10/23
Mr Shashika Wijayarathne	Instructor (Grade II)	2015/05/05
Ms Prasadi Rajapakshe	Instructor (Grade II)	2015/11/01
Ms Wathsala Silva	Instructor (Grade II)	2015/10/02
Ms Thusitha Lakshani	Instructor (Grade II)	2015/10/21
Mr Gayan Bandara	IT Officer	2015/10/05
Ms Dharshani Cooray	IT Assistant	2015/10/01
Ms Yasasi Pathinayake	IT Assistant	2015/10/01

c. Infrastructure developments / New Projects

Centre for IT support and Development Services is providing its valuable contribution to the University by providing new system development, web site developments, enhancement of network facilities and internet services in 2015. Following are the new projects developed for the university.

System development projects

ONLINE EXAM SYSTEM

Purpose	To conduct selection test for applicants of Medical Faculty
Status / Expected date of completion	Programming/Development completed
Current Status	Conducting Testing & QA using the sample question papers given by the medical faculty.

Online Exam Systems are being developed for the benefit of the university and its students. With this site, University can host online exams for selecting Medical students for the faculty. Students can participate in exams and view their results through this system. The system will allow applicants to do exams from overseas. This system is an attempt to remove the existing flaws in the manual system of conducting exams and to provide more opportunities to attract foreign students to the Medical Faculty.

ATTENDANCE MARKING & ADMINISTRATIVE SYSTEM

Purpose	To establish a central database to track employee attendance by networking finger print machines to enhance the efficiency of existing process.
Status / Expected date of completion	Completed the feasibility & system study. Will be completed within 2016.

Attendance marking system is developed to support staff administrative system. This system will collect daily attendance data through networked finger scanner machines and update the administrative system in real time. All the remote locations can be connected to the central database and system will record time in and out of all the staff/students and finally it will be connected to the Payroll system.

Examination Module of the Student Management ERP System

Purpose	To facilitate students to view their results immediately, and provide SMS and Email alerts to inform results to parents and students at the same time. Calculate final marks and subject grades, GPA automatically Analyze students' performance based on exams and results.
Status / Expected date of completion	Ongoing project Will be completed within 2016.

This module is developed to store student examination results in Student Management ERP System and semester results will be automatically delivered to students and parents through E-mail and SMS. These modules also provide a statistical analysis of the performance of the students and facilitate higher management to obtain statistical reports.

KDU RESEARCH INFORMATION DATABASE

Purpose	Maintain research information, done by KDU researchers, in a database and generate statistical reports.
Status / Expected date of completion	System implementation has been done.
Current Status	Currently used by the Faculty of Research & Development

LIBRARY MANAGEMENT SYSTEM (KOHA AND DSPACE)

Purpose	To automate the manual process of the Library (This project will be outsourced from 3M)
Status / Expected date of completion	Ongoing Implementation

This system will enable users to search available library materials, extend lending period, and download eBooks and other digital materials. Management functionalities will be convenient as this system has features to manage stocks, lending process etc.

Web Site Developments

CITS & DS web team is accountable for developing and maintaining over 32 websites. Following are the major developments carried out by CITS & DS.

WEB SERVER UPGRADE

Previous Web Server	Upgraded Web Server
▪ 25GB Server Space ▪ 2GB RAM ▪ 1Mbps shared internet bandwidth free	▪ 50GB Server Space ▪ 4GB RAM ▪ 2Mbps shared internet bandwidth free

DEVELOPMENT OF FACULTY OF COMPUTING WEB SITE

In 2015, the Faculty of Computing (FOC) was established with the establishment of the Sothern Campus of KDU at Suriyawewa. All the information related to the Southern Campus is published on their web site.

Figure 0-1 Faculty of Computing Web site

DEVELOPMENT OF FACULTY OF BUILT ENVIRONMENT AND SPATIAL SCIENCES WEB SITE

The Faculty of Built Environment and Spatial Sciences (FBESS) is the newest addition to KDU and the first faculty of Southern Campus. FBESS is planned to commenced its degree programs in January, 2015 at Suriyawewa. So the new web site was developed with this new development.

Figure 0-2 Faculty of Build Environment and Spatial Web site

INTERNATIONAL RESEARCH CONFERENCE 2015 WEBSITE

This web site was developed in parallel to “8th International Research Conference of KDU (KDU-IRC 8)” under the theme of “*Professionalism for National Development*”. This was held on 27th and 28th of August 2015.

DAILY UPDATES

Despite all the above developments, CITS & DS web team has maintained all of these web sites and have provided their maximum contribution to improve the visibility of sites by search engine optimization.

Network and Infrastructure Development

Our unit is accountable for network installation, configuration, upgrade and maintenance of General Sir John Kotelawala Defence University network, Southern Branch network and Werahera network.

UPGRADE OF LEARN LEASED LINE

Purpose	Upgraded from 10Mb to 40Mb.
Status	Completed.

UPGRADE OF KDU WI-FI

Purpose	Upgraded from 10Mb to 40Mb.
Status	Completed.

MEDICAL FACULTY SERVER ROOM ARRANGEMENT

Purpose	Install new router, extend fiber optic layer.
Status	Completed.

WI-FI INTERNET FOR FGS BUILDING & LEASED LINE

Purpose	Establish Wi-Fi internet facility for FGS building. Install fiber optic cable.
Status	Completed.

PURCHASE OF SSL CERTIFICATE / RENEWAL OF FIREWALL

Apart from those major enhancements, network security was verified by purchasing SSL certificate to KDU mail server and by renewing firewall license.

IT Assistance Services

These are the IT assistance services provided during the year 2015 by the Centre for IT Support and Development Services.

FGS HUAWEI LAB

Purpose	To establish a Lab for Huawei program.
Status / Expected date of completion	Room arrangements completed.
Current Status	Machines to be obtained after the agreement.

FREE OPERATING SYSTEM FOR ALL KDU PCS

Purpose	Microsoft Dreams Spark project provides Operating Systems, free of charge. Microsoft Office 365 subscription plan.
Status / Expected date of completion	Completed. Saved approximately Rs. 17 Million. (MS office) Windows Operating System free of charge and unlimited to KDU

PERSONAL COMPUTER ASSEMBLY UNIT

It is proposed to establish a unit under KDU-CARE for assembling, configuring of PC. This will be a small scale PC Company that assembles, configures, and installs software and repairs PCs. Therefore the staff for this unit can be supplied by the Center of Information Technology Support and Development Services (CITS & DS) and the supervision and monitoring will be done by the Director IT (CITS & DS)

MAJOR TENDERS HANDLED

- Purchase of AV facility for FAHS
- Purchase of Microsoft Office subscription for 03 years
- Purchase of laptop for Intake 32
- Printing machine for KDU printing shop
- Database management system – KDU CARE
- Purchase of 15 E-Boards for Faculty of Engineering
- Purchase of laptops for Intake 33
- Supply and Installation of LAN , PABX and CCTV system for FOE

Educational Support Services

CCNA(CISCO CERTIFIED NETWORK ASSOCIATE)

Upon completion of this course, students should be able to describe how networks function, identify major components, functions of network components and the Open System Interconnection (OSI) reference model, be able to use the host-to-host packet delivery process and describe issues related to increasing traffic on an Ethernet LAN and identify switched LAN technology solutions to Ethernet networking issues. Students should also be able to describe the reasons for extending the reach of a LAN the methods that can be used with a focus on RF wireless access, the reasons for connecting networks with routers and how routed networks transmit data through networks using TCP / IP. Further, they should be able to describe the function of Wide Area Networks (WANs), the major devices of WANs, configure PPP encapsulation, static and dynamic routing, PAT and RIP routing, and to use the

command-line interface to discover neighbors on the network and managing the routers startup and configuration

Course Duration	1 Years (300 hours)
Course Fee	Rs. 60000.00
No of Students	20 Per Batch
Status	Batch II is ongoing
Present Situation	Batch III is ongoing

DIPLOMA IN WEB DEVELOPMENT

Course Duration	6 months , 450 Hours
Course Fee	Rs. 20000.00
No of Students	20 Per Batch
Status	Batch II Completed
Present Situation	Batch III is ongoing commencing on March 2016

DIPLOMA IN VISUAL C#

Course Duration	6 months , 450 Hours
Course Fee	Rs. 20000.00
No of Students	20 Per Batch
Status	Batch I Completed
Present Situation	Batch II is ongoing, new batch is commencing on March 2016

DIPLOMA IN JAVA

Course Duration	6 months , 450 Hours
Course Fee	Rs. 20000.00
No of Students	20 Per Batch
Status	Batch II is ongoing
Present Situation	Batch III is ongoing, new batch is commencing on March 2016

DIPLOMA IN GRAPHIC & ANIMATION

Course Duration	6 months , 450 Hours
Course Fee	Rs. 20000.00 , KDU staff and students = Rs.6000.00
No of Students	20 Per Batch
Status	Batch II Completed
Present Situation	Batch III is ongoing, new batch is commencing on March 2016

OTHER

Our Centre supports the Diploma and Certificate IT courses conducted by Faculty of Graduate Studies by providing necessary resources and conducting lectures to enhance the quality of the courses. It also provides necessary guidance for IT/CS undergraduates in their final projects.

d. Staff Development Activities

Within the year 2015, CITS and DS employees participated in several workshops and training programs to improve their skills and attitudes towards the job.

National IT Conference 2015

The National IT Conference, which is organized by the Computer Society of Sri Lanka (CSSL), was held from 7th to 9th September 2015 at Hotel Galadari under the theme of “ ICT for Corporate and Social Revolution”. Three members participated in this event.

Network Troubleshooting and switch configuration (Network) Training

This training program is conducted by Univel Micro Systems (Pvt) Ltd at their center. Two IT Officers participated in the 2015 event.

Printing Press Opening

The ceremonial opening of the KDU Press took place on 18th November 2015. This unit is under the supervision of IT Centre of the University. The printing press will facilitate all the printing requirement of the students and management of the University as well as of outside customers. Digital Commercial Printing, Graphic Designing, Color/Black & White Printouts, Printouts on Demand, Variable Data Printouts, Confidential Securities Printing, Ao Plotting and CAP Printing, Sticker Printing, Scanning and Archiving, Photocopy, Photo Enlargement, Poster/Enlargement Printing, Perfect Binding and Laminating are some of the facilities provided by the KDU Press.

Figure 0-1 KDU Printing Press Opening Ceremony

21. OTHER SECTIONS

21.1 Headquarters

The Undermentioned Officers held appointments at HQ- KDU as indicated in the duration against their names.

Name	Position	Date of assuming duties
Headquarters

- **Opening of the KDU Press – 18th November 2015**

Opening of the KDU Press was held on 18th July 2015 by the Vice-Chancellor of KDU

Other Events

- The convocation dinner for those who were graduated at the General Convocation 2015 was held at hotel Mt. Lavinia on 21st October 2015

- The family get – together of WOs and Sgts' and equal ranks of SLN and SLAF was held on 21st November 2015 at Ramadia Ranmal Hotel, Panadura.

- Staff get-together was held on 27th November 2015 at the University premises

- Officers' Mess get-together was held on 05th December 2015

21.2 Internal Audit Division

The central Audit Division which is entrusted with the task of Internal Audit assignment and investigations of General Sir John Kotelawala Defence University (KDU), Southern Campus and the University Hospital KDU and Faculty of Graduate Studies of KDU has been conducting its program of work as in the previous years reviewing the adequacy of internal control systems and procedures ensuring adherence to circular instructions the KDU Act and other relevant rules and regulations. The monitoring process and proposing

any changes of policies were done through the Audit & Management Committee of the KDU. All lapses, weaknesses and shortcomings were brought to the notice of the relevant authorities with suggestions for improvements.

Internal Audit Reports

Based on the Internal Audit plan for the year 2015, special investigations on some specific areas were carried out at the following institutes

- * Kotelawala Defence University
- * Faculty of Graduate Studies
- * Southern Campus

a. Staff development activities

The Board of Management at its meeting No: 559, 567 granted approval sabbatical leave to Mr NMKS Ranjith and to appoint Mr NAG Sriyananda (Ministry of Defence) to cover duties in the post of Deputy Internal Auditor with effect from 01. 07. 2014.

b. Special events / functions

- The Internal Audit Division of KDU coordinated the matters pertaining to the meeting of the Audit and Management Committee and during the year under review the Audit & Management Committee meeting was held on two occasions as follows.

22.09.2015 (First & Second quarters)
04.11.2015 (Third quarter)

c. Ministry Audit and Management Committee

The relevant reports were submitted and KDU participated in the Ministry Audit and Management Committee for the year 2015 as follows:

10.04.2015
06.10.2015

21.3 Project And Maintenance Section

CAPITAL - A & I AND MAINTENANCE JOBS - 2015

(FORM - 01/01/2015 TO 31/12/2015)

21.4 Medical Section

Newly renovated and refurbished University Medical Centre was declared open by former Secretary of Defence Mr BMUD Basnayake on 06.04.2015. This centre has been upgraded to have separate: ETU, Male Ward, Female Ward, Counselling Room, Main and OPD pharmacies, two consultation rooms for consultants/ specialists, a Separate Room for physiotherapy and a separate area is allocated for small surgeries and wound dressings.

All the sections are being equipped with necessary instruments (cardiac monitor, ECG machine, sterilizer, autoclave machine, etc.) and machines to treat most of the medical emergencies that may occur in KDU.

Separate area has been designed and equipped to have a main drug store, to store all vaccine and other drugs under required temperature.

Physiotherapy sessions psychological counselling facilities are available for every individual at KDU. Furthermore, a specialist with qualifications in General Practice conducts a “well-woman” clinic for all the females in KDU and she had also been managing patients with chronic illnesses.

Two desktops, a printer and the internet service were obtained to increase the efficiency of the work force and the record keeping system.

UMC has provided facility under the supervision of UMO, to evaluate physical standards and medical fitness of cadets during the enlistment of Intake 33.

UMO and his staff attended all the events (inside and outside of KDU) during the year 2015 where medical assistance was needed.

Drinking water samples were being sent to Medical Research Institute of Sri Lanka twice a year for microbiology screening. Within presence of related water borne diseases within the university, these samples are tested frequently.

We have received the approval from the Ministry of Health to purchase medicine for 2016 from Main Supply Depot as directed by the Vice-Chancellor to minimize budget expenditure for 2016.

Vaccination programme (against Hepatitis-B) for nursing students of Faculty of Allied Health Science was conducted.

Anti-Dengue programs were directed conducted (according to the directions given by the Anti-dengue campaign) throughout the year at General Sir John Kotelawala Defence University.

PHI attached to KDU was directed to maintain and optimize the health and hygiene conditions in cadet mess, kitchens and also screening of food handler's health (FFI screening) was supervised regularly.

Inspections were done at Werahera construction site and instructions were given to enhance and maintain optimal health conditions.

We have taken initiatives to implement a new folder to keep health records of all students and staff of KDU.

21.5 Dental Centre

a. Strength

Regular Officer	-01
Senior Non Commissioned Officer	-01
Regular Airman	-01
Regular Airwoman	-01

University Dental Officer- 02660 Sqn Ldr KC Dilhani

b. Rank Distribution

Flight Sergeant	- 01
Leading Air Craftmen	- 02

c. Trade Distribution

Dental Technician
20315 F/Sgt Liyawuddeen H

Dental Assistant II
41418 LAC Weerasooriya KTC
AW /3655 LAC De Silva DIND

d. Role and Responsibility

- i. The primary mission of the Dental Center at KDU is prevention of oral diseases and Curative Dental Treatment for Officer Cadets, Tri-service personnel and their families and civilians.
- ii. The University Dental Centre also send Army patients to Dental Centre at Narahenpita Military Hospital for Orthodontic Treatments.
- iii. The University Dental Centre also send Air Force patients to Dental Hospital Guwanpura for Orthodontic Treatments.

iv. The University Dental Centre also sends Navy patients to Navy Hospital, Colombo for Orthodontic Treatments.

v. Other routine work is carried out.

e. Treatments

The Details of Treatments carried out up to 31st December 2015

i. Officers & Officer Cadets	-	344
ii. Other Ranks	-	579
iii. Civilians	-	293
iv. Families	-	32

f. Special Duties

UDO attends monthly Dental Clinic at SLAF Ampara every month.

g. Improvements

Received new Dental Instruments.

h. Special Project

Screening of All Officer Cadets.

i. Forecast for 2016

- i. Replacement of dental chair & unit.
- ii. Establishment of new X-Ray room.
- iii. Acquiring of IT Facilities.
- v. Replacement of a new Air Conditioner for Dental Surgery
- vi. Requirement of RVG X-Ray unit
- vi. Requirement of Medicine & Dental items

j. Conclusion

- i. The performance of Dental Centre during the year 2015 was satisfactory.
- ii. The Dental Officer & staff were very much grateful to CDO, VC and all staff at KDU for the support extended to them during 2015.

21.6 Accounts Section

a. New Recruitment

Position	Name	Date of Duty Assumption
Assistant Bursar	Ms BLT Thusharika	21.04.2015

b. Budgetary Provision

Annual budgetary allocations of LKR 3,832,763,616.00 were initially granted for the year 2015. Summary of Budget Allocation and Grants received is given below.

Vote Particulars	Budget Allocation 2014 LKR	Amount released up to 31.12.2014	Shortage of Recommended Funds to be received LKR
Recurrent-102-02-9-1-1503	982,763,616.00	980,772,923.00	1,990,693.00
Capital-102-02-9-1-2201	250,000,000.00	536,750,000.00	13,250,000.00
For interest payment of University Hospital KDU	2,300,000,000.00	1,540,967,795.00	-
Total	3,832,763,616.00	3,058,490,718.00	15,240,693.00

c. Financial Statements

Financial Statements were prepared and presented for the year 2014. Financial Statements for first three quarters for the year 2015 were prepared.

d. Welfare Activities

Following Welfare Activities were performed during the year 2015.

i. Loans amounting to LKR 3,608,111.00 were granted to 41 employees at a lower interest rate of 7.5% p.a. from self generating income. Recovery details of the granted loans are given below.

Capital recovered - LKR 3,479,338.00

Interest earned - LKR 869,728.08

ii. Gift vouchers worth LKR 5,500/- & 5,000/- were distributed among KDU staff including military staff in April and December 2015 respectively. The details of the distribution are as follows.

Period	Cost incurred (LKR)	Number of staff	Benefit earned by the staff (LKR)
April	7,410,000.00	1482	8,151,000.00
December	7,980,700.00	1754	8,770,000.00
Total			16,921,000.00

iii. Welfare activities such as celebration of New Year festival, Annual Staff Get-together, Annual Trip, Sgt Mess Get-together and Officer Mess Get-together etc. were conducted with sponsorships.

e. Advance Payment to the KDU Staff

Advances for employees granted from budgetary allocations during the year are as follows.

Advance Type	Amount LKR	No. of Staff
Distress Loan	12,246,671.96	126
Festival Advance	4,500,000.00	450
Special Advance	1,024,000.00	256
Total	17,770,671.96	832

21.7 New Projects & Constructions

Proposed FGS Building

The most recently accomplished target was the completion of the seven-storied Faculty of Graduate Studies (FGS) building in a land adjacent to the main Campus acquired for the purpose. The faculty building was declared open on 4th August 2015 by His Excellency the President Maithripala Sirisena. This seven-storied building is one of the largest Graduate Studies Faculty buildings in Sri Lanka, and it consists of many modern facilities, i.e. a modern auditorium, 10 modern class rooms and examination halls which could cater to 300 students at once, modern computer laboratories, three suites for foreign and local academics etc. A unique feature in the building is the tallest wall climbing sport facility in Sri Lanka which is 54 feet in height.

The construction work was completed by CECB in July 2015. The construction cost and part of furniture requirements were financed by a Term Loan Facilities obtained from the Bank of Ceylon for LKR 750 million. The tenure of the loan is 144 months commencing from 07th October 2013 at AWPLR + 2% interest rate p.a. The loan repayment will be done using Self- Generated Funds.

Southern Campus

The establishment of the Southern Campus at Suriyawewa is a major achievement of KDU. Accordingly, the academic activities of the Campus in the two faculties, i.e. the Faculty of Computing and the Faculty of Built Environment and Spatial Sciences commenced in February 2015, and the Campus was officially inaugurated by His Excellency the President Maithreepala Sirisena in May 2015. The phase II of the Project is currently in progress and it is expected to be completed by 2016. Total Cost for the establishment incurred as at 31.12.2015 is LKR 850 million.

Teaching Hospital – KDU

The construction of the eco-friendly 704 bed University Hospital at Werahera is well on course and is set to be completed in mid -2016. The 50 roomed budget hotel to cater for the relatives of the patients admitted to the university hospital was inaugurated earlier this year. Apart from these, the new Officer Cadet accommodation block with a Cadet Mess at Werahera, which provides accommodation for 180 male cadets and 120 female cadets, was completed in November 2015.

- The contractor, Poly Technologies, Inc. China agreed to construct the Teaching Hospital for USD 162 Million. Accordingly, Supplementation Contract Agreement was signed on 04.04.2013 between the contractor and KDU.
- It was decided to obtain a term loan facility of USD 201.629 million from the National Savings Bank to meet the construction cost and medical equipment cost without going for foreign funds. Accordingly, a term loan agreement was signed for the same between KDU and NSB on 09.04.2013.
- A mobilization advance of USD 24.3 million was released to the constructor to initiate the construction. Accordingly, foundation stone laying was done on 28.06.2013. As at 31.12.2015, 16th progress bill was released for the contraction of buildings. The total released amount was USD 70,635,310.25 as at 31.12.2015.

Six-Storied accommodation building complex for Officer Cadets and Day Scholars, and accommodation for staff of General Sir John Kotelawala Defence University

Most of the local and foreign fee levying students are seeking in house accommodation facilities and the available facilities of KDU are insufficient to cater to the requirement. Providing in house accommodation facilities for students is a necessity to meet the demand and to earn additional income for KDU. Currently KDU provides married accommodation facilities for a very limited number and with the rapid expansion and growing needs of staff accommodation, the

existing facility is inadequate. Providing in house accommodation facilities to the staff greatly influences all development plans of KDU such as attracting local and foreign scholars on visiting basis, hosting intellectuals to deliver lectures and carrying out other academic work while living on the premises. Accordingly, it was decided to construct accommodation buildings to cater to this requirement.

Total estimated cost to construct a building complex for providing accommodation facilities to students and staff is LKR 460 million. The construction cost will be financed through Sampath Bank which is serviced from Self Generating Income. The piling work has been completed for both building complexes and construction activities of student accommodation building have already commenced.

Other Investment

- A 20 perch land was acquired for LKR 104 million surrounding the university by using Self - Generated Funds during the year.
- The daily cash balances in Current Accounts are invested in REPO and a total of LKR 8,835,120.64 was earned as interest income by 31.12.2015.

21.8 Projects

Construction of Faculty of Medicine for General Sir John Kotelawala Defence University

Estimated cost

The total estimated civil cost (without labour) for the construction of Faculty of Medicine is 1477 million LKR. The cost can be divided into sub components as follows;

Soil investigation	Rs.	500,000.00
Construction of pile foundation	Rs.	120,000,000.00
Construction of administration building (block 03)	Rs.	331,500,000.00
Construction of laboratory complex (block 02)	Rs.	429,000,000.00
Construction of auditorium (block 01)	Rs.	588,000,000.00
Car park, roads and landscaping	Rs.	8,000,000.00
Total Project	Rs.	1,477,000,000.00

Progress of the work

Construction of auditorium (block 01)

The total estimated cost for the construction of administration building is 588 million rupees. Pile caps, foundation and part of ground floor slab, part of seating area, 1st floor slab, 2nd floor slab, and the 3rd floor slab were completed & the

work of the ground floor & 1st floor block was started. The building will be completed by 2016 depending on the availability of funds.

Car park, roads and landscaping

Car park and the road adjacent to the block 01 are to be completed after the construction of the auditorium.

Summary of physical progress

3.1 Medical faculty

Soil investigation	Completed
Construction of pile foundation	Completed
Construction of administration building (block 03)	Completed
Construction of laboratory complex (block 02)	Completed
Construction of auditorium (block 01)	40% Completed
Car park, roads and landscaping	45% Completed
Total Project	73% Completed

University Hospital – Outline of the Project

In order to implement Military Health Policy, General Sir John Kotelawala Defence University has commenced a degree program in medicine to cater to the Ministry of Defence to produce MBBS graduates. At present, these medical students undergo clinical training at National and Sri Jayawardenepura hospitals as a temporary measure. Hence, in order to start their professorial clinical training, there is a great need to establish a clinical training facility for FOM/KDU for its cadets to undergo quality clinical training. Considering the importance of the requirement of a teaching hospital for KDU, the Standing Cabinet Appointed Review Committee (SCARC) approval was granted to establish the University Hospital of the KDU. Accordingly, the tender was awarded to M/s Poly Technologies for \$ 201,629,000.00 (approximately USD202 million). The funding is obtained as a loan from National Savings Bank (NSB) and the constructions commenced at Werahera.

The University hospital consists of 704 beds and there is a total facility with an ultra-modern hospital. All the supportive facilities and accommodation for military medical students and all the grades of staff members. The facilities of the hospital are packaged as follows.

Package 1 – Main Hospital Building

The main U shaped building complex with 3 floors for administration, A & E, out- patient clinics, operation theatres, CSSD, and ICUs and a 9 storied building for the wards. This also consists of 50 VIP rooms and 4 luxury suites for VVIPs. The total area of the building complex is 73,770m².

Package 3 – Ancillary Buildings

Faculty of Allied Health Science : 05 storied building of 4,774m² area consists of a modern gymnasium, lecture halls, laboratories and a library.

Patient's Relatives' Accommodation : 04 storied building has 50 rooms for relative accommodation. The total area of the building is 1,744m².

Cadet Officers' Accommodation and Mess : A large building complex with four towers. This has the facility to provide accommodation for 300 Officer Cadets. The mess has a seating capacity for 200 Officer Cadets at a given time. The total area for the cadet officer's mess and accommodation is 4,909m².

Mortuary and Forensic Medicine

Package 4 – Service Buildings

Sub Station and Bin Centre
Medical Incinerator
Sewer and Chemical Treatment Plant
Loading / Unloading Bay
Loading / Unloading Control
Power House and Pump Room

Package 5 – External Works

Package 6 – Accommodation and Mess Building – The total area of accommodation and mess buildings is 24,466m².

WO's SGT Mess – This includes seating capacity for 300 people, a fully equipped kitchen, bar and leisure areas.

OR's Married Quarters – 40 apartments with two bed rooms, living area and a kitchen.

OR's accommodation (Dorm) – Single room accommodation for 500 males and 500 females.

OR's mess and kitchen – This includes seating capacity for 400 people, a fully fledge kitchen, bar and leisure areas.

Officer's Married Quarters (Below Major) – 40 married quarters with two bed rooms, living area and a kitchen.

Officer's Married Quarters (Major and above) – 40 married quarters with three bed rooms, living area and a kitchen.

Officer's Accommodation (Below Major) – 100 single quarters with common toilet facility at each floor.

Officer's Accommodation (Major and above) – 50 single quarters with twin sharing toilet facility and 25 single quarters with en suite toilet facility.

Officer's Mess – This includes seating capacity for 250 officers, a fully equipped kitchen, bar and leisure areas.

f. Package 9 – Medical Equipment.

g. Package 10– Hospital Furniture

h. Package 11 – Site Survey, Subsoil investigation and Designing.

CONTRACT AGREEMENT / DOCUMENTS

The contract agreement was signed on 08th Oct 2012 and later supplementary contract agreement was signed on 04th April 2013. The following documents shall constitute the contract between the employer (KDU) and the contractor (POLY);

- a. Contract Agreement
- b. Condition of contract
- c. Technical Specification
- d. Price List (BOQ)
- e. Amendments (any contract documents agreed by both parties)

TAX EXEMPTION

The project is exempted on payment of taxes.

CONTRACT DURATION

The foundation stone was laid by the former Secretary, Ministry of Defence on 28th June 2013, and the project commencement date was on 28th July 2013 as agreed upon by KDU and POLY. The project duration was two years from the commencement date and it was delayed due to various issues with the contractor and then the Designer. The duration was extended to 31st December 2015 by signing an addendum between POLY and KDU. The contract duration was further extended to 30th April 2016 by signing an agreement between POLY and KDU.

PROGRESS OF CONSTRUCTION WORKS

The progress of the construction of the Hospital Building and Ancillary Buildings are as follows.

S/ No	Type of Building	Package	No of Floors	Construction Area (Sqm)	Structure Completed Area Sqm)	Finishing Completed Area (Sqm)
01	Hospital Main Building	1	GF+9	76116.15	76116.15	2%

The financial statements are to be read in conjunction with the related notes, which form an integral part of these financial statements of the University.					

GENERAL SIR JOHN KOTELAWALA DEFENCE KDU SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS

1. Significant Accounting Policies

1.1 General Policies

1.1.1 Reporting Entity

General Sir John Kotelawala Defence University (herein after referred as KDU) was incorporated by the Act of Parliament No.68 of 1981, and it is situated at Kandawala Estate, Ratmalana, Sri Lanka.

The University Hospital-KDU is operated and shown under the university until it is established as a separate legal entity.

1.1.2 Financial Year

The financial year is 1st January to 31st December each year.

1.1.3 Basis of Preparation

a. Statement of Compliance.

The financial statements comprise the Statement of Financial Position, Statement of Comprehensive Income, Statement of Changes in Funds and Reserves, Statement of Cash Flows and notes to the financial statements. These statements have been prepared in accordance with the Sri Lanka Public Sector Accounting Standards (SLPSASs).

b. Basis of Measurement.

The financial statements have been prepared on historical cost basis except where appropriate disclosures are made with regard to fair value under relevant notes.

c. Comparative Information.

Comparative information including quantitative, narrative and descriptive information is disclosed in respect of the previous period for all amounts reported in the financial statements in order to enhance the understanding of the financial statements of the current period and to improve the inter-period comparability.

The accounting policies set out below have been applied consistently to all period presented in these financial statements, unless otherwise indicated.

During the reporting period comparative figures were restated incorporating the income, expenses, assets and liabilities relevant to previous year. The effects of the restatement are stated bellow.

GENERAL SIR JOHN KOTELAWALA DEFENCE KDU
SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS

Effect On 2014
Rs

Increase In Revenue	2,391,172/-
Increase In Expenses	380,215,043/-
Decrease In Accumulated Surplus	377,823,871/-
Increase In Capital Reserves	4,088/-
Decrease In Capital Grants	1,186,911/-
Increase In Current Liabilities	416,244,359/-
Decrease In Non-Current Assets	1,643,005,762/-
Increase In Non-Current Liabilities	353,266,074/-
Increase In Current Assets	2,033,509,502/-

d. Functional and Presentation Currency.

The financial statements are presented in Sri Lankan Rupees, which is the functional and presentation currency of KDU.

e. Use of Key Estimates and Critical Judgments.

The preparation of financial statements in conformity with SLPSASs requires management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimated assumptions are based on historical experience and various factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments. Actual results may differ from estimates.

The estimates & underline assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

1.2 Assets and the bases of their valuation

1.2.1 Property Plant & Equipment

a. Recognition and Measurement

Items of property plant & equipment are stated at cost less accumulated depreciation and impairment losses.

All items of property plant & equipment are initially recorded at cost less accumulated depreciation and any impairment losses. Significant component of an asset are identified and depreciated separately. When significant parts of property plant & equipment are required to be replaced at intervals; the entity derecognizes the replaced part and recognizes the new part with its own associated useful life and depreciation. All other repair and maintenance costs are recognized in the “Statement of Comprehensive Income” as incurred.

GENERAL SIR JOHN KOTELAWALA DEFENCE KDU
SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS

b. Cost

The cost of property plant & equipment comprises its purchase price and any directly attributable cost of bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

All expenditure incurred in the acquisition, or improvement of assets of a permanent nature in order to carry on or increase the learning capacity of KDU has been treated as capital expenditure.

c. Depreciation

Depreciation is charged to the Statement of Comprehensive Income on the straight line basis at the following rates per annum in order to write off the cost of such assets over their estimated useful lives.

<u>Assets Category</u>	<u>Rate (%)</u>	<u>Assets Category</u>	<u>Rate (%)</u>
Swimming Pool	2.5	Electrical Power Line	10
Building	2.5	Stores & Barracks	10
Sports Complex	2.5	BhodiPrakaraya	2.5
Boundary Wall	2.5	Telephone Exchange	10
Vehicles	20	Accounts Package	25
Furniture & Fittings	10	Equipments	10
Library Books	10	Lift	10
Engineering Software	25	Combat Apparent	10
Lab Equipment	10	Power Equipment	10
Computers	25	Movable Stage	10
Plant & Machinery	10	Computer Network Systems	10
Research Lab	5	Telephone Network Systems	10
Wing Tunnel	4		

Depreciation has been provided from the date an item of property, plant and equipment is available for use.

d. De-recognition

All items of property plant & equipment are derecognized upon disposal or when no future economic benefits are expected from its use. Any gain or loss on de-recognition of the assets is included in the "Statement of Comprehensive Income" in the year the assets is derecognized.

1.2.2 Work in Progress

Capital work in progress is stated at cost. There are expenses of a capital nature directly incurred in the construction of building awaiting capitalization. Capital work in progress would be transferred to the relevant assets category in property, plant & equipment when it is available for use i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by KDU. Capital work in progress is stated at cost, less any accumulated impairment losses.

**GENERAL SIR JOHN KOTELAWALA DEFENCE KDU
SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS**

1.2.3 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following the initial recognition, where the cost model is applied, assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Gains and losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the “Statement of Comprehensive Income” when the assets are de-recognized.

All the intangible assets are amortized over the period of four years.

1.2.4 Inventories

Inventories are stated at the lower cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and selling expenses. The cost of inventories is based on the first in first out method. The cost includes expenditure incurred in acquiring the inventories and bringing them to their existing location and condition.

1.2.5 Other Assets

Valuable assets in the Sir John Kotelawala Memorial Museum were identified as curios and categorized as other assets. Depreciation had not been provided for these assets.

1.2.6 Receivables

Receivables are recognized and carried at original invoice amount less any allowance for any uncollectible amounts. Point five percent (0.5%) of the debtors is made for doubtful debts.

1.2.7 Cash & Cash equivalent

Cash and cash equivalents comprise cash in hand and deposits at the bank and for the purpose of the statement of cash flows, which has been prepared using ‘indirect method’.

1.3 Liabilities & Provisions

Liabilities classified as current liabilities on the statement of financial position are those which fall due for payment on demand or within one year from the reporting date. Non-current liabilities are those balances that fall due for payment after one year from the reporting date.

All known liabilities have been accounted for in preparing these financial statements. Provisions and liabilities are recognized when the KDU has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation.

GENERAL SIR JOHN KOTELAWALA DEFENCE KDU
SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS

1.3.1 Long Term Borrowings

The details of the long term borrowings outstanding as at 31.12.2015 are stated below.

a) Long Term Loans

Loan	Facility Amount	Loan Amount Disbursed As At 31.12.2015	Loan Amount Outstanding As At 31.12.2015	Capital Repayment Period
Sargent Mess Loan	85,000,000/=	85,000,000/=	62,792,500/=	15 years Feb 2012-January 2027
FGS Loan	750,000,000/=	504,680,493/=	504,680,493/=	12 years March 2016-February 2028
University Hospital-KDU USD Loan	USD 177,329,000	USD 104,429,728.56	USD 104,429,728.56	5 years September 2013- September 2018
University Hospital-KDU LKR Loan	3,165,821,000/=	3,165,821,000/=	3,165,821,000/=	19 years(Including grace period) July 2018-June 2032

NOTE

KDU is planning to obtain a bank loan facility amounting to LKR 460,000,000/- for the construction of “Student Accommodation Building and Apartments for Staff”

b) Lease Liability

Lease	Facility Amount	Rentals Paid Up To 31.12.2015	Lease Amount Outstanding As At 31.12.2014	Capital Repayment Period

GENERAL SIR JOHN KOTELAWALA DEFENCE KDU
SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS

1.3.2 Contingent Liabilities and Contingent Assets

Contingent liabilities are possible obligations whose existence will be confirmed only by uncertain future events or present obligations where the transfer of economic benefit is not probable or cannot be reliably measured. Contingent liabilities are not recognized in the Consolidated Statement of Financial Position but are disclosed unless they are remote.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. Contingent assets are disclosed, where inflow of economic benefit is probable.

There were no contingent liabilities or contingent assets that require disclosures in these financial statements as at the balance sheet date.

1.3.3 Employee Benefits

a. Provision for Retiring Gratuity

Provision has been made for the retiring gratuity payable from the initial year of service to all civil employees in conformity with Gratuity Act No. 12 of 1983. The liability to an employee arises only on completion of five years of continued service. A half a month salary has been set apart as provision for gratuity for each year of service of civil employees.

The budgetary allocation is provided only for the expenditure of Gratuity Payment and allocation had not been provided for the investment. The investment is not made for Retirement Benefit since there is no risk as the government contribution is received for the payment of gratuity.

b. Defined Contribution Plans

A defined contribution plan is a post-employment plan under which an entity pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay a further amount. Obligations for contributions to defined contribution plan are recognized as an expense in the statement of comprehensive income as and when they are due.

c. Employees' Provident Fund

KDU and employees, contribute 15% and 10% respectively, on the remuneration of each employee to the approved provident fund.

d. Employees' Trust Fund.

KDU contributes 3% on the salary of each employee to the Employees' Trust Fund.

1.3.4 Trade and Other Payables

Trade and other payables are stated at cost.

GENERAL SIR JOHN KOTELAWALA DEFENCE KDU
SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS

1.4 Statement of Comprehensive Income

1.4.1. Revenue Recognition

a. Government Grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

I - Recurrent Grants

All receipts of recurrent grant are treated as revenue income and credited to the Income Statement for the year.

Recurrent grant amounting to Rs.980, 772,923/- was granted in the year 2015 out of the total recurrent budgetary allocation of LKR 982,763,616/-

II - Capital Grants

All capital grants received for acquiring of property, plant and equipment are recognized as differed income and credited to Government Grant Capital Account which is shown under owner's equity in the Statement of Financial Position. Deferred income is recognized in the Statement of Comprehensive Income on a systematic basis over the useful life of the asset.

Capital grant amounting to Rs.536, 750,000/- was granted to KDU in the year 2015 out of the total capital budgetary allocation of LKR 550,000,000/-.

Further, out of the total capital budgetary allocation of LKR 2,300,000,000/-, only Rs.1, 540,967,347/- was granted to University Hospital-KDU for the interest payment during the year 2015. The reason for granting lower amount of capital grant is the decrease in the interest cost due to the reducing interest rates and the lower disbursement of loan amounts compared to the loan disbursements planned.

III - Other Grants

Any other grant received by Government in the form of a transfer of resources to the KDU that takes to the financial statements, if reasonably have a value placed.

Grants received from "Special Development Initiatives Fund" and "Telecommunication Regulatory Commission" for establishment of Southern Campus at Sooriyawewa are classified as Other Grants and LKR 250,000,000/- was granted in the year 2015 from "Telecommunication Regulatory Commission".

b. Student Course Fees

Student Course Fees are recognized as revenue base on the duration of conduct the course during the financial year.

GENERAL SIR JOHN KOTELAWALA DEFENCE KDU

SIGNIFICANT ACCOUNTING POLICIES TO THE FINANCIAL STATEMENTS

c. Interest Income

Interest income on fixed deposits is recognized on accrual basis. Interest income on REPOs is recognized on maturity since they are invested for a short period of one to seven days.

1.4.2 Expenditure

a. Expenses are recognized in the statement of comprehensive income on the basis of direct association between the cost incurred and the earning of specific items of income. All expenditure incurred in the running of KDU and in maintaining the capital assets in efficiency has been charged against revenue in arriving at the deficit for the year.

b. Expenditure on examinations, seminars, courses and other educational activities are recognized in the “Statement of Comprehensive income” on the accruals basis.

c. All expenses incurred in respect of graduate education have been treated as recurrent expenditure.

d. Since the budgetary allocation for the salaries, ration and other allowances for service cadets is provided by Sri Lanka Army, the same allocation is not provided to KDU to reimburse those expenses to Sri Lanka Army. Therefore, they were not recognized as expenditure in the Financial Statements for the year 2015

e. Transactions denominated in foreign currencies are recorded at the exchange rate ruling at the date of transaction. Bank balances in foreign currencies are converted at the rate of exchange ruling at the balance Sheet Date. All differences are taken to the Income and Expenditure Account.

f. Borrowing costs are recognized as an expense in the period in which they are incurred except to the extent where borrowing costs that are directly attributable to the construction of qualified assets takes a substantial period of time to get ready for use, are capitalized as part of that assets.

g. Interest on finance lease liability is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

1.5 Statement of Cash Flows

The statement of cash flow has been prepared using the indirect method.

Interest income received is classified as cash flows from investing activities.

1.6 Events After the Reporting Period

The material events occurred after the reporting period have been considered and appropriate adjustments, wherever necessary, have been made in the accounts.

22. AUDIT REPLY

2.2.1	Sri Lanka Public Sector Accounting Standards	
	The following observations are made:	
(a)	Though as per the format of No. 1 of the Sri Lanka Public Sector Accounting Standards, a statement that depicts all the changes in net assets/equity has to be prepared and presented, it had not been followed.	As per the format of No. 1 of the Sri Lanka Public Sector Accounting Standards, the statement on the changes in net assets/ equity has been presented with the draft financial statement and the amendments to the accounts balance presented on 31 December 2014 has been presented as separate account notes. However, steps will be taken to depict the relevant amendments in the statement on changes in net assets/ equity and presented in the final accounts.
(b)	As per No. 8 of the Public Accounting Standards, though an entity should reveal a brief description of the nature of contingent assets as at the reporting date when there is a potential for inflow of economic benefits or service capacity to the institute, details about the law suits filled on the bonds of Rs. 2,850,000 that is receivable from 8 students who are expelled from the university due to disciplinary actions has not been disclosed in the financial statements.	The relevant details have already presented under notes no. 05.03 of draft financial statements.
(c)	As per No. 8 of the Public Accounting Standards, though a brief description of the nature of contingent liabilities of every class of contingent liabilities of the entity has to be disclosed, the details of the law suit No. 460/2000 at the Mt. Lavinia District Courts against the University which is pending from 2000, have not been disclosed in the financial accounts.	As per No. 8 of the Public Accounting Standards contingent liabilities have to be realised only if there is a possibility to have liabilities in future. However, the liability of this litigation is not disclosed in the financial statements as possibility for such liability does not arise when the background of the law suit is examined.

(d)	As per No. 8 of the Public Accounting Standards, though it is mentioned that අයහර relevant to the reporting period has to be realised, it was observed that entering Rs. 630,513,610 as the amount for the future period of the course fee as current liabilities was against Accounting concepts and the above Accounting standard.	Rs. 630,513,610 that has been depicted as preceding income has to be corrected as Rs. 589,876,511. Action has been taken to enter the course fees in the final financial statements as per No. 10 of the Sri Lanka Public Sector Accounting Standards.									
2.2.2	Not disclosing the transactions with the Affiliated Parties.										
	The course fee of Rs. 7,425,500 receivables from Sri Lanka Army for the training courses has not been disclosed in the final accounts.	The course fee receivables are depicted in financial statements as receivables for each academic year. The receivables from the members of the Army for the courses in the Department of Post-graduate has been indicated under 5.02 of the notes. Therefore, cannot agree with the statement that the receivable course fees were not disclosed in the final accounts.									
2.2.3	Accounting Deficiencies										
(a)	The following observations are made: Though the following buildings have been constructed and used by 31st of December 2015, it had been depicted under work-in-progress instead of entering as fixed assets in the final accounts. <u>Category of asset value</u> <u>(US Dollars) Rs.</u> <table> <tr> <td>Hotel Premises</td><td>1,523,266</td><td>219,350,304</td></tr> <tr> <td>Para-medical Faculty Building</td><td>4,643,671</td><td>668,688,624</td></tr> <tr> <td>Cadet Officers' Restaurant</td><td>3,659,245</td><td>526,931,280</td></tr> </table>	Hotel Premises	1,523,266	219,350,304	Para-medical Faculty Building	4,643,671	668,688,624	Cadet Officers' Restaurant	3,659,245	526,931,280	The value of the BOQs given at first to construct the University hospital had been USD 202 million and it was subsequently agreed to be completed for USD 162 million. The values were prepared on rate basis only to facilitate the payment of bills for each building and it cannot be considered as the cost estimate for each building. Therefore, building cost has not been capitalized by based on that value and The Department of Assessors had been requested the assistance for assessing the relevant buildings. However, since there was no response from the said Department it has been classified under the work –in progress. However, as the project completes in the coming months, actions can be taken to assess at once all the assets in the University Hospital by the Department or
Hotel Premises	1,523,266	219,350,304									
Para-medical Faculty Building	4,643,671	668,688,624									
Cadet Officers' Restaurant	3,659,245	526,931,280									

(b)	Though there is a credit balance of Rs. 91,541,971 in the Self-Control Fund of the University Hospital and a credit balance of Rs. 3,814,424 in a Control Account in the name of the University as at 31st of December 2015 these control account balances are not depicted in the final accounts.	other assessor and update the fixed assets registry accordingly. This will be disclosed as a sub-note under No. 10.05 of the account entries of the final financial statements. The amount of credit balance of Rs. 91,541,971 in Self-Control Fund of the University Hospital has to be corrected as Rs. 91,547,971 and as control balances are set off in financial accounts those balances are not depicted in financial accounts. However, a note on control accounts has been included in Notes No. 33 of the final Financial Statements as decided at the Auditor General's Department. At the commencement of the Self- Financed Fund the income and expenditure sources to be expended from such account has been identified and accordingly the receivables for the violation of contracts and bonds has been deposited to the self-control account. The approval of the Management Board has been obtained for this purpose. The Self-Financed Account provides financial assistance to the activities of the University and it does not seen as wrongful.
(c)	Rs. 5,403,462 receivables to the University for the violation of contracts and bonds has been deposited to the self-control accounts instead of university income.	
(d)	Though a balance of Rs. 9,086,453,869 has been included under the work in progress of the University Hospital at the commencement of the year in the final accounts as at 31st of December 2015, it has been depicted as Rs. 10,726,232,777 in the final accounts of the last year. There is a shortage of Rs.1,639,778,908.	Rs. 3,167,544,597 being the value of the advance amount paid to the Poly Technologies Company has been included in the balance of work in progress of Rs. 10,726,232,777 that was depicted in the final financial statements as at 31st of December 2014 and it has been shown in the amendment

(e)	According to the information given as per Clause 1.1.3. (c) of the Financial Statements for 2015, the following matters were observed at the adjustments made on the following day of balance sheet for 2014. (i) <u>Non-current Assets</u> It was observed that though the non-current assets as at 31st of December 2014 should be Rs. 13,795,184,080 the financial statements have included Rs. 1,639,778,909 less as the starting balance had been Rs. 12,155,455,171. (ii) <u>Current Assets</u> It was observed that though the current assets as at 31st of	of 31st of December 2014 in the draft financial statement as at 31st of December 2015. Further, Rs. 1,527,765,688 being the value deducted from the performance bill as at 31st of December 2014 had not been adjusted to the incomplete work and the said value has also been shown in the amendment of 31st of December 2014 in the draft financial statement as at 31st of December 2015. Accordingly, the amended balance as at 31st of December 2014 is as follows: <u>Value (Rs)</u> Balance before amendment as at 31.12.2014 10,726,232,777 Less: Advances debited to the incomplete work (කොන්සිඩරේෂන්) balance (3,167,544,597) Add: Performance bills payable for the set off from the advance amount Value <u>1,527,765,688</u> Balance as at 01.01.2015 <u>9,086,453,869</u> There are only note errors at the following three instances and there is no change in the initial balances in the financial statements. Rs. 12,155,455,171 being the starting balance of the non-current assets in the year 2015 is the correct balance. Accordingly, the decrease of non-current assets as per 1.1.3 (c) of Financial Statements has to be amended as Rs. 1, 642,328,621. Therefore, the starting balance of the non-
-----	---	---

(f)	December 2014 should be Rs. 3,951,010,435 the financial statements have included Rs. 2,021,720,331 more as the starting balance had been Rs. 5,972,730,766. (iii) <u>Current Liabilities</u> It was observed that though the current liabilities as at 31st of December 2014 should be Rs. 1,283,900,438 the financial statements have included Rs. 381,941,423 more as the starting balance had been Rs. 1,665,841,861. It was observed that the financial status is not correctly expressed as the value of land where the Sothern Campus was situated was not assessed and included in the financial statements as at 31st of December 2015.	current assets has not been depicted Rs. 1, 639,778,909 less. Rs. 5,972,730,766 being the starting balance of the current assets in the year 2015 is the correct balance. Accordingly, the increase of current assets as per 1.1.3 (c) of Financial Statements has to be amended as Rs. 2,035,333,989. Therefore, the starting balance of the current assets has not been depicted Rs. 2,021,720,331 more. Rs. 1, 665,841,861being the starting balance of the current liabilities in the year 2015 is the correct balance. Accordingly, the increase of current liabilities as per 1.1.3 (c) of Financial Statements has to be amended as Rs. 417,169,235. Therefore, the starting balance of the current liabilities has not been depicted Rs. 381,941,423 more. Assessing each project and their parts separately when they are completed at different times is not practical and increases the cost. Further, such assessment cannot be accepted as per the Accounting standards. Therefore, steps will be taken to assess all the assets of the University, Southern Campus and the University Hospital once the University Hospital project is completed in the near future.
2.2.4	Showing a decrease and increase in accounts	

	Though a cost of Rs. 7,533,533 has been incurred to purchase furniture for the hotel premises in the year 2015 and that amount has been stated as Rs. 6,637,320 in the financial statements as at 31 st of December 2015. The final account records Rs. 896,213 less of that value.	Though the expenditure for the furniture purchased for the hotel premises in the year 2015 had been Rs. 7,533,533 it should be Rs. 7,533,033 and accordingly the difference of Rs. 6,637,320 entered in the financial statements should be Rs. 895,713. This value is entered under the furniture and installations of the University Hospital and that value has been transferred to furniture and installations of the hotel premises and depicted in the final financial statements.
2.2.5	Accounts Receivable and Payable	

(a)	The following income receivable in the years 2013 and 2014 had not been recovered until the end of 2015. <u>Year Income Source Value</u> Rs. <table> <tr> <td>2014</td><td>Official Quarters Income</td><td>13,887</td></tr> <tr> <td>2014</td><td>Computer Course charges</td><td>12,500</td></tr> <tr> <td>2014</td><td>Symposium Account</td><td>7,406</td></tr> <tr> <td>2014</td><td>MBBS Foreign receivables</td><td>1,124,338</td></tr> <tr> <td>2014</td><td>Laundry Receivables</td><td>888,840</td></tr> <tr> <td>2013</td><td>CTC Advances</td><td>18,812</td></tr> <tr> <td>2013</td><td>MSTCourse fees</td><td>429,800</td></tr> <tr> <td>2013</td><td>Cadet Fund</td><td>160,768</td></tr> </table>	2014	Official Quarters Income	13,887	2014	Computer Course charges	12,500	2014	Symposium Account	7,406	2014	MBBS Foreign receivables	1,124,338	2014	Laundry Receivables	888,840	2013	CTC Advances	18,812	2013	MSTCourse fees	429,800	2013	Cadet Fund	160,768	Official residence income, MBBS foreign receivables and laundry receivables have been adjusted in the final financial statements and action will be taken in future to acquire other receivables in future.
2014	Official Quarters Income	13,887																								
2014	Computer Course charges	12,500																								
2014	Symposium Account	7,406																								
2014	MBBS Foreign receivables	1,124,338																								
2014	Laundry Receivables	888,840																								
2013	CTC Advances	18,812																								
2013	MSTCourse fees	429,800																								
2013	Cadet Fund	160,768																								
(b)	The following amounts payable from the last year had not been settled until 31st of December 2015. Expenditure Source Value Rs. English Course Fees 8,838 Work full expenditures (Self-control Fund) 71,326 Work full expenditures (Faculty of Post Graduate Studies) 3,950 CTC Creditors 8,250 Unpaid work full expenditures 3,950	Action had not been taken for the settlement as these payable balances are coming from a long period and there were no requests for those payments and action will be taken in future to write off such balances in future.																								
2.2.6	No evidence for audit																									
(a)	The following details were not presented for audit. Details of the cadet officers who had left the university courses																									

(b)	Details of students recruited on pay-levying basis.	
(c)	Details of constructions requested by the letter dated 18 December 2015.	
(d)	Details of vehicles removed from running in the university park.	
(e)	The balance of Rs. 10,736,393 of Wing Tunnel under the work in progress of the financial statements presented as at 31 December has been included in the financial statements for 31 December 2015. No explanation in this regard is presented for auditing.	Action has been taken to realise as an asset in the final financial statements.
(f)	Answers were not provided for 11 Audit queries.	
(g)	Explanation on the control account balance of Rs. 800,000 depicted under other creditors of the self-control fund of the financial statements of 2015 and Rs. 33,043 of control account balance coming from the year 2013 had not been presented for auditing.	Action has been taken to settle in the final financial statements.
(h)	The Telecommunication Commission had provided a grant of Rs. 250,000,000 to the University in the year 2015 and the purpose of this grant and for what purpose this money was spent were not disclosed for auditing.	The Telecommunication Commission had provided a grant of Rs. 250 million to the University in the year 2015 for the construction of its Southern Campus and the said amount has been utilised for the said project. It is disclosed in the Accounts on receivables and payables and the relevant documents were presented for auditing.
2.2.7	Non-compliance with laws, rules, regulations and Management Decisions	
	The following non-compliances were observed. <u>Non-compliance with laws, rules and regulations</u> <u>Reference</u>	

	Procurement Guidelines 2006 Bids received late after the time mentioned in the bidding documents should not be entertained and such bids should be returned without opening them. However, a late bid relevant to a purchase of Rs. 6,859,913 has been accepted.	accordingly, action will be taken in future to assess all the assets and prepare a fixed assets registry.
2.2.8	Transactions not supported by adequate authority	
	The letter dated 03rd of October 2014 of the Director General of the Department of Government Budget addressed to the Secretary of the Ministry of Defense and urban Development has mentioned that as per Article 149 of the Constitution all the charged amounts should be deposited to the Consolidated Fund. However, the University has given gift vouchers worth Rs. 8,314,147 as employee incentives in the year under review out of the money earned as course fees and in the years 2013 and 2014 amounts of Rs. 12,400,000 and Rs. 5,102,501 respectively had been paid.	The General Sir John Kotalawala Defense University has been established by the Act No. 68 of 1981 of the General Sir John Kotalawala Defense Academy and as per paragraph 2 (2) thereof it is an incorporated entity. Employee incentives have been made as per the decision of the Cabinet of Ministers and Circular No. MSD/5/2014 issued by the Department of Management Services of the Treasury on 21st of November 2014 and the income from the self-finance generating means has been used for the said purpose. Incentives have been paid according to the Treasury Circular as the University is an incorporated institute. As per the Corporate Plan of the University, though budgetary allocations were requested for the essential projects, adequate funds were not received and the it was difficult for the Treasury to provide adequate funds the Cabinet of Ministers decided to implement those projects with the self-financed funds. Accordingly, projects were implemented by obtaining bank loans as per the decisions of the Cabinet of Ministers and settlement of loans was done from the self-financed funds. As such, self-financed funds are maintained to implement the relevant projects, welfare activates and other administrative activates as per the approval of the Management Board. Every University maintains such funds and it cannot be seen that such Universities are depositing that funds in the Consolidated Fund.

3	Financial Review																																																		
3.1	Financial Results																																																		
(a)	According to the presented financial statements the financial outcome for the year ended as at 31 st of December 2015 was a deficit of Rs. 699,896,492 and contrary to that the deficit of the past year was Rs. 125,404,924. Compared to the past year, a decline of Rs. 574,491,568 was observed in the financial outcome of the year under review. It was a decline of 458% with compared to the past year and it was observed that increase in the currency loss and operational cost were reasons for it.	Though the University showed a deficit in the overall financial outcome in the year ended as at 31 st of December 2015, the University has showed a surplus of Rs. 330 million before the loss of Rs. 1,030,529,822 was adjusted because of the changes in currency rate. As such, it is shown that the University has not recorded any operational loss.																																																	
(b)	The value adding of the institute for the preceding 5 years is as follows: <table><tr><td>2015</td><td>2014</td><td>2013</td><td>2012</td><td>2011</td></tr><tr><td>Operations</td><td></td><td></td><td></td><td></td></tr><tr><td>Outcome (699,896,492)</td><td>250,842,194</td><td>(23,275,352)</td><td>36,566,608</td><td>20,889,023</td></tr><tr><td>Add</td><td></td><td></td><td></td><td></td></tr><tr><td>Employee remunerations</td><td>749,895,568</td><td>459,302,073</td><td>302,778,428</td><td>207,816,997</td></tr><tr><td></td><td>179,531,229</td><td></td><td></td><td></td></tr><tr><td>Depreciations</td><td>169,129,334</td><td>105,518,397</td><td>71,795,581</td><td>43,141,664</td></tr><tr><td></td><td>26,493,836</td><td></td><td></td><td></td></tr><tr><td></td><td>219,128,410</td><td>815,662,664</td><td>351,298,657</td><td>287,525,269</td></tr><tr><td></td><td></td><td></td><td></td><td>226,914,151</td></tr></table> The value addition of the institute has been increased from 2011 to 2014 and it has decreased in 2015 from Rs. 596,534,254 compared to 2014. It is a decrease in 73.13% in comparison to the past year. it was observed that increase in the currency loss and operational cost were reasons for it.		2015	2014	2013	2012	2011	Operations					Outcome (699,896,492)	250,842,194	(23,275,352)	36,566,608	20,889,023	Add					Employee remunerations	749,895,568	459,302,073	302,778,428	207,816,997		179,531,229				Depreciations	169,129,334	105,518,397	71,795,581	43,141,664		26,493,836					219,128,410	815,662,664	351,298,657	287,525,269

				226,914,151																																															
3.2	Analytical Financial Review																																																		

(a)	<u>Long term Loan Capital Rate to Equity</u> As the equity of the University was Rs. 5,281,736,034 and the long term loan capital was Rs. 19,462,023,472, the long term loan capital showed an abnormal position of 368.48% as compared to the equity.	The construction work of the University hospital is completely done with the long term loan obtained from the NSB bank and as a result long term loan capital rate to equity and long term loan capital rate to the total capital have been increased.																																																																																																		
(b)	<u>Long Term Loan Rate to the Total Capital</u> The Long Term Loan Capital rate of the University compared to the total capital was 72.35%.																																																																																																			
(c)	<u>Benefit Rate on the Used Capital</u> In the year 2014 the Benefit Rate of the used capital was (3.3%) and it was (13.25%) in the year 2015.																																																																																																			
4	Operational Review																																																																																																			
4.1	<u>Performance</u>																																																																																																			
(a)	It was observed that the total number of students recruited for each faculty has been decreased when analysing the details on the registered students of each faculty within the last 6 years. Details are as follows: <table><tr><td>Faculty</td><td>2010</td><td>2011</td><td>2012</td><td>2013</td><td>2014</td><td>2015</td></tr><tr><td>Medical</td><td>06</td><td>25</td><td>47</td><td>40</td><td>40</td><td>44</td></tr><tr><td>Engineering</td><td>01</td><td>121</td><td>188</td><td>161</td><td>191</td><td>119</td></tr><tr><td>Law</td><td>0</td><td>71</td><td>98</td><td>120</td><td>107</td><td>75</td></tr><tr><td>Management Social Sciences and Humanities</td><td>194</td><td>126</td><td>0</td><td>0</td><td>159</td><td>158</td></tr><tr><td>Computer</td><td></td><td></td><td>0</td><td>45</td><td>60</td><td>84</td></tr><tr><td></td><td></td><td></td><td></td><td></td><td>106</td><td>36</td></tr></table>	Faculty	2010	2011	2012	2013	2014	2015	Medical	06	25	47	40	40	44	Engineering	01	121	188	161	191	119	Law	0	71	98	120	107	75	Management Social Sciences and Humanities	194	126	0	0	159	158	Computer			0	45	60	84						106	36	The correct details of the registered students in the University for the last 6 years are as in the following table. <table><tr><td>Faculty</td><td>2010</td><td>2011</td><td>2012</td><td>2013</td><td>2014</td><td>2015</td></tr><tr><td>medical</td><td>06</td><td>25</td><td>57</td><td>51</td><td>100</td><td>93</td></tr><tr><td>Engineering</td><td>01</td><td>132</td><td>197</td><td>211</td><td>215</td><td>217</td></tr><tr><td>Law</td><td>0</td><td>72</td><td>119</td><td>124</td><td>120</td><td>123</td></tr><tr><td>Management Social Sciences and Humanities</td><td>84</td><td>162</td><td>156</td><td>202</td><td>169</td><td>0</td></tr><tr><td>Computer</td><td></td><td></td><td>0</td><td>45</td><td>61</td><td>87</td></tr><tr><td></td><td></td><td></td><td></td><td></td><td>111</td><td>102</td></tr></table>	Faculty	2010	2011	2012	2013	2014	2015	medical	06	25	57	51	100	93	Engineering	01	132	197	211	215	217	Law	0	72	119	124	120	123	Management Social Sciences and Humanities	84	162	156	202	169	0	Computer			0	45	61	87						111	102

Built Environment and Special Science 00005717 Science Allied Health Sciences0020820815547 (i) when analysing above student registrations it was observed that the usability of establishing separate faculties should have been considered as the total number of recruited students for each faculty has been decreased. (ii) It was observed that the number of recruited students for 6 faculties in the year 2015 has been decreased in 25% with comparison to 2014. Details are as follows: <table><tr><th>Faculty</th><th>2014</th><th>2015</th><th>Decreased Number</th><th>Percentage</th></tr><tr><td>Engineering</td><td>191</td><td>119</td><td>72</td><td>37.69</td></tr><tr><td>Law</td><td>107</td><td>75</td><td>32</td><td>.29</td></tr><tr><td>Management Social Sciences and Humanities</td><td>194</td><td>126</td><td>68</td><td>35.05</td></tr><tr><td>Computer</td><td>106</td><td>36</td><td>70</td><td>66.03</td></tr></table>	Faculty	2014	2015	Decreased Number	Percentage	Engineering	191	119	72	37.69	Law	107	75	32	.29	Management Social Sciences and Humanities	194	126	68	35.05	Computer	106	36	70	66.03	Built Environment and Special Science 0000 6045 Science Allied Health Sciences00209210155 140 The cost incurred for the establishment of faculties can be considered as an investment as the faculties are established in the University for the creation of professionally competent officers in various fields for the triformes. However, in order to obtain more benefits action has been taken to recruit students on fee-levying basis. Accordingly, increase in the number of students for the last 6 years was observed as the following table. The correct details of the registered students for the 6 faculties of the University for the years 2014 and 2015 are as in the following table. <table><tr><th>Faculty</th><th>2014</th><th>2015</th><th>Percentage of increase/ decrease</th></tr><tr><td>Engineering</td><td>215</td><td>217</td><td>20.9</td></tr><tr><td>Law</td><td>120</td><td>123</td><td>2.5</td></tr><tr><td>Management Social Sciences and Humanities</td><td>202</td><td>169</td><td>(33)</td></tr><tr><td>Computer</td><td>111</td><td>102</td><td>(9)</td></tr><tr><td>Built Environment and Special Science</td><td>60</td><td>45</td><td>(15)</td></tr></table>	Faculty	2014	2015	Percentage of increase/ decrease	Engineering	215	217	20.9	Law	120	123	2.5	Management Social Sciences and Humanities	202	169	(33)	Computer	111	102	(9)	Built Environment and Special Science	60	45	(15)

	70.17 Built Environment and Special Science 57 17 40 Science Allied Health Sciences <u>15547 10869.67</u> Total <u>81042039048.14</u> (iii) It was observed that the number of students recruited to the Medical Faculty was only 44 in 2015 and it was around 40 students annually. It was observed that the Management had not considered the usability of the construction of a University Hospital with a loan amounting to USD 201,629,000 (Rs. 26 billion) from the NSB.	(25) Science Allied Health Sciences <u>155140(15)(9.7)</u> Total <u>863796(67)(7.8)</u> Students are recruited to the fee-levying courses only after cadet officers are recruited and depending on the available space. Accordingly, the recruited number of students in the year 2014 has been increased in the Law and Engineering faculties and there is no considerable decrease in the other faculties as well. A loan of USD 201,629,000 was obtained from the NSB for the University hospital project. Such money was invested in this project not only for the requirement of 40 students annually recruited to the Science Faculty but also after considering the following matters: • To provide for the practical training requirements of the current 196 science students and 230 Allied Health Sciences students as well as the students recruited in future. • To prevent outflow of foreign exchange from the island by retaining Sri Lankan students within the country who leave the country for medical studies and provide for the inflow of foreign exchange by recruiting foreign students into the Medical Faculty. • The modern laboratory facilities to be constructed
--	---	--

(b) (c)	(iv) The total number of the registered students at the Faculty of Built Environment and Special Science was 74 and it was revealed that the number of lecturers in that faculty is 22. It was observed that one lecturer has been assigned for each three students. The Cabinet Memorandum No. 15/0731/603/34 presented to the Cabinet of ministers on 27 May 2015 to obtain a provision of Rs. 1400 million for the capital and recurrent expenditure of the University Southern Campus had been rejected and instructions have been received to get the funds from the self-financed fund. It was observed that there is a risky situation on the sustainability of the Southern Campus as there is a deficiency of Rs. 699,896,492 on the financial situation in 2015. The total number of registered students for 6 courses in 2015 at the Southern Campus of the University was 135. During the year under review the total income was Rs. 6,324,418 and the total expenditure was Rs. 52,445,944. The deficit was around Rs. 46,121,526.	in this University Hospital will greatly benefit the research work in the medical field. • This will fulfil the medical requirements of the general public and it will contribute to save foreign exchange in the Island by performing medical tests and treatments done in foreign hospital and facilitate the inflow of foreign exchange into the country by attracting foreign patients. It is shown that the management has decided to construct the University Hospital after considering all the above matters. At present the ratio is one lecturer for 6 students and this could increase to 12 students per lecturer with the future recruitments. The recommendation of the UGC is the ration of one lecturer for 10 students. The main objective of the University is to create professional officers for the tri-forces and students are recruited on fee-levying basis only after such requirements are completed. Accordingly, action has been taken for the provisions for the Southern Campus after discussions with the Ministry of Finance. Though there is a deficit as a result of the increase in foreign exchange, there is a profit of Rs. 330,633,330 as per operational outcome. Therefore, there is no risk on the sustainability of the Southern Campus. Though the financial outcome of each section has been
-----------------------	--	--

		analysed and presented for the use of the internal management, the total operational outcome is a profit of Rs. 330,633,330.
4.2	Management Inefficiencies	
	The following observations are made:	
(a)	A loan of Rs. 26 billion has been obtained from the National Savings bank to construct the University Hospital and the construction contract had been given to a Chinese company instead of a local company. As the University has failed to include conditions on the fluctuations of foreign exchange into the contract a loss of Rs. 1,030,529,822 had to be incurred.	A foreign contractor had been selected for construction work and the contract had been awarded for USD 162 million. For international contracts USD is mostly used and Sri Lankan rupees is not used. Therefore, conditions on the fluctuations of foreign exchange cannot be included into such agreements. Loss in foreign exchange has occurred due to the depreciation in foreign exchange and the loss has increased as there was an increase in the liability in foreign exchange had increased. Therefore, it does not make any difference even if this loan had been obtained from a local bank. An assessment report was obtained before the land in audit query was purchased and the land had been purchased for an amount less than the assessed amount. The Management Board has the powers to invest and purchase assets for the University and the approval of the Management Board presided by the Secretary of the Ministry of Defense had been obtained.
(b)	The University has on 07 May 2015 purchased land of Rood 3 and 37.4 perches from the Delta Steel Mills Private company for Rs. 102,310,000. The approval of the Ministry of Defense had not been obtained for this transaction and an assessment report had not been obtained from the Department of Assessors.	
4.3	Controversial Transactions	
(a)	Centre for Advanced Research and Education (KDU- Care)	
	(i) The approval of the Management Board No 553 had been obtained	The Director of the Centre for Advanced Research and

(b)	on 29 August 2013 for the establishment of a new department as the Centre for Advanced Research and Education affiliated to the University and the approval of the Cabinet of Ministers had been obtained on 03 December 2015 by the Cabinet Memorandum No. AMP/15/0608/603/025. A cost estimate of Rs. 2 billion had been prepared for this purpose. (ii) The Faculty of Post-Graduate Studies had obtained a loan of Rs. 50 million from the Bank of Ceylon for the above research unit. A Professor had been appointed as the Director of this Unit and an estimate of Rs. 2,051 millions and Rs. 329 million had been prepared to construct a building for the establishment of this Unit within the University Hospital premises situated in Werahera and to purchase equipment respectively. (iii) Rs. 841,207 had been spent as freight charges and other expenditure to ship the research equipment's of the Director appointed to this research unit and no supervision had been done in that regard. Rs. 30,000 and Rs. 50,000 had been spent respectively per month for the maintenance of the farm and to collect data. The income generated by this Unit in 2013 and 2014 from the research done in collaboration with public and private institutions are not disclosed in the final accounts. As per the decision of the Management Board 558 dated 07 May 2014 it had been decided to establish as a company titled the Care Technology (Pvt) Ltd for the performance of the work at the above research Unit. The followings were observed in this regard:	Education (KDU- Care) had prepared the said estimate. The provisions for this were not provided by the Treasury. No such loan has been obtained from the Bank of Ceylon and no action has been taken to obtain such loan. Research equipment of huge value was donated to the University and the University had to incur only the freight charges and taxes in this regard. The University has performed a reasonable supervision and approval has been obtained from the Ministry of Defense. As there was no income generated in 2013 and 2014 from research and it could not be entered in the final accounts. No transfer of human resources, capital and public
-----	---	---

(c)	(i) Transfer of human resources, capital and public property provided to the Centre for Advanced Research and Education by the University to the above company. (ii) The Vice Chancellor and a Professor from the Medical Faculty have been appointed as Directors of the said company. (iii) The agreement between the University and the Care Technology (Pvt) Ltd includes that 40 percent of the profit would be transferred to the University only when the company's profit exceeds Rs. 10,000,000. As such the University has lost an income when the profit is less than Rs. 10,000,000. (iv) The income generated by the operation activities in the years 2014 and 2015 had not been entered into the accounts. (v) No details of the company operation activate from its establishment date has been presented for auditing. The following matters were observed on the hotel with 50 rooms constructed at the Werahera Hospital premises. (i) W.e.f 05 June 2015 the management of the said hotel had been transferred to the private company titled A M Management. (ii) According to the presented financial statements, the University had incurred an expense of Rs. 4,955,580 from July to December 2015 for the hotel. However, depreciation of assets Rs. 3,851,700 had not been entered in the final accounts.	property has taken place. As the said company has been established as a company fully owned by the University, all the income/profit are owned by the University. The Care Technology (Pvt) Ltd has not generated any profit yet. No income has been generated by the said company as there had been no operation activity. As a cadre to maintain the University Hospital Guest House has not been approved the management was transferred to a suitable company on tender procedure. Depreciation of assets mentioned in the audit query was only an amount used by the said company to calculate the profit. It is report not connected to the University. Depreciation adjustments of the equipment purchased to the Guest House has been entered in the financial statements.
-----	---	---

	(iii) According to the presented income expenditure, report the total cost of hotel operation had been Rs. 5,864,358. As there is an agreement to share the profit equally between the University and the A M Management company, the University had to bear a loss of Rs. 2, 932,179. However, this loss is not disclosed in the University final account.	The operations of the Guest House have not commenced yet and it will be commenced after the hospital is established. The Guest House is used to accommodate the foreign students and income generated from the food and lodging are transferred to the private company. There is no loss to the University. The income obtained from the students and the expenditure incurred for them are correctly realised in the final financial statements.
4.4	Non-economic Transactions	
	In the year under review, Rs. 1,163,500 has been spent to conduct a service and civil get-together from the annual funds received to perform the objectives of the University.	No public funds have been spent for the service and civil get-together and ration funds have been used for this purpose.
4.5	Staff Administration	
	A Professor of Biology had been recruited on full time contract basis for the post of Dean in the Faculty of Medicine of the University. As per the letter No. UGC/CH/10/22 dated 27 December 2015 of the Chairman of UGC this Professor had been appointed as the Officer in Charge of the Gampaha Ayurveda Institute w.e.f. 26 November 2015. Though it was a full time appointment the University had provided a monthly allowance of Rs. 187,251 to this Professor.	Prof. J Welihida has been appointed as the Officer in Charge of the Gampaha Wickramarachchi Ayurveda Institute w.e.f. 26. 11.2015. However, when his attendance is checked he had report for service during the prescribed period. And as reported by the Dean of the Medical Faculty he had performed lecturing, and examination duties without any failure. Therefore, he has rendered a service to the University to match the monthly allowance of Rs. 183,698 paid to him.
5	Accounts Administration and Good Governance	
5.1	Action Plan	

	According to the amended budget of 2015 and the Action Plan Rs. 2,440,000 had been allocated for the office equipment and other equipment of the Hospital complex. But Rs. 17,596,179 had been spent for the goods required for the hotel in the Hospital complex. Accordingly, Rs. 15,156,179 had been spent by exceeding the amounts mentioned in the Action Plan for the year.	Budgetary allocations for the University Hospital for the year 2015 were not provided though applied for them. Therefore, this audit query is not correct and the funds from the self-financed fund have been utilised as budgetary provisions were not provided. The approval of the Management Board had been obtained for this purpose.
5.2	Internal Audit	
	Though the approved internal audit cadre consists of a Deputy Internal Auditor, Assistant Internal Auditor and 3 Audit Assistants, the Posts of Deputy Internal Auditor, Assistant Internal Auditor were vacant even as at 31 st of December 2015.	The Department of Management Services is conducting the corporate review and ability to fill these vacancies will be informed in future accordingly.
5.3	Procurement and Contract Process	
(a)	The tender documents received to construct the road system of the Southern Campus of the KDU had been opened at 10.00 a.m. on 04 th of November 2014 and the tender documents received at 10.06 by fax from the Kohinoor Company had been accepted and it had decided to award the tender to the said company. Though the Technical Evaluation Committee had recommended the Arirathna Trade Centre the tender Board had purchased 8186 cement bags weighing 50 kg from the Kohinoor company for Rs. 838. Though this order had to be completed within two weeks the supplier had not done it. He had supplied only 300 cement bags worth Rs. 251,400. Though the value of the above order was Rs. 859,868 as per section 8.9.1(b) of the Procurement Guidelines of the Sri Lanka Democratic Socialist Republic, no written agreement has been entered into with the supplier.	It is agreed with the observations of the audit query when this file is examined and after tender documents were opened at 10.00 a.m. the tender document received by fax from the the Kohinoor Company had been accepted as its value was Rs. 47 less than the value of the tender opened at due time and the Department Procurement Committee had approved such prices after considering the recommendations of the Technical Committee and the welfare of the institute. The relevant sections will be informed verbally and in writing not to perform such actions as this procedure is against the Procurement Guidelines. It is agreed with the observations of the audit query and no

(b)	On 16th of September 2014 the Basnayaka Timber Shop had been sent an order of Rs. 1,825,200 to purchase furniture required to the Cadet Hostel of the University. Though the supply had to be completed before 16th of November 2014 the order had not been completed even as at 31st of December 2015 and as per section 8.9.1(b) of the Procurement Guidelines of the Sri Lanka Democratic Socialist Republic, no delay charges could be charged from the supplier as no written agreement has been entered into with the supplier.	written agreement has been entered into with the supplier and the relevant sections will be informed verbally and in writing to perform actions as per section 8.9.1(b) of the Procurement Guidelines
(c)		The matters shown by the audit query are not correct and the Technical Committee has rejected the offer in Option II of M/s John Keells Office Automation (Pvt) Ltd as they do not comply with the specifications and Poor Performance Record. Therefore, Department Procurement Committee has approved to award the tender to a better supplier who complies to the specifications.
(d)	Tenders were called from 14 companies on 02 August 2014 to purchase 200 laptop computers and the Tender Board had decided to purchase the computers for Rs. 23,278,877 from the Gestteners of Ceylon (Pvt) Ltd as recommended by the Technical Committee. But a loss of Rs. 573,877 has incurred as the purchase had not been made from the company firstly recommended by the Technical Committee. As per section 8.9.1(b) of the Procurement Guidelines, no written agreement has been entered into with the supplier for this transaction. On 05th of September 2015 an order had been made to the Sanken Construction to purchase ready-made concrete of Rs. 6,137,040 for the construction work at the auditorium of the Medical Faculty. Though the supply had to be completed by 30 October 2014, there was a shortage of concrete of 275 square feet. As per section 8.9.1(b) of the Procurement Guidelines, no formal written agreement has been entered into with the supplier for this transaction.	This concrete mixture had been purchased from the Sanken Construction company for the for the construction work at the auditorium of the Medical Faculty and though the supply had to be completed by 30 October 2014, the supplier could not provide the same as the other requirements had not been completed. The documentary investigation revealed that the balance amount had not been purchased and amounts had been settled for the purchased concrete of 115 square feet. Further, after purchasing of the aforesaid subjects, as action has not been taken to purchase remaining subjects, action is being taken to cancel purchasing of the aforesaid subjects and it is revealed that no agreement has been entered into this matter.

(e) (f) (g)	The UGL Tailors had been ordered on 05 July 2015 to supply 2563 uniforms in 8 categories required for the cadet officers of the Course No. 33 of the Sooriyawewa Southern Campus and though the supply had to be made within 7 days, it had not been fulfilled. No formal written agreement has been entered into with the supplier for this transaction. Quotations have been called from 19 companies by e-mail on 23 October 2014 for the establishment of infrastructure required for the laboratory of the Faculty of Allied Health Sciences and the tender has been awarded to Rs. 24,624,521. The supplier and the witnesses had not signed in the written agreement for the contract and no arbitrary clauses had been included in the contract as per the Arbitration Act, No. 11 of 1951. Though a total cost estimate had to be prepared as per section 4.3 of the Procurement Guidelines, such cost estimate had not been prepared. Rs. 7,533,533 had been paid to 3 companies to purchase furniture to the hotel constructed in the hospital premises at Werahera affiliated to the University and there is no evidence that quotations have been called from	It is accepted that a short period of 12 days is not practically adequate to supply 2563 uniforms and a practically adequate period will be given in future. The relevant sections have been informed verbally and in writing to charge delay charges from the suppliers who delay the supply of goods. The audit observations are accepted and the relevant sections have been informed verbally and in writing to obtain the counter signatures from the suppliers and witnesses when agreements are signed and action has been taken to include arbitrary clauses as per the Arbitration Act, No. 11 of 1951 and the relevant sections have been informed verbally and in writing in this regard. At the same time the relevant sections have been informed verbally and in writing to follow the quotation procedure before contracts are awarded in future. Though according to the information shown by the audit query quotation from the Rameka Holdings had not been called, the information on the relevant tender were published in the website www.kdu.lk and the Rameka Holdings had sent the quotations and the TEC had made the recommendation. The Rameka Holdings had not supplied 8 items by 2 items and future action will be taken after considering the actual requirements. A contract has been entered into with the supplier.
----------------------------------	---	--

(h)	the Rameka Holdings for which Rs. 6,141,800 has been paid for the purchased furniture. Though according to the tender procedure supply should be made within 14 days of the order the supplier had not acted accordingly and there is a shortage of 8 items receivable as per the BOQ. No formal written agreement has been entered into with the supplier for this transaction. Though according the section 4.3.1 and 4.3.2 of the Procurement Guidelines of the Sri Lanka Democratic Socialist Republic, a total cost estimate has to be prepared on constructions such cost estimate had not been prepared for the construction of the Engineering Faculty commenced in May 2013. An expenditure of Rs. 245,916,745 had been incurred for the said construction as at 31 December 2015 and Rs. 142,832,867 had been capitalised.	A cost estimate has been prepared and it will be presented for auditing.
5.4	Unresolved Audit Observations	
(a)	Though the following observations were made in my previous audit report, it was observed that no rectification measures had been taken on them. <u>University Teaching Hospital being constructed in Werahara</u> A cost of Rs. 4,264,399,577 had been incurred as at 31 December 2015 for the University hospital constructed in Werahara affiliated to the medical faculty of the KDU. The followings were observed in that regard: The Cabinet of Ministers had decided to award the tender for the construction of the hospital for a bid of USD 201,629,000(Rs. 26 billions) by	This project was proposed to be implemented by a contractor known as the Poly Technologies Inc. (China)

(b)	a foreign company as per the recommendations of the Tender Committee presented by the Cabinet of Ministers. A loan equal to the above value has been obtained from the National Savings Bank on a Treasury bond in order to supply funds for this construction.	with the funds of the The Industrial and Commercial Bank of China. Therefore, this project has completed the components of a standalone project as at Category 1 of the classification of Section 237 of the Procurement Guidelines issued by the Department of Public Funds on 12 May 2011. Accordingly, this project was implemented through a formal procedure as a standalone project implemented by the SCARC appointed by the Department of National Planning and the Cabinet of Ministers. And this project was approved by the SCAPC appointed by the Cabinet of Ministers met on 29 July 2012. As a result, the approval of the Cabinet of Ministers has been obtained as at 13/01/2013. The contractor of this project has been appointed by following another procurement method set out in the Procurement Guidelines.
(c)	Though the construction of this University Hospital had been considered as a special project, action had not been taken to acquire the land in which the hospital is constructed. As per the file, it is observed that the land of 47 acres and 37.7 roods belongs to the Ceylon Transport Board.	Further, the approval of the Cabinet of Ministers has been obtained to award this contract to a foreign company, obtain a loan from the NSB and obtain a treasury bond for the loan. The said plot of land has been leased out to the LATEC company by the CTB and the Land Commissioner General has been informed to take action to acquire the said land to the Ministry of Defense and the Land Commissioner General has instructed the Kesbewa Divisional Secretary to submit the transfer recommendation report to the

	(d) Though a policy decision has been taken to construct the University Hospital and it should have been established by a separate legislature when its objectives and the preamble are considered, such action has not been taken. (e) The approval of the Environmental Authority has not been taken before the construction work is commenced. The project has been a tax-free project from taxes such as the Value Added Tax, Nation Building Tax, Import tax and harbour tax as it has been shown as a project that comes under the 2008 Strategic Act. However, the funds for the project has been obtained by a loan from a local bank which is contrary to the above Act. At the same time, no local human resources had been used for the construction work. Therefore, this project does not fall under the above Act. Therefore, taxes and duty receivable to the state have been lost.	Provincial Land Commissioner General. Accordingly, the said land of 47 acres and 37.7 roods is proposed to be transferred to the Ministry of Defense and the Senior Surveyor General of the Colombo district has been requested to survey the land taking it as a one-land unit. When the above matters are considered it is confirmed that the said land is transferred to the state and actions has been taken to transfer it to the University. Action has been taken to take appropriate action in this regard after discussions with the Ministry are made. It was observed that the Central Environmental Authority has delayed the approval before the land is transferred from the CTB. Action will be taken in future to obtain the said approval. Though at the drafting of the Cabinet Memorandum it was considered to obtain tax relief by taking this project as a strategic project, the Ministry of Finance had proposed that it was suitable to obtain the tax relief by considering it as a special project. The Cabinet of Ministers had approved for the said tax relief. It had not been considered as a strategic project but the benefits to the public had been considered.

6	Systems and Controls	
	The system and control shortcomings observed at the audit query were brought to the attention of the University Vice-Chancellor at several occasions. Special attention should be paid to the following fields: (a) Construction control (b) Procurements (c) Compliance to Laws and Regulations (d) Compliance to Sri Lanka Accounting Standards	Action will be taken to maintain accounts in compliance to a strong internal controls and laws and regulations in order to prevent the system and control shortcomings.
