## President's Message

---

The Lady Lochore Loan Fund was established on 26<sup>th</sup> March 1927. This fund was transformed into a legal entity by the Lady Lochore Loan Fund act No.38. of 1951.

Accordingly, it provided financial assistance to public and private sector employees to meet their short term financial requirements on concessional interest rates.

At present, apart from the loan facilities given from this institution, there have been requests made to the Fund to provide financial support for various purposes and needs of the present day. Also necessary steps have been taken to meet such requirements, considering the Fund's allocation limits. Thus the fund performs as an alternative system to the present commercial banking system in the country. Hence the main objective of the present administration is to amend the existing act to develop this opportunity and organize the processes of the Fund, according to the needs of the time using modern technology.

In addition to providing loan facilities to relieve the indebtedness, Board of Trustees has focused their special attention on the capability of granting loan facilities for small and medium enterprises to improve the economic needs of the public servants who have retired from the service.

Also, due to the special follow up action which has been executed from the year 2017 to recover the long standing debts, many outstanding loan balances were recovered at the end of the year 2017 and necessary actions are being taken to maintain the minimum level in the deficit of the loan balance in future.

Operational process of the Fund has not been revised for a long period and the need has been arisen to change the operational system according to the timely changes done.

Thus, a Committee comprising a member of the Board of Trustees as the Chairman had been appointed to study the prevailing process of issuing of loans to eliminate the unnecessary procedures by introducing simpler methods and steps are taken to implement the recommendations of this Committee as well.

Apart from this the External Auditors are authorized to re-examine the prevailing systems of computerization including granting of loans, recovery of interests and loan Installments and to recommend the amendments to be done to the system.

Accordingly, the Board of Trustees will be ensured that the functions of the Fund are maintained formally in transparent manner to eliminate frauds and misdeeds.

Finally, in the year 2017 the Fund had been able to achieve successfully its objectives and targets set in its annual performance plan. The basic reason for this success was due to the collective and individual contribution and guidance of the Members of the Board of Trustees. Enhanced contributions made towards specific duties assigned to each member of the staff in addition to other activities of the Institution contributed to this success.

Accordingly, I am pleased with the performance accomplished in the year 2017 and will further ensure my dedication with the support of the Managing Trustee and the Members of the Board of Trustees and all the officials of the Staff of the Fund to fulfill the objectives in the year 2018.

A. P. Kurumbalapitiya  
President  
Lady Lochore Loan Fund

## Message of Managing Trustee

Lady Lochore Loan Fund (LLLF) was founded on February 17, 1927 by Lady Jean Lochore, wife of a Millionaire Businessman from Scotland, UK, and later became a citizen of Sri Lanka (Ceylon), along with Fr.C.E.V.Nathanielz of Colombo and established under Lady Lochore Loan Fund Act No.38 of 1951 of the Ministry of Finance. Since then it has been managed by the Managing Trustee under the supervision of a

Board of Trustees appointed by the Minister of Finance. I took over office of the LLLF as Managing Trustee, (Head of the Organization) on 27<sup>th</sup> February, 2015 with the formation of the Yahapalana Government on the 8<sup>th</sup> January, 2015 under the President, Maithripala Sirisena and Hon. Prime Minister, Ranil Wickramasinghe. Being the retired senior Public Servant of the Sri Lanka Administrative Services (SLAS), my first move was to study the Organization and its operations well and have been able to set my foot on restructuring the entity to what it is today with the express approval of the Board of Trustees. Within the three years of my tenure of office, the processes of granting loans to public servants have been simplified and the administration, accounting and IT sectors of the LLLF streamlined to meet the challenges and the needs of the day in the competitive markets faced by the lending institutions on the face of rapidly growing socio-economic needs and advanced technology.

The maximum amount of loan of Rs.50,000/- provided for nearly 30 years has been raised to Rs.100,000/- for non- staff public servants and Rs.250,000/- to staff-grade officers.

According to the simplified mechanism in place as at date, the loan application is processed and released within one week as against nearly two or three months to get the loan passed in the past. A loan applicant has to visit the LLLF only two occasions as against five times in the past and the loan application can be downloaded from the LLLF Website in all three languages from any part of the Island nation.

On the whole, the economic efficiency of the Organization and the productivity level of the workforce have been remarkably enhanced through the staff training scheme put in place according to its training needs, and the welfare of the workforce is given pride of place to enable them to achieve self-satisfaction and self-actualization in the work place.

The building of LLLF which was not repaired for the last 50 years and was in a dilapidated condition has been fully refurbished with all modern facilities to enable the workforce and the clients who patronize the LLLF to do their business transactions in a very conducive, pleasant and healthy atmosphere .

The number of loans granted per month has steadily increased to around 386 in the year 2017 as against 372 in the year 2015 and the quantum of loan released per month is around Rs.33 m in the year 2017 as against Rs.24 m in the year 2015. Also the monthly rental received from five tenants who occupy the 2<sup>nd</sup> and 3<sup>rd</sup> floors of LLLF is around Rs.2 m, with which the LLLF meets  $\frac{3}{4}$  of its monthly recurrent and operational expenditure and the profits generated from granting of loans are added to the profit of the LLLF. The annual profit earned by the LLLF after taxation stands at around 39.1m in the year 2017 as against around Rs.17.1 m in the year 2015.

A Complain Box is placed for the benefit of the clients who have any complain/suggestion to be brought to the notice of the Management and all such complains / suggestions are attentively looked into daily and attended to by the Managing Trustee along with the relevant officials concerned.

The objective of the LLLF for which it was founded by Lady Jean Lochore have now been achieved, meaning all public servants in the 25 districts of Sri Lanka should enjoy equally and with no discrimination or delay. The loan facilities provided by the LLLF.

The 90 years of yeoman service rendered by the LLLF was celebrated on the 27<sup>th</sup> February, 2017 at a colourful ceremony organized by the LLLF under my stewardship with the participation of the Minister of Finance and the grandson and his wife of Lady Jean Lochore at the premises of the LLLF with wide publicity given in the local print and electronic media. The grandson, Mr. John Hamish Lochore in his address made a noteworthy statement that if his grandmother, Lady Jean Lochore was alive, she would have been the happiest on earth for the simple reason that the meagre donation that she made in 1927 for a good cause has grown to the magnitude of LLLF as it stands today helping the deserving public servants of Sri Lanka.

The need of the hour for the Fund to march forward and continue to financially assist the public servants in distress, is to attract funds in the form of donations, gifts, investments, grants, etc. In this context, the Board of Trustees on a Board paper was put up by me as the Managing Trustee to obtain a grant from the Treasury to the tune of Rs.500 m with a view to expanding the services of the LLLF by establishing 10 Branch Offices of the LLLF in ten selected Districts to facilitate the public servants in the remote areas to obtain loans with no hassle and waste of time. Though the Treasury accepted our proposal in principle, due to Financial constraints it did not get materialize. However, we intend pursuing this matter in the hope that it would materialize one day and the public servants in the island nation will be able to benefit equally and with no discrimination, as the demand for loans by public servants from LLLF has remarkably risen and the name LLLF has become very popular among the public servants today.

I would like to make use of this opportunity to extend my sincere gratitude to the Hon. Minister, State Minister and Secretary of the Ministry of Finance and others who gave us the guidance and support, and also to the Board of Trustees, officials of the fund who stood by me always and made their contributions to make my endeavors successful in managing the LLLF. I would continue to go forward with my creative, innovative, and competitive ideas and efforts to strengthen the LLLF for the betterment of the public servants who have developed great hopes and reliance on LLLF and its yeomen services extended to them.

S. Winston Pathiraja  
Managing Trustee  
Lady Lochore Loan Fund

## Background of the Fund

**Lady Jean Lochore**

An initial capital of 300 Sterling pounds for the establishment of the Loan Fund had been donated by Lady Jean Lochore, who was a Scott national and lived in Sri Lanka for a long period. Then the Commissioner of Charity, Reverend Father C.E.V.Nathaniel had taken initiatives to establish the Fund on 26<sup>th</sup> March 1927 and it was named as Lady Lochore Loan Fund. The Fund was transformed into a Statutory Body by the Lady Lochore Loan Fund Act No. 38 of 1951.

Since then by granting loans and recovering loans, the Fund has functioning as a revolving fund, as the existing banking system was not supportive of fulfilling short-term financial requirements of the employees of the public and Private Sector Institutions, they were compelled to obtain loans at very high interest rates from outside lending organizations or from individuals. Due to this reason, the employees of the public sector as well as private sector were suffering from indebtedness immensely. The establishment of the Lady Lochore Loan Fund had brought a great relief to all these employees concerned. After the establishment of this Fund as a Statutory Body in 1951, a three storied building owned by this institution was constructed with the donations received from the government and other donors.

### 1.1 Board of Trustees

Board of Trustees consists of qualified representatives from the public and private sectors appointed by Hon. Minister of Finance. The patron of this institution is held by the Minister of Finance. The Managing Trustee for administration purposes of the Fund is appointed from the members appointed to the Board of Trustees, as per the section 10 and 11 of the Act of the Lady Lochore Loan Fund. As per the clause 5 of the said Act, the post of the President of the Fund is held by the Treasury Representative.

### 2.5.2 Sustainability of the Fund

Special attention of the board of trustees had drawn on maintaining the operational and the financial sustainability of the fund. As this institution is not depending on the grants of the treasury or budgetary provisions all the expenses including salaries of the cadre and other operational costs are met by the interest income of the fund and the rental of the building. Covering all the operational expenses such as bad debts, administrative and other expenses for recovery of loans, the surplus had invested at people's Bank ensuring the sustainability of the fund.

### 2.5.3 Operational Income

During the year 2017 the total Operational Income was Rs. 97 million while the net Operating Surplus was Rs. 41.6 million. In the year 2016 Operational Income and the net Operational Surplus were 79 and 22 million consequently. Thus the Net Operational Surplus in the year 2017 which was Rs.19.6 million indicated nearly a growth comparatively to the the Net Operational Surplus of Rs. 22 million in the year 2016. Accrued income of the year 2017 due to over allocation of the account for provision of doubtful debts as at 31.12.2017; comparative increasement in the interest income on fixed deposits which resulted in a growth of interest income earned on fixed deposits in 2017, as payment and transfer of two Motor vehicles received from the Ministry of Finance indicated as donations of the Finance Ministry in the final accounts should be accrued to the profit from the year 2016 to 2020 thus from the total value the portion which belongs to the year 2017 when added to the annual income, the increased rental income of the building, caused a growth in operational income in the year 2017 by 22% when compared to 2016. Even though Operational Expenses were increased in less rate of 3% in the year 2017 and tax on other income varied, expensess were lowered in par with the 85% growth in net Operating Surplus in 2017.

Participating in subject oriented training workshops have made the staff of the Fund more enthusiastic, efficient and productive. Especially the professionalism of the activities of the staff showed a clear improvement from the previous situation. By the transparent application of the knowledge and the skills gained through these training workshops, enable the staff of the Fund to perform their duties in a methodical and formal manner. Above mentioned training workshops have helped in gaining efficiency of the professional life, in realizing ambitions and achieving progress of the individual as well as making a miles stone in marching towards the objectives of the lady Lochore Loan Fund.

**Apart from these to increase the Motivation in LLLF staff, together with the Institution of Skills Development Fund held an outdoor training camp at Rathnasiri Wickramanayake National Training Center in Hantana on 2017.09.23 and 2017.09.24. 36 employees were participated in the training programme.**

Methodical training to achieve the goals as a team with minimum effort was included throughout the entire training sessions conducted by this outdoor training workshop. Applying the training in regard of achieving objectives of our Institution, by working in a team spirit with minimum effort and with the mutual help of one another it is a must to mention here that it helped enormously in achieving institutional objectives.

Simultaneously it enable to relieve the monotony in office/professional life and engaged them in the training with enjoyment. It ensured that the staff members were able to enjoy some kind of relief from their existing work pressures and by working with all levels of the staff members as a one group enhanced their interpersonal relationships.

- 3.2.2** Vacancies in the approved cadre of the Fund were advertised in the Papers and in the official web site to attract applications in order to fill the vacancies through conducting a structural interview with transparency. Four new recruits to the Post of Management Assistant III and a one new recruit to the post of office Aid III were recruited on 04. 12. 2017. Accordingly 06 new recruitments were done.

## **3.3 Renovations in the Premises of Fund**

The renovation of the building of Lady Lochore Loan fund which was in a dilapidated condition for a long period of time was started on November 2015. Civil Security Department which was the lowest bidder was awarded the contract with the approval of the 828<sup>th</sup> Board of trustees held on 2015.09.25. Further the State Development and Construction Co-operation (SD & CC) was appointed as the consultants, to supervise, monitor and to measure and evaluate the work done and recommend payments of bills for the work completed.

Therefore at the end of the year 2017; from the total sum of the estimated amount of Rupees 23,462,043.69; Rs.4, 692,408.73 was paid and most of the renovation in the Funds' building was able to complete.

## **3.4 Regularizing the Procedures of Office**

- Since it is essential to have a knowledge of the activities of the other officers apart from their own duties, each official was made to undergo training in each other's subjects thereby ensuring that the organization continued to function effectively and without interruption.

Establishing the Post of loan recovery officer to regularize the recovery of loan scheme of the institution and assigning Management Assistants for recovery enabled to minimize the dormant Loans.

- Regularizing the procedure of maintaining of office files, computerization of office systems (computerization of files in the record room, System of the Stores, Details of the cadre information of the employees of the Fund, and the personal files, etc.) updating and modifying of prevailing methods.

### 3.5 Staff Loan

Several new changes to the procedure of loan grant system of staff loan of Rs.250,000.00/= were made which settled after payment of 48 installments under 11.5% interest rate. Making lenient for the staff Members who have obtained the loan under this scheme after payment of 18 installments out of 48; one is enabled to receive the balance as a re-loan. This facility was introduced in 2017.

Further to this Rs.250,000.00/= ≤ Distress loan system which settled after the payment of 60 installments, under 4.5% interest rate was made more lenient for one who has settled the loan, by paying 30 installments enabling him/her to apply the balance of loan as a re-loan. This facility was also introduced in 2017.

### 3.6 Land Deeds and Bonds

At the time of initiation of the Fund; granting of loans on the surety of deeds of land was conducted. Since 1960, the Fund is responsible for 267 surety bonds taken in under this method. As this method of granting Loans is no longer in operation, the Audit Committee has recommended to release the surety bonds according to the relevant office of District Land Registrar and complete the release by registering the cancellation of surety under the names mentioned in the bonds. Accordingly meeting of 831<sup>st</sup> board of trustees has approved the release of the said bonds accordingly. Thus 191 bonds had been released as at 31.12.2016.

### 3.7 Meetings

12 Board of Trustees Meetings and 12 Staff Meetings have been conducted monthly in the year 2017. The important matters discussed in the staff meetings have been implemented with the covering approval of the Board of Trustees.

**Board's Responsibility for the Financial Statements**

The Board (Board Of Trustee) is responsible for the preparation and fair presentation of these financial statements in accordance with the Sri Lanka Accounting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our Audit. We conducted our audit in accordance with Sri Lanka Auditing Standards. Those standards require that we comply with ethical requirements and plan perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion so far as appears from our examination, the company maintained proper accounting records for the year ended 31st December 2017, and the financial statements give a true and fair view of the fund state of affairs as at 31st December 2017 and its surplus and cash flows for the year then ended, in accordance with Sri Lanka Accounting Standards.
