UNIVERSITY OF COLOMBO
SRI LANKA

ANNUAL REPORT
2018

Our Vision

To be a center of global excellence in education, research and stakeholder engagement to enrich human potential for the betterment of society

Our Mission

To discover and disseminate knowledge; enhance innovation; and promote a culture of broad inquiry throughout and beyond the university through engagement and collaboration with industry and community

Vice-Chancellor's Message

It is with great pleasure and a sense of pride that I present the Annual Report of University of Colombo for the year 2018.

I am delighted to inform you that the Times Higher Education World University Rankings 2018 placed the University of Colombo within 1000 universities in the world.

A favorable environment prevailed in the University for teaching, learning, research and other related activities. Several Memorandum of Understandings were signed with international universities and agencies for strengthening academic related and collaborative programmes. The Faculty of Technology and the Faculty of Nursing were established in early 2018 and students were admitted to both Faculties for the respective disciplines.

The University has laid foundation stones for several major construction projects during the year, such as Information and Learning Centre of the Faculty of Science, Student Service Centre of the Faculty of Science and the Statistics building of the Faculty of Science. Several other building constructions such as West Wing building Faculty of Management & Finance, Faculty of Technology main building complex, Faculty of Graduate Studies with Seven Storied building and Clinical Medicine building were in progress during the year.

The Annual Research Symposium for 2018 was held successfully in early November at the University premises and several other International Conferences were also organized by the Faculties/Institutes during the year 2018 in order to disseminate research findings of the academics. The General Convocation as well as Postgraduate Convocations were held in July and November 2018 respectively, in a glamorous manner.

In addition to academic achievements, the students were heavily involved in extra- curricular activities such as sports, debates, aesthetic and cultural events and community based extension programmes. The University of Colombo became Overall Champions of the Inter University Games in 2018. Similarly many students won several awards and became champions throughout the year at several sports events. The University of Colombo in collaboration with the Ministry of Higher Education presented the first ever ballet opera produced by a Sri Lankan university "Ravana: the legend untold". The Undergraduates of University of Colombo performed in all roles of the ballet opera.

We have been able to elevate the status of the university by promoting, research, improving research profile and involving community out research and industry collaboration. For this, every one in the university including the academics and the students were actively involved and contributed.

Hence, I take this opportunity to express my gratitude to the Council, the Senate, the Registrar, the Bursar and all the other staff of the University for making 2018 a very productive year.

Senior Professor Lakshman Dissanayake
Vice Chancellor
January 2019

18. Postgraduate Institute of Indigenous Medicine (PGIIM)

1.1 THE COUNCIL

The Council of the University is constituted in terms of Section 44 of the Universities Act No. 16 of 1978 as amended by Section 24 of the Universities (Amendment) Act. No. 07 of 1985. The University Council is the governing authority of the University which consists of the Vice -Chancellor (as the ex-officio Chairperson), Rector of the Sri Palee Campus, Deans of the seven Faculties {all together nine (9) Ex-officio members}, two representatives of the Senate, and eleven members appointed by the University Grants Commission, Sri Lanka. During the year 2018, it consisted of the following members.

Ex-Officio	
Chairperson: Vice-Chancellor	Prof. Lakshman Dissanayake
Rector, Sri Palee Campus	Dr R C K Hettiarachchi
Deans of the Faculties	
• Arts	Prof. Athula Ranasinghe (till 15/01/2018) Prof. D A Premakumara de Silva(From 16/01/2018)
• Education	Prof.(Ms) MV Vithanapathirana
• Graduate Studies	Prof.Nayani Melegoda
• Law	Prof. W Indira Nanayakkara
• Management & Finance	Dr.M.P.P. Dharmadasa
• Medicine	Prof. Jennifer Perera
• Nursing	Prof. Devaka Weerakoon
• Science	Prof. K.R.R. Mahanama
• Technology	Prof J K D S Jayanetti
Others	
Elected by the Senate	
• Prof. K.P. Hewagamage (From 30.08.2017) • Dr Thilan U Hewage (From 30.08.2017 to 02/12/2018) • Prof. V T Thamilmaran(From03/12/2018)	
Appointed by the University Grants Commission (19.04.2018)	
• Ven. Prof.Aththangane Ratanapala Nayaka Thero • Rev Father Ivan Perera • Mr. Thilak Karunaratne • Dr. Harsha Cabral, PC • Dr J M Swaminathan • Mrs C Mubarak • Prof.Lakshman Ratnayake • Prof.P A J Perera • Prof. A N I Ekanayake • Mr Mahinda Madihahewa • Mr Anil Rajakaruna • Dr Gotabhaya Ranasinghe • Dr V P Gamage	
Secretary: The Registrar	
• Mr. K.A.S. Edward	

1.2 THE SENATE

The University Senate is constituted in terms of Section 46 (2) of the Universities Act No. 16 of 1978, as amended by the Universities (Amendment) Act No. 7 of 1985. During the year 2018, it consisted of the following members.

Ex-Officio	
Chairperson: Vice-Chancellor	Prof. Lakshman Dissanayake
Rector, Sri Palee Campus	Dr. R C K Hettiarachchi
Deans of the Faculties	
• Arts	Prof. D A P. de Silva
• Education	Prof M V. Vithanapathirana
• Law	Prof. W.I. Nanayakkara
• Management & Finance	Dr. M P P. Dharmadasa
• Medicine	Prof. (Mrs.) Jennifer Perera
• Science	Prof. K R R Mahanama
• Graduate Studies	Prof Nayani Melegoda
• Nursing	Prof. H D K G A. Weerakoon
• Technology	Prof. J K D S. Jayanetti
Directors of Institutes and UCSC	
• Institute for Agro Technology And Rural Sciences	Prof.S. Subasinghe
• Institute of Biochemistry, Molecular Biology & Biotechnology	Prof. (Mrs) S. Handunnetti
• Institute of Human Resource Advancement	Prof. J A S K. Jayakody
• Institute of Indigenous Medicine	Dr. (Ms.) S D. Hapuarachchi (till 09.02.2018) Prof. Priyani Paranagama (from 10.02.2018)
• National Institute of Library & Information Sciences	Mr. R P P. Ranaweera
• Postgraduate Institute of Medicine	Prof. H J. de Silva
• University of Colombo School of Computing	Prof. K.P.Hewagamage
Heads of Departments	
• Accounting	Dr.(Ms) T N. Goonarathne
• Agriculture Technology	Dr. G A U. Jayasekara
• Anatomy	Prof. VHW Dissanayake
• Allied Health Science	Prof. D J. Anthony
• Ayurveda	Dr. L P A. KArunathilake
• Basic Science and Social Science for Nursing	Prof. H D K G A. Weerakoon (from 14.06.2018 to 15.10.2018) Dr. G A S. Premakumara (from 16.10.2018)
• Biochemistry & Molecular Biology	Dr. (Mrs) K.Siridewa
• Business Economics	Mr MR Rajasooriya
• Buddhist Studies	Prof. (Ven.) M. Dhammajothi Thero
• Chemistry	Prof.R D Wijesekara
• Clinical Medicine	Dr.G R Constantine
• Finance	Dr.S.Buwanendra

• Clinical Nursing	Mrs. N A R. Nettasinghe (from 14.06.2018)
• Commercial Law	Prof. S. Segarajasingham
• Community Medicine	Dr MC Weerasinghe
• Computer Science	Dr. G D D K Sri Ranjan (till 08.08.2018) Mr. W A S B. Fonseka (from 09.08.2018)
• Computer & Information Systems	Dr. D A S. Athukorala
• Communication & Media Technology	Dr. G D S P. Wimalaratne
• Demography	Dr. E.L.S.J. Perera
• Economics	Ven. Prof. W Wimalaratana
• Educational Psychology	Mrs Y Sakthivel
• English	Prof Neloufer de Mel (till 15.07.2018) Dr. R S. Wijewardene (from 16.07.2018)
• English Language Teaching	Mrs. S Y. Dias (till 09.05.2018) Dr. S M. Thenabadu (from 10.05.2018)
• Environmental Technology	Dr. Ranjana Piyadasa
• Forensic Medicine & Toxicology	Dr. N.D.N.A. Mendis
• Fundamental Nursing	Dr. S S P. Warnakulasuriya (from 14.06.2018)
• Geography	Prof. L. Manawadu
• History	Dr N Wijegoonawardana (till 28.09.2018) Dr. J D. Jayawardena (from 29.09.2018)
• Human Resources Management	Dr.Pavithra Kailasapathy
• Humanities Education	Mr. S.S.Dahanayake
• Information & Communication Technology	Dr. Ajantha Athukorala
• Information System Engineering	Dr. J S. Goonetillaka
• Instrumentation & Automation Technology	Dr. M K. Jayananda (till 21.02.2018) Dr. G D N. Perera (from 22.02.2018)
• International Relations	Dr. MSW Pasqual
• International Business	Mr. S. Sasidaran
• Languages	Dr. K V Dhanapala
• Management & Organization Studies-	Dr. B Nishantha (till 12.07.2018) Dr. K A S P. Kaluarachchi (from 13.07.2018)
• Marketing	Dr. K. Kajendra (till 12.07.2018) Dr. (Mrs) M J M. Fazeela Ahzan (from 13.07.2018)
• Mass Media	Dr. G D D K S. Ranjan
• Mathematics	Dr.T.U.Hewage (till 22.11.2018) Dr. S S N. Perera (from 23.11.2018)
• Medical Education	Prof. Indika Karunathilaka
• Medical Humanities	Prof.Saroj Jayasinghe
• Microbiology	Dr. C P Senanayake
• Nuclear Science	Dr.(Mrs)M.R. Lamabadusooriya
• Obstetrics & Gynaecology	Prof.Athula Kaluarachchi
• Paediatrics	Dr. N.Lucas
• Parasitology	Prof. Deepika Fernando
• Pathology	Dr.L.V.Goonarathne
• Performing Arts	Mrs. Kumudini Maddumage

1.5 OVERALL PERFORMANCE

In 2018 the University continued to deliver its academic activities through nine faculties and 56 departments of study.

The University of Colombo marched towards its goals with the assistance of 1556 staff members comprising 39% academic, 4% administrative and 57% as non-academic staff. (Figure 01)

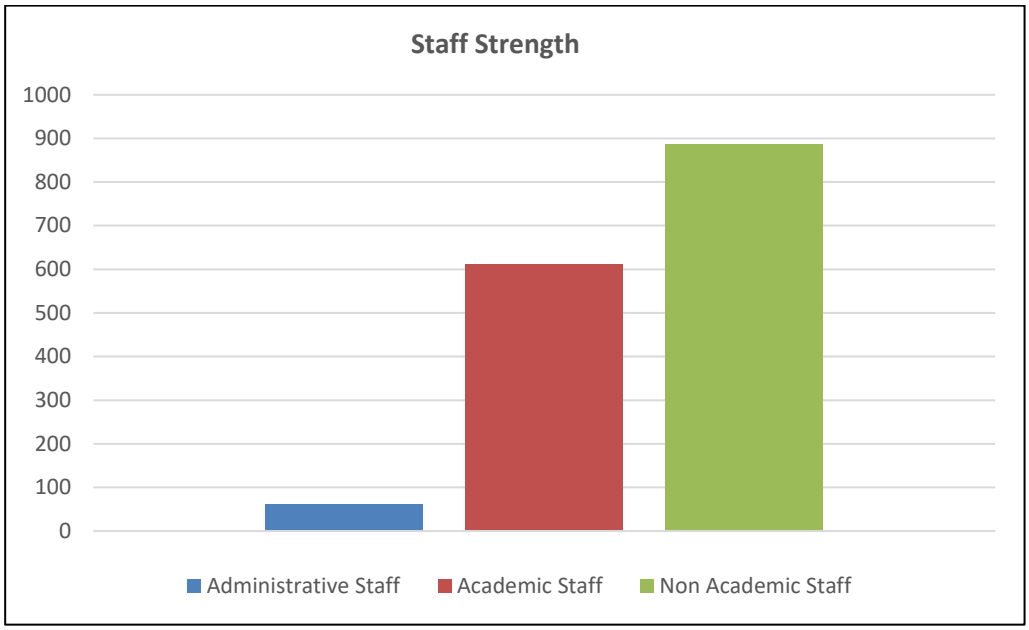

Figure 01

The proportional distribution of the academic staff among Senior Professors, Professors, Associate Professors, Senior Lecturers and Lecturers were 7%, 17% ,3%, 65% and 8% respectively. (Figure-02)

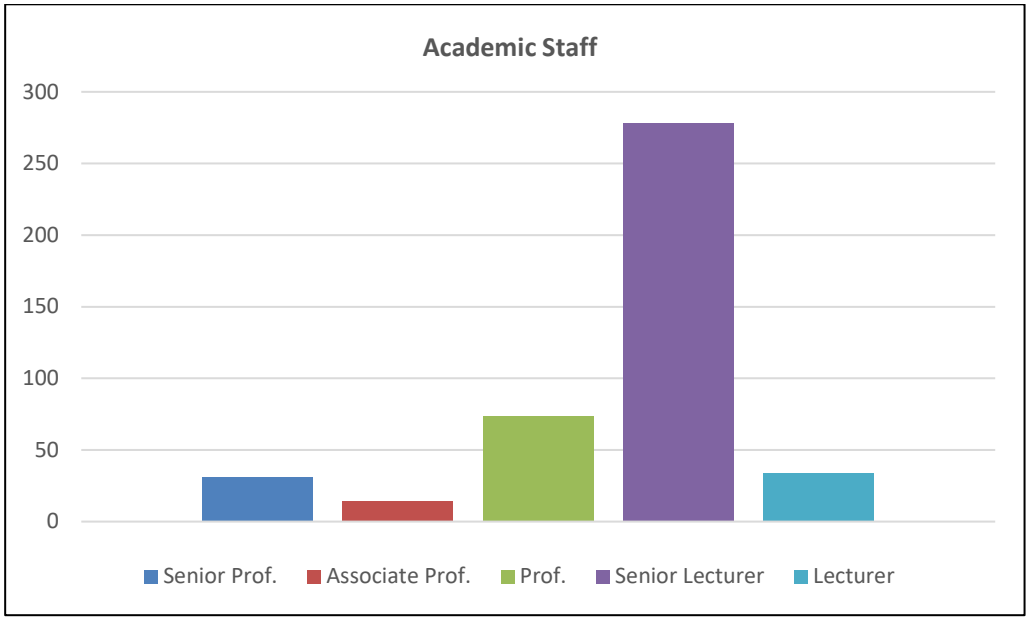

Figure 02

Academic Performance

The University of Colombo with a proud history of over 143 years continues in its endeavour to meet the challenges of maintaining its position as a "Metropolitan University, Modern and International in Outlook and Character." The location of the University affords the student population all the advantages of a "Metropolitan University," with easy access to international information/resource centres, libraries, theatres, sports complexes etc. Its central location within the City of Colombo provides easy access to a wide range of cultural, entertainment and business facilities. Backed by its long and proud history, together with a solid academic and administrative infrastructure which has stood the test of time, the University has progressed towards its goals in accordance with the Performance Improvement Strategic Plan (PISP) by embracing modern and innovative approaches to teaching, research and service to the community. The University of Colombo has a multi-cultural, multi-ethnic, multi- religious student and staff population fostering social harmony, cultural diversity, equal opportunity and unity. The faculties, campus, institutes and school of the university functioned very smoothly in a conductive environment for teaching, learning and research without any interruption during the year under review.

2. FACULTIES, CAMPUS, CENTERS AND UNITS

2.1 FACULTY OF ARTS

Introduction

The Faculty of Arts is the largest Faculty in terms of student population. The Faculty has eleven academic Departments comprising the Departments of Buddhist Studies, Demography, Economics, English, English Language Teaching, Geography, History, International Relations, Political Science & Public Policy, Sinhala and Sociology. In addition, Faculty has five Teaching Units comprising Arabic & Islamic Civilization Unit, Computer Unit (comprising the Student Computer Unit and the Computer Teaching Unit), Journalism Unit and Mathematics Unit. The above Departments and Units offer courses in the Humanities and Social Sciences. Apart from undergraduate BA programme of Study, many Departments offer postgraduate and extension programs. The postgraduate degree programs include Postgraduate Diploma, Masters, Mphil and PhD. Many students successfully completing the BA degree programs, eventually register for postgraduate degree programs offered by the respective Departments of the Faculty.

During the year 2018, Prof Athula Ranasinghe completed his tenure as the Dean /Faculty of Arts on 15.01.2018. Senior Professor Premakumara De Silva assumed duties as the Dean/ Faculty of Arts w.e.f.16.01.2018. Mr Saman Uyangoda, functioned as the Deputy Registrar, Faculty of Arts. During the year the following Academics functioned as Heads of Departments. Prof. Ven. M. Dhammajothi Thero (Buddhist Studies), Dr. Sunethra Perera (Demography); Prof. Rev. W. Wimalarathana Thero (Economics); Senior Professor Neloufer De Mel till 15.07.2018 and Dr. Shermal Wijewardene from 16.07.2018 (English); Ms. Savithri Dias till 09.05.2018 and Dr.Shashinie M Thenabadu from 10.05.2018 (English Language Teaching), Prof. Lasantha Manawdu (Geography), Dr. Nirmalie Wijegunawaradane till 28.09.2018 and Dr. Janaki Jayawardane from 29.09.2018 (History); Dr. Maneesha Wanasinghe Pasqual (International Relations); Mr. Mahesh Senanayake (Political Science & Public Policy) till 31.01.2018, Dr. K.S.K. Ariyadasa from 01.02.2018 to 30.04.2018 and Ms. GPVDR De Silva from 01.05.2018; Dr. Latha Gurusinghe (Sinhala); and Senior Professor Premakumara De Silva till 15.01.2018 and Dr. Nishara Fernando from 16.01.2018 (Sociology).

The following teachers functioned as Co-ordinators of Units; Dr. N. Gafoordeen (Arabic & Islamic Civilization Unit); Prof. Samantha Herath (Journalism Unit); Prof. L. Manawadu (Computer Unit); Dr. D.D.P.M. Dunusinghe (Mathematics Unit).

Vision and Mission Statements of the Faculty

The Vision and Mission of the faculty aim at providing students with not only specific skills and competencies but also a broad social and humanistic orientation, so that they could fit into the changing world of work with a sense of social responsibility and moral commitment."

Vision

"To be a center of excellence in Creative thinking, Teaching, Research and Community outreach in the South Asian Region".

Mission

"To promote collectively scholarships, critical inquiry, competencies and skills in the Social Sciences and Humanities in keeping with the highest academic and ethical standards in teaching, research, training and evaluation".

Major Events of the Faculty of Arts -2018

The Faculty of Arts secured Rs. 100 million on competitive basis from the World Bank assistance for higher education enhancement. The project is named as "Accelerating Higher Education Expansion and Development Operation (AHEAD). It aims at enhancing learning, research, employability, and socio-emotional skills. Its activities will be started from early 2019.

The Faculty of Arts also received nearly 4 million rupees under the Blended learning project which was funded by the UNESCO to enhance learning, research and employability skills of the undergraduates.

The fourth International Conference of the Faculty of Arts on theme, "Challenges and opportunities in the Advancement of the Humanities and Social Sciences in the Digital World" was held on 08 & 09 November 2018. The conference was opened to academics and postgraduate students from the Faculty of Arts, The University of Colombo as well as the contributors from outside the University of Colombo, including internal participants and 36 papers were presented in the conference**. Dr. Ganeshan Wignaraja, Executive Director, Lakshman Kadiragamar Institute of International Relations and Strategic Studies** delivered the keynote address on the topic "**Is the Indian Ocean Economy a New Global Growth Pole".**

The Annual Review Workshop of the Faculty of Arts was held on 25 & 26 May 2018 at Hotel Citrus, Waskaduwa. The discussions were held under following domains: Programme Management, Human and Physical Resources, Programme Design and Development, Course/Module Design & Development, Teaching and Learning Strategies, Learning Environment, Student Support and Progression, Student Assessment and Awards, Innovative and Healthy Practices.

The Department of Demography held its fifth Annual Research Symposium on 23 November 2018 at the Faculty, and 16 Extended Research papers were presented. The theme of the symposium was "Population and Sustainable Development." Ms Ritsu Nacken, UNFPA representative was the Chief Guest of the event. Prof. Wasantha Gunathunga, Faculty of Medicine, University of Colombo delivered the Key Note address.

The Alumni Association of Tourism Economics and Hospitality Management (AATHEM) and the Students of the Tourism Study Programmes of the Department of Economics, Faculty of Arts, University of Colombo organized the 5th Consecutive Tourism Leaders' Summit (TLS) and International Tourism Research Conference (ITRC) under the theme of "Integration of Global Value Chains for Sustainable Tourism Development, Inclusiveness, Competition and Innovation in parallel to the official celebration of UNWTO World Tourism Day in Sri Lanka as national event with the partnership of the Ministry of Tourism Development and Christian Religious Affairs together with key stakeholders of Sri Lanka Tourism on 4 & 5 October 2018 at the BMICH, Colombo.

The 'Young Economists Conference Colombo 2018 of the Department of Economics, was held on 19 November 2018, at the Department of Economics, University of Colombo, Senior Professor Nayani Melegoda, Dean – Faculty of Graduate Studies represented the Vice-Chancellor the University of Colombo. The keynote address was delivered by Dr. Sarath Rajapathirana. This was an opportunity for the recently passed-out graduates and the undergraduates in 2nd, 3rd and 4th years enrolled in Economic special programme and Economic subject stream. The abstracts of completed research as well as the currently enrolled research were accepted for presentation. There were 32 abstracts published in the abstract book.

The 14th South Asian Economics Students' Meet (SAESM) was held on Bangladesh from 18 -21 January 2018. A Group of students representing the Department of Economics participated in the above event.The SAESM is an independently organized one. The World Bank supported the annual academic event, involving undergraduate economics student from South Asian Countries. The SAESM provided a unique platform for the young economics undergraduates from South Asia to come together and share their views and opinions on the thematic views.

The international student and staff academic exchange programme between the Department of English and the Institute fur Anglistik, Justus Liebig University (JLU), Germany, was instituted in 2009.It was successfully held 2018. Three students from the Department were selected to visit Germany in the first semester and two German students from JLU registered for the second semester at the Department of English.

The Department of English also obtained two research grants in 2018 (for utilization and implementation in 2019). In September 2018, the Department won a collaborative research project grant from the University of Zurich for a research project between the academic staff from the Department of English, University of Colombo, and the Department of Religious Studies, University of Zurich. The project is titled "Intimacy in the Digital Media." In October 2018, the Department won a 10 million rupee competitive World Bank research grant- the Development Oriented Research (DOR) grant for its proposal to research the intersection of English Studies and the Digital Humanities in Sri Lanka. The grant was awarded under the Accelerating Higher Education Expansion and Development (AHEAD) operation, a World Bank funded Sri Lankan government operation to support the higher education sector.

In 2018, The Department of Political Science and Public Policy initiated several new activities in the department. A student association was established in 2018 at the Department. The membership was open to the students who are majoring political science and public policy. Every Wednesday from 12 noon to 1.00 p.m. the department staff are participated in the lunch time academic discussions. The discussions are open only to the department staff . During year 2018, 13 lunch time discussions had taken place. The discussions were majorly based on Marxism and Post-Marxism.

The 8th Annual Sinhala Studies Symposium organized by the Department of Sinhala, University of Colombo, was held on 17 October 2018 from 9.00 am – 6.00 pm at the Department of Sinhala. This year, the conference theme was "Sinhala Studies at Crossroads" and the event was extended through number of sub-themes enabling a participation of wide range of scholars from both academic and non-academic research contexts across number of subject disciplines.

The conference accepted research proposals from socio-anthropological studies, political sciences, and other related study disciplines of humanities and social sciences. Thus, the goal was to explore ways in which Sinhala Studies overlap across other disciplines. The Annual Drama Festival – University of Colombo was held on 17 September 21 September 2018 at the New Arts' Theater (NAT) from 3.00 pm onwards. This Festival was organized by the Department of Sinhala and sponsored by the Arts Council.

The Department of Sociology and University of Durham conducted the Durham-Colombo field school from 19 - 29 September 2018 in Hambantota. 20 second year students from the Department of Sociology and the undergraduates and the academic staff from the Durham University participated in. This event gave unique opportunity for the students and the staff of both universities to share their field experiences and international exposure.

The Dean's Literary Award, was held on 27 November 2018 at the New Arts Theatre (NAT). The competition to grant the awards was held by covering various fields such as fictions, short stories, lyrics, poetry, literature criticism, Announcement, Photo Essay and short drama scripts. The certificates and awards were presented to the successful students after evaluating their performances in the above fields. The keynote speaker for the event was Prof. Raj Somadeva, Senior Professor, Postgraduate Institute of Archaeology. This year the award ceremony was accompanied by a book exhibition occurring November 26– 27, at the Faculty of Arts.Two lectures were conducted at the Faculty under the Dean's Lecture series for the year 2018.

Prof. Chandrasiri Niriella was appointed as the Academic Counsellor of the Information & Documentation Center w.e.f. 13/09/2018. Dr. U.P.P. Serasinghe attached to the Department of Economics functioned as the Co-ordinator of the Examinations until 28/02/2018 and Dr. S.N.K. Mallikahewa appointed as the Co-ordinator Examinations work w.e.f. 02/03/2018. In addition to the above, Dr. M. Ganeshamoorthy attached to the Department of Economics was appointed as the Director of Studies, Postgraduate Programmes w.e.f. 01/05/2018.

Mr. Dhamma Dissanayake attached to the Department of Political Science & Public Policy functioned as the Permanent Student Counsellor of the Faculty of Arts until 01/05/2018 and Mr. Mahesh Senanayake attached to the Department of Political Science & Public Policy appointed as the Permanent Student Counsellor of the Faculty of Arts w.e.f. 02/05/2018. Ms. G.P.V.D.R. De Silva attached to the Department of Political Science & Public Policy also functioned as the Permanent Student Counsellor of the Faculty of Arts until 21/08/2018 and Dr. S.N. K. Mallikahewa attached to the Department of Economics appointed as the Permanent Student Counsellor of the Faculty w.e.f. 22.08.2018.

Undergraduate Programmes

In 2018, the total undergraduate population in the Faculty of Arts numbered around 2378 students. The academic activities for the new batch (2016- A/L) commenced on 14th February 2018 enrolling about 737 students. The course unit system continued by offering a range of course units (500) to students including internship component for credit.

The Faculty of Arts continued to offer the study streams for those who opt for three year degree at the Faculty from May 2015. A study stream is a streamlined and closely targeted the selection of subject – specific course units offered by department / unit in the Faculty. The study stream concept aims to strengthen the connection between Departments and General Degree students to enhance a mutual sense of ownership and belonging.

The Department of Buddhist Studies started to teach four noncredit course units in Buddhist Literary Sources for the undergraduates. The aim of this program is to promote students' knowledge of literary sources in Buddhist Studies in English. These are compulsory for the Buddhist studies special degree students to pass before they graduate. Seven out of twelve of the fourth year students have already assigned the duties as teachers for six months.

Three months internship programme for the 4th year Special Degree undergraduates in the Department of Demography continued until September 2018. However, the majority of the students were placed for their internship at the private sector organizations.

The Department of English introduced two first-year courses, namely, Introduction to Language Systems (ENG 1106) and Introduction to Literature in English: Drama, Fiction and Poetry (ENG 1205) which replaced the language and literature courses conducted previously in the first year.

The Department of Political Science & Public Policy initiated a syllabus review programme and under this initiative, the department plans to introduce two more study streams for general degree students in order to enhancie the employability of undergraduates and providing them with exposure to the professional arena, an internship programme has been organized and implemented by the Department of Sociology since 2018, mainly for the third year undergraduates. As part of this programme,the undergraduates were placed in various governmental and non-governmental organizations for a period of one months. While the programme was optional for undergraduates, it paved way to build networks and gain practical exposure.

Extension Courses and Community Service Delivery Programmes -2018

As in the previous years, a number of Extension Courses were offered by the Faculty of Arts during 2018, providing professional enhancement skills to the community at large and enabling the Faculty to remain the largest contributor to the University Development Fund.

The Department of Buddhist Studies continued a Chinese Language Certificate Course for Buddhist monks with the support of the Confucius Institute in 2018.The Department also commenced a new Certificate Course titled “Certificate Course in Introduction to Buddhist Studies.

The Department of Economics offered three diploma courses: A Diploma in Tourism and Travel Economics and Hotel Management, Executive Diploma in Business and Financial Economics and a Diploma in Micro Finance.

The Department of English offered Extension Courses in English for the general public, and undertook consultancies to various government and private institutions. It offered Diploma courses in Advanced English for Administrative and Academic Purposes, and English for Teachers of English (DETE) and a Diploma in English for English Medium Instruction Teachers (DEEMIT).

Department of English Language Teaching offered Certificate Courses in Business English and Diploma in Business English. In addition to the above, the Department launched a new Course titled “Certificate in English for Tourism and Hospitality Management” in year 2018.

The Department of Geography offered Advanced Certificate Course for A/L Geography Teachers and continued its Short Course in Geographical Information Systems (GIS) in 2018.

The Department of History continued its Certificate Course in History programme in 2018.

The Department of Political Science & Public Policy re-initiated its Certificate Course in Politics and Governance in 2018.

The Department of Sinhala continued its Diploma Programme “Diploma in Sinhala” and Certificate Courses in Spoken Tamil (short term - 04 months programme) in 2018.

The Journalism Unit conducted its Diploma in Journalism programme in 2018.

The Islamic & Civilization Unit launched a new certificate Course titled, “Certificate Course in Communicative Arabic” in 2018.

The Confucius Institute of the Faculty of Arts conducted a Certificate Course titled, “Chinese Language Certificate Course” in 2018.

2.5. FACULTY OF MANAGEMENT & FINANCE

Vision

Inspired by historic links to the first University College of the country and inherited intellectual traditions, the University of Colombo strives to be a world class institution promoting human development through synergizing knowledge, education, research, and creativity, and entrepreneurship, whilst upholding

Mission

To be the most prominent and leading faculty in Sri Lanka for high quality academic and executive programs, research and consultancy in management and business studies within a creative and collaborative environment towards developing managerial competencies for betterment of the society.

Introduction

The Faculty of Management and Finance (FMF) is a vibrant and renowned Faculty of the university system in Sri Lanka and was established in 1994. Historical development of the Faculty dates back to 1979 when the Department of Commerce and Management Studies (DCMS) of the University of Colombo was set up as a department, which had functioned under the Faculty of Arts. DCMS grew rapidly in the 1980s and became the single department accommodating the highest number of students in the Faculty of Arts. As an initial step of expediting the process of establishing the new Faculty, two academic departments, namely the Department of Commerce and the Department of Management Studies, were formed in 1993 under the purview of the Faculty of Arts. Then, in May 1994 FMF was established. Over the years the undergraduate population of the Faculty has grown rapidly and in 2017 it reached 1900. The Faculty is committed to reach its mission "to lead through high quality research, learning, training, and consultancy in the field of management, business, and entrepreneurship within a creative and collaborative environment towards developing managerial competencies for betterment of the society."

The FMF offers a multitude of programmes at the diploma, undergraduate and postgraduate levels keeping in line with challenges faced by the business world, setting high standards in management education and continuously updating its programmes. Currently, it consists of seven departments which offer Bachelor of Business Administration (BBA) degree programme with eight specialisation areas in Accounting, Business Economics, Finance, Human Resources Management, Marketing, Management and Organisation Studies, International Business, and Hospitality and Leisure Management. The Masters of Business Administration (MBA) programmes of FMF is consistently highly ranked and reputed across the world.

The programmes offered include the MBA, and specialised MBAs in Accounting and Information Management, Finance, Human Resource Management, Marketing, and International Business.

The Faculty also offers MPhil/PhD, Executive MBA (EMBA), Postgraduate Diploma in Banking and Finance, Executive Diploma in Business Administration (EDBA), Higher Diploma in Entrepreneurship and Small Business Management, Advanced Diploma in Printing Technology and Management, Diploma in Small Business Management, Diploma in Human Resource Management, Diploma in Marketing and Diploma in Computer based Accounting and Information Systems.

Apart from the academic departments, the faculty has an Academic Affairs Unit (AAU) to coordinate students' affairs especially in Level I of the BBA programme. The Faculty established a Career Guidance Unit (CGU) to help students find internship opportunities in the industry, and also provide career guidance to students. The Postgraduate and Mid-Career Development Unit (PGMCDU) coordinates postgraduate and extension programmes.

The Faculty adopted the Course Unit System (CUS) in 2005, and the BBA programme was mapped with the Sri Lanka Qualifications Framework (SLQF) in 2016 enabling the Faculty to ensure its degree programme aligned constructively with the established national framework for higher education.

The organisational structure of the Faculty is illustrated in Figure 1.

Faculty Organisational Structure

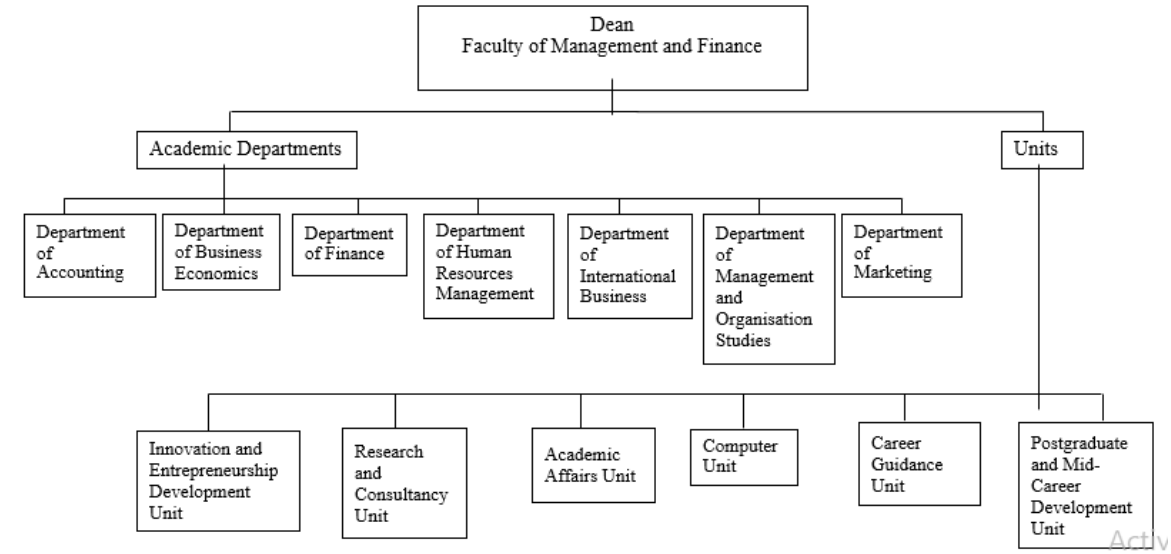

Figure 01

The Faculty comprises seven academic departments. They are:

Department of Accounting – It facilitates BBA in Accounting specialisation. This specialisation is aimed at enabling students to analyse and report business and organisational activities from accounting perspective. The department collaborates with professional accounting bodies such as CIMA, ICASL, and ACCA.

Department of Business Economics – It facilitates BBA in Business Economics specialisation. This specialisation is aimed at enabling students to analyse business phenomena from economic perspective. The exposure to various courses in economics will hone their economic understanding and skills needed to analyse business and managerial issues.

Department of Finance – It facilitates BBA in Finance specialisation. This specialisation is aimed at developing students to excel in careers in corporate finance, investment management, international finance, financial institutions, and financial modelling. The department collaborates with professional bodies and institutions including CFA, CISI, AMBA Research, CMA, CIMA, and ACCA.

Department of Human Resources Management – It facilitates BBA in HRM specialisation which intends to provide students with the opportunity to understand human resource management as an integral part of overall business of an organisation. Further, it creates the foundation for students to acquire HR competencies.

Department of International Business - It facilitates BBA in International Business specialisation providing students with the opportunity to specialise in international business related studies with the purpose of understanding global perspectives of marketing, accounting, finance, HRM, economics and law.

Department of Management and Organisation Studies - It facilitates BBA in MOS specialisation and BBA (Special) that have been designed to provide students with necessary knowledge, skills and training on different aspects of management and organisations. While providing a sufficient theoretical understanding in the field, these specialisations aim to enable students to analyse contemporary management issues.

Department of Marketing – It facilitates BBA in Marketing and BBA in Hospitality and Leisure Management specialisations. Marketing specialisation aims to provide students with competencies to identify and capitalise on marketing opportunities, while the Hospitality and Leisure Management specialisation focuses on developing academically qualified professionals to drive the industry.

Table 1 presents the departments and respective specialisations with the year of establishment.

Table 1 – Departments and Specialisations

Degree Specialisation			
Year established	**Name**	**Specialisation**	**Year introduced**
2007	Accounting	BBA in Accounting	2007
	Business Economics	BBA in Business Economics	
	Finance	BBA in Finance	
	Human Resources Management	BBA in Human Resource Management	
	Management and Organisation Studies	BBA in Management and Organisation Studies and BBA Special	
	Marketing	BBA in Marketing	
		BBA in Hospitality and Leisure Management	2014
2013	International Business	BBA in International Business	2009

UNITS

Academic Affairs Unit – AAU coordinates Semesters I to IV handle student registration, preparation of semester and examination time tables, maintaining records on student attendance for lectures, selection of students for specialisations and student requests.

Career Guidance Unit - CGU strives to proactively prepare undergraduates to be competitive in the labour market by providing career guidance and career counselling. The unit forms mutually beneficial collaborations with the private, public, and non-governmental sectors. It organises assessment centres, counselling, career guidance workshops, mentoring programme, sports week, cultural show, speech craft programme, soft skills development workshops, graduate employability surveys, awareness programmes, career fair, EBP, CDP, industry visits and Golden speech programme.

Computer Unit - The unit has two fully equipped computer laboratories with facilities for research work, computer applications for course work and Internet access for students and staff. Further, it develops the Faculty web site and operates LMS and SIS.

Postgraduate and Mid-Career Development Unit – The unit develops, organises and ensures the smooth functioning of postgraduate and mid-career development programmes of the Faculty with the prime goal of enhancing managerial capabilities of graduates for the betterment of our society. At present, the unit conducts MBA, MBA in Finance, MBA in Human Resources Management, MBA in Marketing, MBA in International Business, MBA in Accounting and Information Systems, EMBA, and Executive Diploma in Business Administration (EDBA). This unit is comprises a Unit Coordinator, Programme Coordinators and supporting staff. While the Unit Coordinator gives the academic and administrative leadership to the overall activities of the unit, each programme coordinator gives academic leadership and is directly responsible for the smooth functioning of the activities of the programme.

JOURNALS AND CONFERENCE

Colombo Business Journal

The Colombo Business Journal published semi-annually by the Faculty is now in its ninth volume. Over the years, it has published research work in the areas of Business and management, produced not only by Sri Lankan scholars, but also international scholars representing different countries such as Pakistan, Japan, Bangladesh, Bhutan and Nigeria.

In addition to a print version, the journal is published online on an open access basis in the website of the journal (https://mgmt.cmb.ac.lk/cbj/). From December 2017, it is also available on the website of Sri Lanka Journals Online (SLJOL: https://cbj.sljol.info/) which is a part of an international collaboration hosted by the International Network for the Availability of Scientific Publication (INASP). In February 2018, the journal received a two-star rating (out of a possible three) in the Journal Publishing Practices and Standards (JPPS) framework, which is an assessment framework introduced for Southern Journals by INASP. Of the 81 Sri Lankan Journals on SLJOL, the Colombo Business Journal is one of only 19 to have received a two-star rating to date, and is the only Sri Lankan journal in the discipline of business and management with a two-star rating.

International Research Conference on Management & Finance (IRCMF - 2018)

The Faculty organizes an International Research Conference on Management and Finance annually. The 13th International Research Conference on Management & Finance (IRCMF - 2018) was held successfully on 16 November 2016 at the Faculty of Management & Finance, University of Colombo for the 13th consecutive year with the participation of local and foreign academics, researchers and students. The keynote speech was delivered by Professor Jason D. Shaw, Editor of Academy of Management Journal, Director, Centre for Leadership and Innovation, The Hong Kong Polytechnic University, Hong Kong on the subject of **"Some reflections on publishing; From editors' perspective."** Professor Stanley Oliver, Director of Learning and Teaching and staff development in Faculty of Business and Law at Newcastle Business School, Northumbria University, UK, delivered the guest speech titled **"Collaborative research with industry and foreign universities."**

About 38 local and international research papers were received in the areas of Accounting and Management Information Systems, Human Resource Management, Management, Organization Studies, Management of Technology, Entrepreneurship and Small Business Management, and International Business, Marketing, Tourism and Hospitality Management. After a comprehensive process of reviewing, only 19 research works were selected to include in the conference proceedings.

The authors of those research papers presented their research work on the day of conference under five tracks viz (i) Accounting and Management Information Systems and Business Economics (ii) Human Resource Management (iii) International Business, Marketing, Tourism and Hospitality Management (iv) Management, Organization Studies, Management of Technology, (v) and Entrepreneurship and Small Business Management. The plenary session was a platform to inspire discussions as well as educational exchanges among numerous stakeholders. Following the technical paper presentation sessions, the Industry Dialogue 2018 was conducted with the participation of eminent personalities in the arena of Sri Lankan business under the title of **"Calibrating businesses for ethical and professional conduct."**

The Doctoral Colloquium adjoined the IRCMF offered the opportunity to prospective PhD candidates to showcase their research ideas and gain important insights from a distinguished panel of academics. In this year's colloquium, there were 11 participants for round- table discussions, 08 presenters for research proposal presentations and 03 presenters for work-in-progress presentations ranging across the fields of Accounting, Finance Human Resource Management, General Management and Marketing Management.

Staff information

Dr MPP Dharmadasa continued as the Dean of the Faculty. Ms. S.S. Samarathunga the Deputy Registrar, Mr. ARWMUN Seneviratne, the Senior Assistant Bursar continued with their positions this year.

Dr.TN. Gunaratne, Dr. S. Buwendra and Mr. Ramesh Rajasuriya continued as the Heads of Departments of Accounting, Finance and Business Economics respectively. Dr. B. Nishantha continued as the Head of Department of Management and Organizations Studies till 13.7.2018 and then Dr. K.S.P. Kaluarachchi was appointed as the Head. Dr. MPP. Dharmadasa continued as the Head of Department of International Business untill 18.01.18 and thereafter Mr.S.Sasidaran was appointed as the Head. Dr. K. Kajendra continued as the head of Department of Marketing untill 13.7.2018 and there after Dr. Fazeela Ahsan was appointed as the Head.

Staff Promotion

Five members of the academic staff have applied for the promotion to Professor/Associate Professorp during the year and 02 members were promoted to the Senior Lecturer Grade-I. In addition, 01 member of the academic was promoted to the Senior Lecturer Grade –II. The Senior Assistant Registrar of the Faculty has been promoted to Deputy Registrar with effect from 1.11.2018

Information Technology Development

The Faculty introduced Learning Management System (LMS) , a new IT based information transferring system during the year 2017. It allows students and staff to meet on line and carry out their academic activities as distance education. Students registrations, course registrations, teaching material sharing, applying for examinations, scheduling examinations etc. are now done through this system.

Infrastructure Development

The four storey East Wing building with consisting of 14 lecture halls of the Faculty was opened in 2017. The four storey West Wing building being constructed at a cost of Rs. 290/= million is expected to be completed in 2018. The road accessing to Faculty was carpeted during the year.

2.6 FACULTY OF MEDICINE

VISION

To be a global centre of excellence in the education of healthcare professionals, building synergies between education, research, and clinical care in partnership with stakeholders

MISSION

To improve the health of individuals and communities and contribute to development of medical and health sciences by producing professionals who are competent, compassionate and caring through excellence in undergraduate and postgraduate education, research and clinical care.

OUR VALUES

- Lifelong Learning & Critical thinking: The Faculty inculcates life-long learning and critical thinking among students and staff.
- Academic freedom: The Faculty provides freedom to teach, conduct research, speak and publish without penalization wherever the search for truth and understanding may lead.
- Innovativeness and creativity: Faculty continues to explore and conduct research in search of new knowledge and promote new ventures for human and social upliftment.
- Integrity: Achievements of the Faculty are based on the transparency of its actions and the integrity of its performance.
- Professionalism: The Faculty expects all students and staff to perform their duties and obligations with utmost care, honesty, integrity, attention-to-detail and fineness.
- Responsibility and accountability: The Faculty operates with a sense of responsibility and accountability.
- Diversity, inclusiveness & equal opportunity: The Faculty recognizes that its strength and unity comes from by being inclusive and providing equal opportunities to the diverse group of staff and students.
- Team work, leadership, efficiency & commitment: The Faculty encourages teamwork and leadership among all its employees to achieve goals with highest level of enthusiasm and commitment.
- Positive environment: The Faculty promotes an environment that leads to contentment at work, happiness in life and social inclusiveness.
- Social consciousness: The Faculty is sensitive to the needs of the wider society.

General Hospital, Colombo

Medical students (April 1905). The women, from left to right are Sylvia Ebert, Claribel Van Dort, Helen Kiddle and Rachel Christoffelsz

The Colombo Medical Faculty Final year batch trip (1966)

The Ceylon Medical College and the Ceylon University College, which were established in 1921, formed the nucleus of the University of Ceylon, and came into function in 1942. The status of the Ceylon Medical College was elevated to the Faculty of Medicine of the University of Ceylon and the diploma of LMS was replaced by the MBBS degree. Until it became the Faculty of Medicine, the Medical College was administered by the Civil Medical Department and its successor, the Department of Medical and Sanitary Services. Dr. W.R. Kynsey served as Principal Civil Medical Officer (PCMO) between 1875 and 1897 and contributed much towards the college in its early years. Kynsey Road, which runs between the National Hospital of Sri Lanka and the Faculty, was named after him.

In 1942, the Faculty of Medicine had six Departments - Physiology, Anatomy, Pathology, Medicine, Obstetrics and Gynaecology, and Surgery. The Departments of Public Health (Community Medicine) and Forensic Medicine were added in 1949 and 1951 respectively. At present there are 17 departments. The Departments of Biochemistry and Pharmacology branched off from the Department of Physiology, Parasitology and Microbiology from the Department of Pathology, and Paediatrics and Psychological Medicine from the Department of Medicine. In 2016, the Departments of Medical Education and Medical Humanities were added.

In 1995, the MBBS curriculum was changed, and the present curriculum consists of 5 streams - Basic Sciences, Applied Sciences, Clinical Sciences, Behavioural Sciences, and Community Stream. With the initiation of the BSc in Physiotherapy programme, the Allied Health Sciences Unit was established in 2006, and the Department of Allied Health Sciences came into functioning in 2016. With 25 students in 1870, the student population increased to 500 in the '60s and around 1400 at present. The staff strength too has increased to 140 permanent academic staff, and over 150 consultants as extended Faculty.

DEPARTMENTS OF THE FACULTY

1. Allied Health Sciences
2. Anatomy
3. Biochemistry & Molecular Biology
4. Clinical Medicine
5. Community Medicine
6. Medical Education
7. Medical Humanities
8. Microbiology
9. Obstetrics & Gynecology
10. Parasitology
11. Pathology
12. Pharmacology
13. Physiology
14. Psychiatry
15. Surgery & Anaesthesiology
16. Paediatrics
17. Forensic Medicine & Toxicology

CENTRES & UNITS OF THE FACULTY

1. Audio Visual Unit
2. Animal House
3. Central Laboratory
4. Centre for Combating Tobacco (CCT)
5. Curriculum Implementation Unit
6. Distance & Virtual Learning Centre
7. Family Medicine Unit
8. Human Genetics Unit
9. Health & Wellness Unit
10. International Unit
11. Information Technology Unit
12. Language Unit
13. Maintenance Unit
14. Publication Unit
15. Quality Assurance Cell
16. Research Promotion & Facilitation Centre
17. Rural Health Research Centre, Katharagama
18. Sports & Exercise Medicine Unit
19. Snake Venom Unit
20. Simulation Centre
21. Pharmacy Unit
22. Health Systems Research Unit
23. WHO Collaborating Centre for Training and Research in Occupational Health
24. Parasitic Diseases Research Unit
25. Diabetic Research Unit
26. Mammography Unit
27. Vascular & Transplant Laboratory
28. Gastrointestinal Laboratory
29. Health Development and Research Unit
30. Tropical Medicine Research Unit

ACADEMIC PROGRAMMES OF THE FACULTY – 2018

UNDERGRADUATE DEGREE COURSES.

- Bachelor of Medicine & Bachelor of Surgery
- Bachelor of Science Degree in Physiotherapy

EXTENSION COURSES:

The Faculty plays an important role in training paramedical staff by participating in the training programmes of the School of Radiography, School of Physiotherapy and Occupational Therapy, School of Cardiography, Optometrists Training Programme, Nurses Training Schools and the Post Basic School of Nursing.

The Department of Pharmacology conducts the Internal Pharmacy course for the Ministry of Health and assists the Ceylon Medical College Council by conducting the External Pharmacy Examination. They also heavily contribute to the BPharm course conducted by the Faculty of Science.

The Department of Community Medicine conducts an in-service training for Medical Officers of Health and Public Health Inspectors in Occupational Health and Safety and also conducts courses leading to Certificate, Diploma and Postgraduate qualifications in Occupational Health and Safety, certificate course in Human Nutrition and Dietetics, Epidemiology and Biostatistics and an On-line Certificate Course in Health Programme Management. Training is also undertaken for relevant categories of personnel in corporations and private sector organizations.

The Certificate Course in Disaster Management and Mitigation conducted from 2006—2009 by the Core Group for Disaster Relief aimed to enhance the capacity of healthcare workers in responding to disaster situations. The Diploma Course in Disaster Management (online), which commenced in 2009 aims to develop the competencies required for disaster management among healthcare professionals. These courses are conducted by the Department of Medical Education.

The Department of Microbiology has been conducting an annual 6 month certificate course in infection prevention and control since 2010 and continues to date. The Postgraduate Diploma in Healthcare quality and Patient safety conducted by the same department commenced in 2016 and the first batch of students gradated at the convocation this year held in November 2018.

The Department of Biochemistry conducts a MSc in Biochemistry and Molecular Biology Cause.

The Human Genetics unit conducts M.Sc. in Molecular Pathology. This course aims to develop knowledge, skills and attitudes required by medical and science graduates to deliver the latest genetics diagnostics services. The Department of Forensic Medicine conducts Diploma in Forensic Medicine & Science and Distance Learning Diploma in Death Investigation.

The Post Graduate Diploma in Health Development is managed by the Health development and research unit of the Faculty. This is a unique inter-disciplinary course which enables the learner to appreciate health development from the perspective of other disciplines such as economics, law, sociology, health systems and politics.

RESEARCH & POSTGRADUATE STUDIES

The research contributions of the Faculty are impressive. The main research contributions in the 1950s and '60s focused on biomedical research. Original contributions in the fields of nutrition, neurophysiology, rhinosporidiosis and simian malaria are worthy of special mention and are widely quoted in scientific literature. In addition, clinical and epidemiological research on subjects of national interest contributed towards improving the health status of the country.

From the 1970s onwards, areas of research widened to include several basic and applied research projects on a wide range of topics. Some contributed towards changing policy at the national level, e.g. studies on infant feeding provided back-ground material for the revision of maternity leave.

Research in the 1980s and '90s focused more on clinical and epidemiological research and health services research and led to a substantial number of publications in peer reviewed journals both nationally and internationally. Many members of the academic staff presented their findings at local and international scientific meetings. Research topics included diarrhoeal diseases, malaria, filariasis, health status of the elderly, drug utilization patterns, renal disease, treatment of snakebite, health services research, nutrition, oncogenes and mental health.

In addition to the funds from local sources such as the University and the National Science Foundation (NSF), research activities, the Faculty has been funded by the UN organizations such as the WHO, UNICEF, UNFPA and IDRC.

Several link programmes have also been developed. For example, in 1986, through collaborative efforts with the University of Uppsala, Sweden, a laboratory of Molecular Biology and Gene Technology were established in the Department of Biochemistry and Molecular Biology. Several postgraduates have read for Masters and Doctoral degrees through this programme.

The Malaria Research Unit, which was set up in 1988, had an international recognition as a Centre for postgraduate research and had collaborative links with the University of Edinburgh and the Pasteur Institute. The Malaria Research Unit was converted to the Parasitology Rseaech Unit three years ago.

The Department of Clinical Medicine plays a leading role in several national and international research projects and collaborations, nurturing a healthy research culture among staff and students. The OX-COL project between the Department of Clinical Medicine and the Nuffield Department of Clinical Medicine, University of Oxford and the University of Liverpool has been very successful. The work has shifted to studies on poisoning. The Snake Bite Research Laboratory and Herpetarium has been set up to further enhance research opportunities. Members of the academic staff have also established a Diabetes Research Unit and a Tropical Medicine Research Unit. The University Medical Unit is also a unit for postgraduates following the MD (General Medicine), MD (Nephrology) MD (Endocrinology) and Diploma in Elderly Medicine.

The Faculty provides research training to medical and non-medical graduates leading to the research degrees of PhD, MPhil and DM. The Research and Higher Degrees Committee of the Faculty reviews the project proposals and monitors their progress periodically. The Research promotion and Facilitation Centre (RPFC), provides support through workshops, online courses, writing clubs and journal clubs.

The Clinical Departments and the Departments of Pathology, Microbiology, Parasitology, Forensic Medicine and Community Medicine are training centres for postgraduate courses at the Post Graduate Institute of Medicine (PGIM). The Faculty also makes a significant contribution to training PGIM trainees in research methodology, and supervising research projects on courses, which include a research component and dissertation.

CLINICAL, COMMUNITY, JUDICIAL, INVESTIGATIVE AND OTHER SERVICES

The staff of all the clinical Departments provide services as honorary consultants at the National Hospital of Sri Lanka (NHSL), De Soysa Hospital for Women (DMH), and the Lady Ridgeway Hospital for Children (LRH). In addition to running the Professorial Units of these hospitals, they conduct specialised clinics and provide diagnostic services. The Human Genetics Unit is a referral centre for genetic counseling and cytogenetic diagnostics.

The Faculty of Medicine Kidney Transplant Programme initiated by the Departments of Surgery and Clinical Medicine continues its pioneering work in collaboration with the Ministry of Health. They performed the first kidney transplant in this country in 1985. The academic staff of the Department of Clinical Medicine, all of whom are clinicians provide consultant cover to almost 9000 admissions per year to the Professorial Unit. The Department of Surgery established the first Vascular Surgical unit and first Mammography unit in this country.

The Members of the Department of Psychiatry provide an honorary consultation service to the armed forces and to several non-governmental organizations and provides a Drug Information Service.

The Departments of Pathology, Microbiology, Parasitology, Pharmacology, Obstetrics and Gynaecology, the Renal Research Laboratory of the Department of Clinical Medicine and the Cytogenetics Diagnostic Laboratory of the Human Genetics Unit provide laboratory services which cater to hospitals and clinicians in both the government and the private sector. Some of these are highly specialized tests that are only available in these labs in Sri Lanka. Through the establishment of an Immunohistochemistry lab, the Department of Pathology, for the first time in Sri Lanka, made available facilities to detect immune prognostic markers in breast cancer. The Department of Pharmacology provides a drug information service and is a focal point for reporting adverse drug reactions in the country. The Department of Forensic Medicine and Toxicology performs judicial work within six (6) designated police areas in Colombo and any relevant cases by a court of law from anywhere in the country.

The Staff of the Department of Community Medicine take part in the delivery of healthcare services in the University Community Health Project in the Kotte MOH area. Training, service and research activities are conducted under the Occupational Health Project in collaboration with the Ministry of Health and the Department of Labour.

One of the most significant contributions of the Faculty has been the provision of academic staff to the younger Faculties of Medicine of Sri Lanka. The staff of all the Departments from time to time act as visiting lecturers and external examiners to these sister Faculties of Medicine. Some have been invited to overseas medical schools as external examiners.

CONTRIBUTION TO NATIONAL AND INTERNATIONAL ORGANISATIONS

Several members of the academic staff have served and are currently on various committees of the WHO-Geneva and South East Asia Region, National Science Foundation (NSF), the Ministry of Health and the Ministry of Education. The staff of the Department of Pharmacology act as advisors to the Ministry of Health on registration of drugs and cosmetics. The Department of Forensic Medicine and Toxicology runs the National Poisons Information Centre at the National Hospital of Sri Lanka.

Several Faculty members have served on the Presidential Task Force on Health Policy Implementation,committees on Education Reforms and on the Presidential Task Forces on Prevention of Child Abuse and on Breast Feeding.

Several members serve on the council and expert committees of the Sri Lanka Medical Association (SLMA), the Sri Lanka Association for the Advancement of Science (SLAAS), Health Informatics Society of Sri Lanka (HISSL), Sri Lanka Sports Medicine Association (SLSMA) and on councils of professional colleges. Furthermore, several Faculty members have over the years served as presidents of these associations and professional colleges.

The Medical Education Development and Research Centre (MEDARC) of Faculty of Medicine University of Colombo, now the Department of Medical Education, provides expertise and functions as a resource centre in medical education to all medical faculties in the country and to the Postgraduate Institute of Medicine (PGIM). It is an internationally recognized centre for excellence in medical education, and was recently designated as a WHO Collaborating Centre.

The Faculty is a member of the Asia Pacific Academic Consortium for Public Health (APACPH) which comprises many of the largest and most influential schools of public health in the Asia Pacific Region. As its primary objective, APACPH is dedicated to improving professional education for public health.

The Ethics Review Committee (ERC) of the Faculty is a member of the Forum for Ethical Review Committees in the Asian and Western Pacific region (FERCAP).

BRIEF INTRODUCTION OF THE DEPARTMENTS

DEPARTMENT OF ANATOMY

The Department of Anatomy is committed to making a significant contribution to undergraduate training. The department aims to excel in research and deliver education of the highest quality to students. The teaching faculty consists of academics with expertise in diverse fields and sub specialties of clinical anatomy. They have a broad spectrum of research interests. The activities of the department are supported by a dedicated team of administrative, technical and other ancillary staff with many years of experience.

The department offers undergraduate teaching in Medicine and the Allied Health Sciences and a range of training courses for many postgraduate degrees.

DEPARTMENT OF BIOCHEMISTRY & MOLECULAR BIOLOGY

The Department plays an active role in the undergraduate medical curriculum, with a teaching commitment in the form of lectures, small group activities, problem based learning, interdisciplinary staff seminars and laboratory practical classes. In addition, a MSc. in Biochemistry and Molecular Biology is offered for postgraduate students. Research interests of the department include nutrition, molecular biology, cell culture, study of plant based medicines and enzymology.

DEPARTMENT OF CLINICAL MEDICINE

The department contributes to almost all the components of the medical curriculum, and in particular to the Clinical Sciences Stream. The teaching program includes bed side teaching in the wards, clinics and the acute admission unit of the National Hospital of Sri Lanka (NHSL), where there is a wide range of clinical problems rarely seen in any other hospital. There is an innovative teaching programme for the final year students in the 100 bed University Medical Unit (Wards 41 and 48B) in a modern hospital complex. The department has a new teaching and research facility (the Clinical Medicine and Research Centre - ClinMARC) in the NHSL. This provides several educational facilities for clinical students and researchers. The department has several research interests including non-communicable diseases, snake bite, nephrology, leptospirosis, dengue, osteoarthritis and SLE.

DEPARTMENT OF COMMUNITY MEDICINE

The Department of Community Medicine contributes substantially to the organization and implementation of the undergraduate Community Stream teaching Programme which spans the five years of the curriculum. The department is also a training unit for postgraduate students in Community Medicine. Electives on field based training, primary health care experiences, and in many areas of research are on offer for overseas undergraduate and postgraduate students. Students gain experience in field-based delivery of health care and carry out research at the University Community Health Project area (Medical Officer of Health area) at Kotte. The department is responsible for the service delivery in the University Community Health Project area, Kotte with the Ministry of Health staff. The Health Systems Research Unit (HSRU) and Occupational Health Unit also function under the department. The department was designated as a WHO Collaborating Centre for Training and Research in Occupational Health in the year 2013.

DEPARTMENT OF FORENSIC MEDICINE & TOXICOLOGY

The department was established in 1951, as a separate department in the Faculty of Medicine the University of Colombo. Prior to this, services for academic purposes were rendered through lectures conducted by the Judicial Medical Officer. The services of the department are extended to professionals in various fields as well as to the general public. The department staff is dedicated to training undergraduates and postgraduates of Medicine and professionals in the legal fraternity and law enforcement authorities and in fields related to forensic medicine. As the department believes that research holds a key for the betterment of the services it provides, it is involved in many research projects as well. The department also provides the services of Forensic Pathology (Postmortem examination) and Clinical Forensic Medicine services to several police areas around the city of Colombo.

DEPARTMENT OF MICROBIOLOGY

The subject of Bacteriology was initially taught under the purview of the Department of Pathology. A separate department for Bacteriology was established in 1956. The nomenclature was changed as the Department of Microbiology in 1976 in view of the sub-specialties included. The department conducts teaching for undergraduates, postgraduates, Medical Laboratory Technicians and para-medical personnel. The department also delivers expert microbiological diagnostic services to the public and conducts research in Microbiology.

DEPARTMENT OF OBSTETRICS & GYNAECOLOGY

The department is responsible for teaching Obstetrics, Gynecology and Neonatal Paediatrics to undergraduate medical students. In addition, there are a number of undergraduate, post graduate and foreign elective students pursuing their research through the department. The department academics provide treatment and care for women with normal and high-risk pregnancies, and address a wide range of gynecological and women's health concerns. The department has had a tradition of being the centre of excellence for treatment of medical disorders in pregnancy. These include acquired and congenital heart disease, diabetes and other endocrine disorders complicating pregnancy. In gynecology the main areas of interest are in endometriosis and endoscopic surgery. The teaching programme for undergraduates is mainly conducted at the De Soysa Maternity Hospital and at the Castle Street Hospital for Women.

DEPARTMENT OF PAEDIATRICS

The department is responsible for teaching Paediatrics to undergraduate medical students. The department is also involved in postgraduate training activities. The Clinical Unit is housed in the 80 bedded Ward 1 of the Lady Ridgeway Hospital in Colombo, the only children's hospital in Sri Lanka. The research interests of the department academics include Gastroenterology, Developmental Paediatrics, Neurology, Endocrinology, Neonatology, Intensive Care, Nutrition and Nephrology. The department also conducts specialized Child Development, Renal, Endocrine and Obesity clinics at the Lady Ridgeway Hospital. In addition to the faculty academics, the department staff includes a social worker, research assistants, technical, administrative and secretarial staff. Academic members serve on numerous national and international committees dedicated to the progress of Paediatrics and national health policies pertaining to child health.

DEPARTMENT OF PARASITOLOGY

The Department of Parasitology brings together a panel of experts and resources that create an environment conductive for the teaching/learning of Medical Parasitology. The teaching is focused on the biological, immunological, epidemiological, and ecological aspects of protozoan and helminth diseases of humans, including the vectors that transmit parasitic infections. Additionally, the department also functions as a diagnostic centre for parasitological infections and is considered as a national reference laboratory. The department is recognized globally for the high quality research carried out with strong collaborative links maintained with renowned institutes like the Harvard University, USA and Oxford University, U.K. The Malaria Research Unit, (recently renamed as the Parasitic Diseases Research Unit) and the field research station in Kataragama, which are within the purview of the department, continue to be strong research and teaching resources for both undergraduate and postgraduate trainees, with an outcome of nearly 50 MPhil/PhD degrees awarded.

The 454th Faculty Board meeting held on 09th October 2018 recommended to rename the Department of Parasitology as “Department of Parasitology and Entomology.”

DEPARTMENT OF PATHOLOGY

The Department of Pathology is involved in undergraduate and postgraduate teaching, research and diagnostic work which includes histopathology, haematology and cytology. The department aims to produce medical graduates who are able to link the cause and effects of disease and to apply this knowledge in providing optimal patient care. The specialized areas of diagnostic work by the department include immunohistochemistry, prognostication of breast carcinoma, renal pathology, dermatopathology, urological pathology, soft tissue and bone tumour pathology, perinatal and fetal pathology. The department provides leadership in research, policy formulation and quality assurance in pathology.

DEPARTMENT OF PHARMACOLOGY

The Department of Pharmacology strives to lay a solid foundation in the undergraduates, on the pharmacological basis of therapeutics. Lectures, tutorials, ward classes and student guides are used to support student learning. Academic staff of this department participates in integrated teaching activities conducted by the clinical departments and small group discussions conducted by behavioural and community stream. The department also conducts a B.Sc. Special (Pharmacy) course jointly with the Faculty of Science.

The academic staff assists the Postgraduate Institute of Medicine in training specialists in several fields. There is close collaboration with the Ministry of Health, and the department participates in training of pharmacists, physiotherapists, ophthalmic technologists and electrocardiographers.

The department provides a therapeutic drug monitoring service for serum lithium estimations, a Drug information service and takes part in monitoring adverse drug reactions. The department has two laboratories one in the Department of Pharmacology and another in Department of Pharmacy, with the state of the art equipment, conducting undergraduate and postgraduate research in both clinical and pharmaceutical sciences. The department publishes the Sri Lanka Prescriber an independent Drug Information Journal, quarterly, jointly with the State Pharmaceuticals Corporation.

DEPARTMENT OF PHYSIOLOGY

The Department of Physiology is dedicated to helping medical, paramedical science students and postgraduates to understand how the human body works through the fundamental physiological processes and translating these to clinical practice. The department plays a major role within the faculty teaching activities and also collaborates with teaching activities in many other departments and units, including the Allied Health Sciences Unit and the Postgraduate Institute of Medicine. The development of a Physiology Museum, a Certificate course for Medical Laboratory Technicians and the development of a Neurophysiology laboratory are some of the new advances in the department. The department also provides diagnostic services through both basic laboratory testing as well as specialized services such as lung function testing.

DEPARTMENT OF PSYCHIATRY

The department has pioneered the teaching of Psychiatry for undergraduates in Sri Lanka. In 1995 with the curriculum revisions a separate Mental Health Module and two months of clinical attachments were introduced. In 1995 the department became the first among medical schools in Sri Lanka to introduce the evaluation of Psychiatry as a separate subject in the final year. In response to emerging needs the scope of the department was widened in order to have a greater impact on improving mental health care in Sri Lanka. The department contributes to the teaching of Behavioural Sciences, Biomedical Ethics, and Child and Community Psychiatry. The Department provides specialized inpatient and outpatient psychiatric services to adults, adolescents and children and facilitates clinical training in the University Psychiatry Unit, National Hospital, Sri Lanka and Lady Ridgeway Hospital, Colombo. The Department also provides a specialized cognitive assessment service.

DEPARTMENT OF SURGERY

The Department of Surgery is involved in teaching the undergraduates at many stages of their training, i.e. from the introductory clinical sciences to numerous modules up to the final year professorial appointment. In addition to general surgical training, postgraduate doctors spend between 6 months and 12 months of specialist training in upper GI, colorectal, laparoscopic surgery, hepatobiliary-pancreatic surgery, renal and liver transplant surgery, vascular surgery, ERCP and upper/lower GI endoscopy and paediatric surgery. A 3 month appointment for postgraduates in Anaesthetics is also conducted by the department.

DEPARTMENT OF MEDICAL EDUCATION

The department was initially established in 1993 as the Medical Education Development and Research Centre (MEDARC) for development and support for the curriculum adopted in 1995. At this point MEDARC took the roles of advocacy, co-ordination and facilitation of curriculum development. Currently the department provides expertise as a resource centre in medical education to all medical faculties in the country and to the Post Graduate Institute of Medicine (PGIM). It is a central hub for student support, staff discussion and international collaborations. Many students visit the office daily for advice on research and clarifications on curricular activities. As of September 2016, the department has been designated as a WHO Collaborating Centre for Medical Education Development, Training and Research. The Department was reappointed as WHO collaborating Centre till 2023.

DEPARTMENT OF ALLIED HEALTH SCIENCES

The Department of Allied Health Sciences which is situated at No, 124/1, Barnes Place, Colombo 07 conducts all the academic and administrative matters related to the Bachelor of Sciences degree in Physiotherapy. The BSc Physiotherapy degree programme is a four year course initiated in 2006 with the enrollment of students of 2005 A/L batch. Physiotherapy undergraduates are expected to take over patients with musculoskeletal and neurological impairments, cardiopulmonary rehabilitation necessities, children with disabilities, elderly care, women's health and sports related injuries. Physiotherapy undergraduates gain their clinical training at National Hospital Sri Lanka, Ragama Rehabilitation Hospital, Chest hospital Welisara, Lady Ridgeway Hospital for children and Community Rehabilitation Centres. The Department of Allied health Sciences has established links with international universities and utilizes visiting lecturers to provide more exposure and experience to the undergraduates.

DEPARTMENT OF MEDICAL HUMANITIES

The Department of Medical Humanities, which was established in 2016, is one of the newest departments in the Faculty. It is the first department dedicated to the Medical Humanities among universities in Sri Lanka, and is a pioneer of the discipline in the South Asian region.

The field of Medical Humanities encompasses a wide range of disciplines, such as ethics, psychology and the social sciences (cultural studies, anthropology and medical sociology), as well as the critical use of artistic and literary works to understand the human experience in health and illness. The core goal of the Department is to use the field of Medical Humanities to foster qualities of compassionate care, professionalism and ethics in medical and other healthcare professionals. In addition to this, the Dept. will promote the inclusion of the humanities in healthcare at an institutional and individual level, conduct research in the discipline, especially in areas relevant to Sri Lanka, and take a leadership role in the development of Medical Humanities in Sri Lanka.

The Department will support and take a lead role in the existing educational programme conducted by the Behavioural Sciences Stream. It will focus on addressing the following six themes: humaneness, personal development, health and behaviour, effective communication, medical ethics and professionalism.

MAIN FUNCTIONS OF SOME OF THE UNITS

FAMILY MEDICINE UNIT

The Family Medicine Unit is involved in carrying out teaching activities, primary care research and clinical services to the community through daily community Family Practice clinics. The mission of the Unit is to promote quality health care through undergraduate (and post graduate education), Research and quality primary care clinical services.

The Unit provides first contact care to the community by maintaining the Family Practice Centre and free clinics, and exposing the undergraduates to the basics of the primary care at a community Family Practice Clinic.

HUMAN GENETICS UNIT

Established in 1983, the Human Genetics Unit (HGU) of the Faculty of Medicine, University of Colombo serves as the National Referral Centre for Human Genetics in Sri Lanka setting standards for Human Genetics in the Country. The HGU is dedicated to providing clinical genetic services including cytogenetic and molecular genetic testing and genetic counseling.

The staff of the unit teaches basic medical genetics for undergraduates of the Faculty of Medicine, Colombo and postgraduate students of the Postgraduate Institute of Medicine. In addition, the unit conducts courses leading to MSc in Clinical Genetics, MSc in Genetic Diagnostics, MSc in Regenerative Medicine; in collaboration with the Manipal School of Regenerative Medicine, Manipal University, India and PhD in Medical Genetics. The unit also conducts programmes aimed at raising genetic awareness among the public.

DIABETES RESEARCH UNIT

The unit was established in 2005 with the objective of carrying out multidisciplinary research in diabetes, metabolic diseases and cardiovascular disease in Sri Lanka, with the aim of developing strategies for primary prevention of diabetes and cardiovascular disease and better clinical care. The unit is a joint collaborative effort between the Department and the Oxford Centre for Diabetes Endocrinology and Metabolism UK. Several projects were undertaken by the DRU during this short period of time, producing many important papers. The unit coordinated the Sri Lanka Young Diabetes Study (SLYDS), which studied the etiology and epidemiology of young adult onset diabetes in Sri Lanka. The DRU works in close collaboration with the Diabetes Association of Sri Lanka, Endocrinology and Diabetes units of the National Hospital of Srilanka and Colombo South Teaching Hospital, Reproductive and Endocrine laboratory of the Faculty of Medicine, World Health Organization officials in Sri Lanka and many local physicians and researchers.

RURAL HEALTH RESEARCH CENTRE (RHRC)

The Rural Health Research Centre (RHRC) of the Faculty of Medicine, University of Colombo was ceremonially opened on the 30 May 2018 at the premises of former Malaria Research Station in Kataragama. The Centre will facilitate a programme of health research relevant to rural communities and provide opportunities for collaborative research projects and elective programmes, in different fields. The facilities at the centre include a conference hall to accommodate 50 participants, four guest rooms, and ample green space bordering the Menik River.

PARASITIC DISEASES RESEARCH UNIT

The Parasitic Diseases Unit of the Department of Parasitology was formerly known as the Malaria Research Unit (MRU) (1988-2016). With the Department of Parasitology giving wider attention to all parasitic diseases of public health importance, the change of name took place in 2016.

A Number of research projects were carried out at the Parasitic Diseases Research Unit (PDRU) contributing to the research and development activities in Sri Lanka. The PDRU also provides diagnostic services for various parasitic diseases.

The permanent staff members attached to the Department of Parasitology were actively involved in the activities of the PDRU. In addition there are research assistants who are carrying out various research projects at the PDRU.

THE HEALTH DEVELOPMENT & RESEARCH UNIT

The Health Development and Research Programme of the University of Colombo,Sri Lanka
(HDRP) was established in 2004.The objective was to develop a multi-disciplinary postgraduate diploma and other programmes that would teach a wider view of health. The postgraduate Diploma in Health development(PG Dipl HD) was initiated with the assistance of University of Bergen,Norway.The Teaching staff were drawn from Departments of Community Medicine, Faculty of Law, Department of Sociology, Department of Economics, Department of Clinical Medicine(all from the University of Colombo) and several experts from the Ministry of Health.

HEALTH & WELLNESS UNIT

The Health and Wellness Unit offers a wide range of workplace-based health programs to improve health and wellness of employees. These are conducted with the objective of promoting healthy lifestyles in the work environment by enhancing employees' health and increasing of staff productivity. Our team consists of leading clinicians in the fields of Endocrinology, Psychology, Nutrition and Exercise & Sports Medicine. We offer a comprehensive range of health talks, workshops and health screening, from general health, mental health, diet and nutrition, and fitness and exercise. Apart from health programme the unit is also engaged in research activities. It has recently published an article on "availability and composition of weight loss supplements in Sri Lanka". Further it involves in collecting health data from Corporate sector for future research purposes.

WHO COLLABORATION CENTRE

Department of Community Medicine was designated as the World Health organization Collaborating Centre (WHO-CC) for training and research in occupational Health in 2012 and redesignad in 2016. The scope of the WHO-CC is to support WHO's mandate in achieving its current goals while strengthening the institutional capacity. The terms of reference of the centre are,(1) to contribute to the development of human resources for addressing Workers' Health through training and capacity building activities. (2) To participate in WHO's multi-centre projects on integration of Occupational Health in Primary Health Care programme and (3). To collaborate with WHO in the implementation of the Global Plan of Action on Workers' Health.

BREAST HELTH CENTRE

Breast Health Centre attached to the Department of Surgery, Faculty of Medicine, Colombo provides of screening and diagnostic radiological investigations for breast conditions including mammography, ultrasonography and image guided biopsy services. This facility provides all these services free of charge for all hospital patients and also at a subsidized rate for outside patients. In addition, research work and patient education programmes on breast health and diseases of the breast are conducted through this centre.

HEALTH SYSTEMS RESEARCH UNIT

As a medical establishment with a history of 139 years, the faculty of medicine has been in the forefront of medical education in Sri Lanka and in South Asia. Its Department of Community Medicine has been a Centre of excellence in training undergraduates and Postgraduates in public health as well in conducting research. Health systems research (HSR) unit is an integral part of the Department, which is led by the Head and the academic staff members of the Department. Its vision is to become a Centre of excellence in Health research in the country as well as in the international community. Its mission is to conduct quality health system related to research and training of resource personnel to contribute to the development of the country and mankind. The HSR unit is the brain child of Prof. Dulitha Fernnado, a Senior Professor of Community Medicine.

NUTRITION, SPORTS & EXERCISE MEDICINE UNIT

The Faculty Board approved the Development of Exercise and Rehabilitation Unit for Sports, Exercise and Elderly as the "center of excellence" for clinical training and research on exercise rehabilitation, physical activity and sports. It will also provide clinical training for the proposed post graduate diploma/master program on sports and exercise science and the existing BSc Physiotherapy programme. It would provide exercise and rehabilitation services for the elderly and the general public at a nominal fee as a means of sustainability.

STUDENT REGISTRATION - 2018

- Local students 190
- Bhutanese students 05
- Foreign students recommended by the UGC 10

ACHIEVEMENTS AND EVENTS

Most of the achievements of the faculty have been included to the format in figures from page 35 onwards of the report.

The following are some appointments, achievements / events during 2018.

APPOINTMENT OF THE DEAN

- Prof. Jennifer Perera was reappointed as the Dean of the Faculty of Medicine for a second term of office for a period of three years with effect from 20.02.2018.

APPOINTMENTS TO THE FACULTY BOARD

- Ms Cinthuja Pathmanathan and Dr Priyanga Ranasinghe were approved to represent the Faculty Board.

- Dr US de S Waidyanatha, Consultant Paediatrician at Lady Ridgeway Hospital was appointed as an external representative to the Faculty Board as per the nomination received from LRH.

- Dr Sudath Samaraweera, Acting Deputy Director General in Education, Training & Research, Ministry of Health has been appointed as an external member for the Faculty Board.

VISITS TO THE FACULTY –

- A parliamentary delegation from Belgium-Sri Lanka parliamentary friendship group lead by Hon. Prof (Ms) Petra de SUTTER, Senator (Professor of Gynecology at Ghent University) visited the faculty on 24.07.2018.

- Prof Channa Wijesinghe, the first Professor of Psychiatry of the Faculty of Medicine, University of Colombo visited the Department of Psychiatry on 13 June 2018.

- Prof. Marc De Broe Emeritus Professor of Medicine, University of Antwerp. Co-ordinator of text book, "Clinical Nephrotoxins – Renal Injury of Drugs and Chemicals,"visited On 07th December 2018 as a guest lecturer organized by the Dept. of Clinical Medicine.

- A delegation of Higher Education Ministry of Bhutan Government visited the Faculty on 23rd November 2018 to discuss about the further extension of the agreement of enrollment of Bhutanese students to the Faculty of Medicine, Colombo.

- A delegation from the Taipei Medical University, Taiwan, lead by Prof. H. Y Chiou and Prof. Betty Chiu visited the Faculty of Medicine from 18-22 March 2018. This visit was coordinated by the Dept. of Medical Education, Faculty of Medicine, University of Colombo. The MOU between the University of Colombo, Sri Lanka and Taipei Medical University was signed during the visit.

- Conference medical humanities Overseas speakers – International 1st conference " Learning to be more humane the role of medical Humanities." was held from 12th July to 14th July 2018. The Following guest speakers delivered lectures ;

Name of the Resource Person	Date	Topics	Country
Prof.Reidar Lie	12th July 2018 - Session 1 12th July 2018 - Session 2 13th July 2018 - Session 4	Reflections from Philosophy Philosophy of Medicine Teaching Critical Thinking for Medical Students	Norway
Prof. Sasanka Perera	12th July 2018 - Session 1 12th July 2018 - Session 2	Being Humane in Times of Inhumanity Ethics, Religion and Philosophy in a Discourse on being Humane	India
Dr. David Wendler,	12th July 2018 - Session 2	Philosophy and Research	USA
Dr. Joseph Millum	12th July 2018 - Session 2	Philosophy and Clinical Ethics	USA
Dr. Vasantha Muthuswamy	13th July 2018 - Session 4	Code of Conduct for Physicians and the Need for Capacity Building	India
Dr. Nandini Kumar	13th July 2018 - Session 4	Postgraduate and Faculty Training in Bioethics	India
Dr. Sheba D Mani	13th July 2018 - Session 4 14th July 2018	Strengthening the Learning of Humanities in Undergraduate Programmes - A Malaysian Perspective A Literature Module	Malaysia

AWARDS

- Prof. Pujitha Wickramasinghe was awarded "Dr. Stella de Silva Memorial Oration 2017" by Sri Lanka College of Paediatricians. The oration on "Childhood Obesity: Socio- cultural determinants" was delivered on 15 December 2017 at Prof. N D W Lionel Auditorium of the Sri Lanka Medical Association.

- The best poster presentation award at the 16th Annual Scientific Sessions of the Perinatal Society of Sri Lanka, 2017 was awarded for the paper titled, "CYTOGENETIC AND PHENOTYPIC SPECTRUM IN A COHORT OF INFANTS WITH CONGENITAL AL ABNORMALITIES" The authors of the paper include: Paththinige CS, Kariyawasam UGIU, Perera ADS, Amalka BAT, Saumya WAKS, Sirisena UND, Dissanayake VHW.

- Dr. Jithangi Wanigasinghe & team were described as University of Colombo researchers in a news item for their clinical trial work in "World Neurology."

- Ms AJIS Rathnayake, Mr NF Neththikumara, Maj WMMS Bandara,Professor VHW Dissanyake and Dr HWW Goonasekera's presentation was awarded as the best oral presentation in oral presentations award category at the Annual Scientific Sessions 2017, and Sri Lanka College of Hematologists was awarded the second place in oral presentation in oral presentations award category at the Annual Research symposium 2017,University of Colombo Title- "Next Generation Sequencing Analysis of Mesenchymal Stem Cells in a Sri Lankan Cohort of Myelodysplastic Syndrome Patients"

- Ms Udeshika Bandara, a PhD student who was supervised by Dr Chamindri Witharana in the Dept. of Biochemistry and Molecular Biology has won the Best Oral Presentation Award among 40 countries at the International Conference on current Trends of Traditional Herbal Medicine(ICTTHM) 2018 held in Singapore.

- Several research awards were won by the staff of the Department of Psychiatry at the concluded Annual Academic Sessions of the Sri Lanka College of Psychiatrists.
  The Peter and Mabel Cooray Gold Medal for the best oral presentation was won by the paper,
  "Genetic association study between antipsychotic - induced weight gain and sixteen single nucleotide polymorphisms in a Sri Lankan population"
  Authors are Kajan M, Dayabandara M, Hanwella R, Chandrasekeran NV, de Silva VA

- Dr UMJE Samaranayake (Research Assistant/Dept of Anatomy) and Dr Yasith Mathangasinghe (Probationary Lecturer/Dept of Anatomy)'s presentation was awarded as the best poster at the Annual Academic Sessions of the College of Surgeons Sri Lanka and Joint International Conference with the Royal College of Surgeons of Edinburgh.
  The Title of the presentation- "Dietary factors associated with leading cancer types in Sri Lanka: A cross sectional study" The authors are : UMJE Samaranayake, DIJ Samarasekare, RC Sigera, K Kodithuwakku, Mathangasinghe

- Prof Upul Senerath from the Dept of Community Medicine was selected as one of the recipients of SUSRED (the Support Scheme for Supervision of Research Degrees), 2017 and the award was offered by the National Science Foundation for being the principal supervisor for the PhD of Dr S Sujendran, funded by the HETC project.

- Dr Henry Rajaratnam award for the best free paper in Endocrinology, Diabetes and Metabolism was awarded to a paper based on a student research project to AL 2013 batch, conducted under the Community Stream research projects at the 51st Annual Academic Sessions of Ceylon College of Physicians 2018. The title of the Paper -"Practices on sports nutrition, body composition, and associated factors among national level athletes in Sri Lanka" authored by :KWSM Wijayawardhana, KMPP Wijerathne, HMWAB Wijerathne and Asela Olupeliyawa.

- An 'International Programme Opportunity Award' in 2017 to conduct the First Certificate Course on Applied Physiology of Pain, analgesia, anaesthesia and euthanasia for Laboratory Animals in collaboration with the Comparative Biology Centre, Newcastle University, UK was selected as a TurnKey 2018 Award winner for Innovation in the 3Rs

- Dr. Manishka Amarasuriya was awarded "Andrew Sims Gold Medal" for the best performance at the MD(Psychiatry) Part II examination held in October 2018.

- Dr Ranil Jayawardena was awarded the “Wilson Peiris Award” at the SLMA,131st Anniversary International Medical Congress 2018 for the paper “ Fat percentage derived BMI cut offs for Sri Lankan adults”. Co- authors: SN Thennakoon, Diabetes Research Unit, AP Hills, University of Tasmania

- Prof Nandadewa Samarasekera was awarded, “Daphne Attygalle Award” for the best paper in cancer(Oral Presentation) – in SLMA Anniversary International Medical Congress 2018.
  Co-authors : U Jayalath, AR Fernando, EA Fernando, SA Seneviratne
  Paper: “The incidence & patterns of Liver Cancers in Sri Lanka from 2000 – 2010: Analysis of National Cancer Registry data.”

- Dr C Ranasinghe, Dr GR Constantine, Dr P Katulanda , AP Hills, NA King won the “Sir Nicholas Attygalle Award” for the best oral presentation at the SLMA Anniversary International Medical Congress 2018. Title: Effects of excersise on body composition in Sri Lankans with type 2 diabetes mellitus”

- Dr Chamindri Witharana, Dept of Biochemistry was awarded the International Science Foundation (IFS) grant ($ 12,000) for the project of “Determination of changes of proteins in signaling pathways of anticancer activity with the effect of Pomegranate, fruit extracts.”

- Professor Deepika Fernando has been awarded the “Vice Chancellor’s award” for Research Excellence – 2017.

- The Dept of Pathology won the award for the best poster presentation at the Annual Academic sessions 2018 at the Sri Lanka College of Pathologists. **Title of the study**- “ Non-invasive follicular thyroid neoplasm with papillary-like nuclear features(NIFTP): “how does it change inter-observer agreement in the diagnosis of encapsulated thyroid neoplasms? ” **Authors:** AM Shavick, (Medical Sciences Devision,University of Oxford,UK, DD Ranaweera, MDS Lokuhetty, AAH Priyani, NR Perera, MV C de Silva, Dept of Pathology).

- Prof. Dilani Lokuhetty received the ‘Life time Award’ from the Family Health Bureau and the Ministry of Health, Nutrition and Indigenous medicine in December 2017, in appreciation of the valuable contribution she made as National Co-coordinator of the Sri Lanka College of Pathologists, for upliftment of the National Cervical Cancer Screening programme in Sri Lanka.

- Prof Vajira HW Dissanayake was awarded the above award by Sri Lanka Telecom PLC in recognition of the yeomen contribution made to promote and facilitate the development of digital health in Sri Lanka over the past 21 years.

- The award for the first place for oral presentations at the Research Forum of the 13th Annual Academic Sessions of Sri Lanka Association of Urological Surgeons held from 09-10th October 2018, Colombo was awarded to the paper titled “ Outcome and survival in urothelial bladder cancer in a cohort of Sri Lankan patients” by Malalasekara AP, Mathangasinghe Y,Lokuhetti MDS,Gunawardena SAS,Perera ND,Abeygunasekara AM,Jayasekara RW,Ediriweera D,Dissanayake VHW .

- The award for best oral presentation at the Asia Pacific Association of Human Genetics, Autumn School 2018 held from 28 October to 02 November 2018, Singapore was awarded to the paper titled “ An Unresolved case of neurodegeration with brain iron accumulation” by Hettiarachchi D, Neththikumara N,Gunaratne PS,Dissanayake VHW.

- Dr Ranil Jayawardene won the World Academy of Science (TWAS)/NSF price for young Scientist for 2018. This award was received by an academic member of Medical Faculty after 10 years.

- Prof Pujitha Wickramasinghe was awarded by CVCD Excellence Awards -2018 as most outstanding Senior Researcher

- Dr. Ranil Jayewardene has been awarded by CVCD Excellence Awards -2018 as most outstanding Young Researcher

- Award of Development Oriented Research (DOR) STEM+HEMS projects under the Accelerating Higher Education Expansion and Development Operation(AHEAD)
  The proposal title" Research program on meditation, mindfulness and health "submitted by the research team headed by Dr Dilshani Dissanayake has been qualified to receive funds under the DOR/STEM+HEMS project of AHEAD operation.

- Nomination Prof. Manouri P. Senanayake for the award of, "Emeritus Professor in Paediatrics."

- Nomination of Dr. Kamini Nirmala Mendis for the award of the title, Emeritus Professor, University of Colombo.

- Nomination of Prof. R L Jayakody for the award of the title, Emeritus Professor,University of Colombo.

- Professor Mangala Gunatilake, Dept. of Physiology received the following awards and scholarships.
  I. An 'International Programme Opportunity Award' in 2017 to conduct the First Certificate Course on Applied Physiology of Pain, analgesia, anaesthesia and euthanasia for Laboratory Animals in collaboration with the Comparative Biology Centre, Newcastle University, UK
  II. Selected as a TurnKey 2018 Award winner for Innovation in the 3Rs.
  III. CHARTER program Veterinary Scholarship Award Winner offered by Charles River to follow Virtual Short Course on Laboratory Animal Medicine.

- Zero One Award for Digital Excellence: Life time achievement award
  Prof Vajira HW Dissanayake was awarded the above award by Sri Lanka Telecom PLC in recognition of the yeomen contribution made to promote and facilitate the development of digital health in Sri Lanka over the past 21 years.

- **Simulation Lab Project**
  The Faculty of Medicine has been awarded the simulation lab project under the AHEAD grant. The donation of 30 million will be used for the purchasing of equipment. Prof. Jennifer Perera, Prof. Saroj Jayasinghe and Dr. Praveen Weeratunga visited the Singapore Simulation Laboratory.

- The Faculty Board approved the proposal for Award of "Teacher excellence Award"

- Miss KAH Piyatissa (MFC/AL/2015/0723) has been selected for the recipient of the "Prof. KN Seneviratne Memorial Award for Physiology" on the basis of the results of the End of Stream Examination of the Basic Sciences Stream held in July 2018.

SPEECHES / ORATIONS

- Professor Priyadarshani Galappatthy, Professor in Pharmacology was invited to address the 03rd Global Ministerial Summit on Patient Safety in April 2018 in Tokyo, Japan on the topic of "Addressing Changes of Medication Safety in Sri Lanka" by the Ministry of Health of Japan and the WHO. She was invited to address the Patient Safety Expert Meeting on, "Inter- Professional Education for Patient Safety", organized by WHO Collaborating Centre for Inter-Professional Education, Gunma, Japan. Further, she also addressed the "Inter- Professional Education for Patient Safety, Challenges in Low & Middle-Income Countries" in the Gunma University, Japan

- Dr. Jithangi Wanigasinghe delivered the 2017 H C Bajoria Memorial Oration on "Quest for treatment options" at the 19th Annual academic sessions of the Indian Epilepsy Association on West syndrome held on 04 February 2018.

- Dr Enoka Corea and Dr Panduka Karunanayake represented the Faculty in " Belt and Road Tropical Medical Alliance(BRTMA) and the 01st summit Forum on Tropical medicine in China held on 19 Oct, Dr Enoka Corea spoke on the "Health Situation and Challenges in Sri Lanka" and the paper was published as an abstract in the Asian Pacific Journal to Tropical Medicine

- Prof. Pujitha Wickremasinghe addressed an issue that is very important for all Sri Lankans, on dengue infection. The Research was carried out at the Professorial Pediatric unit at Lady Ridgeway Hospital covering the areas such as changes in blood that occurs in children with dengue infection, new supportive treatment methods for dengue infection that could help reduce complications and presented. The outcomes of these research are being currently practiced by Physicians when managing dengue patients at many centers nom.

- Prof Chandrika Wijeyaratne, Incumbent President of Sri Lanka Medical Association 2017 – apex apolitical non-trade union professional body in medicine that overseas 12 voluntary experts committees that address unmet needs and gaps in health- related issues that affects the public.

- The 40th Annual Academic Sessions of the Kandy Society of Medicine was held from 15th to 17th February 2018. KSM oration 2018 was delivered by Prof. Vajira H. W. Dissanayake on "Capacity Building and innovation in eHealth in Sri Lanka".

Best practices

- Prof..Raveen Hanwella, Senior Professor of Department of Psychiatry delivered a speech on Experienced four major crises in the university sector. According to him people were strengthened through these experiences. He then commented on the advanced communication methods used by the people and although there are of highly efficient communication methods, relationships among persons who may get affected by a personalities.

- Prof. Jean Perera, Professor of Forensic Medicine & Toxicology presented to the Faculty Board, a short talk on the topic "Use of Simulations in teaching Forensic Medicine." A court house teaching scenario was presented.

LONG SERVICE AWARDS

Long Service Award Ceremony was conducted by the University of Colombo on 01st February 2018 and following members of the Medical faculty were awarded.

	Name	Department	Designation	Service Period
01	Professor MW Gunathunga	Community Medicine	Professor	25
02	Professor S Wijeratne	Obs & Gyn	Professor	25
03	Dr MNJR Dias	Surgery	Senior Lecturer	25
04	Professor HJM Perera	Forensic Medicine	Professor	25
04	Mr SG Aluthge	Microbiology	Lab Attendant	25
05	Mrs SC Higgoda	Clinical Medicine	Technical Officer	25
06	Mr GKD Chandrakumara	Microbiology	Labourer	25
07	Professor MP Senanayake	Paediatrics	Professor	30
08	Professor MVC de Silva	Pathology	Professor	30
09	Mrs CSV Pathirana	Psychiatry	Instructor in Social Work	30
10	Mr HPC Tissera	Physiology	Technical Officer	30
11	Mr DJSJ Weerasinghe	Biochemistry	Technical Officer	30
12	Mrs KBS Manel	Biochemistry	Senior Staff Assistant	30
13	Mr M Premachandra	Dean's Office	Health Services Labourer	30
14	Professor KSA Jayasinghe	Clinical Medicine	Professor	35
15	Mr PJ Gunawardana	Pharmacology	Lab Attendant	35

SCHOLARSHIPS

The following three scholarships were received to follow a 2-year on-line MSc Course in Laboratory Animal Science (September 2018 – September 2020) with short spells of compulsory attendance blocks at Aachen University, Germany.

- International Council for Laboratory Animal Science Educational Scholarship
- Bursary from Laboratory Animals Limited, UK
- Stipend from the Aachen University to cover 50% of the tuition fee.

HONORARY APPOINTMENTS

- Professor Vajira HW Dissanayake was appointed as Honorary Visiting Professor of the National Academy of Science (NAMS) of Nepal (The Postgraduate Institute for Medicine in Nepal) in recognition of his services to NAMS and Nepal.

- Prof. Panduka Karunanayake was inducted as the President of Ceylon College of Physicians w.e.f. 05.01.2018.

- Professor Vajira Dissanayake has been appointed as an International Advisor-Genetic Predisposition Testing Working Group of Medical Services Advisory Committee of the Australia Government Department of Health.

- Prof. Saroj Jayasinghe was appointed to the Editorial Board of the Journal of Urban Health Published by the New York Academy of Medicine.

- Professor Vajira HW Dissanayake was designated as the Chairman of the Commonwealth Centre for Digital Health established by the Commonwealth Medical Association, Commonwealth Institute for Infrastructure Development and the Global Health 2030 Innovation Task Force.

- Dr Indika Karunathilake, Dept of Medical Education was elected as a Follow of the Royal College of Physicians of Edinburgh.

- Prof. Indika Karunathilake was selected as president elect of the Sri Lanka Medical Association for 2019.

OTHER ACADEMIC ACTIVITIES & EVENTS

SEMINNAS/ WORSKSHOPS & TRAINING SESIONS

- Orientation Programme was held on 15 February 2018 for probationary lecturers in the University.The Newly recruited lectures attended for the programme and the feedback was very positive

- Dr. Mahesh Rajasuriya, Director of Centre for Combatting Tobacco submitted the report for the participation of CCT staff at World Conference on Tobacco or Health 2018, held from 7-9 March 2018 at Cape Town, South Africa under the theme, "Uniting World for Tobacco Free Generation." The participants were from more than 100 countries.

- Update on the Diagnosis and Management on Thyroid Neoplasms :
  The above workshop, was successfully conducted by the Dept. of Pathology, Faculty of Medicine, Colombo and the College of Pathologists of Sri Lanka, on 26 May 2018 at Hotel Taj Samudra, Colombo with participation of over 120 consultants and trainees from the disciplines of Pathology, Oncology and Surgery.

- The Annual Research Symposium of the Faculty of Medicine 2018 was successfully concluded on 09 November 2018 with approximately 100 participants registering for the sessions.

- Dr. Sumudu Seneviratne Lecturer at the Dept. of Paediatrics submitted a presentation for the Postgraduate Research Day Communication on the topic of "Bus Stop Talk".The Inaugural session of Postgraduate Research day was held on 26 of October 2018.

- The Third Annual Curriculum Retreat was held on 23-24 June 2018 at Tangerine Beach Hotel, Kaluthara under the theme of "Towards a Bird's Eye View of the Curriculum.

- The International Conference on Medical Humanities was successfully held from 12^{th}-14^{th} July 2018 at the Faculty premises on the theme "Learning to be more humane: The role of Medical Humanities.

- Report to the Faculty Board – ABC of Pharmacology and Pharmacy for Pharmacists and Pharmacy trainees/students was conducted by the Department of Pharmacology.

- The Department of Pharmacology successfully conducted the above 2 day workshop for Pharmacists and Pharmacy trainees on August 18 & 19 2018. Prof. Shalini Sri Ranganathan, Head, Department of Pharmacology submitted the report on the workshop and thanked the Dean and the staff of the Faculty for the support rendered to the successful completion of the workshop.

- A short training session on the plagiarism checker software URKUND was conducted on 30th November 2018 at the CAL lab. The academic staff who had not created their accounts in URKUND made a request to the library, and obtain the activation email to them.

- A workshop on Oxford Medicine Online was held on 23 July 2018 at 11.30 am – 12.30 pm in the CAL lab of the Faculty. Ms. Sumita Sen, Assistant Manager – Training, South Asia & South East Asia, Oxford University Press was the resource person of the programme.

OTHER INFORMATIONS

- Initiating a Rotract Club in the Faculty of Medicine:
  Rotaract is a service club for young men and women between the age group of 18 - 30. Its purpose was to cause a positive change in the community, development of young adults as community and global leaders, make friends locally and globally. As a University based Rotaract Club the main focus was in the avenues of professional development of faculty students, community services addressing the health issues related to the general public and the Club services. The Faculty Board approved to initiate the club in the Faculty of Medicine.

- The 150th anniversary of Faculty of Medicine will be celebrated during January 2020 – September 2020.

- The Acute Coronary Syndorme Sri Lanka Audit Project (ACSSLAP), the first island wide clinical Audit on ACS coordinated by the Department of Pharmacology was published in HEART, the journal of British Cardiovascular society, a BMJ journal, in February 2018. The article was titled Management, characteristics and Outcomes of Patients with Acute Coronary Syndrome in Sri Lanka. (Heart 2018; 0:1-8. Doi: 10.1136/heartjnl-2017-312404).

- The Rural Health Research Centre (RHRC) of the Faculty of Medicine, University of Colombo was ceremonially opened on the 30 May 2018 at the premises of former Malaria Research Station in Katharagama.

- The first student formulary for Sri Lankan undergraduates of medical and other allied healthcare disciplines, Sri Lanka Student Formulary (SLSF) was launched on 31st of July. This formulary was the final outcome of 7 years of commitment and dedication of Pharmacology Department, which was published in collaboration with Ministry of Health, Sri Lanka.

- The Open Day of Faculty of Medicine was held on 21 December 2018 with the participation of extended Faculty members and Academic staff to discuss about further improvement of clinical teaching of the undergraduates and to obtain their feedback.

- The new learning management system (LMS) in the faculty was developed by Ms. Dawpadee Kiriella, Lecturer in the virtual and distance learning centre. Ms.Kiriella requested the feedback from lecturers of 5 streams of the faculty.The New LMS website was formed and the transferring of learning material to the new LMS was completed. Maximum benefits to the students could be provided through the upgraded service.

- Dr. Asela Olupeliyawa presented the findings as following Survey conducted by RPFC .
  The survey was on research governance and research support needs of the faculty and it was conducted by the Research Promotion and Facilitation Centre (RPFC). The survey was completed by over 50 faculty academic staff. The findings suggest several areas of improvement in postgraduate research support including more streamlined RHDC registration and review processes and more library/online resource access facilities. The Academic staff made several suggestions for faculty to support their own research including more flexible financial procedures, allocating dedicated time, and support of trained non-academic staff. The plan is to strengthen the existing facilities and in the future move towards central coordination of the services as preferred by many staff.

- Nutrition Clinic was held in the Faculty of Medicine according to the Nutritional programme for sportsmen and women of Unoversity of Colombo for the year 2018.

- The Centre for Combatting Tobacco was a part of the Health and Wellness Unit in the Faculty of Medicine from its inception. 2.7 FACULTY OF SCIENCE

Vision

The Faculty of Science to be a center of scientific and technological excellence nationally and internationally.

Mission

To develop honest, adaptable productive citizens: with multidisciplinary knowledge, creative thinking and analytical skills with a high degree of civic conscientiousness. To articulate and promote interaction with public and private sector and society at large, with the view to contributing towards the development of the nation. To institute mechanisms for partnership Programmes for improving resources and infrastructure facilities.

Achievements by students

- A team of 12 students from the Faculty of Science have won first place competing with 197 performances from all 16 state Universities at "Chathurmana" an inter University talent competition organized by the Department of Accounting, University of Sri Jayewardenepura. The team has received a cash prize of Rs,100,000 and they have donated that money to the Project "Abhina" which is also organized by the students of the faculty.

- Inter University Quiz & Poster competition for Chemical Sciences – 2018 organized by SLAAS
  - Quiz competition won by the University of Colombo – 3 & 4 year students of Chemistry Special Degree
  - Poster competition – won first place for two of the posters and second place for one poster

- WMK Fernando, an M.Phil student won a Gold medal for the best research presentation at the 5th international conference on Agriculture held in Colombo. Supervisors: Dr. CM Nanayakkara and Shanthi Wilson (ITI) and Dr. J. Senanayake (Dept. of Agriculture).

- Two students of Pharmacy Special Degree in the Faculty at the annual scientific sessions-2018 of the Pharmaceutical Society of Sri Lanka made presentation on 23 June 2018 at the SLFI.
  - Ms. RH Madara Priyadarshani Kumari – Best oral presentation
  - Ms. RAA Sanjeewani – Best poster presentation

- Mr. GAR Rangika (Mathematics special) and Miss DS Wickramarachchi (Statistics special) achieved highest GPAs of 4.29 and 4.22 respectively.

Achievements by staff

- The following members from the Department of Physics were awarded NRC awards in 2018.
  - Prof. DUJ Sonnadara
  - Dr. Janaka Wansapura

- Vice-Chancellor's award has been received by Prof. KMN de Silva of the Department of Chemistry and Presidential Awards for the year 2018 have been received by following members from the Department of Chemistry
  - Prof. KMN de Silva
  - Prof. RS Dassanayake
  - Prof. WRM de Silva
  - Dr. KGDAD Tillekeratne

- NSF Technology award 2017 – Prof. RS Dassanayake

- Dr.Mahesh Edirisinghe, Department of Physics and Mr. TS Thilakarathna, undergraduate of the Department of Physics have invented "Nasal Airflow Detection and Flow Rate Measuring System" and they were awarded the following awards:

  - World Inventors Association Grand Award with Korean Won 100,000 cash award and a Gold Medal at the 4th world Invention Innovation Contest (WiC 2018) held in Seoul Korea.

  - Gold Medal at the 46th International Exhibition of Invention of Geneva, held in April 2018 Geneva, Switzerland.

  - Gold Medal at the Silicon Valley International Invention Festival (SVIIF) HELD IN July 2018 in Santa Clara Convention Centre, California, USA

- SUSRED 2017 (Support Scheme for Supervision of Research Degrees)
  - Prof. PV Udagama
  - Prof. DD Wickremasinghe
  - Prof. WD Ratnasooriya
  - Prof. RLC Wijesundera
  - Dr. CM Nanayakkara
  - Prof. ED de Silva
  - Dr. SSN Perera
  - Dr. SK Boralugoda
  - Dr. CD Wijayarathna
  - The best paper award was awarded to Dr. SSN Perera of the Department of Mathematics

- Following have received international patents.

  (i) ED de Silva, DMRK Dissanayake, PB Ratnaweera, DE Williams, CD Wijayarathna, RLC Wijesundera, Raymond John,– A novel method for isolating Mycoleptodiscin B from endophytic fungi Mycoleptodiscin sp. Isolated from leaves of Calamus thwaitesii and its application against human pathogenic bacteria.

  (ii) ED de Silva, PB Ratnaweera, DE Williams, RJ Anderson, BO Patrick – A method for isolating solanioic acid from the fungus Rhizoctonia solani, its compositions and its antibacterial activity against pathogenic bacteria.

  (iii) BGK Perera, WKOV Weeratunga, - Enhancing the effectiveness of astaxanthin containing fish feed using soya oil to improve the skin colour of ornamental fish.

- NRC merit awards (2015).
  - Prof. DD Wickremasinghe
  - Prof. MR Wijesinghe
  - Dr. CD Dangalle
  - Dr. IC Perera

- Recipients of University Research Grants 2018.

    - Dr. AM Wickremasuriya
    - Dr. HDD Bandupriya
    - Dr. PVDGN Silva
    - Dr. CM Hettiarachchi

Collaborations

- Memorandum of Agreement (MoA) between Centre for Data Sciences, University of Colombo and Sri Lanka Export Development Board to conduct the training programme in Fundamentals of Data Science.

- Research Agreement with Philips Medical Systems, The Netherlands B.V.

- Newly constructed Centre for Advanced Materials and Devices (CAMD) at the Department of Chemistry was declared open by the Vice-Chancellor on 23 August 2018. The CAMD was initiated and funded by the University of Colombo to facilitate the activities of the National Research Council Target Oriented Research Project worth of Rs. 48.5 Million. Advanced Materials for Water Purification, headed by Prof. Rohini M de Silva and Prof. KM Nalin de Silva of the Department of Chemistry, University of Colombo.

Donations

- Colombo University Faculty of Science Alumni Association of North America (CUFSAA) donated a Telescope and accessories worth of USD 6404.80 (SLR 1,015,160.00) to the Faculty of Science.

Other achievements

- Faculty of Science received the ICE grant under the AHEAD Project.
- Faculty proposal for ELTA-ELSE DP was selected to be awarded the grant under AHEAD Faculty grants.
- Foundation Stone Laying Ceremony of the Student Service Centre (SSC) was held on 21/12/2018.
- Foundation Stone Laying Ceremony of the proposed ILC building was held on 18/10/2018.

2.7.1 Resources & Students

Department of Plant Sciences

*NRC Merit Award for Scientific Publications done in 2015(received in 2017).

*Support Scheme for Supervision of Research Degrees (SUSRED) 2017.

Category: Ph.D. : Was awarded to the dissertation titled "Investigating metabolites of selected macrofungi for anticancer activity, induction of apoptosis and isolation of active compounds, by National Science Foundation, Sri Lanka

*Best poster presentation at the 73rd Annual Session of Sri Lanka Association for the Advancement of Science. Title : Antimicrobial peptides in web silk of Nephilengys malabrensis (hermit spider) are secreted by the aggregate gland

Department of Chemistry

a. Local Awards

i. Recognition of Chartered Chemist who has rendered yeoman and honorary contribution to the services of the educational programs of the Institute of Chemistry Ceylon in an exemplary and noteworthy manner (Prof. SA Deraniyagala)

b. National Awards

i. SUSRED Award (Supervision of Ph.D. students). Thesis title "Antimicrobial secondary metabolites produced in culture by fungi of Sri Lankan flora" (Dr. CD Wijayarathna)

ii. President's Awards for Scientific Publication for publications in 2016 (Dr. ATillekaratne)

iii. President's Awards for Scientific Publication for publications in 2016 (Prof. KMN de Silva)

iv. President's Awards for Scientific Publication for publications in 2016 (Prof. WRM de Silva)

v. President's Awards for Scientific Publication for publications in 2016 (Prof. RS Dassanayaka**)**

vi. NSF Technology Award. 2017 for technology excellence. National Science Foundation, awarded 2018 (Prof. RSD)

vii. Presidential Research Award for the year 2015 (Awarded in 2017) **(**Prof. RS Dassanayaka)

c. International Awards

i. Awarded second place for research paper at the International Conference on Renal, Respiratory Pathology & Thyroid. Pulmonary Cytology and Annual Academic Sessions of College of Pathologists of Sri Lanka. August 2017. (Prof. RS Dassanayaka)

d. Other

i. Sakura Science plan programme at Osaka University, Japan
(Dr. HIC de Silva)

ii. Postdoctoral Fellow at Partners Health Care Innovation, Cambridge, MA, USA,
July 2018. Technology Transfer Fellowship, Commercial Law Development Program, United State Department of Commerce (Dr. MN Kaumal)

2.7.8 New Courses Started (English Medium):

Department of Zoology and Environment Science

1. current improvements, awards received, achievements, new infrastructure ect.
   - Departmental courses are being reviewed to accommodate novel areas in science.
   - Several staff members were represented of awards. NRC (7), NSF awards (3).
     and 15 international scientific publications.
   - All members (13) save in different national level committees.
   - 5 members represented in Sri Lanka overseas conferences.
   - Department members were appointed to several programs in the university as directors, chairmen and coordinators. E.g. Director of Center for Environmental Initiatives, Co-director of Career Guidance unit, Director IQAU
   - New research collaborations with Germany, China, Canada, Japan, India.
2. Actions taken to improve the employability of students:
   University industry collaborations, Business Linkages ect.
   - Field tours to potential industries, online forums with international academics for postgraduate opportunities for students, conducting workshops related to employability e.g. how to face an interview, CV writing etc.
   - Field classes/discussions conducted by private sector to expose students to the corporative world, several research collaborations initiated; 4G theme in operation on business and environment.
   - 07 postgraduate research projects contributed for the AHEAD grant to improve employability of undergraduate students.
   - Conducting 8 PhD projects.
   - Many members (over 50%) serve the Career Guidance Unit, to develop industry-university allowing higher employability of our students.

2.9 FACULTY OF TECHNOLOGY

Vision
To be an internationally recognized center of excellence aligning with the changing technological needs in the society through teaching and research

Mission
To develop advanced knowledge and nurture technology professionals and innovators to serve the societal needs with focus on modern technologies through an integrated multi-disciplinary curriculum and multi-disciplinary research

Introduction

Faculty of Technology is one of the newest faculties joined to the University of Colombo to cater to the increasing demands of technology education in the country. The prime objective of the Faculty is to be an internationally recognized center of excellence aligning with the changing technological needs in society through teaching and research. The undergraduates entering the Faculty will be provided with advanced knowledge and training to become technology professionals and innovators to serve the societal needs with focus on modern technologies through an integrated multi-disciplinary curriculum and multi-disciplinary research. Highly qualified and well experienced faculty members with vibrant research profiles will provide the students with an up-to date knowledge in the respective subject areas while inculcating practical skills in technology and related research to make them complete technology professionals. Apart from providing an excellent education, the Faculty strives to create a platform to enhance the quality of its undergraduates through fostering their leadership qualities, innovative skills and ethical and moral values to produce global professionals.

Departments of the Faculty of Technology

The Faculty of Technology of the University of Colombo consists of four academic departments namely Department of Agricultural Technology, Department of Environmental Technology, Department of Instrumentation and Automation Technology and Department of Information and Communication Technology.

Brief Description to the Departments of the Faculty of Technology

Department of Agricultural Technology

The Department of Agricultural Technology conducts the academic programme leading to the degree in Bachelor of Bio Systems Technology (BBST) in Agriculture. The aim of the degree programme is to provide comprehensive education to students in fundamentals of biological sciences, mathematics, physical sciences, and technology, balanced with the applications of knowledge in Bio Systems Technology for Agriculture. The curriculum is developed with the objective of imparting knowledge which will enable students to develop skills and competencies to directly address problems and opportunities related to food, water, energy and the environment which are critical for the maintenance of quality of life in our society. In addition, students graduating with a BBST degree in Agriculture will be educated and trained on awareness, and the importance of economics and safe agricultural practices with lower environmental impact when engaging in agriculture.

Department of Environmental Technology

The Department of Environmental Technology has become the premium education partner of the students who wish to pursue their studies in the field of environmental technology. The department offers Bachelor's in Biosystems Technology in Environmental Technology where the curriculum has been designed to provide the students with the theoretical and practical knowledge on demanding areas in the field. The course modules embarked in the curriculum would introduce the students into modern challenging arenas in the field which would mold them to competent personnel in the field at the end of their undergraduate programme. The competency of the students would be well strengthened with the opportunities provided by the department to possess the hands on experience in different aspects of the field through practical sessions, internship programmes and research projects. Therefore, the students are privileged to utilize the modern advanced technologies in their prospective research projects which would facilitate them to move with the technologically advanced world and to conduct their future research to provide innovative and creative solutions for the environmental issues in a more successful and reliable manner being top class researchers in the field.

Department of Instrumentation and Automation Technology

The Department of Instrumentation and Automation Technology conducts the Bachelor of Engineering Technology in Instrumentation and Automation Technology. This programme provides students with the depth of knowledge and experience necessary to apply the technology and techniques required for the development of automation, instrumentation and control systems, which have become essential components in modern industries. The objective of this programme is to address the shortage of personnel with in-depth knowledge and experience in these fields. The curriculum of the technology programme has been developed focusing on providing a broad knowledge of fundamentals in physics, electronics and information technology to the students and then gradually exposing them to the more practical and in-depth knowledge in selected areas, towards latter part of the programme. In addition to the core courses in instrumentation and automation, the course modules offered under the degree programme in Instrumentation and Automation Technology consists of foundation courses such as mathematics, basic science, computer applications and English, and supplementary courses that would give the students a competitive edge in the job market.

Department of Information and Communication Technology

The Department of Information and Communication Technology will be developed into a centre for excellence, providing opportunities for innovation and research, with well-equipped laboratories and dedicated faculty with an internationally recognized course syllabus. The department takes great pride in preparing the students for the industrial demands of software and hardware that is required for various sectors with a curriculum covering the topics and concepts that are required to design, implement, and manage a variety of computer-based solutions. Furthermore, the graduates produced under this programme would not only be given additional knowledge on complementary subjects but also be given an industrial training to work as a professional ICT expert with leadership and management skills. The Bachelor of Information and Communication Technology (BICT) degree is a four (4) year, 120 credit study programme and students get an opportunity to work in the industry for one semester through the internship/ industry training in the 4th year.

** All degree programmes offered by the Faculty of Technology consist of an internship and a research component.

Academic Programmes of the Faculty of Technology

Undergraduate Degree Programmes

Each Department of the Faculty of Technology offers one degree programme each totaling of four academic degree programs by the Faculty.

- Bachelor of Bio-Systems Technology in Agriculture
- Bachelor of Bio-Systems Technology in Environmental Technology
- Bachelor of Engineering Technology in Instrumentation & Automation Technology
- Bachelor of Information and Communication Technology

Student Societies and Activities Carried out

Student Societies established in the Faculty of Technology include

- Techno Media
- Student Welfare Society
- Environmental Club
- Techno Sports Club

The Environmental Club of the Faculty of Technology successfully launched the first programme commemorating the World Environmental Day on 5thJune2018.

The Techno Sports Club of the Faculty of Technology held first sports day on 18thAugust, 2018 at Malabe grounds with the participation of all students and the staff members.
A blood donation campaign was successfully conducted by the Buddhist Society of the Faculty of Technology in the Malabe premises on 16thNovember, 2018.

A Pirith Ceremony was successfully conducted by the Buddhist Society of the Faculty of Technology in the Malabe premises on 15thDecember, 2018.

2.10 SRI PALEE CAMPUS

Vision

The values to which Sri Palee Campus aspire are to be open, accessible and inclusive, intellectually stretching, stimulating and challenging, hospitable, welcoming, cheerful, professional, creating aesthetically pleasing environments and supportive communities, well rounded, holistic, integrated, a team, a community of communities, collaborating in wider partnership

Mission

The mission of the Sri Palee Campus is "to be a center of excellence in teaching and research, with commitment to producing men and women of high ethical standards and social responsibility who are capable of creative, analytical and independent thinking, and facilitate the creation of and dissemination of knowledge, and contribute to national development through partnerships between staff, students and different media of society".

Introduction

The Sri Palee Campus was established in 1996 as the Western Campus and subsequently changed its name as the "Sri Palee Campus" and affiliated to the University of Colombo from 11th 1998 in terms of Section 27 (1) of the Universities Act No. 16 of 1978.

The Campus continued to function with four Departments namely, the Department of Mass Media, Department of Performing Arts, Department of Languages and Department of Computer Studies in the year 2016. Inadequate senior academic staff hindered the process of elevating these four Departments to the status of Faculties.

Dr. R.N.C.K Hettiarachchi continued with his function as the Rector of the Sri Palee Campus for the year 2017.
All the academic and administrative decisions were taken in consultation with the Campus Board and the composition of the Campus Board during the year was as follows:

The Rector - Dr. R.C.K Hettiarachchi

Members nominated by the Council
Mr. K.A. Mohan Samaranayake – from 14.09.2017 up to 13.09.2020
Dr. Edwin Ariyadasa – From 14.09.2017 up to 13.09.2020

Members nominated by the Senate
Professor Agalakada Sirisumana Thero – From 25.05.2016 to 24.05.2019
Dr. N.N.J. Nawarathna – From 04-07-2016 to 03/07/2019

Head of the Departments
Dr. M.D. Kumudini - Department of Performing Arts
Dr. G.D.D.K. Sri Ranjan, - Acting Head/ Dept. of Mass Media
Dr. K.V. Dhanapala - Department of Languages
Mr. W.A.S.B. Fonseka - Head Dept. of Computer Studies

Staff Information

The following officers continued duties for the year 2018.

1. Dr. R.C.K Hettiarachchi - Rector
2. Dr. G.D.D.K. Sri Ranjan - Acting Head/Department of Mass Media
3. Dr. M.D. Kumudini - Head/Department of Performing Arts
4. Dr. K.V. Dhanapala - Head/Department of Languages
5. Mr. W.A.S.B. Fonseka - Head/Dept. of Computer Studies
6. Ms.T.M.H.P.K. Gunathilaka- Deputy Registrar
7. Ms. H.T.I Sanjeewanie - Deputy Bursar
8. Dr. A.W.V. Athukorala - Senior Assistant Librarian
9. Ms. R.M.D.M. Bandara - Assistant Registrar
10. Ms. K.H.D. Wasantha - Assistant Bursar

The following officers were newly appointed for the year 2018.

Automation Project

We are at the implementation stage at the automation project.

2.11 CENTRE FOR CONTEMPORARY INDIAN STUDIES (CCIS)

Introduction:

Vision:

To evolve and grow as an academic hub for promoting research and knowledge on contemporary India.

Mission:

The chief function of the Centre is to provide an intellectual forum for academic staff and postgraduates working in the field of contemporary Indian studies and offer a base for research for its members in collaboration with other institutions. It hopes to nurture a new generation of interdisciplinary scholars, and to provide a forum for public dialogue among the academic, business, and foreign policy communities. Therefore, the Centre aims to serve as a focus for lectures, seminars and other research events in the field, including collaborative research projects. The CCIS welcomes links with other scholars, nationally and internationally.

Introduction

The Centre for Contemporary Indian Studies (CCIS) is a multidisciplinary research centre which promotes activities connected with developing knowledge in Sri Lanka on contemporary studies in India and strengthening Indo-Lanka relationship through an institutionalized network between the two countries. It was established in 2012 under a Memorandum of Understanding (MOU) between the High Commission of India in Sri Lanka and the University of Colombo. The Centre functions under the Faculty of Graduate Studies (FGS) for academic and administrative matters and it is also linked with other faculties through its Advisory Board and Management Board. India and Sri Lanka are connected through social, religious, linguistic, cultural, economic and strategic ties that date back several centuries. However, less importance has been placed on the study of contemporary developments and changes in India. By realizing that such research and study undertaken at Sri Lanka's seat of higher learning will play an important role in guiding and strengthening the social and economic development of the country and existing bonds of friendship between India and Sri Lanka, the Centre for Contemporary Indian Studies serves to deepen the understanding of contemporary India in Sri Lanka.
In 2018, the CCIS completed six years of its inception and the centre received the 2st installment of its five year budget on November 26th.

2.16 National Education Research and Evaluation Centre (NEREC)

Vision

To improve education and training at national and regional level by undertaking research, evaluation, development, dissemination activities and provide education information services.

Mission

To establish an energetic, forward looking, educational research, evaluation, testing and training institution that has a national and regional profile.

Introduction

The National Education Research and Evaluation Center (NEREC) was established in 2000 with the objective of providing research based findings for policy formulation. Thus, by virtue of its establishment, NEREC is committed to initiate and carry out research and evaluation studies pertaining to educational policy and student achievement in Sri Lanka. For more than a decade, NEREC has conducted national assessments of achievement of students completing various grades in consultation with the Ministry of Education (MoE) and the World Bank. The services of NEREC are available for both government and non-governmental organizations by way of seminars, workshops, capacity development training sessions and research, related to education and evaluation. Thus, NEREC is committed to create a vibrant research community dedicated to education research.

Civic Education Study – 2017 which is a replication of the 2003 study was carried out and it was funded by the GIZ. The study was completed in September 2018. A second study 'Assessing Second National Language Communication Skills of Student Completing Grade 08' was commenced in February 2018 and completed in September 2018. Dissemination of findings of both studies at provincial level was held in September and October 2018.

Future Plans

A new national assessment is expected to carry out by NEREC for the year 2019 on 'Assessment of Learning Outcomes in Mathematics and English Language of Grade 8 Students in Sri Lanka'. It is funded by the Ministry of Education under the World Bank-funded General Education Modernization (GEM) Project.

2.17 STAFF DEVELOPMENT CENTRE

Introduction, with Vision & Mission

The Staff Development Centre (SDC), University of Colombo has successfully completed its twenty first year since its inception. The Staff Development Centre of the University of Colombo was launched in 1997 as the first SDC in the national university system in Sri Lanka, due to a need to commence and establish planned staff development in Sri Lankan universities.

The Mission of the SDC is "to enhance the quality of academic works undertaken by staff and students within the system of higher education in Sri Lanka, in general, and within the University of Colombo, in particular". In order to achieve this objective the SDC facilitates to make university teaching/learning more effective, more relevant, student oriented and of internationally high standard. It also facilitates to develop skills and competencies necessary for more effective and efficient performance among all members of the staff of the University including academic and non-academic staff. SDC carries out related training programmes and workshops that assists in career development of university staff, within the available financial and human resource limitations.

2. Objectives and Expected Activities of SDC[1]

1. To provide support and assistance to academic staff in developing and enhancing the various skills needed to fulfill academic tasks like preparation and reform of curriculum, teaching and research.
2. To provide support and assistance to non-academic staff in developing and enhancing the skills needed to fulfill various academic support services and activities.
3. To provide support and assistance to academic staff already in academic administrative positions (Heads of Departments, Deans of Faculties, Directors of Institutes and School, Rector etc.) or aspiring to take up such positions to acquire the skills and competencies required in the performance of academic administration.
4. To provide support to individuals and groups in the evaluation and review of teaching departments and other academic units, courses and programmes, and faculties.
5. To collaborate with individuals and groups throughout the University on projects which aim to enhance the quality of teaching and learning in the University.
6. To provide to teachers objective student feedback services on request
7. To contribute to the policies and general procedures within the University which relate to teaching and learning.
8. To contribute to the wider field of research and scholarship related to higher education.
9. To undertake publications in the areas of university staff development in general, and teaching and learning in particular, to be used within the University of Colombo and other institutions of higher learning.

[1] Source: University of Colombo Council Minutes 252/34 p.75: By-Laws (no.01of 2010) made by the Council of the University of Colombo under the Section 135 of the Universities act No 16 of 1978 and its subsequent amendments

10. To develop linkages among domestic and foreign university staff development organizations with similar objectives.
11. To raise funds through domestic and foreign sources, with the approval of the University Council, to carry out its activities, if resources placed at its disposal by the University are found inadequate.
12. To build up a resource and information centre in subjects related to university course structures, curriculum changes, methodology of university teaching and learning and research.

Currently, the SDC is successfully continuing its contribution to develop university education in an array of well-focused and diversified training programmes targeting all academic, administrative and other supportive staff members of the university.

The main regular course aimed at the academic staff is CTHE (Certificate of Teaching in Higher Education) which is accredited by Staff and Educational Development Association (UK) as well as by the University Grant Commission of Sri Lanka. Further, short courses in English proficiency (at two levels), Tamil language course for beginners, a Clerical Skills course, a course in Minute Taking and a course in preparing academics for the IELTS, were also conducted by the SDC for university staff.

In addition, the SDC conducted several workshops for both academics and non-academics. These short courses/workshops in making teaching more effective and other related services were offered to all categories of staff of the university. University staff from universities, other than Colombo, also attended the above training.

The SDC of University of Colombo is making its significant contribution to enhance and improve the capacity of academic and non-academic staff of not only University of Colombo but also other universities/institutes in Sri Lanka. During the year 2018, the SDC could successfully train over 100 university staff members in different categories from several universities in Sri Lanka, including applicants from private universities.

The SDC operates from its office complex in the University of Colombo.

3. Staff Development Programmes

Certificate in Teaching in Higher Education (CTHE) Course

The twentieth iteration of the Certificate in Teaching in Higher Education (CTHE) course was successfully completed by the SDC for University Staff, by 52 academics from different universities in Sri Lanka (University of Colombo, Sri Palee Campus, Institute of Indigenous Medicine (JIM), University of Moratuwa, University of Moratuwa (including ITUM), Rajarata University of Sri Lanka, Wayamba University of Sri Lanka, South Eastern University of Sri Lanka and Kothalawala Defence University followed the course.

In addition to the CTHE course, the SDC also conducted various workshops for the university staff during the year 2018 with the contribution from resource persons outside SDC. These workshops were conducted to enhance and increase the capacity and skills of academic, administrative and support staff to carry out their duties and tasks effectively in order to meet the expected targets and objectives of the university.

A list of workshops and courses conducted by the SDC for the year 2018, is presented below:

#	Workshop/Course	Date(s)	Resource Person(s)
1.	Certificate in Teaching in Higher Education (CTHE - batch 21)	April to December 2018	(As at 30th Novermber 2018) 1. Prof. Suki Ekaratne, Consultant, Staff Development Centre, University of Colombo. 2. Senior Prof. Marie.E.S Perera Director/NEREC, Department of Humanities Education, Faculty of Education, University of Colombo. 3. Prof. Indika Karunathilake Head/ Senior Lecturer, Department of Medical Education, Faculty of Medicine, University of Colombo. 4. Dr. Asela Olupeliyawa Department of Medical Education, Faculty of Medicine, University of Colombo. 5. Dr. Maneesha S. Wanasinghe – Pasqual Department of International Relations, Faculty of Arts, University of Colombo. 6. Prof. Arosha S. Adikaram Department of Human Resource Management, Faculty of Management & Finance, University of Colombo. 7. Dr. Pavithra Kailasapathy Department of Human Resource Management, Faculty of Management & Finance, University of Colombo. 8. Prof. H.D. Karunaratne Department of Business Economic, Faculty of Faculty of Management & Finance, University of Colombo. 9. Prof. S. Segarajasingham Department of Commercial Law, Faculty of Law, University of Colombo.
2.	Workshop on "Making Teaching Improvements and sharing these with a wider Higher Education Community"	27 February 2018	Prof. Suki Ekaratne, Consultant, Staff Development Centre, University of Colombo.

3.	Workshop on "What makes you an Excellent Teacher & How" - 01.03.2018	01 March 2018	Dr David Baume, External Examiner (SDC ASTHE course)
4.	Workshop on "Introduction to R and Basic Data Analysis" - 10.07.2018	10 July 2018	1. Dr J.H.D.S.P. Thisera, Senior Lecturer, Department of Statistics, Faculty of Science. 2. Dr Sameera Viswakula, Senior Lecturer, Department of Statistics, Faculty of Science.

4. Management Information Data Base of the SDC - use in the UGC Review of Faculties

The SDC maintains a data-base of its training activities and on details of the trained staff. This data-base has been found to be invaluable to meet the Quality Standards that the UGC calls upon faculties, departments and universities to meet through the required regular Programme Reviews of the UGC. Accordingly, the SDC provided information (from 2012 to 2017, in this instance) to enable faculties and departments of the University of Colombo to prepare for their Programme Reviews. This data form an essential component to meet Criterion 7.9 of the Programme Review which is to supply evidence to support that "The Faculty/Institute ensures that staff involved in assessing the students are competent to undertake their roles and responsibilities and have no conflict of interest".

5. Staff Information

Dr Iresha Lakshman (from 1 November 2017)
Acting Director
Staff Development Centre

Prof Naazima Kamardeen
Acting Director, Staff Development Centre (from 1 February 2018)
Director, Staff Development Centre (from 14 June 2018)

Prof Suki Ekaratne
Consultant (up to 30 June 2018)
Stall Development Centre

Ms G B I Weerasinghe
Lecturer (Probationary) **(**from 02 July 2018)

Ms O M A Prasangika Menike
Computer Application Assistant

Mr l L N Indika
Computer Application Assistant (up to 25 February 2018)

Mr M S A Fernando
Labourer

Ms N A T K Perera
Trainee Computer Application Assistant (on temporary basis)

The Social Policy Analysis and Research Centre (SPARC)

The SPARC of the Faculty of Arts, University of Colombo, provides a focal point within the Sri Lankan University system to explore critical areas of social and economic development. The SPARC activities are centered around five thematic areas: Research and Training, Advocacy and Networking.

Director – Dr Nishara Fernando

Objectives

- To facilitate independent research within Sri Lankan Universities on social development related issues.
- To facilitate interdisciplinary exchange among scholars from different backgrounds.
- To provide training and improve the quality of social science education.
- To strengthen local expertise within universities in poverty reduction and social policy formulation.
- To identify opportunities for social policy reforms in Sri Lanka.

Projects:

1. ASCENT (Advancing Skill Creation to Enhance Transformation)

Under the partnership agreement signed between the University of Huddersfield and the University of Colombo, a research project on Advancing Skill Creation to Enhance Transformation (ASCENT) was launched in May 2016. Dr. Nishara Fernando is the ASCENT project coordinator of the University of Colombo. The aim of this project is to ensure building research and innovative capacities of the Higher Education Institutions (HEIs) to deal with the challenges associated with developing societal resilience to disasters. This project consists of consortium of 13 European (Sweden, Estonia, Lithuania) and Asian HEIs (Bangladesh, Sri Lanka and Thailand.)

The University of Moratuwa and the University of Ruhuna are the other two local partners of this project. This project focuses mainly on developing capacities of junior academics by training them on various research skills such as, research methods, Disaster Risk Resilience, systematic reviews, to undertake high quality and policy/practice relevant research.

Initial research progress meeting was held at the University Of Huddersfield, United Kingdom on 17 to 24 October 2016 for which Dr. Nishara Fernando and Prof. Siri Hettige attended.

The SPARC participated in the ASCENT Research Colloquium and Discussion Forum organized by the Faculty of Agriculture, University of Ruhuna funded by ASCENT consortium held from 27 February to 4 March 2017 at University of Ruhuna, Kamburupitiya and Fisherman's Bay Hotel, Weligama, The colloquium provided trainings on; building the research profile, understanding the impact of research, online presence, interdisciplinary of research, fundamentals of advocacy and communication and case studies of international collaboration. 70 Academics representing the United Kingdom, Sweden, Estonia, Thailand, Bangladesh and Sri Lanka participated in the event.

A sequal to the Research Colloquium and Discussion Forum held in February 2017, Second Advancing Skill Creation to Enhance Transformation (ASCENT) Research Colloquium and Discussion Forum was organized by Faculty of Engineering, Naresuan University from 21 November - 24 November 2017 at Naresuan University Thailand.More than 60 participant from ASCENT partner (HEIs) shared their experiences related to research and Innovation in HEI. Out of which 60 ten are from Colombo University.

7th International Conference on Building Resilience was entitled: Using scientific knowledge to inform policy and Practice in disaster risk reduction, was held in Bangkok, Thailand from 27-29 November 2017.

A team of seven from the University of Colombo team presented their research papers under the themes of: Understanding disaster risk, strengthening disaster risk governance to manage disaster risk, investing in disaster risk reduction for resilience, Enhancing disaster preparedness for effective response and to "Build Back Better" in recovery, rehabilitation and reconstruction. Professor S.T. Hettige and Dr Nishara Fernando- Director SPARC, University of Colombo chaired two sessions at the conference.

2. Rapid Assessment on Commercial Sexual Exploitation of Children in Sri LankaNational Technical Report (CLEAR)

The SPARC was given the opportunity to carry out national study on Commercial Sexual exploitation of children in Sri Lanka, as on extention of the CLEAR project commissioned by the International Labour Organization (ILO).

Dr. Subhangi M.K Herath was the principal investigator of the study, while Dr. Nishara Fernando was the co-investigator. The research was carried out in 6 districts of the country, namely Colombo, Galle, Anuradhapura, Pollonnaruwa, Rathnapura, Gampaha and Trincomalee from 24 August to 31 March 2017.

The sample included 15 children from each district and also key informant interviews were carried out with parents of the children and the government officials related to the field.

The final report on the Commercial Sexual Exploitation of Children of Sri Lanka was presented at a validation workshop organized by the Ministry of Women and Child Affairs. The final report was handed over to the ILO on the 25 th of September 2017.

Project on strengthening the capacity on emergency response (Asian Disaster Preparedness Centre)

3. Colombo Branch Office of the South Asia Institute (SAI), University of Heidelberg

Prof. Siri Hettige from Colombo University was appointed the first chair for Sri Lankan Studies at SAI in April 2016 and Dr. Nirmal Ranjith Dewasiri from Colombo University was appointed as the second chair in April 2017.

Prof. Gita Dharampal Frick (Head of History Department, SAI) paid a visit to Sri Lanka from 18 to 30 March 2017 to promote SAI in Sri Lanka and also to explore possible research collaboration with Sri Lankan Universities. She visited Peradeniya, Eastern, Jaffna and Colombo Universities and discussed with members of staff of history departments and Deans of faculties of Arts/Humanities about the possibility of forming research links. Also she delivered talks to the faculty of Arts and Humanities at each of these universities.

4. Mobility Project

Under the European Commission funded international staff exchanges project for mobility of staff between United Kingdom and Sri Lanka, 16 academics representing 5 Sri Lankan Universities including University of Colombo, University of Peradeniya, University of Ruhuna, South Eastern University of Sri Lanka and University of Moratuwa got the opportunity to participate at the 1st Mobility Training event held in University of Huddersfield, UK. The programme was organized by the Global Disaster Resilience Center of University of Huddersfield from 10th to 20th of September 2018.

The mobility programme provided training opportunities for both senior academics and junior academics. Dr. Nishara Fernando- Head of the Department, Sociology, Dr. M.T.M.Mahees- Senior lecturer, Department of Sociology, Mr. Mahesh Senanayake- Senior lecturer, Department of Political Science and Public Policy and Ms Sandamali Wijerathne- Lecturer Probationary, Department of Geography participated the training progaramme. The senior academics received training for 14 days while the junior academics were trained for 30 days. The theme of the programme was "Making Cities Resilient around the World, lessons from the UK" and the staff members participated in a two day workshop and brainstorming session which focused on identifying local disaster risk reduction challenges in Sri Lanka, and share the experiences of the staff members. In addition, the participants of the mobility programme met with the officials of the Manchester City Council and participated in a discussion on the policies and the practices of the city council with regards to disaster resilience.

The academics also got an opportunity to visit the flood defense system in operation at the river Mersey. This allowed them to comprehend the technical aspects related to the flood defense systems in United Kingdom and to identify how those mechanisms can be utilized in the local context.

2.19 International Office, University of Colombo

Vision

The University of Colombo has a strong commitment towards developing strategic links with internationally recognized centres of academic excellence towards becoming a global player in knowledge production through high quality teaching and research. Established in 2008, the International Office of the University of Colombo seeks to foster and develop such linkages through international collaborations with renowned universities, educational centres, academic programmes, professional academic associations and international organizations through student exchange programs, staff mobility programs, conferences, seminars, workshops and joint research.

Mission

The International Office of the University of Colombo was established to facilitate the development of international links of the University of Colombo, provide relevant information on the University of Colombo to prospective international students, liaise with faculties, and help overseas faculty and students affiliated to the University of Colombo with their stay in Colombo.

Since its inception in 2008, the IO has been instrumental in promoting international collaborations of the University of Colombo. The IO currently has a number of successful student exchange and staff mobility programs.

The objectives of the IOUC:

To promote collaborative and innovative research between the University of Colombo and partner universities/ institutions.

1. Implement new study abroad programs and develop existing partnerships.
2. Create Postgraduate opportunities for University of Colombo faculty abroad and develop curricula through institutional links and faculty exchange.
3. Strengthen E-learning and distance learning programs for postgraduate students and development of Information Technology.
4. Organize joint conferences, seminars and workshops with partner universitie.s
5. Establish new research opportunities for undergraduate and postgraduate students with partner institutions and strengthen existing Research networks.

In keeping with above objectives, in 2018, the IOUC took part in a number of activities and formed new links with universities and institutions abroad.

Collaborations with International Universities/Institutes:

During this year 21 MoUs and agreements were signed between our University and following universities/Institutes;

January :	- Grant agreement with The Embassy of Japan in the Democratic Socialist Republic of Sri Lanka,
	- Jinan University, China
	- Riga Technical University, Latvia
April	- Western Sydney University, Australia
	- Weidong cloud Education Group, China
May	- London Examinations Board Limited, UK
August	- MERIAL SAS
	- UNESCO regional Office, Bangkok
	- Hainan University, P.R. China
	- OXFAM, Australia
September :	- Justus Liebig University, Giessen, Germany
	- The International Union Against Tuberculosis and Lung Disease, Inc., France
	- Durham University, UK
October	- Meiji University, Japan
	- Shanghai University, China
	- Jawaharlal Nehru University, India
	- Queensland University, Australia
	- University of Lausanne, Switzerland
December	- Philips Medical Systems , Netherlands
	-Yunnan University, China

Potential Collaborations for 2020/2021

1. 03.01.2018 Meeting with Dr. Liwan Liyanage , from Western Sydney University, Australia to discus about ongoing collaborations between the two universities.
2. 12.01.2018 meeting with Professor InJune Cha, President of Inje University, South Korea regarding on going collaborations between the two universities.
3. 15.01.2018 meeting with Prof.Luo Zhongshu, Dean of School of International Studies, Sichuan University regarding potential collaborations between the two universities.
4. 17.01.2018 meeting with H.E. Mr. Kenichi Suganuma, Ambassador of Japan to Sri Lanka on providing facilities to Sri Palee Campus .
5. 26.01.2018 meeting with Professor Hu Jun, President, Jinan University regarding potential collaborations between the two universities.
6. 26.01.2018 meeting with Mr. Hüseyin Gündoğar, Vice President of Presidency for Turks Abroad and Related Communities regarding potential collaborations between Turkey and University of Colombo.
7. 26.01.2018 meeting with Professor Igros Tipans, Deputy Rector International Riga Technical University, Latvia on potential collaborations between the two universities.
8. 02.03.2018 meeting with Professor Anthony Forster , Vice Chancellor , University of Essex, UK regarding potential collaborations between the two universities.
9. 16.03.2018 meeting with Professor JIA Wenjian Vice President of Beijing Foreign Studies University, China regarding on going collaborations between the two universities.
10. 23.04.2018 meeting with Mr. Gray Handley ,Associate Director for Global Research Affairs , NIH, USA regarding potential collaborations between the to universities.
11. 17.05.2018 meeting with Professor Cai Feng, , Director-General of Third Institute of Oceanography, State Oceanic Administration (SOA), China regarding potential collaborations between the two universities.
12. .18.05.2017 meeting with representatives of London Examination Board , UK regarding potential collaborations.
13. 05.06.2018 meeting with Prof. Peter Woods, Business School, Griffith University, Australia on potential collaborations between the two universities.
14. 09.07.2018 meeting with Dr. Stan Oliver, Nothembria University, United Kingdom regarding potential collaborations between the two universities.
15. 07.09.2018 meeting with Associate Professor Linda Taylor, PVC International, Western Sydney University, Australia regarding on going collaborations between the two universities.
16. 02.11.2018 meeting with British Council delegation regarding potential collaborations.
17. 13.12.2018 meeting with Mr. Wesley Teter, representative from UNESCO, Bangkok Regional Office, Thailand regarding on going capacity building project.
18. 14.12.2018 meeting with representatives from International Centre for Higher Education Innovation , Shenzhen , China regarding on going capacity building project.

Student Exchange Programmes:

Incoming students:

#	Name	Passport No.	University
1	Mr. Schier, David	C60PKT5CO	Justus Liebig University, Germany
2	Ms. Bös, Layla-Louise	C5M5LO6FX	Justus Liebig University, Germany
3	Ms. Faria Naznin Prapti	210395388	Southern Denmark University, Denmark
4	Mr. Mohammad Ussama Khushdil	207261215	Southern Denmark University, Denmark
5	Ms. Anna Elise Sundin	91478459	Umea University, Sweden
6	Ms. Linda Angelica Engdahl	94281229	Umea University, Sweden
7	Mr. Samson Edward Keam	N1276847	Deakin University , Australia
8	Mr. Ben Vecchiet	N6444655	Deakin University , Australia
9	Ms. Catherine Margaret West	PE0395560	Deakin University , Australia

Outgoing students:

The following three students from the Department of English, Faculty of Arts were nominated to spend the Summer Semester at Justus Liebig, Giessen, Germany. Their details are as follows;

1. Ms. Shannon Constantine
2. Ms.Phusathi Liyanaarachchi
3. Lihini Nilaweea

The following students from the Faculty of Management & Finance participated in Asian Alliance Youth Forum (AUAYF) 2018 organised by Universitas Indonesia held in Bali , Indonesia .

Their details are as follows;

1. Ms. Lihini Madhushika Weerasinghe
2. Ms. Dewni Amaya Sathurusinghe, Sathurusinghe Arachchige
3. Ms. Nilupa anuradhi Premasiri, Vidana Pathiranage

The following students from the Faculty of Education participated in the AUA student mobility in Asia Deep Drive Program: Experiencing Kazakhstan organised by Nazarbayev University, Kazakhstan in July 2018.

1. Ms. R. A. S. Chandrasena
2. Ms. L. K. D. S. Peiris

Incoming students- Visiting Casual Students

#	Name	Passport No.	University
1	Ms. Ellen Grace Schulz	PA3084295	Adelaide University, Australia
2	Mr. Oliver Friedmann	PA3089263	Australian National University, Australia

Sri Lanka Government Scholarships for Foreign Students 2015/2016- Ministry of Higher Education:

The University of Colombo is part of the 'Sri Lanka Government Scholarships for Foreign Students 2016/2017' scheme conducted by the Ministry of Higher Education. The scheme which offers undergraduate and postgraduate scholarships to foreign students from 48 countries is conducted by the Ministry of Higher Education with the expectation of bringing about stronger educational co-operation with friendly nations.

Two new student has been enrolled in undergraduate program at the University of Colombo under this scheme.

Her details are as follows:

Name	Country	Degree Program	Faculty
Ms. Premlatha Nepune	Nepal	BSc. in Physio Therapy	Faculty of Medicine
Ms. Suha Waheed	Maldives	BBA	Faculty of Management and Finance

Guest Lectures, workshops, interviews, visits and other activities in 2017:

Workshops

1.The joint seminar on " Indo-Sri Lanka approach in disaster management: Sharing knowledge and best practices" on 08.10.2018 at the Senate Hall.

2.The Semnarir on PPP funding offered by on DAAD German Academic Exchange Service on 04.07.2018.

Visits

1.03.01.2018 Meeting with Dr. Liwan Liyanage , from Western Sydney University, Australia to discus about ongoing collaborations between the two universities.

2.12.01.2018 meeting with Professor InJune Cha, President of Inje University, South Korea regarding on going collaborations between the two universities.

3.15.01.2018 meeting with Prof.Luo Zhongshu, Dean of School of International Studies, Sichuan University regarding potential collaborations between the two universities.

4. 17.01.2018 meeting with H.E. Mr. Kenichi Suganuma, Ambassador of Japan to Sri Lanka on providing facilities to Sri Palee Campus .

5.26.01.2018 meeting with Professor Hu Jun, President, Jinan University regarding potential collaborations between the two universities.

6.26.01.2018 meeting with Mr. Hüseyin Gündoğar, Vice President of Presidency for Turks Abroad and Related Communities regarding potential collaborations between Turkey and University of Colombo.

7.26.01.2018 meeting with Professor Igros Tipans, Deputy Rector International Riga Technical University, Latvia on potential collaborations between the two universities.

8.02.03.2018 meeting with Professor Anthony Forster , Vice Chancellor , University of Essex, UK regarding potential collaborations between the two universities.

9.16.03.2018 meeting with Professor JIA Wenjian Vice President of Beijing Foreign Studies University, China regarding on going collaborations between the two universities.

10. 23.04.2018 meeting with Mr. Gray Handley ,Associate Director for Global Research Affairs , NIH, USA regarding potential collaborations between the to universities.

11. 17.05.2018 meeting with Professor Cai Feng, , Director-General of Third Institute of Oceanography, State Oceanic Administration (SOA), China regarding potential collaborations between the two universities.

12. .18.05.2017 meeting with representatives of London Examination Board , UK regarding potential collaborations.

13. 05.06.2018 meeting with Prof. Peter Woods, Business School, Griffith University, Australia on potential collaborations between the two universities.

14. 09.07.2018 meeting with Dr. Stan Oliver, Nothembria University, United Kingdom regarding potential collaborations between the two universities.

15. 07.09.2018 meeting with Associate Professor Linda Taylor, PVC International, Western Sydney University, Australia regarding on going collaborations between the two universities.

16. 02.11.2018 meeting with British Council delegation regarding potential collaborations.

17. 13.12.2018 meeting with Mr. Wesley Teter, representative from UNESCO, Bangkok Regional Office, Thailand regarding on going capacity building project.
18. 14.12.2018 meeting with representatives from International Centre for Higher Education Innovation , Shenzhen , China regarding on going capacity building project.

Activities

1. International Office organized " Nippon Ship Maru Program Academic Session" in collaboration with National Youth Services Council , Sri Lanka and Japanese Embassy in Colombo on 16.02.2018 where 280 foreign students were participated.

   Organizing Mitsubishi UFJ foundation, Japan scholarship awarding ceremony on 17.10.2018 in collaboration with Tokyo Banking Cooperation, Colombo.

2.20 THE LIBRARY

Vision

To support the university's vision in building synergies between knowledge, education and research, by striving to create an environment conducive to learning, teaching and intellectual advancement

Mission

To underpin the mission of the university, by providing high quality service for the staff, students and the researchers to satisfy their quest for knowledge.

2.21 IQAU

Vision

Strive to be a centre of excellence of regional and international repute, building synergies between knowledge, education, research and entrepreneurship.

Mission

To be the benchmark setter for ensuring and improving the quality of university teaching, learning, assessment, and academic governance with transparency, accountability, and reflexivity for transformative education.

Introduction

The IQAU at the University of Colombo was established in April 2015 as mandated by the University Grants Commission circular 4/2015. It`s main responsibilities are:

i. Coordination of all Quality Assurance (QA) related activities of the University.

ii. Liaising with the UGC through Quality Assurance Council (QAC) of the University Grants Commission.

iii. Monitoring and providing guidance to QA activities of the Faculties and Institutes.

iv. Implementation of QA Reviews/Audits and follow up actions.

v. Preparing the University for external reviews conducted by the QAAC and implementation of the recommendations.

vi. Provision of advice on QA related matters to the all Faculties, Department, Institutes, Units and centers as well the administrative staff.

vii. Preparation of QA related Guidelines and Manuals on the recommendation of the Management Committee.

viii. Providing necessary guidance in Establishing the QA cells, defining their duties and responsibilities and monitoring their progress.

ix. Representing the University in QA related activities, whenever required.

x. Assist the Faculties/Institutes of the University to comply with the guidelines specified in the Sri Lanka Qualification Frame Work (SLQF), in designing, conducting and evaluation of academic programs.

The IQAU is placed directly under the purview of the Vice Chancellor and is managed by a Director. The financial and administrative functions of the IQAU shall be managed through a Management Committee.

As per the circular the Management Committee shall be comprised of the following minimum `composition.

I. Director

II. Deans of all faculties (and/or a nominee)

III. Directors of the Institutes (and/or a nominee)

IV. Registrar (and/or a nominee)

V. Bursar (and/or a nominee)

VI. Librarian (and/or a nominee)

VII. Director – Staff Development Centre

VIII. Chairpersons of the QA cells of the University of Colombo

IX. Convener (Administrative Officer - AR/ SAR)

Achievements:

i. Establishment of the IQAU Office

The office of the IQAU was established in the college house. The building was renovated, and is now fully functional with all required equipment and furniture.

ii. Appointment of the **Management Committee:**

A management Committee was appointed as per the Commission Circular 04/2015 to monitor the administrative and financial functions of the IQAU. In order to ensure that all faculties/institutes are represented without fail, an additional member (other than the Dean/Director) was appointed to the Management Committee. The second representative is a member of the Faculty/Institute QA Cell.

iii. By Laws

A set of by Laws was developed for the IQAU and was approved by the Senate.

iv. Strategic Plan:

A sub Committee was appointed to develop a Strategic Plan for the IQAU. Draft Strategic plan to be approved by the Management Committee and the Senate.

v. Quality Assurance Cells (QACs):

QAC´s were established in all faculties and Institutes. Each QA cell has developed a Terms of Reference (ToR) for smooth functioning of the cells. QAC meetings are held regularly and the progress is reported to the respective Faculty boards and IQAU Management Committee.

v**i. External Reviews**

Program Reviews

Following Program reviews have been conducted in 2018

- Faculty of Arts (General Degree and Special Degree Programs)
- Sri Palee Campus (Mass Media, Performing Arts)
- Faculty of Management & Finance
- Faculty of Law
- Faculty of Education

Future Plan:

1. Periodic Evaluation of the progress of QA activities of each Faculty/Institute.
2. Implementing the recommendations made by the Reviewers. (both Programme and Institutional)
3. Getting prepared for the Institutional Review to be held in 2020.
4. Development of Manual of Procedures as mandated by the Management Committee.
5. Development of a Management Information System for all Faculties.
6. Conducting awareness workshops on QA activities.

Technology	-	87	101
Total	**882**	**813**	**1200**

Government and foreign funding are available for academics through the processes of competitive application. The University allocated Rs. 45 million for research and research promotional activities of the University from the Government funds. These funds were used to award Postgraduate Research Scholarships, Collaborative Research Grants, infrastructure Development Grants, Small Grants, Travel Grants, Foreign PhD grants and to improve University and Faculty research promotional activities such as international & local conferences.

The University of Colombo Annual Research Symposium 2018 was held on 8 November 2018 at the University of Colombo under the theme of 'Engaging with the Digital World in Higher Education'

Faculties held their Faculty Research Symposia/Conferences separately in conjunction with the University Research Symposium and 205 abstracts were included in the Symposium Proceedings.

The International Conference of the Faculty of Arts on theme, "Challenges and Opportunities in the Advancement of the Humanities and Social Sciences in the Digital World," was held from 8 – 9 November 2018.

The 13th International Research Conference on Management and Finance (IRCMF), was held on 16 November 2018 successfully. The Conference created a unique platform for local authors to meet with their international counterparts to deliberate and debate their research papers in mutually beneficial atmosphere.

The International Legal Research Conference (ILRC) 2018, organized by the Faculty of Law, University of Colombo was held on the 16 and 17 November 2018. The Conference coincided the 70th Anniversary of the Faculty of Law, was themed 'Rethinking Law: Loss Ignorance or Innocence?."

Vice Chancellor's Awards for Research Excellence were presented to the following academics at the Postgraduate Convocation 2017 held in November 2018.

Faculty of Arts Professor Chandrasiri Niriella
Faculty of Management & Finance Dr Pavithra Kailasapathy
Faculty of Medicine Professor Deepika Fernando
Faculty of Science Professor K.M.N. De Silva
Faculty of Technology Dr. R.U.K. Piyadasa
IBMBB Dr. S.R. Samarakoon
PGIM Dr. A.U. Jayatileke

5 STUDENT & STAFF AFFAIRS

FINANCIAL ASSISTANCE

Financial assistance was given to students in the form of Bursaries and Mahapola Scholarships. These payments have been made for all faculties through ATM.

a) Mahapola Scholarships

The monthly break down of Mahapola Scholarships (University contribution of Rs.2450/- for each student per month) granted to new entrants and senior students during the year 2018 were as follows:

The estimated investment for the project was Rs. 969 Million.

7 INTERNAL AUDIT

During the year 2018, the Internal Audit comprised seven (07) staff members. One Deputy Internal Auditor, One Senior Assistant Internal Auditor, four Management Assistants and one Office Peon.

In 2018, the Audit Committee of University of Colombo met on four (04) occasions and discussed the matters that arose from internal audit reports and audit queries of the Government Auditors.

The Audit Committee meetings conducted at the other institutions of the University of Colombo are given below.

Audit Committee meetings at Institutes	**Number of meetings held**
Institute of Indigenous Medicine	4
Institute of Human Resource Advancement	4
Postgraduate Institute of Medicine	4
Institute of Biochemistry, Molecular Biology and Biotechnology	4
National Institute of Library and Information Science	4
University of Colombo School of Computing	4
Institute for Agro-technology and Rural Sciences	3

Pre-Auditing Activities were carried out with regards to

- ✓ Refund of University Provident Fund
- ✓ Payments of retirement gratuity
- ✓ Granting of incremental credits
- ✓ Pension payment applications
- ✓ Payment of salary arrears

Audit Reports

During the year, the following audit reports were submitted with copies to the Auditor General and The Internal Auditor of the University Grants Commission.

1. Internal Audit Report on procurement affairs in 2017 of Institute of Human Resource Advancement (IHRA)
2. Internal Audit Report on the payment of Mahapola and Bursary for the students of faculties and academic units of University of Colombo
3. Internal Audit Report on the damage to the vehicle No. KR 2293 of University of Colombo
4. Internal Audit Report on non-payment of fees for Iron Pipes obtained on rent when repairing the roof of the Faculty of Law of University of Colombo
5. Internal Audit Report on inefficient situations of University of Colombo
6. Internal Audit Report on Payment of Over Time of University of Colombo
7. Internal Audit Report on inspection of personal files of University of Colombo
8. Internal Audit Report on the delay in release of University Provident Fund of retired employees of Postgraduate Institute of Medicine (PGIM)
9. Internal Audit Report on Physical verification of the petty cash imprest of Postgraduate Institute of Medicine (PGIM)
10. Inspection of accuracy of salary, Institute of Indigenous Medicine (IIM)
11. Inspection of accuracy of salary, Mrs NVP Rohini, Senior Lecturer Gr I, Institute of Indigenous Medicine (IIM)

12. Inspection of accuracy of salary, Dr MI Manudha, Senior Lecturer Gr I, Institute of Indigenous Medicine (IIM)
13. Internal Audit Report on Miscellaneous Payments of first quarter of the year 2017 of Institute of Biochemistry, Molecular Biology and Biotechnology (IBMBB)
14. Internal Audit Report on cash book and Bank reconciliation statements of the year 2017 of Institute of Biochemistry, Molecular Biology and Biotechnology (IBMBB)
15. Internal Audit Report on the situation in the Accounts Division and hostels of Sri Palee Campus, University of Colombo
16. Internal Audit Report on Physical verification of the petty cash imprest of Sri Palee Campus, University of Colombo
17. Internal Audit Report on usage of vehicles of Institute of Human Resource Advancement (IHRA)
18. Internal Audit Report on inspection of personal files of Institute of Human Resource Advancement (IHRA)
19. Internal Audit Report on advances and utilities of Institute of Human Resource Advancement (IHRA)
20. Internal Audit Report on inspection of personal files of University of Colombo
21. Internal Audit Report on inspection of Havelock Hostel
22. Internal Audit Report on inspection of Bloemfontein Hostel
23. Internal Audit Report on Students Societies of University of Colombo
24. Internal Audit Report on utilities of University of Colombo
25. Internal Audit Report on Violation of bonds of University of Colombo
26. Internal Audit Report on loans of University of Colombo
27. Internal Audit Report on Procurement of Institute for Agro technology and Rural Sciences (IARS)
28. Internal Audit Report on vouchers of Institute for Agro technology and Rural Sciences (IARS)
29. Internal Audit report on physical verification of the petty cash imprest of Postgraduate Institute of Medicine (PGIM)
30. Internal Audit report on usage of vehicles of Postgraduate Institute of Medicine (PGIM)
31. Internal Audit report on procurement of Postgraduate Institute of Medicine (PGIM)
32. Internal Audit report on advances of Postgraduate Institute of Medicine (PGIM)
33. Internal Audit report on utilities of Postgraduate Institute of Medicine (PGIM)
34. Internal Audit Report on inspection of Moragasmulla Girls' Hostel of Institute of Indigenous Medicine (IIM)
35. Internal Audit report on procurement of Institute of Indigenous Medicine (IIM)
36. Internal Audit report on inspection of personal files of National Institute of Library & Information Sciences (NILIS)
37. Internal Audit report on procurement of National Institute of Library & Information Sciences (NILIS)
38. Internal Audit report on payment vouchers of National Institute of Library & Information Sciences (NILIS)
39. Internal Audit report on loans of National Institute of Library & Information Sciences (NILIS)
40. Internal Audit report on physical verification of the petty cash imprest of National Institute of Library & Information Sciences (NILIS)
41. Internal Audit Report on inspection of personal files of Institute of Biochemistry, Molecular Biology and Biotechnology (IBMBB)
42. Internal Audit Report on vouchers of 2017 of Sri Palee Campus
43. Internal Audit report on procurement process of 2017 of Sri Palee Campus

Auditing of Construction files

1. Construction of four storied building extension to the east wing building, Faculty of Management and Finance, UOC. (CWP/04/2015/Mgt/ Pts/01)

14. Stat Circle Student Society
15. Faculty Club
16. Medical Students' Buddhist Association
17. Faculty of Arts Students' Union
18. Epsilon-Delta Student Society, Faculty of Science
19. Science Society
20. Botanical Society
21. Gavel Club Final Accounts

8. Summary of the actions expected to be taken by University of Colombo in order to improve the performance of the University.

Goal 01 - Achieving excellence in teaching and learning

- Promote interactive methods in teaching - learning process
- Widen access to ICT resources
- Promote access to information resources through modern technology
- Integrate IT into library services
- Increase university-industry collaborations to enhance graduate attributes
- Promote community based service learning projects
- Review curricula periodically to meet the stakeholders' needs
- Map programs with SLQF
- Encourage research on national and international issues
- Increase the number of postgraduates and doctorial students in the faculty

Goal 02 - Achieving excellence in research and innovation

- Encourage research by providing incentives
- Integrate research into undergraduate programs
- Integrate research Postgraduate programs
- Ensure wide dissemination of research outputs
- Encourage research on national and international issues
- Organize national and international research conferences/workshops/Symposia
- Develop a Centre for Research Development
- Promote national research collaborations

Goal 03 - Providing improved infrastructure facilities

- Improve and Modernize lecture halls/laboratories
- Redefine library space
- Improve sanitary facilities
- Provide facilities for differently abled people
- Improve facilities at the Health Centre
- Development of landscaping with attractive faculty premises
- Improving office with modern office furniture and equipment
- Improving accommodation for students
- Improving cafeteria facilities (space, healthy food, etc.)
- Improving facilities for physical and mental fitness
- Promote and encourage multicultural, social and multi – religious events
- Promote and encourage sports events between staff and students/academic & non-academic
- Promote green and sustainable initiatives

Goal 04 - Managing human capital

- Recruit competent academic staff
- Form a pool of experts with academic excellence
- Recruit competent nonacademic staff through rigorous selection process
- Design training programs for current and future staff
- Staff Recognitions
- Developing policy paper to implement

Goal 05 - Ensuring good governance

- Recruitment of all staff and appointment to administrative posts are made according to established procedures and rules in a fair and transparent manner
- Promotion of staff is done in a timely, transparent, and accountable manner
- Ensure work norms
- Substantive and procedural fairness is ensured in disciplinary matters involving students and staff
- Revise the existing reporting system of providing financial and non-financial information at different levels of governance
- Preparation of Financial Manual
- Introduce paperless financial and administrative control procedures wherever possible using existing database

Goal 06 - Fulfilling social responsibility

- Conduct community outreach programmes
- Introduce education programs for school students
- Staff engagement in collaboration/partnership with governmental organization, non-governmental organization and civil society organizations
- Contribution to society out of collaboration / partnership with governmental organization, non-governmental organization and civil society organizations
- Involvement of staff at national professional organizations
- Write books and publications for national policy development
- Participate in advisory boards on national policy
-

Goal 07 - Ensuring global visibility

- Find International Partner Organizations
- Staff exchanges with foreign universities
- Student exchanges with foreign universities
- Obtain postgraduate degrees from foreign universities
- Overseas short-term training received by the staff
- Receive International Students
- Take part in international sports and other competitions
- Provide funds to take part in international conferences/workshops/training programmes
- Establish international centers
- Encourage university graduates to secure placements at foreign universities
- Encourage to obtain institutional memberships in academic/professional associations
- Obtain memberships in international academic/professional associations
- Promote publications in international peer-reviewed indexed journals and internationally recognized book chapters/books
- Encourage staff to serving in editorial boards of internationally recognized journals
- Encourage academics to be the speakers at international conferences
- Encourage to take sabbatical positions in foreign universities

9. A Future Projection Report, based on Suitable Development

The University of Colombo is planning to organize various activities to safeguard the environment and mitigate any negative impact on the environment

The University of Colombo established, the Center for Environmental initiatives (CEI) of University of Colombo with the target of achieving environmental protection and sustainable green development. The goals of the Center for Environmental Initiatives are as follows:

- Adoption of green initiatives and becoming a green university by 2020
- Establishment of a proper solid waste management system for the university
- Protecting the campus environment and making the campus premises more environmentally friendly
- Creating environmental awareness among university community and outside the university (Schools) and supporting others in green activities

In achieving the above goals the University is planning to organize a number of programs with the support of many public and private authorities/organizations to create environmental awareness among the university community.

Further, the University academics have done various researches in relation to sustainable development & environment and disaster impact assessment analysis and the outcomes of these research will be present at the Annual Research Symposium Sessions.

To promote environmental sustainability is one of the objective of the University of Colombo Strategic Plan 2019-2023 and under said objective the University will work to introduce and practice sustainable environmental initiatives. The University is also planning to take necessary action to promote green sustainable initiatives and to conserve water and energy

13 March, 2019

To the Auditor General

Management Representation on the Financial Statements

We are providing this letter in connection with the audit of the financial statements for the year ended 31st December 2018 of the University of Colombo as of 94, Cumarathunga Munidasa Mawatha, Colombo 03 and for the period of 01-01-2018 to 31-12-2018 for the purpose of expressing an opinion as to whether the financial statements present fairly, in all material respects, the financial position, results of operations, and cash flows of University of Colombo in conformity with Sri Lanka Public Sector Accounting Standards. We confirm that we are responsible for the fair presentation in the financial statements of financial position, results of operations, and cash flows in conformity with Sri Lanka Public Sector Accounting Standards.

Certain representations in this letter are limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief [as of (date of Auditor General's report)] the following representations made to you during the audit.

1. The financial statements referred to above are fairly presented in conformity with Sri Lanka Public Sector Accounting Standards and prepared in consistent with the preceding year.

2. We have made available to the Auditor General all :
   a) Financial records and other information requested by the Auditor General
   b) Minutes of the meetings of Board of Directors, and committees of directors, or summaries of actions of recent meetings for which minutes have not yet been prepared.

3. There have been no communications from regulatory agencies concerning non-compliance with or deficiencies in financial or other reporting practices.

4. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements.

5. There has been no :
   a) Fraud involving management or employees who have significant roles in internal control.
   b) Fraud involving others that could have a material effect on the financial statements.

6. The company has no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

Notes to the Financial Statements

1. General Information

1.1 Legal and Domicile form

University of Colombo has been incorporated under Universities Act No.16 of 1978. The main Administration building is located at the College House, No.94, Cumaratunga Munidasa Mawatha, Colombo 03.

The Statements of Financial Position, Statements of Financial Performance, Statements of Changes in Equity, Statement of Cash Flow as at and for the year ended 31st December 2018 were authorized for issue by the Council held on 13th March 2019.

The Colombo Science & Technology Cell established as a limited Liability Company (guarantee), in line with the first schedule to the Companies Act No.7 of 2007.

1.2 Financial Period

The Financial period of the University is from 01st January to 31st December 2018.

1.3 Date of Authorization for Issue

The financial statements were authorized for issue by the Council held on 13th March 2019.

All accounting policies adopted by the University are consistent with those of the previous year, where necessary comparative figures have been adjusted to conform to the changes, in presentation of current year figures.

1.4 Principal Activities and Nature of Operations

(a) to admit students and to provide for instruction in any approved branch of learning;

(b) to held examinations for the purpose of ascertaining the persons who have acquired proficiency in different branches of learning;

(c) to cooperate, by way of exchange of teachers, students and scholars or otherwise, with other Universities or institutions in Sri Lanka or abroad, having objects similar or substantially similar to those of the University;

(d) to provide Postgraduate courses, and for this purpose, to cooperate with other universities or authorities in Sri Lanka or abroad, in such manner and for such purposes as the University may determine;

(e) to grant confer degrees, diplomas and other academic distinctions to and on persons who have pursued approved courses of study in the university or in any recognized institution and who have passed the examinations of the University prescribed by By-laws;

1.5 Going Concern

The University has made an assessment of the University and its ability to continue as a going concern and is satisfied that it has the resources to continue in entity for the foreseeable future. Furthermore, the Council is not aware of any material uncertainties that may cast significant doubt upon the University's ability to continue as a going concern. Based on that the Financial Statements have been prepared on the going concern basis.

1.6 Basis of Preparation of Financial Statements

1.6.1 Statement of Compliance

The Financial Statements of the University of Colombo have been prepared under the historical cost convention in conformity with Sri Lanka Public Accounting Standards issued by the Institute of Chartered Accountants of Sri Lanka.

This Financial Statement comprises of the statement of Financial Position, Statement of Financial Performance, Statement of Cash Flow, Statement of Changes in Equity and Notes to the Financial Statements.

The principal accounting policies applied in the preparation of the Financial Statements are set out below. These policies have been consistently

applied to all periods presented in the financial statements unless otherwise stated.

The Financial Statements were not incorporated with the financial status of the university students' societies and Colombo Science & Technology Cell.

1.6.2 Basis of Measurement

The financial statements have been prepared on accrual basis and under the historical cost basis, except where appropriate disclosures are made with regard to fair value under relevant notes.

1.6.3 Comparative Information

Comparative information including quantitative, narrative and descriptive information is disclosed in respect of the previous period for all amounts reported in the financial statements, in order to enhance the understanding of the financial statements of the current period and to improve comparability.

1.6.4 Materiality and Aggregation

Each material class of similar items have been presented separately in the Financial Statements. Items of dissimilar nature or function have been presented separately unless they are immaterial.

1.6.5 Offsetting

Assets and liabilities, and revenue and expenses have not been offset unless required or permitted by the SLPSAS.

1.6.6 Events after the date of the Statement of Financial Position

All material events after the reporting date has been considered and where appropriate adjustments or disclosure wherever necessary have been made in the Financial Statements.

1.6.7 Functional & Presentation Currency

Items included in the Financial Statements of the University are measured using the currency of the primary economic environment in which the University operated (the functional currency). These Financial Statements are prepared and presented in 'Sri Lanka Rupees' (Rs.), which is the functional and presentation currency of the University.

1.6.8 Transactions of Foreign Currency

All foreign exchange transactions are converted to Sri Lanka Rupees, which is the reporting currency, at the rates of exchange prevailing at the time the transactions were affected.

1.6.9 Rounding

The amounts in financial statements have been rounded-off to the nearest rupee, unless otherwise indicated as permitted by the Sri Lanka Public Sector Accounting Standards.

1.6.10 Significant Accounting Estimates and Judgments

The preparation and presentation of financial statements, in conformity with Sri Lanka Public Sector Accounting Standards, requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates and judgments used.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised, if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Information about significant areas of estimates, uncertainty and critical judgments in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is as follows:

(a) Defined Benefit Plan

The cost of the retirement benefit plan of employees ins determined using Projected Unit Credit (PUC) method. Such method involves use of assumptions concerning the rate of interest, rate of salary increase and retirement age. Due to the long-term nature of the plan, such estimates are subject to significant uncertainty.

(b) Changes in Accounting Estimates and Judgments

Any changes in accounting estimates and critical judgments are disclosed in the relevant notes to the financial statements.

2. Summary of Significant Accounting Policies

2.1 Current Assets

Current Assets classified in the Statement of Financial Position are those which will be recovered within one year after the Statement of Financial Position date.

2.1.1 Cash and Cash Equivalents

Cash & Cash Equivalents comprise cash in hand, the bank balances and short-term investments.

2.1.2 Inventories & Stocks

Inventories are stated at the lower of cost and net realizable value. In general, cost is determined on a first-in-first-out basis and includes expenditure incurred in acquiring the inventories and bringing them to their existing condition and location.

The Inventory of the University includes stationery, chemicals, consumables and maintenance items.

2.1.3 Receivables

A sum of Rs.39,569,739 is due from employees on account of breach of bonds and agreements as at 31.12.2018.

2.2 Non- current Assets

2.2.1 Property, Plant & Equipment

Lands, Buildings, Laboratory and Teaching Equipment, Fixtures & Fittings, Library Books and Periodicals, Motor Vehicles, Cloaks and Other Assets include the items acquired out of government grants, research grants, internally generated funds, and donations.

In order to receive the ownership of the land at Homagama, Pitipana, Mahahenawatta provided by the Government to construct the Faculty of Technology, the University is requested to pay Rs.731 Million to the UDA.

(a) Basis of Recognition and Measurement

Property, Plant and Equipment are recognized if it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be reliably measured**.**

All property, plant and equipment are stated initially at cost and subsequently measured at cost less accumulated depreciation and any impairment losses. Repair and maintenance cost are recognized in the statement of comprehensive income as incurred. The carrying value of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that carrying value may not be recoverable.

(b) Initial Recognition

Equipment is capitalized on the basis of nature. Equipment is capitalized if it is tangible, has a life of more than one year and has a purchase cost greater than Rs.2,500. The life of an asset is dependent on its category within 8 categories, ranging from 4 to 20 years.

(c) Subsequent Expenditure on Existing Property, Plant and Equipment

Expenditure incurred on tangible fixed assets is charged to the Statement of Financial Performance in the period it is incurred, unless it meets one of the following criteria, in which it is capitalized and is depreciated on the relevant basis.

1. Market value of fixed assets has subsequently increased.

2. Asset capacity increase.

3. Sustainable improvement in the quality of output or reduction in operating cost.

4. Significant extension of the asset life beyond that has already been confirmed by repair and maintenance.

(d) Revaluation Model

After initial recognition, below classes of Property Plant and Equipment whose fair value can be measured reliably has been carried at revalued amounts, being fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Land & Buildings, Motor Vehicles, Office equipment, Lab & Teaching Equipment, Furniture & Fittings, Sports Goods.

(e) Depreciation

Depreciation is recognized in the Statement of Financial Performance on a Straight-Line Method over the estimated useful life of Property, Plant and Equipment items from the date that they were made available for use. Lands are not depreciated. The estimated useful life periods are as follows.

Description	**Estimated useful life period**
1. Buildings	20 years
2. Furniture &Equipment	10 years
3. Laboratory and Teaching Equipment	5 years
4. Fixtures & Fitting	10 years
5. Library Books, Periodicals &Cloaks	5 years
6. Motor Vehicles	5 years
7. Software Package	5 years
8. Sports Goods	4 years

Depreciation is provided from the date of purchase and up to the date of disposal, based on the period used.

(f) Lease – Finance Lease

Leases in terms of which the University assumes substantially all the risks and rewards of ownership are classified as finance leases. On initial recognition, the leased assets under property, plant and equipment, is measured at an amount equal to the lower of its fair value and the present value of minimum lease payments. Subsequent to initial recognition, the asset is accounted for in accordance with the accounting policy applicable to that asset.
Minimum lease payments under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate interest on the remaining balance of the liability.

(g) Maintenance of Premises

The University has a maintenance plan which is reviewed periodically and forms the basis of the on-going maintenance of the assets**.** The cost of maintenance is charged to the income and Expenditure Account as incurred**.**

2.2.2 Capital Works in Progress

Capital work-in-progress is stated at cost, less any impairment losses. These are expenses of a capital nature, directly incurred in the construction of property, plant and equipment awaiting capitalization. Capital work-in-progress would be transferred to the relevant asset category in property, plant and equipment, when it is available for use i.e. when it is in the location and conditions necessary for it to be capable of operating in the manner intended by the University.

2.2.3 Intangible Assets

Computer Software

Acquired computer software licenses are capitalized on the basis of the costs incurred to acquire and bring to use. These costs are amortized over their estimated useful life of five (5) years.

Costs associated with maintaining computer software programmes are recognized as an expense

as incurred. Costs that are directly associated with the production of identifiable and unique software products controlled by the University are recognized as intangible assets when the following criteria are met:

1. it is technically feasible to complete the software product so that it will be available for use;
2. management intends to complete the software product and use it;
3. there is an ability to use the software product;
4. it can be demonstrated how the software product will generate probable future economic benefits;
5. adequate technical, financial and other resources to complete the development and to use the software product are available; and
6. the expenditure attributable to the software product during its development can be reliably measured.

Directly attributable costs that are capitalized as part of the software product include the software development employee costs and an appropriate portion of relevant overheads.

Cost recognized as intangible assets are amortized over their estimated useful lives, which do not exceed five (5) years. Costs relating to development of software are carried in capital work-in-progress until the software is ready for use.

2.3 Liabilities & Provisions

2.3.1 Current Liabilities

Liabilities classified as Current Liabilities in the Statement of Financial Position are those that fall due for payment within one year from the date of the Statement of Financial Position. All known liabilities have been accounted for in preparing the Financial Statements.

2.3.2 Creditors and Accrued Expenses

Creditors and Accrued expenses are measured at fair value and are subsequently measured at amortized cost using effective interest rate.

2.3.3 Deferred Income

Deferred income results when invoices relating to courses and study programmes are raised at the commencement of the courses where the course delivery take place over a period of several months. Deferred income is recognized in the statement of comprehensive income to the extent of course delivery taken place and the balance attributable to the remaining course period is recognized as a liability on the statement of financial position until income is recognized.

2.3.4 Provision for Retirement Benefits

Employee Benefits

(a) Employee Defined Benefit Plan – Gratuity

Defined benefit plan is a post-employment benefit plan, other than a defined contribution plan. The defined benefit is calculated by an independent actuary using Projected Unit Credit (PUC) method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows, using interest rates that are denominated in the currency in which the benefits will be paid and that have terms to maturity approximating to the terms of the related liability. The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions about discount rate, future salary increments and mortality rates. Due to the long-term nature of these plans, such estimates are subject to significant uncertainty.
All assumptions are reviewed at each reporting date. Accordingly, the employee benefit liability is based on the actuarial valuation as of 31st December 2018. The University accounting policy for gratuity is to recognize actuarial gains and losses in the period in which they occur in full in the statement of other comprehensive income.

Retirement Benefit Obligation
Actuarial and Management Consultant (Pvt) Ltd, qualified actuaries has done actuarial valuation on the defined benefit plan – Gratuity as at 31-12-2018. The assumptions used in determining the cost of retirement benefits are as follows.

Rate of discount	11% p.a.
Rate of salary increased	

	Academic staff	10% p.a.
	Non Academic staff	8% p.a.
Retirement age		
	Academic Staff	65 yrs
	Non Academic staff	60 yrs

Defined Obligations

Sensitivity analysis to discount rate –
One percentage point increase Rs.518,091,000
One percentage point decreaseRs.613,260,000

Sensitivity analysis to salary escalation rate –
One percentage point increase Rs.613,980,000
One percentage point decreaseRs.516,748,000

(b) Defined Contribution Plans – Employees' Provident Fund and Employees' Trust Fund

Employees are eligible for Employees' Provident Fund Contributions and Employees' Trust Fund Contributions in line with respective statutes and regulations. These are recognized as an expense in the statement of comprehensive income as incurred. The University contributes 7%, 8% and 3% of gross emoluments of the employees to University Provident Fund, University Pension Fund and Employees' Trust Fund respectively.

2.3.5 Contingent Liabilities

No provision has been made in the accounts with regard to liabilities arising out of litigation. The total estimated amount of liabilities as at 31st December 2018 is Rs.10 Million.

2.4 Accounting for the Receipt and Utilization of Funds, Grants and Reserves.

The University received various grants for specific development activities. Funds, grants and reserves have been classified as unrestricted funds, restricted funds and endowment funds.

2.4.1 Unrestricted Funds

Unrestricted funds are those that are available for use by the University at the discretion of the Council and funds that are designated for a specific purpose by the Council in furtherance of the general objectives of the University. Allocations made by the University for the credit of the designated funds are charged to the statement of comprehensive income. Surplus funds are transferred from restricted funds to unrestricted funds in terms of the relevant donor agreements or with the subsequent approval of the donor.

Contributions and donations received from the general public are recognized in the statement of comprehensive income at the time of receipt, where there are no terms of references.

Designated Funds/ Reserves

Unrestricted funds designated by the University to a specific purpose are identified as designated funds. The University has accounted the following funds as designated funds/ Reserves/Ledger Accounts and the purpose of such funds are elaborated as follows.

Funds

1. University of Colombo Development Fund
2. Vice Chancellor's Fund
3. Faculty Development Fund
4. Department Development Fund
5. Health Insurance Fund
6. Library Development Fund
7. Administration Fund

2.4.2 Restricted Funds

Where grants/donations are received for use in an identified project or activity, such funds are held in a restricted fund account and transferred to the statement of comprehensive income to match with expenses incurred in respect of that identified project. Unutilized funds are held in their respective fund accounts and included under accumulated fund and reserves in the statement of financial position until such time as they are required.
Where approved grant expenditure exceeds the income received and there is certainty that the balance will be received, such amounts are recognized through receivables in the statement of financial position.

2.4.3 Endowment Funds

Where assets are received as an endowment, which are not exhausted, only the income earned from such assets may be recognized and used as income.

Investment income and other gains realized from funds available under each of the above categories are allocated to the appropriate funds, unless the relevant agreement or minute provides otherwise. Purposes of the funds are awarding subject prizes and merit prizes for the best performance of each specified examinations.

2.5 Equity

2.5.1 Capital Grant

Government Grant is recognized at their fair value where is reasonable assurance that the grant will be received and all affecting conditions will be complied with.

Government Grant and contributions from other organizations for the purchase of fixed assets or to finance capital projects are taken to the grants received in advance in the first instance. They are taken to the unspent capital grant accounts upon utilization of the grant for the purchase of assets which are capitalized or to income or expenditure for purchase of assets, which are expensed off. Donated tangible fixed assets, except for non-depreciable fixed assets donated for use by the University are valued and taken to Donation Account and the deficit taken to the relevant fixed asset category. Donated non-depreciable assets are taken to income or expenditure.

2.5.2 Recurrent Grant

Recurrent grants are recognized in the Statement of Financial performance on cash basis. Cost of rehabilitation of Fixed Assets and Capital Grants for construction and new work recognized either as work in progress or Capital Assets where necessary.

2.5.3 Designated Specific Funds

Surplus on income over expenditure of the activities are generally accounted under Designated General funds in the University Statement of Financial Position. Designated General Funds include funds set aside for specific or committed purpose such as planned operational activities of faculties, departments and self-financing activities of the University.

2.6 Statement of Comprehensive Income

2.6.1 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the University and the revenue can be reliably measured, regardless of when the payments are made**.** The following specific recognition criteria also be met before revenue is recognized**.**

1. **Income from courses**
   Income from fee levying courses are recognized as income based on periodic basis

2. **Income from Seminars/Workshops**
   Seminars, Workshops, activities are recognized upon conducting the event.

3. **Non-endowment Donations**
   Non-endowment donations are recognized in the financial year they are received.

4. **Interest Income**
   Interest income is recognized as it accrues in income or expenditure using the effective interest method**.**

5. **Gains /losses from sale of property, plant and equipment**
   Net gains and losses on the disposal of property, plant and equipment are recognized in the statement of comprehensive income after deducting from the proceeds on disposal, the carrying value of the item disposed of and any related selling expenses. In the case of any revalued asset, any balance remaining in the revaluation reserve account is transferred to the statement of comprehensive income.

6. **Other Income**
   Any other income not specified under above categories in recognized on accrual basis.

2.6.2 Restricted Contribution/ Income

Restricted contributions are provided based on agreements, contracts or other understanding, where the conditions for receipt of the funds are linked to a performance of a service or other process. The university earns the contribution through compliance with the conditions that have been laid down and meeting the envisaged obligations. Income is not recognized in the statement of comprehensive income, until there is reasonable assurance that the contribution will be received and the conditions stipulated for its receipt have been complied with and the relevant expenses that it is expected to compensate has been incurred and charged to the statement of comprehensive income. Receipt of the funds does not by itself provide conclusive evidence that the conditions attached to the contribution have been or will be fulfilled. Until the conditions have been fulfilled, the contribution is regarded as part of restricted funds.

On receiving any restricted contributions, the contribution is recognized in the statement of financial position. Thereafter, on a systematic basis, an amount equivalent to that which has been spent on agreed "restricted" activities during the period, is taken to income. Unutilized funds are carried forward as such in the statement of financial position.

2.7 Recognition of Expenses

2.7.1. Expenses in carrying all activities of the University is recognized on accrued basis and charged to the statement of comprehensive income during the period in which they are incurred.

2.7.2 All expenses incurred in respect of undergraduate education have been charged to the government recurrent grant.

2.7.3 All expenditure incurred in the acquisition, or improvement of assets of a permanent nature in order to carry on or increase the learning capacity of the students has been treated as capital expenditure.

2.7.4 Expenses are recognized in the Statement of Comprehensive Income on the basis of direct association between cost incurred in the running of the University and in maintaining the capital assets in a state of efficiency has been charged to revenue in arriving at the surplus/deficit for the year.

(a) Project Expenses

Expenses in carrying out the projects and other activities of the university are recognized in the statement of comprehensive income during the period in which they are incurred and the basis for identifying project expenses are mainly on locations of the project, staff allocated to the project and projected activities of the project according to the project proposal.

Expenses are recognized in the statement of comprehensive income on the basis of direct association between the cost incurred and the earning of specific items of income.

(b) Operational Expenses

All expenditure incurred in the running of the university and in maintaining the capital assets in a state of efficiency has been charged against income in arriving at the surplus for the year.

Expenditure on examinations, seminars and courses are recognized in the statement of comprehensive income on the accruals basis.

(c) Finance Expense

Finance expense is recognized on accrual basis when it is paid or creates liabilities.

2.8 Statement of Cash Flows

The cash flow statement has been prepared by using the Indirect Method in accordance with the SLPSAS 2 where by gross cash receipts and gross cash payments of operating activities, finance activities and investing activities have been recognized. Cash and cash equivalents comprise short term, highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

2.9 Commitments and Contingencies

All discernible risks are accounted for in determining the amount of all known liabilities. Contingent liabilities are possible obligations whose existence will be confirmed only by uncertain future events or

present obligations where the transfer of economic benefit is not probable or cannot be reliably measured. Contingent liabilities are not recognized in the Statement of Financial Position but are disclosed unless they are remote.

2.10 Events after the Reporting Period

The materiality of events occurring after the reporting period has been considered and appropriate adjustments, wherever necessary, have been made in the financial statements.

2.11 Accelerating Higher Education Expansion and Development (AHEAD) Project

The Government of Sri Lanka (GoSL) and the World Bank have agreed to support the higher education sector through a Bank Funded Accelerating Higher Education Expansion and Development (AHEAD) operation.

The implementing agency of AHEAD project is the Ministry of Education and Higher Education (MOEHE). The University Grants Commission (UGC) will coordinate the activities of the universities. There will be an Operations Monitoring and Support Team (OMST) which will coordinate and support all AHEAD activities between the MOEHE, UGC, and the universities. The project related activities at the university level is coordinated by the Operations Technical Secretariat (OTS) office attached to each university.

My No.} HED/B/UOC/6/18/06 Your No.} Date } 14th June 2019

Vice Chancellor,

University Of Colombo.

Report of the Auditor General on the Financial Statements and other legal and monitoring requirements of University Of Colombo for the year ended 31st December 2018 in terms of section 12 of the National Audit Act, No. 19 of 2018.

1. Financial Statements

1.1 Qualified Opinion

The audit of financial statements of the University Of Colombo for the year ended 31st December 2018 comprising the statement of financial position as at 31st December 2018 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory notes was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with section 12 of the of the National Audit Act, No. 19 of 2018. My report will be tabled in the parliament in due course in terms of Article 154 (6) of the Constitution.

In my opinion, except of the matters described in the paragraph on " Basis for Qualified Opinion" of this report the financial statements give a true and fair view of the financial position of the University Of Colombo as at 31 December 2018 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2 Basis for Qualified Opinion

The following were observed regarding this.

a) Although the value of pre payments of the Faculty of Finance and Management in the year under review had been Rs. 487,670 , it had been recorded in the financial statements as Rs. 431,051, thus undervaluing it by Rs. 56,619.
b) An amount of Rs. 955,718,850 had been indicated as receivable from Treasury under sundry debtors. But no consent of the Treasury had been expressed to grant this.
c) The value of the balance receivable amounting to Rs. 139,240,643 from the faculties of the university and other sections has been recorded as debtors.
d) Although loss at disposal of assets had been Rs. 621,955, it had been recorded in the financial statements as Rs. 4,175,980. Consequently, a difference of Rs. 3,554,025 existed .
e) According to schedules, the investment value had been Rs. 1,783,293,156. But it had been mentioned in the financial statements as 1,783,693,156. This has resulted in a difference of Rs. 400,000.

1.3 Responsibility of Management and Controlling Parties for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.

It is the responsibility of the management to decide on the going concern ability of the institution in preparation of financial statements. Keeping accounts on a going concern basis and disclosure of the facts in relation to the going concern of the institution except in case the management intends to liquidize the institution or it is intended to cease operation in the absence of any other option.

The controlling parties of the institution are responsible for the financial reporting system.

According to the subsection 16 (1) of the National Audit Act, No. 19 of 2018, every auditee entity shall maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared in respect of such entity.

1.4 Responsibility of auditor on auditing financial statements

My objective is to provide a fair assurance on the financial statements that they are free from material misstatements whether due to fraud or error as a whole and to issue the auditor's report comprising my opinion. Although fair assurance is a high quality assurance, it does not confirm that it would always expose quantitative misstatements when auditing is implemented in accordance with Sri Lanka Audit Standards. It is expected that individual or collective impact of fraud or error may result in quantitative misstatements and it may have an effect on the decisions taken by the users based on these financial statements.

This audit has been carried out by me with professional judgment and professional scepticism. Also,

- Obtaining sufficient and appropriate audit evidence to avoid risks caused by fraud or error by designing appropriate audit procedures that are appropriate in the circumstances in recognizing and evaluating possible misstatements that may occur in financial statements due to fraud or error is the basis of my opinion. Fraud will have a higher impact than that of quantitative misstatements and collusion, preparation of fake documents, intentional avoidance and avoidance of internal controls may result in fraud.

- The auditor considered internal control relevant to the institution in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the institution.

- The audit included evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as the eligibility of the related disclosures made by the management.

- The relevance of using the basis of going concern was determined based on the audit evidence obtained on whether there is a sufficient contingency on the going concern of the institution due to any incident or circumstances. In case I conclude that there is a sufficient contingency, my audit report should attend to the related disclosures in the financial statements and my opinion must be modified in case the disclosures are not sufficient enough. However, going concern may end due to future incidents or circumstances.

- Presentation, structure and content of the financial statements with disclosures was assessed and underlying transactions and events were evaluated for whether they were included in the financial statements in an appropriate and reasonable manner.

  The controlling parties were made aware of the important audit findings, main weaknesses of internal controlling and other facts recognized in the audit.

2. Report on other legal and monitoring requirements

- Special provisions are included regarding the following requirements in the National Audit Act, No. 19 of 2018.

  - I have obtained all the information and explanations required for the audit according to the requirements of section 12 (a) of National Audit Act, No. 19 of 2018 , except for the impact of matters described in the paragraph on " Basis for Qualified Opinion" of this report. As seen in my investigation the institution had maintained proper financial reports.

  - According to the requirements of section 6 (I) (d) (iii) of National Audit Act, No. 19 of 2018 ,the financial statements presented by the institution are in compliance with the previous year.
  - According to the requirements of section 6 (I) (d) (iv) of National Audit Act, No. 19 of 2018, the recommendations made by me in previous year have been included in the financial statements.

- Within the restriction of the procedures followed, evidence obtained and quantitative matters, nothing caught my attention that was enough to make the following statements.

2.1 According to the requirements of section 12 (d) of National Audit Act, No. 19 of 2018 , any member of the governing body of such entity has any direct or indirect interest in any contract entered into by such entity.

2.2 According to the requirements of section 12 (f) of National Audit Act, No. 19 of 2018 ,the auditee entity has not complied with any applicable written law or other general or special directions issued by the governing body of the auditee entity.

Ref. to Laws, Rules, Regulations, etc.
Financial Regulation of the Democratic Socialist Republic of Sri Lanka

a) Financial Regulation 371 and Public Finance Circular 3/2015 dated 14 July 2015

b)

(i) Section 1.9 of Chapter X of the University Establishment Code

(ii) Sections 3.1 and 3.2 of Chapter

I. Although the advances should be settled immediately after the completion of the purpose for which it is granted, action had not been taken to settle the advances aggregating Rs. 3,801,491 granted in 48 instances despite the lapse of a period from 60 days to 291 days grant of advances. Miscellaneous advances aggregating Rs.5,528,964 granted in 17 instances had not been settled until the end of the year under review.

II. Library Advance granted by the university aggregating Rs. 152,672 in 2016 and 2017 had not been settled even in the end of the year under review.

III. Even though the advances should be paid upon a proper forecasted estimation, advances had been granted in 52 instances amounting to Rs. 2,877,187 in 52 instances in respect of expenditure of Rs. 1,144,606.

It was revealed in the sample inspection that a proper Leave Register had not been maintained for the academic staff of the Faculty of Science, although such register should be maintained on the leave obtained by the staff.

Although the arrival and departure of all the academic and non- academic staff should be recorded, 618 academic officers had been paid salaries and allowances totaling up to Rs. 677,219,763 in the year under review, without establishing their attendance and leave obtained.

(c) circular 13/2015 dated 18 September of 2015 of University Grants Commission

Although the fuel allowance paid for the vehicles assigned for the entitled officers should be added to the monthly salary of the relevant officers, fuel for the reserved vehicles had been supplied out of the fuel order of the university, without paying a fuel allowance to the relevant officers. As such an excessive amount of Rs. 1,905,898 had been paid other than the fuel allowance.

2.3 According to the requirements of section 12 (g) of National Audit Act, No. 19 of 2018, the auditee entity has not performed according to its powers, functions and duties

2.4 According to the requirements of section 12 (h) of National Audit Act, No. 19 of 2018, except for the following observations, the resources of the auditee entity had been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws.

(a) It was revealed that supplying of commodities valuing up to Rs. 16,434,490 had been delayed from 02 months to 11 months. This was revealed in the Sample Inspection of Commodity Orders Relating to 2018 in the Supplies Branch.

(b) Although an amount of Rs. 12,441,324 had been granted by the Embassy of Japan to purchase practical training equipment for the Department of Journalism of the Sripalee Campus, that amount had not been utilized for that purpose until May,2019.

(c) An invitation for bids had been published in 03 newspapers to renovate KG Hall of the Faculty of Science and to repair the roof of it. Due to the contradictions in the advertisements, an amended notice had to be published regarding this. Consequently, the institution had to bear a loss of Rs. 229,185 and selection of bidders had been delayed by another month.

3. Other Observations

(a) although the approval 0f the cabinet should be granted with the recommendation of the University Grants Commission before establishing a company within the institution, a limited by guarantee company has been established without such permission in the name of Colombo Science and Technology Cell in 2013 under the companies' Act. The Head Office of this Company had been housed in a building belonging to the Faculty of Science of the University of Colombo and the other physical and human resources including computer and accessories of the University had been utilized, whereas an agreement had not been entered into on the utilization of the property of the University. Only a sum of Rs. 479,684 had been paid to the University in lieu of the utilization of the resources of the University.

(b) A sum of Rs. 190,053,440 related to 33 funds in which no transaction had been made in the year under review in the " Designated Fund" which consists of 123 funds , had been underutilized.

(c) 4 deposits Rs. 55,000,000 in worth out of 07 deposits totalling up to Rs. 305,000,000 in worth, that had been invested in Seven-day demand deposit at an interest rate of 5.5% had not been encashed for 03 months. A minimum interest income of 10.5% could have been gained if this amount had been deposited in quarterly deposits. Consequently, the possibility of earning an income of Rs. 933,425 had been neglected.

(d) When the number of students who applied for the hostel facilities was compared with the number of students who obtained hostel facilities in the university, granting hostel facilities to the students was in a minimum level. A minimal level of 22%, 40%, 44% and 33% of students who applied for the hostel facilities had been granted accommodation, consecutively from first year to the fourth year students. It was observed that 243 more students could have been granted accommodation in 06 hostels. Further, 02 hostels had been obtained on lease basis and an amount of Rs. 5,400,000 had been paid as lease in the year under review. It was observed that the actual number of hostelers in these hostels were 55, although 108 students could be accommodated in them. In addition, the hostel of the monks is run in a private building since 2006 on lease basis and an amount of Rs. 3,900,000 had been paid in as lease in 2018, as the monthly rent was 325,000. It

was observed that the actual number of student monks in this hostel was 55, although 50 monks could be accommodated in it.

(e) Even though the student capacity of the Faculty of Science had been 515, only 501 students had been enrolled to the faculty, thus preventing university entrance of 14 students. Although 520 students could have been enrolled in the Faculty of Management, only 515 students had been enrolled and consequently 05 students had been deprived of enrolling in the university.

(f) Although the UGC had been informed that the capacity of the Faculty of Arts had been 550, the actual enrolment of the faculty had been 713 and this was an increase of 29.6% over the number reported to the UGC.

(g) A sum of Rs 52,650,521 remained receivable on 31st December 2018 from 25 lecturers who had breached the agreements and bonds.

(h) Approved cadre of Professors and Lectures of the university had been 723 in the end of the year under review. Since the actual number was 586, there were 137 vacancies, including 27 vacancies for the post of Senior Professor. 183 posts of the nonacademic staff remained vacant.

(i) An amount of Rs. 565,000,000 had been received from the Treasury as capital grants and out of that, an amount of Rs. 141,820,522 had been spent on recurrent expenditure . this has been 18.76% of the total capital grant.

(j) A Senior Professor in the Department of Plant Sciences had obtained medical leave , vacation leave and sabbatical leave due to an illness from time to time. He had reported to the duty in 03 occasions in 2015, 2017 and 2018. Although it was explained that he had delivered lectures and monitored researches, no evidence has been provided to the auditing to establish this information. No lecture hours had been allocated for this lecturer in the academic time table for the year 2018. An amount of Rs. 3,397,055 had been paid to him as salary and allowances for a time period of 09 months. Also, a lecturer of the Faculty of Science had been paid Rs. 1,012,674 as salary and allowances although he had not delivered lectures, since his date of retirement could not be determined.

W.P.C. Wickramarathna
Auditor General

21.08.2019

Auditor General,

National Audit Office.

Report of the Auditor General on the Financial Statements and other legal and monitoring requirements of University Of Colombo for the year ended 31st December 2018 in terms of section 12 of the National Audit Act, No. 19 of 2018.

---

1. Financial Statements

1.1 Qualified Opinion

The audit of the Financial Statements of University of Colombo for the year ended 31st December 2018 comprising the Statement of Financial Position as at 31st December 2018 and the Statement of Financial Performance, Statement of Changes in Equity and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory notes was carried out under my direction in pursuance of provisions in Article 154 (1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with section 12 of the of the National Audit Act, No. 19 of 2018. My report will be tabled in the parliament in due course in terms of Article 154 (6) of the Constitution.

In my opinion, except of the matters described in the paragraph " Basis for Qualified Opinion" of this report, the Financial Statements give a true and fair view of the financial position of the University of Colombo as at 31 December 2018 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2. Basis for Qualified Opinion	**Answer**
The following were observed regarding this.	
(a) Although the value of pre payments of the Faculty of Management and Finance in the year under review had been Rs. 487,670 , it had been recorded in the Financial Statements as Rs. 431,051, thus undervaluing it by Rs. 56,619.	The balance of the prepayments account has been undercounted by Rs. 56,619.00 This is rectified in 2019.
(b) An amount of Rs. 955,718,850 had been indicated as receivable from Treasury under sundry debtors. But no consent of the Treasury had been expressed to grant this amount.	The money agreed to be allocated for the 17 storied building after the capital vouchers were paid on 31.12.2018 with the grants received in 2019, has been accounted to the University Development Fund according to the decision of the cabinet.
(c) The value of the balance receivable amounting to Rs. 139,240,643 from the faculties of the university and other sections has been recorded as debtors.	This is rectified in 2019.
(d) Although loss of disposal of assets had been Rs. 621,955, it had been recorded in the Financial Statements as Rs. 4,175,980. Consequently, a difference of Rs. 3,554,025 existed .	This is an error occurred in preparing the cash flow statement. This was notified to be accurately prepared in 2019.
(e) According to schedules, the investment value had been Rs. 1,783,293,156. But it had been mentioned in the Financial Statements as 1,783,693,156. This has resulted in a difference of Rs. 400,000.	This error has occurred in transferring the balance of the college house account to the Medical Faculty in 2006. This will be rectified in 2019.

1.3 Responsibility of Management and Controlling Parties for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Accounting Standards & Sri Lanka Public Sector Accounting Standards and for determining the internal controls which are necessary to enable the preparation of Financial Statements that are free from material misstatements whether due to fraud or error.

It is the responsibility of the management to decide on the going concern ability of the institution in preparation of Financial Statements. It is also a responsibility of the management to keep accounts on a going concern basis and disclosure of the facts in relation to the going concern of the institution except in case the management intends to liquidate the institution or it is intended to cease operation in the absence of any other option.

The controlling parties of the institution are responsible for the financial reporting system. According to the subsection 16 (1) of the National Audit Act, No. 19 of 2018, every auditee entity shall maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared in respect of such entity.

1.4 Responsibility of the Auditor in the audit of Financial Statements

My objective is to provide a fair assurance on the Financial Statements that they are free from material misstatements as a whole whether due to fraud or error and to issue the auditor's report comprising my opinion. Although fair assurance is a high quality assurance, it does not confirm that it would always expose quantitative misstatements when the audit is done in accordance with Sri Lanka Auditing Standards. It is expected that individual or collective impact of fraud or error may result in quantitative misstatements and it may have an effect on the decisions taken by the users based on these financial statements.

This audit has been carried out by me with professional judgement and professional skepticism. Also,

- Obtaining sufficient and appropriate audit evidence to avoid risks caused by fraud or error by designing appropriate audit procedures that are appropriate in the circumstances in recognizing and evaluating possible misstatements that may occur in Financial Statements due to fraud or error is the basis of my opinion. Fraud will have a higher impact than that of material misstatements and collusion, preparation of fake documents, intentional avoidance and avoidance of internal controls may result in fraud.
- The auditor considered internal controls relevant to the institution in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls of the institution.
- The audit included evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management as well as the suitability of the related disclosures made by the management.
- The relevance of using the going concern basis for accounting purpose was determined based on the audit evidence obtained on whether there is a sufficient contingency on the going concern of the institution due to events or circumstances. In case I conclude that there is a sufficient contingency, my audit report should attend to the related disclosures in the Financial Statements and my opinion must be modified in case the disclosures are not sufficient enough. However, going concern may end due to future events or circumstances.
- Presentation, structure and content of the Financial Statements with disclosures was assessed and underlying transactions and events were evaluated for whether they were included in the Financial Statements in an appropriate and reasonable manner.
- The controlling parties were made aware of the important audit findings, major internal control weaknesses and other facts recognized in the audit.

2 Report on other legal and monitoring requirements

- Special provisions are included regarding the following requirements in the National Audit Act, No. 19 of 2018.

  - I have obtained all the information and explanations required for the audit according to the requirements of section 12 (a) of National Audit Act, No. 19 of 2018 , except for the impact of matters described in the paragraph " Basis for Qualified Opinion" of this report. As seen in my investigation the institution had maintained proper financial reports.

  - According to the requirements of section 6 (I) (d) (iii) of National Audit Act, No. 19 of 2018 ,the Financial Statements presented by the institution are in consistent with the preceding year.

- According to the requirements of section 6 (I) (d) (iv) of National Audit Act, No. 19 of 2018, the recommendations made by me in previous year have been included in the presented Financial Statements.

- According to of the procedures followed, evidence obtained and within the restriction of the quantitative matters, nothing caught my attention that was sufficient to make the following statements.

2.1 According to the requirements of section 12 (d) of National Audit Act, No. 19 of 2018 , any member of the governing body of such entity has any direct or indirect interest in any contract entered into by such entity that is outside the normal business arrangement.

2.2 According to the requirements of section 12 (f) of National Audit Act, No. 19 of 2018 ,the auditee entity has not complied with any applicable written law or other general or special directions issued by the governing body of the auditee entity.

Ref. to Rules/Directions

(a) Financial Regulation of the Democratic Socialist Republic of Sri Lanka

Financial Regulation 371 and Public Finance Circular 3/2015 dated 14 July 2015

i. Although the advances should be settled immediately after the completion of the purpose for which it is granted, action had not been taken to settle the advances aggregating Rs. 3,801,491 granted in 48 instances despite the lapse of a period from 60 days to 291 days. Advances aggregating Rs.5,528,964 granted in 17 instances had not been settled until the end of the year under review.	Officers have been advised to follow the rules on advances properly.
ii. Library advances granted by the university aggregating Rs. 152,672 in 2016 and 2017 had not been settled even in the end of the year under review.	Officers have been advised to follow the rules on advances properly.

iii. Even though the advances should be paid upon a proper forecasted estimation, advances had been granted in 52 instances amounting to Rs. 2,877,187 in respect of expenditure of Rs. 1,144,606.	Officers have been advised to follow the rules on advances properly.

b) University Establishment Code

(i) Section 1.9 of Chapter X

It was revealed in the sample inspection that a proper Leave Register had not been maintained for the academic staff of the Faculty of Science, although such register should be maintained on the leave obtained by the staff.	Implementation of this was discussed at the 88th Audit Committee meeting. It was proposed to implement this for all the faculties of the university after informing through the Deans' Committee.

Sections 3.1 and 3.2 of Chapter XX

Although the arrival and departure of all the academic and non- academic staff should be recorded, 618 academic officers had been paid salaries and allowances totaling up to Rs. 677,219,763 in the year under review, without confirmation of their attendance and leave obtained.	The duty of the academic staff cannot be limited to 8 hours. Also, the attendance sheets of the students are maintained and it is a proof that the lecturer attended the lectures. Moreover, the academic staff work according to the regulations of the Senate.

C) Circular No. 13/2015 dated 18 September of 2015 of University Grants Commission

Although the fuel allowance paid for the vehicles assigned for the entitled officers should be added to the monthly salary of the relevant officers, fuel for those reserved vehicles had been supplied by the fuel orders of the university, without paying a fuel allowance to the relevant officers. As such an excessive amount of Rs. 1,905,898 had been paid other than the fuel allowance.	This has been submitted for the decision of the governing body to comply with the circular in 2019.

2.3 According to the requirements of section 12 (g) of National Audit Act, No. 19 of 2018, that the auditee entity has not performed according to its powers, functions and duties.

2.4 According to the requirements of section 12 (h) of National Audit Act, No. 19 of 2018, except for the following observations, the resources of the entity had been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws.

(a) It was revealed that supplying of goods valuing up to Rs. 16,434,490 had been delayed from 02 months to 11 months on 28 occasions. This was revealed in the sample inspection of goods orders relating to 2018 in the Supplies Branch.	Delays occur in receiving goods. Action has been taken to amend all the agreements with the suppliers and to charge delay charges from the delayed suppliers.
(b) Although an amount of Rs. 12,441,324 had been granted by the Embassy of Japan on 02nd of May 2018 to purchase practical training equipment for the Department of Journalism of Sri Palee Campus, that amount had not been utilized for that purpose until May,2019.	Action has been taken for the efficient utilization of the grant of US $ 80,278 received from Embassy of Japan. Basic tasks including procurement and evaluation of bids have already been done. (Annexure 1)
(c) An invitation for bids had been published in 03 newspapers to renovate KG Hall of the Faculty of Science and to repair the roof of it. Due to the contradictions in the advertisements, an amended notice had to be published. Consequently, the institution had to bear a loss of Rs. 229,185 and selection of bidders had been delayed by another month.	The advertisement had to be re-published since the invitation for bids did not comply with the procurement guidelines and the bidders decided to extend the time period for calling for bids at the pre bid meeting held.

3 Other Observations

(a) Although the approval of the cabinet should be granted with the recommendation of the University Grants Commission and the Minister of Higher Education before establishing a company within the institution, a limited by guarantee company had been established without such permission in the name of Colombo Science and Technology Cell in 2013 under the Companies Act. The Head Office of this company had been housed in a building belonging to the Faculty of Science of the University of Colombo and other physical and human resources including computer and accessories of the University had been utilized, whereas an agreement had not been entered into on the utilization of the property of the University. Only a sum of Rs. 479,684 had been paid to the University in lieu of the utilization of the resources of the University.	The matter was assigned to the Secretary of the Ministry to take necessary action at the 93rd Public Enterprises Committee held on 04th July at 2.30 p.m. at room no.05.
(b) Rs. 190,053,440 related to 33 funds had been under ulilized in which no transaction had been made in the year under review in the " Designated Fund" which consists of 123 funds.	Rs.309.4 million had been spent during the year under review. Accordingly, the funds earned are not categorized as underutilized funds, and thereby do not agree.
(c) Seven deposits totalling up to Rs. 305,000,000 in worth had been invested in seven-day call deposits at an interest rate of 5.5%. Out of the above mentioned seven deposits, 4 deposits totalling up to Rs. 55,000,000 had not been encashed until 03 months. A minimum interest income of 10.5% could have been gained if this amount had been deposited in quarterly deposits. Consequently, the opportunity of earning an income of Rs. 933,425 had been missed.	The university has four new construction contracts. The excess amount of money was deposited in the seven-day call deposits,as delaying the payment to the contractors until the Treasury grants are received would result in having to pay fines to the contractors under the agreement made. I would also like to kindly inform you that the purpose of the University Fund is not making money from fixed deposits.

(d) When the number of students who applied for the hostel facilities was compared with the number of students who obtained hostel facilities in the university, granting hostel facilities to the students was in a minimum level. A minimal level of 22%, 40%, 44% and 33% of students who applied for the hostel facilities had been granted accommodation, consecutively from first year to the fourth year students. It was observed that 243 more students could have been granted accommodation in 06 hostels. Further, 02 hostels had been obtained on lease basis and an amount of Rs. 5,400,000 had been paid as lease in the year under review. It was observed that the actual number of hostelers in these hostels were 15, although 108 students could be accommodated in them. In addition, the hostel of the monks is run in a private building since 2006 on lease basis and an amount of Rs. 3,900,000 had been paid in as lease in 2018, as the monthly rent was Rs. 325,000. It was observed that the actual number of student monks in this hostel was 15, although 50 monks could be accommodated in it.	All students who meet the criteria have been provided with hostel facilities and steps have been taken to provide hostel facilities to students who have exceeded the required criteria In case of vacancies exist in hostels. Students were not assigned to hostels due to the following reasons:. * The roof and ceiling of the Muttiah Hostel's "B" building were in a dilapidated condition, so 44 of the 66 occupants of the building had to be transfered to other hostels (The Saram New, Havelock, Bullers) until the repair work was completed. ** As part of the Havelock Hostel's old building had to be demolished, 148 girls were evicted from August 2018. *** Also, 10 girls could not be accommodated in the hostel as there is a water leakage in three bathrooms at the Hewa Mawatha hostel. They are only given to final year students. The students have been informed of the existing vacancies but the vacancies have been created due to the fact that they do not come for accommodation. Rajagiriya and Boralesgamuwa hostels have been obtained on rent. 45 students of the Faculty of Arts were provided with hostel facilities at the Rajagiriya hostel. At the Boralesgamuwa hostel, 16 physiotherapy students and 5 first year law students were provided with residential facilities. the Greenpath house rented out by The University of Colombo is maintained as a Bhikkhu Hostel since the monks refuse to move to another house. Furthermore, although your audit query shows that 50 of the monks can be accommodated there, 23 qualified monks for hostels who are studying in the university have been provided with accommodation facilities. The need for a Bhikku Hostel for the University of Colombo has been delayed due to the inability to find a

	suitable land for the construction of this building. The Vice Chancellor has sent a letter to the Chairman of the University Grants Commission on 09.05.2018 stating the need for a Bhikku hostel for the University of Colombo, but so far no response has been received.
(e) Even though the student capacity of the Faculty of Science had been 515, only 501 students had been enrolled to the faculty, thus preventing university entrance of 14 students. Although 520 students could have been enrolled in the Faculty of Management, only 515 students had been enrolled and consequently 05 students had been deprived of enrolling in the university.	The University Grants Commission selects students for all the courses offered by the university. This is done in several phases. However, all the selected students do not get registered.This results in vacancies in the courses offered. Although The University Grants Commission has been informed that the practical tests of the Faculty of Science and related theoretical courses cannot be registered within two weeks after the commencement of the academic year, there have been occasions when the students had been registered with the special approval of the Dean, depending on the course of the student. Although 520 students have been notified by the Faculty of Management to be registered in the faculty by letters and e-mails, only 515 students have come for registration. The University Grants Commission has been informed of this.
(f) Although the UGC had been informed that the capacity of the Faculty of Arts had been 550, the actual enrolment of the faculty had been 713 and this was an increase of 29.6% over the number reported to the UGC.	There are 191 local students referred to the Medical Faculty of the University of Colombo by the University Grants Commission in 2017 and two foreign qualified students as per the letter of UGC / AD 10 Foreign-Select-to-Uni 2016/2017 dated 06/09/2017. As per the agreement between the Medical Faculty of Colombo and the Government of Bhutan, five out of the 08 students referred to in their DAHE / SSSD / TC (25) / 2016-2017 / 343 letter dated 05/04/2017 have been registered. This has been done on a request made by the Ministry of Foreign Affairs to the Faculty, since Bhuthan does not have a public Faculty of Medicine in its own. (As per the aforesaid agreement, a maximum of 10 Bhutanese students can be admitted to the Faculty of Medicine annually.)

	Also, according to the letter of UGC / Ad / AS1 / Foreign of UGC / Ad / AS1 / 190 addressed to the Medical Faculty of the University of Colombo by the University Grants Commission in the year 2018, 10 foreign students and 5 Bhutanese students have enrolled in the faculty. (As per their letter DAHE / SSSD / TC (25) / 2017-2018 / 2013). Accordingly, although the number of foreign students has increased in 2018 compared to 2017, no foreign students have been enrolled in excess of the approved number of students. The University Grants Commission selects students for all the courses offered by the university. This is done in several phases. However, all the selected students do not get registered.This results in vacancies in the courses offered. Although The University Grants Commission has been informed that the practical tests of the Faculty of Science and related theoretical courses cannot be registered within two weeks after the commencement of the academic year, there have been occasions when the students had been registered with the special approval of the Dean, depending on the course of the student. Although 520 students have been notified by the Faculty of Management to be registered in the faculty by letters and e-mails, only 515 students have come for registration. The University Grants Commission has been informed of this. The number of students enrolled in the Faculty of Law is determined by the Faculty of Law and the reasons for the non-increasing in the number of students who are enrolled have been inquired from the Faculty of Law. The reasons are expected to be submitted once answered. In general, 550 students are enrolled for general admission to the Faculty of Arts. In addition, the number of students has increased to 605 due to the following reasons:

	* New Admission for Special Subjects * Additional Intake * Blind & Disabled Students
(g) A sum of Rs 52,650,521 remained receivable on 31st December 2018 from 25 lecturers who had breached the agreements and bonds.	Steps have been taken in several ways to collect money from lecturers who have violated treaties and bonds. (Annexure 2)
(h) Approved cadre of Professors and Lectures of the university had been 723 in the end of the year under review. Since the actual number was 586, there were 137 vacancies, including 27 vacancies for the post of Senior Professor. 183 posts of the nonacademic staff remained vacant.	As per 31.12.2010, there is an approved cadre of 723 professors and lecturers, whereas the actual number is 586. Accordingly, there are 137 vacancies. 62 new recruits were made in 2018. In comparison , 24 of the academic staff have left the staff due to retirement, transfers, resignation, vacating the post, termination and dismissal by the end of the year. Therefore I wish to inform you that it is inevitable to prevent the high number of vacancies that exist in the university. **However, I would kindly inform you that the University is in the process of publishing newspaper advertisements and holding selection committees to recruit to fill these vacancies.** (**Annexure** 3)
(i) An amount of Rs. 565,000,000 had been received from the Treasury as capital grants and out of that, an amount of Rs. 141,820,522 had been spent on recurrent expenditure .This has been 18.76% of the total capital grant.	Proceeds for Capital Expenditure has been spent on recurring expenses in the following manner. 1. Building repairs Rs.105,993,603 2. Research & Development Rs.32,293,513 3. Capacity Building Rs.2,033,466 4. Quality Assurance Rs.1,500,500 1. Building repairs This amount has been spent for the day to day repairs of the

	building which can be deducted as expenditure during the year and which would not increase the value of the building. 2. Research & Development The Treasury has taken a policy decision to allocate at least 10% of the capital expenditure allocated for research and development. Accordingly, the funds allocated for the research are capitalized in the form of research capital, ie, depreciable assets that exist for a few years and the remaining expenses are deducted as recurrent expenditure in the same year. This money is taken as the expenditure of the year as there is the problem of cutting the costs at the end of the research to keep these as deferred expenditure. Since this method seems to be the correct method to our knowledge, I would like to request for any suggestions on a different accounting system. If it is the case, we could adhere to that new system from 2019 onwards. 3. Capacity Building and Quality Assurance Human resources improvements are accounted for as recurrent expenditures as there is no method of taking them into accounting and depreciation. Any suggestion on another method regarding this would be welcome.

(j) A Senior Professor in the Department of Plant Sciences had obtained medical leave , vacation leave and sabbatical leave due to an illness from time to time. He had reported to the duty in 03 occasions in 2015, 2017 and 2018. Although it was explained that he had delivered lectures and monitored researches, no evidence has been provided to the auditing to establish this information. No lecture hours had been allocated for this lecturer in the academic time table for the year 2018. An amount of Rs. 3,397,055 had been paid to him as salary and allowances for a time period of 09 months. Also, a lecturer of the Faculty of Science had been paid Rs. 1,012,674 as salary and allowances although he had not delivered lectures, since his date of retirement could not be determined.	That Professor has sent the report with the approval of the Faculty Of Science regarding his research activities related to his sabbatical leave (2015-11-01 to 31-10-2017) along with the letter dated 19-03-2019. (Annexure 5) Further, he has informed that he would resign from his post with effect on 21.05.2019 by the letter dated 21.02.2019. This request has been approved by the 551st Council of the University held on 10.04.2019. The retirement date of the lecturer of the Faculty of Science has been determined according to the letter UGC / HR / 4/13/40 of the University Grants Commission.
