Part I - General

Vision

“To be the prime intellectual thrust of the nation.”

Mission

“To advance knowledge and skills through teaching, research and services to serve the society.”

Message of the Vice-Chancellor

University of Ruhuna has continued a constant and steady progress during the year 2015 all the academic and administrative programmes were launched as scheduled. It is remarkable that the 9th Faculty of the University, the Faculty of Technology was established and the first batch of the Faculty will be admitted in next year.

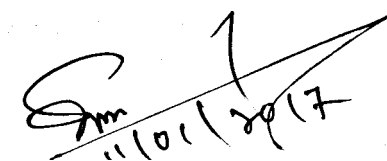

During the year, certain degree programmes and courses were revised to ensure more recognition to the graduate programmes of the university. Contributing to the productive expansion of knowledge, some Faculties organized several international symposia namely, Faculties of Agriculture, Engineering, Management & Finance and Science, in addition to the national and student research symposia. University of Ruhuna recorded international level winnings at the international design competition “IET Global Challenge 2015” and also obtained the First Prize of the “Excellent International Student Award in 2015” awarded by the University of Science and Technology, Beijing.

The two main academic events of the university the General Convocation and the Annual Academic Sessions and the Vice Chancellor’s Award Ceremony were held as scheduled.

The Faculty of Fisheries and Marine Sciences & Technology changed its location in the new permanent building at Wellamadama premises. New hostel buildings, library buildings, auditoriums and staff quarters completed during the year were able to uplift the existing infrastructure facilities and the learning environment of the university.

During the year many steps were taken to create and improve the international collaborations through Center for International Affairs (CINTA). All supporting units Medical Center, Career Guidance Unit, Center for Modern Languages & Civilization, Physical Education Unit, General Administration and Legal and documentation division provided the services positively to improve the operations of the university.

As a leading national University of Ruhuna, extended number of community services through their faculties. The administration of the university committed and encouraged the internal stakeholders to achieve its goals through following the best practices of management and continued to work on productivity development to achieve its’ maximum efficiency in operations.

Prof. Gamini Senanayake
Vice Chancellor

Governing Authority

The Chancellor - Ven. Rajakeeya Pandit Pallaththara Sri Sumanajothi Thero

Council of the University

Vice-Chancellor	-	Snr.Prof. Gamini Senanayake
Deputy Vice-Chancellor	-	Dr. A.M.N. Alagiyawanna
Deans of the Faculties		
Dean/Agriculture	-	Snr.Prof. S. Subasinghe
Dean/Engineering	-	Dr. P.D.C. Perera
Dean/Fisheries and Marine Sciences & Technology	-	Dr. R.A. Maithreepala
Dean/Humanities & Social Sciences	-	Prof. S. Wawwage
Dean/Management and Finance	-	Prof.(Mrs.) H.S.C. Perera
Dean/Medicine	-	Snr. Prof. Sarath Lekamwasam
Dean/Science	-	Snr. Prof. W.G.D.Dharmaratne
Dean/Graduate Studies	-	Prof. L.P. Jayatissa
Appointed Members	-	Rev. Malimbada Gnanaloka Thero
	-	Mr. S.A.Andrahennadi
	-	Mr. Senaka Samarasinghe
	-	Mr. Asoka De Silva
	-	Dr. Thilak T.Ranasinghe
	-	Mr. H.G. Gunasoma
	-	Mrs. E.A.C. Vidanagamachchi
	-	Prof. (Ms) Anoja Fernando
	-	Mr. M.G. Punchihewa
	-	Mr. Anura Dissanayake
	-	Prof. R.N.Pathirana
	-	Mr. R. C. De Zoysa
	-	Mr. T.M.Nimal De Silva
Senate Nominees	-	Prof. (Mrs.) N.J. de S. Amarasinghe
	-	Prof. Piyasiri Vithanage
Registrar (Ex Officio Secretary)	-	Mrs. P.S. Kalugama

Senate of the University

Vice-Chancellor	-	Snr.Prof. Gamini Senanayake
Deputy Vice-Chancellor	-	Dr. A.M.N. Alagiyawanna
Deans of the Faculties		
Dean/Agriculture	-	Snr.Prof. S. Subasinghe
Dean/Engineering	-	Dr. P.D.C. Perera
Dean/Fisheries and Marine Sciences & Technology	-	Dr. R.A. Maithreepala
Dean/Humanities & Social Sciences	-	Prof. S. Wawwage
Dean/Management and Finance	-	Prof.(Mrs.) H.S.C. Perera
Dean/Medicine	-	Snr. Prof. Sarath Lekamwasam
Dean/Science	-	Snr. Prof. W.G.D.Dharmaratne
Dean/Graduate Studies	-	Prof. L.P. Jayatissa
Librarian	-	Mr. Ananda Karunaratne
Registrar	-	Mrs. P.S. Kalugama
Heads of the Departments of Study		
Faculty of Agriculture		
Head, Agricultural Biology	-	Prof. K.L. Wasantha Kumara
Head, Agricultural Economics	-	Mr. A.L.Sandika
Head, Agricultural Engineering	-	Mr.S. Wijethunga
Head, Animal Science	-	Dr.(Mrs) N.Y. Hirimuthugoda
Head, Crop Science	-	Prof. K.K.I.U. Aruna Kumara
Head, Food Science & Technology	-	Dr. P.L.N. Lakshman
Head, Soil Science	-	Dr.(Mrs)B.C.Walpola
Faculty of Engineering		
Head, Civil and Environmental Eng.	-	Dr.G.S.Y. De Silva
Head, Electrical and Information Eng.	-	Dr. S.H.K.K.Gunawickrama
Head, Mechanical and Manufacturing Eng.	-	Dr.R.M.A. Pushpakumara
Head, Interdisciplinary Studies	-	Mr. W.T.G. Samantha
Faculty of Fisheries and Marine Sciences & Technology		
Head, Fisheries & Aquaculture	-	Dr.(Ms) K.R. Gamage
Head, Limnology	-	Dr. (Mrs.) H.B.Asanthi
Head, Oceanography & Marine Geology	-	Dr. P.N. Ranasinghe

Faculty of Humanities & Social Sciences

Head, Economics	- Dr.B.M.Sumanaratne
Head, Geography	- Mr. G. Senarath
Head, History & Archaeology	- Dr. M.V. Chandrasiri
Head, Pali & Buddhist Studies	- Rev. Dr. U.Mahinda Thero
Head, Sinhala	- Prof. (Mrs.) Dharma Rajapaksha
Head, Sociology	- Mr. Pannilage Upali
Head, English & Linguistics	- Prof. E.A.G. Fonseka
Head, Public policy	- Mr. E.G.Wijesiri

Faculty of Management and Finance

Head, Accounting & Finance	- Mr. H.V.D.I. Abeywickrama
Head. Management & Entrepreneurship	- Mr.P.E.D. Deshapriya de Silva
Head, Marketing	- Mr. A.C. Karunaratne

Faculty of Medicine

Head, Anatomy	- Dr. M.B. Samarawickrama
Head, Bio-Chemistry	- Dr.(Mrs) R.P.Hewawasam
Head, Community Medicine	- Dr. P.V. De Silva
Head, Forensic Medicine	- Dr. U.C.P. Perera
Head, Medicine	- Prof. K.D. Pathirana
Head, Microbiology	- Dr. W.M.D.G.B. Wijayarathne
Head, Obstetrics & Gynecology	- Senior Prof. I.M.R. Goonewardena
Head, Paediatrics	- Prof. U.K. Jayantha
Head, Parasitology	- Dr. T.C. Yahathugoda
Head, Pathology	- Dr. (Mrs.) T.G.Liyanage
Head, Pharmacology	- Dr. (Mrs.) S.S.Jayasinghe
Head, Physiology	- Dr. R.S.J. Lenora
Head, Psychiatry	- Dr. (Mrs.)G.D.Punchihewa
Head, Surgery	- Dr. R.W. Senivirathna
Head, Medical Education & Staff Development Unit (MESDU)	- Dr. I.V. Devasiri
Head, Nuclear Medicine Unit	- Dr. Manjula Hettiarachchi
Head, Filariasis Research Training and Service Unit (FRTSU)	- Dr. T.C. Yahathugoda

Faculty of Science

Head, Botany	- Dr.T.G.Dayananda
Head, Chemistry	- Prof.(Mrs.) V.P. Bulugahapitiya
Head, Computer Science	- Dr. T.S. Illeperuma
Head, Mathematics	- Dr. M.P.A. Wijesiri

Head, Physics

Head, Zoology

- Dr. K.P.S. Jayathilake
- Prof.(Mrs.)K.B.Suneetha Gunawickrama

Scholarships other than Mahapola & Bursary

Faculty of Engineering

The Faculty arranged two scholarships each Aus\$ 400 per year through Association of Sri Lankan Engineers Australia (ASLES). Under MOU between Holcim Lanka (Ltd.,) and the Department of Civil and Environmental Engineering, needy students receive six scholarships each worth of Rs. 2,500.00 per month for 12 months from Holcim Lanka (Ltd.,).

RACEE (Ruhuna Alumni Association of Civil and Environmental Engineering) sponsored three scholarships each worth of Rs. 2,500.00 per month for 10 months.

Department of Civil and Environmental Engineering arranged 10 scholarships each Rs. 2,500.00 per month for 10 months through LANWA (Pvt) Ltd.,

Faculty arranged 20 scholarships for needy students, each Rs. 1,800.00 per month for 12 months through private sponsors.

In addition, 4 scholarships were awarded each worth of Rs. 1,500.00 per month for 10 months from the Engineering Faculty Scholarship Foundation.

Through the arrangements made by University, 03 students received scholarships from Matara Bhodi Arakshaka Sabha. Also, through the arrangements made by University, two students received Jayamini Samaraweera scholarships each worth of Rs. 2,500.00 per month for 10 months and two students received Ensina Wickramasekara scholarships of Rs. 500/= per month for 12 months. One student received Chandrapala Weerakoon scholarship of Rs. 1,000/- per month for 12 months.

Part IV - Special Events of the University

01. Academic Sessions & Vice Chancellors Awards

12th Academic Sessions and 11th Vice Chancellor's Awards Ceremony was held on 4th March 2015 under the theme "Role of Research in Development Challenges" with the objective of creating a dialogue among scholars. Faculty of Graduate Studies organized of this event under the coordination of Prof.L.P.Jayatissa (Chairperson) and Mr. Ananda Karunaratne, Mr. K.T.S. Pushpakumara (Joint Secretary). Inauguration was graced by Senior Professor Gamini Senanayake (Vice Chancellor), Dr. AMN Alagiyawanna (Deputy Vice Chancellor), Deans, Keynote Speaker, and other participants. The keynote speech was delivered by Dr. Pradeepa Wijetunga, Librarian, University of Peradeniya and the oration was done by Prof. D.A.L.Leelamanie, Department of Soil Science, Faculty of Agriculture.

Winners of the 11th Vice Chancellor's Awards

01. The Most Outstanding Scholar

Prof.K.K.I.U.Arunakumara, Dept. of Crop Science, Faculty of Agriculture

02. The Most Outstanding Young Researcher

Dr. K.Masakorala, Dept. of Botany, Faculty of Science

03. The Most Outstanding Staff Inventor/Innovator

No Applicant

04. The Most Outstanding Student Inventor/Innovator

No Applicant

05. The Highest Recipient of Grants

Dr.(Mrs.) Lanka Ranawaka, Dept. of Agricultural Biology, Faculty of Agriculture

06. The Most Outstanding Convener of International Conferences/ Promoter of International Relations

Professor Thilak P.D.Gamage, Dept. of Limnology, Faculty of Fisheries & Marine Science and Technology

02. Exhibitions

- 'Innovation and Invention Exhibition' organized by the Faculty of Science was held on 30th November 2015 at the Faculty of Science
- 'Seyalochana' Exhibition – Inter faculty photography exhibition organized by the Soft Skills Society of the Faculty of Fisheries and Marine Sciences & Technology was held on 10th June 2015 at the main lobby of the library.
- An exhibition, 'Transportation and Environment' was organized by the final year students who took part in GOE 4203 (transportation and development) course offered by the Dept. of Geography, held on 22nd of December 2015 at the Dept. of Geography

03. Art Festival/Other Events

- The Faculty of Medicine conducted its 3rd art festival named 'Sithum Siyawel' on 31st October 2015.

- A cultural show named 'swararanga' was successfully held on 30th June 2015 at the auditorium of the Faculty of Fisheries and Marine Sciences & Technology
- The first year students of the Faculty of Humanities and Social Sciences organized 'Gimhanayen Wassanayata' in which they displayed their talents in dance and music. It was held on 3rd of July 2015 at open air theatre of the university
- Inter Faculty Dancing and Literature Competition 2015 was held on 14th October 2015 at the Auditorium of the Faculty of Humanities and Social Sciences

Part V - Reports of Faculties

Faculty of Agriculture

Dean's statement/Review

The Ruhuna University's Faculty of Agriculture provides education and furthers research on a wide variety of subjects related to Agriculture and continues to generate agriculture-related contributions to address broader society-level issues and strengthen research and knowledge in key areas for Sri Lanka's development. We are successful in the heading way with the newly introduced 3 degree programmes in the year 2015 where focus was more on the student centered learning and introducing job oriented course modules aiming to produce job creators rather than job seekers. Our connections to the community and to employers are robust and ensure our students are graduating real-world ready, through internships, study abroad, and mentored by alumni and corporate partners.

The academic staff also excelled in teaching and research where a number of staff development programmes were conducted through the Faculty Staff Development Center in order to enhance teaching and other skills of academics. Further, they have made a significant contribution to strengthen Institutional and national development through numerous grants received from national and international bodies, working in national level committees, etc.

The Faculty was able to create sufficient learning environment with the objective of producing high quality graduates. The welfare facilities of the students were also improved for example, a new hostel building was officially opened to provide accommodation for 400 undergraduates during the year. The support from the Faculty to the sports activities helped them to become the champion of the inter-Faculty sports meet of the University of Ruhuna. Our alumni are also working in leading companies, institutions while extending their services across the world in numerous positions.

As a result of continued activities of organizing workshops, awareness programs etc. to disseminate knowledge by the Faculty, a close relationship with the farmers in the region has been developed which lead them adopting novel technologies and working towards scientific approaches.

As the Dean, I am very proud of the staff and students of this Faculty for their achievement during the year 2015 and thank each and everyone in the Faculty community - the academic and non-academic staff, students, alumni and their families, for their sustained contributions and support throughout the year.

Staff Involvements and Achievements

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Community Services	i. Mushroom cultivation training ii. Alternative fertilizer awareness programme	Farmers Agricultural officers and farmers
Staff Development Programmes	i. Basics of Assessments of University examinations ii. How to give guidance and counseling or students iii. Music therapy for stress management	Direct beneficiaries are the academic staff Students are indirect beneficiaries
Contribution to National Development	i. Resource person to the revision of A/L Agriculture syllabus	Student community

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	ii Member of the National Committee on formulating fertilizer standards	Farmers
Grants Received (purpose & amount) - Local - International	i. NSF: Rs. 2.8 Mn ii. NARP iii. NRC Grant iv. Heiwa Nakajima Foundation	Undergraduates Postgraduates
Awards/Patents/Special Achievements	i. Presidential awards for research excellence ii. Hiran Tillekeratne Special Awards for Outstanding Postgraduate Research	-
Workshops/Seminars/Conferences conducted (Internal & Local)	i. Resource person to workshop on “wetland soils”, University of Colombo	Researchers Undergraduates
Link Programs	i. Construction of mini-compost project with Central Environmental Authority	Faculty farm Undergraduates Farmers

Faculty of Engineering

Dean's statement/Review

The Faculty of Engineering functioned smoothly during the year 2015 under the leadership of Dr. P.D.C. Perera who has been serving as the Dean since 1st January 2013.

The 2nd Annual Research Symposium (ARS – 2015) of the Faculty was held successfully under the theme of “Research for Achieving Excellence in Engineering” on 26th January, 2015 at the Faculty of Engineering. This annually organized symposium aims at sharing the research outcomes of the academic staff, students and prominent researchers in various organizations. 4th Undergraduate Research Symposium on “Recent Advances in Civil Engineering” was held on 20th January, 2015. 3rd International Symposium on “Advances for Civil and

Environmental Engineering Practices for Sustainable Development (ACEPS – 2015)” was held on 9th March, 2015 at the Faculty of Engineering with the participation of foreign and local delegates.

The 16th batch of students with 229 students was admitted to the Faculty of Engineering on 29th January, 2015. The Development Programme was started on 2nd February, 2015 and their first semester Academic programme was started on 27th April, 2015.

With the funds received from previous year, 100-room hostel building (Phase I) was completed and it was opened on 23rd April, 2015. The construction of the new library building and the auditorium were completed and were opened on 23rd July, 2015. Constructing two blocks of academic quarters consisting of eight apartments and the renovation of the existing quarters of the Faculty was progressing well. Construction of another 100 – room hostel building (Phase II) is also progressing well.

The Engineering Education Center of the Faculty arranged three months industrial training for 2nd and 3rd year Engineering undergraduates at various industries in Sri Lanka with the support of National Apprentice and Industrial Training Authority. Surveying Work Camp for 6th Semester students of Civil and Environmental Engineering was organized in August, 2015 at Wallawaya with the collaboration of Department of Irrigation.

Students Union of the Faculty under the guidance of the Faculty staff organized several activities such as new-year festival, cricket, badminton and volleyball tournaments, musical programs, annual farewell and Christmas Carol programme, during the year 2015.

Civil and Environmental Engineering Society has organized “concrete Mix Design Competition” on 8th September, 2015 and “Spaghetti Bridge Competition 2015 on 27th June, 2015 at the Faculty premises. University undergraduates in Civil Engineering field and students of the Higher Educational Institutes were participated for these competitions. This society has also organized several guest lectures and a job fair in the Faculty.

The XBOTIX 2015, a Robotics Competition, was organized by the Electrical and Information Engineering Society (EIES) collaboration with IEEE student chapter, IET Ruhuna Chapter and Mechanical and Manufacturing Engineering Society. University undergraduates and students from the schools took part in this competition which was held at the Faculty on 4th November, 2015.

Faculty participated the “Techno 2015”, National Engineering and Technology Exhibition held at BMICH in October 2015. In this exhibition Faculty’s stall won the Best Display with University Stall (Silver) award. In parallel to the exhibition, there were several competitions were held for the Engineering undergraduates. The students of the Faculty have actively participated for those competitions and won the 1st, 2nd, and 3rd places in the CAD Eager Competition (For Mechanical Engineering students), 1st and 2nd places in the Spaghetti Bridge Competition (For Civil Engineering students) and the 2nd and 3rd places in the Concrete Mix Design Competition (For Civil Engineering students).

Faculty has also actively participated in the Ruhuna University’s Inter-Faculty Literacy and Dancing Competition – 2015 which was sponsored by the Indian High Commission in Sri Lanka. Faculty won the 1st, 2nd and 3rd places in Lyrics Writing and 2nd place in Solo Dancing Competition.

A team of three final year students, who participated in the international design competition “IET Global Challenge 2015”, won the second place. The competition was organized by the institution of Engineering and Technology (IET), UK. The team competed against 250 designs from 157 countries and was able to win the second place for their design “The iCooler”.

In this year also, University of Agder, Norway, has offered four full Scholarships for reading M.Sc. degrees for the junior academic staff members. This includes three scholarships for the area of renewable energy and one for the area of ICT.

The Faculty has signed an MOU with Irrigation Department of Southern Provincial Council on technical collaboration and with University of Stavanger, Norway and the University of Yamanashi, Japan on academic exchange.

Faculty of Fisheries and Marine Sciences & Technology

Dean's statement/Review

Year 2015 is the 10th year of the Faculty of Fisheries and Marine Science & Technology which was established in year 2005. So far the faculty has produced five batches of graduates specialized in the field of Fisheries, Aquaculture, Limnology, Oceanography and Marine Geology. At the beginning of 2015, the faculty changed its location in the new permanent building at Wellamadama premises at the first time after ten years of period locating at the faculty complex building of the Faculty of Science. New location was FMST new building phase-1 which is about 500 m² building containing, Dean's office three lecture halls three laboratories, reading room, auditorium and museum. At the same year faculty also got the opportunity of begin the construction of building project phase –II of the faculty. Considering the requirements faculty introduced two new course modules for level IV undergraduate and updated eight course modules. By understanding the future requirement of the country faculty of FMST also submitted full curriculum for the new degree programme on B.Sc in Marine and Freshwater Science special honors degree programme to UGC approval. Moreover, Faculty also submitted proposal for changing the name of the department of Limnology to Department of Limnology and water technology. Department of Limnology recruited a Ph.D holder for the post of Senior lecture (Grade II). Faculty members has published 4 international indexed journal papers, 2 non-indexed papers , more than 15 abstract. Moreover faculty members also have involving in social service activities and developed relations with other institutes such as Geological survey and mines bureau, Marine Pollution Prevention Authority etc.

In addition to that faculty members also have worked in special committees assigned for different types purposes within and outside of the university.

Staff Involvements and Achievements

Programme/ Activity	Number and/or brief information	Beneficiaries /output
Newly introduced courses (course units)	I. Stratigraphy & Sedimentology (OCG4162) II. Geophysics for Ocean Science (OCG 4171)	Level IV undergraduate students
Community services	I. Continuation of FMST-Service laboratory (Registered in Central Environmental Authority of Sri Lanka): Department of Limnology	Community
Curriculum Development (Improvements of course units /subjects)	I. Geological & Geographical aspects related to aquatic systems (LIM4122) II. Water Resources Management (LIM4132) III. Inland Aquatic ecosystem management & Conservation (LIM 4112) IV. Introduction to Oceanography (OCG1112) V. Tectonic and Ocean basins (OCG 2141) VI. Earth materials & Structure (OCG3212) VII. Hydrocarbons and Mineral resources (OCG4122) VIII. Earth processes and Morphometric Analysis (OCG4112)	Students
Contribution to National Development	I. Participation of Port Biological Baseline survey (Galle, Hambantota & Trincomalee Harbor) Collaborated with Marine Environment Protection Authority (MEPA): Dr. H.B. Asanthi & Dr. R. A. Faculty of Humanities & Social Sciences

Dean's Statement/Review

The Faculty of Humanities & Social Sciences of the University of Ruhuna is the largest Faculty in the University in terms of the student population. It consist of eight academic departments, in addition to those the faculty comprised an English Language Teaching Unit, ICT unit, Center for Modern Language & Civilizations, Cultural Centre and Center for Conflict Studies. The faculty conducts undergraduate programs leading to the Bachelor of Arts General and special degree in twelve disciplines under semester based course unit system.

The scope of teaching and research of the faculty is also extended to offer postgraduate study programs such as Diploma, M.A., M.Phil. and Ph.D. etc. The faculty also conducts number of external degree, diploma and certificate level programs to meet the needs of the community.

The faculty is striving to make the full use of resources available to restore and foster the past glory and to enhance the historical social image of Rohana. Moreover, it contributes to develop economic and social sphere of the area.

The faculty of Humanities & Social Sciences grooms the students for a professional life by providing them with a broad understanding of the traditions that operate in a wide range of humanistic and social science disciplines.

Staff Involvements and Achievements

Faculty of Management & Finance

Dean's Statement/Review

The Bachelor of Business Administration (BBA) program at the Faculty of Management and Finance, the program itself has established as a leader in management education in Sri Lanka. Our program, which has become one of the premier choices for the students, furthers their education leaps and bounds. The business environment changes drastically. As such, we, as a Faculty are committed to respond to the demands required for educational programs. BBA degree curriculum was change to keep the program relevant to contemporary business needs and whereby educate the students about the new developments accepted that the business education is the livelihood of the economic development of any society. Thus, business education offers insights to entrepreneurial developments in a society. I believe that the BBA degree program at the Faculty, imparts the students, the required up to date knowledge which develops students with the leadership skills with 'can do attitude' to face the challenges in the business world. With your commitment, dedication and focus on studies at the Faculty of Management and Finance, University of Ruhuna, the Faculty expects to excel our academic performance and thereby serve the society providing productive human capital.

Faculty of Science

Dean's statement/Review

Faculty of Science offers general and special degree programmes in Physical Science, Biological Science and Computer Science. The Faculty consists of six departments in the subject areas of Botany, Chemistry, Computer Science, Mathematics, Physics and Zoology.

At the beginning of 2015, the faculty was provided back with the building area that was provided for the Faculty of Fisheries and Marine Sciences & Technology for more than 10 years. This building area is to be used for the Faculty of Technology until it moves into the Kamburupitiya site where new buildings are being built for the Faculty of Technology. The above two faculties were established initially by the involvement of the staff members of the staff of the Faculty of Science with the fullest support and well wishes from the Faculty of Science.

The faculty has been developing new curriculum so that students get the opportunities of following different subject streams. These subject streams will be providing opportunities for students to complete four year Bachelor of Science Honours Degree programmes with three core subjects or two major subjects.

Faculty successfully held the Ruhuna International Science and Technology Conference for the second time, the Invention and Innovation Exhibition and the first Undergraduate Research Symposium in 2015. Members of the faculty published their research findings in local and international research conferences and journals.

Many number of academic staff members of the faculty received a number of research/travel grants and awards from University, National Research Council, National Science Foundation and foreign universities and entities.

In addition to that faculty members worked in special committees for different types of purposes within and outside of the university.

The specific details of curriculum development, research output, national services, community services, University services and international contributions of individual departments are given in Table.

Staff Involvements and Achievements

Relevant information for each department is given separately.

Dept. of Botany

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Curriculum Development (Improvements of course units /subjects)	BOT 1231 ,BOT2221 BOT 3242, BOT 4142 BOT 4202, 3122 BOT 1222 BOT 2122 BOT 3132	Students of the Faculty of Science
Contribution to National Development	Seminars were conducted for A/L students regarding molecular biology Coordinating carrier guidance activities for students	A/L students and teachers receive broad knowledge Job opportunities for undergraduates and beneficiary to industries and institutions
Committees & No. of Members involved	08 members, Publicity committee, RISTCON-2015, Carrier guidance, Research , Soft skill development curricular development	
Grants Received (purpose & amount) - Local - International	three Science faculty grants, Rs. 50000.00 each for research	Grantee, students and Sri Lankans Australian government, our university
Awards/Patents/Special Achievements	NRC merit awards The most outstanding young researcher 2014- Vice chancellors award Endeavour Research Fellowship 2015	Dr. K. Masakorala Prof. S. Abeysinghe Prof. P. D. Abeysinghe
Workshops/Seminars/ Conferences conducted (Internal & Local)	RISTCON 2015. Student centered learning held on	Members of the Faculty of Science, resource person
Link Programmes	Analysis of phytochemicals for pharmaceutical purposes. Cardiff University of UK	Both countries

Dept. of Chemistry

Program/Activity	Number and/or Brief Information	Beneficiaries /Output
Community Services	1.water Analysis services in public and private sector 2. Analysis of food items in the industry (Halischandra Pvt Ltd)	Industry and public sector Industry and General public
Curriculum Development (Improvements of course	Revised whole curriculum of Special Degree in Chemistry	Undergraduates

Program/Activity	Number and/or Brief Information	Beneficiaries /Output
units /subjects)		
Staff Development Programmes	Southeast Asia International Joint-Research and Training Program :Dr. Nishantha Kalutharage	Staff of the Department and the University
Contribution to National Development	1. Seminar for A/L chemistry students 2. Resource person A/L syllabus reviewing 3.Member of the Council, SLAAS 4.Chairperson of the Science Education Committee, SLAAS 5 Council Member of the National Research Council	Advanced Level students in the region Scientists, Industries, School children and General public
Committees & No. of Members involved	Scholarship committee, (02) Students request committee (01) Oratory committee (01) Mentors (08) Ristcon (02) Invention & innovation exhibition committee (01) Academic session (01) News Letter (01) Warden (03)	Undergraduate of the Faculty
Grants Received (purpose & amount) - Local - International	NRC research grant : Dr. S. Wanniarachchi	Industry, Department, Country
Awards/Patents/Special Achievements	1.NRC Merit Award for Scientific Publication-2013 in 2015 : Dr. Jinasena Hewage 2. The Arthur J. Schmitt Leadership Fellowship Marquette University Graduate Student Milwaukee,I, USA: Dr. Nishantha Kalutharage	Staff of the Department , and university
Workshops/Seminars/ Conferences conducted (Internal & Local)	1.Public seminar/ lectures by eminent scientists (foreign) 2. Workshop on “Science Projects for GCE A/L students” SLAAS auditorium	Undergraduates and the staff on the Faculty A/L students and teachers who are involved in A/L science project work

Dept. of Computer Science

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Staff Development Programmes	ii. Certificate Course on Professional Development in Higher Education (CCPDHE_ - 2015: Module 6 in ICT Skills in Higher Education	Academic Staff members who requires to follow CCPDHE program in the University

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Contribution to National Development	i. Development of e-filling System for Civil Appellate High Court, Matara	Lawyers, general public and high court staff, CAHC, Matara
Contributions in International Level	i. Capability-oriented Business Informatics (COBI) -2015 Program Committee Member – Dr. Tharaka Ilayperuma (http://cobi2015.blogs.dsv.su.se/committees/)	Research Community in business informatics
Committees & No. of Members involved	i. UCTIT – University coordinator - 01 member (Mr. Aruna Lorensuhewa) ii. LEARN Coordinator – 01 (Mr. Aruna Lorensuhewa) iii. Computing Standing Committee member – 01 (Head / Computer Science) iv. Course Coordinator – 02 (Mr. Lorensuhewa, Dr. Tharaka Ilayperuma) v. RISTCON-2015: 03 members (academic – 01, academic support- 02)	University Community, University Students University Community Science Faculty Students

Dept. of Mathematics

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Community Services	i. 25 Scholarships are given to school and university students ii. Five (05) school libraries were established in rural areas	School and university students School students
Curriculum Development (Improvements of course units /subjects)	i. All the syllabuses were reviewed and have already submitted for the approval	university students
Staff Development Programmes	i. One staff member completed the CCPDHE	University students
Contribution to National Development	i. 5 staff members Involved in the development of new syllabuses in OU. ii. Two staff members Involved in the development of new syllabuses in the Engineering Faculty of SJP.	university students
Contributions in International Level	i. Three staff members participated in the Study Group Meeting on Mathematics and Statistics for Industry held in India.	Local industries, academic staff, research students
Committees & No. of Members involved	i. All staff members have involved in various committees in the faculty as well as in the university.	
Awards/Patents/Special Achievements	The First Prize of the “Excellent International Student Award in 2015” awarded by the University of Science and Technology Beijing, Beijing, P. R. China won Mr. B.G.S.A. Pradeep	

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	The "Excellent International Student Award in 2015" awarded by the Ministry of Education, P. R. China won Mr. B.G.S.A. Pradeep	
Workshops/Seminars/ Conferences conducted (Internal & Local)	i. Three staff members participated in the Study Group Meeting on Mathematics and Statistics for Industry held in India and two of them were resource persons for that workshop.	Local industries, academic staff, research students

Dept. of Physics

Programme/Activity	Number and/or Brief Information	Beneficiaries/Output
Newly Introduced Undergraduate Degree Programmes	I. The department of Physics has completed revision of most course units under the new degree programmes. New degree programmes are Bachelor of Science in Mathematics and Physics and Bachelor of Science in Chemistry and Physics.	This will be more beneficial for the university to attract more students because of four year degrees and it will be more beneficial to students who followed these streams because they can improve their knowledge in two subjects.
Newly Introduced Courses (course units)	I. The department introduced PHY4192 – Fundamentals of Engineering Workshop Practices course unit for special students II. Prof. K.K.A.S. Yapa introduced two new Optional Course Units (Active Citizenship & Active Citizen Community Project) to be introduced for Level II/Level III students of Faculty of Science starting from the Academic year 2016. III. Mr.S.S. Abeywickrama has designed FDN1223, TEC2133, TEC2232 and TEC2243, course units for technology degree program	This course unit gives workshop experiences for special degree students. Level II students of Science Faculty Undergraduates of Faculty of Technology, Univ. of Ruhuna
Distant Education Programmes or Extension Courses	I. Prof. K.K.A.S. Yapa served as a visiting lecturer at the Allied Health programme at the Faculty of Medicine, Univ. of Ruhuna. II. Dr. J.A.P. Bodhika served as a visiting lecture at Sabaragamuwa University of Sri Lanka, Sri Lanka III. Dr.N.T.Wickramasuriya served as a Laboratory Instructor and College/General Physics Graduate Teaching Assistant in the spring and summer semesters of the academic year 2015 at the Department of Physics, University of Cincinnati, OH, U.S.A. IV. Dr.N.T.Wickramasuriya served as a Graduate Research Assistant in the fall semester of the academic year 2015at	First year students of Medical laboratory degree under Allied health programme. Undergraduates at SUSL Undergraduates at University of Cincinnati, OH, U.S.A. Graduates and undergraduates at University of Cincinnati, OH, U.S.A.

Programme/Activity	Number and/or Brief Information	Beneficiaries/Output
	the Department of Physics, University of Cincinnati, OH, U.S.A. V. Mr.S.S.Abeywickrama served as a visiting lecturer at the Allied Health programme at the Faculty of Medicine, Univ. of Ruhuna	Undergraduates of Faculty of Medicine, Univ. of Ruhuna
Fee Levying Courses	I. Mr.S.S. Abeywickrama conducted three practical sessions for Matara university college students Amount: 143360.00 (LKR)	Verification of capability of the department to provide the laboratorial facility in national level technology standards University of Ruhuna, Faculty of science and Department of Physics. Matara University collage
Community Services	<p>I. Prof. K.K.A.S. Yapa organized a lecture/workshop on the theme "Ocean is Our Neighbour" for students of grades 8, 9 and 10 of Rohana Maha Vidyalaya, Wellamadama and served as a resource person to deliver a lecture and conducted a poster session.</p> <p>II. Prof. K.K.A.S. Yapa -QIG/W4 coordinator & QIG/W2 Activity coordinator, Faculty of Science, University of Ruhuna</p> <p>III. Prof. K.K.A.S. Yapa served as a Mentor for Faculty of Science.</p> <p>IV. Dr.Mahanama has conducted a lecture on Astronomy at Southlands College, Galle for Secondary Level students of Galle district.</p> <p>V. Dr.Mahanama served as a Deputy Proctor of Science Faculty.</p> <p>VI. Dr.Mahanama served as a Mentor for Science Faculty.</p> <p>VII. Dr. Jayatilleke worked as a mentor for Science Faculty.</p> <p>VIII. Dr.J.A.P. Bodhika QIG /W2 & QIG/W4 Activity coordinators, Faculty of Science.</p> <p>IX. Dr.J.A.P. Bodhika served as the Chairperson, Organizing Committee, Innovation & Invention Exhibition- 2015</p> <p>X. Mr. E.M. Ranatunga worked as a student counselor of the faculty of science.</p>	<p>Students in grades 8, 9 &10 of Rohana school</p> <p>Students of Faculty of Science</p> <p>Students of Faculty of Science Secondary Level students of Galle district.</p> <p>Science Faculty students</p> <p>Science Faculty students</p> <p>Science Faculty students</p> <p>Science Faculty students</p> <p>Science Faculty students</p> <p>Undergraduates, Faculty of Science University of Ruhuna</p> <p>Undergraduates, Faculty of Science University of Ruhuna</p>

Curriculum Development (Improvements of course units/subjects)	<p>I. Curriculum revision was carried out and got a good progress for new degree programme.</p> <p>II</p>	<p>This will give more benefits to new students because they can learn more new areas in subjects. It will help them to find better jobs in future.</p>

Programme/Activity	Number and/or Brief Information	Beneficiaries/Output
Staff Development Programmes	<p>I. Dr.Mahanama participated in a workshop on Internal Quality Assurance, Institutional Review and Sri Lanka Qualification Framework by the Internal Quality Assurance, University of Ruhuna.</p> <p>II. Dr.Mahanama participated in a workshop on How to Operationalize SLQF held at Sri Lanka Foundation organized by HETC</p> <p>III. Dr. H.A.D.S.D. Perera Participated in a workshop on Student Centered Teaching/Learning held at the Faculty of Science.</p> <p>IV. Mr.S.S. Abeywickrama has participated to the workshop on “How recent advances in teaching design and delivery can help improve science learning in HE students” on 25th September 2015.</p>	<p>This was very beneficial for all the staff for improving the quality of higher education.</p> <p>This was very useful for all the heads for understanding how do SLQF Level Descriptors relate to Programmes of Study</p> <p>This was very beneficial for all the staff for improving their teaching abilities.</p> <p>S.S.Abeywickrama Undergraduate of Faculty of Science university of Ruhuna</p>
Contribution to National Development	<p>I. Prof. Dharmaratna served as the Science Standing Committee nominee to the Board of PGIS.</p> <p>II. Prof. Dharmaratna served as a member of the Editorial Board of Journal of Physics, IPSL.</p> <p>III. Prof. Dharmaratna Served as the Editor in Chief,Ruhuna Journal of Science.</p> <p>IV. Prof. Dharmaratna served as the Dean of the Faculty of Science contributing to national developments especially he initiated the establishment of Faculty of Technology at University of Ruhuna.</p> <p>V. Prof. Dharmaratna severed as a team member under the Theme 1:“Big Bang to Today”, to design a gallery of exhibits to establish the proposed National Science Center.</p> <p>VI. Prof. Dharmaratna severed in Selection Boards for Promotion to the post of Professor in several universities.</p> <p>VII. Prof. Dharmaratna reviewed several research papers for Sri Lankan Journals.</p> <p>VIII. Prof. K.K.A.S. Yapa participated in a workshop on Institutional Review of Higher Education Institutes of Sri Lanka.</p> <p>IX. Prof. K.K.A.S. Yapa participated as a panel member of the Institutional Review Team in the evaluation of Eastern University of Sri Lanka, Batticaloa</p> <p>X. Dr. Jayatilleke worked as chief examiners</p>	<p>PGIS and Postgraduate studies in Science and students.</p> <p>Institute of Physics and researchers in the country and students.</p> <p>Staff students and researchers. Graduate Studies

Dean's statement/Review

Faculty of Graduate Studies (FGS) has recruited 289 new students for six of the Master degree programs, in addition to students registered for Research degree programs i.e. MPhil & PhD, in the year 2015.

Accordingly, with the students in previous batches, the total enrolment of students in Master degree programs (taught courses) in the year 2015, was 319.

The new registration for the research degrees (MPhil & PhD) in the year 2015 was 30. Hence the total enrolment of research students in 2015 was 198. (Table - 1)

In the year 2015, 89 students had completed their postgraduate degrees and, been graduated at the convocation, as 76 students from Master degree programs and 13 students from research degree programs.

The total enrolment of the postgraduate students in (taught courses and research degrees) was 725 in the year 2015.

The Faculty of Graduate Studies started a new Master degree program, MA in Peace & Development, in the year 2015, in collaboration with Tribuan University, Nepal. In addition, the initial works to start another two new Master degree programs, Master of Business Management and MA in Development planning, have been started in 2015.

Furthermore, a common by-law for all the Master degree programs was prepared and introduced in 2015. At the same time, a new method to verify the results of Master degree programs in which candidates get their answer scripts with marks into their hands and get the opportunity to compare it with the approved marking scheme in order to verify their results, was newly started in 2015.

The total earnings and expenditure during the year 2015 are Rs. 23,693,599.00 and Rs. 9,948,100.61 respectively. According to that, Rs. 13,745,498.39 is remaining as the balance.

Students enrolment in postgraduate programs at the Faculty of Graduate Studies in 2015

Postgraduate program	New admission	Total enrolment
PhD	05	198
MPhil	25	
MA in Economics	148	204
MA in Sociology	52	64
MA in Peace & Development	26	26
MBA/PDBA	21	50
MSc in Crop Production Technology	25	47
MSc in Civil and Environmental Engineering	17	11
Other Master degree programs in which no new admission in the year 2015	-	125
Total	319	725

Part VI - Library

Introduction

Main Library of University of Ruhuna is situated at Wellamadama premises. Agriculture, Medical, Engineering Faculty libraries are situated at Mapalana, Karapitiya, and Hapugala. Newly established Allied health sciences unit libraries are situated in Mahamodara and Uluvitike.

Library collection hold around 170000 books and nearly 300 journals titles. These resources are available in both printed and electronic media. Newly established national repository collection hold around 160000 publications. Annual circulation within the library system have been exceeded 100000 for the year of 2015.

Service of the library include reference service, Lending service, Interlibrary loan facilities, Current awareness service etc. Every year library conduct user education programme for the newly join students. Library website provides useful guide to the users. Specially web OPAC and newly started digital library link and other useful links are also available in the library website. Other than the above mentioned services, Library provide multimedia facilities and language self learning facilities for interesting parties.

The Vice Chancellor,
University of Ruhuna.

Report of the Auditor General on the Financial Statements of University of Ruhuna for the year ended 31 December 2015 in terms of Sub-section 108(1) of the Universities Act, No. 16 of 1978

The audit of financial statements of the University of Ruhuna for the year ended 31 December 2015 comprising the statement of financial position as at 31 December 2015 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with the Sub-section 107(5) of the Universities Act, No. 16 of 1978. My comments and observations which I consider should be published with the Annual Report of the University in terms of Sub-section 108(1) of the Universities Act appear in this report. A detailed report in terms of Sub-section 108(2) of the Universities Act, was furnish to the Vice Chancellor of the University on 08 August 2016.

1.2 Managements Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Auditing Standards of Supreme Audit Institutions (ISSAI 1000-1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Section 111 of the Universities Act, No. 16 of 1978 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

1.5 Basis for Qualified Opinion

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

2. Financial Statements

2.1 Qualified Opinion

In my opinion except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the University of Ruhuna as at 31 December 2015 and its financial performance and cash

flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

2.2 Comments on Financial Statements

2.2.1 Sri Lanka Public Sector Accounting Standards

The following observations are made.

(a) Sri Lanka Public Sector Accounting Standard 01

The following observations are made.

- (i) Sums totalling Rs.2,970,929 as at the last date of the year under review in 09 Savings Accounts opened for the grant of scholarships had been shown under the long term investments instead of being shown under the cash or cash equivalents in the statement of financial position.
- (ii) A sum of Rs.153,236,034 spent from the University Fund for the construction and purchase of capital assets had been brought to account as receivable as at 31 December of the year under review without the confirmation from the University Grants Commission that it would be reimbursed.
- (iii) Even though assets and liabilities should not be set off against each other unless otherwise required or allowed by the Standards, the sum of Rs.153,236,034 spent on capital expenditure had been set off against each other through the unspent Capital Grants Account and as a result a negative balance of Rs.50,587,750 had been shown.

(b) Sri Lanka Public Sector Accounting Standard 09

The balance stocks of maintenance materials valued at Rs.1,536,204 as at 31 December of the year under review had been written off as an expenditure of the year instead of being recognized as the stock of materials maintained for maintenance activities.

2.2.2 Accounting Deficiencies

The following observations are made.

- (a) The value of six buildings constructed and handed over to the University in the years 2013, 2014 and 2015 costing to Rs.234,043,340 continued further in the Work-in-progress Account without being capitalized under the buildings. As such, depreciation as well had not been made from the year 2013 to the year under review.
- (b) The value of stock of the seedlings available at the Farm for sale as at 31 December 2015 amounting to Rs.239,290 had not been brought to account.
- (c) The rates payable in respect of the year under review and the preceding years on the properties of the University and the surcharges thereon amounting to Rs.869,224 had not been brought to account.

2.2.3 Unexplained Differences

A difference of Rs.432,408 was observed in the comparison of the balance of the Gifts and Donations Account of the Faculty of Engineering shown in the financial statements and the schedule related thereto.

2.2.4 Lack of Evidence for Audit

Replies to 25 audit queries valued at Rs.872,232,218 out of 92 audit queries in respect of the year under review issued up to 31 March 2016 had not been furnished even by 30 June 2016.

2.3 Accounts Receivable and Payable

The following observations are made.

- (a) Sums totalling Rs.27,078,578 as at the end of the year under review remained receivable from 20 Lecturers over periods ranging from 01 year to 15 years for the breach of agreements and bonds entered into with the University.

මහජනාධිපති අලංකාරකම
සාමාන්‍ය සේවා කොට්ඨාසය
Auditor General's Department

5

- (b) Advances for researches and external programmes relating to 01 year to 07 years as at 31 December of the year under review totalling Rs.1,466,849 had not been settled even by 30 June 2016.

2.4 Non-compliance with Laws, Rules, Regulations and Management Decisions

Non-compliance with the following laws, rules, regulations and management decisions were observed.

Reference to Laws, Rules, Regulations, etc.	Non-compliance
(a) Establishments Code for the University Grants Commission and Institutions of Higher Education - Chapter XX Sections 3.1 and 3.2	Salaries and allowances for the year under review amounting to Rs.1,105,134,777 and Rs.1,415,806 had been paid to 478 officers of the Academic Staff and 2 Lecturers serving on the assignment basis respectively without substantiating of their times of arrival and departure.
(b) Financial Regulations of the Democratic Socialist Republic of Sri Lanka. - Financial Regulation 104	Action in terms of the Financial Regulation had not been taken on the losses amounting to Rs.322,290 caused by two accidents to motor vehicles in the year under review.
(c) Circulars of the University Grants Commission (i) Circular No. 737 of 18 August 1998	A sum of Rs.41,896,466 recovered from the persons who had breached agreements had not been invested in Fixed Deposits

සමස්ත පාලන කොමිෂන් සභාව

6

or Treasury Bills. The interest of Rs.1,283,507 received for the investments so made in a preceding year had been utilized for activities extraneous to the objective specified in the circular.

- (ii) Circular No. 13/2015 of 18 September 2015

An overpayment of Rs.79,326 for 678 litres of petrol which exceeded the limit of 140 litres of petrol supplied monthly to the Deans of Faculties for transport facilities, had been made to the Dean of the Faculty of Humanities and Social Sciences.

(d) Treasury Circulars

- (i) Circular No. 842 of 19 December 1978

A formal Register of Fixed Assets had not been prepared for the fixed assets costing Rs.8,438,459,798 as at the end of the year under review.

- (ii) Circular No. IAI/2002/02 of 28 November 2002

A Register of Fixed Assets had not been maintained for the computers costing Rs.206,132,592 as at the end of the year under review.

3. Financial Review

3.1 Financial Results

According to the financial statements presented, the financial results of the University for the year ended 31 October 2015 had been a surplus of Rs.28,852,186 as compared with the corresponding surplus of Rs.42,347,533 for the preceding year, thus indicating a deterioration of Rs.13,495,347 in the financial result of the year under review as compared with the preceding year. Despite the increase of the operating income by a sum

of Rs.434,088,733 the increase of the total expenditure by a sum of Rs.447,584,080 had been the reason for the above deterioration.

An analysis of the financial results for the year under review and 04 preceding years revealed that though there was a surplus in the year 2011, there were deficits in the years 2012 and 2013 and surpluses again in the years 2014 and 2015. Nevertheless, in taking into consideration the employees remuneration, taxes and depreciation on non-current assets, the contribution of the year 2012, as compared with the year 2011, had deteriorated, it had gradually improved in the subsequent years. Accordingly the contribution of Rs.1,778,438,697 for the year 2014 had improved by 21 per cent to Rs.2,155,374,403 in the year under review.

3.2 Legal Action Instituted against the University or commenced by the University

The University had filed 03 cases in the Supreme Court and the District Court by the end of the year under review and a sum of Rs.5,760,894 remained receivable from a case filed in the District Court. Different parties had filed 26 cases comprising 13 complaints filed in Labour Tribunals, 09 cases filed in the Courts and 04 complaints filed in the University Appeals Tribunal, against the University. Compensations amounting to Rs.28,905,977 had been claimed from two cases filed against the University.

4. Operating Review

4.1 Performance

4.1.1 Objectives of the University

According to the Strategic Plan prepared by the University for 5 years from the year 2014 to the year 2018, seven major objectives to be achieved are summarized below.

- (i) Expanding accesses to education, research and services and enhancing quality and relevance.
- (ii) Ensuring justice and equity with respect to gender, ethnicity and religion and differently abled persons.

- (iii) Enhancing good governance through effective and efficient management of resources.
- (iv) Upgrading the University to the top 2000 in the TIMES Higher Education and Q5 ranking list and enhancing the uniqueness of the University.

The following matters were observed in the examinations of the achievement of the above objectives.

- (a) In the enrollment of students for the Academic Year 2014/2015, the enrollments to 11 Courses out of 14 Degree Courses, had been less than the number that could be enrolled by 187 students.
- (b) Faculty of Science
 - (i) The number of students enrolled to the Three Degree Courses of the Faculty during the 05 preceding Academic Years had been less than the number that could be enrolled by 551 students.
 - (ii) A trend in the students registered in the Faculty of Science leaving on transfer to other Universities was observed in the preceding years and adequate steps had not been taken to prevent such situations. As a result, 104 students had left on transfer to other Universities in the Academic Year 2014/2015.
 - (iii) The third place in the local grading in the year 2013 had receded to the sixth place and fourth place in the years 2015 and 2014 respectively. In the World University Grading 2353 place in the year 2014 had receded to 3483 place in the 2015. The Audit is of the view that the above status is the reason for the students registered in the Faculty of Science leaving on transfer to other Universities.
 - (iv) Even though the student capacity of the Faculty of Science is 1,270 students, 860 students only had been enrolled by the end of the year 2015 and as such the cost per student had increased by Rs.112,091.

(c) Distance and Continuing Education Unit

- (i) Even though a student registered for a Degree Course should complete the Degree within a 3 year academic period, the students registered in the Academic Years 2010 and 2009 had taken 6 or more years to complete their Degrees. Delays ranging from 05 months to 23 months for the release of examination results were observed.
 - (ii) The number of students registered for the Bachelor of Arts Degree course during the years 2009 to 2012 had decreased by 70 per cent from 3,010 to 892. The last date for the registration had been postponed indefinitely as an adequate number of students could not be registered after the year 2012 up to the end of the year under review.
 - (iii) The decrease of registrations in this Unit had been due to the reasons such as the inefficiency of the Academic Activities and the delays in the conduct of examinations and the release of results of examinations.
- (d) Even though provisions amounting to Rs.2,512.8 million had been received during the year under review for the introduction of a new Degree Course, the establishment of an Awareness Centre on Coastal Resources, the University Village Programme, etc. it able to utilize those provisions efficiently for those activities even up to the end of the year under review.
- (e) Even though the responsibility for the implementation of different activities for the achievement of the objectives had been assigned to the Deans of the Faculties and the Heads of Divisions, an Action Plan or the Performance Reports for the year under review had not been prepared. As such it was not possible for the Audit to examine and establish to what extent activities of the other objectives had been achieved.

4.2 Management Activities

The following observations are made.

- (a) A surcharge of Rs.133,252 had to be paid to the Matara Municipal Council due to the failure to pay the rates on the properties of the University in respect of the year 2012 and the preceding years on the due dates.
- (b) Even though it was planned in the year 2014 for the construction of a new Administrative Building and completion of constructions in the year 2016 with the objective of increasing the office accommodation, action even for the commencement of work had not been taken even by 15 May 2016.

4.3 Operating Activities

The following observations are made.

- (a) The University Provident Fund dues and the gratuities had been paid to 05 Lecturers who had left the University Service without recovering the loans and advances totalling Rs.430,490 recovered from them.
- (b) The Research Reports relating to the research allowances amounting to Rs.1,084,145 paid to 05 Lecturers of the Sinhala Academic Division in the year 2013 had not been submitted even by 31 December 2015. Out of the 05 Lecturers, two Lecturers had retired with effect from 30 September 2014, and two others had proceeded abroad for academic purposes.
- (c) The balance of the Unpaid Bursaries Account amounting to Rs.8,602,050 as at the end of the year 2014 had increased by 37 per cent to Rs.11,836,350 by the end of the year under review. The reasons for retaining that money had not been furnished to audit.

4.4 Apparent Irregularities

The following observations are made.

- (a) A sum of Rs.390,000 at the rate of Rs.97,500 per unit had been paid to a private institution ignoring the specified capacity for the supply of 4 air conditioners of BTU 23500 capacity and installation at 3 places, instead of the supply and installation of 4 air-conditioners of BTU 24000 capacity in accordance with the specifications for the purchase of goods for the Faculty of Fisheries, Marine Science and Technology.
- (b) The University had paid the Value Added Tax amounting to Rs.2,742,362 to 04 institutions which had not paid the value Added Tax actively, to the Department of Inland Revenue and the Value Added Tax amounting to Rs.789,792 to two institutions which had produced forged Value Added Tax Invoices during the years 2014 and 2015. Action had not been taken even by the end of the year under review for the recovery of those amounts from those institutions.

4.5 Underutilisation of Funds

The following observations are made.

- (a) The Project named External Degree Programme created between the Higher Education for the Twenty First Century Project and the University of Ruhuna was scheduled for completion on 23 January 2016. Out of the provision of Rs.25,000,000 received for the Project, a sum of Rs.12,155,374 had not been utilized as the expenditure proposals thereon had not been furnished efficiently.
- (b) According to the agreement entered into between the University of Ruhuna and the University of Vrije in Belgium, a sum of Rs.22,840,222 had been made available for the implementation of the Green Dyke Project during the 05 years from the year 2008 to the year 2013. In view of the failure to complete the project within the specified period, the unutilized sum of Rs.9,293,549 had to be returned to the University of Vrije on 24 February 2016.

- (c) The balances of Development Funds, Fixed Deposits and a Savings Account shown under the long term investments totalling Rs.1,642,389 as at the end of the year under review, had been retained idle over a long period without being utilized for the objectives of the Development Fund.
- (d) Sums totalling Rs.50,593,597 relating to 10 Gift and Donation Accounts shown in the financial statements had been idling over periods ranging from 3 years to 10 years without being utilized for the objectives.
- (e) It was observed that the Government capital grants received for capital expenditure had not been utilized for the relevant activity and that such money had been retained idle. The Government grants not so utilized by the end of the year under review amounted to Rs.102,648,284.
- (f) A sum of Rs.47,115,612 transferred from the Income Account to the Fund Account of the Distance and Continuous Education Unit had been brought forward over a period of 3 years without being spent on the objectives of the Fund. No money whatsoever had been transferred from the Income Account to this Account during the year under review and the two preceding years.

4.6 Idle and Underutilised Assets

The following observations are made.

- (a) Four Laptop Computers costing Rs.527,520 supplied to the Lecturers of the Faculty of Humanities and Social Sciences, a Lathe Machine valued at Rs.2,249,500 purchased for the Agricultural Engineering Academic Division and 15 computers supplied to the Magampura Multi Subject Education and Research Centre had been idling as at 26 October 2015 that is nearly 02 years beyond the expiry of the guarantee period.
- (b) The scenic air conditioned building complex with a tiled floor area of 5,944 square feet of the Magampura Multi Subject Education and Research Centre affiliated to the University of Ruhuna transferred to the University by the District

පාලනාධිපති අංශය
கணிப்பெயர் துறை அமைச்சு
Auditor General's Department

13

Secretary in the year 2013 remained closed down without being used for any useful purpose.

- (c) The Day Care Centre constructed at a cost of Rs.3,622,242 in the staff quarters complex at Kospelawatta remained closed down since October 2014 without being used for any purpose whatsoever.
- (d) Even though 60 computer tables costing Rs.463,000 had been purchased from a private institution on 04 November 2014 for the Computer Unit of the Electronic and Information Academic Division of the Faculty of Engineering, 47 of those tables had been stacked without protection near the entrance of the Computer Division even by 31 December 2015. Similarly, equipment valued at Rs.5,645,536 received by the Academic Division on 08 April 2015 for the purposes of the laboratory, could not be made use of even by 28 January 2016 as the Audio Visual Laboratory planned to be constructed for that Unit had not been constructed even by January 2016.

4.7 Uneconomic Transactions

A sum of Rs.11,341,000 had been approved for 04 Lecturers to follow Higher Education Courses. Even though their academic periods of study had expired on 01 October 2015, the scientific theses relating to their Higher Education Courses had not been submitted even by 19 February 2016.

4.8 Identified Losses

The stock of 31 chemicals valued at Rs.380,117 had expired by the end of the year under review due to the purchase of chemicals without identifying the requirements properly. Audit test checks of 2 Academic Divisions revealed that 23 chemicals valued at Rs.313,363, a stock of 231 kilogrammes of 8 chemicals, the value of which was not revealed, and 20 litres of another chemical had been kept in storage over periods ranging from 01 year to 06 years without being made use of.

4.9 Contract Process

The following observations are made.

- (a) Out of 08 works which should have been completed by 20 November 2015 the physical progress of 04 works had been at 15 per cent to 50 per cent level. The physical progress of another work had been zero. Out of the provision of Rs.283,000,000 received for these 08 works, the expenditure incurred up to 20 November 2015 amounted only to Rs.95,550,000. As such the financial progress of the works had been at a low level of 34 per cent.
- (b) Even though the construction of the proposed building complex for the Faculty of Management and Finance should have been completed by 17 December 2014, the physical progress of construction work by 20 November 2015 had been 68 per cent. Even though a sum of Rs.12,970,908 had been recovered from the contractor as liquidated damages for the delay, subsequently, the extension of the contract period had been approved and the money recovered had been refunded to the contractor.

4.10 Delayed Projects

An agreement for a sum of Rs.3,346,168 had been entered into with a private contractor on 05 January 2015 for the modernization of the Computer Unit of the Electronic and Information Academic Division of the Faculty of Engineering. The contractor had abandoned the work by 17 September 2015 after executing a part of the work.

4.11 Staff Administration

The following observations are made.

(a) Academic Staff

All 5 posts of Professor approved for the Faculty of Engineering had been vacant and there were 148 vacancies in the post of Lecturer of all 07 Faculties. Out of

that, vacancies in the Faculties of Medical, Engineering and Science had been as high as 41, 34 and 23 respectively and that had been an impediment for imparting an effective education to the students who are studying in those Faculties.

(b) Non-Academic Staff

- (i) Vacancies in 13 posts of the Staff Grade, 50 posts in the Non-staff Grade and 104 posts in the Minor Grades in the Non-Academic Staff existed.
- (ii) A scheme of transfers among the Departments and Divisions had not been implemented and as such it was observed that 26 officers in the clerical and the allied services of the different Departments and Divisions of the Faculty of Medicine had been serving in the same Divisions over periods ranging from 06 years to 32 years.
- (iii) The Technology Officer attached to the Food and Technology Academic Division of the Faculty of Agriculture had been attached with effect from 28 October 2013 to the Computer Division of the same Faculty where no such post existed. In consequence, a labourer attached to that Division had been deployed in the vacancy created in the Academic Division. As such, the quality services of a Technology Officer had been deprived of to the practical tests of the Academic Division over a period exceeding two years.

5. Accountability and Good Governance

5.1 Action Plan

An Action Plan for the year under review in terms of paragraph 4 of the Public Finance Circular No. 01/2014 of 17 February 2014 had not been prepared.

5.2 Audit and Management Committees

Even though the Audit and the Management Committee should meet at least once in every three months in terms of the Public Enterprises Circular No. PED/55 of 14 December 2010, only 02 meetings had been held during the year under review.

5.3 Budgetary Control

Variances ranging from 15 per cent to 193 per cent were observed between the budgeted and the actual expenditure for the year under review, thus indicating that the budget had not been made use of as an effective instrument of management control.

5.4 Tabling of Annual Reports

The Annual Reports for the years 2012 and 2013 had not been tabled in Parliament even by 15 April 2016.

5.5 Unresolved Audit Paragraphs

The University had not paid adequate attention to the following Audit paragraphs which had been pointed out in the Reports of the Auditor General for the preceding years.

- (a) (i) Financial assistance of Rs.1,740,622 had been provided to a Temporary Lecturer and a Permanent Lecturer without entering into a bond for the completion of the higher education qualifications under the Specific Agreement on Research Co-operation between the Swedish International Development Co-operation Agency Project implemented by the Faculty of Fisheries and Marine Science and Technology from the year 2006 to 2010.
- (ii) Those two Lecturers are not in the service of the University at present and there was no information whatsoever for the confirmation that the qualification had been completed. It was also observed that no benefits had accrued to the University from the expenditure incurred thereon.

පාලන විධායක ජනරාල්ගේ දෙපාර්තමේන්තුව
 අධ්‍යක්ෂ ජනරාල්ගේ දෙපාර්තමේන්තුව
 Auditor General's Department

17

- (b) (i) An advance of Rs.751,463 had been paid 4 years ago, for the purchase of scientific equipment from an institution in Germany for the Food and Technology Academic Division of the Faculty of Agriculture. The equipment had not been received by the University. Nevertheless, no follow-up action whatsoever had been taken even by March 2014.
- (ii) The equipment required by the Academic Division had been imported again from an institution in India at a cost of Rs.329,179 and that institution had supplied equipment which had not been ordered as well. Another part had not been received. Even though equipment with various defects had been received by the University over a year ago, no action whatsoever had been taken in that connection.

5.6 Execution of Environmental and Social Responsibilities

The following observations are made.

- (a) The solid waste including different kinds of garbage disposed of by 8 canteens situated in the University and the institution supplying the cleaning services had been dumped near the Wella-madama Bridge. The disposal of garbage to that place after 30 May 2016 had been prohibited due to the various environmental problems that had arisen.
- (b) Even though it was possible to implement various programmes for the minimisation of direct and indirect impact on the health, environment and the society through the use of plastic and polythene in co-operation with the public institutions, an adequate attention had not been paid in that connection.
- (c) The attention of the University had not been paid for the implementation of different environmental friendly programmes such as the prohibition of polythene bags and food wrappers less than 20 microns prohibited at present, controlling the polythene, other materials and plastic over 20 microns brought into the premises, encouraging the staff and the students towards packing methodologies other than polythene, etc.

6. Systems and Controls

Deficiencies in systems and controls observed during the course of audit were brought to the notice of the Vice Chancellor of the University from time to time. Special attention is needed in respect of the following areas of control.

Areas of Systems and Controls	Observations
(a) Fixed Assets Control	Non-maintenance of the Register of Fixed Assets, failure to take action on the idle fixed assets.
(b) Accounting	Failure to take action to identify and account for the stocks and the constructed assets.
(c) Financial Control	Retaining money in the Bank Accounts without being utilized for the intended activities.
(d) Staff Administration	Failure to recruit officers for vacancies.
(e) Contract Administration	Lack of proper supervision of contract work.
(f) Motor Vehicles Control	Failure to take action on accidents caused to motor vehicles in terms of the Financial Regulations. Failure to complete the Daily Running Charts and Monthly Performance Summaries and furnished to the Auditor General.
(g) Operating Controls	Non-completion of the objectives based activities and inefficiencies in the preparation and implementation of plans.

H.M.Gamini Wijesinghe
 Auditor General

Reply Report submitted by the University of Ruhuna for the Report of the Auditor General on the Financial Statements for the year ended 31 December 2015 in terms of sub-section 108(1) of the Universities Act, No. 16 of 1978

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>The audit of financial statements of the University of Ruhuna for the year ended 31 December 2015 comprising the statement of financial position as at 31 December 2015 and the statement of financial performance, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with the Sub-section 107(5) of the Universities Act, No. 16 of 1978. My comments and observations which I consider should be published with the Annual Report of the University in terms of Sub-section 108(1) of the Universities Act appear in this report. A detailed report in terms of Sub-section 108(2) of the Universities Act, was furnish to the Vice Chancellor of the University on 08 August 2016.</p>	
1.2	<p>Managements Responsibility for the Financial Statements</p> <p>Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.</p>	
1.3	<p>Auditor's Responsibility</p> <p>My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Auditing Standards of Supreme Audit Institutions (ISSAI 1000-1810). Those Standards require that I comply with ethical requirements and plan and</p>	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.</p> <p>An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgments, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Section 111 of the Universities Act, No. 16 of 1978 give discretionary powers to the Auditor General to determine the scope and extent of the audit.</p> <p>I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.</p>	
1.5	<p>Basis for Qualified Opinion</p> <p>My opinion is qualified based on the matters described in paragraph 2.2 of this report.</p>	
2.	<p>Financial Statements</p>	
2.1	<p>Qualified Opinion</p> <p>In my opinion except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the University of Ruhuna as at 31 December 2015 and its financial performance and cash flows for the year then</p>	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	ended in accordance with Sri Lanka Public Sector Accounting Standards.	
2.2	Comments on Financial Statements	
2.2.1	<p>Sri Lanka Public Sector Accounting Standards The following observations are made.</p> <p>(a) <u>Sri Lanka Public Sector Accounting Standard 01</u> The following observations are made.</p> <p>(i) Sums totaling Rs.2,970,929 as at the last date of the year under review in 09 Savings Accounts opened for the grant of scholarships had been shown under the long term investments instead of being shown under the cash or cash equivalents in the statement of financial position.</p> <p>(ii) A sum of Rs.153,236,034 spent from the University Fund for the construction and purchase of capital assets had been brought to account as receivable as at 31 December of the year under review without the confirmation from the University Grants Commission that it would be reimbursed.</p> <p>(iii) Even though assets and liabilities should not be set off against each other unless otherwise required or allowed by the Standards, the sum of Rs.153,236,034 spent on capital expenditure had been set off against each other through the unspent Capital Grants Account and as a result a negative balance of Rs.50,587,750 had been shown.</p> <p>(b) <u>Sri Lanka Public Sector Accounting Standard 09</u> The balance stocks of maintenance materials valued at Rs.1,536,204 as at 31 December of the year under review had been written off as an expenditure of the year instead of</p>	<p>Direct payments are not made to students from these savings accounts and the payments are made from the current accounts of the University and reimbursed through the savings accounts. Further, a part of the interest earned through these savings accounts is used for the payment of scholarships and the balance interest is invested in fixed accounts. Accordingly, considering the objective of maintaining these savings accounts, it is correct to deem this as a long term investment and we are of the opinion that it is not correct to consider them as cash or cash equivalents.</p> <p>Materials required for the Maintenance Division of the University are supplied directly thereto and generally the expenditure incurred is brought into accounts as</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	being recognized as the stock of materials maintained for maintenance activities.	expenditure at the time of purchase itself. Since the items are directly supplied to the Maintenance Division based on an application submitted on annual requirements of the Division, the accounts had been prepared on the assumption that there would not be balance stocks. However as pointed out in the audit, action will be taken from next year onwards to assess the balance stocks at the end of the year and bring them to accounts. (A detailed reply has been given to audit reference SNPC/MR/RU/15/U85)
2.2.2	Accounting Deficiencies The following observations are made. (a) The value of six buildings constructed and handed over to the University in the years 2013, 2014 and 2015 costing to Rs.234,043,340 continued further in the Work-in-progress Account without being capitalized under the buildings. As such, depreciation as well had not been made from the year 2013 to the year under review.	As a result of the value of final bills not being calculated, the value of these buildings cannot be accurately calculated. Further, since defective conditions are detected practically even though the buildings have been completed, the value of the final bill may vary. Therefore the relevant buildings are transferred to the buildings account only after they are brought to a condition fit to be used by the University. Hence this has been mentioned under policies and disclosures. Accordingly, in view of the practical situation mentioned above, it has been difficult to account them as mentioned in the audit.
	(b) The value of stock of the seedlings available at the Farm for sale as at 31 December 2015 amounting to Rs.239,290 had not been brought to account.	Agree with the observations. This value adjustment will be rectified from the year 2016.
	(c) The rates payable in respect of the year under review and the preceding years on the properties of the University and the surcharges thereon amounting to Rs.869,224 had not been brought to account.	
2.2.3	Unexplained Differences A difference of Rs.432,408 was observed in the comparison of the balance of the Gifts and	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University				
	Donations Account of the Faculty of Engineering shown in the financial statements and the schedule related thereto.					
2.2.4	Lack of Evidence for Audit Replies to 25 audit queries valued at Rs.872,232,218 out of 92 audit queries in respect of the year under review issued up to 31 March 2016 had not been furnished even by 30 June 2016.	Out of 62 audit queries referred up to 31.12.2015, replies have been furnished up to 51 and the replies for the remaining 11 have been drafted.				
2.3	Accounts Receivable and Payable The following observations are made. (a) Sums totaling Rs.27,078,578 as at the end of the year under review remained receivable from 20 Lecturers over periods ranging from 01 year to 15 years for the breach of agreements and bonds entered into with the University. (b) Advances for researches and external programmes relating to 01 year to 07 years as at 31 December of the year under review totaling Rs.1,466,849 had not been settled even by 30 June 2016.	On the instructions of the Governing Council, 12 files of lecturers who have breached agreements have been sent to the Attorney General’s Department and cases have been filed against three of them in district courts. One lecturer to whom a letter of demand was sent had paid the entire amount to the University.				
2.4	Non-compliance with Laws, Rules, Regulations and Management Decisions Non-compliance with the following laws, rules, regulations and management decisions were observed. <table><tr><th>Reference to Laws, Rules, Regulations, etc.</th><th>Non-compliance</th></tr><tr><td>(a) Establishments Code for the University Grants Commission and Institutions of Higher Education</td><td>Salaries and allowances for the year under review amounting to Rs.1,105,134,777 and Rs.1,415,806 had been</td></tr></table>	Reference to Laws, Rules, Regulations, etc.	Non-compliance	(a) Establishments Code for the University Grants Commission and Institutions of Higher Education	Salaries and allowances for the year under review amounting to Rs.1,105,134,777 and Rs.1,415,806 had been	Agree with the observations. This is a situation which has prevailed since the commencement of universities in Sri Lanka. The academic staff engaged in academic activities according to daily timetable and in addition to teaching activities, they are also engaged in research activities. You are kindly informed that there is a strong likelihood of a crisis situation being created in universities if an abrupt change is brought about to the existing system. Therefore a dialogue in this connection should be initiated and if an appropriate action is taken by the University Grants Commission, the universities are bound to act accordingly. A detailed reply has been furnished to your audit reference SNP/MR/C/RU/15/U101
Reference to Laws, Rules, Regulations, etc.	Non-compliance					
(a) Establishments Code for the University Grants Commission and Institutions of Higher Education	Salaries and allowances for the year under review amounting to Rs.1,105,134,777 and Rs.1,415,806 had been					

Action has been taken to obtain the approval of the Governing Council as per circulars.

Audit Rep. Chap.No	Matter raised by the Auditor General		Answer given by the University
	September 2015	liters of petrol which exceeded the limit of 140 liters of petrol supplied monthly to the Deans of Faculties for transport facilities, had been made to the Dean of the Faculty of Humanities and Social Sciences.	<p>Fixed assets register for lands, buildings and motor vehicles has been finalized. They represent 69% of total assets. The relevant documents are submitted herewith. The fixed asset register for other assets (moveable assets) is now being prepared.</p> <p>Action will be taken in the future as per the recommendations.</p>
	(d) Treasury Circulars		
	(i) Circular No. 842 of 19 December 1978	A formal Register of Fixed Assets had not been prepared for the fixed assets costing Rs.8,438,459,798 as at the end of the year under review.	
	(ii) Circular No. IAI/2002/02 of 28 November 2002	A Register of Fixed Assets had not been maintained for the computers costing Rs.206,132,592 as at the end of the year under review.	
3	Financial Review		
3.1	Financial Results <p>According to the financial statements presented, the financial results of the University for the year ended 31 October 2015 had been a surplus of Rs.28,852,186 as compared with the corresponding surplus of Rs.42,347,533 for the preceding year, thus indicating a deterioration of Rs.13,495,347 in the financial result of the year under review as compared with the preceding year. Despite the increase of the operating income by a sum of Rs.434,088,733 the increase of the total expenditure by a sum of Rs.447,584,080 had been the reason for the</p>		For information.

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>above deterioration.</p> <p>An analysis of the financial results for the year under review and 04 preceding years revealed that though there was a surplus in the year 2011, there were deficits in the years 2012 and 2013 and surpluses again in the years 2014 and 2015. Nevertheless, in taking into consideration the employees remuneration, taxes and depreciation on non-current assets, the contribution of the year 2012, as compared with the year 2011, had deteriorated, it had gradually improved in the subsequent years. Accordingly the contribution of Rs.1,778,438,697 for the year 2014 had improved by 21 per cent to Rs.2,155,374,403 in the year under review.</p>	
3.2	<p>Legal Action Instituted against the University or commenced by the University</p> <p>The University had filed 03 cases in the Supreme Court and the District Court by the end of the year under review and a sum of Rs.5,760,894 remained receivable from a case filed in the District Court. Different parties had filed 26 cases comprising 13 complaints filed in Labour Tribunals, 09 cases filed in the Courts and 04 complaints filed in the University Appeals Tribunal, against the University. Compensations amounting to Rs.28,905,977 had been claimed from two cases filed against the University.</p>	<p>By the end of the year under review, the University had filed a case in the Supreme Court challenging a ruling of the Appeals Court and two cases in the district court in relation to the breach of agreements and bonds and various parties had filed 26 cases comprising 13 complaints filed in Labour Tribunals, 09 cases filed in the Courts and 04 complaints filed in the University Appeals Tribunal, against the University. A sum of Rs. 5,760,894.23 remained receivable together with the legal interest from 02 cases filed by the University in the District Court and of the 26 cases filed against the University, 02 had claimed compensation amounting to Rs 28,905,977.13. One of these cases had been filed in the District Court and the value had been indicated as Rs 25,000,000/-. The other case is against a ruling delivered by the Appeals Court and the amount is Rs. 3,905,977.13/-.</p>
4.	Operating Review	
4.1	Performance	
4.1.1	<p>Objectives of the University</p> <p>According to the Strategic Plan prepared by the</p>	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>University for 5 years from the year 2014 to the year 2018, seven major objectives to be achieved are summarized below.</p> <ul style="list-style-type: none"> (i) Expanding accesses to education, research and services and enhancing quality and relevance. (ii) Ensuring justice and equity with respect to gender, ethnicity and religion and differently abled persons. (iii) Enhancing good governance through effective and efficient management of resources. (iv) Upgrading the University to the top 2000 in the TIMES Higher Education and Q5 ranking list and enhancing the uniqueness of the University. <p>The following matters were observed in the examinations of the achievement of the above objectives.</p> <p>(a) In the enrollment of students for the Academic Year 2014/2015, the enrollments to 11 Courses out of 14 Degree Courses, had been less than the number that could be enrolled by 187 students.</p>	<p>(a) Accordingly, even after the commencement of academic activities of the Faculties of Fisheries and Marine Sciences/ Science/ Medical (Allied Health Courses)/ Agriculture as per scheduled academic term orders, repeated requests were made from the University Grants Commission having considered the vacancies in the above faculties, for the selection of students and even though the UGC selected students and informed the University accordingly, you are informed that at the conclusion of the final step of filling relevant vacancies, the vacancies indicated in Annex 1 remain in the University.</p>
	<p>(b) <u>Faculty of Science</u></p> <ul style="list-style-type: none"> (i) The number of students enrolled to the Three Degree Courses of the Faculty during the 05 preceding Academic Years had been less than the number that could be enrolled by 551 students. 	<p>b (i)</p> <p>There is an accepted procedure for enrollment of students to existing vacancies in the University and according to the said procedure, the University had made every effort to fill the relevant vacancies. This problem has arisen as the majority of students</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>(ii) A trend in the students registered in the Faculty of Science leaving on transfer to other Universities was observed in the preceding years and adequate steps had not been taken to prevent such situations. As a result, 104 students had left on transfer to other Universities in the Academic Year 2014/2015.</p> <p>(iii) The third place in the local grading in the year 2013 had receded to the sixth place and fourth place in the years 2015 and 2014 respectively. In the World University Grading 2353 place in the year 2014 had receded to 3483 place in the 2015. The Audit is of the view that the above status is the reason for the students registered in the Faculty of Science leaving on transfer to other Universities.</p> <p>(iv) Even though the student capacity of the Faculty of Science is 1,270 students, 860 students only had been enrolled by the end of the year 2015 and as such the cost per student had increased by Rs.112,091.</p>	<p>who sit the G.C.E. (Advanced Level) examination for the first time, opt to sit for the examination again rather than seeking enrollment to Mathematical Sciences and Biological courses. Though they submit applications for registration in universities, when summoned by the University for registration they do not present themselves thus leading to vacancies. Though the relevant faculties and the University Grants Commission strive hard even after the expiry of the scheduled academic term orders to fill these vacancies, it is practically difficult to fill the relevant vacancies as the final decision regarding the enrollment is taken by the eligible students themselves.</p> <p>(iii) and (iii)</p> <p>We wish to point that the leaving on transfer to other Universities by the majority of these students was not prompted by the quality of the academic courses or the rank in the World University Grading. There is an increasing trend among students to follow professional courses (ACA, CIMA, AAT, Banking) immediately after the Advanced Level and at the time of selection for universities the majority of such students have at least reached intermediate or higher level of the relevant professional courses. Therefore they try hard to gain admission to a university around Colombo and this preference for a University located close to Colombo has lead to this situation.</p> <p>The grading of Universities upon information available on the Internet is not based on the quality of academic courses, though it is possible that some students may be persuaded by such grading. A better criterion for the comparison of the quality of the degree with</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
		those of others would be the employability of graduates. Researches conducted by the Ministry of Higher Education over the past few years have found that the graduates of the Science Faculty of the Ruhuna University have been able to secure a higher level of employment opportunities.
	<p>(c) <u>Distance and Continuing Education Unit</u></p> <p>(i) Even though a student registered for a Degree Course should complete the Degree within a 3 year academic period, the students registered in the Academic Years 2010 and 2009 had taken 6 or more years to complete their Degrees. Delays ranging from 05 months to 23 months for the release of examination results were observed.</p> <p>(ii) The number of students registered for the Bachelor of Arts Degree course during the years 2009 to 2012 had decreased by 70 per cent from 3,010 to 892. The last date for the registration had been postponed indefinitely as an adequate number of students could not be registered after the year 2012 up to the end of the year under review.</p> <p>(iii) The decrease of registrations in this Unit had been due to the reasons such as the inefficiency of the Academic Activities and the delays in the conduct of examinations and the release of results of examinations.</p>	<p>The delay in the release of results can mainly be attributed to the following reasons.</p> <ul style="list-style-type: none"> ➤ The prolonged strike of the nonacademic staff during the period under review. ➤ Participation of the staff of the Faculty of Humanities and Social Sciences in the external courses while being engaged in the internal duties due to the absence of a separate staff for the External Unit. Therefore in determining the timeframe for the preparation of question papers, evaluation of answer scripts and the conduct of examination, they have ensure that internal duties are not hampered. <p>(ii) Since the UGC has given instructions through Circular No. 932 to limit the number of students registered for external degree courses, out of 3466 students applied for registration for the 2012 academic year, 1321 were selected through an aptitude test. Since only this University adopted this method of registering students on the basis of the results of the aptitude test, the number of students registered in the 2013 academic year was 551.</p>
	(d) Even though provisions amounting to Rs.2,512.8 million had been received	(d) Agree with the observations.

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	during the year under review for the introduction of a new Degree Course, the establishment of an Awareness Centre on Coastal Resources, the University Village Programme, etc. it able to utilize those provisions efficiently for those activities even up to the end of the year under review.	
	(e) Even though the responsibility for the implementation of different activities for the achievement of the objectives had been assigned to the Deans of the Faculties and the Heads of Divisions, an Action Plan or the Performance Reports for the year under review had not been prepared. As such it was not possible for the Audit to examine and establish to what extent activities of the other objectives had been achieved.	(e) The Deans have been instructed to prepare the Faculty Action Plan for academic activities.
4.2	Management Activities The following observations are made. (a) A surcharge of Rs.133,252 had to be paid to the Matara Municipal Council due to the failure to pay the rates on the properties of the University in respect of the year 2012 and the preceding years on the due dates. (b) Even though it was planned in the year 2014 for the construction of a new Administrative Building and completion of constructions in the year 2016 with the objective of increasing the office accommodation, action even for the commencement of work had not been taken even by 15 May 2016.	(a) Though it has been informed to pay surcharges for assets relevant to year 2015 and a few preceding years, action is being pursued in relation to the payment of the rates without surcharges. (b) Necessary measures are being taken to commence the construction activities of this building in the year 2017.
4.3	Operating Activities The following observations are made.	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>(a) The University Provident Fund dues and the gratuities had been paid to 05 Lecturers who had left the University Service without recovering the loans and advances totaling Rs.430,930 recovered from them.</p> <p>(b) The Research Reports relating to the research allowances amounting to Rs.1,084,145 paid to 05 Lecturers of the Sinhala Academic Division in the year 2013 had not been submitted eve by 31 December 2015. Out of the 05 Lecturers, two Lecturers had retired with effect from 30 September 2014, and two others had proceeded abroad for academic purposes.</p> <p>(c) The balance of the Unpaid Bursaries Account amounting to Rs.8,602,050 as at the end of the year 2014 had increased by 37 per cent to Rs.11,836,350 by the end of the year under review. The reasons for retaining that money had not been furnished to audit.</p>	<p>(a) The financial subcommittee has recommended an internal audit in this regard and action is being pursued accordingly. However Dr. M.R. Fernando has agreed to settle this amount and the problem will be solved in due course.</p> <p>(b) Research allowances are granted on the basis of the research proposal. Research activities from 01 to 03 years can be conducted on each research proposal and the research allowances are paid on the basis of the progress of the relevant research. However, the retirement of lecturers during the period of research is beyond the control of the institution and we hope they would continue the relevant research activities even after their retirement.</p> <p>Further, some of them proceed abroad for their post graduate academic purposes and once they report back for duty, they would continue their research activities.</p> <p>(c) From June 2015, the bursary is paid only to students who have signed the register which is forwarded during the first week of every month to each faculty. Thus the balance in the unpaid bursaries account has seen a decrease compared to previous year after June 2015.</p>
4.4	<p>Apparent Irregularities</p> <p>The following observations are made.</p> <p>(a) A sum of Rs.390,000 at the rate of Rs.97,500 per unit had been paid to a private institution ignoring the specified capacity for the supply of 4 air conditioners of BTU 23500 capacity and installation at 3 places, instead of the supply and installation of 4 air-conditioners of BTU 24000 capacity in</p>	<p>(a) Quotations were called for the procurement of BTU 24000 air conditioners for the Faculty of Fisheries, Marine Science and Technology and during the evaluation of same only two responsive bidders were left. The cooling capacity of BTU 24000 air-conditioners furnished by both bidders are as follows.</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University		
		Institution	Price (Rs)	Capacity
	accordance with the specifications for the purchase of goods for the Faculty of Fisheries, Marine Science and Technology.	Softlogic Retail (Pvt) Ltd.	116,875.00	BTU 23400
		Metropolitan Office (Pvt)	97500.00	BTU 23500
	(b) The University had paid the Value Added Tax amounting to Rs.2,742,362 to 04 institutions which had not paid the value Added Tax actively, to the Department of Inland Revenue and the Value Added Tax amounting to Rs.789,792 to two institutions which had produced forged Value Added Tax Invoices during the years 2014 and 2015. Action had not been taken even by the end of the year under review for the recovery of those amounts from those institutions.	<p>Accordingly, the Technical Evaluation Committee has recommended the purchase of 04 air-conditioners from the supplier who quoted the minimum price and the highest capacity. Both institutions have indicated the capacity as BTU 24000 in their tenders. As per the production catalogs, the actual capacity is slightly less than BTU 24000 as shown above.</p> <p>(b) The relevant suppliers have been notified to take action to return the Value Added Tax to the University. Action will be taken to recover the relevant amount during future payments from suppliers who fail to credit the said amount.</p>		
4.5	Underutilisation of Funds The following observations are made. (a) The Project named External Degree Programme created between the Higher Education for the Twenty First Century Project and the University of Ruhuna was scheduled for completion on 23 January 2016. Out of the provision of Rs.25,000,000 received for the Project, a sum of Rs.12,155,374 had not been utilized as the expenditure proposals thereon had not been furnished efficiently.	<p>(a) The following are the reasons for not fully utilizing Rs. 25,000,000 allocated for the Project named External Degree Programme created under the Higher Education for the Twenty First Century Project.</p> <p>(i) Sufficient number of candidates not applying for courses at the multidisciplinary research centre at Magampura.</p> <p>(ii) The building agreed to be granted to the Matara Centre of the Distant and Continuing Education Unit not being given to the Unit.</p>		

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>(b) According to the agreement entered into between the University of Ruhuna and the Univeristy of Vrije in Belgium, a sum of Rs.22,840,222 had been made available for the implementation of the Green Dyke Project during the 05 years from the year 2008 to the year 2013. In view of the failure to complete the project within the specified period, the unutilized sum of Rs.9,293,549 had to be returned to the University of Vrije on 24 February 2016.</p>	<p>(b) The reasons for returning the unutilized sum (Rs. 9,293,549) from the Green Dyke Project that was in operation from 31.12.2008 to 31.06.2014 between the University of Ruhuna and the University of Vrije in Belgium to the donor are as follows.</p> <p>The Green Dyke Project was initially planned for a period of 5 years. However due to problems that arose in finding the buildings required for establishing the “ Awareness Centre on Coastal Resources’ which was a crucial component of the project, the Centre could not be set up as expected. Therefore, consequent to discussions between the authorities of the two parties of the project, a request was made from the donor to extend the project period by 06 months and the request was granted. Subsequently, an alternative method was adopted for the establishment of the Centre which was initially set up at Pambala area in Chilaw and was handed over to the Ruhuna University one year later. It has now been handed over to the Faculty of Fisheries, Marine Science and Technology to maintain same in a building belonging to the faculty. Whereas a longer time would have taken in carrying out the required purchases and procurement of services for the establishment of the Centre in compliance with the financial regulations of the government and whereas the project had to be completed within the 06 month extension, a group of scientists from the Vrije University of Brussels came here with required funds and completed the task.</p> <p>Therefore the funds received at the commencement by the Ruhuna University to be spent on the project remained unspent.</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>(c) The balances of Development Funds, Fixed Deposits and a Savings Account shown under the long term investments totaling Rs.1,642,389 as at the end of the year under review, had been retained idle over a long period without being utilized for the objectives of the Development Fund.</p> <p>(d) Sums totalling Rs.50,593,597 relating to 10 Gift and Donation Accounts shown in the financial statements had been idling over periods ranging from 3 years to 10 years without being utilized for the objectives.</p> <p>(e) It was observed that the Government capital grants received for capital expenditure had not been utilized for the relevant activity and that such money had been retained idle. The Government grants not so utilized by the end of the year under review amounted to Rs.102,648,284.</p> <p>(f) A sum of Rs.47,115,612 transferred from the Income Account to the Fund Account of the Distance and Continuous Education Unit had been brought forward over a period of 3 years without being spent on the objectives of the Fund. No money whatsoever had been transferred from the Income Account to this Account during the year under review and the two preceding years.</p>	<p>(c) These funds will be utilized in the future in keeping with the objectives of the Development Fund.</p> <p>(d) This money will be invested in future subject to criteria relevant to the projects.</p> <p>This has been corrected.</p>
4.6	<p>Idle and Underutilised Assets</p> <p>The following observations are made.</p> <p>(a) Four Laptop Computers costing Rs.527,520 supplied to the Lecturers of the Faculty of Humanities and Social Sciences, a Lathe Machine valued at Rs.2,249,500 purchased for the Agricultural Engineering Academic Division and 15 computers valued at Rs. 1,162,500 supplied to the Magampura Multi Subject Education and Research</p>	<p>(a) 15 computers have been granted from the Computer Unit to the Distance and Continuing Education Unit to the Hambantota Divisional Centre. A new syllabus based on semester system incorporating subjects such as Computer Science and English was prepared amending the syllabus of the Bachelor's</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>Centre had been idling as at 26 October 2015 that is nearly 02 years beyond the expiry of the guarantee period.</p> <p>(b) The scenic air conditioned building complex with a tiled floor area of 5,944 square feet of the Magampura Multi Subject Education and Research Centre affiliated to the University of Ruhuna transferred to the University by the District Secretary in the year 2013 remained closed down without being used for any useful purpose.</p> <p>(c) The Day Care Centre constructed at a cost of Rs.3,622,242 in the staff quarters complex at Kospelawatta</p>	<p>Degree General (of the External Degree Course) and forwarded to the University Grants Commission after having obtained the approval of the Senate. Enrollment of students under this syllabus will be carried out after the receipt of approval from the UGC.</p> <p>(b) The Multi Subject Education and Research Centre was commenced on 21 June 2013 and consequent to findings of a research conducted subsequent to a notification by the Hambantota District Development Committee to coordinate with regional institutes submit their academic course requirements before the commencement of that Centre, action was taken to organize academic courses there. Publicity activities were carried out using newspaper notices, leaflets and posters and action was taken to commence the Tamil Language Certificate Course and English language Proficiency Course which were the two course that attracted adequate number of students out of the courses for which applications were called. Though applications were called for the courses proposed to be started by the Faculty of Engineering, Faculty of Science, Faculty of Agriculture and Faculty of Medicine of the Ruhuna University, the courses could not be commenced owing to the inadequacy of the number of applications received. The auditorium and other rooms of the Multi Subject Education and Research Centre are used as per requirements. No fee is paid for the use of this building. It is expected to make full use of the lecture rooms of this Centre for courses to be conducted in future.</p> <p>(c) Renovation work has now been completed and it has been decided to use this building as abachelors' quarters of the</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>remained closed down since October 2014 without being used for any purpose whatsoever.</p> <p>(d) Even though 60 computer tables costing Rs.463,000 had been purchased from a private institution on 04 November 2014 for the Computer Unit of the Electronic and Information Academic Division of the Faculty of Engineering, 47 of those tables had been stacked without protection near the entrance of the Computer Division even by 31 December 2015. Similarly, equipment valued at Rs.5,645,536 received by the Academic Division on 08 April 2015 for the purposes of the laboratory, could not be made use of even by 28 January 2016 as the Audio Visual Laboratory planned to be constructed for that Unit had not been constructed even by January 2016.</p>	<p>staff.</p> <p>(d) As of now, the Computer Unit has been revamped and students are able to use it.</p>
4.7	<p>Uneconomic Transactions</p> <p>A sum of Rs.11,341,000 had been approved for 04 Lecturers to follow Higher Education Courses. Even though their academic periods of study had expired on 01 October 2015, the scientific theses relating to their Higher Education Courses had not been submitted even by 19 February 2016.</p>	<p>According to the progress reports submitted by the 4 lecturers, they are in the process of successfully completing their post graduate studies.</p>
4.8	<p>Identified Losses</p> <p>The stock of 31 chemicals valued at Rs.380,117 had expired by the end of the year under review due to the purchase of chemicals without identifying the requirements properly. Audit test checks of 2 Academic Divisions revealed that 23 chemicals valued at Rs.313,363, a stock of 231 kilogrammes of 8 chemicals, the value of which was not revealed, and 20 litres of another chemical had been kept in storage over periods</p>	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	ranging from 01 year to 06 years without being made use of.	
4.9	<p>Contract Process</p> <p>The following observations are made.</p> <p>(a) Out of 08 works which should have been completed by 20 November 2015 the physical progress of 04 works had been at 15 per cent to 50 per cent level. The physical progress of another work had been zero. Out of the provision of Rs.283,000,000 received for these 08 works, the expenditure incurred up to 20 November 2015 amounted only to Rs.95,550,000. As such the financial progress of the works had been at a low level of 34 per cent.</p> <p>(b) Even though the construction of the proposed building complex for the Faculty of Management and Finance should have been completed by 17 December 2014, the physical progress of construction work by 20 November 2015 had been 68 per cent. Even though a sum of Rs.12,970,908 had been recovered from the contractor as liquidated damages for the delay, subsequently, the extension of the contract period had been approved and the money recovered had been refunded to the contractor.</p>	<p>(a) 03 out of 04 projects of which the physical progress was less than 50% as at the date of the audit, i.e. 20 November 2015 are contracts for which contracts were awarded in December 2014. Though the date of commencement of the project of which the physical progress had been identified as 0% was mentioned as 30.05.2014, the actual date of commencement should be 05.05.2015. Inclement weather conditions prevailed during the said period and delays in the release of funds by the Treasury caused delays in the settlement of contract bills which severely impeded all contracted projects of the University and as a result of the progress of all projects remained sluggish. These resulted in the progress being at a low level. By now, most of these projects have been completed.</p> <p>(b) The physical progress of the building for the Faculty of Management and Finance which was to be completed and handed over on 17 December 2014 was 68% as at the date of the audit. This project too was affected by unfavourable weather conditions and delay in settling bills as well as poor contractor performance. Accordingly, the recommendation of the consultants for reasonable and fair extension of time and the contract administration procedures were complied with and the damage due to construction defects was recovered from contractor's bills on the recommendation of the consultant.</p>

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University																				
4.10	<p>Delayed Projects</p> <p>An agreement for a sum of Rs.3,346,168 had been entered into with a private contractor on 05 January 2015 for the modernization of the Computer Unit of the Electronic and Information Academic Division of the Faculty of Engineering. The contractor had abandoned the work by 17 September 2015 after executing a part of the work.</p>	<p>This contractor had not been paid any money.</p>																				
4.11	<p>Staff Administration</p> <p>The following observations are made.</p> <p>(a) <u>Academic Staff</u></p> <p>All 5 posts of Professor approved for the Faculty of Engineering had been vacant and there were 148 vacancies in the post of Lecturer of all 07 Faculties. Out of that, vacancies in the Faculties of Medical, Engineering and Science had been as high as 41, 34 and 23 respectively and that had been an impediment for imparting an effective education to the students who are studying in those Faculties.</p> <p>(b) <u>Non-Academic Staff</u></p> <p>(i) Vacancies in 13 posts of the Staff Grade, 50 posts in the Non-staff Grade and 104 posts in the Minor Grades in the Non-Academic Staff existed.</p>	<p>Though applications were called through newspaper advertisements to fill the relevant vacancies in the Faculty of Engineering, the vacancies could not be filled due to the non availability of applicants with required qualifications.</p> <p>However, since the services of visiting lecturers are procured in relation to the vacant posts, the problems of the kind stated by you have not arisen.</p> <p>Since the posts for which approval is not granted by the Department of Management Services and the Ministry of Higher Education are included in the said number of vacancies, the observation should be corrected as follows.</p> <table><tr><td></td><td>Staff</td><td>Non-staff</td><td>Minor employees</td></tr><tr><td>Approved (a)</td><td>47</td><td>412</td><td>519</td></tr><tr><td>Actual (b)</td><td>34</td><td>362</td><td>415</td></tr><tr><td>Posts for which approval is not received for recruitment</td><td>01</td><td>12</td><td>51</td></tr><tr><td>Actual vacancies (a-b-c)</td><td>12</td><td>38</td><td>53</td></tr></table>		Staff	Non-staff	Minor employees	Approved (a)	47	412	519	Actual (b)	34	362	415	Posts for which approval is not received for recruitment	01	12	51	Actual vacancies (a-b-c)	12	38	53

5.2	<p>Audit and Management Committees</p> <p>Even though the Audit and the Management Committee should meet at least once in every three months in terms of the Public Enterprises Circular No. PED/55 of 14 December 2010, only 02 meetings had been held during the year under review.</p>	<p>Cannot agree with your observations. Though audit committee meetings could not be held due to the delay in appointing members to the Governing Council of the University for the year 2015, the following audit committee meetings were held in respect of the year.</p> <ul style="list-style-type: none"> 01. Special audit committee – 18.02.2015 02. Special audit committee – 14.05.2015 03. 2015/01 audit committee – 04.06.2015 04. 2015/02 audit committee – 11.09.2015 <p>You are kindly informed that all the relevant verifications have been provided to you.</p>
5.3	<p>Budgetary Control</p> <p>Variances ranging from 15 per cent to 193 per cent were observed between the budgeted and the actual expenditure for the year under review, thus indicating that the budget had not been made use of as an effective instrument of management control.</p>	
5.4	<p>Tabling of Annual Reports</p> <p>The Annual Reports for the years 2012 and 2013 had not been tabled in Parliament even by 15 April 2016.</p>	Annual Reports in respect of the years 2012 and 2013 prepared in all three languages have been handed over to the Ministry of Higher Education to be tabled in Parliament.
5.5	<p>Unresolved Audit Paragraphs</p> <p>The University had not paid adequate attention to the following Audit paragraphs which had been pointed out in the Reports of the Auditor General for the preceding years.</p> <p>(a) (i) Financial assistance of Rs.1,740,622 had been provided to a Temporary Lecturer and a Permanent Lecturer without entering into a bond for the completion of the higher education qualifications</p>	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University
	<p>under the Specific Agreement on Research Co-operation between the Swedish International Development Co-operation Agency Project implemented by the Faculty of Fisheries and Marine Science and Technology from the year 2006 to 2010.</p> <p>(ii) Those two Lecturers are not in the service of the University at present and there was no information whatsoever for the confirmation that the qualification had been completed. It was also observed that no benefits had accrued to the University from the expenditure incurred thereon.</p> <p>(b) (i) An advance of Rs.751,463 had been paid 4 years ago, for the purchase of scientific equipment from an institution in Germany for the Food and Technology Academic Division of the Faculty of Agriculture. The equipment had not been received by the University. Nevertheless, no follow-up action whatsoever had been taken even by March 2014.</p> <p>(ii) The equipment required by the Academic Division had been imported again from an institution in India at a cost of Rs.329,179 and that institution had supplied equipment which had not been ordered as well. Another part had not been received. Even though equipment with various defects had been received by the University over a year ago, no action whatsoever had been taken in that connection.</p>	
5.6	<p>Execution of Environmental and Social Responsibilities</p> <p>The following observations are made.</p>	

Audit Rep. Chap.No	Matter raised by the Auditor General	Answer given by the University				
	<p>(a) The solid waste including different kinds of garbage disposed of by 8 canteens situated in the University and the institution supplying the cleaning services had been dumped near the Wella-madama Bridge. The disposal of garbage to that place after 30 May 2016 had been prohibited due to the various environmental problems that had arisen.</p> <p>(b) Even though it was possible to implement various programmes for the minimisation of direct and indirect impact on the health, environment and the society through the use of plastic and polythene in co-operation with the public institutions, an adequate attention had not been paid in that connection.</p> <p>(c) The attention of the University had not been paid for the implementation of different environmental friendly programmes such as the prohibition of polythene bags and food wrappers less than 20 microns prohibited at present, controlling the polythene, other materials and plastic over 20 microns brought into the premises, encouraging the staff and the students towards packing methodologies other than polythene, etc.</p>					
6.	<p>Systems and Controls</p> <p>Deficiencies in systems and controls observed during the course of audit were brought to the notice of the Vice Chancellor of the University from time to time. Special attention is needed in respect of the following areas of control.</p> <table><tr><th>Areas of Systems and Controls</th><th>Observations</th></tr><tr><td>(a) Fixed Assets Control</td><td>Non-maintenance of the Register of Fixed Assets,</td></tr></table>	Areas of Systems and Controls	Observations	(a) Fixed Assets Control	Non-maintenance of the Register of Fixed Assets,	
Areas of Systems and Controls	Observations					
(a) Fixed Assets Control	Non-maintenance of the Register of Fixed Assets,					

Audit Rep. Chap.No	Matter raised by the Auditor General		Answer given by the University
		failure to take action on the idle fixed assets.	
	(b) Accounting	Failure to take action to identify and account for the stocks and the constructed assets.	
	(c) Financial Control	Retaining money in the Bank Accounts without being utilized for the intended activities.	
	(d) Staff Administration	Failure to recruit officers for vacancies.	
	(e) Contract Administration	Lack of proper supervision of contract work.	
	(f) Motor Vehicles Control	Failure to take action on accidents caused to motor vehicles in terms of the Financial Regulations. Failure to complete the Daily Running Charts and Monthly Performance Summaries and furnished to the Auditor General.	
	(g) Operating Controls	Non-completion of the objectives based activities and inefficiencies in the preparation and implementation of plans.
