

Annual Report – 2017

University of Ruhuna

Vision and Mission of the University of Ruhuna

Vision

To be the prime intellectual thrust
of the nation.

Mission

To advance knowledge and skills through
teaching, research and services to serve the
society.

Message of the Vice-Chancellor

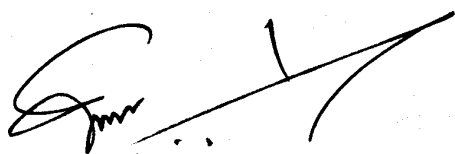

Our success as a university depends on developing a culture and environment which can contribute more to the society in teaching and researching. Year 2017 was a significant year with number of new improvements in both academic and administration fields.

During this year curricula of the certain degree programmes have been updated to ensure that undergraduate programmes are to be more recognized and graduates are to be more employable. Same as to previous years, faculties of Agriculture, Engineering, Management and Finance and Science have organized international symposia. National and student research symposia also have been taken place to the productive expansion of knowledge. Special emphasis was given to establish a mechanism to commercialize the research finding through technology transfer in order to make the university a teaching, research and enterprising university.

University General Convocation and the Annual Academic Sessions & the Vice Chancellor's Award Ceremony were the two key events successfully held at the university in 2017 same as to every year. Further milestones were reached this year with the infrastructure development which also has been taken place prominently during this year and development of Faculty of Technology is remarkable among them.

Almost ten faculties and all the other centers including Centre for International Affairs, Career Guidance Unit, Centre for Modern Language and Civilization, Physical Education Unit, General Administration, Legal and Documentation and Medical Center have continued their support in their full potential as we continue our onward journey. Center for Intellectual Property and Commercialization has been emerged in 2017 as the most newest center of the university and steps towards protecting intellectual properties belongs to the university has been raised by that center. We are proud of the role that we have played globally, and the impact we have locally in 2017.

As we continue into the New Year, I would like to acknowledge the ongoing commitment and dedication of my academic staff, administrative and non-academic staff and all students who made their valuable contribution to upgrade the university into the existent level.

Prof. Gamini Senanayake
Vice Chancellor

Governance, Strategy and Performance Measurement

Goals & Objectives

Goals and Objectives of the Current Strategic Plan (2014 – 2018) has been formulated and listed below. Separate annual action plans have been prepared at faculty level related to the above goals and objectives.

Goal 1 - Expanding access to education, research and services.

Objectives:

- 1.1. To increase the intake of internal undergraduate students from 1860 to 2340 by year 2018.
 - Agriculture undergraduates from 250 to 300
 - Engineering undergraduates from 225 to 255
 - FMST undergraduates from 60 to 150
 - Management & Finance undergraduates from 320 to 350
 - Medicine and allied health science undergraduates from 140 to 160 and from 125 to 135 respectively
 - Science undergraduates from 390 to 490
 - Technology undergraduates from 00 to 100
 - H&SS undergraduates from 350 to 400
- 1.2. To commence 05 new degree programs by 2016
- 1.3. To introduce 22 new distance courses and 01 online course by year 2018.
- 1.4. To implement the common credit transfer system by year 2015.
- 1.5. To increase the enrollment of postgraduate students by 5 % annually.
- 1.6. To introduce 30 new partnership programmes with external organizations by year 2018.
- 1.7. To increase the number of beneficiaries / recipients of services and outreach activities from 87,820 to 200,000 per year by year 2018.
- 1.8. To increase the capacity and facilities for research by 50% by year 2018.
 - No of publications in indexed journals from 105 to 250 per year
 - No of postgraduate research students enrolled from 38 to 100 per year.
 - No of research grants from 50 to 75 per year
- 1.9. To implement “Open Access Scientific Instrumentation Policy” within the university by 2015
- 1.10. To commence a new Faculty to offer degrees in Technology stream by 2016

Goal 2 - Enhancing quality of education, research and services.

Objectives:

- 2.1 To ensure 65% of the academic staff to have obtained Ph.D. or equivalent qualifications by year 2018.
- 2.2 To ensure 80 % of the administrative staff to have obtained postgraduate/professional qualifications by year 2018.
- 2.3 To ensure implementation of management information system (MIS) in all faculties, library and administration units by year 2014.
- 2.4 To equip all lecture theatres with modern teaching facilities by year 2018.
- 2.5 To reach the subject benchmarks established by UGC/other relevant accrediting bodies for all degree programmes by year 2018.
- 2.6 To obtain international accreditation (Washington Accord) for B.Sc. Engineering degree program by 2018.
- 2.7 To establish 5 “Centralized Instrumentation Labs” with state of art equipment by year 2018.
- 2.8 To upgrade the existing skills laboratory at Faculty of Medicine with state of art equipment by 2016
- 2.9 To increase the library collection by 30% by year 2018.
- 2.10 To double the library usage by year 2018.
- 2.11 To provide access to ICT facilities for all students and staff by year 2015.
- 2.12 To ensure 50% of students achieving UTEL level 5 of English proficiency examination and passing UTICT examination by year 2018.
- 2.13 To enhance facilities for extracurricular and co-curricular activities by 50% by year 2018.

Goal 3 - Enhancing relevance of education and research.

Objectives:

- 3.1. To revise curriculum of all undergraduate degree programmes to improve the relevance and increase the overall employability to 85% within 6 months of graduation by year 2018.
 - Agriculture graduates from 65% to 90%
 - Engineering graduates from 90% to 95%
 - FMST graduates from 80% to 90%
 - H&SS graduates from 29% to 70%
 - Management & Finance graduates from 70% to 90%
 - Allied health science graduates to 90%
 - Science graduates from 80% to 90%
- 3.2. To revise curriculum of all distant and continuing degree programmes to improve the relevance and increase the employability to 60% by year 2018.
- 3.3. To revise curriculum of all non degree study programmes to fit into the SLQF by year 2015.
- 3.4. To introduce industry training/implant training of undergraduates in all degree programs by year 2016.

- 3.5. To ensure 50% of research undertaken by university is to address the national/ regional needs by year 2018.
- 3.6. To introduce Outcome Based Education (OBE) methods to all degree programmes by 2018
- 3.7. To define graduate attributes for every degree programme by year 2015.

Goal 4 - Ensuring justice and equity with respect to gender, ethnicity, religion and differently-abled persons.

Objectives:

- 4.1. To ensure the provision of basic infrastructure facilities to cater to differently-abled persons in 30% of existing buildings by year 2018.
- 4.2. To ensure the provision of access and basic facilities for differently-abled persons in all new buildings.
- 4.3. To improve learning facilities for a total of 15 differently-abled students by year 2018.
- 4.4. To provide financial/social support for all students who have dire economic/ social needs by year 2017.
- 4.5. To ensure conducive environment for all ethno-religious communities to study and live in harmony by year 2014.
- 4.6. To ensure equal opportunities in all activities irrespective of gender, ethnicity and religion by year 2014.
- 4.7. To introduce a course module in social harmony to all degree programs by 2014.
- 4.8. To establish Tamil Language Teaching Unit (TLTU) to offer Tamil Language Certificate Courses by 2014.

Goal 5 - Enhancing good governance through effective and efficient management of the resources.

Objectives:

- 5.1. To maintain effective and efficient management and good governance in administration and finance.
- 5.2. To introduce performance based incentive scheme for nonacademic staff by 2014
- 5.3. To decrease percentage level of vacant academic and nonacademic cadre positions to less than 5% by 2018.
- 5.4. To increase the use of ICT up to 80% to improve the effectiveness and the efficiency of administration by 2018.
- 5.5. To maintain the smooth functioning of grievances handling process for university community.
- 5.6. To maintain the effective and efficient management of funds received by the University.
- 5.7. To maintain the smooth functioning of counseling and welfare services for university community.
- 5.8. To increase the office space of main administration by 2000 m² by 2016.
- 5.9. To increase accommodation facilities for university staff by providing 30 bachelors quarters and 20 married quarters by 2015

- 5.10. To increase students' hostel facilities for another 1600 students by 2016
- 5.11. To maintain transparency and accountability in recruitments, decision-making and resource allocation.
- 5.12. To obtain true and fair audit opinion by 2014

Goal 6 - Upgrading the university to the top 2000 in the TIMES Higher Education and QS ranking list

Objectives:

- 6.1. To establish new 14 link programs with foreign universities, research institutes and corporate bodies by 2018
- 6.2. To enroll 60 foreign undergraduate students per year by 2018.
- 6.3. To enroll 15 foreign postgraduate students per year to the Faculty of Graduate Studies by 2018.
- 6.4. To assign 16 foreign academics/scholars per year to the university by 2018
- 6.5. To increase the financial allocation for awarding travel grants for presenting papers at international research conferences, paying page fees for publishing in high impact indexed journals from 8 m LKR to 12 m LKR by 2018.
- 6.6. To establish a fund worth of 2 m LKR per year to facilitate commercialization of research findings (including cost of patents) by 2014.
- 6.7. To help 35 Industries with innovations, inventions and consultancy through public - private partnerships on research & development and commercialization of research findings by 2018.
- 6.8. To publish 6 online journals by 2018.

Goal 7 - Enhancing the uniqueness of the University

Objectives:

- 7.1. To introduce new degree programs and new courses for existing degree programmes related to freshwater and marine Sciences, to make the University of Ruhuna unique by year 2018.
 - New Degree programmes
 - B.Sc. in Marine Engineering by the Faculty of Engineering and Faculty of Fisheries and Marine Sciences and Technology.
 - B.Sc. in Naval Architecture by the Faculty of Engineering, Faculty of Fisheries and Marine Sciences and Technology and Colombo Dockyard.
 - B.Sc. in Marine Sciences and Management by the Faculty of Management and Finance, Faculty of Fisheries and Marine Sciences and Technology and Sri Lanka Navy.
 - B.Sc. in Maritime Affairs and Policy by the Faculty of Fisheries and Marine Sciences and Technology and Faculty of Management and Finance
 - B.Sc. in Marine Technology by the Faculty of Fisheries and Marine Sciences and Technology

- New courses for existing degree programmes
 - Faculty of Management and Finance – Tourism and Hospitality Management, Maritime Insurance, International Trade and Finance, Logistics Management
 - Faculty of Science - Marine Chemistry, Marine Algae Cultivation and Taxonomy, Physical Properties of ocean waters and Remote Sensing, Marine Biology, Marine Ecology
 - Faculty of Agriculture – Sea Farming,
 - Faculty of Engineering – Maritime Civil Engineering, Marine Navigation, Naval Architecture
- 7.2. To establish the Coastal Resources Awareness Center (CoRAC) by year 2014.
- 7.3. To establish new links with 5 international maritime universities and research institutes by year 2016.
- 7.4. To develop a university township around the university including national level aquarium and a state of art auditorium with 1500 seating capacity by year 2017.
- 7.5. To establish a national level library resource collection by 2014.

Key Performance Indicators

The following Key Performance Indicators (KPIs) which will be useful in monitoring and evaluation of the institutional performance have been identified.

KPI	Base Year (2013)	2014	2015	2016	2017	2018
1. Expanding access to education, research and services.						
1.1. To increase the intake of internal undergraduate students from 1860 to 2340 by year 2018.						
Student enrollment per year	1860	1956	2052	2148	2244	2340
1.2. To commence 05 new degree programs by 2016						
No. of degree courses introduced	-	01	03	05		
1.3. To introduce 22 new distance courses and 01 online course by year 2018						
No. of distance/online courses introduced	-	05	10	17	21	23
1.4. To implement the common credit transfer system by year 2015						
No. of transferable credits	-	-	20	60	80	90
1.5. To increase the enrollment of postgraduate students by 5 % annually						
No. of students enrolled per year	420	441	463	489	514	540
1.6. To introduce 30 new partnership programmes with external organizations by year 2018						
No. of partnerships established	-	05	15	20	25	30
1.7. To increase the number of beneficiaries / recipients of services and outreach activities from 87,820 to 200,000 per year by year 2018						
No. of beneficiaries/ recipients	87,820	110,256	132,696	155,128	177,564	200,000
1.8. To increase the capacity and facilities for research by 50% by year 2018						
No of publications in indexed journals per year	105	134	163	192	121	150
No of postgraduate research students enrolled per year	38	50	62	74	86	100
No of research grants per year	50	55	60	65	70	75
1.9. To implement "Open Access Scientific Instrumentation Policy" within the university by 2015						
No of high end instruments operated under this policy	00	05	10	15	20	25
1.10. To commence a new Faculty to offer degrees in Technology stream by 2016						
Commencement of the new Faculty	-	-	-	01		
2. Enhancing quality of education, research and services.						
2.1. To ensure 65% of the academic staff to have obtained Ph.D or equivalent qualifications by year 2018.						

KPI	Base Year (2013)	2014	2015	2016	2017	2018
No. of academics with Ph.D. or equivalent	195 (40%)	215	245	290	340	390 (65%)
2.2. To ensure 80 % of the administrative staff to have obtained postgraduate/professional qualifications by year 2018						
No. of administrative officers with postgraduate/professional qualifications	14 (43%)	17	20	24	28	32(80 %)
2.3. To ensure implementation of management information system (MIS) in all faculties, library and administration units by year 2014.						
No. faculties/ units implementing MIS	06	All				
2.4. To equip all lecture theatres with modern teaching facilities by year 2018.						
% of lecture theaters with modern teaching facilities	40%	60%	70%	80%	90%	100%
2.5. To reach the subject benchmarks established by UGC/other relevant accrediting bodies for all degree programmes by year 2018.						
No of degree programmes with subject benchmark achieved	05	06	07	08	09	All
2.6. To obtain international accreditation (Washington Accord) for B.Sc. Engineering degree program by 2018.						
Steps taken to obtain Washington Accord accreditation	Preliminary steps	Preparation for Accord	Internal evaluation	Apply	Evaluation	Accreditation
2.7. To establish 5 “Centralized Instrumentation Labs” with state of art equipment by year 2018						
No. of “Centralized Instrumentation Labs	00	01	02	03	04	05
2.8. To upgrade the existing skills laboratory at Faculty of Medicine with state of art equipment by 2016						
No. of equipments received	16	17	19	21	23	25
2.9. To increase the library collection by 30% by year 2018						
No. of books in the library	163877	172890	181922	190944	201245	213040
2.10. To double the library usage by year 2018						
Average No. of library users per day	1090	1308	1526	1744	1962	2180
2.11. To provide access to ICT facilities for all students and staff by year 2015						
ICT facilities available (No. of Computers available for student)	694	750	800	900	1000	1200
2.12. To ensure 50% of students achieving UTEL level 5 of English proficiency examination and passing UTICT examination by year 2018						
No. students passing UTEL level 5	785	1200	1600	2400	3000	4000

KPI	Base Year (2013)	2014	2015	2016	2017	2018
No. of students passing UTICT	1041	1250	1600	2400	3000	4000
2.13. To enhance facilities for extracurricular and co-curricular activities by 50% by year 2018						
No. of activities	103	120	150	170	190	210
3. Enhancing relevance of education and research.						
3.1. To revise curriculum of all internal undergraduate degree programmes to improve the relevance and increase the overall employability to 85% within 6 months of graduation by year 2018						
% employability of Agriculture graduates	65	70	75	80	85	90
% employability of Engineering graduates	90	91	92	93	94	95
% employability of FMST graduates	80	82	84	86	88	90
% employability of H&SS graduates	29	37	45	53	61	70
% employability of M&F graduates	70	74	78	82	86	90
% employability of Allied Health Sci. graduates	unknown	60	65	70	80	90
% employability of Science graduates	80	82	84	86	88	90
3.2. To revise curriculum of all distant and continuing degree programmes to improve the relevance and increase the employability to 60% by year 2018						
% employability of external graduates	unknown	35	40	45	50	60
3.3. To revise curriculum of all non degree study programmes to fit into the SLQF by year 2015						
No. revised non degree study programmes	07	11	all	all	all	all
3.4. To introduce industry training / implant training of undergraduates in all degree programs by year 2016						
No. of degree programmes with industry/ implant training	07	08	09	all	all	all
3.5. To ensure 50% of research undertaken by university is to address the national/ regional needs by year 2018						
%. of research addressing national/ regional needs	25	30	35	40	45	50
3.6. To introduce Outcome Based Education (OBE) methods to all degree programmes by 2018						
No. of degree programmes using OBE methods	01	01	02	04	06	08
3.7. To define graduate attributes for every degree programme by year 2015						

KPI	Base Year (2013)	2014	2015	2016	2017	2018
No. of degree programmes with defined graduate attributes	00	01	03	05	07	08
4. Ensuring justice and equity with respect to gender, ethnicity, religion and differently-abled persons.						
4.1 To ensure the provision of basic infrastructure facilities to cater to differently-abled persons in 30% of existing buildings by year 2018						
% of existing buildings with basic facilities for differently-abled persons	00	05	10	15	20	30
4.2 To ensure the provision of access and basic facilities for differently-abled persons in all new buildings						
No. of new buildings with basic facilities for differently-abled persons	00	all	all	all	all	all
4.3 To improve learning facilities for a total of 15 differently-abled students by year 2018						
No. of differently-abled students entered	04	06	08	10	12	15
4.4 To provide financial/social support for all students who have dire economic/ social needs by year 2017						
% of needy students receiving financial support	30	40	60	80	90	100
4.5 To ensure conducive environment for all ethno-religious communities to study and live in harmony by year 2014						
Satisfaction rate of different ethno-religious groups	60%	100%				
No. of multi-cultural events per year	04	06	08	10	12	12
4.6 To ensure equal opportunities in all activities irrespective of gender, ethnicity and religion by year 2014						
No. of complaints received	05	00	00	00	00	00
No. of common documents prepared in all three languages	8	15	all	all	all	all
4.7 To introduce a course module in social harmony to all degree programs by 2014						
No of degree programmes with social harmony course module	00	08	08	08	08	08
4.8 To establish Tamil Language Teaching Unit (TLTU) to offer Tamil Language Certificate Courses by 2014						
No of students following Tamil language certificate course	900	2000	3000	4000	5000	all

KPI	Base Year (2013)	2014	2015	2016	2017	2018
5. Enhancing good governance through effective and efficient management of the resources						
5.1. To maintain effective and efficient management and good governance in administration and finance						
Queries in Auditor General's annual report	26	20	10	05	00	00
No. of complaints against administration	02	00	00	00	00	00
ISO Certification/Productivity Awards	-	-	Yes	Yes	Yes	Yes
5.2. To introduce performance based incentive scheme for nonacademic staff by 2014						
No. of nonacademic staff receiving performance based incentives	00	20	30	40	50	60
5.3. To decrease percentage level of vacant academic and nonacademic cadre positions to less than 5% by 2018						
No. vacant academic cadre positions	140	120	98	78	54	32
No. vacant nonacademic cadre positions	89	70	60	50	40	35
5.4. To increase the use of ICT up to 80% to improve the effectiveness and the efficiency of administration by 2018						
% usage of ICT in administration	10%	30%	40%	45%	50%	60%
5.5. To maintain the smooth functioning of grievances handling process for university community						
Satisfaction rate of employees about handling grievances	40%	50%	60%	70%	80%	90%
5.6. To maintain the effective and efficient management of funds received by the University						
% use of funds received annually		100%	100%	100%	100%	100%
5.7. To maintain the smooth functioning of counseling and welfare services for university community						
% of students receiving accommodation	40%	50%	60%	65%	70%	75%
No. of students and employees visiting counseling center	42	100	150	200	250	300
5.8. To increase the office space of main administration by 2000 m ² by 2016						
New administration building	Planning	Approval	Construction	Commissioning		
5.9. To increase accommodation facilities for university staff by providing 30 bachelors quarters and 20 married quarters by 2015						
No. of new bachelors quarters	00	30				

KPI		Base Year (2013)	2014	2015	2016	2017	2018
No. of new married quarters		00	08	12			
5.10. To increase students' hostel facilities for another 1600 students by 2016							
No. of students receiving new hostel facilities		00	800	800	1600		
5.11. To maintain transparency and accountability in recruitments, decision-making and resource allocation							
No. of statutory/regulatory meetings held per year	Council/Senate/Faculty Board	11	11	11	11	11	11
	Finance Committee	06	06	06	06	06	06
	Audit & Management Committee	04	04	04	04	04	04
	Leave and Awards Committee/ Tender Board	11	11	11	11	11	11
	Board of Management (Distance & Continuing Education Unit)	06	06	06	06	06	06
5.12. To obtain true and fair audit opinion by 2014							
Auditor General's Opinion (True and Fair)		-	Yes	Yes	Yes	Yes	Yes
6. Upgrading the university to the top 2000 in the TIMES Higher Education and QS ranking list							
6.1. To establish new 14 link programs with foreign universities, research institutes and corporate bodies by 2018							
No. of link programmes established		28	30	32	34	39	43
6.2. To enroll 60 foreign undergraduate students per year by 2018							
No. of foreign undergraduate students enrolled per year		03	05	15	30	45	60
6.3. To enroll 15 foreign postgraduate students per year to the Faculty of Graduate Studies by 2018							
No. foreign postgraduate students enrolled per year		00	10	12	13	14	15
6.4. To assign 16 foreign academics/scholars per year to the university by 2018							
No. of foreign academics/scholars assigned to University of Ruhuna per year		22	25	28	32	35	38
6.5. To increase the financial allocation for awarding travel grants for presenting papers at international research conferences, paying page fees for publishing in high impact indexed journals from 8 m LKR to 12 m LKR by 2018							

KPI	Base Year (2013)	2014	2015	2016	2017	2018
Amount of the financial allocation for awarding travel grants for presenting papers at international research conferences, paying page fees for publishing in high impact indexed journals (LKR Millions)	08	08	09	10	11	12
6.6. To establish a fund worth of 2 m LKR per year to facilitate commercialization of research findings (including cost of patents) by 2014						
Fund for commercialization of research (m LKR)	00	02	02	02	02	02
6.7. To help 35 Industries with innovations, inventions and consultancy through public - private partnerships on research & development and commercialization of research findings by 2018						
No. of public-private partnerships established with industries	13	18	23	27	30	35
6.8. To publish six online journals by 2018						
No. of online journals published	04	04	05	05	05	06
7. Enhancing the uniqueness of the university						
7.1. To introduce new degree programs and new courses for existing degree programmes to make the university the center for excellence in aquatic resources by year 2018.						
No. of new degree programmes	-	-	01	03	04	06
No. of new courses introduced to existing degree programmes	-	01	05	08	11	13
7.2. To establish the Coastal Resources Awareness Center (CoRAC) by year 2014						
Coastal Resources Center		Established				
7.3. To establish new links with 5 international maritime universities and research institutes by year 2016						
No. of new links established	-	01	03	05	05	05
7.4. To develop a university township around the university including national level aquarium and a state of art auditorium with 1500 seating capacity by year 2017						
Aquarium	Planning	Construction	Construction	Construction	Commissioning	
University township	Planning	Construction	Construction	Commissioning		
Auditorium	Planning	Construction	Commissioning			
7.5. To establish a national level library resource collection by 2014						
National level library resource collection	In progress	Completion				

Governing Authority

The Chancellor - Ven. Rajakeeya Pandit Pallaththara Sri Sumanajothi Thero

Council of the University

The Council of the University shall be the executive body and governing authority of the University.

The Council of the University consisted of the following members during the year.

Vice-Chancellor	-	Snr.Prof. Gamini Senanayake
Deputy Vice-Chancellor	-	Dr. A.M.N. Alagiyawanna
Deans of the Faculties		
Dean/Agriculture	-	Prof. K.L.Wasantha Kumara
Dean. Allied Health Science	-	Prof. Sujeewa Amarasena
Dean/Engineering	-	Dr. P.D.C. Perera
Dean/Fisheries and Marine Sciences & Tech.	-	Dr. R.A. Maithreepala
Dean/Humanities & Social Sciences	-	Dr. Upali Pannilage
Dean/Management and Finance	-	Dr. T.S.L.W.Gunawardhana
Dean/Medicine	-	Prof. S.K.C. Wimalasundera
Dean/Science	-	Prof. P.A. Jayantha
Dean/ Technology	-	Snr. Prof. W.G.D.Dharmaratne
Dean/Graduate Studies	-	Prof. L.P. Jayatissa
Appointed Members		
	-	Rev. Malimboda Gnanaloka Thero
	-	Emeritus Prof. R.N. Pathirana
	-	Dr. Thilak T. Ranasinghe
	-	Mr. Anura Disanayake
	-	Mr. H.G. Gunasoma
	-	Mr. M.G. Punchihewa
	-	Mr.S.A. Andrahennadi
	-	Mrs. E.A.C. Vidanagamachchi
	-	Mr. Asoka de Silva
	-	Mr. R.C.De Zoysa
	-	Mr. Nimal de Silva
	-	Dr. S.G.H. Ambeypitiya
	-	Emeritus Prof. (Ms.) Anoja Fernando
	-	Mrs.Y.M.D. Warnasooriya
Senate Nominees		
	-	Prof. (Mrs.) N.J. de S. Amarasinghe
	-	Prof. Saman Abeysinghe
Registrar (Ex Officio Secretary)	-	Mrs. P.S. Kalugama

Senate of the University

The Senate shall have the control and general direction of instruction, education, research and examinations in the University.

The Senate of the University consisted of the following members during the year.

Vice-Chancellor	-	Snr. Prof. Gamini Senanayake
Deputy Vice-Chancellor	-	Dr. A.M.N. Alagiyawanna
Deans of the Faculties		
Dean/Agriculture	-	Prof. K.L.Wasantha Kumara
Dean. Allied Health Science	-	Prof. Sujeewa Amarasena
Dean/Engineering	-	Dr. P.D.C. Perera
Dean/Fisheries and Marine Sciences &Tech.	-	Dr. R.A. Maithreepala
Dean/Humanities & Social Sciences	-	Dr. Upali Pannilage
Dean/Management and Finance	-	Dr. T.S.L.W.Gunawardhana
Dean/Medicine	-	Prof. S.K.C. Wimalasundera
Dean/Science	-	Prof. P.A. Jayantha
Dean/ Technology	-	Snr. Prof. W.G.D.Dharmaratne
Dean/Graduate Studies	-	Prof. L.P. Jayatissa
Librarian	-	Mr. Ananda Karunaratne
Registrar	-	Mrs. P.S. Kalugama
Heads of the Departments of Study		
Faculty of Agriculture		
Agricultural Biology	-	Prof. (Mrs.) N. Dahanayake
Agricultural Economics	-	Mr. A.L. Sandika
Agricultural Engineering	-	Mr. S .Wijetunga
Animal Science	-	Dr. (Mrs.) N.M.N.K. Narayana
Crop Science	-	Prof. K.K.I.U. Aruna Kumara
Food Science & Technology	-	Dr. P.L.N. Lakshman
Soil Science	-	Prof. Mrs. D.A.L. Leelamani
Faculty of Allied Health Sciences		
Medical Laboratory Sciences	-	Mrs. W.V.R.T.D.Bandara
Nursing	-	Dr. K.G. Imendra
Pharmacy	-	Dr. (Mrs.) S.K.Hettihewa

Faculty of Engineering		
Civil and Environmental Eng.	-	Dr. N.H. Priyankara
Electrical and Information Eng.	-	Dr. S.H.K.K.Gunawickrama
Interdisciplinary Studies	-	Mr. W.T.G. Samantha
Mechanical and Manufacturing Eng.	-	Dr. Sumith Baduge
Faculty of Fisheries and Marine Sciences & Technology		
Fisheries & Aquaculture	-	Dr. K.H.M.A. Deepananda
Limnology & Water Technology	-	Dr.(Mrs.) H.B.Asanthi
Oceanography & Marine Geology	-	Dr. D.M.U.A.K. Premarathne
Faculty of Humanities & Social Sciences		
Economics	-	Dr.B.M.Sumanaratne
English and Linguistics	-	Mr. P.N. Rathnayake
Geography	-	Snr. Prof. P. Hewage
History & Archaeology	-	Mrs. J.K.A. Kanthi
Pali & Buddhist Studies	-	Dr. A.S.Bandara
Public Policy	-	Mr. E.G.Wijesiri
Sinhala	-	Prof. (Mrs.) Dharma Rajapaksha
Sociology	-	Mr. N.V.G.A. Hemantha Kumara
Faculty of Management and Finance		
Accounting & Finance	-	Dr. (Mrs.) T.M.A. Tennakoon
Management & Entrepreneurship	-	Dr. (Mrs.) M.B.F. Mafasiya
Marketing	-	Prof. P.A.P.S. Kumara
Faculty of Medicine		
Anaesthesiology	-	Dr. U.I. Hapuarachchi
Anatomy	-	Dr. P.G.C.L. Nanayakkara
Bio-Chemistry	-	Dr.(Mrs.)M.T. Napagoda
Community Medicine	-	Prof. P.V. de Silva
Forensic Medicine	-	Dr. U.C.P. Perera

Medicine	-	Dr. (Mrs.) C.K. Bodhinayake
Microbiology	-	Dr. W.M.D.G.B. Wijyaratne
Obstetrics & Gynecology	-	Dr. M.D.C.S. Kularathna
Paediatrics	-	Dr. I.V. Devasiri
Parasitology	-	Snr.Prof. (Mrs.) M.V. Weerasooriya
Pathology	-	Dr.(Mrs.) T.G.Liyanage
Pharmacology	-	Dr.(Mrs.) S.S.Jayasinghe
Physiology	-	Prof. K.G. Somasiri
Psychiatry	-	Dr. K.M.S.A.K. Jayasekara
Surgery	-	Dr. J.P.M. Kumarasinghe
Faculty of Science		
Botany	-	Prof. S. Abeysinghe
Chemistry	-	Prof.(Mrs.) V.P. Bulugahapitiya
Computer Science	-	Dr. (Mrs.) J.A. Jeewani
Mathematics	-	Dr. W.A.R. De Mel
Physics		Dr. G.D.K. Mahanama
Zoology	-	Prof. P.M.C.S. De Silva
Faculty of Technology		
Bio Systems Technology	-	Prof. E.P.S. Chandana
Engineering Technology	-	Dr. K.G.S.H. Gunawardene
Information & Communication Technology	-	Mr. S.A.S. Lorensuhewa
Multidisciplinary Studies	-	Snr. Prof. W.G.D. Dharmaratne
Professors		
Professor of Crop Science	-	Snr. Prof. Ranjith Senarathna
Professor of Agricultural Economics	-	Snr. Prof. Mahinda Wijeratne
Professor of Animal Science	-	Snr.Prof.(Mrs.) R.T.Serasinghe
Professor in Crop Science		Snr.Prof. S. Subasinghe
Professor in Agricultural Engineering	-	Prof. (Mrs.) C.M.Nawarathna
Professor in Agricultural Engineering	-	Prof. P.L.A.G.Alwis

Professor in Agricultural Engineering	-	Prof.G.J.Yayasinghe
Professor in Food Science & Technology	-	Prof.Vijith S.Jayamanna
Professor in Agricultural Economics	-	Prof. Mangala De Soysa
Professor in Agricultural Economics	-	Prof.L.M.Abeywickrama
Professor in Soil Science	-	Prof. S.D. Wanniarachchi
Professor in Animal Science	-	Prof. N.S.B.M.Attapattu
Professor in Agric Biology	-	Prof. W.A.D.P.R. Rathnasekara
Professor of Fisheries Biology	-	Snr. Prof. (Ms.) P.R.T.Kumaranatunga
Professor in Limnology	-	Prof. T.P.D. Gamage
Professor of Sinhala	-	Prof. Jayantha Amarasinghe
Professor in Sinhala	-	Snr. Prof. K.G.Amarasekara
Professor in History	-	Prof. S.Wawwage
Professor in English	-	Snr. Prof. E.A.Gamini Fonseka
Professor in Buddhist Culture	-	Rev. Prof. Midigama Soratha
Professor in Sociology	-	Snr.Prof.S.W.Amarasinghe
Professor of Medicine	-	Snr.Prof. Susirith Mendis
Professor of Pediatrics	-	Snr.Prof.U.K.Jayantha
Professor of Pathology	-	Prof.(Mrs) L.K.B.Mudduwa
Professor in Medicine	-	Snr.Prof. Sarath Lekamwasam
Professor in Parasitology	-	Snr.Prof. (Mrs.) M.V.Weerasooriya
Professor in Medicine	-	Prof. Thilak Weerarathna
Professor in Medicine	-	Prof. K.D. Pathirana
Professor in Anatomy	-	Prof. (Mrs.) Isurani Ileperuma
Professor in Community Medicine	-	Prof. P.V. de Silva
Professor in Community Medicine	-	Prof. Bilesha Perera
Professor in Pharmacology	-	Prof.(Mrs)L.M.Hettihewa
Professor in Physiology	-	Prof. Sampath Gunawardhana
Professor in Physiology	-	Prof.K.D. Mahinda
Professor in Bio Chemistry	-	Prof. (Ms.) K.A.P.W.Jayathilaka
Professor in Psychiatry	-	Prof. (Mrs.) G.H.Chandani
Professor in Nuclear Medicine	-	Prof. M.D.Hettiarachchi

Professor in Microbiology	-	Prof. A. De S. Nagahawaththa
Professor in Parasitology	-	Prof. T.C. Yahathugoda
Professor in Physiology	-	Prof. R.S.J. Lenora
Professor in Surgery	-	Prof. R.W. Seneviratna
Professor of Chemistry	-	Snr. Prof. (Ms.) H.M.K.K.Pathirana
Professor in Physics	-	Prof. (Mrs.) K.K.A.S.Yapa
Professor in Zoology	-	Prof. (Mrs.) N.J. De S. Amarasinghe
Professor in Mathematics	-	Prof. L.A.L.W. Jayasekara
Professor in Botany	-	Prof. (Mrs) P.D.Abeysinghe
Professor in Zoology	-	Prof (Mrs.) W.T.S.D. Premachandra
Professor in Zoology	-	Prof. (Mrs.) K.B. Suneetha Gunawickrama
Professor in Zoology	-	Prof. (Mrs.) D.H.N. Munasinghe
Professor in Zoology	-	Prof. (Mrs.) M.P.K.S.K.De Silva
Professor in Chemistry	-	Prof. J.W. Hewage
Faculty Representatives		
Agriculture	-	Dr. (Mrs.) D.L.C. Kumari Fonseka
	-	Dr. I.R. Palihakkara
Engineering	-	Dr.J.M.R.S. Appuhami
	-	Dr. K.S. Wanniarachchi
Fisheries and Marine Science & Technology	-	Dr. U.A.D. Jayasinghe
	-	Dr. (Ms.) K.R. Gamage
Humanities & Social Sciences	-	Mr.D.P.P.G. Liyanage
	-	Dr. B.H.M.W. Bohingamuwa
Management & Finance	-	Dr. M.K. Wanniarachchi
	-	Mr. B.L. Galhena
Medicine	-	Dr. K.A.C. Wickramaratna
	-	Dr. R.H.A.I. Ratnaweera
Science	-	Dr. J.A.P Bodhika

Technology	-	Dr. P.K.S.C. Jayasinghe
	-	Dr. B.L.S. Thilakaratne

Officers of the University

Vice-Chancellor	-	Snr. Prof. Gamini Senanayake
Deputy Vice-Chancellor	-	Dr. A.M.N. Alagiyawanna
Deans of the Faculties		
Dean/Agriculture	-	Prof. K.L.Wasantha Kumara
Dean. Allied Health Science	-	Prof. Sujeewa Amarasena
Dean/Engineering	-	Dr. P.D.C. Perera
Dean/Fisheries and Marine Sciences & Technology	-	Dr.(Mrs.) H.B. Asanthi
Dean/Humanities & Social Sciences	-	Dr. Upali Pannilage
Dean/Management and Finance	-	Dr. T.S.L.W.Gunawardhana
Dean/Medicine	-	Prof. S.K.C. Wimalasundera
Dean/Science	-	Prof. P.A. Jayantha
Dean/ Technology	-	Snr. Prof. W.G.D.Dharmaratne
Dean/Graduate Studies	-	Prof. L.P. Jayatissa
Librarian	-	Mr. Ananda Karunaratne
Registrar	-	Mrs. P.S. Kalugama
Actg. Bursar (Deputy Bursar)	-	Mr. A.M.A. Siriwardhane
Deputy Registrar/Legal & Documentation	-	Mr. G.L. Erathna
Deputy Registrar/Examination	-	Mrs. C. Seneviratne
Deputy Registrar /General Administration	-	Mrs. P.M.S.P. Yapa
Chief Security Officer	-	Mr. H.N. Dias
Senior Asst. Registrar/ Fac. of Agriculture	-	Mrs. S.K.K. Mudalige
Senior Asst. Registrar/Fac.of Humanities & Social Sc.	-	Mr. P.A. Piyal Renuka
Works Engineer(Civil)	-	Mr. S. Diyunuge
Senior Asst. Registrar/Academic Estab.	-	Mrs. H.G. Nilanthi Devika
Senior Asst. Internal Auditor	-	Mr. O.L.V.P. Anura
Senior Asst. Registrar/Non Academic Estab.	-	Mrs. K.G.C.A. Bandarathilake
Senior Asst. Registrar/ Library Services	-	Mrs. G.A. Jagathi Hemmali
Senior Asst. Registrar/Library Services	-	Mr. C.P.K. Edirisinghe
Senior Asst. Bursar/Fac.of Medicine	-	Mrs. A. Anusha
Senior Asst. Bursar/Salary	-	Mrs. K.V.R. Vidyaratne
Director/Physical Education Unit	-	Mr. P.N. Weerasinghe

Senior Asst. Internal Auditor	-	Mr. S.W. Kodituwakku
Senior Asst. Registrar/ General Administration	-	Mr. P.M.K. Subaweera
Asst. Registrar/Fac. of Management & Finance	-	Mr. K.G.N. Kumara
Asst. Registrar/Fac. of Medicine	-	Mrs. V. Hiroshini Piyadasa
Asst. Bursar/Supplies	-	Mrs. B.H. Chintha
Asst. Registrar/CINTA	-	Mrs. T.D.G. Pathirana
Workshop Engineer/Fac. of Engineering	-	Mr. A.G.K.M.S. Sriyantha
Asst. Registrar/Fac. of Fisheries and Marine Sciences	-	Mrs. D.M.H.C. Dasanayake
Actg. Asst. Registrar/Fac. of Science	-	Mrs. D.M.H.C. Dasanayake
Asst. Registrar/Fac. of Graduate Studies	-	Mr. L. Isuru Kalpage
Asst. Registrar/Distance & Continuing Education Unit	-	Mr. W.W. Anura
Asst. Bursar/Accounts	-	Miss. V.G.M. Priyangika
Asst. Bursar/Fac. of Engineering	-	Mrs. A.S.I. Fernando
Asst. Bursar/Fac. of Agriculture	-	Miss. H.P. Hewaratne
Farm Manager/Faculty of Agriculture	-	Mr. U.P. Belpagoda Gamage
Asst. Registrar/Faculty of Engineering	-	Mrs. G.H.C. Nadeeshani
Asst. Registrar/Student Affairs	-	Miss M.I. Dilhani
Asst. Registrar/Fac. of Technology	-	Miss. K. D. De. S. Jayasekara
Asst. Bursar/Accounts	-	Mr. D.L.R. De Zoysa
Asst. Bursar / Fac. of Technology	-	Mr. R.C. Katipearachchi
Library		
Senior Assistant Librarian	-	Mr. N. Hettiarachchi
Senior Assistant Librarian	-	Mr. U.A. Lal
Senior Assistant Librarian	-	Mrs. Theja Kuruppu Arachchi
Senior Assistant Librarian/Fac. of Agriculture	-	Mrs. S.L. Gammanpila
Senior Assistant Librarian/Fac. of Engineering	-	Mr. J.J.Garusing Arachchige
Senior Assistant Librarian/Fac. Of Medicine	-	Mr. K.T.S. Pushpakumara
Senior Assistant Librarian	-	Mr. K.H. Ramanayake
Senior Assistant Librarian	-	Mr. I.D.K.L. Fernando
Senior Assistant Librarian	-	Mrs. R.A.P.S. Senaviratne
Assistant Librarian	-	Ms. P.K. Jayasekara
Assistant Librarian	-	Mr. P.G.N. Kumara

Other Services		
Director/Career Guidance Unit	-	Mr. A.C. Karunaratna
Director/Centre for International Affairs	-	Prof. Tilak P.D.Gamage
Director/Distance & Continuing Education Unit	-	Prof. Jayantha Amarasinghe
Director/Staff Development Centre	-	Prof.(Mrs.)C.M. Navarathne
Director/Internal Quality Assurance Unit	-	Prof. Tilak P.D. Gamage
University Proctor	-	Snr. Prof. Piyasiri Vithanage
Coordinator/Cultural Centre	-	Prof. Jayantha Amarasinghe
Coordinator/ Center for Modern Languages & Civilization	-	Mr. N.A.D. Jayasinghe
Principal Coordinator/Allied Health Science	-	Snr. Prof. Sarath Lekamwasam
Head, Medical Education & Staff Development Unit	-	Dr. A.J.P.M. Jayawardena
Head, Nuclear Medicine Unit	-	Dr. G.E.D. Zoysa
Head, Filariasis Research Training and Service Unit	-	Dr. T.C. Yahathugoda
Coordinator/MLS	-	Mr. W.V.R.T.D.Bandara
Coordinator/Pharmacy	-	Dr. (Mrs.) S.K.Hettihewa
Coordinator/Nursing	-	Dr. K.G. Imendra
Senior Student Counselor	-	Prof. E.P.S.Chandana
Dental Surgeon	-	Dr. (Mrs.) S. Atapattu

General Convocation

The 24th Convocation and 11th Convocation for the External Degrees of the University of Ruhuna, were held on 26th, 27th, 28th May 2017 at the Gymnasium of the University of Ruhuna. The following number of graduands conferred their degrees at this Convocation.

Degree Awarded	No. of Graduands
Post graduands	
Degree of Doctor of Philosophy	04
Degree of Master of Philosophy	17
Degree of Master of Arts	01
Degree of Master of Arts in Economics	31
Degree of Master of Arts in Sociology	39

Degree Awarded	No. of Graduands
Degree of Master of Agri Business Management	03
Degree of Master of Agricultural Economics & Development	09
Degree of Master of Agri Economics and Resource Management	03
Degree of Master of Science in Animal Science	02
Degree of Master of Science in Crop Production Technology	02
Degree of Master of Science in Crop Protection	02
Degree of Master of Business Administration	15
Under graduands	
Degree of Bachelor of Computer Science (General & Special)	35
Degree of Bachelor of Science in Fisheries and Marine Sciences	33
Degree of Bachelor of Medicine and Bachelor of Surgery	239
Degree of Bachelor of Science (Special)	47
Degree of Bachelor of Science (General)	178
Degree of Bachelor of Arts (Special)	247
Degree of Bachelor of Arts (General) - Internal	252
Degree of Bachelor of Arts (General) - External	484
Degree of Bachelor of the Science of Agriculture	01
Degree of Bachelor of the Science of Agriculture Resources Management & Technology	116
Degree of Bachelor of the Science of Agri Business Management	36
Degree of Bachelor of the Science of Engineering	202
Degree of Bachelor of the Science of Green Technology	50
Degree of Bachelor of Business Administration	311
Degree of Bachelor of Medical Laboratory Sciences	22
Degree of Bachelor of Pharmacy	19
Degree of Bachelor of Science in Nursing	37

Prof. Wan Dongxiao (Director of the China - Sri Lanka Joint Center for Education and Research) was received the Degree of Doctor of Science (*Honoris Causa*).

The highest number of Gold Medals (Ten Gold medals out of the Eleven Gold Medals established at the Faculty of Medicine) were won by Dinusha W. Dharmarathne, setting a new record in the annals of the University.

Employment Status of Graduates of the University of Ruhuna (Faculty wise)

The employment status of graduates was decided based on their responses on the questionnaire which was collected from graduands at the time of their convocation held in 2017.

Employment Status by Faculty

Faculty	Current Employment Status %		
	Employed	Under Employed	Unemployed
Agriculture	38.2	6.5	52.8
Engineering	85.9	5.0	9.0
Fisheries and Marine Sciences	64.5	6.5	19.4
Humanities and Social Sciences	19.4	7.8	71.1
Medicines	74.1	5.9	15.7
Management and Finance	51.4	10.8	36.1
Science	55.3	6.7	35.3

15	Construction and completion of Canteen and Communication Center at Faculty of Management and Finance	Wellamadama, Matara	17.24	Nov. 2016	May. 2017	GOSL	20.65

	Project	Location	Total Cost (Rs.Mn.)	Date of Start	Expected date of Completion	Funding Source	Cumulative expenditure of the project (Mn)
16	Small Development Project Grant Assistance by the Government of India for the establishment of Rabindranath Tagore Memorial Auditorium at the University of Ruhuna	Wellamadama, Matara	336.60	Mar. 2016	Sep. 2017	Gov. of Indian (300mn as a Grant) & GOSL (36.6mn)	29.05
17	Design , construction , supervision and commissioning of building complex for the Faculty of Technology	Karagoda , Uyangoda	691.81	Nov. 2016	Nov. 2019	Technology Stream	256.94
18	Design , construction , supervision and commissioning, completion & Maintenance of two three storied building for the Administration	Wellamadama, Matara	260.72	Not awarded yet		GOSL	46.1
19	Construction and completion of 12 storied building (Exam hall, Centre for clinical, Excellence, Health Education Centre, Family Health Centre)	Karapitiya, Galle	1,079.70	Not awarded yet		GOSL	2.14
20	Construction and Completion of 4 Nos. of Housing Units of Staff Quarters for Faculty of Technology, University of Ruhuna, Karagoda – Uyangoda, Kamburupitiya. (Gam – Udawa Site) (Block 1, 2, 3 and 4)	Karagoda – Uyangoda, Kamburupitiya.	25.00	Aug. 2016	Apr-17	Technology Stream	20.97
21	Construction and Completion of 4 Nos. of Housing Units of Staff Quarters for Faculty of Technology, University of Ruhuna, Karagoda – Uyangoda, Kamburupitiya (Gam – Udawa Site) (Block 5,6,7 and 8).	Karagoda – Uyangoda, Kamburupitiya.	25.00	Aug. 2016	Apr-17	Technology Stream	21.71
	Total						1661.99

Part V - Reports of Faculties

Faculty of Agriculture

Dean's Statement/Review

We have risen above the challenges we faced in the year 2017 in several areas and emerged stronger, building new successes with advanced teaching and research programs while successful in community services, outreach activities and strengthening relationships with national and international Institutes.

As our Faculty members receive accolades and honors both in academia and in research in the past year, those could advance our reputation and elevated the quality of our applied curriculum. One major project we initiated was a comprehensive curriculum revision. This project has multiple drivers including a need to change our course structure and contents and teaching methodologies to better teach today's students, expecting them to learn differently, focusing on student centered learning and outcome based education approaches. We need to adapt to the rapid changes in the area of Agriculture, integrating new technologies and traditional knowledge, and better preparing our students for the future. In line with this, a long felt multi-story laboratory complex proposal was prepared and sent to the Ministry of Higher Education and Highways for possible funding with the expectation to improve quality of education and research at the Faculty of Agriculture.

The Faculty kept on organizing number of outreach programs, national and international level symposia, workshops, *etc.* as a result, contributed significantly towards regional and national level developments. With the support of the Faculty, number of achievement made by the students include securing 03rd place at the inter-Faculty sports meet of the University of Ruhuna and winning the traditional dancing item at the Inter-Faculty Dancing and Literature Competition (IFDLC)- 2017.

It's with great pleasure I conclude that 2017 was certainly a successful year for the Faculty and we have planned to continue to maintain it. While we never truly expect to reach perfection, we do expect to maintain our excellence through continuous improvement in all aspects of our mission.

Staff Involvements and Achievements

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Newly Introduced Courses (Course units)	i. Land Suitability Evaluation	
Distant Education Programmes or Extension Courses	i. Life Saving FD1104	
	ii. Drip irrigation training. Importance of soil health in agriculture and irrigation (5 workshops)	ii. Total of 100 farmers and 30 Extension officers of the southern province

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	iii. Compost production – importance of soil health	iii. Farmers of the southern region
Fee Levying Courses	i. Scientific tea manufacturing	
Community Services	i. A survey on identifying problems associated with planting and weeding practices of paddy cultivation in southern province of Sri Lanka by Agric Engineering Dept	i. Paddy Farmers – Southern province
	ii. Judging panel member SLIC (Sri Lanka inventors Commission) - Prof. PLAG Alwis	
	iii. Farmer training, Teachers training program	iii. Farmers, School teachers
	iv. Popularization of mushroom cultivation.	iv. Farmers -100
	v. Resource person in Mt/ Akurugoda/ Rathanajothi Vidyalaya: Research Unit/ Science Society	v. 30 Teachers 150 students Activities in science society Research outcome from research units
	vi. L3F project	vi. 50 farmers
	vii. NORHED Project on Climate Change	vii. Farming community, Students
	viii. Importance and how to maintain proper tea plucking for yield and quality improvement	viii. Tea small holder farmers in Matara District
	ix. Empowering Tea Growers in Galle and Matara Districts	ix. People who engaged in tea industry in the region
	x. Training workshops of drip irrigation technologies – ONUR funded project	100 farmers and 30 AIs at Hambantota District
Staff Development Programmes	i. CCPDHE 2017 – Scientific writing/ software used in referencing	i. Followers of the CCPDHE 2017
	ii. CCPDHE by SDC (2 participants)	
Contribution to National Development	i. Participated as a trainer of national program of NVQ (RPL) certificate granting for Cinnamon Processors	i. Cinnamon Processors
	ii. Editor in Editorial board; SLCARP-Sri Lanka journal of food and	

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	Agriculture (SLJFA)ISSN2424-6913 - Prof PLAG Alwis	
	iii. Resource person for the Bachelor of Technology Degree Programs to be commenced by the Faculty of Technology, University of Sri Jayewardenepura - Prof Alwis	
	v. Plant protection community	
	vi. A member of the executive technical committee of Formulation of National Mineral Policy	vi. Nationals of Sri Lanka
	vii. Examination co-controller – Practical Examination of Bio Systems Technology subject	vii. Department of Examinations
	viii. GCE A/L Examination activities	
	ix. Participant in the initial discussions of the national plan for disaster management 2017-2030	ix. Disaster management institute
	x. Base line surveys for several development and livelihood projects	
	xi. Involvement for developing policies for southern province development	
	xii. Working as a member of the national policy proposal committee on "Future of the southern tea industry beyond 150 years"	xii. Southern tea industry in Sri Lanka
	xiii. Working as a member of the national committee on Oil palm industry in Sri Lanka	xiii .RPC,s in cultivate oil palm
	xiv. Formulation of a proposal to establish a Faculty of Entrepreneurial Agriculture and Enterprise Development at University of Colombo	
	xv. Formulation of a proposal to establish a Faculty of Marine Engineering and Technology at Eastern University of Sri Lanka	
Contributions in International Level	i. Dr. Jinendra visited Japan with 7 students to participate "SAKURA science plan" program	

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	ii. Discussions and preparation of MOU between University of the Ryukyus and Faculty of Agriculture, University of Ruhuna	ii. Student and staff exchange opportunities, collaborative research opportunities
	iii. Working in UNIDO Bamboo development project	iii. farmers and small scale industries
Committees & No. of Members involved	i. Prof Alwis worked as a Member: National Committee on Agricultural Mechanization- SLCARP	
	ii. Prof Alwis worked as a Working Group Committee member to initiate the Sri Lanka Standard for farm machinery in Standardization (Scientific) division in Sri Lanka Standards Institution.(SLSI)	
	iii. Chair of Committee on “Formulation of Intellectual Property Policy of the University (05 members)	
	iv. Chair of the Research Panel on special project on “Enhancement of Cinnamon Industry in Sri Lanka” funded by the Ministry of Primary Industries and administered by the NSF (10 members)	
	v. Young Scientist Forum	
	vi. Inter Faculty Dancing and Literature Competition, 3 members	vi. Students of University of Ruhuna
	vii. Soil Science Society of Sri Lanka - until March 2017, 1 Executive committee member	vii. SSSSL
	viii. Landscape Management Committee, 1 member	viii. Faculty of Agriculture
	ix. Farm Development Committee, 1 member	ix. Faculty of Agriculture
	x. ISAE, Student Session Organizing Committee	x. Faculty of Agriculture
Grants Received (purpose & amount)	i. Research on Paddy seeder and weeders (Local), 90000/=	i.
	- Local ii. Commercialization	ii. University of Ruhuna
	- International iii. Co-investigator - NSF grant no. SP/CIN/2016/01; 44.2 Mn SLR.	

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	Molecular and biochemical characterizations of Sri Lankan Cinnamon and their wild relatives and expression analysis of major biochemical genes under different environmental conditions and plant parts to enhance utilization value of cinnamon in Sri Lanka	
	vi. Base line survey Two million	
	vii. International Grants, received from UNIDO	vii. For Under graduate and Graduate students (two MSc level)
Awards/Patents/Special Achievements	i. NUFFIC award for the participation in a workshop in Netherlands (Competing claims on agriculture and other natural resources)	
	ii. Vice Chancellors' Award for the Most Outstanding Scholar	
	iii. Vice Chancellors' Award for the Highest Grant Recipient	
	iv. Vice Chancellors' gold medal for the best post graduate student of the year	
	v. Award from tea farmer/ factory based organization for Service given by Dr. IR Palihakkara to the industry	
	vi. Applied for patent - Rotary Screw Type Circling Machine Head for Automatic Scrapping and Rubbing of Cinnamon Sticks (<i>Cinnamomum zeylanicum</i>) (Applicants – Mr. KMTS Bandara, Dr. BM Jinendra, Dr. NK Hettiarachchi)	
	vii. Prof PLAG Alwis received the following awards <ul style="list-style-type: none"> • 1st place with Gold medal- SLIC; Invention & innovation National competition in; Agriculture section. • Two, 1st places, one 2nd place & one 3rd place with medal- SLIC; Invention & innovation Southern competition ;(in Agriculture section; 1st, 2nd & 3rd places. In Transport section, one 1st place.) 	

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	<p>viii. Prof. PLAG Alwis: Patents- 4</p> <ul style="list-style-type: none"> • Blow pollinator for sugar cane - Patent no;19520 • Pneumatic type Precision seeder for Cinnamon (<i>Cinnamomum zeylanicum</i>) nursery,(Patent no: 19519) • Semi-automated mushroom grow bag filling machine (Patent no: 19518) • Rotary Screw type circling machine head for automatic scrapping and rubbing of cinnamon sticks (<i>Cinnamomum zeylanicum</i>) (Patent application no: 19584). 	
	viii. Patent submitted- semi automated mushroom bags filling machine - Application no. 19518	
	ix. Borlaug fellowship- USA	
Workshops/Seminars/ Conferences conducted (Internal & Local)	i. Participated as a resource person of program on motivating of young generation towards the agriculture	i. Young farmers and youth in southern province
	ii. Participated as a resource person of Drip Irrigation Training Program for Farmers	ii. Farmers of Hambantota region
	iii. Teacher training on the importance of the soil in environment conservation – Central Environmental Authority (North Central Province and Southern Province programs)	iii. Science Teachers from Grade 6 - 11
	iv. Faculty coordinator/organizing committee Academic Sessions 2017	iv. Faculty of Agriculture
	v. Seminar for teachers at Mt/Rathanajothi Vidyalaya	v. 30 teachers
	vi. Livelihood development of mushroom frames	
	vii. Livelihood development of coastal women	
	viii. Two workshops for tea smallholder sector conducted at the faculty	i. Tea growers
Outreach activities	i. Participated for “Trade and Education Exhibition - 2017”, with exhibition	

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	stall. organized by Small Enterprises Development Unit - Sri Lanka	
	ii. Participated for “Dakshina Krushi Nawodaya” Organic Agriculture Exhibition – 2017, with exhibition stall Venue: Labuduwa Farm, Labuduwa, Galle. organized by Department of Agriculture Southern Province	
	iii. School training programs	
	iv. AL agriculture and bio system teachers trainings	
Link Programmes	International / foreign universities	i. 04

Faculty of Engineering

Dean's Statement/Review

The Faculty of Engineering functioned smoothly during the year 2017 under the leadership of Dr. P.D.C. Perera who has been serving as the Dean since 1st January 2013.

The 4th Annual Research Symposium (ARS – 2017) of the Faculty was held successfully on 5th January, 2017 at the Faculty of Engineering. Undergraduate research Symposium on 'Recent Advances in Civil Engineering' was organized by the Department of Civil and Environmental Engineering for the 6th time. 79 undergraduate final year research projects carried out at the Department of Civil and Environmental Engineering during the last academic year were presented at the symposium. The symposium was held on 6th January 2017 at the Faculty of Engineering. 5th International Symposium on Advances in Civil and Environmental Engineering Practices for Sustainable Development (ACEPS-2017) was successfully held on 16th March, 2017 at the Faculty of Engineering. It was organized by the Department of Civil and Environmental Engineering with the collaboration of Saitama University and Toyama Prefectural University Japan. Altogether 58 technical papers were presented during this conference.

14th Academic Sessions and the 13th Vice Chancellor's Awards Ceremony of the University of Ruhuna was organized by the Faculty of Engineering in this year. This event was successfully held in the Faculty on 1st March, 2017.

The 19th batch of students with 225 students was admitted to the Faculty of Engineering on 13th October, 2017.

XBotiX- 2017, an island wide Robotics Competition was organized by the Electrical and Information Engineering Society (EIES) collaboration with IEEE student chapter, IET Ruhuna Chapter and Mechanical and Manufacturing Engineering Society. University undergraduates and students from the schools took part in this competition which was held at the Faculty on 4th October, 2017.

The Engineering Education Center of the Faculty arranged three-month industrial training for 4th and 6th year Engineering undergraduates at various industries in Sri Lanka with the support of National Apprentice and Industrial Training Authority. Surveying Work camp for 16th batch of students in the Department of Civil and Environmental Engineering was organized from 17th April to 30th April 2017 at Embilipitiya.

IESL (Institution of Engineers, Sri Lanka) has granted full accreditation for the B.Sc.Eng degree programme specialized in Mechanical and Manufacturing Engineering for the period of 2016 to 2020. With this achievement all three specialized degree programmes offered by the Faculty are fully accredited resulting all of them are recognized in all Washington Accord signatory countries.

Students' Union of the Faculty under the guidance of the Faculty staff organized several activities such as Annual Pirith Chanting event, new-year festival, Saraswathi Pooja, cricket, badminton and volleyball tournaments, musical programmes, annual farewell for graduating batch, during the year 2017.

IEEE Student Branch, University of Ruhuna celebrated the IEEE Day 2017 on 10th October, 2017 by organizing a one day educational and recreational programme for AL/Maths stream school students from Southern Province.

Faculty participated the “Techno 2017”, National Engineering and Technology Exhibition held at BMICH in October 2017. In this exhibition, Faculty’s stall won the Silver award for the Best Display with University Projects. During all Island Robotic Competition, Robo Games – 2017 (organized by the University of Moratuwa and Institution of Engineers Sri Lanka (IESL)) Faculty team won the 3rd place.

Faculty has actively participated in the Ruhuna University’s Inter-Faculty Literacy and Dancing Competition – 2017 which was sponsored by the Indian High Commission in Sri Lanka. Faculty won the 3rd place for Traditional Sri Lankan Dancing category, 3rd place for Free style dancing category, 2nd place for the Poems in the Sinhala medium and 3rd place for Free verse in the Sinhala medium category. Also, Faculty participated the inter-Faculty orator competition and won the best orator award for Sinhala medium and second runner-up award for the Tamil medium. Faculty has actively participated in the inter-Faculty sports meet and won the overall championship in 2017.

In 2017, academic staff members of the Faculty involved in many projects proposed by Southern Provincial Council for the development of southern province. Faculty has organized a Job Fair for the final year students inviting reputed companies in the country in November 2017. Also, in November 2017, Faculty organized a “Undergraduate Product Showcase” to demonstrate the final-year undergraduate projects to the industries and to the advanced level school students.

Staff Involvements and Achievements

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Newly Introduced Undergraduate Degree Programmes	Department of Mechanical and Manufacturing Engineering Marine Engineering and Naval Architecture	Advanced Level students
Newly Introduced Courses (Course units)	Department of Civil and Environmental Engineering CE1101 - Basic Concepts in Environmental Engineering Department of Mechanical and Manufacturing Engineering ME 8214 - Robot Manipulator Dynamics ME3112 - Design Studio	undergraduates of the Department undergraduates of the Department

Faculty of Fisheries and Marine Sciences & Technology

Dean's Statement/Review

Year 2017 is the 12th year of the Faculty of Fisheries and Marine Sciences & Technology which was established in year 2005. So far the faculty has produced seven batches of graduates specialized in the field of Fisheries, Aquaculture, Limnology, Oceanography and Marine Geology. At the beginning of 2017, the faculty commenced the new degree programme of BSc Honours in Marine and Freshwater Sciences degree in the new permanent faculty complex of Building phase-1 which is about 500 m² building containing, dean's office three lecture halls three laboratories, reading room, auditorium and museum. At the same year faculty also got the opportunity to open the building project phase –II of the faculty. Moreover, Faculty also submitted proposals for taking laboratory furniture for remain work and for the three new lecture halls and for laboratory equipment with the recommendation of Vice Chancellor, University of Ruhuna. Department of Limnology recruited a Ph.D holder for the post of Senior Lecture (grade II) who is the first PhD holder having the BSc in Fisheries and Marine Sciences degree specialized in Limnology. Also, the faculty has recruited three probationary lectures with BSc in Fisheries and Marine Sciences degree. Faculty members has published 9 international indexed journal papers, 4 non-indexed papers, more than 30 abstracts. Moreover faculty members also have involving in social service activities and developed relations with other institutes such as Geological Survey and Mines Bureau, Marine Pollution Prevention Authority and National Water Supply and Drainage Board etc. In addition to that faculty members also have worked in special committees assigned for different type purposes within and outside of the University.

Staff Involvements and Achievements

Programme/Activity	Number and/or brief information	Beneficiaries /output
Newly introduced undergraduate degree programmes	BSc Honors in Marine and Freshwater Sciences	Increase the student intake to the Faculty
Newly introduced courses (course units)	Whole Curriculum of the BSc Honors in Marine and Freshwater Sciences Providing a chance for following identified courses to be specialized in Oceanography and Limnology in BSc Honors in Fisheries and Marine Sciences Degree for 2017	undergraduate students
Community services	Continuation of FMST-Service laboratory (Registered in Central Environmental Authority of Sri Lanka): Department of Limnology and Water Technology	Service to industries in southern province, Sri Lanka
Curriculum Development (Improvements of course units /subjects)	FAQ 1113 – Converted to combine course module	undergraduate students

Faculty of Humanities & Social Sciences

Dean's Statement/Review

The Faculty of Humanities and Social Sciences of the University of Ruhuna is composed of eight academic departments - Economics, English and Linguistics, Geography, History and Archaeology, Pali and Buddhist Studies, Public Policy, Sinhala, and Sociology; two units - English Language Teaching and Information Technology; and two centers - Modern Languages and Civilization and Conflict Studies.

It employs about 100 academics, of whom more than 90 per cent have postgraduate qualifications while more than 35 per cent have completed their PhDs, supported by a considerable group of non-academic, administrative, and support staff. It is the largest faculty of the University of Ruhuna in terms of student and staff population having approximately a student body of 2000 internal undergraduates and an annual intake of over 500 students. The faculty offers over 400 course modules in 13 diversified disciplines.

It offers degree programmes namely the Bachelor of Arts (General) and Bachelor of Arts (Special) degree for the internal students, and the Bachelor of Arts (General) degree for the external students as its main concern. The scope of teaching and research of the faculty is also extended to offer postgraduate study programs such as MA., MPhil. and PhD etc.

The outreach programmes of the faculty include diploma and certificate courses in a range of fields that contribute to the socio-economic development of the country. With the broadening of horizons in the academic and research fields, the Faculty of Humanities and Social Sciences has been able to attract a large number of students. The link programmes of the faculty include research and educational exchanges with the foreign universities such as the Agder University, the Norwegian University of Life Sciences, the Tribhuvan University in Nepal and the COMSATS Institute of Information Technology in Pakistan.

The faculty is striving to make the full use of resources available to restore and foster the past glory and to enhance the historical social image of the country. Specifically, it contributes to develop economic and social sphere of the southern province. The faculty of Humanities & Social Sciences grooms the students for a professional life by providing them with a broad understanding of the traditions that operate in a wide range of humanistic and social science disciplines. The faculty conceives education as a positive force that builds a strong foundation for good citizenship, mutual respect, democratic values and tolerance of diverse opinions.

During the year 2017, the Faculty conducted one international conference and over 70 local and international authors presented papers. Furthermore, the faculty could conduct a students' session for second time and more than 70 students who are following degree programs in the national universities in Sri Lanka presented and discuss papers.

Staff Involvements and Achievements

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Newly Introduced Courses (Course units)	The faculty has introduced three new course units on tourism studies with the approval of the University Senate. The Department of Sociology introduced BA special degree programme in English medium as well.	A total of around 250 under graduate students benefited from the newly introduced course units
Distant Education Programmes or Extension Courses	The external degree programme of the faculty was continued during the year Diploma in Psychological Counselling programme continued and 80 students enrolled during the year 2017. Department of Geography has developed one certificate level extension course.	1200 middle level employees of the Government and private sector/ GCE (A/L) passed students who were not selected to the internal degree programmes.
Fee Levying Courses	Three master courses continued by the Departments of Economics and Sociology. English certificate and diploma courses were conducted on fee levying basis. Faculty of Management & Finance

Dean's Statement/Review

The Faculty of Management and Finance offers courses covering a broad spectrum of disciplines leading to Bachelor of Business Administration (BBA) Honors degrees (SLQF 06). The faculty adopted the course unit based undergraduate programmes in English medium were introduced with effect in September 2001. Since then all degree programs are conducted in English Medium. At present, all the degree programs offered by the faculty fully meets the requirements of SLQF. The curriculum includes a range of common courses aimed at providing a solid grounding in the fields of Management and Finance, and a range of courses to be elected by the students depending on their specialization, i.e., Accounting, Entrepreneurship, Human Resources Management and Marketing. In addition to the Undergraduate programmes, the faculty coordinates the Master in Philosophy (M.Phil.) and Doctor of Philosophy (PhD) degree programs which are based on independent research in the fields of Management and Finance. Further, the faculty coordinates the Postgraduate Diploma in Business Administration (PDBA) and the Master of Business Administration (MBA) degree programmes, which are, based on course work and research.

Faculty of Medicine

Dean's Statement/Review

During the year 2017, the Faculty of Medicine, University of Ruhuna faced so many difficulties and problems due to non attendance of students from January to November. Students kept away from their academic activities for the above period.

In spite of all the difficulties the faculty conducted the following examinations.

1. 3rd MBBS Part I (Repeat) Examination – 22.03.2017
2. 3rd MBBS Part II (Repeat) Examination – 23.04.2017
3. Final MBBS (Repeat) Examination – 02.05.2017
4. Final MBBS (Repeat) Examination – 20.11.2017

Although students did not participate in academic learning they participated in other activities such as cricket tournament and Interfaculty Dancing Competitions of University of Ruhuna.

We conducted 11 Faculty Board meetings and 5 special Faculty Board meetings during the year 2017.

Our academics obtained promotions as follows :

Senior Professorships

Professor U.K. Jayantha – Senior Professor of Paediatrics & Professor T.S.D. Amarasena – Senior Professor in Paediatrics

Professorships

Professor M.D. Hettiarachchi – Professor in Nuclear Medicine, Professor A de S Nagahawatte – Professor of Microbiology

Professor T.C. Yahathugoda – Professor in Parasitology, Professor R.W Seneviratne – Professor in Surgery, Professor R.S.J. Lenora – Professor in Physiology & Professor Isurani Ilayperuma – Professor of Anatomy

Senior Lecturer Grade I

Dr. M.T. Napagoda, Dr. R.P. Hewawasam, Dr. K.M.S.A.K. Jayasekara, Dr. C.K. Bodinayake, Dr. H.M.M. Herath, Dr. C.J. Wijesinghe, Dr. U.C.P. Perera, Dr. I.V. Devasiri, Dr. N.D. Liyanarachchi, Dr. P.P. Jayawardena, Dr. K.A. Gunaratne, Dr. A.S. Dissanayake, Dr. I.D. Siriwardena, Dr. G.D. Punchihewa & Dr. I.H. Rajapakse

Senior Lecturer Grade II

Dr. G.E.D. de Zoysa, Dr. N.G. Ranawaka

These Senior Professors retired during the year 2017. Namely Professor I.M.R. Goonewardene, Professor B.G. Nanayakkara & Professor Susirith Mendis

The Allied Health Sciences Degree Programme which was under the Faculty of Medicine was separated to function as a separate faculty from 21.09.2017.

Faculty infrastructure development

The Lecture Theatre ‘C’ which was not used for last 15 – 20 years was renovated and made functional.

A room for Ethical Review Committee was allocated and refurbished. It was handed over the Ethical Review Committee as it is a requirement to obtain accreditation.

An office room was constructed at the Department of Pharmacology to accommodate an academic who has joined the Department of Pharmacology.

Re-painting of the Faculty was done and to be completed in year 2018. Refurbishment of the Conference Hall of the Faculty started and also to be completed in 2018. Faculty garden was improved with planting of new trees to enhance the outlook of the Faculty.

The twelve storied building project was started on 04.12.2017.

Students resumed their academic activities from 20.11.2017 and up to now the activities are going on smoothly.

Rs. 39.44 Mn has been spent for purchasing capital equipments in the Faculty of Medicine for the year 2017.

Staff Involvements and Achievements

Faculty of Science

Dean's Statement/Review

Faculty of Science offers general and special degree programmes in Physical Science, Biological Science and Computer Science. The Faculty consists of six departments in the subject areas of Botany, Chemistry, Computer Science, Mathematics, Physics and Zoology.

The faculty continued to provide the building area that was provided to the Faculty of Technology for the continuation of their work new batch of students. This facility was provided until the Faculty of Technology moves into the Kamburupitiya site where new buildings are being built for the faculty.

The faculty has been developing new curriculum so that students get the opportunities of following different subject streams. These subject streams will be providing opportunities for students to complete four year Bachelor of Science Honours Degree programmes with three core subjects or two major subjects. Faculty submitted the proposal for the approval of the UGC and the UGC recommended in 2016 to submit 8 applications to distinguish 8 degree qualifications that were listed within the proposal. The Faculty submitted 8 applications for the review process through the Internal Quality Assurance Unit (IQUA) in order to obtain reviews from subject experts before the applications are submitted to the UGC. The faculty received review reports from the reviewers except one reviewer who had to be newly appointed for reviewing one of the subject areas.

The proposal submitted by the Department of Mathematics for offering a new Bachelor of Science (honours) Degree program in Financial Mathematics and Industrial Statistics was reviewed by subject experts and the department has almost completed the revision of the proposal according to the comments and the suggestions of the reviewers.

Faculty successfully held the 4th Ruhuna International Science and Technology Conference and the second Undergraduate Research Symposium in 2017. Members of the faculty published their research findings in local and international research conferences and journals.

Many number of academic staff members of the faculty received a number of research/travel grants and awards from University, National Research Council, National Science Foundation and foreign universities and entities.

In addition to that faculty members worked in special committees for different types of purposes within and outside of the university.

The specific details of curriculum development, research output, national services, community services, University services and international contributions of individual departments are given in Tables below.

Staff Involvements and Achievements

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Newly Introduced Undergraduate Degree Programmes	i. The department of Physics has introduced two new degree programmes, which are Bachelor of Science in Mathematics and Physics and Bachelor of Science in Chemistry and Physics.	i. This will be more beneficial for the university to attract more students because of four year degrees and it will be more beneficial to students who followed these streams because they can improve their knowledge in two subjects.
Newly Introduced Courses (Course units)	i. Prof. Yapa introduced Active Citizenship (2-credits) optional	i. Level II and Level III students in the Faculty of Science
	ii. Prof. Yapa introduced Active Citizen Community Project (2 – credits) – optional	
	iii. BOT 4282 Bioinformatics	iii. Special Degree students
	iv. BOT 4252 Practical skills in Botany	iv. Special Degree students
	v. Forest Products and Textile Chemistry	v. Special Degree students in Chemistry
	vi. Selected Topics in Industrial Chemistry	vi. Special Degree students in Chemistry
	vii. Current Topics in Chemistry	vii. Special Degree students in Chemistry
Distant Education Programmes or Extension Courses	i. Mr.S.S. Abeywickrama served as a visiting lecturer at the Allied Health programme at the Faculty of Medicine, Univ. of Ruhuna	i. Undergraduates of Faculty of Medicine, Univ. of Ruhuna
Fee Levying Courses	i. Dr.Bodhika organized G.C.E. A/L Physics Teachers training program for southern province school teachers.	i. School teachers and GCE A/L students
Community Services	i. Dr.Mahanama served as the Deputy Proctor of Science Faculty.	i. Science Faculty students
	ii. Dr.Mahanama served as a Mentor for Science Faculty.	ii. Science Faculty students

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	iii. Dr.Mahanama served as a center coordinator of the Physics & Astronomy Olympiad competitions 2017	iii. Southern province school students
	iv. Dr.Mahanama helped flood affected staff members	iv. Science Faculty staff members
	v. Prof.Yapa - Community projects in surrounding schools, in the surrounding villages, etc.	v. Science Faculty students
	vi. Dr.Bodika organized Southern Province Invention competition (Chairman)	vi. School students and other community in Southern Province.
	vii. Dr.Bodika organized G.C.E. A/L Physics practical workshop.	vii. School students and other community in Southern Province.
	viii. Dr.Saranga served as a student counselor for the faculty	viii. Science Faculty students
	ix. Dr.Manjula de Silva helped flood affected people	ix. Flood affected people
	x. Mr.Abeywickrama served as a mentor of the faculty of science	x. Faculty of Science
	xi. Three school libraries were established in the rural areas of Ampara District by the Umi-Matara book foundation which is a voluntary organization comprised of some academic members of the Department	xi. School Students
	xii. Workshop for lawyers of the Civil Appellate High Courts Staff – Court Automation Project	xii.12 Lawyers in Civil Appellate High Court Matara
	xiii.Keynote Speaker of Science Day celebrations of St. Mary’s Convent, Matara. Speech was on Attitudinal Development of School Children	xiii.Advanced level School Children of Matara leading schools
	xiv.Advanced Level teachers training programme.	xiv.A/L teachers and students
	xv.Advanced Level Practical Demonstrations	xv.A/L students in the southern region
Curriculum Development (Improvements of course units /subjects)	i. Prof. Dharmaratna led the curriculum development committees for degree programmes offered by the Faculty of Technology	i. Faculty of Technology

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	ii Existing curriculum were revised and new curriculums were presented for new degree programmes	ii Under graduates
	iii. BOT4262 Scientific report writing, seminars and Industrial training	iii. Special Degree students
	iv.Participated in discussions on improving newly proposed 4-year undergraduate degree Syllabus	iv. Undergraduate students of University of Ruhuna and the whole country
Staff Development Programmes	i. The department has appointed Prof. Chandra Wickramasinghe as an Adjunct Professor for the department.	i. Department of Physics, University of Ruhuna
	ii. Two additional cadres were obtained for academic and one cadre each for a machinist, CAA and a laborer were obtained from UGC.	ii. Department of Physics, University of Ruhuna
	iii. Dr.Manjula de Silva completed the Certificate Course in Professional Development in Higher Education (CCPDHE).	iii. Dr.Manjula de Silva
	iv. Dr.Wickramasoriya Participated in a workshop on “Student Counselling and Mentoring” held at the Faculty of Science, University of Ruhuna on 15 th November 2017.	iv. Dr.Wickramasoriya
	v. CCPDHE -2016: Module 6 – ICT Skills for Higher Education	v. Ruhuna University academic staff and similar grade participants from outside institutions
Contribution to National Development	i. Prof. Dharmaratna served as the Chairman, Basic Science Working Committee, NSF.	i. NSF and the country
	ii. Prof. Dharmaratna served as a Member of the experts group for ‘Basic Science Research Policy’, NASTEC	ii.NASTEC and the country
	iii. Prof. Dharmaratna served as a Setter and a Co-controller for A/L Examination.	iii. This was beneficial for Sri Lankan school students.
	iv. Prof. Dharmaratna served as a member of the Editorial Board of Journal of Physics, IPSL	iv. Journal of Physics, IPSL

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	v. Prof. Dharmaratna served as the Chief Editor, Ruhuna Journal of Science.	v. Ruhuna Journal of Science.
	vi. Prof. Dharmaratna served as a UGC nominee for selection boards as well as external evaluator for the post of Professor in Several Universities.	vi. UGC and the Sri Lankan Universities
	vii. Prof. Dharmaratna served as the Dean/Faculty of Technology in addition to normal duties in the Dept. of Physics.	vii. Technology faculty
	viii. Prof. Dharmaratna, evaluated the annual research progress reports of NIFS researchers.	viii. NIFS and Research community
	ix. Dr.Mahanama served as the Head of the Department of Physics	ix. Physics Department.
	x. Dr.Mahanama- Conducted the Physics & Astronomy Olympiad competition Examinations in 2017	x. This was very important for students in the southern region.
	xi. Dr.Mahanama -Conducted the Science Olympiad competition Examinations in 2017	xi. This was very important for students in the southern region.
	xii. Dr.Mahanama served as a setter and a Chief of the A/L paper marking in both Physics and Science for Technology A/L subjects.	xii. This was beneficial for Sri Lankan school students.
	xiii. Prof.Yapa served in the Institutional review committee – University of Sri Jayewardenepura	xiii. University of Sri Jayewardenepura
	xiv. Dr.Jayathileke served as the Chief of the A/L paper marking in both Physics	xiv. This was beneficial for Sri Lankan school students
	xv. Dr.Bodhika served as the chief controller, G.C.E. A/L Physics paper, 1 st term test, Southern province.	xv. GCE A/L students in the southern region.
	xvi. Dr.Bodhika served as the Chief of the A/L paper marking in Physics	xvi. This was beneficial for Sri Lankan school students
	xvii. Mr.Ranatunga served as the Chief of the A/L paper marking in Physics	xvii. This was beneficial for Sri Lankan school students

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	xxviii. Dr. Saranga Perera performed duties as a chief examiner for the G.C.E. A/L examination -2017	xxviii. This was beneficial for Sri Lankan school students
	xxix. Dr Manjula de Silva served as the Chief of the A/L paper marking in Physics	xxix. This was beneficial for Sri Lankan school students
	xxx. Dr. Wickramasoriya served as a resource person in “Ruhuna Invention and Innovation Exhibition (RIIE)” 2017 organized by the Faculty of Science, University of Ruhuna.	xxx. School students, teachers and surrounding communities in Southern province of Sri Lanka.
	xxxi. Mr. Abeywickrama worked as a jury member to evaluate Inventions of Southern province and Eastern province.	xxxi. Inventors in Sri Lanka
	xxxii. Some of the members were involved in A/L paper marking as chief supervisors	
	xxxiii. E - Filling Project for Civil Appellate High Court, Matara	xxxiii. Civil Appellate High Court, Matara
	xxxiv. Participation of A/L Biology curriculum revision by Prof. S. Abeyasinghe	xxxiv. A/L Biology students
	xxxv. Resource person of the 16 day workshop organized by the Department of Chemistry on new A/L Chemistry syllabus for Advanced Level teachers of the Southern Province	xxxv. Advanced Level School children in southern province and the whole country
	xxxvi. 01 external Faculty Board Member OUSL, NATSCI - Department of Zoology	
	xxxvii. 06 – A/L paper making – Department of Zoology	
	xxxviii. Prof. N.J. De S. Amarasinghe served as a member of the Committee appointed by the Commissioner General of Examination and the Commission of Examination (Research & Development) for editing of the Evaluation reports. GCE (A/L) examination 2016, budget Biology, participated in the workshop held at Department of examination, Sri

	Lanka, Battharamulla from 12 th to 13 th October 2017	
	xxix. Prof. W.T.S.D. Premachandra involved in the research project in Nematology titled “Plant nematode disease management in the southern province” under collaboration between Faculty of Agriculture and Ministry of Agriculture.	
	xxx. Prof. W.T.S.D. Premachandra- Member of the editorial board of the “Rohana” journal, University of Ruhuna	
	xxxi. Prof. W.T.S.D. Premachandra- Member of the editorial board of the “Ruhuna Journal of Science”, published by faculty of Science.	
Contributions in International Level	i. Prof. Dharmaratna, led the group of Physicists to CERN with the Minister of Science, Technology and Research and the Ambassador to Switzerland.	i. Sri Lankan universities
	ii. Prof. Dharmaratna led the team of Physicists to South Asian High Energy Physics Instrumentation (SAHEPI-2017) Workshop on Detector Technology and Applications - Kathmandu University. Presented status report on Sri Lanka HEP.	ii. Prof. Dharmaratna, Dr. Wickramage and a student
	iii. Prof. Dharmaratna- Presented the application seeking the CMS membership for a Consortium of Sri Lankan Universities, Collaboration Board -CMS, Brazil. CMS voted highly favorably at the following CB held in December giving the full membership to Sri Lanka. The department sent a member of Academic staff for a three-month research activity at CERN	iii. Dr. N.M. Wickramage and a student
	iv. The department sent one student for a two-month workshop at CERN	iv. Mrs. K.M. Liyanage
	v. A Centre for Astrobiology in Sri Lanka was established at the Department of Physics with five world recognized Astrobiologists.	v. Department of Physics, University of Ruhuna

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	vi. Attend 03 members to International workshops – Department of Mathematics	
	vii. External examiner – 02 PH.D - Department of Zoology	vii.Dissertation of India
	viii.Prof. W.T.S.D. Premachandra served as an external examiner of two Ph.D dissertations of the Bharathiar University, Tamilnadu, India	
	ix. Prof. W.T.S.D. Premachandra- Member of the editorial board of the “Internatiional Journal of Tropical Insect Science which is jointly published by CABI, UK and ICEPE, Kenya	
	x.Prof. W.T.S.D. Premachandra- Member of the editorial board of “World journal of Agricultural research” published by “Science and Education Publishing”, USA.	
Committees & No. of Members involved	i. Prof. Dharmaratna served in the By-Law review committee, selection committees and several Senate and Council appointed committees of the university.	i. Ruhuna University
	ii. Dr.Mahanma served at Board of Graduate Studies	ii. This will beneficial for the faculty.
	iii. Dr.Mahanma served at Research Committee	iii. This will beneficial for the faculty
	iv. Dr.Mahanma served at M.Sc. Degree Organizing Committee	iv. This will be beneficial for the Graduate in the area and for the Faculty as well.
	v. Dr.Mahanma served at Science faculty IT committee	v. This will beneficial for the faculty
	vi. Prof.Yapa served as a member of the steering committee for technology transfer/IP	vi. Faculty of Science
	vii. Dr.Jayathileke served two technical Evaluation Committees	vii. Faculty of Science
	viii. Dr.Bodhika worked as the coordinator, ITRCC	viii. University undergraduates.

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	ix. Dr.Bodhika worked as the Department Member, Quality assurance Cell	ix. Faculty of Science
	x. Dr. Saranga Perera was the Secretary of the Ruhuna Innovation & Innovation Exhibition 2017, University of Ruhuna	x. University students/ School students and general public
	xi. Dr.Manjula de Silva served as member of the Faculty Day programme	xi. Faculty of Science
	xii. Dr.Wickramasoriya served as an organizing committee member of the “Ruhuna International Science and Technology Conference (RISTCON)” 2018 organized by the Faculty of Science, University of Ruhuna.	xii.National and international researchers
	xiii. Mr.Abeywickrama served as a Committee member of the Invention and Innovation Exhibition 2017	xiii. University and School Students
	xiv. Mr.Abeywickrama served as a Committee member of the RISTCON 2017	xiv.Faculty of Science
	xv. Dean’s Nominee – SDC (01) – Department of Computer Science	xv. UoR Staff – conducting SDC programmes
	xvi. LEARN UoR representative (01) - Department of Computer Science	xvi.UoR Staff and Students – Coordinating UoR - LEARN network management related tasks
	xvii. Committee member -Standing Committee on Computing (01) - Department of Computer Science	xvii. Staff and the students who fos
	xviii.RISTCON organizing committee (02) - Department of Computer Science	xviii. Researchers – RISTCON 2017 conference
	xix. Faculty Day (01) - Department of Computer Science	xix.Staff and Students in FoS – Faculty Day 2016
	xx. Symposium – FGS (01) - Department of Computer Science	xx.Postgraduate Students – FGS symposium: December 2016
	xxi. News Letter Committee (01) Students request committee (02) Faculty day committee (01) – Department of Chemistry	xxi.Faculty of Science and the students and staff

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	iv. Mr. Ranatunga obtained a grant of Rs. 1,493,000.00 from the UGC Grant to carry out the PhD research project.	iv. Mr.Ranatunga
	v. NRC grant to Dr. K. Masakorala	v. M.Phil student
	vi. India-Sri Lanka foundation grant to Prof. S. Abeysinghe	vi. short term training
	vii. Dr. Nadeesha received NSF OSTP Grant of USD 13134 (CERN membership fees + 3 months subsistence to continue research at CERN)	vii. Dr. Nadeesha
	viii. Dr. Nadeesha received NSF Travelling Fellowship, USD 660 (To participate High Energy Physics Instrumentation workshop, Nepal)	viii. Dr. Nadeesha
	ix. Prof. W.T.S.D. Premachandra - Grant NO: RU/SF/RP/2017/07 Title: An investigation of non-chemical control measures of root-knot nematodes Amount: 43,000 (continuation of the research of RU/SF/RP/2015/03)	
Awards/Patents/Special Achievements	i. Prof. Dharmarathna received the first place for an invention at the Ruhuna Invention and Innovation exhibition.	i. Prof. Dharmarathna and the Department
	ii. Prof. Dharmarathna received the second place for the same invention at the Sahasak Nemawum National competition (With Mr Ranatunga and a student)	ii. Prof. Dharmarathna, Mr Ranatunga and the Department
	iii. Dr. Jayathileke won the second place of Sahask Nimavum 2017 (National Exhibition for Inventions and Innovations) Ruhuna Invention and Innovation Exhibition 2017	iii. Dr. Jayathileke and the Department
	iv. Dr. Jayathileke applied for a patent	iv. Dr. Jayathileke and the Department
	v. Dr. Nadeesha received Presidential awards 2017 for published research in SCI-high impact journals of 2015.	v. Dr. Nadeesha and the Department

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	vi. Mr.Abeywickrama won the 2 nd place in the category of university and tertiary educational institutes under the field of physics at the “Sahasak nimavum 2017”	vi. Mr.Abeywickrama and the Department
	vii. Mr.Abeywickrama won the 2 nd place and 2 merit places in the category of university and tertiary educational institutes at the Ruhuna Invention & Innovation Exhibition 2017”	vii. Mr.Abeywickrama and the Department
	viii. Mr.Prasadh received the Summer Doctoral Fellowship awarded by School of Graduate Studies, University of North Dakota, USA	viii. Mr.Prasadh
	ix. Presidents research award to Dr. K. Masakorala	
	x. SUSRED Award (01) Presidential award (01) – Department of Chemistry	x.Staff and the University and the faculty
Workshops/Seminars/ Conferences conducted (Internal & Local)	i. Dr.Mahanama- Presented two abstracts for the 2 nd RISTCON held at the Faculty of Science, January 2017	i. Me & the department of Physics
	ii. Dr. Mahanama - Participated in a Workshop on Manual of Procedures for conduct of Examinations conducted by the University.	ii. Dr.Mahanama
	iii. Dr.Mahanama- Participated in a Workshop on Student Counselling and Mentoring conducted by the Faculty of Science	iii. Dr.Mahanama
	iv. Dr.Bodhika organized the G.C.E. A/L Physics Teachers training workshop for southern province school teachers (21 days).	iv. School teachers and GCE A/L students
	v. Dr. Saranga Perera performed duties as a resource person in the workshop conducted by Southern Province Education Department and Department of Physics, University of Ruhuna -2017	v. Southern Province Physics Teachers

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	vi. Dr.Wickramasoriya participated in a workshop on “Patent Drafting and Prosecution” organized by the University of Ruhuna on 28 th August 2017.	vi. Dr.Wickramasoriya
	vii.Dr.Wickramasoriya participated in a workshop on “Institutional IP Policy and Technology Transfer” organized by the University of Ruhuna on 15 th September 2017.	vii. Dr.Wickramasoriya
	viii.01-Career Guidance Program for Level III Students – Department of Mattematics	
	ix.Training workshop: International Joint-Research and Training Program on “Low Carbon Green Energy and Environmental Sustainability” in 2017 at National Chiao Tung University (NCTU), Hsinchu, Taiwan during October 30 – November 11, 2017	ix.Improve the quality of undergraduate teaching and improvement in Research
	x. Short workshop on Student Counseling and Mentoring	x. Academic staff members of the Faculty of Science and Technology
	xi. Chemistry workshop for Advanced Level Teachers	xi. Advanced Level Teachers in the southern region
Outreach activities	i. Dr.Mahanama served as the Head of the department	i. Physics Department
	ii. Dr.Mahanama worked as the Deputy Proctor of the Science Faculty	ii. Faculty of Science
	iii.Dr.Mahanama worked as the secretary of the Science Faculty Teachers Association (RUSTA)	iii. Faculty of Science
	iv. Prof.Yapa promoted Active Citizen programme in Faculties of FMST & Management	iv. For Freshmen students in both faculties
	v. Prof.Yapa served as a Facilitator in Active Citizen Facilitator training workshop	v.Participants were from Bangladesh, India and Sri Lanka
	vi. Dr. Saranga Perera served as a reviewer of abstracts for RISTCON- 2018	vi. University Academics

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	vii. Dr. Saranga Perera served as a reviewer of abstracts for 15th Academic Sessions-2018	vii. University Academics
	viii. Seminar on the new biology curriculum	viii. About 400 biology teachers trained
	ix. Conducted a music program titled "Subhavitha Gee miyasia" - Music for life- for students of Faculty of Science on 21 st June 2017, at the Prof. Alawaththagoda Pemadasa Auditorium from 1.30-3.30pm.	
Link Programmes	i. The Link Programme initiated by Prof. Dharmarathna with CERN through TIFR, India continued. Dr. N.M. Wickramage continued her research at CERN CMS experiment through this programme funded by NSF	i. Department of Physics, University of Ruhuna

Faculty of Technology

Dean's Statement/Review

The construction of new buildings, Laboratory Building and two hostels, were continued throughout the year at Karagoda Uyangoda, Kamburupitiya. One hostel was completed and handed over to the University and the other hostel is expected to be handed over on 28th Dec. 2017. Most of the rehabilitation work, started in 2016, were completed and some rehabilitation work started in 2017 were in progress. Three greenhouses were renovated for Biosystems Technology Department. The first phase of the laboratory building is expected to be completed during the first quarter of 2018. The faculty would be established at the new site after the first phase of the laboratory building is handed over to the university.

The first batch of 136 students, 86 for Bachelor of Engineering Technology and 50 for Bachelor of ICT, were admitted on 02nd January, 2017. The classes were conducted at the Faculty of Science, in the space provided at the Dean's office complex, Department of Computer Science and at the Department of Physics. First academic year was completed on 18th Dec. 2017. The second batch of another 136 students were admitted on 20th Dec. 2017. Bachelor of Biosystems Technology Degree programme has been approved and included in the A/L handbook. Additional 50 students will be admitted with the next batch in 2018 increasing the total intake up to 186 students.

Prof. E.P.S. Chandana, Mr. Aruna Loresuhewa and Dr. K.G.S. Harshadewa Gunawardana were continued as the Heads of the Departments of Biosystems Technology, Engineering Technology, ICT respectively and Senior Prof. W.G.D. Dharmaratna, continued as the Dean and the acting Head of the Department of Multidisciplinary Studies. Prof. E.P.S. Chandana, Mr. Aruna Loresuhewa and Prof. W.G.D. Dharmaratna provided their services to develop the Faculty of Technology in addition to their normal teaching duties in the Faculty of Science. Three Senior Lecturers and one Probationary Lecturer in the Department of Engineering Technology and one Senior Lecturer and Two probationary lecturers in the Department of ICT were appointed in 2016. Remaining cadre positions, approved for the first batch, were filled by appointing three probationary lecturers, one for each department, in early 2017. Out of the cadre positions approved for the second batch, three Senior Lecturers for the Department of Biosystems Technology and four probationary lecturers, two for each department of Engineering Technology and Dept. of ICT were selected and appointment letters were issued. Two Technical Officers, one Lab Attendant and three labourers have been appointed out of the non-academic cadre positions. One probationary lecturer, Gayani C. Pathiraja, obtained study leave for her post graduate studies in USA.

All required laboratory equipment, furniture, computers, office Library books were purchased for the first year classes and second year semester I classes. Most of the Machines required for the Engineering Technology workshop have been ordered.

First academic year was completed very successfully. Several additional carrier guidance programmes were organized by Ms. Pubudhu Mallawarachchi under University Carrier Guidance Centre. The staff and a group of students organized an exhibition in the Faculty of Technology in parallel with the Invention and Innovation competition and exhibition of the Faculty of Science. The students participated in the Dancing

and Literature Competition of the university. The team performed under free style dancing competition won the second place and a student won the second place under Free Verse category.

Faculty of Technology, University of Ruhuna organized a very successful meeting with several leading industry representatives to present the curricula of Technology Degree Programs with the objective of obtaining feedback on syllabi and to build the Industry University partnership. Staff members and the students of the Faculty of Technology organized a faculty day event with the purpose of enhancing the students-staff relationship and unity among the students.

Staff Involvements and Achievements

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
Newly Introduced Undergraduate Degree Programmes	i. Bachelor of Engineering Technology	i. 86 students admitted in 2017
	ii. Bachelor of Information and Communication Technology	ii. 50 students admitted in 2017
	iii. Bachelor of Biosystems Technology Degree, prepared with the leadership of Prof. E.P.S. Chandana, Head, Biosystems Tech. was approved by UGC.	iii 50 students to be admitted in 2018
Newly Introduced Courses (Course units)	i. All course units for Biosystems Technology Degree	i. 50 students
Distant Education Programmes or Extension Courses	<p>i. Mr. E.A.D. Kumara completed the following programmes</p> <p>(a) Successfully completed the training program on 6 D.O.F. Robot arm and software package conducted by Quanser, Canada</p> <p>(b) Successfully completed the workshop on Non Destructive Testing (NDT) methods conducted by NDT Instrument Pte Ltd.</p> <p>(c) Attended the awareness program on compressed air generation and distribution conducted by Matrix (pvt) Ltd.</p> <p>(d) Attended the Engineering Education and Research seminar conducted by OreI Corporation (pvt) ltd in collaboration with NI India & Quanser Canada.</p>	<p>i. Gained knowledge on Robot Arms</p> <p>Knowledge on NDT techniques</p> <p>Updated the knowledge on Compressed air generation and distribution</p> <p>Identified the key areas of Engineering Education</p>
Community Services	i. Dept. of Engineering Technology held an exhibition in parallel with the Invention and Innovation exhibition	i. School Children and other visitors.
	<p>ii. Dr. Sanjaya Thilakarathna</p> <p>(a) Deputy Senior Student Counsellor of the Faculty</p>	Faculty of Technology Students

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	(b) Student Mentor for the department	Department of Engineering Technology students
Curriculum Development (Improvements of course units /subjects)	i. Bachelor of Biosystems Technology	i. Fifty students will be admitted with the next batch
	ii All course units for above degree	
Staff Development Programmes	i. Several Lecturers participated in the CCPDHE programme – Dr. B.L.S. Thilakarathna Ms. G.C. Pathiraja Ms.M.A.N.D. Sewwandi Ms. U.H. Waruni Hewage	i. Participated Lecturers
Contribution to National Development	i. Dr. B.L.S. Thilakarathna Judge Panel Member - Member of the Panel of Judges for Evaluation of Inventions in the “Sahasak Nimawum”-2017, National Inventions and Innovations Exhibition and also represent the Presidential award selection committee.	Inventors in Sri Lanka
	ii. Mr. Aruna Lorensuhewa – Served as the Head of the Dept. of ICT, in addition to the duties and commitments to the Dept. of Com. Sci. in Faculty of Sci.	University and Faculty of Technology
	iii. Prof. E.P.S. Chandana - Served as the Head of the Dept. of Biosystems Technology, in addition to the duties and commitments to the Dept. of Zoology in Faculty of Sci.	University and Faculty of Technology
	iv. Prof. W.G.D. Dharmaratna- - (a) Served as the Dean of Faculty of Technology, in addition to the duties and commitments to the Dept. of Physics in Faculty of Sci. (b) Served as the Chairman, Basic Science Working Committee, NSF. (c) Served as a Member of the experts group for ‘Basic Science Research Policy’, NASTEC (d) Served as a Setter and a Co-controller for A/L Examination. (e) Served as a member of the Editorial Board of Journal of Physics, IPSL (f) Served as the Chief Editor, Ruhuna Journal of Science.	University and Faculty of Technology

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	iv) Dr. B.L.S. Thilakarathne (a) Inter Faculty Dancing and Literature Competition – Faculty Representative (b)Ruhuna Invention and Innovation Exhibition - Faculty Representative (c) Internal Quality Assurance cell of Faculty of Technology (d)A/L Technology Stream committee - Faculty Representative	Faculty of Technology Students University Students, Schools Students Faculty of Technology Students Schools Students
	v) Mr. Nuwan Laksiri (a)Sports Advisory Board Committee Member (b)Students Request Committee Member	University Students Faculty students
	vi) Ms. U.H. Waruni Hewage (a) Students Request Committee Member	Faculty Students
Grants Received (purpose & amount) - Local - International	i. Prof. E.P.S. Chandana-Faculty Grant to conduct a research on medicinal plants Rs 150 000.00	i Research output will lead to discover new medicine.
	ii. Dr. K.G.S. Harshadewa Gunawardana- - Faculty Grant to conduct a research project on clay tiles. Rs 150 000.00	ii. Research output for development
	The budget proposal submitted by Prof. Dharmarathna to the Ministry of Science, Technology and Research to start research collaboration with CERN (Rs. 250 m for five-year period) was approved by the Ministers of Cabinet.	Physicists and postgraduate students
Awards/Patents/Special Achievements	i. Ms. Gayani C. Pathiraja received following awards (a) President’s Award for Scientific Publication- 2015 (b) PhD Graduate Assistantship- University of North Carolina at Greensboro, USA (c) Best oral presentation – 7 th International Conference on Key Engineering Materials (ICKEM 2017), Malaysia	i. (a) Recognition of her research output. (b) Benefits Ms Gayani and the Faculty and the Dept. of Engineering Technology. (c) Recognition of her research output and the Faculty.
	ii. Prof. W.G.D. Dharmaratna (a) Received the first place for an invention at the Ruhuna Invention and Innovation exhibition.	

Programme/Activity	Number and/or Brief Information	Beneficiaries /Output
	(b) Received the second place for the same invention at the Sahasak Nemawum National competition (With Mr Ranatunga and a student)	
Workshops/Seminars/Conferences conducted (Internal & Local)	Mr. E.A.D. Kumara i. Provided the service in the organizing committee for Ruhuna Invention and Innovation Exhibition 2017	Ruhuna University Students, Southern province school children
Outreach activities	Mr. E.A.D. Kumara i. Leadership Programme at Loadstar(pvt) Ltd ,Midigama ii. Table Manners Program at Sri Lanka Institute of Tourism & Hotel Management ,Koggala	i. 1 st batch students at Faculty of Technology ii. 1 st batch students at Faculty of Technology

Faculty of Graduate Studies

The Faculty of Graduate Studies (FGS) has recruited 252 new students in the year 2017 for Master degree programs (taught courses). Hence, with the already recruited students in the past, who have not yet completed, the total student enrolment in Master degree programs for the year 2017 was 1182 (Table – 01).

Postgraduate program	New admissions	Total enrolment
MA in Economics	79	396
MA in Sociology	86	119
MA in Peace & Development Studies	29	55
MBA/PDBA	31	324
MSc in Crop Production Technology	-	99
MSc in Civil and Environmental Engineering	27	43
MSc in Animal Science	-	19
MSc in Agricultural Economics and Development	-	06
MSc in Food Science	-	45
MSc in Agricultural Economics & Resource Management	-	32
MSc in Agricultural Business Management	-	29
Diploma in Agricultural Business Management	-	01
MSc in Crop Protection	-	14
Total	252	1182

The new registrations for the research degree (i.e. MPhil/PhD) programs approved by the Senate in the year 2017 was 29 and the total enrolment of research degree programs in the Faculty was 186 (Table – 02).

Student enrolment in research degree programs

Postgraduate program	New admissions	Total number of students
PhD	07	57
MPhil	22	122
MA (by research)	-	07
Total	29	186

The Faculty of Graduate Studies has completed all the preparatory work to start a new Master degree Program as Master of Business Management (MBM). The approval from the University Grants Commission was obtained for this program and the first batch will be recruited at the beginning of the year 2018. A revised proposal to start another new program, Master in Development Planning, was submitted

to UGC and it is expected that the approval will be received to start this program also in the year 2018. Furthermore, the Faculty of Graduate Studies started ‘Progress Review Sessions for postgraduate studies’ in 2016, as a way to minimize stagnation of research degree studies and motivate the candidates to complete their research degree programs on time. The 2nd Progress Review Session was conducted in October 2017. The impact of Progress Review Sessions was clearly evident by the number of thesis submitted during the year 2017. The total number of MPhil/ PhD thesis submitted within a year after starting the Progress Review Sessions has been increased by 300% compared to that of the previous years (the average number of thesis submitted per year during the last five year period from 2012 to 2016 was 11.4 there per year).

The total earnings and expenditure during the year 2017 are Rs. 30,393,582.00 and Rs.13,77 0,271.29 respectively. Accordingly, Rs. 16,623,310.71 is remaining as the balance (Table -03) to the date 31.12.2017: however, much of the balance is still to be spent.

Income received from postgraduate courses

No	Course	Income (Rs.)	Expenditure (Rs.)	Balance (Rs.)
01	MPhil & PhD	2,818,577.00	2,550,000.00*	268,577.00
02	Master of Business Administration	5,937,600.00	2,428,499.69	3,509,100.31
03	MA in Economics	7,548,165.00	4,152,593.05	3,395,571.95
04	MSc in Civil and Environmental Engineering	5,708,550.00	74,250.00	5,634,300.00
05	MA in Sociology	2,504,440.00	1,920,444.45	583,995.55
06	MSc in Crop Production	618,000.00	458,748.82	159,251.18
08	MA in Peace and Development Studies	5,258,250.00	2,185,735.28	3,072,514.72
09	Total	30,393,582.00	13,770,271.29	16,623,310.71

Part VI – Special Events of the University

01. Academic Sessions & Vice Chancellor’s Awards

Annual Academic Session of the University of Ruhuna is an excellent platform to highlight the research finding of the academic community. In conjunction with academic sessions, the university hold the Vice Chancellor’s Awards Ceremony to honor and recognize the outstanding academics and students of the university.

This year, the 14th Academic Session and 13th the Vice Chancellor’s Awards Ceremony was successfully concluded on 1st March 2017 at the Faculty of Engineering under the theme of ‘ Promoting innovation through research’. The Ceremony and technical sessions were organized by the Faculty of Engineering, with Dr. (Mrs.) Thushara Wickramaarachchi as the Chairperson and Dr. Ruwan Appuhami as the Secretary. The Vice Chancellor, Senior Professor Gamini Senanayake graced the event as the Chief Guest and Deputy Vice Chancellor, Deans, all Academic members and other distinguished invitees participated in the event.

Prof. Munidasa P. Ranaweera, Emeritus Professor of the Department of Civil Engineering, University of Peradeniya delivered the keynote speech on “Innovation and sustainable development in the ancient Sri Lanka”. The oration of the 14th Academic Sessions was delivered by Dr. Mayuri Tharanga Napagoda of the Department of Biochemistry, Faculty of Medicine on “Medical Plants in Sri Lanka: Ethnobotanical, Phytochemical and Pharmacological Investigations”

Awards of the Emirates professorship

01. Senior Professor T.R. Weerasooriya, Faculty of Medicine.
02. Senior Professor M.R. Mohideen, Faculty of Medicine.

Winners of the 13th Vice Chancellor’s Awards

01. The Most Outstanding Scholar
Prof. (Mrs.) D.A.L.Leelamanie, Dept. of Soil Science, Faculty of Agriculture.
02. The Most Outstanding Young Researcher
Dr. (Mrs.) A.P.Attanayake, Dept. of Biochemistry, Faculty of Medicine
03. The Most Outstanding Staff Inventor/Innovator
No Applicant
04. The Most Outstanding Student Inventor/Innovator
Mr. L.W.C. Parackrama, SC/2013/8777, Faculty of Science
05. The Highest Recipient of Grants
Prof. (Mrs.) D.A.L.Leelamanie, Dept. of Soil Science, Faculty of Agriculture.
06. The Most Outstanding Convener of International Conferences/ Promoter of International Relations
No Applicant

02. Exhibitions

- The Ruhuna Invention & Innovation Exhibition, 'RIIE 2017' was held on 17th and 18th of May 2017 at the University of Ruhuna. Main objective of the exhibition was to encourage young generation to think in extra dimensions and to enhance their creative and innovative skills.

03. Art Festival

- 'Subhawitha Gee Miyasia – 2017' was conducted for students, mainly focusing the 1st year students of the Faculty of Science for the 9th time with the theme 'Music for life' on 21st June 2017, at the Prof. Alawaththagoda Pemadasa Auditorium of the Faculty.
- Thambarawila is the biggest aesthetic event organized by the Faculty of Engineering, once in every two years. The event consists of many creative items including dramas, songs, dancing events etc. In this event students express their talents and skills, outside their academic life. Many famous artists in the country are invited to this glamorous event.

04. Other Events

- Sinhala & Tamil New Year is celebrated every year with many traditional games. Students enjoy themselves by participating in the events while rest enjoy watching the events.
- Annual Thai Pongal event of the Faculty of Fisheries and Marine Sciences & Technology was held on 14th January 2017 at the Faculty Premises.
- In conjunction with Vesak Festival of this year students of the Faculty of Fisheries and Marine Sciences and Technology organized a dhamma sermon programme at the Faculty Premises on 05th May 2017.
- The 5th International Symposium on advances in civil and environmental engineering practices for sustainable development (ACEPS-2017) was successfully held on 16th March 2017 at the Faculty of Engineering with the participation of more than 2000 local and international delegates
- The 6th Undergraduate Research Symposium on 'Recent Advances in Civil Engineering' jointly organized by the Civil and Environmental Engineering Society of the Faculty of Engineering and the Department of Civil and Environmental Engineering was successfully held on 6th January 2017 at the Faculty.
- The 4th Ruhuna International Science and Technology Conference 'RISTCON 2017' organized by the Faculty of Science was successfully held at Prof. Alawaththagoda Pemadasa Auditorium on 26th January 2017.
- The Faculty of Management and Finance together with the Southern Province Development Authority conducted a 'Business Clinic 2017' on 13th and 14th March 2017 at the University Gymnasium with and immense of success.

Part VII - Library

Main Library of university of Ruhuna is situated at Wellamadama premises. Agriculture, Medical, Engineering, faculty libraries are situated in respectively , Mapalana,, Karpitiya, Hapugala. Allied Health Science library for Nursing students, and Allied Health Science library for Pharmacy and MLS , are situated in , Mahamodara. and Uluwitike.

Library holds around 215000 publications and nearly 300 Journal title excluding legal repository collection. Newly established legal repository collection hold around 175000 publications. Some of these resources are available in electronic media. According to year 2017 annual circulation statistics records, library resources annual circulation exceeded 66000. As an academic library, we provide reference services, lending services; interlibrary loan services, current awareness services etc.

Every year library conducts user education programme for the newly join students in order to improve their awareness. Library website provide useful guide to the users. Other than above mentioned services, library provides multimedia facilities and language self-learning facilities for the interesting library community.

In addition to these services, the library maintains a Information literacy course in a Faculty of Fisheries and Marine Sciences and Technology.

AGM of Sri Lanka Universities Sports Association (SLUSA)

Annual General Meeting of Sri Lanka Universities Sports Association was held in University of Ruhuna on 17th January 2017. Following staff members of our University were elected to SLUSA executive committee.

No	Name	Position in SLUSA
01	Prof. Tilak PD Gamage	President
02	Mr. PN Weerasinghe	Secretary General
03	Mr. Anusha De Silva	Assistant Secretary
04	Mr. KH Keerthi Kumara	Assistant Treasure

Part IX – Reports of Units/ Centers

1. Career Guidance Unit

Career for undergraduates in Universities was recently recognized as a matter of policy by the Government of Sri Lanka. At the University of Ruhuna, the Career Guidance Unit was set up in March 2000 to provide career guidance services to the undergraduates. Since then, the unit has organized various types of workshops, programmes and events to develop the attitudes and skills of the undergraduates to make them best suited for the employment opportunities in the industry and many training sessions were conducted to make undergraduates ready to capitalize career opportunities and to perform smart while managing both employed and personal life. The unit has developed a wide range of network and industry links with many private sector organizations and the government institutions to facilitate productive interaction between the undergraduates and such institutions with the purpose of providing industrial training and career opportunities for the benefits of the undergraduates.

Compared to the previous years, the Career Guidance Unit of the University of Ruhuna reported a significant progress in the year of 2017. Each Career Guidance Counsellor was assigned to the faculties and they were responsible to conduct the relevant career guidance activities for the students in the respective faculty. The summary of the activities conducted is presented as follows.

- The industry forum on Soft Skills was held in Hilton Colombo Residences with the industry experts in the corporate sector in Sri Lanka with the twofold objective of evaluating industry experts' assessment and feedback on soft skills of graduates employed in their companies and developing a healthy network and collaboration between the University of Ruhuna and the private sector organizations.
- Fifteen outbound training sessions on personality and leadership development were conducted, and 960 students participated for these sessions. The most of these training sessions were facilitated by SELF - Dr. Tissa Jinasena (Shape Enliven Lives) Foundation and a few were organized by the Career Counsellors attached to the unit.
- Sri Lanka Institute of Tourism & Hotel Management provided 07 Table Manners & Etiquette Training Sessions, and 210 Students were benefited.
- Special guest lecture series were conducted on 'Adapting to the World of Work' and Interview Facing by Darsana Warnasekara Chief Operating Officer, at Ruhuna Products (Pvt) Ltd. Altogether 13 guest lecture sessions were organized, and 1032 students were benefitted.
- 'ඔබ අසිරිමත්ය' Personality Development Three Day Workshop Session facilitated by Ministry of Labour Relations.
- Personality Development Two Day Workshop facilitated by Chamber of Commerce.
- 'Art of Living' – series of workshops for the students of the Faculty of Humanities and Social Sciences, each group consisting of 20 – 30 students will be served for period of one month with four workshops to develop their soft skills.

- ‘Career Readiness Training Session’ - series of workshops for the students of the Faculty of Management and Finance.
- ‘Blossom Your Life’ - series of workshops for the students of the Faculty of Science.
- ‘Soft Skills Development’ - series of workshops for the students of the Faculty of Fisheries and Marine Sciences & Technology.
- ‘Soft Skills Training’ – series of workshops for the students of the Faculty of Engineering.
- For the purpose of developing the attitudes and the mind set of new students, a specific orientation programme was conducted with a series of soft skills activities.
- Altogether 98 sessions were conducted by Career Guidance Counsellors.
- ‘සිත් අරණ’ - Mind Relaxing and Meditation at මහමේවිනාව අසඳුව - a group of 50 students participated this one day session in each month.
- 06 Community service projects were conducted by Career Guidance Counsellors. Among them, renovating the temple of Sri Swarna Bimbaramaya at Vavuniya and environmental protection campaign at Kirala Kale are very essential.
- A Career Fair was organized by creating a platform of job opportunities for the undergraduates.
- A proposal to offer a Certificate Course on Soft Skills Development was developed and the University Council approval was taken, which will be implemented from the next years.

2. Center for International Affairs

The Center for International Affairs (CINTA) of University of Ruhuna was established following a Senate decision taken at the 199th Senate Meeting held on 17th August 2005. The Center is functioning as the coordinating body in developing international relationships with foreign universities and research institutions, in order to strengthen the international engagements of the university.

Student Exchange under various projects

1. Seven Norwegian Undergraduates from Adger University, Norway were registered for their field work in Developmental Studies.
2. One Visiting Researcher from University of Vienna.
3. Eight Nepalese Scholarship Students of MA Programme in Conflict, Peace and Development Studies at Tribhuvan University commenced their studies at University of Ruhuna from 11th November 2017 up to 09th February 2018.
4. Seven scholarship Students who are attached to MA in Peace and Development Studies at University of Ruhuna under NORHED CPDS project travelled to Tribhuvan University, Nepal from 25th November 2017 and will continue their studies up to 24th march 2018.

The Vice Chancellor
University of Ruhuna

Report of the Auditor General on the Financial Statements of the University of Ruhuna for the year ended 31 December 2017 in terms of the Sub section 108(1) of the University Act No. 16 of 1978

The audit of financial statements of the University of Ruhuna for the year ended 31 December 2017 comprising the statement of Financial Position as at 31 December 2017 and the statement of financial performance, statement of changes in equity and statement of cash flows for the year then ended and the summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sub Section 107(5) of the university Act, No 16 of 1978. My comments and observations, which I consider should be published with the Annual Report of the Centre in terms of Sub Section 108(1) of the university Act appear in this report. A detailed report in accordance with the Sub Section 108 (2) was sent to the Vice Chancellor of the university on 19 July 2018.

1.2 Responsibility of the Management for Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards Consistent with International Auditing Standards of Supreme Audit Institutions (ISSAI 1000-1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. Section 111 of the university Act, No. 16 of 1978 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my Audit opinion.

1.4 Basis for Qualified Opinion

My opinion is qualified based on the matters described in paragraphs 2.2 of this report.

2 Financial Statements

2.1 Qualified Opinion

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the University of Ruhuna as at 31 December 2017 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

2.2 Comments on Financial Statements

2.2.1 Sri Lanka Public Sector Accounting Standards

a) Sri Lanka Public Sector Accounting Standard 02

According to the objective paragraph of the standard, the cash flow statement should be prepared including the source of cash flows, the items on which cash was expended during the reporting period, and the cash balance as at the reporting date. Contrary to this requirement a sum of Rs.45, 657,830 payable to suppliers in future had been shown under the cash outflow of the cash flow statement.

b) Sri Lanka Public Sector Accounting Standard 07

The following non compliances were observed.

- I. Although criteria for recognition of assets had been completed, assets valued at Rs.123,325,853 received by the university from the Higher Education for the Twentieth Century project which was completed on 30 June 2016 had not been taken in to accounts.
- II. According to the paragraph 55 of the standard, the revaluation surplus recognized relating to the assets should be transferred to accumulated surplus or deficits when

the assets are derecognized. When derecognizing of 3 motor vehicles valued at Rs.2, 315,000 revalued in the year 2014, actions had not been taken in respect of Rs.2,313,600 which had been transferred to the revaluation surplus in connection with relevant motor vehicles.

2.2.2 Accounting Deficiencies

The following observations are made.

- a) The Project for Specific agreement and research cooperation between the Swedish International Development Corporation Agency had been completed in December 2010. Although the van belonged to the project valued at Rs.6, 300,000 was being used by the University, actions had not been taken to take over the vehicle to the University and take in to accounts even up to the year under review.
- b) Provisions had not been made in the accounts for the year under review and the previous years in connection with payable rate tax and surcharges amounting to Rs.402, 048 relating to the properties owned by the University.
- c) Although the income received in advance relating to coming years amounting to Rs. 53,084,777 included in the external finance course income of Rs.84,399,021 received in the year 2017 should be accounted as differed income, only a sum of Rs.31,965,422 had been taken in to accounts. Therefore the balance of said account had been understated by Rs.21, 119,355 and the deficiency of the year under review had been understated by the same amount.
- d) A sum of Rs.107, 658,030 incurred from university funds during the year under review had been shown as a debit balance of the capital grant unspent account instead of being accounted as relevant assets.

- e) According to the invoice relating to the purchasing made on 16 August 2017, the value of the automotive test bench was Rs.3, 750,000. However it had been accounted as Rs.4, 162,500 thus payables to suppliers and current assets had been overstated by Rs.412, 500.

2.2.3 Unexplained differences

A difference of Rs.1,086,681 had been observed between the balances shown in the financial statements and the detailed schedules relating to 2 account items.

2.2.4 Lack of evidence for audit

Confirmations had not been furnished relating to 3 bank current account balances totaled Rs. 11,188,851 as at 31 December of the year under review.

2.2 Transactions not Confirmed by an Adequate Authority

According to the budget proposal for the year 2016, a sum of Rs. 150 million had been granted by the University Grants Commission under the Programme for Strengthen Engineering Faculties. However those sum had been exceeded by Rs.33 million for purchasing capital assets by the engineering faculty without obtaining approval of the University Grants Commission.

2.3 Receivable and payable Accounts

According to the financial statements for the year 2017 sum of Rs. 20,932,217 should be recovered for a period from 01 to 15 years from 18 lecturers who violated agreements and bonds entered in to with the University.

2.4 Non - compliance with Laws, Rules and Regulations and Management decisions.

The following non- compliances were observed.

Reference to laws, Rules and Regulations etc.	Non – compliance
a) Section 135 of the university Act, No 16 of 1978	Although by laws should be prepared and approved by the senate consisting with qualifications for recruiting students for post graduate courses conducted by the university, by laws had not been prepared at the commencement of Master of Arts Degree in Economics and Master of Business Administration Degree
b) Section 116 of the Inland Revenue Act No. 06 of 2006.	(i) Although the PAYE tax should be deducted and remitted monthly to the Commissioner General of Inland Revenue in the instances which the total monthly remuneration and allowances paid to the staff of the University exceeding Rs.50,000,tax had been over deducted from some officers and under deducted from another officers as Rs.1,236,929 and Rs.419,802 respectively From the period since January to July 2017.

- (ii) Although the residential facilities, vehicle facilities, medical bills, insurance, electricity, telephone and entertainment allowances had been mentioned as permanent employment benefit under the paragraph 2 (ii) of the PAYE tax circular No:01, those allowances had not been considered in calculation of deduction of PAYE tax from officers.
- c) Section 3.1 and 3.2 of Chapter xx of the Establishment Code for the University Grants Commission and Higher Education Institutes An attendant register should be maintained by every higher education institute and all employees of the institute should mark the arrival and departure in the attendance register and the finger print machine. However a sum of Rs.1, 356,629,469 had been paid as salaries and allowances for the year under review to 515 officers of the academic staff who were not comply with those requirement.

d) Financial Regulations of the Democratic Socialist Republic of Sri Lanka.

I. Financial Regulation 381

Although the approval of the Treasury should be obtained to open an official bank account (Department of Public Finance), actions had not been taken in accordance with the referred regulations for the University collection account and Money Market Saving account opened in the year 2017.

II. Financial Regulation 396 (d)

Actions had not been taken in accordance with the referred regulations for 7 cheques valued at Rs. 59,702 which had been issued more than 6 months and had not presented to the bank.

III. Financial Regulation 571

Actions had not been taken in accordance with the regulations relating to the total sum of Rs.23, 540,673 which had been remained in the retention account more than 2 years.

e) Decision of the University Finance Sub Committee No.2015-09

A report had not been obtained from the Internal Auditor and submitted to the Finance Sub Committee in connection with the unsettled books purchasing advance of Rs.540, 446 relating to the library books ordered for the period from 2006 to 2010.

- f) Public Finance Circular No. 3/2015 dated 14 July 2015. Although the advances obtained should be settled immediately after the intended purpose is fulfilled, a total sum of Rs.1, 193,888 paid during the year under review as research advance of Rs.192, 070, miscellaneous advance of Rs.525, 000 and external fund advance of Rs.476, 818 had not been settled even up to 31 May 2018.
- g) Treasury Circular No. 842 dated 19 December 1978 A fixed assets register had not been maintained relating to fixed assets amounting to Rs.10, 008,259,338. (Excluding computer hardware and software)
- h) Treasury Circular No. IAI/2002/02 dated 28 November 2002 A separate fixed assets register had not been maintained relating to computer hardware and software amounting to Rs.307, 040,172.

3. Financial Review

3.1 Financial Results

According to the financial statements presented, the operations of the University for the year ended 31 December 2017 had resulted in a deficit of Rs.165, 850,112 and as compared with the deficit of Rs. 76,040,206 in the preceding year, thus indicating a decrease in the financial results by Rs.89, 809,906. Although the government grant for recurrent expenditure was increased by Rs.130, 674,145, the increase of employee's remuneration by Rs.176, 087,719 had mainly effected to the above decrease.

Even though financial deficits had existed in the year 2013 and 2014 in the analysis of the financial results for 04 preceding years and the year under review a financial surplus had existed in the year 2015 and further deficits had existed for the years 2016 and 2017. However, considering the adjustments of employees' remuneration, government taxes and depreciation for non-current assets made to the financial results a continuous increase of contribution had shown from the year 2013 to 2017. Accordingly the contribution of Rs. 2,307,417,826 for the year 2016 had increased by 8 per cent up to Rs.2, 494,042,928 for the year under review.

3.2 Analytical Financial Review

The current ratio of the year under review had deteriorated from 1.48: 1 to 0.81:1 during the year under review compared with the preceding year.

3.3 Legal Cases commenced against to the university or by the University

The following observations are made.

- a) Five cases had been filed by the University against to various parties in district courts in the year under review for recovering a sum of Rs.8, 409,361.
- b) There were 31 cases filed against to the university as 7 cases in the Supreme Court, 9 plaints in the university appeal board, 8 plaints in the labour tribunal, 3 cases in appeal court, 2 cases in high court, 1 case in the district court and the Commissioner of labour compensation. Out of those cases, compensation requested in 1 case was Rs.4, 005,977 and it had not been disclosed in the notes to the financial statements.

4. Operating Review

4.1 Performance

4.1.1 Planning

The following observations are made.

- a) Although various activities had been identified to fulfil objectives, opportunities to be fulfill them and threats had not been properly evaluated.
- b) Installation of targets which should be achieved timely and responsibility for achieving those targets had not been delegated in a logical base.
- c) Although the action plans for the years 2017 and 2018 had been furnished to audit on 6 November 2017, the following matters had not been included in the said annual action plan as per the Public Finance Circular No.01/2014 dated 17 February 2014.
 - (i) Organization Structure of the institute, details of approved cadre and the actual cadre.
 - (ii) The Budget for the relevant year.
 - (iii) Activities prepared in the priority order based on the annual budget.
 - (iv) Procurement plan.
 - (v) Internal audit plan

4.1.2 Operating and Review

The following observations are made in connection with achievement of objectives of the University.

- a) It had been planned to increase the total number of students recruited from 1,860 to 2,340 up to the year 2018. However the admissions had been made less 339 than the number of students planned for 6 faculties.

4. Operating Review

4.1 Performance

4.1.1 Planning

The following observations are made.

- a) Although various activities had been identified to fulfil objectives, opportunities to be fulfilled them and threats had not been properly evaluated.
- b) Installation of targets which should be achieved timely and responsibility for achieving those targets had not been delegated in a logical base.
- c) Although the action plans for the years 2017 and 2018 had been furnished to audit on 6 November 2017, the following matters had not been included in the said annual action plan as per the Public Finance Circular No.01/2014 dated 17 February 2014.
 - (i) Organization Structure of the institute, details of approved cadre and the actual cadre.
 - (ii) The Budget for the relevant year.
 - (iii) Activities prepared in the priority order based on the annual budget.
 - (iv) Procurement plan.
 - (v) Internal audit plan

4.1.2 Operating and Review

The following observations are made in connection with achievement of objectives of the University.

- a) It had been planned to increase the total number of students recruited from 1,860 to 2,340 up to the year 2018. However the admissions had been made less 339 than the number of students planned for 6 faculties.

- b) Although it had been planned to increase the employment rate of the entire graduates up to 85 per cent (except graduates in medicine) within 6 months of the graduation up to the year 2017, the employment rate of entire graduates (except graduates in Engineering) was less than 85 per cent. Meanwhile the employment rate of the graduates in arts was in a very low level as 37 per cent.
- c) Although it had been planned to bring the university into first 2000 of the Times higher Educational and QS Ranking List, that objective could not be achieved. According to the webometrics the University of Ruhuna had come to the fifth place of the Local Ranking List in the year 2017
- d) (i) Although it had been planned to increase the number of post graduate student of the faculty of agriculture by 5 per cent annually, 6 degree courses out of the 7 introduced by the faculty had not been implemented as at the end of the year under review. Further students had not been recruited after the year 2015 for the course for MSC in Corp Production Technology which was implemented out of the above mentioned courses.
- (ii) Although the faculty of agriculture had introduced 4 certificate courses which was administrated by the Distance and Continuous Learning Unit, actions had not been taken to commence the 4 courses even up to the end of the year 2017.
- e) (i) Although it had been planned to recruit extra 25 students to the Department of Mechanical and Production Engineering, recruitments had not been done.
- (ii) Although 3 lecturers of the academic staff of the Faculty of Engineering had planned to complete the PHD, 2 lecturers had not achieved the target.

- f) Although the number of students which can be recruited for 11 degree courses was 1,090, the actual number of students recruited for those courses was 1009. Accordingly the opportunity of 81 students who had qualified to admit to the university had been lost.
- g) Thirty six students of the Faculty of Management and Finance were failed in the previous year and it had been increased up to 122 in the year under review. It was 35 per cent of the total number of students appeared to the exam.
- h) Fifty four students of the Faculty of Humanities and Social Sciences were failed the degree in the previous year and it had been increased up to 97 in the year under review. It was 18 per cent of the total number of students appeared to the exam.
- i) Twenty two students who sat for the examination for the degree in medicine were failed or referred and it was 30 per cent of the total number of students appeared to the exam.

4.2 Management Activities

The following observations are made.

- a) Although a list of the assets used under the project for Specific Agreement and Research cooperation between the Swedish International Development Cooperation Agency closed on 31 December 2010 should be prepared and properly handed over to the Dean of the Faculty of Fisheries and Marine Sciences, actions had not been accordingly even up to the end of the year under review and follow up actions also had not been done in this regard.
- b) Rate tax had been paid for 11 properties owned by the university in favour of the names of propositus even up to the year under review. Actions had not been taken to transfer the name to the university and amend the rate bills accordingly.

- c) There were only 6 computers in operation condition for use of the students in the computer unit which had been consisted with 2 computer labs even though all students of 830 of the faculty of agriculture are studying the computer and information technology as a subject. 19 computers were in out of order.
- d) A sum of Rs. 2,512.8 million had been estimated as the total cost of the project for University Villages Programme and a provision of Rs. 50 million had been made in the budget for the year 2017. However this project had not been implemented and a decision had been taken in the 370th meeting of the Board of Council dated 10 July 2017 to allocate a sum of Rs. 40 million out of the provision for purchasing capital assets to faculties and administration sections, the purposes which was not comply with the objectives of the programme.
- e) A sum of Rs. 400,000 had been paid from the vice chancellor's fund for 4 students who had submitted research papers to a seminar held in the international Economic Development Center Hongkong as Rs.100,000 per one in order to participate to the same seminar. The university had not provide a proper guidance and instructions to the students thus it could not be able to obtained visa. As a result, the valuable opportunity to participate to the seminar was missed to those students. Accordingly a sum of Rs.200,000 had been recovered as Rs.50,000 per student and the remaining Rs. 200,000 paid by the university had become an uneconomic transaction
- f) Replies for 4 audit queries included observations amounting to Rs.275,166,473 as at 02 August 2018 had not been furnished.
- g) Actions had not been taken to recover the course fees of Rs.3,003,300 which should be recovered from 37 Business Administration postgraduate students as at 31 December of the year under review and degree certificates had been issued for 15 out of them.

- h) The unsettled opening balances of the year 2017 which had been brought forward over a number of years relating to bursary and Mahapola accounts were Rs.12, 264,450 and Rs. 2,087,500 respectively. However actions had not been taken to identify and settle those balances.

4.3 Operational Activities

The Nursing Degree of the faculty of Alliance Health had been completed by 145 students as the total of 4 batches which had been started in the year 2008. The accreditation of the Sri Lanka Nurses Council which is essential for their professional acceptance had not been obtained even up to the year 2017.

4.4 Transactions in Contentious Nature

The following observations are made.

- a) According to the Sub sections 24 (d) and 27 (1) of the University Act No. 16 of 1978 the Minister has the power to assign a faculty or faculties to a university contrary to this requirement, the faculty of postgraduate studies belonged to the University of Ruhuna had been assigned by the University Grants Commission. Evidence to confirm whether the Commission has such power had not been furnished to audit.
- b) According to the Sub sections 48 (a) 2 of the University Act No. 16 of 1978 which had been amended by the Section 28 of the University (amended) Act No. 07 of 1985 , the procedures for the structure, powers, duties and functions of a Faculty for postgraduate studies and the appointment or election of the Dean of the Faculty should be determined by the Commission through the specifications. However such specified specification had not been prepared for the Faculty of Postgraduate Studies of the University of Ruhuna even up to 31 May 2018.

c) The following observations are made in connection with the Degree of Master of Business

- (i) Although a common by law had been prepared in the Faculty of Postgraduate Studies for recruiting applicants for the Degree of Master of Business, approval of the Board of Council had not been obtained even up to the end of the year under review. According to the Sub sections 45 (2) of the University Act No. 16 of 1978, the authority for preparing the By Law had been delegated to the Board of Council. Therefore acceptance of the Common by law prepared by the faculty of which ascended faculty for the Degree of Master of Business Administration as a complete by law was a controversial matter.
- (ii) Although the Senate has the power of recommendation of qualifications to the Board of Council for recruiting applicants to courses of studies as per the Sub sections 46 (6) (VIII) of the University Act No. 16 of 1978, contrary to this qualifications for the admission of the Degree of Master of Business Administration had been determined in the 36th meeting of the Board of Studies of the Faculty of Management and Finance held on 5 April 2017.
- (iii) Under the No.3 of the qualifications determined, the Board of Study had decided that considering highly completion of examinations of the Institute of Accounting Technology of Sri Lanka as equal as the membership of the Sri Lanka Institute of Chartered Accountants and it was a qualification to apply for the Degree of Master of Business Administration .However it was observed in audit that said decision was not in a logical base.

- (iv) A total sum of Rs.484, 500 had been paid by the Faculty of Engineering for 57 turns as Rs. 8,500 per one for gully bouser service obtained from a private institution. According to the register of arrivals and departures of vehicles maintained by the security section, time spent to transport in 25 kilometers and loading and downloading waste was 38 minutes which is not acceptable. Accordingly, accuracy of the payment had not been got confirmed before making payment thus said payment was a controversial matter.

4.5 Idle and Underutilized Assets

The following observations are made.

- a) Twenty computers of the Dell brand had been provided to the computer lab of the center for pharmacist Degree courses belongs to the Faculty of medicine on 31 May 2011. Seven computers out of the above 20 had been remained out of order in the computer lab and another 6 computers had been sent to the Faculty of medicine for repairing on 23 February 2017. However those computers had not been returned even up to 11 October 2017 the date of audit.
- b) Although 7 laptops valued at Rs. 495,600 had been provided for the Nursing Degree Course of the Faculty of Medicine on 31 December 2016, out of those 05 computers had not been taken into use installing software even up to 30 June 2018 the date of audit.

4.6 Staff Administration

The following observations are made.

a) Academic Staff

- (i) Four approved posts of professors of the Faculty of Engineering was vacant since the commencement up to now.
- (ii) There were 188 vacancies in the posts of lecturers for the 9 faculties of the University. Out of that, the number of vacancies of the faculties of medicine, engineering and sciences were in high rates as 42, 25 and 33 respectively. Actions had not been taken to fill those vacancies even up to 31 May 2018.

b) Non- Academic Staff

The following observations are made.

- (i) Applications had been called for the post of Bursar vacant since 4 November 2010 in 10 instances. Three qualified applicants had not been appeared to the interview due to delays of 6 months to 8 months for calling for the interview. Hence the vacancy could not be filed as at the end of the year under review.
- (ii) Two posts of work engineer were vacant from the year 2010 and applications had been called in 7 instances. However necessary recruitments had not been done even up to 31 May 2018.
- (iii) There were vacancies of 10 staff grade posts, 45 non- staff grade posts and 63 posts of minor staff of the non-academic staff. However actions had not been taken to fill those vacancies.

- (iv) The number of staff of the clerical and parallel services served only 3 sections was 278 and 20 out of them had been served in a same division over a period of 5 years to 20 years.
- (v) The number of staff of the internal security division of the university was 124 and the actual number was 94. Accordingly the number of vacancies was 30. Service of 65 private securities had been obtained since January 2017 more than twice of vacancies without recruiting for those vacancies. Although a sum of Rs. 14,322,710 had been paid for the private security service only from January to July 2017, over time payment amounting to Rs. 7,484,926 had been paid for the security officers of the university for the same period. Accordingly it was observed that the university had not acted in an economically effective way for obtaining security service.

5. Sustainable Development

5.1 Achievement of Sustainable Development Goals

All Statutory Institutions should be functioned in accordance with the 2030 Agenda for Sustainable Development adopted by the United Nations and the University of Ruhuna had not aware as to how to act with respect of activities under their purview for the year under review.

- a) Actions had not been taken to identify the objectives which should get reached in accordance with the scope of the university through the awareness of the 2030 Agenda as mentioned above. Hence actions had not been taken to identify the targets connected with objectives, data base, landmarks which targets to be reached and indicators to measure the progress.

- b) It was observed that the process of planning and pre-preparation for reaching targeted objectives was in a very slow and feeble condition due to actions not being taken to coordinate with other institutions properly when preparing for reaching sustainable development goals.

6. Accountability and Good governance

6.1 Presentation of Financial Statements

Although the financial statements for the year under review had been presented to the Auditor General on 28 February 2018, according to the Auditor General letter No. AGSec/Gen/2017/142 dated 29 December 2017, the necessary schedules and subsidiary records had not been furnished along with the financial statements on the same day. Accordingly the financial statements along with the schedules had been submitted properly to audit on 11 April 2018.

6.2 Internal Audit

An internal audit unit had been established with a staff consists with 7 officers. The following observations are made in this regard.

- a) As per the Financial Regulation 133 (2) of the Democratic Socialist Republic of Sri Lanka, a sufficient audit had not been carried out as to be covered the duties and scope of the internal audit units.
- b) As per the Financial Regulation 134 (3), internal audit reports relating to the financial activities of the university should be submitted to audit. However actions had not been accordingly.

6.3 Procurement and Contract Activities

6.3.1 Procurement

The following observations are made.

- a) Although procurements valued at Rs.96 million and Rs.22 million had been included in the procurement plan for purchasing of the Faculty of Agriculture and the Faculty of Medicine respectively, provisions had been made only Rs. 8 million and Rs. 12 million. However the actual cost was Rs.7 million and Rs.11 million only.
- b) High priced wooden tables and benches had been purchased for the canteen No. 01 of the Faculty of Engineering incurring a sum of Rs.2,375,923 without deciding the type suitable commonly for a canteen and fiber tables and chairs with values lower than the above had been purchased for the canteen No. 2. Further at the event of the above purchasing, 10 tables valued at Rs.95,200 purchased in the year 2013 for the canteen No.01 had to be removed even though they are in good condition.
- c) According to the procurement plan of the Faculty of Agriculture for the year 2017, it had been planned to purchase 60 desktop computers, 60 laptop computers, 01 scanner and 10 UPS. However anything had not been purchased during the year under review.

6.3.2 Deficiencies of Contract Administration

Although the new library building of the Faculty of Engineering constructed incurring a sum of Rs. 94 million had been handed over to the University on 22 April 2015, slit and cracks on the walls, concrete beams and columns were observed in 170 places and water leakages were observed in 3 places on the walls of the first and second floors. Further the trip switch was not operated due to the

electrical circuit had not been prepared properly. As a result, out of 3 network switches fixed, 2 switches valued at Rs. 624,094 was destroyed completely and a part of the other switch was out of order.

6.4 Budgetary Control

Considerable variances ranging from 25 per cent to 559 per cent were observed between 64 items of budgeted and actual expenditure for the year under review thus indicating that the budget had not been used as an effective instrument of management control.

6.5 Unresolved Audit Paragraphs

Although it had been pointed out by previous Auditor General's reports, attention of the university had not been paid for the following audit paragraphs even up to the end of the year under review.

- a) Financial assistance amounting to Rs.1,740,622 had been provided to a temporary lecturer and to a permanent lecturer in order to complete higher education qualifications without signing any bond under the project for Agreement on Research Co-operation between the Swedish International Development Co-operation Agency which had been implemented from the year 2006 to the year 2010 by the Faculty of Fisheries Aquatic Recourse and Technology. However it was observed that any benefit had not been obtained by the University for the Expenditure incurred because said lecturers had not been reported for the duty after completing their higher education qualifications even up to 31 December 2017.

- b)
- (i) An advance of Rs.751, 463 had been paid for purchasing of science equipment from a German Institution for the Department of food and technology of the Faculty of Agriculture before 4 years. However those equipment had not been received to the University even up to March 2014 and equipment had been imported from India incurring a sum of Rs.329, 179 without having any follow up action.
 - (ii) Although period of 2 years had been lapsed for receiving those equipment even up to the end of the year under review, the equipment could not be used due to receiving equipment which was not ordered and various deficiencies.
 - (iii) Equipment mentioned in the paragraph (a) (i) above, had got released from the stores at Orugodawatta owned by the Sri Lanka Customs on 4 May 2016. A total sum of Rs.119, 450 including store fees of Rs. 88,700 for remaining equipment for 887 days from 25 November 2013 to 29 April 2016 and airport charges of Rs.30, 750 had to be paid. Although the loss to the government had been occurred due to delays and negligence of the officers, actions had not been taken in accordance with the Financial Regulations 156 (1).
- c) A balance of Rs. 1,764,410 had been remained in the Fund of the Faculty of Medicine relating to the World Health Organization project as at 31 December 2017. According to the replies furnished to audit on 09 September 2015 and 17 January 2017, it had been informed that the balance of the above fund account was hope to be used to buy a new bus to the faculty. However it had not been implemented even up to 31 May 2018.

6.6 Fulfilment of Social Responsibility

The following observations are made.

- a) Although there were opportunity to be carried out programmes coordinating with government institutions to minimize the direct and indirect affect occurred to the health environment and society by using plastics and polythene, the University had not paid adequate attention in this regard.
- b) Attention had not been paid to be implemented the environment friendly programmes which are mentioned details below
 - i. To prohibit bringing polythene and food covers less than 20 microns which was already prohibited into the University.
 - ii. To control bringing polythene and other things more than 20 microns.
 - iii. To encourage students and the staff for using environment friendly methods for bringing meals into the University instead of plastics and polythene bags.

7. Systems and Controls

Deficiencies in systems and controls observed during the course of audit were brought to the notice of the Vice chancellor of the University from time to time. Special attention is needed in respect of the following areas of control.

Areas of Systems and Controls	Observations
Control of Fixed Assets	Good Received Notes not being issued for receiving goods.
Accounting	Uniform accounting policy not being adopted, Sri Lanka Public Sector Accounting Standards not being followed accurately, Provisions not being made for payable expenditure, Revenue not being accounted accurately, unspent grants not being disclosed accurately in the accounts and Cash flows not being recognized accurately.
Financing and Banking	Receivables not being settled without delays, Treasury approval not being obtained to open official bank accounts, The cash book balance relating to bank current accounts was being over drafts and actions not being taken for overdue cheques as per the Financial Regulations.
Advances	Advances not being settled
Staff Administration	Vacancies not being filled, Approval of the Department of Management Services not being obtained for vacant posts.

Budgetary Control

Budgets being prepared without specific predictions, Actions not being taken to amend the budget as per the follow-up actions in order to achieve targets.

Contract Administration

Quality assurance of the building constructions not being certified.

Sgd./ H.M. GAMINI WIJESINGHE
Auditor General

H.M. Gamini Wijesingha

Auditor General.

02. Reply to the Auditor General's Report

Reply Report submitted by the University of Ruhuna for the Report of the Auditor General on the Financial Statements for the year ended 31 December 2017 in terms of sub-section 108(1) of the Universities Act, No. 16 of 1978

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>The audit of Financial Statements of University of Ruhuna for the year ended 31 December 2017 and the statement of financial position as at 31 December 2017 and the statement of financial performance, statement of changes in equity and statement of cash flows for the year then ended and the summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sub-section 107(5) of the Universities Act, No. 16 of 1978. My comments and observations, which I consider should be published with the Annual Report of the Centre in terms of Sub-section 108(1) of the Universities Act appear in this report. A detailed report in accordance with the Sub-section 108(2) was sent to the Vice Chancellor of the University on 19 July 2018.</p>	
1.2	<p>Responsibility of the Management for Financial Statements Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.</p>	
13	<p>Auditor's Responsibility My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards Consistent with International Auditing Standards of Supreme</p>	

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>Audit Institutions (ISSAI 1000-1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.</p> <p>An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. Section 111 of the university Act, No. 16 of 1978 give discretionary powers to the Auditor General to determine the scope and extent of the audit.</p> <p>I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my Audit opinion.</p>	
1.4	<p>Basis for Qualified Opinion</p> <p>My opinion is qualified based on the matters described in paragraphs 2.2 of this report.</p>	
2.	<p>Financial Statements</p>	
2.1	<p>Qualified Opinion</p> <p>In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the University of</p>	

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	Ruhuna as at 31 December 2017 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.	
2.2	Comments on Financial Statements	
2.2.1	Sri Lanka Public Sector Accounting Standards	
	<p>a) <u>Sri Lanka Public Sector Accounting Standard 02</u></p> <p>According to the objective paragraph of the standard, the cash flow statement should be prepared including the source of cash flows, the items on which cash was expended during the reporting period, and the cash balance as at the reporting date. Contrary to this requirement a sum of Rs.45, 657,830 payable to suppliers in future had been shown under the cash outflow of the cash flow statement.</p>	<p>(a) No impact has been made on the overall cash flow due to the relevant adjustment and the difference in the amounts payable to suppliers has been adjusted under the changes in working capital. As pointed out by the audit, the necessary adjustment will be made in the amended financial statements.</p>
	<p>b) <u>Sri Lanka Public Sector Accounting Standard 07</u></p> <p>The following non compliances were observed.</p> <p>I. Although criteria for recognition of assets had been completed, assets valued at Rs.123,325,853 received by the university from the Higher Education for the Twentieth Century project which was completed on 30 June 2016 had not been taken in to accounts.</p>	<p>(i) Action is being ppursuedfor the proper acquistition of the said assets to the University and as per the instructions of the audit, necessary adjustments will be made in the financial statements of 2018.</p>
	<p>II. According to the paragraph 55 of the standard, the revaluation surplus recognized relating to the assets should be transferred to accumulated surplus or deficits when the assets are derecognized. When derecognizing of 3 motor vehicles valued at Rs.2, 315,000 revalued in the year 2014, actions had not been taken in respect of Rs.2,313,600 which had been transferred to the revaluation surplus in connection with relevant motor vehicles.</p>	<p>(ii) Necessary adjustments will be made in the financial statements of 2018.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
2.2.2	<p>Accounting Deficiencies The following observations are made.</p>	
	<p>a) The Project for Specific agreement and research cooperation between the Swedish International Development Corporation Agency had been completed in December 2010. Although the van belonged to the project valued at Rs.6, 300,000 was being used by the University, actions had not been taken to take over the vehicle to the University and take in to accounts even up to the year under review.</p>	<p>(a) Necessary adjustments will be made in the financial statements of 2018.</p>
	<p>b) Provisions had not been made in the accounts for the year under review and the previous years in connection with payable rate tax and surcharges amounting to Rs.402, 048 relating to the properties owned by the University.</p>	<p>(b) Provisions will be made in the accounts of the coming year for payable rate tax and the surcharges are being dealt with separately. All rates in arrears up to 31.12.2017 have been settled.</p>
	<p>c) Although the income received in advance relating to coming years amounting to Rs. 53,084,777 included in the external finance course income of Rs.84,399,021 received in the year 2017 should be accounted as differed income, only a sum of Rs.31,965,422 had been taken in to accounts. Therefore the balance of said account had been understated by Rs.21, 119,355 and the deficiency of the year under review had been understated by the same amount.</p>	<p>(c) This error has occurred due to the opening balance of the deferred income account not been adjusted to the income due to an oversight. The relevant correction has been made in the financial statements of year 2018.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>d) A sum of Rs.107, 658,030 incurred from university funds during the year under review had been shown as a debit balance of the capital grant unspent account instead of being accounted as relevant assets.</p>	<p>(d) Section 76 of Sri Lanka Public Sector Accounting Standard 01 has set out criteria for the identification of a current asset. Therefore we wish to bring to the notice of the auditor that the reporting of a current asset as a capital grant is contrary to the above standard. Further, since the over-spent capital provisions of the current year are covered by the collective capital provisions of the ensuing year, the reporting of a capital grant receivable as a current asset as pointed by the audit is a violation of the Sri Lanka Accounting Standard No.01.</p> <p>Further, we wish to bring to the notice of the audit, that the accounting policy indicated by the audit can only be applied in instances where capital expenditure has been made exceeding the total estimated cost.</p> <p>As pointed out in the audit, the overpaid capital provisions have not been deducted from the accumulated fund and has been shown only as a debit balance in the unpaid capital grant account in the Financial Position Statement.</p>
	<p>e) According to the invoice relating to the purchasing made on 16 August 2017, the value of the automotive test bench was Rs.3, 750,000. However it had been accounted as Rs.4, 162,500 thus payables to suppliers and current assets had been overstated by Rs.412, 500.</p>	<p>e) This balance of Rs. 412,500 is the Value Added Tax added to the purchasing price of the relevant item.</p>
<p>2.2.3</p>	<p>Unexplained differences A difference of Rs.1,086,681 had been observed between the balances shown in the financial statements and the detailed schedules relating to 2 account items.</p>	<p>The necessary adjustments have been made in the financial statements of 2018.</p>
<p>2.2.4</p>	<p>Lack of evidence for audit Confirmations had not been furnished relating to 3 bank current account balances totaled Rs. 11, 188,851 as at 31 December of the year under review.</p>	<p>The management of Bank of Ceylon and People's Bank have been instructed by letter dated 31.12.2017 to refer balance confirmation letters of all bank accounts as at 31.12.2017</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University								
		directly to the audit division. A copy of the letter of balances received by the Finance Division has been submitted to the Audit.								
2.3	<p>Transactions not Confirmed by an Adequate Authority</p> <p>According to the budget proposal for the year 2016, a sum of Rs. 150 million had been granted by the University Grants Commission under the Programme for Strengthen Engineering Faculties. However those sum had been exceeded by Rs.33 million for purchasing capital assets by the engineering faculty without obtaining approval of the University Grants Commission.</p>	As per the programme for strengthening engineering faculties under the budget proposals of 2016, in addition to Rs 150 million received by the Ruhuna University the University Grants Commission agreed verbally to grant another Rs 50 million and procurement activities were carried out accordingly, but since this provision was not received, this situation has arisen.								
2.4	<p>Receivable and payable Accounts</p> <p>According to the financial statements for the year 2017 sum of Rs. 20,932,217 should be recovered for a period from 01 to 15 years from 18 lecturers who violated agreements and bonds entered in to with the University.</p>	The Council under the Legal and Documents Division of the Ruhuna University has sanctioned legal action against lecturers regarding the violation of agreements and bonds up to 20.09.2018 and the relevant list is attached as Annex 01.

	h) Treasury Circular No. IAI/2002/02 dated 28 November 2002	A separate fixed assets register had not been maintained relating to computer hardware and software amounting to Rs.307,040,172.	h) Treasury Circular No. IAI/2002/02 dated 28 November 2002	Each department maintains an assets register relating to computers relevant to that department.
3.	Financial Review		Financial Review	
3.1	<p>Financial Results</p> <p>According to the financial statements presented, the operations of the University for the year ended 31 December 2017 had resulted in a deficit of Rs.165, 850,112 and as compared with the deficit of Rs.76,040,206 in the preceding year, thus indicating a decrease in the financial results by Rs.89, 809,906. Although the government grant for recurrent expenditure was increased by Rs.130,674,145, the increase of employee's remuneration by Rs.176,087,719 had mainly effected to the above decrease.</p> <p>Even though financial deficits had existed in the year 2013 and 2014 in the analysis of the financial results for 04 preceding years and the year under review a financial surplus had existed in the year 2015 and further deficits had existed for the years 2016 and 2017. However, considering the adjustments of employees' remuneration, government taxes and depreciation for non-current assets made to the financial results a continuous increase of contribution had shown from the year 2013 to 2017. Accordingly the contribution of Rs.2,307,417,826 for the year 2016 had increased by 8 per cent up to Rs.2,494,042,928 for the year under review.</p>			

Chap. No.	Matter raised by the Auditor General	Answer given by the University
3.2	<p>Analytical Financial Review</p> <p>The current ratio of the year under review had deteriorated from 1.48: 1 to 0.81:1 during the year under review compared with the preceding year.</p>	
3.3	<p>Legal Cases commenced against to the university or by the University</p> <p>The following observations are made.</p> <p>a) Five cases had been filed by the University against to various parties in district courts in the year under review for recovering a sum of Rs.8, 409,361.</p>	<p>(a)Ruhuna University has filed 5 cases regarding the violation of bonds and agreements and one case has been fixed for hearing. In another case, the entire amount has been paid to the University before the courts. Two other cases were settled in the court and the dues are paid in installments. (In one case 7 out of ten installments have been paid and in the other 6 out of 12 installments have been paid) One case has been rejected by the court due to prescription.</p>
	<p>b) There were 31 cases filed against to the university as 7 cases in the Supreme Court, 9 plaints in the university appeal board, 8 plaints in the labour tribunal, 3 cases in appeal court, 2 cases in high court, 1 case in the district court and the Commissioner of labour compensation. Out of those cases, compensation requested in 1 case was Rs. 4,005,977 and it had not been disclosed in the notes to the financial statements.</p>	<p>Five out of 7 cases filed in the Supreme Court are still nbeing heard and 2 have been ruled in favour of the University. In one case, it has been ruled that the University does not have to pay the sum of Rs. 4,005,977/-. (Money recovered for not carrying out janitorial services as per the agreement) 2 out of 3 cases filed in the Appeals Court are still pending and the ruling of one case was received in favour of the University. One out of 3 cases filed in the High Court is still pending and the ruling of one case was received in favour of the University.</p> <p>The case filed in the district court is still being heard. The case filed with the Commissioner of Labour Compensation too is still being heard. Three out of 8 cases filed in the Labour Tribunal are still being heard the rulings of five cases were in favour of the University. (A date has been fixed for the ruling of one case)</p> <p>Six out of nine plaints filed with the University Appeal Board are pending and 2 cases have been ruled in favour of and one against the University.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		Accordingly, we wish to point out that only 19 cases are pending as at 31.12.2017 out of the 31 cases.
4.	Operating Review	
4.1	Performance	
4.1.1	<p>Planning</p> <p>The following observations are made.</p> <p>a) Although various activities had been identified to fulfil objectives, opportunities to be fulfill them and threats had not been properly evaluated.</p>	<p>The University has prepared a Corproate Plan for every 5-year period and SWOT analysis has been employed as an external and internal environment analysis tool in the preparation of the said plan. For the evaluation of the achievement of the relevant strategic targets, the Key Performance Indicators too have been determined.</p> <p>During certain periods where fluctuations of the results in terms of KPIs used for the evaluation of the achievement of expected targets are observed, attention is focused thereto in preparing the action plan for the coming year.</p>
	<p>b) Installation of targets which should be achieved timely and responsibility for achieving those targets had not been delegated in a logical base.</p>	<p>After the preparation of the Strategic Plan, the action plan prepared concurrently has been expanded up to the operational level.</p>
	<p>c) Although the action plans for the years 2017 and 2018 had been furnished to audit on 6 November 2017, the following matters had not been included in the said annual action plan as per the Public Finance Circular No.01/2014 dated 17 February 2014.</p> <p>(i) Organization Structure of the institute, details of approved cadre and the actual cadre.</p> <p>(ii) The Budget for the relevant year.</p> <p>(iii) Activities prepared in the priority order based on the annual budget.</p> <p>(iv) Procurement plan.</p> <p>(v) Internal audit plan</p>	<p>In agreement with the observations. Necessary arrangements are being made to prepare action plans as per the above circulars from year 2019 onwards.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
4.1.2	<p>Operating and Review</p> <p>The following observations are made in connection with achievement of objectives of the University.</p> <p>a) It had been planned to increase the total number of students recruited from 1,860 to 2,340 up to the year 2018. However the admissions had been made less 339 than the number of students planned for 6 faculties.</p>	<p>a) While acknowledging that the number of students enrolled to 04 faculties have recorded a marginal drop than the minimum number specified in the Corporate Plan, it must also be stated that action had been taken to enroll additional students to 03 faculties. Similarly measures had been taken to enroll the minimum number of students to other faculties.</p>
	<p>b) Although it had been planned to increase the employment rate of the entire graduates up to 85 per cent (except graduates in medicine) within 6 months of the graduation up to the year 2017, the employment rate of entire graduates (except graduates in Engineering) was less than 85 per cent. Meanwhile the employment rate of the graduates in arts was in a very low level as 37 per cent.</p>	<p>(b) As information for this purpose is obtained parallel to the convocation held in less than 06 months after the conduct of the final examination, a higher rate of unemployment is indicated as graduates of certain degree courses need longer time period to be employed. Therefore the University has focused attention on adopting a feasible method to obtain more accurate statistics.</p>
	<p>c) Although it had been planned to bring the university into first 2000 of the Times Higher Educational and QS Ranking List, that objective could not be achieved. According to the webometrics the University of Ruhuna had come to the fifth place of the Local Ranking List in the year 2017</p>	<p>c) Though the expected rank could not be achieved as per these rankings, higher places could be achieved in other similar ranking systems.</p> <p>In addition, having taken into account the recommendations made by COPE, preliminary work has been launched to introduce a suitable ranking system for universities in Sri Lanka.</p>
	<p>d) (i) Although it had been planned to increase the number of post graduate student of the faculty of agriculture by 5 per cent annually, 6 degree courses out of the 7 introduced by the faculty had not been implemented as at the end of the year under review. Further students had not been recruited after the year 2015 for the course for MSC in Crop Production Technology which was implemented out of the above mentioned courses.</p>	<p>d) Under objective 1.5 of the 2014-2018 Strategic Plan, it was planned to increase the number of post graduate students by 5% annually. Accordingly, the University has started several new post graduate degree courses (Such as Master of Peace & Development Studies, Master of Business Management, Master of Engineering, Master of Science in Engineering) and plans are being made to introduce several new courses. (Such as Master of Arts in Development</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		<p>Planning) As observed, applications have been called through notices published in newspapers to recruit new batches of students for five courses implemented under the Agricultural Studies Department. (Master of Science in Agricultural Economic & Development, Master of Science in Agricultural Economics & Resource Management, Master of Science in Agribusiness Management, Master of Science in Green Technology & Master of Science in Crop Protection Technology) However adequate number of applications was received only in respect of Master of Science in Crop Protection Technology course and the course is scheduled to be commenced at the beginning of August. None of the other courses could be commenced due to the non-receipt of adequate number of applications. All these courses are confined to a very limited potential market, therefore only a handful of persons pay attention to them. However if the university can conduct a broad market publicity campaign using its funds (treasury funds), it may be possible attract an adequate number of students. If the audit is in agreement with this, such a publicity campaign can be conducted at least in respect of one course as a pilot project.</p>
	<p>(ii) Although the faculty of agriculture had introduced 4 certificate courses which was administrated by the Distance and Continuous Learning Unit, actions had not been taken to commence the 4 courses even up to the end of the year 2017.</p>	<p>ii) As the registration of students was minimal, new batches of students could not be recruited. Generally, the University has been able to increase the enrollment of students adequately.</p>
	<p>e) (i) Although it had been planned to recruit extra 25 students to the Department of Mechanical and Production Engineering, recruitments had not been done.</p>	<p>e)(i) in addition to 225 students decided as of now, the recommendation made by the faculty board to recruit 25 additional students received the approval of the Senate and the Council and it has now been referred to the UGC for future course of action. Accordingly, it is expected to recruit 250 students to the Engineering Faculty for year 2018.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	(ii) Although 3 lecturers of the academic staff of the Faculty of Engineering had planned to complete the PHD, 2 lecturers had not achieved the target.	ii) One lecturer of the faculty has completed and submitted the PHD thesis in year 2017 and the other two lecturers could not complete the PHD theses in the year 2017.
	f) Although the number of students which can be recruited for 11 degree courses was 1,090, the actual number of students recruited for those courses was 1009. Accordingly the opportunity of 81 students who had qualified to admit to the university had been lost.	f) You are kindly informed that the registration of students for universities is carried out by the UGC on the basis of a national policy and the relevant lists of names are then referred to the University. All arrangements have been made to recruit all students who have been registered by the UGC and referred to the University.
	g) Thirty six students of the Faculty of Management and Finance were failed in the previous year and it had been increased up to 122 in the year under review. It was 35 per cent of the total number of students appeared to the exam.	g) The Faculty of Management and Finance conducts all examinations according to an examination procedure adopted adhering to a proper methodology and the results too are released in keeping with this procedure.
	h) Fifty-four students of the Faculty of Humanities and Social Sciences were failed the degree in the previous year and it had been increased up to 97 in the year under review. It was 18 per cent of the total number of students appeared to the exam.	h) The number of students of the faculty of Humanities and Social Sciences sitting the final examination includes students who have failed the examination in previous years. In addition, the percentage of failures remains high due to medical reasons, economic difficulties and other problems faced by students.

Chap. No.	Matter raised by the Auditor General	Answer given by the University				
	(i) Twenty two students who sat for the examination for the degree in medicine were failed or referred and it was 30 per cent of the total number of students appeared to the exam.	Examination	Degree Course	No. appeared for degree examination in 2017	No. of students passed the degree examination in 2017	No of students failed the examination or were referred
		May 2017 (1 st repeat)	Medical	54	36	No failures. Medical certificates Referred 17
		Nov. 2017 (2 nd repeat)	Medical	19	15	No failures Referred 39
		Nov. 2016 Proper	Medical	135	92	Referred 17 Failures 4
		<p>Accordingly, the number of failures = $4/135 \times 100 = 2.9\%$</p> <p>Though it was sated that 30 of those who sat the examination had failed, 39 students who sat for the first time (proper) had been referred (i.e. they had failed either one or two subjects) and repeat examiantions had been held for them.</p>				
4.2	<p>Management Activities</p> <p>The following observations are made.</p> <p>a) Although a list of the assets used under the project for Specific Agreement and Research cooperation between the Swedish International Development Cooperation Agency closed on 31 December 2010 should be prepared and properly handed over to the Dean of the Faculty of Fisheries and Marine Sciences, actions had not been accordingly even up to the end of the year</p>	<p>(a) Professor Mrs. P.R.T.Kumaratunga who served as the coordinator of the SIDA/SARECproject has through her letter dated 02.04.2018, had informed that she had handed over the assets of the relevant project to the Dean of the Faculty of Fischeies and Marine Sciences.</p>				

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	under review and follow up actions also had not been done in this regard.	
	b) Rate tax had been paid for 11 properties owned by the university in favour of the names of propositus even up to the year under review. Actions had not been taken to transfer the name to the university and amend the rate bills accordingly.	(b) Necessary action in this regard is being pursued.
	c) There were only 6 computers in operation condition for use of the students in the computer unit which had been consisted with 2 computer labs even though all students of 830 of the faculty of agriculture are studying the computer and information technology as a subject. 19 computers were in out of order.	(c) There are approximately 75 computers in the computer laboratory of the faculty of agriculture at present and about 05 computers break down intermittently. Since these out-of-order computers can be repaired and put to use, action has been taken to have them repaired.
	d) A sum of Rs.2,512.8 million had been estimated as the total cost of the project for University Villages Programme and a provision of Rs.50 million had been made in the budget for the year 2017. However this project had not been implemented and a decision had been taken in the 370 th meeting of the Board of Council dated 10 July 2017 to allocate a sum of Rs. 40 million out of the provision for purchasing capital assets to faculties and administration sections, the purposes which was not comply with the objectives of the programme.	(d) Provisions are granted collectively for projects implemented within the University and specified amounte are not granted for individual projects. These provisions are reallocated as per requirements only with the approval of the governing council.
	e) A sum of Rs. 400,000 had been paid from the vice chancellor's fund for 4 students who had submitted research papers to a seminar held in the international Economic Development Center Hongkong as Rs.100,000 per one in order to participate to the same seminar. The university had not provide a proper guidance and instructions to the students thus it could not be able to obtained visa. As a result, the valuable opportunity to participate to the seminar was	(e) Though the necessary guidance was offered by the head and the lecturers of the Department of Geography, the visas could not be obtained on time since they did not have adequate funds.

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>missed to those students. Accordingly a sum of Rs.200,000 had been recovered as Rs.50,000 per student and the remaining Rs.200,000 paid by the university had become an uneconomic transaction</p>	
	<p>f) Replies for 4 audit queries included observations amounting to Rs.275, 166,473 as at 02 August 2018 had not been furnished.</p>	<p>(f) For year 2017, 42 audit queries had been issued and replies for all the 42 queries had been furnished to the government audit division by 02 October 2018.</p>
	<p>g) Actions had not been taken to recover the course fees of Rs.3,003,300 which should be recovered from 37 Business Administration postgraduate students as at 31 December of the year under review and degree certificates had been issued for 15 out of them.</p>	<p>(g) Some students out of 37 who have been mentioned as not having paid course fees of the Master of Business Administration course have abandoned the course midway and several other have failed to handover the course thesis. Several others have fully settled the course fee. However, the University is trying to locate these students.</p>
	<p>h) The unsettled opening balances of the year 2017 which had been brought forward over a number of years relating to bursary and Mahapola accounts were Rs.12, 264,450 and Rs. 2,087,500 respectively. However actions had not been taken to identify and settle those balances.</p>	<p>(h) The percentage of the increase in the balance of unpaid bursary from year 2016 to year 2017 is 1.2% and it has grown due to the increase in the number of bursaries not paid to students.</p> <p>Due to the suspension of Mahapola installments prepared to be paid to unpaid medical students in February and March, the cheques for Rs 989,800.00 out of Rs 617,400 were credited to the Mahapola account through receipt No. R20669 which resulted in an increase in the unpaid Mahapola balance. Since this amount has not been reimbursed by the UGC, the said balances were withdrawn from that account and transferred to expenditure item and adjustments were made in the amended financial statements.</p>
<p>4.3</p>	<p>Operational Activities The Nursing Degree of the faculty of Alliance Health had been completed by 145 students as the total of 4 batches which had been started in the year 2008. The accreditation of the Sri Lanka Nurses Council which is essential for their professional acceptance had not been obtained even up to the year 2017.</p>	<p>The Faculty of Allied Health is pursuing action at present to obtain accreditation from the Sri Lanka Nurses Council. The coordinator of the said course and the head of the department have initiated action to obtain the accreditation and as the line ministry too has made a direct</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		intervention, the faculty is hopeful of obtaining the accreditation in the near future.
4.4	<p>Transactions in Contentious Nature</p> <p>The following observations are made.</p> <p>a) According to the Sub sections 24 (d) and 27 (1) of the University Act No. 16 of 1978 the Minister has the power to assign a faculty or faculties to a university contrary to this requirement, the faculty of postgraduate studies belonged to the University of Ruhuna had been assigned by the University Grants Commission. Evidence to confirm whether the Commission has such power had not been furnished to audit.</p>	<p>(a) The issuance of a gazette notification for the establishment of a new faculty is a function of the UGC and action is now being pursued to make the Commission aware of this oversight and and to issue the relevant gazette notification.</p>
	<p>b) According to the Sub sections 48 (a) 2 of the University Act No. 16 of 1978 which had been amended by the Section 28 of the University (amended) Act No. 07 of 1985 , the procedures for the structure, powers, duties and functions of a Faculty for postgraduate studies and the appointment or election of the Dean of the Faculty should be determined by the Commission through the specifications.However such specified specification had not been prepared for the Faculty of Postgraduate Studies of the University of Ruhuna even up to 31 May 2018.</p>	<p>(b) The faculty has been established under the post graduate faculty specifications No 7 of 1987 issued under the University (Amendment) Act No. 7 of 1985.</p>
	<p>c) The following observations are made in connection with the Degree of Master of Business</p> <p>(i) Although a common by law had been prepared in the Faculty of Postgraduate Studies for recruiting applicants for the Degree of Master of Business, approval of the Board of Council had not been obtained even up to the end of the year under review. According to the Sub sections 45 (2) of the University Act No. 16 of 1978, the authority for preparing the By Law had been delegated to the Board of Council.</p>	<p>(i) By law No. 11-2016 approved to be effective from 30.03.2016 by the Council at its 375th meeting is a applicable for all courses of the Post Graduate Faculty of the Ruhuna University.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>Therefore acceptance of the Common by law prepared by the faculty of which ascended faculty for the Degree of Master of Business Administration as a complete by law was a controversial matter.</p>	
	<p>(ii) Although the Senate has the power of recommendation of qualifications to the Board of Council for recruiting applicants to courses of studies as per the Sub sections 46 (6) (VIII) of the University Act No. 16 of 1978, contrary to this qualifications for the admission of the Degree of Master of Business Administration had been determined in the 36th meeting of the Board of Studies of the Faculty of Management and Finance held on 5 April 2017.</p>	<p>ii) The alternative recruitment qualifications relevant to the Master of Business Administration Degree recommended by the Board of Studies of the Faculty of Management and Finance have been approved by the Senate at its 326th meeting held on 30 May 2018 on the recommendation of the Board of Study of Postgraduate Studies.</p>
	<p>(iii) Under the No.3 of the qualifications determined, the Board of Study had decided that considering highly completion of examinations of the Institute of Accounting Technology of Sri Lanka as equal as the membership of the Sri Lanka Institute of Chartered Accountants and it was a qualification to apply for the Degree of Master of Business Administration .However it was observed in audit that said decision was not in a logical base.</p>	<p>iii) Recruitment qualifications is not the only factor that determines the standard of a postgraduate degree course.Methods followed by professional bodies such as Sri Lanka Institute of Chartered Accountantscannot be directly employed by a university. However as mentioned previously, the relevant Boards of Study are currently conducting a review as regards the qualifications of new recruitments for postgraduate courses.</p>
	<p>(d) A total sum of Rs.484, 500 had been paid by the Faculty of Engineering for 57 turns as Rs. 8,500 per one for gully bouser service obtained from a private institution. According to the register of arrivals and departures of vehicles maintained by the security section, time spent to transport in 25 kilometers and loading and downloading waste was 38 minutes which is not acceptable. Accordingly,</p>	<p>(d)An inquiry is being conductd in this regard by the Internal Audit Division as of now. Future action will be determined on the basis of the report of this inquiry.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>accuracy of the payment had not been got confirmed before making payment thus said payment was a controversial matter.</p>	
<p>4.5</p>	<p>Idle and Underutilized Assets The following observations are made.</p> <p>a) Twenty computers of the Dell brand had been provided to the computer lab of the center for pharmacist Degree courses belongs to the Faculty of medicine on 31 May 2011. Seven computers out of the above 20 had been remained out of order in the computer lab and another 6 computers had been sent to the Faculty of medicine for repairing on 23 February 2017. However those computers had not been returned even up to 11 October 2017 the date of audit.</p>	<p>a) Due to the delay in providing adequate Internet facilities to the Pharmacist degree course from year 2011, the said computers are now being used for lecture hall and office activities.</p> <p>As of now, this degree course and other allied health courses have been established as a separate faculty and taking into account student requirements steps have been taken to provide them with Internet facilities.</p> <p>Out of order computers belonging to the pharmacist degree course are referred to medical faculty to have them repaired by its technical officer or obtain his recommendations and there has been a delay in these activities as a result of him being busy.</p> <p>Allied health faculty has been established as a separate faculty as of now. Therefore action will be taken to prevent such delays in future.</p>
	<p>b) Although 7 laptops valued at Rs.495,600 had been provided for the Nursing Degree Course of the Faculty of Medicine on 31 December 2016, out of those 05 computers had not been taken into use installing software even up to 30 June 2018 the date of audit.</p>	<p>b) Software could not be installed as at the date of the audit for 5 laptop computers purchased for the Nursing Degree Department on 31.12.2016 due to the following reasons.</p> <p>These laptops have been purchased to be used for lectures of students and HDMI VGA Connectors which connect laptops to multimedia equipment have not been received from the retailer. Therefore the nursing degree division placed an order on 08.05.2017 but there had been a delay in receiving it.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		<p>Moreover, software was not installed in laptops until the receipt of HDMI VGA Connectors as the salinity in the environment around the nursing degree department could have caused problems to the laptops.</p> <p>The retailer warranty of these laptops is the sticker affixed to the laptops. A sticker stating that the period of warranty is from 31.12.2016 to 30.12.2019 is affixed to the back of every laptop.</p>
<p>4.6</p>	<p>Staff Administration</p> <p>The following observations are made.</p> <p>a) Academic Staff</p> <p>(i) Four approved posts of professors of the Faculty of Engineering was vacant since the commencement up to now.</p>	<p>i) Every year applications are called twice or thrice for vacancies existing in the University. In the year 2018 too, applications were called for vacant posts through a vacancy notice published in newspapers in February. However no applications were received for the vacant posts of professors in the faculty of engineering. Therefore all 4 posts for professors approved for the faculty of engineering remain vacant.</p>
	<p>(ii) There were 188 vacancies in the posts of lecturers for the 9 faculties of the University. Out of that, the number of vacancies of the faculties of medicine, engineering and sciences were in high rates as 42, 25 and 33 respectively. Actions had not been taken to fill those vacancies even up to 31 May 2018.</p>	<p>ii) For all vacancies in these faculties too, applications were called through notices published in newspapers. Preliminary activities to conduct interviews for the applicants are now in progress and in some faculties where these preliminary activities have been finalized, arrangements have been made to conduct interviews from this month.</p> <p>The number of vacancies has increased due to the receipt of provisions anew for staff in respect of year 2017, retirement and resignation of lecturers, the resignation of lecturers recruited to the Engineering Faculty.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>b) Non- Academic Staff The following observations are made.</p> <p>(i) Applications had been called for the post of Bursar vacant since 4 November 2010 in 10 instances. Three qualified applicants had not been appeared to the interview due to delays of 6 months to 8 months for calling for the interview. Hence the vacancy could not be filed as at the end of the year under review.</p>	<p>i) Applications have been called for the post of Bursar and arrangements are being made to conduct interviews.</p>
	<p>(ii) Two posts of work engineer were vacant from the year 2010 and applications had been called in 7 instances. However necessary recruitments had not been done even up to 31 May 2018.</p>	<p>ii) Necessary action is being taken to fill these vacancies.</p>
	<p>(iii) There were vacancies of 10 staff grade posts, 45 non- staff grade posts and 63 posts of minor staff of the non-academic staff. However actions had not been taken to fill those vacancies.</p>	<p>iii) Approval was not granted by the Department of Management Services to recruit personnel for 64 posts indicated in the approved estimate in year 2013. However, approval was granted to make recruitments to the said posts from the new estimate of posts issued in 2017.</p> <p>Recruitments are carried out continuously to fill vacant posts through internal and external processes, through newspaper notices and registers of names and recruitment activities for several posts have now been finalized.</p>
	<p>(iv) The number of staff of the clerical and parallel services served only 3 sections was 278 and 20 out of them had been served in a same division over a period of 5 years to 20 years.</p>	<p>(iv) The staff of the university has been attached to various divisions taking into account the requirements of each division and the need to maintain confidentiality. However any officer ,if he so wishes can apply for a transfer. For officers who thus apply for transfers are posted to suitable stations as appropriate.</p>
	<p>(v) The number of staff of the internal security division of the university was 124 and the actual number was 94. Accordingly the number of vacancies was 30. Service of</p>	<p>(v) With the expansion of the number of faculties in the University, the security division had to shoulder the responsibility of security in a large extent of area. As the</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	<p>65 private securities had been obtained since January 2017 more than twice of vacancies without recruiting for those vacancies. Although a sum of Rs. 14,322,710 had been paid for the private security service only from January to July 2017, over time payment amounting to Rs.7, 484,926 had been paid for the security officers of the university for the same period. Accordingly it was observed that the university had not acted in an economically effective way for obtaining security service.</p>	<p>faculties are distant from each other and as each faculty has a large extent of area, a security programme has to be designed covering the land area and all properties. As the internal security division did not have the required number of officers for this purpose, services of external security agencies were emlisted.</p> <p>Due to the deployment of other security officers for those on leave in deploying security officers under the roster system and the availability of a large number of public holidays during the period considered, the Univesity was compelled to maintain security services continuously by deploying security officers on overtime duties.</p>
5.	Sustainable Development	
5.1	<p>Achievement of Sustainable Development Goals</p> <p>All Statutory Institutions should be functioned in accordance with the 2030 Agenda for Sustainable Development adopted by the United Nations and the University of Ruhunahad not aware as to how to act with respect of activities under their purview for the year under review.</p> <p>a) Actions had not been taken to identify the objectives which should get reached in accordance with the scope of the university through the awareness of the 2030 Agenda as mentioned above. Hence actions had not been taken to identify the targets connected with objectives, data base, landmarks which targets to be reached and indicators to measure the progress.</p> <p>b) It was observed that the process of planning and pre-preparation for reaching targeted objectives was in a very slow and feeble condition due to actions not</p>	<p>(a) and (b)</p> <p>The Sustainable Development Agenda 2030 has listed 17 objetives to be achieved for sustainable development. Of these objectives, under Annex 04 relevant to education sector, the enhancement of quality and expansion of accessibility have been addressed. These objectives have already been incorporated into the Strategic Plan of the UGC and the Corporate Plan of the University and KPIs too have been determined to measure the success of achieving expected targets.</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	being taken to coordinate with other institutions properly when preparing for reaching sustainable development goals.	
6.	Accountability and Good governance	
6.1	<p>Presentation of Financial Statements</p> <p>Although the financial statements for the year under review had been presented to the Auditor General on 28 February 2018, according to the Auditor General letter No. AGSec/Gen/2017/142 dated 29 December 2017, the necessary schedules and subsidiary records had not been furnished along with the financial statements on the same day. Accordingly the financial statements along with the schedules had been submitted properly to audit on 11 April 2018.</p>	<p>During the relevant years, only the set of financial statements have been handed over to the Auditor General's Department and no inquiries were made about the schedules. This year too, the financial statements were handed over the head office on 28 February, 2018. Action will be taken in the coming years hand over the financial statements to the head office together with the copies of schedules.</p>
6.2	<p>Internal Audit</p> <p>An internal audit unit had been established with a staff consists with 7 officers. The following observations are made in this regard.</p> <p>a) As per the Financial Regulation 133 (2) of the Democratic Socialist Republic of Sri Lanka, a sufficient audit had not been carried out as to be covered the duties and scope of the internal audit units.</p>	<p>a) Not in agreement with the observations of the audit.</p> <p>A report on the activities carried out by the Internal Audit Division in respect of year 2017 was handed over to the Government Audit Division on 05.06.2018 and in considering the matters and scope contained in the report, the situations in the audit observations are not observed.</p>
	<p>b) As per the Financial Regulation 134 (3), internal audit reports relating to the financial activities of the university should be submitted to audit. However actions had not been accordingly.</p>	<p>(b) 03 internal audit reports have been issued for year 2017 and as of now those 03 reports have been furnished to the Auditor General. In addition, 07 special audit reports have been prepared on the orders of the Vice Chancellor and handed over to him. On the basis of the said reports, certain actions have been initiated by the Legal and Document Division on the instructions of the Council. Action will be taken to hand over the said reports to the government</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		audit division without hindering the actions so initiated.
6.3	Procurement and Contract Activities	
6.3.1	<p>Procurement The following observations are made.</p> <p>a) Although procurements valued at Rs.96 million and Rs.22 million had been included in the procurement plan for purchasing of the Faculty of Agriculture and the Faculty of Medicine respectively, provisions had been made only Rs. 8 million and Rs. 12 million. However the actual cost was Rs.7 million and Rs. 11 million only.</p>	<p>a) Procurement plans are made on the basis of all requirements of the faculties. However, provisions allocated from the annual budget for acquisition purposes are not sufficient to meet the requirements of the procurement plan and necessary action had been taken to amend the procurement plan as per the provisions allocated.</p>
	<p>b) High priced wooden tables and benches had been purchased for the canteen No. 01 of the Faculty of Engineering incurring a sum of Rs.2,375,923 without deciding the type suitable commonly for a canteen and fiber tables and chairs with values lower than the above had been purchased for the canteen No. 2. Further at the event of the above purchasing, 10 tables valued at Rs.95,200 purchased in the year 2013 for the canteen No.01 had to be removed even though they are in good condition.</p>	<p>b) On the recommendations of the Technical Evaluation Committee it was decided to use teak chairs and tables for canteen No.1 of the Faculty of Engineering and 10 tables in canteen No. 1 which were in good condition were handed over to male and female hostels and other faculties as per requirements.</p>
	<p>c) According to the procurement plan of the Faculty of Agriculture for the year 2017, it had been planned to purchase 60 desktop computers, 60 laptop computers, 01 scanner and 10 UPS. However anything had not been purchased during the year under review.</p>	<p>c) It is acknowledged that the equipment mentioned had been identified to be purchased for the computer unit of the Faculty of Agriculture. However identifying requirements to address shortcomings and its implementation are two different things. Accordingly, though the requirement has been identified and included in the procurement plan as mentioned by you, it could only be implemented according to the funds made available by the Treasury. Though the requirements had been identified, items had been purchased on a priority basis. As the funds that could be allocated to the computer division were not</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		<p>sufficient from provisions allocated for the faculty, the items could not be purchased.</p> <p>There are approximately 75 computers in the computer laboratory of the faculty of agriculture at present and about 05 computers break down intermittently. Since these out-of-order computers can be repaired and put to use, action has been taken to have them repaired.</p>
6.3.2	<p>Deficiencies of Contract Administration</p> <p>Although the new library building of the Faculty of Engineering constructed incurring a sum of Rs. 94 million had been handed over to the University on 22 April 2015, slit and cracks on the walls, concrete beams and columns were observed in 170 places and water leakages were observed in 3 places on the walls of the first and second floors. Further the trip switch was not operated due to the electrical circuit had not been prepared properly. As a result, out of 3 network switches fixed, 2 switches valued at Rs. 624,094 was destroyed completely and a part of the other switch was out of order.</p>	<p>The number of slits and cracks on walls and concrete beams mentioned by you are correct. As this is a large building such small scale slits/cracks are very normal. However these small slits and cracks have not caused any damage to the safety or strength of the building. However when the University accepted the building on 22nd April 2015, it was inspected closely it can be guaranteed that these slits/cracks were not observed at the time. Action will be taken to inspect these cracks and the action to be taken will be determined accordingly.</p> <p>The activation of a trip switch depends on several factors. The trip switch is not activated at every lightning and it is triggered by the intensity of lightning, the location of lightning and the sensitivity of the trip switch. Since the sensitivity of the network switches and the underground internet cables used for this purpose is very high, the possibility being struck by lightning is very high. Therefore even if the trip switch has stopped, there is a high possibility of lightning reaching the switch through underground cables. Therefore it is not 100% correct to say that the equipment had been damaged due to a defect in the trip switch.</p> <p>Attention has been paid as of now to the shortcomings in the electrical system and</p>

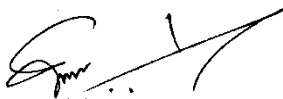

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		necessary measures have been taken by notifying the relevant institutions.
6.4	<p>Budgetary Control</p> <p>Considerable variances ranging from 25 per cent to 559 per cent were observed between 64 items of budgeted and actual expenditure for the year under review thus indicating that the budget had not been used as an effective instrument of management control.</p>	<p>Activities of an institution providing services such as higher education, cannot be carried out strictly within the expenditure limits as activities of an institution with commercial objectives. If activities are confined to expenditure limits, the quality of the service provided too may diminish. The attention should be focused on the quality of the service provided and not on exceeding provisions.</p>
6.5	<p>Unresolved Audit Paragraphs</p> <p>Although it had been pointed out by previous Auditor General's reports, attention of the university had not been paid for the following audit paragraphs even up to the end of the year under review.</p> <p>a) Financial assistance amounting to Rs.1,740,622 had been provided to a temporary lecturer and to a permanent lecturer in order to complete higher education qualifications without signing any bond under the project for Agreement on Research Co-operation between the Swedish International Development Co-operation Agency which had been implemented from the year 2006 to the year 2010 by the Faculty of Fisheries Aquatic Recourse and Technology. However it was observed that any benefit had not been obtained by the University for the Expenditure incurred because said lecturers had not been reported for the duty after completing their higher education qualifications even up to 31 December 2017.</p>	<p>(a) Financial assistance has been extended to the following lecturers under this project.</p> <p>Dr. Chandana Nissanka- Senior Lecturer</p> <p>Dr. Chandana Nissanka had applied for two-month leave from 27.09.2007 to 21.12.2007. Out of this leave, 25 days had been approved as paid leave by the Council at its 258 meeting held on 08.10.2007.</p> <p>The above leave was applied for to follow the course "Principles and Applications of remote sensing and Geography Information System (GIS)" and that course was held from 27.09.007 to 11.12.2007 at the International Institute for Geo Information Science and Earth Observation. After following the said course, Dr Nissanka had reported back to duty on 14.12.2007.</p> <p>Dr. Nissanka had again been granted paid medical leave for 14 days from 24.01.2008 to 07.02.2008. He had reported back to duty on 13.06.2008 and had requested leave again on 30.09.2008 due to personal reasons. From 02.10.2008, he was deemed to have vacated the post.</p> <p>Miss N.K.N.K. Vidyaratne- Temporary Lecturer</p>

Chap. No.	Matter raised by the Auditor General	Answer given by the University
		<p>Miss Vidyaratne had applied for leave for two months on 05.10.2007 from 15.10.2007 to 15.12.2007 to participate in a training course under the funds made available fro SIDA/SAREC project.</p> <p>She had assumed duties in the post of temporary lecturer on 18.1.2007.</p> <p>Further, it has been stated in the University Act that there is no need to enter into agreements or bonds for leave applied for less than 09 months and these two lecturers had been granted leave taking into account the requirements of the staff of the faculty at the time and the benefits to be accrued nationally.</p>
	<p>b)</p> <p>(i) An advance of Rs.751,463 had been paid for purchasing of science equipment from a German Institution for the Department of food and technology of the Faculty of Agriculture before 4 years. However those equipment had not been received to the University even up to March 2014 and equipment had been imported from India incurring a sum of Rs.329,179 without having any follow up action.</p>	<p>(b) i, ii, iii</p> <p>A committee was appointed by the financial subcommittee to inspect deficiencies in the said equipment purchased by the Department of Food and Technology and it was instructed to calculate the expenditure to be incurred to bring the items to working condition and report whether the loss suffered can be minimized. However the decision of the above committee was that none of the equipment could be restored to working condition. Accordingly, after all the relevant information had been submitted to the finance subcommittee 02-2018, its the recommendation had been to refer the matter to the Coucil to seek instructions as to what measures should be taken regarding the irregularities of the process and losses incurred. Future course of action will be determined consequent to the decision of the Council.</p>
	<p>(ii) Although period of 2 years had. been lapsed for receiving those equipment even up to the end of the year under review, the equipment could not be used due to receiving equipment which was not ordered and various deficiencies.</p>	
	<p>(iii) Equipment mentioned in the paragraph (a) (i) above, had got released from the stores at Orugodawatta owned by the Sri Lanka Customs on 4 May 2016. A total sum of Rs.119,450 including store fees of Rs.88,700 for remaining equipment for 887 days from 25 November 2013 to 29 April 2016 and</p>	

Chap. No.	Matter raised by the Auditor General	Answer given by the University
	airport charges of Rs.30,750 had to be paid. Although the loss to the government had been occurred due to delays and negligence of the officers, actions had not been taken in accordance with the Financial Regulations 156 (1).	
	c) A balance of Rs. 1,764,410 had been remained in the Fund of the Faculty of Medicine relating to the World Health Organization project as at 31 December 2017. According to the replies furnished to audit on 09 September 2015 and 17 January 2017, it had been informed that the balance of the above fund account was hope to be used to buy a new bus to the faculty. However it had not been implemented even up to 31 May 2018.	c) The relevant documents to obtain approval for the purchase of a new bus had been forwarded to the Controller General Department by the UGC and the Ministry of Higher Education. Accordingly,after obtaining the relevant agreement, action will bbe pursued to purchase the bus.
6.6	<p>Fulfilment of Social Responsibility The following observations are made.</p> <p>a) Although there were opportunity to be carried out programmes coordinating with government institutions to minimize the direct and indirect affect occurred to the health environment and society by using plastics and polythene, the University had not paid adequate attention in this regard.</p>	<p>In awarding the contract for janitorial services, the Ruhuna University has paid special attention to this aspect.</p> <p>At the Wellamadama premises and Faculty of Agriculture of the Ruhuna University, compose fertilizer is produced using garbage and plastic and polythene items are collected at one place and handed over in bulks to the Matara Municipal Council. Thus, a programme has been launched to remove plastic and polythene items in partnership with a public sector institution and the observation to the effect that sufficient attention had not been paid to this matter cannot be accepted.</p> <p>Further, with the objetive of promoting green productivity, you are informed that a poper garbage disposal programme has already been implemented.</p>
	b) Attention had not been paid to be implemented the environment friendly programmes which are mentioned details below	b) (i), (ii), (iii) Through a letter, the owners of the canteens of the Ruhuna University have been

Chap. No.	Matter raised by the Auditor General	Answer given by the University								
	j) To prohibit bringing polythene and food covers less than 20 microns which was already prohibited into the University.	<p>informed that the use of lunch sheets manufactured using high density polythene, low density polythene and polypropylene and grocery bags/ polythene bags and food containers manufactured using high density polyethylene has been banned to minimize environmental problems and to ban polythene products through gazettes extraordinary No. 2034/34 and 2034/35.</p> <p>Accordingly, the canteen owners have been briefed to comply with the said regulations.</p>								
	ii) To control bringing polythene and other things more than 20 microns.									
	iii) To encourage students and the staff for using environment friendly methods for bringing meals into the University instead of plastics and polythene bags.									
7.	<p>Systems and Controls</p> <p>Deficiencies in systems and controls observed during the course of audit were brought to the notice of the Vice chancellor of the University from time to time.
